

Pastor's Report to the Local Conference of the Penfield Charge, assembled in the church on January 10, 1929.

The first Sunday after the pastor's return from the session of the annual conference, was observed as Rally Sunday. Large congregations were in attendance at all of the services, and the year began under very encouraging circumstances.

The Christmas season was fittingly observed in the Sunday School and in the church services. Pageantry and caroling added much to the spirit of the season. The combined Christmas offerings for the Children's Home at Williamsville and for World Service amounted to a few cents less than seventy-five dollars.

Such reports as this are most encouraging but it is not for us to stand gazing at past achievements and pat ourselves on the back. The pastor thinks that the time is now ripe for a definite spiritual advance. The discipline of 1928 provides for another committee in the local church, namely, the Membership Committee whose duty it shall be in connection with other things, to attend to or have charge of lay evangelism. Spiritual truths often uttered from the pulpit of the church find lodgment in the hearts of devout hearers, but until those hearers are moved by an evangelistic fervor such as moved the Methodists of the eighteenth century, and later, we are simply marking time while the procession of the times leaves us choking in its dust. The Penfield church must shake itself out of its spiritual lethargy and move forward to greater achievements. Half a century of routine, uneventful living has caused the people of this community to travel again and again over the same monotonous route until figuratively speaking, ruts have been formed and ruts long traveled become smooth and comfortable. The pastor is praying that the jolt necessary to eject us from these deep, long traveled ruts, shall be by the grace of God, not long in coming. Until as a church, we are more interested in the saving

-2-

of men's souls than in the saving of our money, and pleasure, our spiritual significance in the world will be nearer zero than any other value.

With the desire to further advance the Kingdom's interests, the pastor presented a plan of visitation evangelism to the official board at its session in November 1928. After considerable discussion, no action was taken on the proposed plan. Although it seemed to have been dropped, it was by no means, forgotten. Not long since, the pastor of the local Baptist Church, came to the writer asking for cooperation in a plan of visitation evangelism that would take in the entire community. Rev. Mr. Lightner of the Baptist church and the pastor of this church will meet within the next few days to perfect the plan. It will include a thorough religious survey of the community and will include all the denominations represented in this village. Immediately after the survey, each church will make its own plan of follow-up, each taking care of its own constituency, as is made up by the survey. There ought to be sufficient workers who will be willing to assist in taking the survey, to make it possible to complete it in one week. The period of visitation evangelism will culminate at Easter.

Had we acted upon this plan last November, at least some of the preliminary work could have been done by now. However, it is not too late, and we cannot afford not to cooperate with our sister denominations in this work. Therefore the pastor will ask the officers of this church to stand ready to take their part in the work. We ought to have at least eight or ten persons who would be willing to go out with census cards to take this survey of the parish. Further plans will be made known in the near future. Meanwhile, let there be fervent prayer offered often that the approaching Lenten Season may be one of great spiritual blessing. The self satisfaction and

-3-

spiritual indifference which is so pronounced in our midst is most disconcerting to spiritual leaders and most deadening to the progress of Christ's rule in the hearts of men.

An increase last year of seven members reveals to us the great need demanding our fervent prayers and untiring efforts in support of ~~the~~ forward program of evangelism.

Respectfully submitted,

*Ernest F. Scott*

The Report of the Preacher in Charge  
of Penfield to the Fourth Quarterly  
Conference held at Penfield Sept. 25th  
1912

The religious instruction of the  
Children is being cared for by  
the Sunday School which has  
been successfully superintended  
by Mr. Nichols, who is a model  
of faithfulness. I think the  
school will show an increased  
average attendance over last  
year. The greatest problem is  
to secure faithful teachers.  
We have made some experi-  
ments which I have hope will  
be helpful.

The Junior League has been  
somewhat handicapped by  
the inability of the efficient

Superintendent, due to illness in  
her family to give it the constant  
attention she has formerly given.

We face the necessity of finding  
a new Superintendent. May one  
as devoted and efficient as  
the present incumbent be  
found. The time has come  
for graduating into the Epworth  
League Chapter a large number  
who were faithful members  
of the Junior Chapter. Some  
have already passed to the  
~~Senior~~ Older organization. At this  
time the need is to recruit younger  
members for the Junior League.

Only one member Mrs. Henry Rostfus  
has come to us by certificate  
during the year.

Three members have passed from Earth's labors to Heaven's rewards namely Noah Rich - Mrs Carrie Eastest Mrs J. T. Humphrey - the widow of a former pastor of this Church.

Mr. and Mrs Whitbeck and Miss Jennie have removed to East Rochester but preferred to leave their membership with us for the present. Mr. J. H. Easton and family have removed to Webster which takes seven from our resident membership - However they have not yet taken their certificates.

Mr. and Mrs. J. C. Scribner Sen. have also removed to Webster but have not taken certificates. During the year but previous to this

Quarter Mr. & Mrs. Winebrenner and daughter Perl have gone to California taking their certificates. Since our last Quarterly Conf. the Pastor has made over 300 calls and visits. And preached nearly 50 times.

All the Disciplinary Collections have been presented by subscription in the Congregation on 4 different occasions. The pastor is now engaged in collecting the subscriptions payment of which has not been made and soliciting from those who have not subscribed. We hope to make the amount as large as last year.

Three Copies of the Christian Advocate are taken 4 Northern C. A. and

3 or 4 Epworth Heralds.

Our Publications are used in the Sunday School.

Three very enjoyable Sunday Evenings have been given by the Sunday School Classes

Once a month ~~the~~ a Sunday School Class <sup>cooperating</sup> ~~confering~~ with the pastor become a Committee on program for a Sunday Eve. program.

Prof Rogers Class gave the 1st in May

June 16<sup>th</sup> The Vincent Class gave a flag day <sup>Patriotic</sup> service. Patriotic songs were sung and ~~the~~ stories of the songs and sketches of the authors were given by members of the class

In July Mrs Morrow Class - The Abundant Class ~~gave~~ secured a young

Philippine Student of Genesee Wesleyan Sem. who gave a very interesting lecture on The Phillippians under Spain and under the U.S.

The Present Month Miss Gertrude Plants Class united with Miss Rheba Nichols Class and gave a Golden Gate Concert exercise. The Parable of the 10 wise & the 5 unwise maidens acted and sung. It was rendered Sunday Eve. 22d in a down pour of rain, to a large audience for a stormy night and by request was repeated to a larger house last Sunday Eve. These S.S. Sunday Evenings are growing in interest, and may help to solve the problem of the Sunday Eve. service.

1. Three copies of this blank are enclosed, one each for the Pastor, Recording Steward, and District Superintendent. Please have all of these *nominations* filled out carefully in advance of the Quarterly Conference, in order to expedite the business. Of course this list is for the New Conference year.

2. Put this (X) mark in the proper space or spaces, to the left of each name, in the proper blank column for officers. For circuits, mark the name of the church above the name of the first person recorded, and then complete the list of officials of that church. Then write the name of the next church, and so on in the same order. As nearly as you can do so, name the churches as the list is usually called in the Quarterly Conference, according to the strength of the different societies, but the head of the charge always first. Mark names of officials, not members of the Quarterly Conference, with a (\*) star instead of a (X) cross.

3. No matter how many offices any one person may hold, write the name but once, and put the (X) mark in each left hand column required. Instead of the (X) mark use R for Recording Steward. In writing names of persons you would nominate for District Conference Membership (if there be a District Conference), instead of the (X) mark use D in the proper column for District Steward, S. S. Sup't, Epworth League President, Meth. Brotherhood President, Ladies' Aid President, and Class Leader. ¶ 91. Spell names correctly, and use right initials.

4. Nominate for RECORDING STEWARD one who will likely attend the Quarterly Conferences, or AT LEAST send a correct statement each time of the amount due from each church of the circuit. For the stations the treasurer usually reports.

5. Please urge that ALL required reports be presented at the fourth Quarterly Conference, and especially insist that every board of trustees (including parsonage) present the report in writing required by the Discipline. The pastor should see that all needed blanks are furnished.

6. The Stewards should use all reasonable efforts to collect the full amount due on ministerial support by the time of the fourth Quarterly Conference, wherever the plan of quarterly payments (instead of weekly or monthly) obtains.

7. If practicable, receive your probationers into full membership before the time of the fourth Quarterly Conference, and always read the names of all persons involved in your quarterly report of changes in membership.

8. Pastors on circuits will please state here the places and hours for regular preaching: (Standard Time)

First Sunday in month following Annual Conference \_\_\_\_\_

Second Sunday in month following Annual Conference \_\_\_\_\_

(Please notify the District Superintendent if Preaching Plan should be changed at any time.)

9. Energy will be necessary upon the part of Pastors and Stewards that the year may close with the charge in good business shape. No deficiencies in ministerial support should be tolerated.

10. All announcements by the District Superintendent are by the Standard Time prevailing in the District territory.

Please acknowledge the receipt of the blank, promptly and accept our thanks in advance for your co-operation.

Sincerely yours,

\_\_\_\_\_  
District Superintendent.

Resolutions for the  
3<sup>d</sup> Quarterly Conference  
of Penfield Charge  
Penfield - N. Y.  
April 24<sup>th</sup> 1911

Penfield, New York.

Resolutions

Again we have been admon-  
ished of the universal domin-  
ion of death. The Divine Ruler  
of the Universe has seen fit to  
remove our Sister Jessie H.  
Schutt from the scene of her  
earthly labors. She has been  
called to lay aside forever  
the duties of this world to  
enter upon the higher and  
broader life that is beyond;  
and while we deeply deplore

our loss, we "mourn with those who mourn", but bow in humble submission to the divine decree, believing that He who made the universe, doth all things well.

We the members of the Official Board of the First Methodist Episcopal Church of Penfield will greatly miss the prompt and faithful discharge of duty which characterized our deceased sister, and it is with feelings of profound sadness we offer the following resolutions:

Resolved that in the death of Jessie H. Schutt the Community has lost a friend and benefactress, her family a kind, indulgent and loving wife and mother, and our church a wise and unselfish servant and promotor.

Resolved that these resolutions be spread upon the books of the Recording Steward and that copies be sent to the bereaved husband's family and to her mother. Mrs. Geo. Halter.

William Nichols Jun.  
Joseph Morrow - Committee

Whereas God in His  
providence has seen  
good to remove from  
our Bible school by the  
hand of death

Mrs Jessie Schott, a  
faithful, efficient, and  
valued teacher and  
fellow worker, therefore  
we with a sense of our  
loss and bereavement  
humbly bow to the will  
of him "who doeth all  
things well" knowing  
that our loss is her  
gain, and pray that

we may be endowed  
with a double portion  
of the spirit, which  
prompted her to be at  
all times, gentle, patient,  
and yet earnest for the  
cause of God.

Resolved that we extend  
our sincere sympathy  
and our prayer, that  
the God she loved and  
served so faithfully,  
may comfort her grief  
stricken family.

Resolved that these  
resolutions be spread  
on the permanent records

of our school. And that  
copies be sent to the  
dear companion  
and children and  
also to her mother

Junior Epworth League Report  
Name of Superintendent and Assistants  
Names of Officers

During the Quarter ending tonight April 24th the Sunday School faithfully Superintended by Bro. Mrs. Nichols has done good work. The greatest hindrance to perfect success is want of teachers as faithful as the Superintendent. There are some faithful ones but a need of more.

The Junior League under the Superintendency of Miss Katie Hartung is doing fine work and growing in numbers, and bringing things to pass.

A Cradle Roll has been organized under the charge of Miss Elsie Englehart as Superintendent and helped by the Junior League.

An Epworth League has been organized and

2

Miss Irma Welcher who has been elected President has taken hold of the work with zeal and system and there is promise of success. A Home Department of the Bible School has been organized to be worked under by the Mercy & Help Department of the Epworth League. Miss Clara Hipp - the 3d Vice President being Superintendent.

I have preached 28 times and have addressed the Children a few times; have made 180 calls and visits.

One has been received on probation Bro. Wilson Braman.

3

Mrs Jessie Schutt - a member of the Church & of this Board has been called to her reward. I suggest a Come on resolutions. On Easter day

I ~~have~~ presented all the benevolences in a budget.

The returns are not in sufficiently to report the amounts

Respectfully Submitted.  
Joseph Morrow.  
Preacher in Charge.

The Preacher in charge of Penfield presents the following Quarterly Report of Penfield Charge to the Second Quarterly Conference held at Penfield Jan. 19th 1911

The religious instruction of children and young people is being cared for by the Sunday School under Mrs. Nichols as Superintendent. and the Junior Epworth League Superintended by Miss Catherine Haring assisted by Miss Elsie Englehart. The Epworth League is also being revived and will have an Election next week after which we hope to have a Cabinet of resident officers.

2

The average attendance at the Sunday School does not increase as we wish it. <sup>did</sup> even if indeed it holds its own. We must do something more than we are doing. We ought to be reaching out through a Cradle Roll and a Home-Department for those not now attached to any school. Monthly or quarterly meetings of the Sunday School Board might be able to plan extension work if the Board would come together on some other day than Sunday and take an evening for consideration. A lack of punctual regular

3

Teachers interfere with the success of the school. One entire class of girls at the important age of developing into young woman hood is almost lost to the school for want of a teacher to attend regularly. This will affect the attendance.

The Junior League is growing in numbers, in average attendance and interest in their work. The President Miss Carolyn Porter and the Superintendents are working zealously and harmoniously and successfully and some times the attendance is as large as the registration.

4

On the first day of 1911 Three were received from probation into full-membership viz Mrs Mary Ann Bourne, Edith Urckfily and ~~Catherine~~ Anna Gertrude Ockenden, also by Certificate Mr and Mrs William Wimbrenner and their daughter Miss Pearl Wimbrenner.

I have preached 25 times and attended about half that number of prayer meetings and sessions of the Bible School. I also attended all the Evangelistic meetings in the Baptist Church when not out of town.

I have made 94 calls and visits.

5

The Collection for the Permanent Fund has been taken and \$4.25 has been received for the same.

The Ladies Aid Society have held a fair which as usual was a success.

Respectfully Submitted

Pastor's Quarterly Report to the Fourth  
Quarterly Conf held at Penfield  
N. Y. Sept. 20th 1910

The Sunday School is under the care of a faithful Superintendent and is doing good work, but non attendance of the teachers of some of the classes is having a deteterious effect on those classes. The average attendance will probably be somewhat less than last year. due in part to bad weather and in part to sickness and absence of teachers.

The <sup>Junior</sup> Epworth League has about 23 members and the ~~superintendents~~ report will show they are doing good work. ~~Ed~~
