

May 20, 2010

Business Meeting

The annual RGS meeting and officers for the 2010 - 2011 program year will be introduced.

Main Program

Title: "Stump the Experts".

Presenters: A panel of RGS experts

This is your chance to have questions answered by some of the RGS veterans. We all run into brick walls during research. This is where experience counts. Bring in your questions and let us see what can be accomplished.
