LUTHERAN CONFIRMATION CLASS

Though this year's confirmation services at the Lutheran church have passed into history the *HERALD* nevertheless is glad to bring, even at this late date, the matter to the attention of its readers, knowing that many members of this church are its subscribers and again that these subscribers have many friends who are interested in the welfare of this congregation. We have been fortunate to secure the fine class picture which the above represents and we hand it here

with as a memorial of the solemn occasion to our interested friends. The people of this section of the country will be able to pick out one or more familiar faces. The class numbers fifteen young people. They were faithfully instructed during the winter in the rudiments of religion. The text-books used were Bible History and Luther's small Catechism. Seven of the class received instructions in German and the remaining eight in English means that the pastor spent

each week fourteen hours of his time to give these young people a thorough religious training. The second Sunday before Easter was public examination before the assembled congregation. On Palm Sunday the portion of the class instructed in German was confirmed, and on the first Sunday after Easter the entire services for the first time in the history of the congregation were conducted in English to confirm the rest of the class. Confirmation always proves

traction at the Lutheran church and accordingly the church was filled at both occasions. This is the fifteenth class which has been added through the instrumentality of the pastor, Rev. W. Arndt, to the communicant membership of the congregation. The *Herald* hopes these young people will not be only an addition in numbers, but an addition for good to the congregation.

1951 Confirmation Class

The current church registrar has the first Confirmation Class listed as April 6, 1952.

Pastor Blank started his ministry at Immanuel in December 1950. He may not have had a class in 1951.

The old church registrar list confirmation classes up to and including 1935. There were classes from 1936 through 1940 as there are class pictures with names for those years.

1978 Confirmation Class

There was no Confirmation Class in the registrar for 1978.

The 1977 class was listed in the registrar on May 29, 1977.

The 1979 class was listed in the registrar on June 3, 1979.

It was in the 1970's that Pastor John Beeg got cancer in the hip. He was on medical leave for almost 2 years and had a difficult time returning to his duties. This may be why there was no class in 1978.
