To: Whom It May Concern
Re: Section G-2, Lot 96,

I met with George F. Frey, Jr., today's date, and we toured his family lot, for which he is power of attorney involving any future burials. Currently there exists three (3) remaining graves which may be used for burials. He has requested that grave #9 be reserved for future burial of himself and his wife. Both have pre-planned, through Miller Funeral Chapels, to be cremated and to have their remains placed in grave #9. They will be purchasing a standard 2 ft. x 1 ft. flat granite marker which will display both their names and any other requested engraving. The remaining two (2) vacant graves (graves # 7 & 8) will probably be used by his children in a similar fashion with dual cremations, but that is to be determined at a later date.

He has also requested that we examine the lot to determine if there is sufficient space to allow for any additional cremation space in the area immediately behind the family estate monument between graves # 8 & 9. I have requested that the superintendent view the lot to see if this possibility exists and, after his review, we will inform the family of that decision. Mr. Frey may be reached at his residence at 586-7398.

Burial information for grave # 9 is as follows:

**George F. Frey, Jr.
Bernice Baybutt Frey**

Respectfully Submitted,

Bruce J. Geldof
