At the church council meeting held on June 5, 1934 the "Jehoiada Chest" idea was approved as a means of raising funds for the church. The suggestion is taken from II Kings, 9:12, "But Jehoiada the priest took a chest, and bored a hole in the lid of it, and set it beside the altar, on the right side, as one cometh into the house of the Lord; and the priests that kept the door put therein all the money that was brought into the house of the Lord. The boxes used for this purpose are called "penny-a-meal" boxes; in them a cent a meal for the family as a whole, or three cents a day, is deposited. On July 29th a committee of deaconesses was commissioned to gather these moneys. The deaconesses also to act as good-will ambassadors to the congregation.
