1980 CHURCH DIRECTORY

Dear Friends,

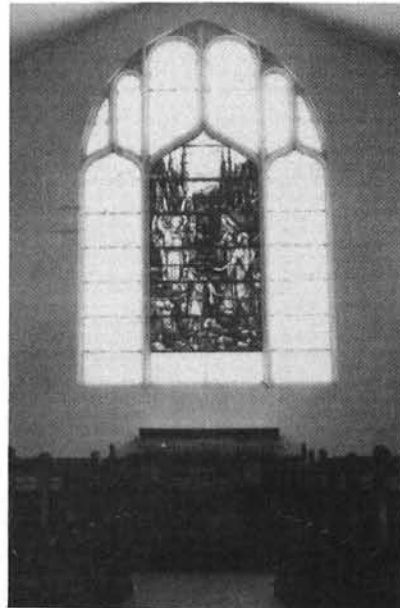

Thank you for your cooperation in producing this Directory. I am sure that you will find it very helpful, whether you are a new member or a veteran member of our Church. Every month the Newsletter, mailed to your home, will keep you informed as people move and changes occur in their families. If you notice that some folk are not pictured in the Directory, there is a complete mailing list at the end of the picture section and you may find the name or address you want there.

One reason why this Directory was produced involves all of us: We hope that it will be an aid in getting to know one another better. As we work and worship together in our Church there are many people who we meet regularly but whose names are unfamiliar to us. Use your Directory to help put names and faces together...and help bring our congregation together in the process.

Once again, thank you for your cooperation. As you look through the following pages, you'll be meeting some of the greatest people in Rochester....they belong to an outstanding Church. In a few years we'll produce another Directory....let your friends know that they are welcome and that we'd like to see their pictures here someday too!
