REPORT of the PASTOR for the YEAR ending NOVEMBER 30, 1923.

MEMBERSHIP:

At the close of the year 1922 the congregational register showed a membership of 680. Pursuant to the resolution adopted at the Annual Meeting of the Congregation last December, when it came time to report to Synod, the Council very carefully revised the membership list and culled out the accumulated dead wood reducing the membership to 630. This was the first revision of the roll in fourteen years. Since May 1 when this revision was made, 25 new members have been received, bringing the total membership to 655 on November 30th. the close of the year 1923.

Net gain for the present year is 38, making total membership
778.

It will be noted that our Congregation is not growing at the expense of our sister Congregations, but by a natural development of its own inner strength and by a purely missionary effort in the community.

The gain this year is 1/3 better than last year, while the total loss is 126% less than that of last year.

SERVICES:

A total of 15,698 were in attendance at the services during the past year. These were divided as follows,

Morning Worship,.....	11,602 total,.....224 average;
Evening Worship,.....	2,721 total,.....104 average;
Week-day Worship,.....	1,635 total,.....164 average.

It is to be deeply regretted that the Congregation at large does not seem to appreciate the value of the evening worship. The largest accessions to our membership since I have been pastor have been during those seasons in which the evening worship was most largely attended. The reflex action of the community of a church building used for service only once during the week is bad. It is to be hoped that a renewal in interest in evening worship, either on Sunday or Wednesday evening will be manifested.

6 Communion Services were held with a total of 1,236 participations and an individual count of 538. 15 members communed at every Communion Service; 25 communed five times; 56 communed four times; 102 communed three times 115 communed twice; 225 communed only once.

Most of the persons who communed did so during the Lenten Season. Is particularly true of those who partook of the Sacrament only once or twice. It will be seen, therefore, from these figures that 340, or 44% of the Congregation, are still under the influence of the old Romanist superstition that if one does "one's Lenten duty" it is quite sufficient. Let us make every endeavor during this coming year to bring our Communion life up to the ideal we have set, not less than 600 partaking of the Sacrament at least 1,800 times! We can IF we will.

PASTORAL ACTIVITIES:

MINISTERIAL ACTS:

Baptisms:.....25 children were baptised;
Marriages:.....16 couples were united in marriage;
Burials:.....13 services were conducted.
Private Communion was given 30 times.
Calls:....458 in all were made of which 100 found no one at home, or no response at the home visited. 85 calls were made in securing new members.

BIBLE CLASSES:

As usual I have had under my personal charge three classes looking forward to Confirmation. There are at present 82 children thus under instruction divided as follows,

Beginners,.....21
 Juniors,.....29
 Seniors,.....32.

The present Senior Class is far behind their schedule, so much so that they will have to bend every effort to be ready for Confirmation on Palm Sunday. The class has been so notified and since the beginning of the New Year there has been a marked improvement in their deportment in class and preparation at home.

During the year the three classes have supplied the Altar with candles; have purchased one stole; supplied various items for the Study; and the present classes are paying for the black board installed on the balcony.

I would urge upon the parents of these children the desirability of their visiting the classes while they are in session. You go to the child secular school - why not go to the school that is preparing your child for eternity as well as for this world?

VISITORS' BOOK: During the past year a Visitors' book has been kept in which the names and addresses are placed of those who attend our services and fill out the Visitors' Cards. A total of 43 such cards have been handed in since April 26th, when the system was inaugurated. An analysis of these cards is interesting. 21 are from Rochester; 2 East Rochester; 1, W. Henrietta; 2, Henrietta; 1, Ontario; 1, Clifton Springs; 4, Buffalo; 1, Union Hill; 4, Chicago, Ill; 2, Saxonburg, Penna; 1, Narberth, Penna; 1, St. Petersburg, Fla; 1, Hollywood, Fla; 1, Alison, Ohio. 8, signed themselves as Lutherans; 13, were undesignated; 4, Evangelical 2, Baptist; and one each were, Episcopal, Methodist, Plymouth Brethren, and Presbyterian.

THE TIME HAS COME when serious thought must be given to two things - 1) The Congregation's relationship to the Ministry and to the Diaconate; 2) The enlargement of our Congregation and staff of workers. This year sees the ordination of the only boy Grace Church has given so far in its 37 years to the work of the ministry. Not a single boy seems ready to step into the places made vacant in college and Seminary by Mr. Stowell's active entering into the work. This is a serious indictment of the Congregation, especially in view of the fact that during this same period in which she has given ONE son to the Church she has called upon the Church to furnish her with seven different pastors. I would lay it on your con-

Pastor's 1926 Report, Page 3

sciences and on your hearts to make every endeavor that we make good in this respect. What is true of the Ministry is equally true with the Deaconess calling and the Foreign Mission fields. In neither of these is there to be found a single young man or young woman from Grace Church. Evidently, we have not seized the message of our Master - Go ye into all the world, and preach the Gospel to every creature.

These short-comings will quickly right themselves when every parent remembers that Christ has the first claim on our children; when every parent seriously and prayerfully puts before son and daughter the callings of the Ministry, the Diaconate, and the Mission Fields. And a special duty rests upon the members of the Church Council and upon teachers and officers in the Bible School to see that these callings are constantly kept before the young people of our Congregation.

With respect to the second need - the enlargement of our Congregational staff of workers - let me call to your attention that it has become an impossibility for one man to care for the work of the Congregation the way it should be cared for. With 496 families to give pastoral attention, with the growing list of sick and shut-ins, each of whom should be visited at least twice a month, with the work of increasing the membership of the Congregation, to say nothing of the constantly increasing calls for services thruout the city as our Congregation is becoming better known, the introduction of week-day religious education, and the every-widening participation of the Congregation in the program of our own Lutheran Church, the burden is becoming too great for one person. An additional worker must be secured at the very earliest date. Perhaps the best would be a deaconess, which would cost the Congregation some \$1,200 a year. The Bible School could support such a worker if the Easter offering of the School were to be applied to this purpose. This can readily be done after this year, when we shall meet the final payment on the organ. We should not expect the children of our Bible School to help us pay our mortgage. On the contrary they should be permitted to use their energies for the spiritual and educational expansion of the Congregation. And the sooner we adopt this policy with our Bible School and young people the sooner will be the coming of Grace Church into her rightful place in community and church at large. I lay this matter on your hearts and ask your prayers that it may be realized.

REPORT of the PASTOR for the Year ending December 31, 1928

.....

To the Congregation of
Grace Lutheran Church,
Rochester, N.Y.

It is with gratitude to God and deep appreciation of your co-operation that I present this, my ninth annual report as your pastor.

The year, which has just closed, has been in some respects the most difficult of my entire ministry and one of the most trying of my pastorate with you, but taken as a whole it has been one of the best as well. This is often the case as the largest horizons are discovered only after the laboring climb that brings us to the top of some high hill.

I: MEMBERSHIP -

At the close of 1927 I reported a nominal membership of 802. During the year 128 we had the following

A. Accessions:

1. By Confirmation,.....	23
2. By Adult Baptism,.....	6
3. By Confession of Faith,.....	12
4. By Restoration,.....	8
5. By Letter of Transfer,.....	3
Total,.....	52

B. Losses:

1. By Letter of Transfer,.....	4
2. By Resignation,.....	2
3. By Death,.....	3
Total,.....	9

Accessions:.....	52
Losses:.....	9
NET GAIN,.....	43

The net gain of 1928 added to our membership brings to present MEMBERSHIP to 845.

This total membership represents 483 families or separate mailing points.

The BAPTIZED MEMBERSHIP of the Congregation is now 1164.

2: SIX ECOMMUNION SERVICES were held with a total of ⁷⁴52~~4~~ partaking of
The Sacrament. Of these ^{1228 Times}
322~~225~~ Communed only once during the year,
109 " twice " " " "

Pastor's Report for 1928

Pg. 2

77 Communed three times during the year,
 46 " four " " " " " and
 26 " five " " " " " "

It is still quite evident from these figures that the large majority of the Congregation still have the old Romish superstition of "doing one's Easter duty." A clear realization of the supreme importance and the blessed joy of partaking of the Holy Communion would bring every member to the Lord's Table each time The Sacrament is distributed.

I would appeal to you all that you make 1929 a year of marked faithfulness in coming to the Lord's Supper.

3: ATTENDANCE at DIVINE WORSHIP during the year may be classified as follows, -

A. Sunday Morning Worship: The total attendance of the 50 Sunday mornings of which I have a record is 10,379, an average of 208 per service.

B. Sunday Evening Worship: The total attendance for the four Sunday evening services was 1025, an average of 256.

C. Mid-Week Worship: The total attendance for the 18 mid-week services was 681, an average of 38.

D. Lenten Week-day Worship: The total attendance for the ten week-day services during Lent was 1984, an average of 198.

THE GRAND TOTAL ATTENDANCE was 14,069

The GENERAL AVERAGE is 28% of the Congregation's membership. It is interesting to note that this "general average" is 6% better than the "general average" thruout the Church, which, according to government statistics is only 22% of the total church enrollment.

While, then, in one direction our attendance is good, in another direction, tho better than the average, it should give us occasion to take stock of our spiritual condition. No group of Christian people should rest content with a 28% average attendance. And it is the solemn duty before God of every member of this Congregation to be faithful, individually, in attendance at divine worship, and to make one's self responsible for the faithful attendance of the other members of the Congregation, who are not thus faithful. I lay this upon your hearts as one of your most urgent duties and one of your greatest privileges.

4: MINISTERIAL ACTS: During the past year

11 Couples were Married;
 28 Children and 6 Adults Baptized; and
 15 funeral services were conducted.
 Private Communion was given 35 times.

5: MISCELLANEOUS ACTIVITIES:

In the Senior Catechetical Class 30 children are enrolled
 In the Junior Class, 19 children are enrolled.
 There will be no more Beginners Classes as the Bible School curriculum has been so arranged that the children have their preliminary training for catechization in the Bible School.
 The Catechetical Classes have met 45 times during the year.
 Thru their weekly contributions they have contributed toward

Pastor's Report for 1928

Pg. 3

office expenses; have supplied all the candles used in the chancel; and are now paying for the tract racks recently donated by the Classes of 1929 and 1930.

571 pastoral calls were made during the year.

135 meetings were attended by me within and without the regular parish work.

I delivered 25 addresses and sermons during the year in addition to my regular pulpit work.

Some of the work of the study may be of interest -

2,912 hours were taken up in study activities;

3,345 letters were sent out; and 17,000 weekly and special service bulletins were run off on the mimeograph.

The telephone was used thru the study 290 times.

During the past year I have been honored by being elected a member of the Council of the Rochester Bible Union, president of the Rochester Fellowship, secretary of the Board of Directors of the Gospel Mission and Welfare Association, and member of the Board of Directors of the Western New York Summer School of Religious Education.

The Western Conference has honored me by re-electing me its secretary-treasurer; Synod has appointed me to two of its committees, The Inner Mission and Social and Moral Welfare; while our local Lutheran Pastoral Conference chose me as its treasurer.

I have had the privilege during the year of being one of the teaching staff at the Western New York Summer School at Silver Lake and The Leadership Training School at Batavia, N.Y. I was also one of the lecturers at the Rochester September Institute of Religious Education.

6: APPRECIATIONS:

In closing my report I wish to express my indebtedness to and deep appreciation of the fine co-operation given me by the Church Council; the work done by Mrs. Duncan, Mrs. John and Miss Ruth Lohrman with the Intermediate Luther League; the extra services so cheerfully rendered by Mr. Jury in so much of the mimeograph and letter activities of the study; to Mr. Fisher and the Choir for their wonderful ministry of music; and for all, who thru their personal services in the Bible School, the various auxiliaries, and by their attendance at worship, have made the past year so significantly good.

And I wish also to repeat a paragraph from my report to you at the close of the year 1926, which paragraph reads as follows, - "It is to be deeply regretted that the Congregation at large does not seem to appreciate the value of the evening worship. The largest accessions to our membership since I have been pastor have been during those seasons in which the evening worship was most largely attended. The reflex action of the community of a church building used for service only once during the week is bad. It is to be hoped that a renewal in interest in evening worship, either on Sunday or Wednesday evening will be manifested."

Pastor's Report for 1928

Pg. 4

I might say also that our Visitors' Book shows cards handed in by 125 persons. Beside Rochester, persons were at services from Pittsford, E. Syracuse, Caledonia, Victor, Arkport, Dansville, Naples, and Wellsville in our State. Visitors came also from three other states - Ohio, Illinois, Maryland. Could we have the proper facilities in the pews our visitors' cards would be multiplied by at least two to three times its present number.

My hope and prayer for you, one and all is - that the coming year of our fellowship and service together for our Master and our God may see each of you richer in faith, stronger in spirit, more courageous in testimony, and more diligent in service, while God adds His blessing and His benediction to our labors.

Respectfully submitted

REPORT of the PASTOR for the YEAR ending DECEMBER 31, 1929

.....

To the Congregation of
Grace Lutheran Church,
Rochester, N.Y.

This report marks the close of my tenth year as your pastor.

I think you will agree with me that these have been years of substantial, tho not spectacular progress. I need not recall to you the marked advance which has been made in our physical equipment; for this is evident to all who worshipped in the old church on Bay and Niagara streets, and now worship with us here. I need not point out either the great advance which has been made in the financial condition of the Congregation, tho it may be of interest to recall that during the past ten years there has been an increase of some % in our income. Our one continued failure here is in measuring up to our obligations in contributing to the work of the Church at large, to which a group of our size ought to be giving in the neighborhood of some \$5,500 a year at the very least. Nor need I call to your attention the very marked increase in the beauty, orderliness, and appeal of our worship; nor to the increase in our membership, which has been steady, and without relying on growth by transfer from our sister Lutheran congregations. During this period, perhaps, the most marked change is in our Bible School which has seen the introduction of a semi-departmental system, the employment of standard texts, the training of teachers, and its partial correlation, so far as our physical environment and equipment permit, with the public school system. All in all, I believe we have every reason to thank God and take courage for the future in view of the very evident blessings of the past decade.

FOR THE YEAR, which has just come to a close, I beg to submit the following report, -

I: MEMBERSHIP: At the Annual Meeting of 1929 a gross membership of 845 was reported. During the year 1929 we have had the following

A: Accessions:

1: By Confirmation,.....	27
2: By Adult Baptism,.....	2
3: By Letter of Transfer,.....	1
4: By Confession of Faith,.....	21
5: Restoration,.....	7
A TOTAL of,.....	58

B: Losses:

1: By Death,.....	180
2: By Letter of Transfer,.....	7
3: By Resignation,.....	11
A TOTAL of,.....	28

Making the net gain for the year of 30 members.

It might be noted that under "By Resignation" are included those who asked for letters of transfer to the non-Lutheran groups about

Pastor's Report for 1929 (2)

us, which letters cannot be granted according to our Lutheran discipline.

As this year is the year in which, according to action taken several years ago, the roll of membership should be revised, this has been done by the Church Council and the names of 79 persons, who have not communed or contributed for a period of five years or more, have been placed on "The Inactive List."

With this revision made, the ACTIVE MEMBERSHIP of the Congregation now numbers 796, a truly goodly number! And one who presents a great problem for proper pastoral oversight for one pastoral head.

The BAPTIZED MEMBERSHIP of the Congregation is now 1129.

2: WORSHIP:

A: Attendance at Service: The TOTAL ATTENDANCE at all services was 13,119, with a general average of 215 at each of the 61 services held during the year. The four services held during my vacation are not included in the above figures.

A comparison with last year's figures shows that our Congregation has been affected by the general decline in church attendance, which decline in some parts of the country, is causing considerable alarm. Our decline in attendance over 1928 was just 3% if the unrevised figures are used as a basis. If, however, we used the now revised figures as a basis for comparison, we note a decline of only one percent. Either way one looks at it, while we cannot but note how our attendance has been affected by the general movement, we do not have to say, as one churchman of Albany and one of Utica recently remarked to me, "The bottom has just dropped out of our church attendance."

B: Analysis of Attendance at Worship: When we analyse the above figures we note the following,

- 1: The 48 Sunday morning Services had a grand total of 10,525 in attendance, an average of 219 per worship;
 - 2: The three Sunday Evening Services had a grand total of 997, with an average of 332; and
 - 3: The Ten Week-day Services had a total attendance of 1,797, with an average of 180 present.
- 4: The average attendance is some 27% of the total enrollment. While this is 5% better than the average thruout the country, it cannot be maintained that it is any thing to boast about.

C: Communion Services: This year, due to the desire to observe the tenth anniversary of pastorate, only five Communion Services were held. There were 567 persons who partook of The Sacrament a total of 1186 times. Here again the general decline in church attendance shows its effect as the total participation is slightly less than in 1928. We note, however, an increase in the number of times The Sacrament was received by those who did partake. For example,
In 1928, 109 partook twice; in 1929, 141 came twice;

Pastor's Report for 1929 (3)

In 1928, but 77 partook thrice; in 1929, 101 came; In 1928, there was not a single member with a one hundred per cent record, while in 1929, 31 members of the Congregation had a perfect communing record. The loss was mainly among those who were in the habit of communing only once a year, a dangerous and vicious habit as it permits one so easily to slip into a habit of indifference both to worship in general and to The Sacrament in particular.

3: MINISTERIAL ACTS: During the year
 17 children were baptized,
 11 couples were married,
 19 funerals were conducted, and
 20 persons received Private Communion.

4: PASTORAL CALLS: During the year I made 682 calls. Of these it is interesting to note, 114 were hospital calls. It is becoming increasing difficult to reach the general membership of the Congregation by calling at the homes represented in its membership. This is due to two causes, 1) the gradual scattering of its membership thru out the city and into the suburbs, a condition which every city congregation is facing with increasing intensity; 2) a constant increase of our sick and shut-ins, due to the enlargement and ripening age of our Congregation. I shall have to repeat what I have said for the past two or three years - no thereby satisfactory system of calling can be instituted until an assistant, either a deaconess, parish worker, or pastor is added to the working staff. Until that time comes, and come it must soon, if the Congregation is to be kept welded together, the members must rest content with what the Pastor is now doing and not expect repeated calls when there is no sickness or other legitimate reason for his calling.

5: MISCELLANEOUS ACTIVITIES:

During the past year I attended 113 meetings, either within or without the regular parish activities;
 I delivered 26 sermons or addresses beside my regular pulpit work;
 562 hours were spent in The Study;
 5,503 letters were sent out;
 19,268 pieces were run off on the mimeograph;
 The telephone was used 397 times.
 The Senior Bible Class numbers 26 children;
 The Junior Class has an enrollment of 13.
 The Bible Classes have meet 35 times during the year.
 Their weekly contributions have purchased the tract racks in the church; paid part of the expense of the altar candles; and supplied items for the study.

6: SOME PERSONAL HONORS:

I have had the honor conferred upon me of being the first president of The Western Conference of our newly organized United Lutheran Synod of New York.
 I was again re-elected a member of the Board of Directors and secretary of "The Gospel Mission and Welfare Association of Rochester, N.Y."

Pastor's Report for 1929 (4)

I have been appointed a member of the synodical Committee on Conference Presidents; also of the synodical Committee on the Inner Mission, and was made chairman of the sub-Committee on Social and Moral Welfare;

I served on the faculty of The Western New York Summer School of Religious Education and on the faculty of the Community School of Batavia, N.Y.

I was re-elected a member of the Board of Directors of The Western New York Summer School of Religious Education and was appointed to its Committee on Curriculum.

These contacts not only broaden one's own education, but help to advertise the congregation one may serve.

7: APPRECIATIONS:

In closing my report I would pause a moment to express my appreciation to all, who by their faithfulness at worship, by their unselfish service to the Congregation, by their willing to spend and be spent, have made this past year better and brighter in our Congregation. It is only by and thru the faithfulness and service of his people that a pastor builds his parish. Whatever degree of success has attended my efforts, therefore, is due, in no small degree, to those who were willing to second these efforts.

My one regret is again that the past year has seen no young man or young women of the Congregation enter definite preparation for the work of the Church. I am thoroughly convinced that until our Congregation sends out its share of contributions in money and manhood and womanhood into the work of the Church at large, it will never cease to be embarrassed for lack of sufficient funds to do a real work at home and feel the need of going begging for an adequate group of workers for its own needs.

May the God of all grace, lead us all on to greater heights of service and sacrifice during the year.

Respectfully submitted
