The following is the Pastor Report:-
Quarterly Report of the Preacher in charge
to the 1st Quarterly Conf. held Jan. 10/91.

1st The spiritual condition of the society, we think, is improving. That is, a greater number are ready to take part in religious services - Yet there is room for a great improvement in this direction. We are hoping for better things. We have a Young Peoples Society or Epworth League which we think will do us much good. The Sunday evng. Prayer meetings is entirely under their jurisdiction and I think is of great use to them. One young man has started from their number this week.

Our Sunday School is improving. the attendance is better than last winter. I have dismissed by letter during the quarter Mrs. Mary N. Hill to Colubell Ch. R. and Mrs. Mary A. Hill to Spencerport M. E. Church.

We have had no deaths during the quarter.

1891

Continued.

235

My pastoral work (during the quarter) has not been very extensive. I have visited nearly, if not quite, all my charge - have made about 100 visits. I am convinced that a greater effort on my part for a more systematic work in this direction would be appreciated by my people - and helpful to me and them.

Written report by Rev. Humphrey presented as follows: — In making my report at this the last Quarterly Conference for the year ending Sept 30th 1891 I desire to say - 1st It is with gratitude to my Heavenly Father - that I am permitted to say that my health for the last 5 or 6 months has been excellent and I may say never better in my life - 2nd God has blessed the lives of most of the flock while I have officiated at 20 funerals during the year only 4 of these were members of the Church - On last Sabbath we laid away our aged and greatly respected sister Sally Ann Raymond, who had been a member of this Church since its first organization as it is said. I will also say in this connection we have four very aged members, who without doubt, nearing the border land. 3rd We have given letters during the year to 12 members two since the last quarterly Conference viz Elvira Perry and Mrs. Eliza Jewett. Five more have gone without letters. One gone to the Adverts 4th - I have received during the year 23 one probations, but not yet into church fellowship. Four of these have removed. One has gone to the bad - the rest it is hoped will be saved. 5th Church papers taken as follows: Christian Advocate 6 Review 1 N. C. A. 9 - S. S. Journals 13 S. S. Advocate 40 Gospel in All Lands 2. 6th - Collections as follows - Missions, Church Extension, Freedmen & Southern Ed, St. Lucie, Tracts, Education, Bible, Conf. Claimants in full. 7th We have one S. Pastor's report:

I am glad to report a number of successes
since our last meeting in a Conference
relation. A great amount of good was
accomplished during our late revival
services. Many in the church were
quickened in religious life & could
give some notable instances again
some of the conversions were remarkable
& produced a profound impression in
the neighborhood radical changes in
life many of the mentioned Roman Catholics
have been at our Altars & joined the Church
My own experience has been enriched
by these services as I report 20 prob.
stewards & others will be received & by
letter & readmission I have received
16 subscribers to the Northman & for the
N. Y. Advocate A Junior League number
ing 30 has been organized with Mrs.
Humphrey as leader The Benevolent
Collections Missionary will be 25%
over last year a slight advance
on other collections \$54 has been
raised & paid to Bro. Felt & \$22 has
been raised & paid to last year against

260

\$150 has been raised & paid for
 furnace & drainage & \$50 of work
 in the excavation of a cellar. The
 ladies lately prepared & cooked
 the Pastors Study at an expense
 of \$10 which amount has been
 paid. We have conducted 3 funeral
 services 2 marriage ceremonies
 & preached regularly & made
 our two pastoral visits often
 accompanied by Mrs Gwynne
 for some time I have acted as
 Supt of the S.S. & taught my Bible
 Class. The Senior League is not
 as prosperous as desirable. The
 attendance at the prayer meeting has
 fallen off during the summer.
 The average attendance at the S.S.
 has increased. The public congregations
 are large & well sustained. On the whole
 we thank God & take courage.
 Sister Rhoda Crispin died during the quarter.
 Respectfully E. J. Gwynne.

Fourth Quarter (Continued)

Report: Of the Preacher in charge of Penfield M. E. Church
to the 4th Quarterly Conference held Aug 30 & 1901.

We have our Sunday School which considering
circumstances is fairly prosperous. With our
new officers we hope for still better things. There
are 77 names on the roll & 7 in infant class with
an average attendance of about 55.

The Epworth League has 20 members

I have preached to the children once every month
None have been admitted to the church during
the quarter. Four have been dismissed by
Certificate. Mrs Flora Walcott & Mrs Henry
C Metcalf to the Presbyterian Church and
Mrs Jennie Schutt to the Methodist Church.
I have made as many pastoral visits as I could
under the circumstances.

All the Conference collections are being taken.
In fruit, the year has been the least satis-
factory of any in my ministry. There has
been no personal opposition - it has been
the legitimate result of the paralysis which
came upon the church at the very opening of
the year, which has paralyzed activity in
every direction. As yet we have not been
able to escape from it. A ray of light has
broken through the cloud in the effort which
is being made by the women to organize
themselves for active work. Personally I have
felt the lack of cooperation even while there
has been no lack of the most kindly spirit
from all. I can only hope that some
power may break through the spell
and bring the relief which is so
greatly needed.

Respectfully Submitted
