OF THE

Penfield N.Y.

METHODIST EPISCOPAL CHURCH.

Of The East Genesee Conference.

NEW YORK:

PUBLISHED BY CARLTON & PORTER, 200 MULBERRY-STREET.

RECORD

Entered according to Act of Congress, in the year 1864, by
CARLTON & PORTER,
 in the Clerk's Office of the District Court of the United States for the Southern District of New York.

Introduction.

THE Discipline of our Church makes it the duty of Presiding Elders, in conducting the business of their respective Quarterly Conferences, to inquire, among other things, "Are the Church Records properly kept?" And, as an index of what should be contained in those records, it requires the Stewards "to record the Marriages and Baptisms," and the Preacher in Charge of a Circuit or Station "to take a regular catalogue of the Societies in towns and cities as they occur in the streets, and to leave his successor a particular account of the Circuit or Station" which he has been serving.

The importance of keeping these records correctly and neatly cannot be overestimated; and any Pastor who, through carelessness, fails to do so is highly culpable, and deserves the censure of his Conference.

From a somewhat extended examination of the matter we find that this duty has in some instances been neglected, while in others it has been performed in an exceedingly indifferent manner—the records of some Churches, even in our largest cities, often embracing nothing more than a simple list of the names of the members of the several classes, without any indication as to what is their state in life, their position in the Church, or their place of residence.

This delinquency has doubtless resulted in part from the fact that, until within a few years, no regular Church Record was published for the use of our Societies, and every Pastor was left to keep his record in his own way, and in such books as he could command at the time. As might be expected, this gave the Church a few records of respectable dimensions, kept in every variety of form; but it more generally produced nothing but small, unsightly, unsubstantial books, which were used for a season, and then thrown aside as useless. And thus much of the early history of our Churches has been irrecoverably lost.

To supply this great want of the Church, and give regularity and uniformity to our records, the Book Concern, some years since, published a Church Record which has been in use, to a greater or less extent, from that time till the present. But experience, and the progress of the Church, have shown that this is defective, both as to its contents and arrangement. Other departments are required, and provision for additional items are needed. Moreover, the different departments of the book are disproportioned in size, one often being entirely filled up before another of equal dimensions is scarcely commenced.

Having ascertained that these defects were injuring the sale of the book, and causing a variety of badly arranged Records to be substituted for it, and receiving, in the mean while, from brethren in different parts of our work, communications expressing a desire for an improved Record, accompanied by brief drafts of such as would suit their views, the publishers had determined to prepare a Record of their own, combining the excellencies of all the plans submitted, and such other items as their own experience and observation might suggest.

But before completing their plans they learned that the Philadelphia Conference, at its late session, had appointed Revs. J. B. McCullough, A. Rittenhouse, and J. B. Dennison a committee, to prepare specimens of an improved Record, to be submitted to the Conference at its next session, and, if approved by it, forwarded to the General Conference for adoption.

On inspecting the specimens prepared by this committee, the publishers found that they were more complete than any other that had been submitted, and contained several important items not in their own draft. But on the whole they were thought to be too elaborate for ordinary use, requiring more entries than most ministers would be willing to make, and withal making the work too expensive for most Churches.

To harmonize all views we invited the chairman of the above-named committee to meet us at our office, to which he kindly assented. The whole field was carefully surveyed, the different points of interest thoroughly canvassed, and the plans for the present volume drawn out.

The Record thus prepared, as will be seen by examination, contains *nine* departments, which are arranged in the following order, namely:

- I. HISTORICAL RECORD.
- II. PROBATIONERS' RECORD.
- III. CLASS RECORDS.
- IV. ALPHABETICAL RECORD OF MEMBERS IN FULL CONNECTION.
- V. CHRONOLOGICAL RECORD OF OFFICIAL MEMBERS.
- VI. PASTORAL AND STATISTICAL RECORD.
- VII. RECORD OF BAPTISMS.
- VIII. RECORD OF MARRIAGES.
- IX. APPENDIX.

The manner of using these different departments will be fully explained on the title-page of each respectively.

The Record will be bound up in two or three different sizes, so as to meet the wants of Churches of every grade, from a membership of one hundred to a thousand. Each book, however, will embrace all the departments, and retain the relative proportion of the several parts.

By the use of this book we shall have uniformity in our Records throughout our entire work, so that a minister having learned the manner of keeping them in one charge will be prepared to keep them properly in any other charge to which he may be sent.

Hoping that this effort may give general satisfaction and lead to a better system of Church book-keeping, we commend this volume to the favorable consideration of those for whose use it has been provided.

CARLTON & PORTER.

HISTORICAL RECORD.

EXPLANATIONS AND DIRECTIONS.

This department is intended to contain a brief record of everything of importance connected with the history of the Church using it. If an old Church, then a brief history of its organization, and of its difficulties and successes, etc., should be entered first, embracing from five to ten pages. After that, each Pastor will be expected to add a page or two at the end of the Conference year, giving a brief account of such matters in connection with the Church as he may deem of sufficient importance to be preserved among its records. Brief obituary notices of distinguished members may be inserted, provided the entire record of the year does not exceed two pages closely written.

Historical Record.

Conf. year of
1867 & 68.

Rev. W. B. Hobb
Pastor.

The pastor can report some progress the past year. Quite a number have been converted, & some 28 have been received into the church. The church needs repairing & we trust the good Lord will put it into the minds of the brethren to go forward in the good work.

Two of our members have died. The Lord has been very merciful the past year. The benevolent contributions last year amounted to \$44. This year we can report an increase of nearly one hundred per cent. say \$144. ^{thirty dollars} May the good Lord bless him who shall preach to this people next year.

Conf year of
1868 & 69

Rev. A. B. Baker
Pastor

This has been a year of great prosperity to the Penfield charge. Many have been converted and added to the church, the congregations are good. The Sabbath schools very flourishing. The prayer meetings and class meetings well attended, and spiritual.

The church has purchased a fine cabinet organ. The choir in a good condition. The church is harmonious. We are praying for still greater prosperity.

Conf year of
1869 & 70

Rev. A. B. Baker
Pastor

This year has been occupied in removing, enlarging and remodeling the church. An adjoining lot on the south was purchased of John Hearn for \$700. The church was removed and remodelled at an expense of something more than \$2600. A Cornwell paid for putting steam radiators in the church \$700. The expense of digging cellar and laying out & chimney and putting steam radiators in lecture room. About \$150. Total expense about \$4050. We have had no extra meetings & no special service, which is much regretted.

Historical Record.

C. E. Hermans served the Penfield charge two years
and was followed by David Clark who remained
three years. P. L. Foster served two years and
C. W. Brown was pastor of the charge from Sep. 25
1877 until Oct. 13 1880.

PROBATIONERS' RECORD.

EXPLANATIONS AND DIRECTIONS.

The headings in this department need little explanation. The double rulings under "State in Life" are designed for a second insertion in case that state is changed during probationship. In the double rulings under the headings, "When and How Baptized," and "When and How disposed of," the first column is to contain the date, and the second the answer to the "How." This in the last column ought to be explicit, as to whether the parties have been *Received into Full Membership*, have *Removed*, have been *Dropped*, have *Withdrawn*, or have *Died*. Care should be taken in receiving Probationers not only to get the names and the classes they propose joining, but also the residence, the state in life, and the fact as to their being baptized or not.

The names of Probationers should not be entered upon the Alphabetical Record of Members until formally received into full connection by the Pastor.

PASTORAL AND STATISTICAL RECORD.

EXPLANATIONS AND DIRECTIONS.

This Record, as will be seen by the headings, is designed to contain a list of the several Pastors of the Church, with the dates of their appointment and removal, the amounts estimated by the Quarterly Conference for their support, and the amounts actually received by them respectively. In addition to these items, it will contain a summary of the Statistics of the Church from year to year, as made by the Pastors to the Annual Conference, in accordance with the requirements of Discipline. Only *one* entry will be required each year, and that should be made by the Pastor himself at the close of the year, so that the Church may have his *autograph* in its permanent Records in connection with the exhibit of the year's labors.

RECORD OF BAPTISMS.

EXPLANATIONS AND DIRECTIONS.

Each item here enumerated should be carefully entered, as, in the case of orphan children, the Baptismal Record is often the only means by which they could prove either their age or their parentage.

When adults are baptized, the *Names of Parents* and the *Dates of Birth* may be omitted, except it be in the case of very young persons, who can have no delicacy in giving the necessary information. The Mode of Baptism, though well-nigh uniform in our Church, may be specified as an item of interest in the future. Under the head of *Remarks* may be entered anything in connection with said baptisms that the minister may deem sufficiently important to notice. In entering the Date of the Baptism in the double column on the left, it will add to the appearance of the Record to put the year on the margin, and the month and day in the next column, thus: 1863 | Dec. 25, | instead of Dec. 25, 1863. As the year will not be repeated so frequently, it will leave a wider and neater margin.

This department of the Record, as will be seen, is furnished simply with head and side rulings, being designedly left without any printed headings, that it may be adapted to any purpose that may be desired. If, for example, any other department should prove to be too small, a portion of this Appendix could be so ruled and headed as to supply the deficiency. Or if it should be desirable to preserve some *report*, or some other item of interest in connection with the Church that did not properly come within the province of any of the other departments, it could be entered here. Or if the officary of the Church should desire to have a *Chronological List* of its deceased members, or anything of the kind, it could be placed here. Care, however, should be taken, in using this department, not to occupy too much space with any one item, as it may be needed for others of *equal* if not *greater* importance.
