St. John's Cong.
becomes un-
restricted owner of
its church prop-
erty

April 1925.

Title to property cleared.

St. John's Cong. assumes title and becomes unrestricted owner of its property. To quote the article which appeared in the April no. of the "Boten" (viz. owner of its property). The answer is "yes" and "no". No one could take the property from us, as long as we abided by some certain restrictions in the original deed, given us by Zion's congregation. On the other hand though, because of these restrictions, we could not sell and give a clear title, neither would any bank loan us money on the property. The general opinion was that these restrictions could never be removed. The pastor of St. J.'s held the opposite opinion, and when it became necessary to make a loan to build the new parsonage, he urged the Board to address a petition to the pastor and Board of Zion's church, to remove these restrictions, we having been advised by our lawyer, Mr. Morey, that it could be done if Zion's congregation was willing. The pastor of Zion's, the Rev. Ernest Heyd, a friend of the pastor of St. John's, of many years standing, at various times gave the assurance, that he would give us all the help he could in this matter. The petition was presented, and thanks to the kindness and truly fraternal spirit of the pastor, the Board and members of Zion's congregation, we now own a property free from any restrictions, and have been able to make a loan on the same through the Monroe County Savings Bank to the amount of \$15,000. Now the floating indebtedness - \$45,000 in notes, held by members of the congregation and the Brotherhood, who loyally helped us when we needed money for our last church renovation, and whom we sincerely thank for their kindness - has been paid. The whole of our indebtedness, including the balance of \$8,500⁰⁰ from the last church renovation, is now included in one mortgage. This mortgage is only on the church building and the two lots on which it stands. The lot on which the school-house stands, and the beautiful new parsonage, are free from any incumbrance. Besides we hold a mortgage of \$3,500⁰⁰ on the old parsonage. (The old parsonage was sold for \$9,000⁰⁰.) Considering what we have gained, our debt is comparatively small, but we do not want to pay interest any more and longer than is absolutely necessary. So let this be our slogan for the future: Get rid of the debt as soon as possible. Thanks be to God for his rich blessings and gracious help."

May 7
Dinner to Zion's
Board.

Aug. 11, the
new parsonage
occupied

1925 (Contn.)
May 7th dinner in honor of the Pastor and Board of Zion's Church, as a small token of appreciation of their kind and fraternal spirit, shown by the act of releasing our congregation from the restrictions in the church deed.
Aug. 11th 1925 the new parsonage was occupied. It is a beautiful and convenient structure. Rec'd from envelopes (regular) \$4135.⁰⁰, Plate offering \$1005.⁴⁴, Benevolence \$194.⁶⁶, S. S. Mission \$1247.⁶⁶.

1926.

No particular events to be recorded this year. Church attendance ought to better, but the unsatiable desire for pleasure, and the automobiles are the causes that keep the attendance, especially in the summer months, down. The finances were better condition than hitherto. Our debt amounts to 13,000⁰⁰, but we expect to pay on this 1000⁰⁰ Jan 1, 1927. and have 2,800⁰⁰ coming on the old parsonage. Rec'd from envelopes \$4,347.⁸³, Plate offering 1012.³⁶. S. S. Mission 1,358.¹² - -

50th Anniversary
of the "Brotherhood"

1927.
The celebration of the 50th Anniversary of the "Brotherhood" was inaugurated with a service Sunday Febr. 6th, the pastor preaching the anniversary sermon on the theme "Lives that lift." On Wednesday, Febr. 9th a banquet was held. Speakers were: Clarence Eggert, Pres.; Rev. Henry Erbes, Hon. Chas. E. Ogden, Ch. W. Kosbab, Sec., and the pastor. The Society has 152 members. In the treasury \$4,403.³⁵. \$450⁰⁰ were paid last year for sick benefits. S. S. Mission \$1,317.⁴⁶. - Rec'd three envelope contributions for general treasury \$4,721.⁵², Plate offering \$1,089.³⁶ Benevolence envelopes \$875.⁶⁴. Paid to Synod U. L. C. \$2,262.⁶⁶.
All these years we have recorded the contributions for various purposes, because such figures make a deeper impression here, and the state of the congregation is judged by them, rather than by the spiritual successes. Spiritual values receive rather scant consideration.

Wagner College
2500⁰⁰

1928.
March 23rd the balance of our pledge (2500⁰⁰) for the Wagner College Fund, was paid. In April the congregation pledged 2200⁰⁰ toward the Ministerial Pension Fund. -

Chronik.

1928 (contn.)

Hitherto the congregation has been very faithful in paying its apportionments, but the same are increasing so much that it will be impossible to meet them in full. For 1928 we are apportioned 6882⁶⁶ for Synod and 2678⁵⁴ for U. L. C. or a total of \$9561.²⁰. and we understand it will more in 1929. The congregation has many expenses to meet in 1928+29, and cannot possibly pay such a large amount.

New Church
Doors and
Organ Stop.

Sunday May 6th, was our Gift Sunday. On that day there was presented to, and received by St. John's Cong. the beautiful doors which adorn the front of our church, and a Clarinet Organ Stop. The doors were the gift of Mr. Wm Marks and the late Mrs Wm Marks, and Mrs. Geo. Schmaedel. The joy of this day was mingled with deep sorrow, that she who first conceived the idea of this gift, Mrs. Marks, was not in our midst, having been called by the Lord to her eternal rest. - The Clarinet Organ Stop was a gift by the "Brotherhood" which had been installed for some time, but not officially acknowledged and dedicated.
