ON CASE

Examination Proceeding
ing to Take

Admiral to reach here.

The court has apparently been frustrated in the Ely Meyer and M. C. Simon bankruptcy matter, as counsel for the petitioning creditors and the court expected proceedings to go on next week as scheduled. On Monday it is arranged to have the firm adjudicated "insolvent" in Bankruptcy court. The court hearing is expected to be resumed in Bankruptcy court here.

The hearing will be a continuation of the one started this week and will take place before Quincy Van Voorhis at his office in Powers building, Tassan. Adler, of Adler Adler, will appear for the creditors, and Percival Grier, interesting facts concerning the firm's business are expected to be given at this examination.

Dr. Goler Denies Reports That Disease is Spreading Rapidly.

Health Officer George W. Goler yesterday gave out a statement in which he denied that the reports of 300 cases of typhoid fever were true. He said:

"There have been reported, all told, some forty cases, not much more than the usual average for this time of year. In one and one-half of the cases, it was discovered that the Hemlock water had been contaminated by the opening of a Holly case. That was shut off a couple weeks ago. Since then we have made many examinations of the water in that section and find no traces of typhoid."

Powers Hotel.

Our popular table d'hôte dinner will be served as usual every Sunday from 6 to 8 o'clock, at the rate of \$1 per plate, à la carte. Splendid orchestra.
