THE NEW CHURCH REGISTER

OF THE

PRESBYTERIAN CHURCH

## PREFACE

This book ordinarily should be in the possession of the Pastor, who should promptly and carefully make all entries. It is, however, the permanent property of the church, and is not to be regarded by the Pastor as his own private record nor as a substitute for such record. All entries should be made in strict accordance with the directions given specifically in the different Sections.

In some of the Sections a fuller record is provided for than was the case in the former Register published by the Board, but all changes are the result of wide experience and of careful consideration of the actual demand for a fuller record and one more consistent with the Constitution of the Church.

The principal change is in the "Roll of Communicants," in which the growth of the church is clearly indicated, and the yearly additions are shown at a glance, forming a complete history of the membership of the church. As such it is far superior to the former alphabetical register which required a reference to every letter of the alphabet to ascertain precisely what additions the church had received in any one year.

The "Chronological Roll" is followed by an "Alphabetical Index" which enables one to find any name upon the Roll. As soon as a name is entered it should be immediately indexed. When a woman changes her name by marriage, her new name should be properly indexed.

Another change is the omission of the Register of Baptisms in which the baptisms of adults and of infants were included promiscuously. In this Register adult baptisms are all included in the "Roll of Communicants" and can be referred to readily. In the "Roll of Infant Church Members" it is easy to trace the baptisms that occurred in the church, as they are all recorded in the same column.

A "Reserve Roll" is added to this Register in accordance with the requirements of the Book of Discipline. It is essential that this list be kept in the Church Register. The records of Session will give the facts as regards all the members upon the "Reserve Roll." It is not necessary to indicate in this book the cause of the appearance of any name upon the "Reserve Roll."

The "Registers of Marriages and of Deaths" have been modified in some respects, and it is believed that an improvement has been effected that will make these records more valuable. It should be borne in mind that the "Registers of Marriages and of Deaths" must be kept accurately, as reference is frequently made to them to settle cases of inheritance and the like.

The book is divided into ten sections, as follows:

I	Roll of Pastors and Stated Supplies, with space for	29 names
II	Roll of Elders . . . . .	" " " 58 "
III	Roll of Deacons . . . . .	" " " 58 "
IV	Roll of Trustees . . . . .	" " " 58 "
V	Chronological Roll of Communicants	" " " 1450 "
VI	Alphabetical Index to Roll of Communicants . . . . .	
VII	Roll of Infant Church Members, or Baptized Children . . . . .	" " " 870 "
VIII	Reserve Roll . . . . .	" " " 580 "
IX	Register of Marriages . . . . .	" " " 280 marriages
X	Register of Deaths . . . . .	" " " 580 names

On beginning to use this book it is recommended that the list of pastors and church officers be entered, as far as possible, from the organization of the church.

## TO LEAVE LAKESIDE CHURCH

Rev. H. F. Gilt Receives Presbytery's Permission to Resign.

The resignation of Rev. H. F. Gilt as pastor of Lakeside Presbyterian Church, Twenty-third ward, was accepted by the Rochester Presbytery at the first session of the midsummer meeting yesterday morning.

Rev. Mr. Gilt said he felt the parish would prosper better under another pastor and that he wished to devote himself to other work.

The meeting was held in Central Presbyterian Church and was presided over by Rev. G. B. F. Hallock, assistant pastor of Brick Church. A committee of ten men and women of the Lakeside Church congregation presented resolutions extolling the work done by Mr. and Mrs. Gilt in the parish. It was stated that during the fourteen years of Rev. Mr. Gilt's pastorate the membership of the church had been doubled, all debts paid and the Sunday school enlarged.

The recommendation was made that Rev. Mr. Gilt be granted a month's additional pay, inasmuch as he was entitled to a month's vacation. He was granted power by the presbytery to declare the pulpit of Lakeside Church vacant on the last Sunday in June. Rev. Paul Moore Strayer was appointed moderator of the session of the church.

Other matters, including the call of Rev. W. H. Campbell by Trinity Presbyterian Church and religious work in Rochester and vicinity, are to be taken up by the presbytery next Monday morning.
