Church A Register
Of The
Methodist E. Church
On
Henrietta & Rush
circuit
Genesee Conference

Prepared June 9. 1842

From the fact that church records like the relics of antiquity increase in value as they advance in years, the members of the quarterly conference of Henrietta and Rush Circuit in the year 1842 appointed a Committee for the purpose of collecting and placing in this Book the facts relative to the origin and present condition of the various Societies on this Circuit. — in doing which the Committee find themselves unable to do justice to such an undertaking on the account of the scarcity of the records and disconnected reports which they have been enabled to collect.

It is not known when or who first introduced methodism into the bounds of what is now called Henrietta and Rush Circuit.

By inquiry it appears that Palmer Roberts first preached at Mr. Hoovers now West Henrietta at which place a Society was soon after formed which in process of time was dissolved and one formed at the Methodist Hill.

All that is known of the Society of East-Henrietta is its existence in the year 1822 and its subsequent history.

The Society on the River road was formed about the year 1830.

There have been Societies existing in the South part of the Town of Rush but when they were formed and of whom they were composed no records remain to show.

We find the names of James Hemmingway, Asa Cummings and Henry F. Row the circuit Preachers for 1826-7 from which time there is no record of Preachers until 1830-1 at which time Philo Woodworth, Daniel Anderson and Wm. M. Ferguson were the circuit Preachers.

During this year the Societies of East Rush and Friends Corners were formed.

Records revised July 1858.

This revision took place after the act of Confession which held its session Aug 1857 at Candaigua which act separated the Church known as the Stone Church at Skull Corners, from the Charge embracing the Church at the Village of East Rush and also at West Rush.

Rev J. A. Sevier being P. C. of the Dist appointed Isaac Gibbard as preacher charge a student from Geneva College & Lima.

The names of members herein recorded are those embraced in both East & West Rush appointments exclusive of those who withdrew on the separation of the Stone Church.

Isaac Gibbard.

and observation, in one class Book for the
want of two others, J. H. Day.

Incidents of 1861.

Mr. Looker, pastor, having gone every Sabbath to the Stone Church 1 1/4 miles S.W. when the weather would possibly admit at 2 pm preaching to a congregation of from 7. to 15 and occasionally 20 persons, it so happened that Bro Gibbard of Newlaw & Dr Smith Stationed at Corn Hill, urged me in view of his health to allow him to "succede in Rush" on Sab of Apr 7. 1861, while ~~he~~^{he} go. to Rochester at Corn Hill & supply his lack of service there. - Reluctantly I. went Sunday morning. & left the following note with Bro Gibbs. Engaging him to go up. to the Stone Church. at 2 pm. & tell them if Bro Gibbard fails to go. that it was no fault of mine.

Copy "Dear Bro Gibbs, - I go to Rochester to preach to day for Bro Gibbard who is half sick. Will you walk up there & tell them the reason of my absence if Bro Gibbard should fail to go. & assist them in a prayer meeting & lead the Chorus should they desire it. Show this to Bro Jacob Stult and he will guide the ship. - And perhaps some one present will preach like Phillips without a written licence. Yrs in Love,

Rush Apr 7. 1861-
