Dear Sirs:-

I need this information for my Social Security and hope you will be able to help me. I was born in Rochester, N.Y. in 1899 the 22nd of February My name Martha May Jones I was christened in St. James Church I do not recall the Name of the street but it was in the locality of Hawkins St I lived on Scranton Street and remember walking to Sunday School with my sister. I tell you this as I am not sure this was exactly the name of the church I have inquired here at the Christ Church in West Haven, they have no such church listed and think it might possibly be a church which was merged with another Episcopal Church. They suggested I write to the Diocese. I do hope you will have a record of my baptism as I am very anxious to have it before the last of the month for my Social Security.

My fathers name was Frank Byron Jones
Mothers name Louise Caroline Jones.

I have a sister Edith Margaret Jones
A brother Edward Frances Jones.

Hoping to hear from you soon, Patiently
waiting your reply, and thanking you for
your kind attention to this important matter,

I am,
Gratefully yours,

Mrs Martha May Jones Smith

 I received a letter this am from my sister
 Mrs E J Fogarty #1 Buchanan pk stating that
 you had one record of my Birth dated July 26 ¹⁸⁶²
 and one dated July 26th 1871
 the one dated July 26th 1871 is the correct date
 my sister is 72 yrs old 11 yrs older than me
 she is the only one living that knows I was
 Born July 26th 1871 I don't like putting you
 to all this trouble but if you will please
 make out another Birth Certificate dated
 July 26th 1871 I can get Disability allowance
 otherwise I would get hardly nothing for
 Compulsory Retirement which the State
 wants to do because the Birth Certificate
 you sent me dated 1862 would make 70 yrs
 old will you please make out another Certificate
 and send it to me so I can send it to Albany
 to Morris S Tremaine Dept Audit & Control
Over

I would like to come down and see you
personally but at the present time I am
unable to walk as you know any one
that has Arthritis & a weak Heart and
going to get very far I will try and
get down and see you as soon as I am
able to get around

yours Very Truly
