A PRAYER FOR OUR CHURCH

Bless Thou this year, O Lord! Make rich its days
 With health, and work, and prayer, and praise,
 And helpful ministry To needy folk.
 Speak Thy soft word in cloudy days;
 Nor let us think ourselves forgot when common lot
 Of sorrow hems us round.
 Let generous impulse shame the niggard dole
 That dwarfs the soul. May no one fail his share of work
 Through selfish thought.
 Each day fulfill Thy holy will in yielded lives,
 And still the tumult of desires debased.
 May faith, and hope, and love increase.
 BLESS THOU THIS YEAR, O LORD!

THE CHURCH COUNCIL

The Church Council presents this survey of the life and work of
 St Paul's in brief summary, because we believe that few members of
 the church realize the wide scope of a modern church's activity and
 responsibility. It is our hope that this Book will increase inter-
 est, loyalty, generosity, appreciation, and inspire to a worthier
 acceptance on the part of all readers, of the high privilege of
 membership in the Church of Jesus Christ.

FROM THE PASTOR'S REPORT

The briefest Scriptural definition of the mission and purpose of the Church is recorded in the book of Acts, and reads: "Ye shall be witnesses unto me."

The success of a Christian congregation, therefore, can hardly be measured by reports, or statistics, but by the radiance of the Christian witness of the members in the home, community, and through prayer, and mission outreach, in all the world. Only God and the judgment of our own conscience will enable us to gauge this true index of spiritual achievement. The musical symbol "MF" would perhaps characterize the tone of our "composition" most adequately. So phenomenal achievements crowned our efforts, nor have storm or stress strained the unity and cooperation of the church. We may be grateful to God for His Blessing in this year just passed (1940), the 78th in the life of St Paul's....

BOARD OF DEACONESSES -

Mrs George Gardner, Chairman

Miss Anna Weber, Secy-Treas.

St Paul's parish has been divided into 9 districts, two deaconesses being assigned to visitation in each of these. The purpose of the group is to visit all members annually, to interest new members, to bring the comfort and helpfulness of the church in time of sickness and bereavement. Another function of the Board is to care for the Church Altar, arrange for Memorial Flowers, and greet worshippers after the services. Eighteen deaconesses constitute the Board, six being elected at each annual congregational meeting for a three year term.

District	Deaconesses	Calls made in 1940
I	Mrs A. Meili, Sr. & Mrs Sophia Lemon	196
II	Mrs Fred Lane & Mrs Geo. Gardner	256
III	Mrs H. Howorth & Mrs Fred Reuschle	50
IV	Mrs C Brown & Miss Anna Weber	94
V	Miss Hannah Lau & Mrs Ruth Weber	166
VI	Mrs Rosina Halsey & Mrs Eva Schuth	22
VII	Mrs E. Wagenhals & Mrs Wm Crow	14
VIII	Mrs Olem Kummer & - - -	65
IX	Mrs Ed Weismiller & Mrs Fred Huck	165
	TOTAL -	1028

Thanks are due to these good women for their faithful services. Unfortunately it has been difficult to get sufficient nominees for office, so that the rotation principle has somewhat broken down, requiring continued service on the part of the faithful few. No finer opportunity for service, or for becoming better acquainted with St Paul's parish exists, than to be a deaconess.

ST. PAUL'S CHOIR

J. Alfred Casad, Director

Harold Steen, Organist

President: Catherine Craw
 Secretary: Norma Westfall
 Treasurer: Harriet Fauth
 Librarian: Shirley Watts
 Wardrobe-Mistress: Madeline Smith
 Assistant " Janet Fauth

Rehearsals are held on Wednesday evenings, from 7:30 until 9 o'clock. The choir is improving in numbers and quality. The need is for more voices, particularly in the tenor and bass sections. Several social functions were held during the year, including a picnic at Conesus Lake, and a Christmas Party. A most cordial invitation is extended by Mr. Casad and members of the choir to all who love to sing, and who are willing to translate that desire into a service that "praises the Lord in the sanctuary." The choir anticipates the opportunity the Lenten Season will offer for the rendition of some of the finest music in the Christian tradition.

THE ALTAR SOCIETY

Founded in 1866, the Altar Society is the oldest, and at the same time, the most virile of our organized groups. Affiliated with the Council of Church Women of Rochester, and the Women's Guild of the West New York Synod, the work of this society extends far beyond the local church.

Meetings: 2 o'clock on the First Thursday of each month.

All women of St Paul are cordially urged to add their names to the membership roll, and to share in the ministry of service which the Society renders. 74 active and 4 honorary members constitute the roster of the Altar Society.

No. 2 - Mrs Fred Reuschle
Ruth - Mrs Rosina Halsey

Gleanings from the Annual Report:

Forty "Daily Talks" and 7 Year Books were distributed. Fifteen Xmas Baskets were filled, in cooperation with the S.S... The departments provided interesting and helpful programs each month, and provided opportunities for numerous benevolent services... Five members were called away by death. A committee expressed sympathy and shared in funeral services.... A number of successful suppers were held... Two new Magic Chefs for the kitchen.... Piz-Banks for Lepers collected. Mission gift to Rev. Wm Bauer, India.... Representation at Council of Church Women functions.... Also at Women's Guild Merger Conference, Buffalo, and Dunkirk Convention.... Pledged \$300 to the church.... Guilds have been good daughters of the Society, assisting in financial support. Expended during year \$838.75.

THE BROTHERHOOD

Once known as the "Men's Benevolent Society", the Brotherhood was organized in 1923 after the M.B. Society disbanded. This men's organization combined a monthly meeting with Sunday morning class study. In 1939 the Brotherhood chose to separate itself from the Bible Class, the latter group combining with the Ladies Willing Workers Class.

Meeting the 1st Monday evening of each month, you may find a loyal group of men enjoying fellowship, instruction and fun in the room the Brotherhood completed in 1930. About 30 men constitute the dues-paying membership of the C.B. though all men of the church are eligible to participate in the activities of the club.

1941 Officers: President - Rudolph Hoffmeier
Vice-President - Ralph Boss
Correspondence Sec'y - Herbert Groth
Financial Sec'y - Jacob Eckert
Treasurer - Oscar Stephany

Gleanings:

Program for 1941 will be presented at the February meeting. A Fun-Night will be sponsored Feb. 7, with the Altar Society and Young People's League cooperating in the promotion and program.... Helped sponsor the Baseball and Basket-Ball teams of the Young Men's Class, Albert Meili, Jr. teacher. A good delegation attended the annual Brotherhood Convention in Buffalo. \$100 pledged to the church.... Comparing reports with the Altar Society, the men realize they have a long way to go yet.

THE JUNIOR LEAGUE

Meetings - First and Third Sunday evenings, at 6 p.m. when there is a supper. Meeting at 7 pm. Business and Social Session on the First Tuesday Evening.

1941 Officers: President: Donald Vogel
Vice-President: Robert Robinson
Fin. & Corr. Secretary: Lillian Clark
Treasurer: Jane Bareis
Adult Counsellor - Mr. Alex Elsesser, Rochester Seminary

Since autumn, a number of well attended supper meetings have been held. An enjoyable evening was had at the Farm Manor near Honeoye Falls. A Sleigh-ride had been planned, - instead it was a wagon. Reason - no snow!

Problem - how to get young people to attend regularly, and how to keep them from feeling "too old" for the Junior League group..... If enough young people respond, a Senior League of young people who have finished school and are now at work, will be formed. Active in the Evangelical and Reformed Youth Federation, - among projects shared was the bringing of the Heidelberg Players from Tiffin, Ohio, to Rochester. Concerning finances.... dues are small, because allowances and earnings are small. We have no debts. The treasury is not over-burdened.

THE OLD TIMERS CLUB

Patriarch - William Walch
Vice-Patriarch - Fred Reuschle
Scribe - Mrs Louise Lohler
Keeper of Shekels - Ed Weismiller
Knobs - Ida Pagels, Mr Tank
Squires - Miss Christine Danzer, Miss Clara Gruppe, Mrs F. Krase, Mrs Geo Hoffman, Mrs Ed Weismiller, Mrs F. Reuschle.

MEETINGS: On Call, but usually three or four times a year: Annual dinner in February; Palm Sunday Reunion; Autumn Rally.... No dues are collected.... Purpose of the O.T. is to keep traditions of the old Fitzhugh Street Church, where St Paul's worshipped, for 60 years, alive. Membership is composed of such who were members of the Old Church, or who through marriage, baptism or confirmation, regardless of present church membership, were affiliated there. The Half-Century Club.... an honorary list of members who have been active in St Paul's for 50 or more years, is one of the charges of the Club.

THE SYMPOSIUM

Meetings were formerly held on the last Sunday evening of each month. For eight years this younger adult club sought to bring together for fellowship, study, and discussion of current topics of mutual interest, men and women of the church. The attendance has slowly declined, with the resulting decision to put the organization "on ice" for a year.

Officers remaining in charge: Chairman - Lucille Reuschle
Secretary - William Ordway
Treasurer - Vera Frederick

Many churches are just beginning to organize their younger adults. The first Younger Adult Conference of the State of New York is being held in Utica, N. Y. in the spring of 1941. That a need exists for bringing together men and women of the church, particularly young married couples, is evident. How to find a suitable time for all to come, or how to instill sufficient loyalty to make the church a focal point of their interest, is a problem whose answer has not yet been revealed. It is hoped that interest in the Symposium will soon revitalize it again.

S.S. Treasurer -	Albert Meili, Jr.
Primary & Beginners Treasurer -	Mrs George Meyer
Brotherhood Treasurer -	Oscar Stephany

The majority of the financial records are very well kept. The Auditing Committee however, would recommend that all financial records show the receipts on the left side of the books and the expenditures on the right side. By keeping the records in this way, the total receipts and total expenditures will be more readily calculated and the keeping of all records will be uniform.

The above does not represent by any means the entire "giving" of many of our faithful members. Omitted from the amounts listed are: The Sunday offerings for Benvolences (almost \$1500 in 1940); back pledges paid up; the Centennial Offering for the Evangelical Synod; Xmas and Easter Offerings. Many families are also represented in the Sunday School and in the church organizations, where they contribute service and money to the undergirding of the societies. The societies in turn, are active supporters of the Church.

PASTOR'S REPORT

"Be strong in the Lord and in the strength of His might. Put on the whole armor of God, so as to be able to stand against the stratagems of Evil." Thus the apostle, after whom our church was named almost 80 years ago, admonished those who were accepting the Christian way of life in a period of economic, political and religious turmoil. In the Lord alone is strength, and assurance of our faith and our future.

Our church was born during the Civil War. Faced crises during the Spanish and World wars. As our generation again faces the tragedy of another conflict, none can foresee what it's effect will be. This we know...we need the sustaining strength of God! This is my 13th report. Since Jan. 4, when we burned our mortgage we are entirely free of debt...the second time in 80 years. A gift of \$1000 from Mr & Mrs Harry Merritt, and \$3000 given by the congregation did it. Let it not now be said of St Paul's that since we no longer work for the bank, we have nothing to do. Great need faces us. Let us meet it with all our power...The apportionment of \$155 dollars was again paid in full. \$400 more was contributed to benevolences...Calls made 1072...Sermons 64. Addresses 29...Meetings attended outside St Paul's-86. Baptisms 14 and 2 adults. Communion services 12-1038 communicants. 27 private communions...Mr Meili has enrolled 64 members in the Association supporting St John's Home for the Aged...the largest number in our history!...A sowing chapter for the American Friends Service Committee and the Red Cross is being organized. Regular gifts are being made to War Emergency Relief...The Pastor is teaching weekly both confirmation classes, and a class of "Week-Day Religious education under the Federation of Churches.

A Dream for the Future! If enough people remember St Paul's in their wills, we hope some day to accumulate enough funds to erect a "Memorial Hall", with a hall, chapel, bowling alleys etc. For all loyal cooperation,....Sincerest Thanks.

OLD TIMERS CLUB

Patriarch - William C. Walch, 1941 - Fred Reuschle, 1942
Vice-Patriarch - Fred Reuschle, 1941 - Wm C. Walch, 1942
Scribe - Mrs Louise Lohler
Keeper of Shekels - Ed. Weismiller, 1941 - Rudolph Kolb, 1942
Nobles - Miss Ida Pagels, Mr. Tank
Squires - Miss Christine Danzer, Miss Clara Gruppe,
Mrs Friederike Krass, Mrs Geo. Hoffman, Mrs Ed. Weismiller, Mrs Fred, Reuschle.

The Old Timers Club was organized at the time of the 70th Anniversary of St. Paul's. Its membership consists of those who were enrolled at the Old Church on Fitzhugh Street, where the congregation met for 60 years. Eligible for membership are all those who through baptism, confirmation or marriage were affiliated there. The purpose of the Club is to keep alive memories and traditions of the Old Church. The Half-Century Club, composed of all who have been members of St Paul's 50 years or more, constitutes the Honor Roll of our church.

Meetings: An annual banquet, usually held in January; a Palm Sunday Reunion Service, at which the Old Timers Choir sings, an Autumn Rally... are the usual conclaves of the club.

Through the Symposium contacts and friendships are maintained with many of our former members, who in the years have transferred to other churches.

DEBT-FREE

Only once previously in the 80 years of the history of St Paul's has the congregation been entirely free and clear of debt. That was during Pastor William Baur's time. Only the old-timers remember the Banquet held in the parish hall of the old church on Fitzhugh Street, when in 1895 or 1896 the mortgage was burned. A new parish hall, a new bell and a fine organ that has served the church ever since, soon put the congregation into debt again. During the world war the congregation decided the time had come to relocate the church. Lots were bought on the corner of St Paul and Northview, but the chapel erected there could serve but a short time, because of residential restriction. Fortunately a number of lots were

-5-

available on the corner of Norton and Jewel Streets. To this spot the chapel was moved, and services were conducted for some years. Dr. Satave resigned his pastorate when the new church was but partially erected, and the burden of the debt on the new structure fell most heavily upon the congregation during the pastorate of Rev. Herman E Koenig, now pastor of Salem Church in Chicago. Heroic efforts were made to reduce the \$65,000 mortgage. At the time of the 70th anniversary in 1932, about \$50,000 indebtedness remained, but the hope was expressed that St Paul's might be debt-free by 1942. A number of campaigns, and particularly the legacies left by Philip and Elizabeth Fisher, and Fred Keller helped reduce the debt even during the lean years of the depression. In the fall of 1941, Mr and Mrs Harry Morritt expressed the desire that St Paul's be debt-free again, and offered \$1000 if the congregation would raise \$2750 in cash by the beginning of 1942. Energetically we set to work. 38 candles were placed upon the altar, one being lit for each \$100 that was paid. On Sunday, January 4, the Day of Victory was celebrated. Adolph Fauth, president of St Paul's when the new church was built, spoke briefly and then handed the mortgage to Henry Hieb, the Bldg. Fund Treasurer. John Bareis, present president then burned the mortgage. WE HAVE AGAIN BECOME DEBT-FREE!

SYMPOSIUM

In the fall the Symposium again began its regular meetings on the last Sunday evening of every month. Lucille Reuschle, the president, has been a faithful leader, refusing to believe that there was not an opportunity and need for the younger adults of St Paul's to be organized into a fellowship. We heard a Mormon missionary speak of Mormonism, which had its beginning in nearby Palmyra. A German refugee spoke at a subsequent meeting. Plans are under way for a sleigh-ride and dinner at the Heberle Farm on Saturday, Feb. 28.

New officers are: Pres: George Haupt; Vice-Pres: Ethel Haupt; Secy: Arana Groat; Treas: Martha Meili.

YOUNG PEOPLES LEAGUE

The League meets regularly on the first and third Sunday evenings of the month for devotional meetings, and upon the first Tuesday for a social and business session. Donald Vogel has been president, with Alex Elaeasser and Jothan Benke of the Rochester Baptist Seminary as adult advisors. There are many young people in St Paul's who do not as yet avail themselves of this fellowship of Christian Youth in the service of their church, and a cordial invitation is extended for more active participation. Active in the County as well as in the F&R Youth Federations, the League has helped sponsor concerts by the Elmhurst and Heidelberg College Choirs. New officers are: Edna Lemon, Pres. - Jean Hurlburt, Vice-Pres. Dorothy Cassabser, Secy... Hildegard Killian, Treas.

Come to League Sunday Night!

The choir over-subscribed its pledge to the Debt-Free Campaign with a contribution of \$62.75. Members carolled for sick and shut-ins at Xmas time. Occasional parties are provided by the Church Council.

WOMENS ALTAR GUILD

Founded in 1866, the Altar Society was 75 years old in the year that has passed. Through all those years this active group of women has been a mainstay in the support of the church. Affiliated with the Rochester Council of Church Women, the West New York Synod Guild, and the Rochester Region, it extends its ministry far and wide. Meetings are held every first Thursday of the month. Though all women of the church are nominally members of the Women's Guild, it is hoped that many more than the active 75, will this year add their strength and talent to the work.

Stewardship - Mrs Frank Vogel
 Missions - Mrs Adolph Fauth

 Gen. Education - Mrs R. Halsay

From the annual report: Helpful and inspiring monthly programs were conducted in line with the suggestions sent out by the Office of the Women's Guild. Accepted Plan B. of the National Guild, and will seek to raise \$50 toward the proposed "challenge". Presented a "power" lawn-mower to the church. Did sewing for Red Cross and Social Welfare. Sent delegates to various conferences. Gave \$300 to the church. Conducted services when members died. Visited the sick monthly. Contributed to Dunkirk, McCall Mission, Council of Churches, China-Relief, Mission to Lepers, Honduras Chapel, and Xmas baskets. Shared in the "purse" and provided the refreshments of the evening at the farewell party for our sexton and Mrs Howelsen. Took orders for "Daily Talks with God", the "Messenger", the "Kiedensbote", and Almanac. Served a number of delicious suppers, and through help of the "Circles" (guilds) conducted a rummage sale, book review, social afternoons, and a party at St John's Home for the Aged. Generously supported by its daughters, the "circles", the Altar Society moves on to increasing service. A project undertaken for the 80th anniversary is a new carpet for the church sanctuary.

So many of the women of our church do not as yet devote their talents to the work of the Women's Altar Guild. They are missing a rare opportunity of fellowship and service. Religion is more than worship and support of the church budget. It includes service through the many channels offered through the organized efforts of the Guild. Will not some of our readers "come in" to help us this year?

CHURCHMENS BROTHERHOOD

1942 Officers:

President: Herbert Krase
 Vice-Pres: Rudolph Kolb
 Secy: Ralph Boss
 Fin. Secy: Jacob Eckert
 Treasurer: Fred Huck.

Meeting on the first Monday evening of the month, the Brotherhood offers fellowship, instruction and fun for the men of St Paul, s.

Sponsoring the Church Calendar, and various social projects during the past year, the Brotherhood was able to contribute \$100 to the church budget. Monthly programs included a Hbby Nite; a men-and-boys banquet; visits of speakers from other churches and cities; forum discussions; a Ladies' Nite and various other functions. More men are desired for active membership in the Brotherhood. Only thus will the true spirit of Brotherhood be built in our Church. A fine program was adopted for the year 1942, printed copies of which are available to all churchmen.

Enrollment is about 180, average attendance during 1941 was only 134. Many parents are careless about the regular attendance of children, and need take their spiritual obligations much more seriously. More parents should come with their children setting a good example attending the Adult Class. There are four who are past 80 years of age, who attend almost every Sunday, setting a fine example to both children and parents.

The Sunday School receives no support from the church budget. The weekly envelopes brought by the children carry both current expenses and benevolent giving. Scholarships for Sunkirk camps are awarded annually, and improvements in methods and materials are constantly being made. Children also attend the first part of the morning worship, the pastor and student assistant alternating in bringing the children's sermonette.

The loyalty of the teaching staff is a constant reminder of the seriousness which the heritage of our children places upon the Christian Church. As the young are trained, the church of tomorrow will be.

REPORT OF AUDITING COMMITTEE

The Auditing Committee has checked the books of all financial secretaries and treasurers, and found them to be in order.

The majority of the financial records are very well kept. The Auditing Committee recommends that all financial records show the receipts on the left side of the books and the expenditures on the right side. By keeping the records in this way, the total receipts and total expenditures will be more readily calculated and the keeping of all records will be uniform.

The above does not represent by any means the entire "giving" of many of our faithful members. Omitted from the amounts listed are: The Sunday offerings for Benevolences (almost \$1600 in 1941); back pledges paid up; Xmas and Easter Offerings. Many families are also represented in the Sunday School and in the church organizations, where they contribute service and money to the undergirding of the societies in turn, are active supporters of the Church.

BOARD OF DEACONESES

The Deaconess Board, consisting of 18 members, assists in the visitation of the sick, caring for Altar Flowers, visiting parishioners (as much as the restrictions of the present emergency permits), and seeking to win new members. A total of 424 calls were made, - one "team" making 114 calls, as "High", and another - 1 call, as "Low". The city is divided into 9 parishes, - seven on the east, and two on the west side of the Genesee River. Two deaconesses are assigned to each parish.

It is the attempt of the Deaconesses to have Altar Flowers each Sunday, and a "Flower Chart" has been hung in the Jewel Street vestibule, where members may sign up for a Sunday nearest an anniversary of the death of a loved one for whom Memorial Flowers are to be given. If possible, the chairman or pastor, ought be notified by Wednesday of flowers to be recorded on the program the following Sunday. The Deaconesses sewed new curtains for the Sacristy and Choir Room during the past year.

PASTOR'S REPORT

(stream-lined from 3 pages)

XIV Annual Report to the Congregation: II Corinthians 8:5
"But first they gave their own selves unto the Lord".....

The success of a Church is in direct relation to the measure in which members give of time, talent, support, as unto the Lord... When one measures the number of men (and woman) hours given to the causes of the Church, one has much reason to be thankful. Nevertheless, an average church is only about 25% efficient because of the indifference, and sporadic support of many... Our nation is at the beginning of the second year of the war. Many grave difficulties face us, making our work hard. The contradiction between our Christian Gospel and our war-efforts is patent, yet we are ineffectual in doing otherwise... We take hope from fact, that even though God visits His judgment upon the sins of men, He also suffers with us and for us. Let Christians take heed lest the weather vane atop many steeples be the symbol by which the Church is known! Thirty-three men of the church are in the armed services. A Service Committee of three: Mrs Oscar Stephany, Earl Forbes and Herbert Groth maintain contact with the men, and keep the names and addresses on the Service Shield in the vestibule up-to-date.

 Librarian: Hildegard Killian
 Ward-Robe Mistress: Harriet Fauth

Organist - Harold Steen
 Director -

The Choir faces the new year with the loss of the director, J. Alfred Casad, who has been the efficient leader for the past 24 years. The choir is making an appeal to church-members for more singers. Rehearsals are held on Wednesday evenings from 7:30 to 8:30. A church without music, is like a bird without a song....The church tendered a dinner to the choir last Spring at Roxborough Inn, Brockport, in appreciation of faithful service.During the 80th Anniversary celebration, a gift of new hymnals was given by the choir in memory of Henry Betz, choir-director and organist for 37 years. New curtains were given for the Choir Room.

SYMPOSIUM-

Officers: George Haupt, President
 Ethel Haupt, Vice-Pres.

Sec'y - Arana Groat; Treas. - Martha Meili

Increasing emphasis has been given in all churches to the fellowship and service needs among young adults. For some years now, the young adults have had opportunity in St Paul's for a monthly fellowship hour on the last Sunday evening of the month. Interesting programs were provided. A Halloween Masque party was held. A sleigh-ride planned, had to be dropped because of the ban on pleasure driving. The Wagenhalz's opened their lovely cottage on Irondequoit Bay to the Group last spring for a box-social. The problem of getting someone to stay with young children has undoubtedly kept many of our young couples away, but those who have come, found their efforts amply repaid in the good fellowship possible in our church group. A Cordial Invitation is extended to all to meet with the

Symposium.

Annual dinner, and a Confirmation Reunion constitute the usual meetings. Folders for choir music were given in memory of the first patriarch, Wm Krase, who was also for forty years a member of St Paul's Choir.

The oldest among the organized groups of St Paul's, the Women's Altar Guild is yet the largest and most vigorous group. When a difficult project is in the offing, the women of the Guild are the dependable helpers and workers.

Affiliated with the Rochester Council of Church Women, the West New York Synod, and Regional Guild, it is a force for good in the Church-at-large. Our women helped in the Federation of Churches, and Council of Church Women campaign, and raised a challenge of \$50 for the Women's Guild Work. This latter sum is raised thru a free-will offering, in which ALL of the women of the church are to have a share.

The annual report of the president revealed that the Women's Guild program for the denomination was faithfully followed, and excellent help was given to the women in these topics. The big project of 1942 was the purchase of a new carpet for the sanctuary, a gift of the Church on it's 80th birthday. Every step you take on this useful gift should be one of gratitude to the women who made this gift possible. It represented an outlay of \$759.00. In addition the Guild gave \$300.00 to the budget of the Church.

Sandwiches were prepared and served at the Rescue Mission, when St Paul's was in charge of a fellowship evening there. A visitation to St John's Home for the Aged brought out a large number of ladies. In cooperation with the women of the Bible Class, Guild members sewed for the American Friends Service Committee every other week, sending a total of almost 30 boxes of clothing for international relief work through the Quakers.

The Circles composed of members of the Guild, met monthly in the homes of members. Circle I - took charge of the dining room at the Spring Dinner and served meals for the Regional Conference last fall. Donated new glasses for the pantry. Circle II sold Wade products to add to their treasury, gave \$5.75 in honor of Miss Minnie Weber to the Leper "Pig Bank". The Ruth Circle served the S.S. Staff dinner (1942), made a patch quilt, and gave a sum toward the Field Communion set of Chaplain Frank Reynolds, formerly pastor of Deway Avenue Church. All circles gave to the treasury of the Guild.

An organization that grows is healthy and young regardless of it's 76 years. The Altar Guild received eight new members during the year, and extends a welcome to all women of the Church.

CHURCHMEN'S BROTHERHOOD

Meetings - the first Monday evening of the month.

St Paul's men meet regularly for fellowship, inspiration, instruction and fun. All men of the church are invited, "many being called, few chose to come". As long as they don't know what they miss, they are to be pitied rather than blamed. A unique Birthday Calendar was published for 1943 containing the names and birthdays of many of the members and friends of the church. \$100.00 was subscribed to the congregational budget. Monthly programs included discussion on current religious and secular topics, speakers from other churches, a Men-and-Boys' Dinner, a Christmas Party for the ladies, a men's chorus for a Lenten Service. Three car-loads of men represented St Paul's at the Brotherhood Retreat at Dunkirk Conference Grounds last September. Among the games that are being enjoyed are: Ping Pong; Tire-Bowling; Shuffle-Board and Dart Base-Ball.

Why not come to Brotherhood this year, and help build up the Fellowship Spirit?

Officers for 1943:

President -	Roger Catlin
Vice-Pres. -	Ralph Boss
Secretary -	Nelson Alderman
Fin. Sec'y -	Jacob Eckert
Treasurer -	William Lohler

YOUTH FELLOWSHIP

Meetings are held the first and third Sunday evenings of the month, preceded by a devotional, and on the first Tuesday evening.

Mr. Vincent Sprock of the Rochester Baptist Seminary was our youth adviser during the year. He also helped plan a number of parties enjoyed by the young people. Several members attended the Youth Conference at Dunkirk. The League has also cooperated in the affairs of the E & R Youth Federation and the Monroe County Youth Federation.

Young People who have passed confirmation age, are eligible for membership. If all came, we would have a League of more than 60 members. Our problem is to get the young people to appreciate the fine opportunity they have for building friendships in the Christian Church of which they are members. A number of our older members have been called into the Service, so the League membership is heavily loaded on the side of the girls.

Officers for 1943:

President -	Jean Hurlburt
Vice-Pres. -	Don Vogel
Secretary -	Loraine Hurlburt
Secy-Treas. -	Hildegard Killian.

Irregular Attendance is Enemy No. 1 of our S.S. making teaching difficult because our lessons are all integrated, like links in a chain. Parents, who know that careless attendance is not tolerated in the public schools, ought show enough intelligent interest to get their children to S.S. regularly.

Late-Enrollment is another bane that we must overcome. Baptized children are enrolled in the Cradle Roll. At four years, the parents are bound by the Sacramental vows to bring children to religious instruction in the S.S., and later to confirmation classes. Many fail to realize the solemn implications of the baptismal covenant! Teacher-Turnover is a third "boil" on the body of the S.S. Not the turn-over in bed on Sunday morning, though that is sometimes a problem among pupils, but the resignations that come all too often. A staff, to be effective, needs to learn to work together in one plan over a period of years.

The congregation and pastor appreciates the loyal and devoted efforts of our teachers in preparing children in an understanding of the Bible and the Way of Salvation. The S.S. period is a three-fold one: 8:15-9:45 Departmental Worship; 9:45-10:15 Class Instruction; 10:30-11 - United Worship with the Congregation in the church sanctuary. Younger children are dismissed just before the sermon. This latter period is an important training in the meaning and methods of public worship.

The S.S. is self-supporting through its own envelope system. A gift of \$100 toward the new boiler was gratefully received by the Church Council. \$25 is given annually to support a child in India. Dunkirk, the Rescue Mission, St Paul's Orphanage, American Mission to Lepers, War Relief, Week-Day Religious education are among the objectives that receive financial support.

ADULT BIBLE CLASS: Officers (1943) Pres. Henry Hieb, Vice-Pres. are Fred Reuschle, Sec'y - Mrs George Hoffman; Treasurer - Mrs H. Nowack. Teachers: Miss Lucille Reuschle. Pastor E.H. Hofer. Enrollment is 54, and attendance averages 25. Gifts were made to the White-Gift offering, War-Relief, Service-Men's Christmas Gifts.

AUDITING REPORT: All church books were audited by the committee and found efficiently and correctly kept.
Albert Meili, Jr., Del. Groat, H. Krase.

The Service-Men's Committee: Earl Forbes, Mrs Oscar Stephany, Herbert Groth, are responsible for contact with the 33 men in the Service; maintenance of the Service Plaque in the Vestibule, Christmas gifts, and letters

THE SEWING CIRCLE - meeting every second and fourth Thursday in the church is composed of women of the Altar Guild and Bible Class. Many articles of used clothing were made over for the American Friends Service Committee. Thirty boxes of material have been forwarded to Philadelphia, the largest amount from any one church in Rochester.

HELP - with used clothing, with your services, with cash donations..... This is true sharing in the Fellowship of Christian Compassion with the tragedy that war smears across the face of the earth.

FELLOWSHIP OF CHRISTIAN & STEWARDS DIRECTORY OF MEMBERS

The Church Council gratefully acknowledges the support given by our members through the envelopes deposited in the Vestibule Boxes. These envelopes are opened by a committee of deacons; the amounts contained therein recorded by the Financial Secretary, William Lohler, - and the money turned over to Treasurer Arthur Koch. In this manner a 3-way check-up is possible, and has resulted in practically the elimination of mistakes and causes for complaint. We wish that it were possible to report that every member on our membership list, is a supporting member. In some instances it is the same people, who year after year, until their names are removed from membership, indicate no sense of Christian Stewardship by underwriting the work of the Church. St Paul's is fortunate that our loyal generous members, greatly outnumber the indifferent. It is our goal that every member be an active communicant contributing member.

This Record provides you with latest addresses of our members. Call the Pastor, or Mrs H. Groth, when you change addresses!

GREETINGS *to all members and friends*

Again we are happy to present a survey of the past year's activities, that you may understand what has been accomplished, and that you may be made more eager to lend your talents for the increasing service which the Church may give to the time in which we live.

We hope that you will read this "Gold Book" carefully. Keep it for reference along with previous booklets.

AN APPEAL is made by your Pastor as he completes his 15th year of ministry in St Paul's, that we strive together to cultivate better the neglected areas of our "Field". Our achievements are not reasons for lying down on the job. Rather they should be a challenge for greater effort;

OUR CHILDREN...should all receive the blessings of Christian instruction in Sunday School and Confirmation Class. I regret to report that all parents are not showing a sense of their Christian responsibility to their children, which they vowed at Holy Baptism! Bring your children, over 4 years of age to Sunday School!

OUR WORSHIP...the goal of an average attendance of 225 was exceeded by only 1, in 1943. Some have even neglected to come to Holy Communion. Let us make our church-attendance average 250 per Sunday in 1944!

OUR YOUNG MEN & WOMEN in SERVICE... 52 in number, report attending religious services regularly. Our prayers sustain them in their dangers and temptations. Unite with us in the sanctuary each Sabbath as we offer prayers in their behalf, for an early peace, and for a World organized on Christian principles instead of lust of empire, hate and revenge. If we fail in this, the blood of the innocents will be upon our consciences.

OUR TALENTS...are being lavished on the war effort, whose purposes are largely destructive. Dare we face the judgement admitting to God that we excused ourselves from service to His Church, because of long hours of time spent in the interest of destruction of human life and property? We are citizens of a nation at war, yet, we are also members of the Kingdom of Christ. A portion of our talents belong to Him. Let us not be "too busy" to give our service to the Lord's work, lest we forfeit our own souls.

"Seek ye first the Kingdom of God, and His righteousness, and all things ye have need of will be added unto you."

The LENTEN SEASON begins Ash Wednesday, Feb. 23. Resolve to be present each Wednesday at 7:45 p.m. Bring a neighbor or friend whose life also needs this spiritual enrichment. WIN A NEW MEMBER for Your Church! The Pastor will be happy to receive your recommendations!

Sincerely, Your Pastor

Elmer Henry Hofer

THE PASTOR'S 15TH ANNUAL REPORT

I. Samuel 7:12 "And Samuel took a stone and set it up, and called the name of it Ebenezer, saying 'Hitherto hath the Lord helped us'!"

"Ebenezer", has, through the centuries, been a symbol of hope, a call to courage, and acknowledgement of divine blessing upon which all human endeavor depends. It is an expression of the Christian's creed, that everything ultimately depends upon the blessing and grace of God. No truer expression could I find for the blessings that have been ours as we have labored together during the past fifteen years.

The War: Uppermost in our hearts and most prominent before our eyes in this year, as in the year past, is the terrible conflict which has engulfed the world not for more than four years. Our energies are largely directed to its prosecution. Our resources, which we have husbanded for ourselves, even when the great causes of God beckoned to bring healing and harmony to the world, are being lavishly thrown into the Devil's Cauldron. Our young men and women, more than fifty from our congregation, which we did not dedicate to full-time service to the Kingdom, lest they have to move from us into distant cities, or as missionaries, even into distant countries, have been rudely torn from our homes and hearths by the cruel necessity of war. Bitter, and yet, perhaps not undeserved, has been the retribution heaped upon us. That we did not willingly give to the Lord, the Christian Peoples of the Earth are now forced to lay upon the bloody altar of Wars, whom we all hate. The Gospel of Truth which the Master came to proclaim and which he promised would set men free, has been set aside for the means of hate and the lies of self-interest and propaganda. We are torn between our love for our country and our love for Truth and Christianity, when the weapons placed in our hands to use, are certainly not those of our Master. We find little comfort in the statement that for the time Christianity is impractical in this kind of a world. Deep in our hearts, we know now, more than ever, that Love and reconciliation and good-will, are the only practical things in the world, and until we reinstate them, nothing but anguish will be our reward. YET...we do well to remember, that the call of Christ is still to us "Fear not little flock. It is my father's good pleasure to give you the Kingdom"...provided, we seek first the Kingdom of God and His Righteousness. Ebenezer still means-Hitherto hath the Lord helped us. Let us live on in faith in this...One of the faith-saving experiences of my ministry is still this - I have found little of hate in the letters of our young men and women in the service, only a hope that their great sacrifices will somehow turn the world into a better place to live in, and an ardent desire that this hell shall soon cease, and that each may return to home and loved ones again. That this is also the sentiment among the youth of enemy nations, I am equally convinced. There are still great reservoirs of kindness and good-will and love of right and truth among the common folks of all nations of the world. The innate decency and goodness of man has not been entirely corrupted anywhere in the world.

The State of our Church

Official Acts record the following:

Baptisms: 17 infants --- 2 adults

Confirmands: 12

Marriages: 12

New members received into our fellowship - 18

Total accessions to membership 30...Losses 15...Net gain 15 leaving our membership listed at 445

Funerals - 19

Communion Services - 10 - with a total number of communicants 1,063, 77 being in the German language.

Pastoral calls - 889 - less than in former years, largely because the limited gasoline supply has cut my driving mileage almost in half, and much of that mileage necessarily is devoted to sick-calls. Incidentally, about half of the sick calls I am called upon to make are upon non-members of the church, who in their need feel the desire of the help which the Gospel can bring, and which, despite other things that might be said, is really a missionary effort of the church.

In addition to the usual duties within the church and its organizations, and in community and civic affairs, which I have mentioned in previous reports, have come the responsibilities and privileges of serving as Vice-President of West New York Synod, since the last spring meeting. Needless to say, that unless I found this work useful, helpful and not burdensome, I would long ago have cut myself loose from much of it. As long as such things need be done, and there is sufficient interest and strength to do it, it is a privilege thus to serve. I cannot pass on to other items without saying a word of appreciation for the fine manner in which St Paul's has shown its interest in and support of all Synod, Federation and Community Service. There have always been faithful and serving hands, that helped the Pastor represent St Paul's worthily in our community - such as in Federation of Churches activities; St John's Home; Rescue Mission; YMCA; United Councils, etc.

Gifts:

St Paul's received but one bequest during the past year...\$50.00 from the estate of Mrs Mary Weirich...and one Perpetual Membership honoring the late Gustave Goetz...a total of \$150.00. Silver Memorial Communion Plates were given in memory of the late and beloved Rudolph Lutz, by his wife and daughters. A substantial amount toward the purchase of new receptacles for communion cups, was given by Mr. & Mrs. George Hoffman. Let us remember that 15% of our incomes are allowed by the government for benevolences and charity, and we would be doing ourselves and the Kingdom a service, if we remembered our endowment fund, and plans for future work and expansion by more generous gifts and bequests.

On Memorial Sunday we began use of our New Hymnals, donated in their entirety by members and friends of St Paul's. It represents a saving to the Church treasury of more than \$240.00. Most of these hymnals honor our service-men and women, and are memorials to loved ones who used to raise their voices in glad song of faith in the sanctuary with us.

The budget for 1944, adopted by the congregation was \$8880 for current expenses and \$1700 for benevolences. The current expense pledges add up to more than \$9,000, certainly a cause for rejoicing. If our Sunday offerings continue as generous as in the past, we will easily meet all benevolence obligations, and continue to pay our Church Apportionment in full.

Concluding Remarks:

In expressing my personal gratitude, as well as that of the congregation to the Church Council, the Board of Deaconesses, the officers and members of the Altar Guild and its circles, the Sewing Group who have given expression to our sympathy for the innocent victims of war and injustice, the Brotherhood, the Sunday School and its faithful teachers and officers, the Choir, Symposium, Young People's Fellowship, and Old Timer's Club, we would remember that wheels move forward and loads are lifted only as hands are willing to cooperate in the labor. We have had these...perhaps not in as large numbers as one could wish, but they have always been sufficient to write a record of which we need not be ashamed.

With 1943 the faithful services of Mrs Herbert Groth as parish secretary came to a close after 12 years of diligent and effective work. We would speak again, the word of hearty appreciation for services long cheerfully rendered. We have been fortunate to secure as parish secretary, the efficient services of Mrs William Lohler, a life-long member of St Paul's, and well acquainted with the membership and work of the church. We bespeak for her the hearty cooperation of the parish.

We express our gratitude to Mr Vogel, retiring president of the church council, Arthur Koch, retiring treasurer, William Lohler - financial secretary, who, happily will continue his strenuous duties. All retiring, as well as newly installed leaders. Our efficient sexton, Mr. Schmanke, organist Harold Steen, choir director, Lawrence Fink, our historian Ida Pagels, whose pen records for posterity each passing year of St Paul's history, and all who in faithfulness to love and duty serve Christ, by serving the world through their Church.

CHOIR With Lawrence Fink as director, Harold Steen, organist and Mrs Florence Kelley president, the Choir again served the church faithfully during the year. The usual problem of sufficient singers, and faithful attendance is as pestiferous for us as for most churches. Rehearsals are held each Wednesday evening from 7:30 - 9:30, and the invitation to "Serve the Lord with gladness" is again extended. The Council tendered the appreciation of the church, \$5 each, as given to the Service-Men's Fund, and to the White Gift Offering, and the Civic Music Association.

YOUTH FELLOWSHIP

The young people over confirmation age, are organized into a Y.P. League, or using the new name of our denominational youth group, "Youth Fellowship". Meetings are held on the first Sunday evening of the month. Social hours are scheduled at intervals. The Y.F. attends the Cozy Hours sponsored by the Youth Federation of the city, meeting in various churches. For the past year, the six Evangelical and Reformed youth groups of Rochester, have met monthly for fellowship nights. Annually a Youth Institute and banquet are held with emphasis on the share of the youth in the greater program of the Church. The Rev. Bravard Kurkowski of Scranton, Pa. was the guest leader at the last one. Vincent Sorock, student of theology at the Rochester Baptist Seminary, assists with the youth program, as well as teaching in the Sunday School. A series of books published by the Fellowship of Reconciliation, entitled "Forerunners for Peace", has engaged our interest since last autumn. The absence of many of our young men in the Service is adding to our attendance difficulties, and subtracting from our "interest". A number of our young people attended summer camps at Dunkirk, and the Annual Labor Day Rally.

President: Jean Hurlburt... Sec'y.-Treas: Hildegard Kilian

The Church Council represents the congregation in all affairs of the church, and reports annually to the congregational meeting in January. It adopts the budget prepared by the finance committee, and presents the same for adoption by the congregation in the meeting called early in November.

Are you using your talents for the Kingdom, or are you like the one-talent man in Christ's parable, who buried his talent, and then made excuses as to why he was not more successful?

BOARD OF DEACONESSSES

Eighteen deaconesses, six elected each year at the annual congregational meeting, constitute the "Board of Deaconesses", whose duty it is to win new members, visit the sick and shut-ins, call upon the members whenever possible. Two deaconesses should be at the exits of the sanctuary at the close of every worship service to extend the hand of greeting and warm welcome. St Paul's parish has been divided into Nine Districts, with two women assigned for visitation in each district. Meetings are held every other month, and each deaconess submits a report on visitation and other service rendered in the name of the church.

The deaconesses have the responsibility of decorating the altar with flowers. A Memorial Flower Chart is hung in the rear vestibule whereon members and friends may signify their intention of placing flowers as memorials, or as tokens of thanksgiving for some blessing of God. Flowers are distributed to the sick when available.

Memorial Wreath Cards, sent as sympathy greetings to bereaved families, are available through the deaconesses and the Pastor. Donors have a choice of giving memorial offerings for (1) Dunkirk conference grounds, (2) Mission Park in the Rochester area, (3) St. Paul's Endowment Fund.

WOMEN'S ALTAR GUILD

Founded in 1866, the Altar Guild observed it's 78th birthday in 1944. Afternoon meetings are held the first Thursday of each month, the programs of the National Women's Guild of the Evangelical & Reformed Church, and of the Council of Church Women is faithfully integrated in our women's work. In 1943 a start was made with bi-monthly evening meetings, in order that working, professional women and younger mothers might have a share in Guild work... Circle I, II, and Ruth Circle are composed of members of the Guild, who meet in members homes for study, fellowship and other activities for the good of the group... A Sewing Circle meets semi-monthly, turning used clothing into serviceable garments for the American Friends Service Committee. In the year more than 30 boxes valued at \$250.00 were sent for War-Relief work. Two new members were inducted. Four were called hence by death. Sick visitations are made, and a Guild Service is held at funerals of members. The Guild co-operated with the World Day of Prayer, and the Institute for a Just and Durable Peace. Entertained at St John's Home for the Aged and gave \$10.00 for the Sunshine Fund. Two chicken dinners, a sauerkraut supper and a clam chowder luncheon were served. \$200.00 was pledged and paid to the Church, and \$150.00 was paid off on the church carpet given as an 80th anniversary gift.

CHURCHMEN'S BROTHERHOOD

All men of St Paul's are eligible for membership in the Brotherhood which meets on the first Monday evening of the month. About 35 are active, dues-paying members. The Brotherhood is affiliated with the Federation of Men's Bible Classes of Rochester, the Synodical Churchmen's Brotherhood, and the national body... An annual program sheet is given all members at the beginning of the year, and this gives a well-rounded calendar of activity which all who attend receive much benefit from... The Brotherhood sponsored a Church-Birthday Calendar listing the names and birthdays of church members, and distributed over 300 copies... A Men-and-Boys Bean Supper, and two Ladies' Nights were included in the year's activities.

A delegation again attended the annual Men's Retreat at Dunkirk. Albert Meili Sr., was delegate to the Regional Conference at Auburn. A service of Farewell was conducted for Brother August Saks, and flowers placed on the altar on the Sunday nearest his birthday... The Brotherhood Chorus sang an anthem at one of the mid-week Lenten Services... An Irish Minstrel Show was held on Feb. 17, 18, 19... with Roger Catlin as director. The Brotherhood contributed to various causes, including a \$100 pledge to the church. A balance of 180 is reported by the treasurer.

SYMPOSIUM The younger adults and married couples have been meeting on the last Sunday evening of the month, and for various social gatherings during the past ten years. Though many more of our younger members would discover a fine opportunity for Christian fellowship and inspiration if they would avail themselves of the Symposium hours, it is felt that a definite need is being met in our church life by our group. We again extend a cordial invitation to come to the Symposium.

OLD TIMERS CLUB

To keep alive the memories of the Old Church on Fitzhugh Street and to afford an opportunity for fellowship among the older members of St Paul's, the Old Timers organized in 1932. The annual confirmation reunion on Palm Sunday evening, and an annual meeting constitute the main meetings of the group. During 1943 the sudden death of Patriarch Frederick Reuschle constituted a real loss to the Old Timers. The "1 Centurv Tablet" in the tower vestibule, alongside our Sick-Register is a roll of members who have been active in St Paul's for more than fifty years. Through the O.T.C. contacts are maintained with old friends and former members, who in the years, have become affiliated with other churches, but still have a warm spot in their hearts for St Paul's. A new project was undertaken in 1943, viz., the collection of old pictures relating to church activities of the past, as well as of members in the "yester-years". This Art-Gallery is in the keeping of the Scribe. Pastor Hoefer has made a series of slides from these old pictures, which will constitute an interesting record, and have already given us an interesting evening quiz, "Guess who this is or was!"

SUNDAY SCHOOL is in many respects the life-insurance of the Church. Without leading our little ones in the Way, and Truth, and Life as revealed in the Gospel of our Lord Jesus Christ, there would be no continuing church. A large part of our building is devoted to Christian Instruction. Teachers give faithfully of their time and talent. The effectiveness of the church school rests upon three pillars; the conscience of parents who remember their Christian duty to their children as pledged in the Baptismal Vows; the regularity in attendance and faithfulness in study of the pupils; the dependability and consecrated instruction of teachers. Considerable "dropping" seems to be needed in all Sunday School foundation stones, ours included.

The enrollment in all departments, including Cradle Roll and Adult Class is 235. Total attendance in 1943 was 6104...average 117 per Sunday. Seven new teachers were added to the staff in 1943, in part, replacing others who withdrew their services: Cradle Roll-Mrs Louis Petz. Beginners: Marion Goetz. Primary: Mildred Bahringer, Betty Lane Park. Junior-Intermediate-Senior: Delbert Groat, Ruth Stoll, Mrs Rosee, June Howorth became assistant attendance secretary.

Regular Staff meetings were held monthly, several being supper sessions.

The Summer Picnic was omitted because of gas-rationing, and two indoor picnics were held in the church basement with marked success.

Christmas Programs were conducted by the smaller children as well as by the "Unstables" departments. Generous support was given the White Gift offering. All Christmas decorations in the church represented the Christmas Spirit of the S.S. Staff.

Executive Committee of the S.S. Staff consisted of the following:

General Sup't. - John Bareis
Ass't. Sup't. - Albert Meili, Sr.
Att. Sec'y. - Mrs. M. Nowack, June Howorth (Mrs. F. Krase)
Rec. Sec'y. - Mrs. F. Krase (Harriet Fauth)
Fin. Sec'y's - Mrs. N. Alderman, Arlene Norry (Mrs. Hagen)
Treas. - Albert Meili, Jr., Mrs. R. Raufelsen.
Deot. Heads: Cradle Roll - Mrs. Louis Petz (Mrs. R. Kolb)
Beginners - Miss Helen Goetz
Primary - Mrs. John Bareis

The Weekly Offering envelopes yielded more than \$300.00, most of which was expended for supplies. A child in India, War Emergency Relief, Rescue Mission, Dunkirk Conference Grounds, Mission to Lepers, were some of the benevolent projects supported.

Vacation Church School was held for two weeks during the past summer with volunteers representing the Sunday School in charge. The attendance was around 26. Quite a number of our children are attending week-day classes, conducted by the Federation of Churches in churches neighboring to public schools.

The Adult Class: Adults interested in growing in understanding of the Bible, and it's application to the Christian life, meet in the Brotherhood room during the S.S. period. Taught by Miss Lucille Reuschle and Pastor Hofer, the class offers opportunity for parents who bring their children to remain at the church. The Adult Class has also assumed responsibility with the S.S. Staff for supervision of the nursery for small children following the children's worship in the sanctuary.

COMMITTEE

FOR

MEN & WOMEN in SERVICE

Approximately 10% of our communicant membership has been inducted into the Armed Forces of our nation since the international holocaust began. Fifty men and two women are serving in every branch of the service and are stationed in every area of the battle-front. As a church we believe and teach that a better, Christian way should be used to solve the difficulties between nations. Until now the governments of the world are still pagan enough to refuse to use other than cave-man methods of settling international disputes. As Christians we need to work and pray for a juster way of life if we are to keep faith with the Christ, who redeemed the world by His suffering and death. Until that has been realized, we and our children must suffer the diabolical terrors of the war-method.

In the meantime, these young men and women are persons and souls that need our prayer and care. St Paul's has furnished each with a prayer-book "Windows of Worship" when they went into service. A shield carrying the names of all has been hung in the vestibule. A book with all names and addresses has been placed in church, and members are urged to write regularly. A church "Blood-donors league" has been set up. A Christmas box of candy was sent each service-man and woman. We have tried to send a church letter monthly, church papers have been sent, but addresses change so rapidly, that second-class mail often fails to reach their destination. Some parents have not cooperated in keeping the committee informed as to addresses. The committee, composed of Mrs. Oscar Stephany, Edw. Uehlin and Herbert Groth, have tried to continue the fellowship of love and faith that binds us all together. Periodic offerings have been taken for their work.

CHRISTIAN FELLOWSHIP OF STEWARDS and DIRECTOR OF MEMBERS

St Paul's again expresses its gratitude for the loyal and generous support given by members and friends during 1943. We had hoped that there would be no non-contributors, but can be thankful that there are only a few. Won't these set aside, weekly, the Lord's portion? Then our record of Christian Stewards will really be complete in 1944.

Remember that your church-gifts may be deducted from your Income Tax! Up to 15% of your total income.

Keep this record for names and addresses of members.

Help us to WIN NEW MEMBERS. Remember the "CRUSADE for CHRIST" through which you are asked to recommend new members during the Lenten Season.

Kindly report changes of address promptly to the Pastor, Mrs. William Lohler, Sec'y., or Mrs. Clem Yumner, Deaconess Chairman.

Believing that as a Christian, and as a member of St Paul's Church, I have a responsibility to win new members for our fellowship, I recommend the following and will work to the end that they will join the Easter membership class.

NORTON near ST PAUL ST. ROCHESTER N.Y.

PASTOR'S REPORT -

Isaiah 54: 2 "Enlarge the place of thy tent, let them stretch forth the curtains of thy habitations. Spare not, lengthen thy cords and strengthen thy stakes"...

Ordinarily this text of Scripture is used to urge upon congregations the enlargement of their physical structure...a larger church, additions to buildings, etc...That is hardly possible in this the fourth year of America's participation in the war. Nor is there a pressing need for such expansion, though there is back in our minds the dream of a possible parish hall with parlor, chapel, and bowling alleys where a social program for church and community might find more adequate expression. Our need for expansion lies in the spiritual field primarily: Greater loyalty to the church at worship on Sundays, greater development of service talents through the medium of our organizations, in which at present, too few of our people are putting their fine talents to work. It has been said that the fastest growing church is the "7th Day Absentists"...All too many of our folks belong to that church within a church. Perhaps we can all labor together to strengthen the chords of fellowship with God and Home, and Church, through greater discipline and personal loyalty...

Concerning the State of the Church:

Baptisms - 17 infants (same as 1943) and 2 adults.

Confirmands - 9

New Members - 17

Marriages performed - 3 - (lowest in years)

Pastoral Calls - 894 With gasoline allotments cut to half of what was used in pre-war days, and with the cars getting more feeble each month, along with increasing pressure of other duties, I have not been able to spend as much time in fellowship in the homes of members. Sick and infirm have however received all consideration possible.

Funeral Services were conducted at the close of earth's pilgrimage for 18 persons, 9 of whom were members of our church. Two were services for Robert Gilder and Paul Schmidt, lost in the war, and whose last resting place is far from home and loved ones.

Monthly bulletins and letters have been sent our 65 men and women in Service from our Church office. Thru our Service Committee cookies were sent the U.S.O. and Service Center.

Only one bequest came to our Perpetual Membership and Endowment Fund...that through the kindness of Mrs Fredericka Rocktaschel and Family. Let us remember our continuing interest in St Paul's by writing into our last wills and testaments a provision for our Spiritual Family, the Church...The Memorial Wreath Cards also merit greater participation.

Your Pastor's services outside the congregation, included during 1944 - 1) President of West New York Synod since the death of Rev. J. Peck. 2) Vice-President of Board of St John's Home.

3) Member of Board of Directors - Federation of Churches; State Council of Churches, Maplewood YMCA, Fellowship of Reconciliation (Rochester Branch). Treasurer, Minister's Union.

(cont'd)

Financially, our church has had a banner year again. We have met unusual expenditures for the repair of our church, and have paid our Synod Apportionments in full. In addition we have generously remembered other causes such as War Emergency Relief thru our bi-monthly special collections. The report of our council officers gives us great reason for gratitude. There has been cooperation and loyalty which makes the work seem lighter.

Regarding the Crusade for Christ adopted last year, we have not achieved any spectacular results. Some new members have been added, some faithful members have been lost. We need the sense of personal responsibility on the part of all members, to win souls for Christ and the Church. I solicit your earnest efforts in this regard during the Lenten Season.

Of particular regret at this time is the lack of a Senior Choir. The Junior Group has functioned acceptably under the guidance of the choir mothers, but we hope that the ministry of music in St Paul's may be definitely revitalized in the months that lie ahead. We also must mention in passing the release from active duty in the Sunday-School of the assistant Superintendent Mr Albert Meili, Sr., who has set a record of more than 35 years of teaching ministry in our Church School. We are glad that he will continue in the Bible Class.

For all faithful cooperation and service on the part of each and all in their respective fields of responsibility I express my personal thanks. It has been a year free from friction and disharmony, and for this one must always be profoundly grateful. May the Lord continue to bless us and let his benediction of peace be upon us...

BOARD OF DEACONESSSES

The full slate of the Board calls for 18 members, two for each of the nine parish districts into which the city is divided. Due to war work, difficulties with the bus service and rationing of gasoline, the number of parish calls dropped from over 1000 in 1942, to 185 for 1944. However 400 cards to sick, shut-ins, and bereaved, as well as 225 letters to men and women in the Service, indicates that the deaconesses are still living up to their pledges of Christian helpfulness. The floral adornments of the altar is also to the credit of the Board of Deaconesses. The cooperation of church members is solicited in behalf of the Altar Flowers Calendar.

The Board of Deaconesses is constituted of the following:

1943	1944	1945
Mrs Clem Kummer (Chrmn)	Vera Frederick (Secy&Treas)	Mrs E. Talbot
Mrs O. Brown	Mary Rocktaschel	Mrs F. Kilian
Mrs L. Howorth	Mrs W. Kuhman	Mrs H. Schultz
		Mrs C. Schmanke
		Mrs H. Stuver
		Mrs W. Nowack
		Mrs M. Schuler
		Mrs E. Kern

The columns indicate the year of election. The deaconesses serve for a term of 3 years.

SUNDAY SCHOOL

The Sunday School, meeting every Sabbath morning at 9:15, supplements the confirmation and week-day classes in giving our children Christian education.

Enrollment for 1944 - 179. Average attendance - 120 (1944)
" " " (117- 1943)

Nine new pupils were enrolled. The Staff, meeting every third Monday of the month, consists of 27 officers and teachers. 18 children received perfect attendance awards on Rally Day. 9 participated in the Church Stewardship Essay and Poster Contest, several receiving congregational and synod awards. Nine pupils were subsidized by \$5.00 each to enable them to attend Dunkirk camps. The girls were entertained by the boys at a post-Easter "picnic" as a result of the Lenten attendance campaign. The Sunday School Staff provided the Christmas Decorations throughout the Church. The new worship center in the Assembly Room was given by Supt. Bareis. After serving the Sunday School faithfully for more than 35 years, Ass't. Supt. Albert Meili, Sr., was tendered a testimonial dinner in January and given tokens of our sincere esteem. A Week-Day Religious Education class is being taught by the Pastor. Students come from Benjamin Franklin High School. The course: "Discovering Our Bible" - Direction: The Federation of Churches. WOMEN'S ALTAR GUILD

According to the Constitution of the WOMEN'S GUILD, National Organization of the Evangelical and Reformed Church, every woman member of a church is a member of the Guild. ALL are expected to share in the "CHALLENGE" and the missionary projects of the Guild. There is, however, a membership dues-paying group in St Paul's, known as the Altar Guild, which meets the first Thursday of each month. This group is one of the most active in the church, and to tell its record of achievement would take many pages.

From among the membership of the Guild, there are several Service Units which take on special responsibilities and tasks:

The Sewing Circle - Mrs Augusta Reuschle, chairman, meets at the Church every other week to prepare articles of clothing for the War Sufferers. Distribution is made thru the American Friends Service Committee. More than a ton of clothing has been worked over. St Paul's has made an outstanding contribution to this ministry of compassion.

Circle I - Chairman-Mrs Wm. Lohler (1944) Mrs Nelson Alderman (1945) Various suppers were served, including the popular Lawn Social, proceeds being turned over to the Altar Guild Treasury. "Every-Day Greeting Cards" were sold. "Missions" was the study topic and Christmas gifts for Japanese-American children were sent to relocation centers.

Circle II - Chairman-Mrs R. Lutz (1944) Mrs C. Brown (1945) Social and study meetings were held in members homes. One meeting honored the 85th birthday of Miss Christine Danzer at St John's Home on Feb. 4, 1944. A special offering was received each month for the American Mission to Lepers.

Ruth Circle - Chairman-Mrs F. Pfeil (1944) Mrs R. Halsey (1945) "Temples Still Undone" was the study book of this group. In charge of the Lenten "Quiet Hour" this circle also supported the Guild, and various missionary causes.

The Altar Guild contributed \$200 to the church, and completed payment on the Sanctuary carpet; sent delegates to Regional Conference, and West New York Synod Guild meetings. Shared in the work of the Federation of Churches and Council of Church Women. Followed the suggested "Monthly Program" of the Guild, which was found very stimulating and instructive. The Guild challenge of \$57.50 was paid. Thru the Altar Guild, the church was able to order the church periodicals and "Daily Talks". A "Sunshine Committee" headed by Mrs Richter, seeks to bring cheer to sick and shut-ins.

Several evening meetings were held for the benefit of members working during the day. "Blue" and "Gold" bags are being distributed among the women of the church for coin contributions on "sunny" and "cloudy" days.

BROTHERHOOD

About twenty-five men of St Paul's are active in the Brotherhood, which meets every first Monday of the month. All members receive the Brotherhood News published by the E & R Churchmen's Brotherhood with headquarters in St. Louis. Thru representatives R. Hoffmeier and R. Kolb we cooperate also with the Rochester Federation of Men's Bible Classes...An "Irish Minstrels" directed by Roger Catlin, who has since entered the Navy, and the "Brotherhood Birthday Calendar", were the two major projects of the year. On two evenings, the ladies were invited guests. A Men-And-Boys night was also a success. A delegation of 14 attended the annual retreat at Dunkirk, sponsored by the W. N. Y. Synod Brotherhood of which our brother Al. Meili, Jr., is secretary. Among program headliners for 1945 are Supt. James Galloway of the School for the Deaf; Lloyd Somers of the Fellowship of Reconciliation; Rev. Lloyd stamp, United Congregational Church; Al Sissons, radio sports-caster; Mr Wolfard, artist and world-traveler; Rev. Carl Smith, Dewey Church Pastor whose hobby is "Family Trees"; Prof Theo. L. Trost, Colgate-Rochester Divinity School; Rev. Richard Wolf, Emanuel Methodist Church, whose youth was spent in Germany. It is hoped that men of St Paul's will take advantage of this fine program offered, by their attendance. \$150.00 was given for the support of the Church.

SYMPOSIUM

This Young Adult and Couples' Club meets on the last Sunday evening of the month. Timely topics are discussed and speakers are brought in. Several outings were enjoyed such as the family picnic at Seneca Park and the Winter Frolic at Mendon Ponds. One evening was spent clipping pictures, cartoons, and jokes and sending them with a personal letter to each of our men and women in Service. In order to become better acquainted with the work-a-day activities of our members, an evening was spent with members telling of interesting phases of their respective jobs.

YOUNG PEOPLE'S FELLOWSHIP

After their confirmation, young people are enrolled in the Youth Fellowship of St Paul's, which meets on the first and third Sunday evenings of the month at 7 o'clock. Often the 1st meeting is combined with E & R Youth Federation gatherings, meeting in various churches. The United Congregational Church was host to one such fellowship. Speakers gave the historical backgrounds of our respective denominations, and an hour of games enabled us to become better acquainted. Dime-folders were distributed among members which netted over \$160.00 for our Dunkirk Conference Grounds.

The perennial youth problem is with us too: How to make all church youth aware of the fine opportunities of Christian fellowship, and, once in the Youth Fellowship, to keep them loyal until they reach the age of membership in our other church groups.

OLD TIMERS CLUB

War conditions have impeded activities a great deal. The storms of a winter, the like of which cannot be recalled by Old Timers since 1888, made traveling exceedingly hazardous, especially for our older members. Gasoline is closely rationed, and bussing is hardly a pleasant past-time. So the Old Timers are hibernating until Palm Sunday, when they will again sponsor the Confirmation Reunion, and the Old Timers Choir, and keep warm and vital the friendships of yester-years.

Vice " - William Volz (Class of 1871)
Scribe - Louise Pagels Lohler
Shekels-Keeper - Rudolph Kolb
Historian - Ida S. Pagels

CHOIRS

Senior: It is a common assumption that in church it takes the women to make things go. When our "Joes" and "Johnnies" went off to war, one of the early casualties was the choir. With the resignation of Mr Fink as director, the few remaining members voted a vacation until Lent. With a new director, it is hoped that a choir will again lead our Sunday worship.

Junior: About 30 boys and girls are enrolled. Rehearsal is from 6:45 to 7:45 P.M. Wednesdays. One anthem is prepared for each month and it is sung from memory. The choir mothers are Mrs Wm. Nowack, Mrs Harvey Schultz and Mrs Albert Groth. For faithful attendance the Church Council will provide us with a fellowship night after Easter.

President - Marie Lohler Secretary - Margaret Lehman

WHAT ARE YOU?

If the following lines fit you in any way relative to the relationship to your church, put a check mark opposite the line and underscore the word that fits and then see how much better you can make your record.

Am attender or an absenter? A pillar or a sleeper?
A wing or a weight? A power or a problem?
A promoter or a provoker? A giver or a getter?
A goer or a gadder? A doer or a deadhead?
A booster or a bucker? A subortter or a sponger?
A soldier or a slacker? A worker or a worrier?
A lifter or a leaner? A friend or a faultfinder?
A helper or a hinderer?

COMMITTEE FOR MEMBERS IN SERVICE

SIXTY-SEVEN men and women are recorded on our Service Shield hanging in the Jewel Street Vestibule. Our committee seeks to maintain contact by regular news letters, and by providing members of the Church with names and addresses for personal correspondence.

Cookies were provided at various times for the U.S.O. and the Military Service Center. A Christmas Card and a money-order were sent to all just before the holidays.

Paul Schmidt and Robert Gilder have been called upon to pay the supreme sacrifice. One in Holland, and the other on the Atlantic. Robert Westfall has been missing since the sinking of the Carrier "Princeton". To their dear ones our hearts go out in compassion. May their souls rest in the Peace of God which passes all human understanding.

1945 YEAR BOOK 1946

PASTOR'S REPORT

Philippians 4:8 "Finally, brethren, keep in mind whatever is true, whatever is lovely, whatever is just; whatever is pure, whatever is attractive..practice also what you have learned and received from me...then the God of Peace will be with you."

These beautiful words of the Apostle Paul for whom our beloved church is named, I should like to emblazon on the mast-head of this 17th annual, and final pastoral report to a Christian Congregation at it's annual meeting. Out of the years of experience here, I believe that whatever good has come out of our mutual service for Christ, has come because of the practice of these words of admonition. Inversely, whatever that was disagreeable and disheartening, has come because one or another of us has not spoken or acted out of a mind filled with love, justice, purity, and a desire to keep the Christian witness attractive, and the Christian family as one which exhibited to the world which it was trying to redeem, a spirit of harmony and peacefulness. Think on these things! Not only to-day, tomorrow, but always. Believe and speak that which is good concerning all men, and you will have the God of Peace sending his blessings upon you as individuals, and as a church.

Another primary need of this congregation, as your Pastor views it, is for additional investment of time and talent for the program of the church. With a membership of @ 500, we should not have the perennial difficulty of finding candidates for the Board of Deaconesses, for the Sunday School Staff, and for other positions in the church which require the time and abilities for useful service on the part of the members. When these things occur, it is an indication of a lack of the spiritual vitamin called, consecration.

Representative of Syrian Orphanage, Jerusalem, in Rochester area.
Executive Committee-Rochester Chapter, Fellowship of Reconciliation.
Member of the Religion and Labor Council of Rochester.
Member of the Board of International Missions of the E & R Church.
Member of Committee on European Relief, World Service Commission of the denomination.

Member of Board of Directors, Dunkirk Conference Grounds.

In all of these enterprises, outside the regular parish duties of your minister, he has been supported by the loyal contributions of members, and of the congregation at large.

Attendance: Number of people present at the worship services have been faithfully recorded by the deacons, Earl Maier, chrnm. Though the attendance may be called satisfactory, the spiritual life of the congregation would be improved if more of our people would remember the Sabbath Day to keep it holy.

Finances: Our people have supported the current expense budget, as well as the benevolent apportionment nobly. We were not only able to pay all expenses, but put aside a portion of the budget called for as a "contingent fund". We have reached an all time high in giving for Benevolences. The apportionment of \$1580 was paid in full; \$850 has been sent for World Service; the Federation of Churches, St John's Home, and other arms of the church with which we cooperate, received as much and more, than in any previous year. Unfortunately, not as many as we had hoped, remembered the church locally, or the various benevolences of the church in their last wills and testaments. I regret that no Perpetual Membership was dedicated during the year that is just past, though there is now a total of \$4,000 in that fund begun 15 years ago by Mr & Mrs Jacob Kern with a primary contribution of \$100.

Our Choirs: The regret voiced in my pastoral report last year at the absence of a choir, is now happily remedied. We have had excellent choral music since Mr. O. Matthew Lyders reorganized the choir last fall. Our Junior Choir is making progress, but requires more loyal support from parents of children of Junior Choir age. Our organ music has continued to life us in worship, under the skilled musicianship of our organist, Mr Harold Steen, who has been with us now for six years. We hope that both he and Mr Lyders will attempt to break the record of 37 years of continued service in St Paul's, set by our late Henry Betz.

Our Student Minister, George Roser, Heidelberg College, 1945, has assisted greatly in Sunday School, Youth Fellowship, and in the worship services. His cooperation and genial personality are truly appreciated.

Sexton Charles Schmanke has continued to give us his efficient service, and enables us to be proud of our sanctuary and grounds. Hardly a visitor who comes to our church, but comments on the neatness with which everything is kept, including the boiler room, as tidy as most kitchens.

Secretary Mrs William Lohler has been of great service in duties that have multiplied in recent years. She has ever been willing to cooperate in any and all services for the good of the church. To name all others, whose loyalty and devotion to duty have made the task lighter and more enjoyable, would be to go far afield. If I could make a wish it would be that all of them were twins!

The cooperative spirit of the Church Council, Board of Deaconesses, which took care of the altar flowers, the executive committees of the various church organizations, is deeply appreciated by Pastor and thoughtful people alike. In the Sunday School we will miss Mr George Hoffman, who relinquished his boy's class, after teaching 25 years; Mrs John Bareis, supt., of the Primary Department for a number of years, and a teacher before that; Mr Bareis, Supt., of the Sunday School until December; Mrs Vaisey for a short time Supt., of the Cradle Roll. It is in the Sunday School particularly that we need more teaching help, and should be happy if someone would say "Yes" to an invitation to share in bringing the children to Jesus, instead of concocting excuses in which all too many are expert.

In the coming year the congregation will be faced with the selection of a new pastor. A pulpit committee of seven, Chrnm. R. Kolb, H. Krase, L. Reuschle, A. Meili, Jr., W. Nowack, A. Fauth and R. Boss, is at work, and we may look with assurance to the early recommendation of a minister for St Paul's Church. Nothing will make me happier than the assurance that the people of St Paul's will continue together in peace and harmony under their new leadership. Though our removal to St Louis will put a thousand miles between us, we shall continue to be interested in the ongoing progress of St Paul's in which we have invested many happy years.

68 Young men and women have been called into the Service during the war years. 27 of them have returned home again. Four have made the supreme sacrifice. The Service-Men's Committee and the Pastor, have tried to keep in correspondence with these young folks, but as the time of their absence has grown longer, we have heard from them at infrequent intervals, and many parents have increasingly become negligent in informing us of addresses, so that out of every mailing, from 6 to 10 letters are returned, marked "Wrong Address." A start was made with a Veteran's Memorial Fund, with the hope that some day a fitting tribute could be expressed in some living, useful token or improvement in the church. \$15 has been given to the Memorial Fund.

Among the things which should be undertaken in the coming year, is a revision of our Constitution. We are using the same booklet setting forth the constitution, as was printed when Pastor Koenig was here. The supply is about exhausted. The old Constitution says nothing about the merger of the Evangelical and Reformed Church, nor has any adjustment been made to the New Constitution of the United Church. Before a new printing is ordered, a committee should bring our Constitution up to date.

BOARD OF DEACONESSES

During this 20th Anniversary year of the Board of Deaconesses, Chairman Mrs Ruby Kummer and a group of 15 members have worked diligently, making 300 calls to sick and shut-ins; 147 telephone calls and 330 get-well and consolation cards were sent. Nearly every Sunday during the year the Memorial Vases on the altar were filled with flowers. Many letters and cards were sent to the boys in service. We thank God that most of them have come back safely. Our heartfelt sympathy is extended to those families who have been saddened by the death of their sons. Regret is also expressed on losing Rev. Hoefer as our leader and pastor. We wish him well and he has our blessings always.

Retiring Chairman,

Ruby T. Kummer.

THE CHOIRS

THE SENIOR CHOIR

It is a pleasure to give a report when the year past has been the best for the choir in some time. The enrollment of membership in September 1945, was 28. There has been a regular attendance between 20 and 25 at rehearsals and Sunday morning worship.

The officers elected in 1944 are carrying on, with the exception of Mrs L. Graumenz who was Vice-President. Mrs Florence Kelley was elected to this office.

The first social evening was a welcome to Director and Mrs O. Matthew Lyders. Hosts for the evening were the elders of the church, Messrs. Bahringer, Brown and Vogel. Rev. Hoefer introduced each choir member with appropriate remarks and church president Herbert Krase gave a welcoming address to Mr Lyders. It is hoped by the choir, and by the congregation that he will be willing to continue with us for a long time to come.

The choir was asked to go caroling at Christmas time, and were willing to do so but there were no requests for this service. A White Gift Offering was given at Christmas.

The choice of a Theatre Party, Dinner, or Concert was given the Choir by the Church Council as a "treat" for the year. A committee, Mrs Florence Kelley and Marie Lohler, was appointed to decide on the concert to attend. The selection was the Paul Robeson Concert at the Eastman Theatre, January 4, 1946. Twenty-four regular members enjoyed this social evening.

There has been much enthusiasm and interest shown at our rehearsals. We are still soliciting for male voices and anyone interested in joining the choir is asked to get in touch with the director, Mr Lyders.

Officers of the Choir: President, Rudolph Hoffmeier, Vice-President Mrs Florence Kelley, Secretary, Mrs Lucy Dixon, Treasurer, Norma Westfall. THE JUNIOR CHOIR has been rehearsing on Wednesday evenings from 6:45 to 7:30 under the direction of Mr Lyders. Mrs Schultz and Mrs Kilian are the choir mothers. Greater cooperation on the part of parents of Junior and Intermediate children would assure us of a strong choir. We should use the fine training Mr Lyders, director of vocal music at Franklin High School, makes available to our children.

SUNDAY SCHOOL

The enrollment of the Sunday School for the year 1945 was 170, including teachers, officers and pupils and the Adult Bible Class. In addition there were 33 in the Cradle Roll of pre-Sunday School age. The total attendance for the 52 Sundays of 1945 was 6050, an average of 116 per Sunday.

New members enrolled throughout the year, 8. Six of these were in the Beginners Dept., one in the Junior and one in the Intermediate.

Two new teachers were added to the staff, Mr Ralph Boss, Junior Dept., and George Roser, Intermediate. The present staff consists of 17 teachers and 5 general officers. Elected to serve through 1946 were the following general officers and superintendents: Cradle Roll Supt., - Mrs W. Kuhman; Beginner Dept. Supt., Mrs Helen Britton; Primary Dept. Supt., unfilled. Treasurer of Beginner and Primary Depts., Mrs R. Raufeisen, Miss Arlene Norrey, Financial Sec'y. Elected Treasurer of Junior through Young People's Dept., Mr Albert Meili, Jr. Financial Sec'y., Mrs Ruth Alderman. Mrs William Nowack Enrollment and Attendance Secretary, Jean Hurlburt, assistant. Recording Secretary, Mrs Herbert Krase. The position of General Supt. of the Sunday School is unfilled, with Mr Wm. Nowack elected as assistant Superintendent.

Regular staff meetings are held on the third Monday night of each month, except July and August. An indoor party was held for the Junior through Young People's Dept., immediately after Easter, following a Lenten Campaign, held on Sunday afternoon and evening. The Sunday School participated in the Stewardship Essay and Poster Contest, with several from our school receiving Synod awards. Four pupils attended the Intermediate Dunkirk Camp, with the school contributing \$5.00 each towards the tuition of these pupils. The Sunday School contributed towards the Christmas White Gift, joining with the Youth Group in supporting the Heifer Project. Church decorations at Christmas time was taken care of again by the Sunday School Staff.

At the January 1945 annual Staff Dinner we honored Mr A. Meili, Sr., who retired after 35 years in Sunday School work and at the January 1946 annual Dinner we paid tribute to Mr Geo. Hoffman, who retired from the teaching staff after 25 years of teaching in St Paul's.

At this time the Sunday School is seeking the services of teachers who might follow the example of these two loyal Sunday School teachers, whose retirements have been keenly felt in our ranks.

Mrs William T. Nowack
Attendance Secretary
Mrs Herbert Krase
Recording Secretary

THE BROTHERHOOD

This organization of the men of St Paul's meets on the first Monday evening of each month, except during July and August, for fellowship and the development of vital churchmanship.

1945 Activities included: A Variety Show; a One-Act Play, "If Men Played Cards Like Women Do"; Fathers, Sons and Daughters Dinner; Lectures on "The Life of Lincoln", James Galloway; "The Congregational Churchman" Rev. Lloyd Stamp; "Pros and Cons of Peacetime Conscription" Lloyd Somers, "Family Trees and Strange Branches" Rev. Carl Smith; "Christmas in All The World", Prof. Theodore Trost; "Pacific Experience" Roger Catlin. A lawn supper was held in June in which the "hot dog roast" turned out to be a "fish fry."

The "Birthday Calendar" is sponsored by the Brotherhood and given free to all church families. Nine brothers attended the Men's Retreat at Dunkirk in September. \$100 was pledged and paid to the church. Officers for 1946 are:

President	Earl Maier (1945 - Ralph Boss)
Vice-President	Herbert Groth (1945 - Earl Forbes)
Rec. Secretary	Herbert Krase (1945 - Herbert Groth)
Fin. Secretary	Jacob Eckert
Treasurer	William Lohler

THE YOUTH LEAGUE

During the year St Paul's Youth League engaged in many interesting and educational activities. Our meetings are held on the first and third Sunday evenings of each month.

The West New York Synod Convention held in Buffalo on Apr. 29, was attended by representatives. The annual banquet for the Confirmation Class was given in April. In May a 1-Act play in conjunction with the Brotherhood entertainment was presented. After the Summer recess the fall schedule with Student-Minister, George Roser was started. The Youth Federation of Rochester held a "WAKE" in October to determine whether or not the League should continue with the Federation. After much discussion it was decided that with the help of each individual church we would keep this interchurch group alive. In October also the first Hallowe'en Party in three years was held at the church. In November the Federation held a supper at Emanuel Church with Wilbur Rosche, of Buffalo as speaker on the subject "What The National Youth Cabinet Stands For". During December a Christmas Dinner and Party was held.

When Peace was declared, the Evangelical and Reformed Youth Cabinet started a "Heifer for Europe" project in an endeavor to help replace the cattle that were slain during the war years. Each heifer costs \$150.00, - this includes raising, inoculations and cost of shipping. It is the hope of the youth of St Paul's to be able to raise enough money to send a heifer to the starving youth of Europe. Officers for 1946:

President	Lois Mae Groth
Vice-President	Robert Stoll
Secretary	Robert Nowack
Treasurer	Helen Lohler

THE SYMPOSIUM

The St Paul Symposium met monthly during 1945, except in July, August and December. Four of the meetings were regular meetings, on the last Sunday evening of the month. The program included speakers, or group discussions. The other meetings were socials, out-door winter party, bowling party, lawn party and Hallowe'en party. Present at these meetings and socials were from 14 to 30 members and friends.

Officers serving during the last half of 1944 and first half of 1945 were: Ernest Prietz, president; Ray Yaeger, vice-president; Mrs Wm. Nowack, secretary and Mrs Albert Meili, treasurer. Elected to serve for 1945-1946 were the same officers except that of treasurer. Laura Boss was elected to fill that office for 1945-1946.

The Symposium is a group of young adults and couples whose main purpose is to provide an opportunity for study and fellowship. All young adults and couples of the church family are invited to attend the meetings.

THE OLDTIMER'S CLUB

No report was given at the annual congregational meeting due to the fact that the Old Timer's Club was inactive during 1945. However the Palm Sunday Confirmation Reunion Service and the Fellowship Hour following it was sponsored by the Club.

PASTOR'S REPORT

Colossians 3:17 "Whatsoever ye do in word or in deed, do all in the name of the Lord Jesus Christ, giving thanks to God and the Father, by Him".

This is the first Annual Report that I bring to you as your pastor, and since my period of service in your midst has covered only some six months, this report will naturally be brief. The Scriptural thought with which I began is a natural admonition that comes to all who love and follow Christ, our Saviour. Here the Apostle Paul has written the members of the Christian Church at Colossae, admonishing them to faithfulness to the Christ and increased activity in the spreading of the gospel, and then adds this straightforward challenge "Whatsoever ye do in word or in deed, do all in the name of the Lord Jesus Christ".

This would also serve as the dedication of all our work in St. Paul's Church, in the past, in the present and in the future. The unique purpose of the Christian Church is to glorify the name of Jesus Christ upon the earth. All our striving, all our working as a Church must ever be to the end that it add honor and glory to Christ in the saving of souls, and in the building of His kingdom of love. This is the only warrant for the existence of the church on the face of the earth.

Joyous years of love and service to Christ have come and gone in Saint Paul's Church. Sometimes adjustments had to be made to change in leadership and activity. This past year has also witnessed such a change in this church, with the removal to St. Louis, of the beloved pastor, the Reverend Elmer H. Hoefer, who had so ably directed the spiritual program for over a period of seventeen years. His happy ministry at St. Paul's was concluded with the Easter services. Reverend Theodore Trost ably assumed the interim pastorate until July 1st, when the Schnake family arrived and established themselves in the parsonage. The hospitality and friendly concern of Rochester people soon made us feel much at home in your midst, and it appears that even the weather has been inclined to warmth and kindness. All this is deeply appreciated.

But more than all else I am thankful for the continued loyalty and devotion of the many members of St. Paul's Church. The various reports which follow will reveal to you that the church in its worship and program and financial obligations, has moved steadily along and another successful year has been brought to a close. We shall strive to maintain this love for Christ and His work, in an ever increasing measure in the present year.

Attendance: I express my gratitude to the large number of our members who faithfully find their place in God's House at our services of worship. In spite of the change, our Senior Deacon reports that our total attendance exceeds that of the previous year by more than 1700. This is a healthy indication, nevertheless, considering the large membership roll of our church, there is still room for great improvement.

Finance: Our people have again supported their church in a noble way and the Council was able to meet all bills and make improvements on the parsonage. In the recognition and practice of our Stewardship in carrying on God's work, we can be assured that also blessings will accrue to us. Especially do I commend you on your Benevolent contributions, which again enabled us to pay the Apportionment to our Denomination of \$1600.

Also our assigned Quota of \$1469.00 for the World Service Fund (War Area Relief) has been more than paid. In fact at the present writing some \$2200.00 has been sent in from our Church for this work of Christian Compassion. In addition, Special Benevolent projects, including the Federation of Churches has been supported by some \$900.00. May this spirit of giving for others ever continue.

The Church Council - These fifteen men, deacons, elders, and trustees, together with their Financial Secretary, organized into our Council, merit the esteem of the entire congregation. Upon their shoulders rests the responsibility of making the decisions and directing the church program through the course of the year. Willingly they give many hours, in the performance of their duties to which you elect them. Especially to the retiring members of the Board do we express our gratitude, and we know that their interest will continue and in the future they will serve us again.

The Sunday School - The reorganization of our Sunday School was effected in the Fall, and the reports indicate a healthy condition in attendance and interest. The congregation owes its gratitude to the faithful staff of volunteer workers. We urge upon all parents to encourage their children in regular attendance and also to their own personal attendance in our fine Adult Class.

Our Choir - Music adds much to the beauty of our worship before God, and consequently a faithful choir renders a great service in the church. We do appreciate the fine work that is being done by our Director, our Organist and Choir Members. Our choir loft is usually well filled with our singers, but we are always happy to add additional voices.

Our Organizational Life - Those who serve our church in some official capacity, whether on our Board of Deaconesses, Women's Altar Guild and it's Circles, Brotherhood, Youth Fellowship or Symposium or other organizations and committees, constitute within themselves a small army for Christ. For their leadership and work we express our appreciation in the name of Christ, and call upon the entire church to support them in the noble work they represent.

Our Student Minister - George Roser, has been of great assistance in aiding with the Sunday School and Worship Services and especially in taking over the responsibility of our Youth Group. We shall greatly regret his leaving us when in the Fall he enrolls in Eden Theological Seminary for his final year of Seminary work.

ALSO we express our appreciation to our Church Secretary, Mrs William Lohler and to our sexton, Mr Charles Schmanke, for the faithful performance of their duties, and for their everwilling spirit of cooperation. Especially has Mrs Lohler been of great aid to the pastor in acquainting him with the work of the church and its membership.

Our 85TH Anniversary - During the course of this year our church will celebrate its 85th Anniversary. Tho the first minutes of the organization are dated February 11th, yet the Anniversary has always been celebrated in September, the month of the dedication of the first church building. The congregation should lay plans for the proper observance of this Anniversary. A complete renovation program of the Sanctuary and all the Sunday School rooms, installation of better lighting in the basement, and other improvements should be considered, and if feasible carried thru before the month of celebration.

(cont. Board of Deaconesses)

REPORT - The Board of Deaconesses, with a complete slate of eighteen members held five meetings this past year. In September we held a picnic at the Talbot farm, at which all had a good time. During the past year, the Deaconesses have made 1,050 calls. They also sent 730 cards, consisting of birthday, get-well and shut-in cards. Telephone calls made during the year amounted to 183. Also forty-five bouquets of flowers were distributed to the sick and shut-in members of the church. At Easter and Christmas, the Deaconesses joined with the Ladies of the Altar Guild in making gift baskets for the sick and shut-in members, and also helped to distribute them.

This past year has been very successful in Deaconess work. I would personally thank each Deaconess for the fine work and cooperation she has shown. I would also like to thank Mrs Schultz, chairman of the Altar flowers for her fine and faithful work in decorating the Altar. I do sincerely hope that the next year will prove to be even more successful than the past, and that the fine spirit shown by each Deaconess will continue.

Mrs Elsa Kilian, Chrmn.

THE CHOIRS

Our Senior Choir under the leadership of their Director and Organist, makes a fine contribution to the Services of Worship in our Church. Some twenty-eight members are enrolled and there has been a regular attendance of between 20 and 25 at the rehearsals on Wednesday evenings, and on Sundays. Several new members have been enrolled in the past months, and we are always glad to have additional singers. Especially would our Director appreciate the addition of several more bass voices.

Several social meetings have been held; a Farewell dinner to Rev. and Mrs Hoefer in the spring, also a Dinner at the end of the Season held at Churchville, as an appreciation from the Church Council. Lucy Dixon, Florence Kelley and Marjorie Narrie have been appointed as a committee to arrange another social evening in the near future. Fifty dollars was given by the choir toward the white gift Christmas offering. The recently elected officers for 1947 are - President, Frank Jansson; Vice-President, Betty Miller; Secretary, Ruth Kleinhenz; Treasurer, Edna Schwartz; Librarian, Hildegard Kilian.

The Junior Choir of some twenty members, makes an appearance only twice during the year, namely at the Children's Day Service and at the Christmas Program Service. The singing of this group also under our regular director is also greatly appreciated by the congregation.

SUNDAY SCHOOL

The enrollment and attendance of the Sunday School for the year 1946 compares favorably with recent past years, with an average enrollment of 177, including Teachers, Officers and Pupils, and the Adult Bible Class. The total attendance for 52 Sundays was 5099, or an average of 118 per Sunday. In addition there are 44 children enrolled in the Cradle Roll. New members gained through the year totaled 19. Eleven of these were in the Beginner's Department, two in the Primary, two in Intermediate, one in Junior and three in the Senior Departments.

New teachers added to the staff were Reverend Schnake, co-teacher of the Adult Bible Class; Mrs Schnake, Primary Dept., Miss Marie Lohler, teacher's assistant, Beginner's Department; Miss Betty Schnake and Miss Lois Groth in the Junior Department.

The terms of office of the elected officers and department heads was changed in 1946 from the usual January through December, to October through September, to coincide with the established Sunday School year which runs from October through September. Elected to serve for 1946-1947 were the following general officers and department superintendents: Cradle Roll, Mrs Walter Kuhmann; Beginners Dept. Supt., Mrs K. Britton; Primary Dept. Supt., Mrs Alfred Schnake, General Supt. of Sunday School Mr Wm. T. Nowack; Treasurer of Beginners-Primary Dept., Mrs R. Raufeisen, with Mrs Gerald Rauber as Financial Secretary. Treasurer of Junior through Senior Depts., Mr Albert Meili, Jr., Financial Sec'y., Mrs N. Alderman; Recording Sec'y., Mrs Herbert Krase. Enrollment and attendance Secretary, Mrs Wm. Nowack, Miss Jean Hurlburt, assistant.

Monthly staff meetings were held on the third Monday night of each month, except July and August. The Sunday School participated in the Stewardship Essay and Poster Contest, with two St. Paul entrants receiving W. N. Y. Synod awards. The School participated in the Annual Children's Day service in June and conducted the Annual Christmas Worship service on the Sunday before Christmas, all departments being represented. \$50.00 was given to the church benevolences for the White Gift Offering. In May the Sunday School sponsored a night at the Rescue Mission in a service of worship and donated \$10.00. Support was also given the Youth League Athletic Team and the Youth Rally at Dunkirk in September. Other financial support was given to Dunkirk, India Mission work, Federation of Churches Teachers' Institute. The Sunday School Staff again carried out the church decorating project at Christmas time.

Once again a plea is registered for the services of loyal and faithful St. Paul members to aid in carrying on the worth-while work of the Church School as teachers, substitute teachers or workers.

Seven of the members attended the Annual Brotherhood retreat at Dunkirk and a large group attended the annual Christmas Party at which the wives of the members were guests.

The Birthday Calendar was again prepared by the Brotherhood and given to the Church members and thanks is extended to the congregation for its support. Contributions were made to various causes, including \$100.00 pledged to the church.

The Officers elected to serve are: President, Earl Maier; Vice-Pres. Herbert Groth; Secretary, Herbert Krase; Financial Sec'y., Jacob Eckert and Treasurer, William Lohler.

THE YOUTH LEAGUE

Twenty-five young people from the Church are active in the League. Considering the number of young people confirmed in recent years, this number should be twice as large. Yet a successful year was brought to a close under the leadership of George Roser, Youth Director. Regular meetings are held on the first and third Sunday evenings of every month. Various Outings were arranged and programs presented. Several speakers appeared at the Supper meetings. A Basketball Team was organized among the League members and is regularly playing in the Maplewood YMCA League. The young people appreciate the financial support of various organizations in this activity. Christmas carolling and a program presented at the Baden Street Mission with provision of toys for the children, were very successful. A three-act Comedy play was selected and will be presented at the Church during February. Fourteen of the young people attended the Youth Conference at Dunkirk over Labor Day. Also the group has loyally supported the Evangelical and Reformed Federation meetings in the city during the year.

Officers serving this Young Peoples Group are:

President, Robert Stoll	Recording Sec'y., Audrey Schultz
Vice-Pres. Helen Kleinhenz	Corresponding " Marie Lohler
Treasurer, Ralph Boss	

THE SYMPOSIUM

The Symposium is a group of young adults and couples of the Church which meets monthly for meetings of fellowship, recreation and study. At present the group is comprised of some fifteen active couples, but we would invite all young couples and adults of the church to come out to the interesting meetings.

Monthly meetings were held the past year, usually on the last Sunday evening of the month. The Farewell Party for Rev. Hoefer, the Bowling Party, the Summer Picnic at the Prietz Home, the Hobo Party and Panque constituted some of the most interesting activities of the year.

Officers are - President, Ernest Prietz Treasurer, Laura Boss
Vice-Pres. Roger Catlin Rec. Sec'y. Ethel Haupt
Corresponding Sec'y., Louise Lohler

A CHALLENGE

On motion at our Annual Congregational Meeting, it was decided to set a goal of \$8,500.00 for our 85th Anniversary Fund. This is one hundred dollars for each year of our existence as St. Paul's Church. In gratitude to God for His rich blessings on our church, in appreciation to the sacrifices and labors of the Founders, and in acceptance of Christ's challenge as we face the future, we would bring in this Anniversary Offering. The purpose of this Fund will be to decorate the entire interior of the church, both Sanctuary and Sunday School, to replace inadequate lighting in the basement, to make various improvements and arrange better parking facilities. An Anniversary Committee has been appointed and in due time plans will be proposed for the celebration in the Fall and the Ingathering of the Fund.

Join us in our Forward Movement in our 85th Anniversary Year.

EACH ONE WIN ONE

During this Anniversary year we hope there will be many of our friends who will make decisions for Christ and membership in our Saint Paul's Church. Every member of the church is to consider himself a membership committee of one, and recommend some person for membership. There could be no better time than during the Lenten season, since a group will again be received at Easter. We encourage you to sign the blank below and give it to the Pastor.

Believing that as a Christian, and as a member of St. Paul's Church, I have a responsibility to win new members for our Fellowship, I recommend the following and will work to the end that they will join the Easter membership class.

HONOR ROLL

We would ever hold in grateful memory, the names of these men and women from St. Paul's Church, who responded to the call of our country in time of need, and went forth to serve it during the years of World War II. Nothing shall ever detract from the gratitude that as a nation we owe them and their millions of comrades, in achieving victory and safeguarding for us those blessings that we cherish as a free people. That they may not have suffered hardship and even death, in vain - we would dedicate ourselves to building the ways of justice and peace among all peoples on the face of the earth.

Each year we are happy to add to our Perpetual and Endowment Membership Roll, names of those in whose memory gifts of \$100.00 or more are made, and added to the Endowment Fund, only the interest of which will be used in future years to perpetuate the work of St. Paul's Church. A growing Endowment Fund secures the future of our church and also is one of the finest ways to memorialize our departed and beloved ones. We hope a number of gifts will be made to this Fund in this 85th Anniversary year.

PASTOR'S REPORT

I Corinthians 15:58

"Wherefore my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, for as much as ye know that your labor is not in vain in the Lord".

With these words the great apostle Paul challenged the Christians of his day to faithfulness and loyalty in the service of the Lord Jesus Christ. Christians were much in the minority, persecution was the order of the day, the propagation of the gospel appeared almost hopeless in the great pagan Roman world, and yet Paul called on the Christians to stand firm in their faith and to abound in the works of the Lord, for such was never in vain.

Nearly nineteen centuries have come and gone since that day and the gospel of salvation from sin and of the brotherhood of man is today being proclaimed in all the world. Many have found faith and hope and have lived lives of dedicated service. Yet Godlessness in all forms, rank injustices and inequalities, human suffering and wars, and rumors of wars still fetter the souls of mankind. Christians would sometimes become cynical and despair of their faith and work. Yet as those who confess that 'Christ is Lord', we would heed anew the challenge of Paul and be 'Steadfast, unmovable, always abounding in the work of the Lord, for it is never in vain'.

What a blessed thing is the Church of Jesus Christ, ever teaching, ever pointing the Way, ever calling into its fold those who choose to follow the One who is the King of Kings, the Lord of Lords, our Saviour, Jesus Christ. To His honor and glory our St. Paul's Church was dedicated some 85 years ago. Through long years, often tested by trials and discouragements, it has carried on its work, steadfast and unmovable. We thank God for consecrated souls who have again and again through the years given of their time, talents, prayers and money to carry on its mission so successfully.

As we look back over our church life and activities in the past year, we rejoice in the harmony that has prevailed and the cooperative spirit that has always manifested itself. This has again made our work a joy in your midst. The ready response of so many to serve the church in official capacities and on committees has been an inspiration.

Attendance: -Attendance at services of Divine Worship is the best gauge to determine the spiritual life of a church. If people love God, then if at all physically able, they will also come to worship before Him. For this reason we are happy to note that here there has again been improvement. The deacon's report shows us that the average attendance for the 53 Sunday morning worship services was 224, a new high for many years. Yet when we remember that we number more than 600 members, we can readily see that here there is yet much room for improvement in showing our love to Christ and the Church.

Finances: -Our church is financially sound. Our splendid property is debt free and in good physical condition. Our members have always had a pride in keeping their church property in good repair and in adding to its appointments from time to time. The Current Expense contributions of our members in the past year have reached a new high and have enabled the Council to meet all obligations of current expense and to place a surplus of \$1,000.00 in the Contingent Fund, for any emergencies that may arise. - Also we are thankful for the Benevolent Contributions,

which again enabled our church to pay the Denominational Apportionment of \$1,620.00 in full; to forward \$950.00 for World Service needs, and to support other Benevolent Causes with some \$700.00. May this splendid spirit of giving for others ever continue. - Also with the celebration of our 85th Anniversary last Fall, a special appeal was made for a Redecoration Fund. We are deeply grateful for the generous response of so many of our members. True our goal of \$8500.00 has not yet been attained, but \$7,119.00 was pledged, of which \$6,018.00 was paid in cash by the end of the year. All in all, our members contributed \$20,275.00 during 1947, which is indeed commendable. Also our Endowment Fund increased by \$200.00 through the receipt of two Memorial Gifts of \$100.00.

Church Council: -The administration of the church rests upon the shoulders of the 15 men, elders, trustees and deacons, one-third of whom are elected each year in the Annual Meeting. Once a month these men meet in regular meeting and transact all matters of business pertaining to the work of the church. I greatly appreciate the faithful work of the Council Members as they contribute many hours of their time to promote the program of our church. Especially do we express our sincere gratitude to the five Council Members who this year retire from the Board, due to our Constitutional requirements, but we are confident of their continued interest and in coming years expect to see them in official places of responsibility again.

Sunday School: -A hopeful note prevails at large in increased Sunday School activity and enrollment, due to the rising birth rate in recent years. Our Sunday School is also experiencing such growth in our Beginners Department and with our large Cradle Roll enrollment continued growth is assured for some years. This will make for increased responsibilities and opportunities for more of our people to volunteer as teachers and workers in this most important work of our church. We as a congregation would express our gratitude to our Sunday School Staff of 28, who Sunday after Sunday give of their leadership to direct our youth to Christ. We urge upon all parents to cooperate by encouraging their children to regular attendance and to come with them and attend our splendid Adult Class.

Our Deaconesses: -These eighteen women of our church, elected by the congregation, have rendered a splendid service thru their visitations and helpfulness to the Pastor. They have kept our altar supplied with flowers thru the year and have carried them on their missions of cheer to many sickrooms. Their report shows a splendid work well done and we express our thanks to them for their service.

The Choir: -Our services of Divine Worship have again been enhanced by the music of our Senior Choir. All of them are volunteers and give many hours in rehearsal, so that our souls may be refreshed with glorious anthems on the Lord's Day. A service without their contribution would appear rather threadbare. We do appreciate their faithful work under the leadership of our director and organist. Tho some 28 members are enrolled in this organization, more singers are always welcome. Also we express our thanks to our Junior Choir which brings us music on several special services during the year.

Organizations: -Organizational activity adds to the life of the church, gives opportunity of becoming acquainted and enables many to render some valued and appreciated service. Our Women's Altar Guild, and its various circles, our Brotherhood, our Youth Fellowship and our Couples' Club, all have had active and successful years. We express our gratitude

to their leadership and to the vast amount of work they have accomplished for the church. I would encourage all our members to find a place in one of these organizations and benefit by their fellowship and activity.

Our Staff:—With the beginning of the Fall we were happy to welcome our new student pastor, Mr. Robert Barrows, a student at the Colgate Rochester Divinity School. His assistance in our Sunday School, in our worship services and as leader of our Youth Fellowship, is greatly appreciated. He has found a friendly spot in our church. —To our faithful custodian, Mr. Charles Schmanke, dependable and efficient in keeping our church property in good order and to our Church Secretary, Mrs. William Lohler, for her faithful and willing performance of secretarial duties, I express my sincere appreciation.

Looking Ahead:—1—This being the year of Christian Advance, should make us satisfied with no less than a goal of 50 new members and a 10% increase in attendance both in church and Sunday School. To attain such a goal will require effort on the part of all members. 2—The world's need demands of us as Christians that we be not weary in well-doing, and so with open hearts we would be generous in Benevolent contributions in order that our church may be enabled to contribute a minimum of \$1,000.00 to the World Service Fund as well as meeting our Denominational Apportionment of \$1,875.00 and also paying other Benevolent obligations in full. 3—Our third goal is the completion of the renovation of our Church, this work to be done during the summer vacation months when it will least interfere with our program. Toward this end we encourage the payment of outstanding pledges and additional contributions.

"Be steadfast, unmovable, always abounding in the work of the Lord".

Church Gifts received during 1947

The Memorial Endowment Fund of our church was increased by two gifts: \$100.00 in memory of William Steinkamp, given by his niece Miss Vera Frederick and \$100.00 in memory of Mrs Mary Story, given by her daughters, Mrs Eleanor Richter, Mrs Robert Rohr and Mrs Mathilda Guthiel. Receipts of \$42.50 for Memorial Wreath Cards was also turned over to this fund.

A beautiful Altar Worship center was given by Mrs Guy Wilson for the Beginners Department; also a lovely picture given by Master Ned Davis of Navarre Road.

Over half of the income is expended on Sunday School Literature.

THE YOUTH LEAGUE

Twenty-five young people of High School age have been active in our Youth League during the past year. The year was started under the direction of our Youth Advisor, George Roser, and was concluded under the direction of our new student pastor, Robert Barrows. Regular meetings with topic discussions and fellowship are held on the first and third Sundays of every month. We especially invite all young people of our church, who have been confirmed to come out and join us in our fine meetings. The League has been active in the Evangelical and Reformed Federation work in Rochester. A winning basketball team has been entered in the Maplewood Y League, and appreciation is expressed to various church organizations for their financial support. Also a number of the members played on the Church baseball team, also entered in the Maplewood Y League.

A three-act comedy "High Pressure Homer" was presented in February on two nights to good crowds. The annual Confirmation Banquet was held in May with Rev. J. Blaine Fister as the speaker. During the summer months a large number of our Youth sang in the Youth Choir under the direction of Bob Stoll, at all of our Sunday Services. Christmas carolling and a program at St. John's Home was presented during the Christmas season. A large group of our young people attended the conference in Buffalo in April and the Youth Conference at Dunkirk over Labor Day week-end.

Officers are: President Jack Falk, Vice-Pres. Joan Riley, Rec. Sec'y. Margie Schnake, Corres. Sec'y. Joyce Muller and Treasurer Wilma Rader.

THE CHOIRS

Our Senior Choir, consisting of twenty-eight volunteer singers from the church, makes a fine contribution to our services of worship, under the leadership of our Director, Mr. O. Matthew Lyders and Organist, Mr. Harold Steen. Rehearsals are held regularly on Wednesday evenings and the attendance both at rehearsals and in the Sunday Services has been good. Several new members were added in the past year. However, the choir is always happy to welcome more voices, both men and women.

Several social affairs were arranged during the year. A Theatre Party in the Spring and a Dinner at the end of the season were provided by the Church Council in recognition of this service to the church. A Christmas Party was held at the home of Miss Harriet Fauth. A pledge of \$85.00 was made to the Anniversary Offering.

The newly elected officers for 1948 are: President Mr. Kenneth Britton, Vice-President Mrs. A. Miller, Sec'y. Miss Joyce Kulp, and Treasurer Mrs. John Schwartz.

The Junior Choir of some twenty members makes their appearance at the Children's Day Service and at the Christmas Program Service of the Sunday School. The singing of this group is also under the direction of Mr. Lyders, and is greatly appreciated by the congregation.

The annual Easter breakfast was sponsored by the class. We thank our members for their loyalty in attendance and are especially happy to welcome the new faces who have recently joined us. Officers for the new year are: President Mr. Henry Hieb, Vice-President Albert Meili Sr., Treasurer Mrs. Henry Howorth and Secretary Mrs. George Hoffman.

THE COUPLES CLUB

This is the new name that has been adopted by the organization that for many years has been known as the 'Symposium'. It is an organization that has as its aim to bring together the husbands and wives of our church once a month for an evening of fellowship, recreation and worthwhile programs. We do desire to reach out to more of the younger married couples of our church, and invite all such to come with us and become acquainted and join in these fine evenings of fun and fellowship.

During the past year the group enjoyed various interesting affairs; the Winter Cabin Outing at Mendon Ponds, a Banquet in February, the Dinner and Bowling Party in April, Summer Picnic at Hemlock Lake and the December Dinner and Christmas Party at the Normandy Inn. The newly elected officers are President Mrs. Herbert Krase, Vice-Pres. Rudolph Hoffmeier, Treasurer Mrs. Ralph Boss and Secretary Mrs. Wm. Lohler.

MEMORIAL WREATH CARDS -

Many members of our church may not be aware of the fact that Memorial Wreath Cards are available at the church. These cards can be purchased for any amount one desires to give; are properly inscribed and are sent instead of flowers at the death of a relative or friend. The money is designated for the Memorial Fund of the church, for St. John's Home, for Dunkirk, or for any Benevolent Cause desired. An over profusion of flowers at funerals seems such a waste at a time when the money could add to continuing the work for the living thru Christian agencies. Some 20 such Memorial Wreath Cards were obtained by our members in the past year.

Also, some like to perpetuate the work of the church even after their death, by designating some gift in their last will and testament. The proper designation, if you insert such a clause in your will, is - "I give and bequeath to St. Paul's Evangelical and Reformed Church, cor. Norton & Jewel Sts., Rochester, New York the sum of \$ _ _ _ _ _".

Each year we are happy to add to our Perpetual and Endowment Membership Roll, names of those in whose memory gifts of \$100.00 or more are made, and added to the Endowment Fund, only the interest of which will be used in future years to perpetuate the work of St. Paul's Church. A growing Endowment Fund secures the future of our church and also is one of the finest ways to memorialize our departed and beloved ones. We hope a number of gifts will be made to this Fund in this year of nineteen hundred forty-eight.

MEMBERSHIP DIRECTORY

On the following pages we present a record of the names and the addresses of the members of our St. Paul's Church. Also from the record of our Financial Secretary we list the pledges and contributions of our members for the CURRENT EXPENSE BUDGET of the Church. Our Benevolent Obligations are met by the plate offerings on Sunday mornings and from the Lenten Self-Denial and White Gift Offerings.

We do wish to express our sincere gratitude to all our givers. It is to our honor and to the Glory of God that we share of our blessings in the support of the Church. We are especially thankful to all members who in this year of rapidly rising costs have made an increase in their giving.

Also you will note that most names have an (*) indicating that they have also pledged to the 85th Anniversary Fund.

Certain names may be missing in this Membership List, due to the fact that our Financial Secretary has had no response from them for several years. Such names are placed on the inactive list and will be returned to our active roll upon receipt of their support.

Should there be any mistakes, kindly notify the Financial Secretary and also please notify the church office immediately of any change of address.

PASTOR'S REPORT

I John 3:1

"Behold what manner of love the Father hath bestowed upon us that we should be called the children of God".

President Truman in his annual State of the Union message to Congress recently assembled, opened with these words, "I am happy to report that the State of the Union is good". On the surface this is of great comfort to us as American citizens. Likewise, I as your pastor, in this Annual Report, might say "I am happy to report that the State of our Church is good". This perhaps is a conclusion that you may arrive at as you study the Annual Reports. However at times we are in danger of judging the success of a church by the statistics and reports that have been compiled, and we fail to look for the more important spiritual results. After all, what is our purpose and mission of being a church, and how are we playing our part in it?

Here in the Scriptural thought we are reminded that ours is the high privilege of being called the children of God, and that we have the special privilege of bearing the name of 'Christian'. As such, we realize that we have a high purpose and destiny and that it inveighs upon us definite responsibilities in building for faith and brotherhood in all the world. So to us, it is a high privilege to be members of Christ's church here on earth. The man too often judges by the size of the physical plant and the size of the book accounts, yet God's judgement goes much deeper, for he looks into the things of the spirit. We hope and believe that in this direction our church has also served God's purpose here on earth.

As we think back over the PAST YEAR, in the life of our church, we are especially grateful for the fine spirit of harmony and cooperation that has prevailed. This again has made our work a joy in your midst. The ready response of so many men and women to serve the church in official capacities and on committees has been an inspiration. Also the spiritual strength of a church is manifested in the faithful worship of God before His altar on the Lord's day. We rejoice that so many of our members have registered this faithful devotion, our average attendance for the 52 morning services of worship being 218. It is too bad that we have to include the attendance of the summer vacationing months, otherwise our attendance would average much higher. Also the evening Lenten services and special services were well attended. Yet mindful that our membership is more than 600, we realize that there are still many of our folks who are negligent in a responsibility here.

In spite of the mounting costs of operation, we rejoice that our members have given their FINANCIAL SUPPORT in sufficient measure to again meet all the financial obligations. We have no debts. Our church is on a good financial basis. All contributors and especially the financial officers are to be congratulated. The Benevolent giving for the past year has totalled \$3,400.00. Our Denominational Apportionment of \$1875.00 has been paid in full and \$1800.00 has been paid on our New World Service Quota. Many other Benevolent projects have been generously supported. We are proud to say that our church is among the leading churches of the Synod in this respect. This indicates a wholesome Christian spirit.

Due to the love and interest for our church, a departed member, Mrs. Alvina Hay, bequeathed her ESTATE to the church, amounting to \$4,247.00. \$500.00 of this has been placed to her memory in the Perpetual Endowment Fund. The remainder has been placed in our Reserve Fund, hoping eventually to use it for some expansion project of our church. Additional endowment gifts of \$100.00 each were received to the memory of Miss Catherine Luedcke, Mrs. Susan Stiehler, Mr. & Mrs. Wm. Schneider and Mr. Robert Westfall. Thus our Endowment Fund has increased to \$6,316.21 and our Reserve Fund has increased to \$7,181.00.

This past year has also shown considerable IMPROVEMENT in our church property. The pleasing redecoration of our Sanctuary, the exterior painting of the church and also the parsonage, were accomplished, and your gifts to the 85th Anniversary Fund were sufficient to pay all bills incurred in this project. Again we would express our sincere gratitude to all donors and especially to the Renovation Committee and Trustees who faithfully carried thru their responsibilities.

During the past year a number of our faithful members have been called from this life. We would honor their memories and ever remember their faithful and loyal service to the church. Those whom God has called from this life must always be replaced with new members, so that God's work may successfully continue. We rejoice that we were able to add 25 new members in the past year.

As a congregation we owe our gratitude to our CHURCH COUNCIL. This group of sixteen men has been very faithful in their attendance at the monthly Council Meetings and in the discharge of their duties. In fact seven of the members did not miss a meeting all thru the year. Elders, Deacons, and Trustees and above all, the Financial Officers have devoted much time and energy to their work. To the five members who this year retire because of our Constitutional requirements, we express our sincere thanks and hope that before long they will again hold official places of responsibility in our church. Likewise we express our gratitude to our Board of Deaconesses consisting of eighteen elected members, who have rendered such a fine service to our congregation again during the year.

Most important in the life of our Church is our SUNDAY SCHOOL, in its program of religious instruction and activity for both children and adults. With the increasing enrollment of children, we have a mounting responsibility here. Religious instruction for their children is a 'Must' for every Christian parent. Therefore we do owe our gratitude to our Staff of 28 Sunday School Teachers and Officers, who week after week give so much of their time and energy in this necessary teaching work. I am especially happy to report that we have been able to obtain sufficient teachers for our classes.

A church service would be rather barren without the joyful singing of Christian hymns and anthems. Therefore we do thank the men and women who comprise our CHOIR and add to the beauty of our worship before our God. All are volunteers and give many hours in rehearsal and performance under the direction of our choir master and organist.

The best way to become acquainted in a church is by becoming active in the ORGANIZATIONAL LIFE. Many fail to do this and consequently do not become intimately acquainted with other members, and miss out on friendship, and fellowship and constructive church work. Our church offers such fellowship and opportunity thru its Brotherhood, its Women's Altar Guild, its Youth League, its Circles, its Couples Club and its Young Adults. These splendid organizations have enjoyed a successful year and would encourage more to enter into their organizational life.

As Pastor, I would express my gratitude to the STAFF for the faithful performance of their duties. To Mr. Robert Rodd, who in the Fall came to us as our new student pastor to Mr. Lyders for his faithful direction of our choir; to Mr. Steen for his splendid performance at the organ; to Mrs. Lohlor in her efficient accomplishment as the office secretary, and last but not least, to Mr. Schmanke, our faithful custodian.

Through the interest and generosity of an anonymous member of our church, together with an appropriation by the Council, we will shortly purchase a good SOUND PROJECTOR, which thru the presentation of fine religious and educational films, will add to the interest and value of our services, and meetings, for both young and old. During the Lenten Season we will make good religious use of this projector.

The year has been a pleasant but a busy one. The constant round of services, the many visitations, the speech making and innumerable meetings attended at the church and in the community and Synod, have required time and energy, but I thank God that he has granted me health and opportunity, in your friendly environment to serve our Lord and Christ.

PRESIDENT KOLB'S REPORT

To present the annual council's report is indeed a pleasure, for the year 1948 was a good one for our church. This year as in the previous year, the Rev. A.G. Schnake, together with Mrs Schnake has most diligently carried on the Christian ministry here in our midst. This has been a busy year, calling for many hours of labor which has been ably and cheerfully given for the Christian cause.

Mr. O.M. Lyders, our able choir director, has this year maintained what can be considered an excellent standard of music in our church services, although handicapped by a lack of tenors. If any men who enjoy singing and can help will please contact Mr. Lyders, their services will be appreciated. Robert Stoll and the Youth Chorus who have given of their services so freely and cheerfully during the summer months of July and August, are to be commended for their singing. Mr. Harold Steen, our organist has continued his good work at the console. His rendition of beautiful music on this greatest of musical instruments has contributed much to our worship service.

In addition to the matters of official business taken care of in our regular monthly meetings, successful functioning of the Council is dependent on committee work. The Trustees under the chairmanship of Mr. Ed. Uehlin are to be commended for their work as they had a very busy year; likewise the Elders under Mr. A. Koch and the Deacons headed by Mr. L. Zimmerman whose duties are to see that the worshippers are served and taken care of during the church services. The Finance and Auditing committee under the chairmanship of Vice-Pres. Mr. H. Krase, worked hard and faithfully on the current expense campaign of our church last November. Likewise our special gratitude is due to Mr. Wm. Lohler, our able Financial Secretary who has so efficiently carried on the work of his office. The Church has been redecorated both inside and outside; hot water heater installed in the kitchen; 48 new chairs for our dining room purchased; repairs to leak on church roof; church pews cleaned and waxed; new shades for windows; typewriter for church office; choir stair rail repaired; parsonage painted; shrubs for the parsonage grounds; thermostat for parsonage installed; an electric clock in the Sunday School was purchased by the Sunday School, and the draperies on balcony rails and sacristy entrances were taken care of by the Altar Guild. They also have purchased a rubber mat for the Jewel St. entrance.

We receive with gratitude the reports of the various intra-church organizations and congratulate them for the fine work done in the past. We wish them success in the new year.

(cont'd)

(Church Council Report cont'd.)

We of the council wish to thank the retiring councilmen for their loyal and faithful services during the past three years: Mr. Ed. Uehlin, Trustee and Building Superintendent; Mr. Arthur Koch, Chairman of Elders; Mr. Ludwig Zimmerman, Chief Deacon; Mr. Nelson Alderman, Deacon and Church Treasurer; Mr. Melville Bancroft, Deacon and Benevolent Treasurer.

We feel that we have made considerable progress in the past year, complying with the wishes of the congregation, and as we look ahead, the future of St. Paul's appears bright with the promise of expanded Christian service.

Rudolph Kolb, President

BOARD OF DEACONESSSES

The Board of Deaconesses consists of 18 members elected in the Annual Congregational Meeting and serve for a term of three years. Two each are assigned to the nine parish districts into which the city is divided. We as a church can well be proud of their ministry. The year after name indicates the time of election to the Board.

REPORT - The Board of Deaconesses concluded the year 1948 with a very fine record. During the year four meetings were held. Visits made to the homes of the congregation numbered 825. Birthday and get-well cards were sent out numbering 1042, and 111 bouquets of flowers were distributed to the sick and shut-in folks. With the contribution of Memorial Flowers, and with the aid of a donation from the Altar Guild, flowers were placed on the altar every Sunday. Also assisted in preparing Easter and Christmas Cheer Baskets. In August the Annual Picnic was held at the home of Mrs Earl Talbot, at which time we had the pleasure of having Rev. & Mrs E.H. Hofer and family as guests.

I would like to thank every Deaconess for her fine work and cooperation during the year. A special thank-you goes to our retiring Deaconesses: Mrs Felix Rader, Mrs George Hoffman, Mrs Melville Bancroft, Mrs Fred Bopp, Mrs Henry Howarth and Mrs Herman Richter. SUNDAY - SCHOOL

The Sunday School of St. Paul's Church can report favorably on enrollment and attendance for the year 1948. The average enrollment for the year was 198, which figure includes Pupils, Teachers, Officers and the Adult Bible Class. The total attendance for the year was 6441, or an average of 119 per Sunday. In addition there are 57 small children of pre-Sunday School age enrolled in the Cradle Roll Dept. Now members gained through the year total 18. Fourteen of these were in the Beginner's Dept., two in Primary, one in Junior and one in Intermediate.

New teachers added to the staff in the past year were: Miss June Howorth in the Junior Dept., and Mr. Robert Rodd in the Intermediate Dept.

New officers and department heads for the Sunday School year Oct. 1st to Oct. 1st are: Cradle Roll, Mrs. W. Kuhmann; Beginner's Dept. Supt., Mrs. R. Raufelsen; Primary Dept. Supt. Mrs. A. Schnake; Gen. Supt. of Sunday School Mr. W. T. Nowack; Treasurer, Mr. Albert Meili, Jr., Financial Secy., Mrs. Nelson Alderman; Recording Secy., Mrs. Herbert Krase; Enrollment and Attendance Secy., Mrs. W. T. Nowack with Miss Jean Hurlburt as assistant. Serving as Supt., of Nursery Dept., which department cares for the younger children during church service, is Mrs. Fred Breitung.

Monthly staff meetings were held on the third Monday night of each month, except during July and August. Through the Sunday School there were five participants in the Essay and Poster Contest and one of our members won a prize in the West New York Synod Judging. The school participated in the annual Children's Day Service in June and conducted the annual S. S. Christmas Worship Program on the Sunday afternoon before Christmas. At Christmas time the staff was again responsible for the decorations in the Church. In May the annual visit and participation in an evening service at the People's Rescue Mission was sponsored by the Sunday School. There was an indoor party held for the upper departments of the school directly after Easter. Members of the school participated in the Pack-A-Towel Project for children overseas, with generous support.

A brief report of the finances of the School shows:

Balance, January 1, 1948	\$332.05
Receipts during 1948	700.83
Expenditures	\$1032.88
S.S. Lesson Books, papers & Supplies	\$344.49
Missionary Projects	180.00
Pledge to Current Expenses of Church	125.00
Miscellaneous	24.87
Balance, January 1, 1949	\$ 358.52

From the above it will be noted that the Sunday School was self-supporting and also supported Missionary Projects and pledged to the support of the church budget, even in face of the vastly increased cost of lesson books, papers and Sunday-School supplies.

The Sunday School Staff was given a dinner in recognition of their work by the Church Council in January. This report cannot be closed without doing two things; first, expressing thanks to and paying tribute to the loyal and faithful workers in the school; second, a plea for thought and consideration of the problem facing the school in the months and immediate years ahead due to increased enrollment in Sunday Schools because of the high birth rate during recent years. We are already starting to feel the effects of this increase in our elementary departments, which eventually will bring the need for increased room, facilities and workers for fullest opportunity of Christian education for our young ones.

William T. Nowack, Superintendent.

WOMEN'S ALTAR GUILD

As in most churches, so also in our St. Paul's Church there is an active Women's Organization that contributes much to the life and program of the church. This organization is known as the Women's Altar Guild, and at the present time consists of some 90 members. The meetings are held on the first Thursday of every month, with devotions and presentation of interesting topics and speakers, in line with the National Women's Guild program. All women of the church should feel it an honor to belong to this group, enjoy its fellowship and become active in its work for the good of the church. The average attendance has been 35 and two members were taken by death in the past year, namely Mrs. Susan Stiehler and Mrs. Lucy Goetz. Four new members were received.

In January the entire membership of the Guild was divided into the various Departments of work, i.e., Christian Citizenship, Stewardship, General Education, Membership, Missionary, Spiritual Life and Social Service, thereby giving each member a specific field of interest in promoting the work of their departments under their appointed chairmen.

Also to promote fellowship and activity in the Guild, there are the several Circles, which meet monthly at the homes of the members and engage in activities for the good of the Guild.

First Circle - Chairman for 1949 is Mrs. Arthur Koch. In the past year this Circle studied the book "Committed Unto Us". It was responsible for the preparation of the S.S. Recognition Banquet, the Silver Tea, Strawberry Festival and serving the dinner and supper at the Foreign Missions Advance Meeting.

Circle II - Chairman for 1949 is Mrs. Roy Erierloy. The books studied in the past year were "Letters From Near And Far" and "I Will Build My Church". During the year a birthday party for Miss Danzer, the oldest Guild member was arranged, a picnic was held at the Benz Cottage and the Dinner was prepared for the Regional Conference.

Ruth Circle - Chairman for 1949 Mrs. Fred Pfeil. Books studied were "Letters From Near And Far" and "Committed Unto Us". A great amount of activity was in evidence thru sale of various articles and in donations to special charitable projects. Their ventures proved especially successful, also in a financial way.

Sewing Circle - Mrs. Fred Reuschle Chairman - Twice each month on Thursdays, some 15 women meet at the church and sew for the Red Cross and for European Relief. Literally hundreds of hospital gowns, robes, dresses etc., have been prepared by this group. Also some quilting and garment repair work has been carried out. This is a good social service and any women liking to spend a day sewing at the church, are invited.

Sunshine Committee - Mrs. Chas. Schmanke, chairman. These ladies cooperating with the Deaconesses again prepared 34 little 'Baskets of Cheer' at Easter and 32 at Christmas time to bring sunshine to the sick and shut-in. Sick visits were made among the members and 88 cards were sent out.

In tabulating the activities of the Women's Guild we note the following activities:

Participated in the Annual Federation of Churches Drive.

Annual visitation and program at St. John's Home

Silver Tea with Mrs. Cutler Coulson giving a delightful account of her Round the World travels.

Serving of the Annual Spring Dinner

Mothers and Daughters Frolic, with Wedding Gown Review.

Conducted Rummage Sale

Noon luncheon with Blue and Gold Bag Ingathering

Guild Picnic at Maplewood Park

Entertained Regional Women's Guild

Entertained Missions Advance Conference

Sauerkraut Dinner and Bazaar

Christmas Luncheon with gathering of toys for Orphans.

In addition we note that also a number of our Women attended the Council of Church Women's Meetings, the Various Conferences of our Synod and the Dunkirk Meeting.

Our Women are to be complimented for the fine program which they completed during the past year. Our work extended far beyond our local church. A cordial invitation is extended to more of our church women to participate in the active program of our Altar Guild in this year 1949.

THE BROTHERHOOD

This men's organization of our Church is known as the Brotherhood. It is a member of our National Churchmen's Brotherhood. 35 members are enrolled, and regular meetings are held on the first Monday evening of the month with the exception of July and August. We invite all men of the church to come to the meetings and enjoy the programs and fellowship.

The year 1948 has again proven a successful one and a number of fine meetings were held. Speakers during the year were Rev. Thomas Cleaver, who spoke on the Merger of our churches with the Congregational Christians; Rev. Chas. Harding who gave a very interesting talk on "American Humor"; Mr. H. Vaisoy who spoke on "Western Travel" illustrated with beautiful Kodachrome slides; Annual Father and Son's Dinner; A sauerkraut supper, and a Hot Dog Roast. The wives of the members were invited to hear Mr. Theo. Wolfard speak on "European Travel and Impressions" and also to the Annual Christmas Party. Outstanding perhaps was the picnic in July for the Brotherhood families at the Strecker Farm. Also an interesting evening was spent as guests of Mr. Louis Schaeffer at his beautiful home on Titus Avenue. The Annual Retreat at Dunkirk was again attended by 12 men and 4 boys and enjoyed a very fine and worthwhile weekend. We urge more of our men to plan for this in the Fall. One of our members, Rudy Kolb is Secretary of the Synodical Men's Organization.

As in the past, the Brotherhood again sponsored the Church Birthday Calendar, which is free to all members of the congregation, and it expresses its gratitude for the fine cooperation. Various projects were supported, including \$100.00 support to the Church Treasury.

The officers elected for the coming year are: President, Mr. Arthur Koch; Vice-Pres., Mr. Nelson Alderman; Rec. Secy., John Schwartz, Fin. Secy. Jacob Eckert; and Treasurer William Lohler.

Frank Vogel, President 1948

THE YOUTH LEAGUE

The Youth League of our Church consists primarily of young people of High School age. Some 25 young people have been active in the work of this organization in the past year. The year was begun with Bob Barrows as advisor, and ended with the new student pastor, Robert Redd, directing the program. Regular meetings are held on the 1st and 3rd Sunday evenings of the month.

Among the special speakers during the year were: Mr. E. Smith, a veteran, who spoke on "Mediterranean Experiences"; Mr. Lardrew Johnson (negro) who spoke on "Race Relations"; Hans Doorfort who spoke on "Christian Work Camp in Arizona" and Lois Groth, speaking on the Grand Rapid's Meeting. Additional topics were presented by members of the group at the meetings. Movies were presented on several occasions on interesting and educational subjects. A visit was made to the Jewish Synagogue, and proved very interesting; a banquet was given for the new class of confirmands. Rallies were attended at Powder Mill Park, and Trinity Church and at Fairport. Also some 17 attended the Youth Conference at Dunkirk.

After Easter, the three-act comedy play "And Mary Did" was presented and done in fine style. During the summer this Youth Group augmented with other young singers, and directed by Bob Stoll, formed a Youth Choir and sang in the Sunday services, receiving many fine comments from the congregation. Baseball teams and Basketball teams were entered in the Maplewood YMCA League. The not leading the League at the moment, they have been putting up some fine games. Skating parties and Fun Nights, as well as Christmas carolling have been keeping this group active. We do again invite all confirmed young people to come and get active in our interesting program.

Joan Riley, President.

YOUNG ADULTS

Within the past two months there has come into being a new group known as the Young Adults of St. Paul's. There is need for such an organization and should appeal to all young people who are past High School age, and who perhaps were recently married. Some 20 young adults thus far have shown interest and four meetings have been held. Shortly we hope to definitely organize and adopt an interesting program of activity. It was decided to hold two meetings per month, one a Sunday evening luncheon meeting, with discussions and topics and the other a social evening on a weekday night. We hope all young adults will show interest in this organization in this year.

THE COUPLES CLUB

During the year the Symposium has had its face lifted and is now called the Couples Club. It is an organization that has as its aim to bring together the husbands and wives of our church once a month for an evening of fellowship, recreation and programs. About twenty couples are on the membership list, and the group is always glad to welcome more of the adult couples of the church into its fellowship. The activity year started off with a Hallowe'en Party. A Christmas Dinner with entertainment was held at the Normandie; Tureen Supper with the Brotherhood and wives as guests was held in spring, with an evening of entertainment. A large group also came out for the Bowling Party. A summer picnic was held at Seneca Park, at which our former pastor and family were guests. Coming events are a January party, Theatre party, Tureen Supper and Picnic.

Officers of the organization for the year are: Co-Presidents, Mr & Mrs Herbert Krase, Vice-President Rudolph Hoffmaier, Secretary, Mrs Wm. Lohler and Treasurer Mrs R. Boss.

Mrs Herbert Krase, President

ADULT BIBLE CLASS

Each Sunday morning at 9:30 our Adult Bible Class meets downstairs in the Brotherhood room for Devotions and Bible Study. Miss Lucille Rauschle and Rev. Schnake, alternate as teachers of the International Bible Lessons. The attendance averages about 25 per Sunday, and we extend the invitation to all men and women, especially those who accompany their children to Sunday School, to come in and join us in this period of Bible Study. The class is organized and carries on various activities. During the year the class again sponsored the Easter Breakfast, an annual activity that merits appreciation from many members of our congregation. A picnic outing and dinner for members and their families was held in June, and special recognition was given to the teachers, Miss Rauschle, for 10 years of faithful teaching, and to Rev. Schnake, in recognition of his 25th Anniversary of his ordination into the Christian ministry. Contributions were made to St. John's Home Sunshine Fund; for a Care package to Germany; for flowers on the altar; flowers and fruit to sick and shut-in; contribution to the National Colored Fund, etc. -We were happy to have three special speakers, Mrs. John Koenig, Missionary to India, Mr. H. Evans, from the Gideons, and Mr. Don Vogel. During the summer months sessions are held in conjunction with the regular Sunday School. The officers for the new year are:

President - Mr. Henry Hieb,

Vice-Pres. - Mr. R. Hoffmaier

Secretary - Mrs. Fred Breitung,

Treasurer, - Mrs. Henry Howorth.

THE CHOIRS

Our Senior Choir has again rendered a fine and necessary contribution to our services of worship, in bringing to us the glorious anthems of our Christian faith. This organization consists of 27 volunteer members of the church, under the direction of Mr. O. Matthew Lyders and Mr. Harold Steen, as organist. Rehearsals are held regularly each Wednesday evening from 7:30 to 9 P.M., and attendance at both rehearsals and in the Sunday services has been good. We would very earnestly invite more voices to the various sections, especially some of the married couples, who love to sing.

During the year, several social functions were held such as a Theatre party and also a Spring Dinner, both having been provided by the Church Council in appreciation, and also a social gathering at the home of Miss Fauth. Business meetings are held monthly. Also members of the choir participated in singing with the United Choirs at the Reformation Festival and the Eastman Thanksgiving Service.

Officers elected for the new year are: President, Bob Stoll; Vice-Pres. Hildegard Kilian; Secy-Treas. Rose Marie Radig, and Librarian, Wilma Rader.

The JUNIOR CHOIR of 25 voices sang twice during the year. We would like very much to see this group meet regularly for rehearsals and sing perhaps once each month. Mrs. Florence Kelley, assisted Mr. Lyders in working with this group.

Also during the summer, we were happy to again have a YOUTH CHOIR composed of some 20 young people under the direction of Bob Stoll, sing at all services thru July and August. We look forward to having them with us again this summer.

MEMORIAL WREATH CARDS

We again remind our membership that attractive Memorial Wreath Cards are available in the Church Office. These cards have the purpose of supplanting the profusion of flowers that so often are in evidence at funerals. The flowers are shortlived and Christians may feel that it is a wastage when there is so much Christian work to be done in the world that needs support. So instead of more flowers, obtain a card on which in loving memory of the departed you designate a certain contribution that has been made to some Christian cause. This card is then sent to the bereaved family. In the past year 11 such cards have been purchased and benefactors were the St. John's Home, Dunkirk Conference Grounds and our own Perpetual Endowment Fund.

Each year we are happy to add to our Perpetual and Endowment Membership Roll, names of those in whose memory larger gifts are made and added to the Endowment Fund, only the interest of which will be used in future years to perpetuate the work of St. Paul's Church. A growing Endowment Fund secures the future of our church and also is one of the finest ways to memorialize our departed and beloved ones. We hope a number of gifts will be made to this Fund in this year of nineteen hundred forty-nine.

MEMBERSHIP DIRECTORY

FOREWORD -

On the following pages we present the names and addresses of the members of our St. Paul's Church. Also from the record of our Financial Secretary, we list the pledges and contributions made toward the CURRENT EXPENSE Budget. This does not include the giving for Benevolences which are received in the Sunday plate offerings and Special Offerings.

We do wish to express our thanks to all our givers. It is to our Honor and more so to the Honor and Glory of God when we also regularly give to the work of His Church here on earth. We are especially grateful to the many who this year made increases in their pledges to meet the spiralling costs of living and church operation.

Certain names may be missing in this Membership List, due to the fact that our Financial Secretary has received no contributions from them for several years. Such names are placed on the inactive list, and will again be included on our active roll as soon as we have assurance of interest and support.

Should there be any mistakes, kindly notify the Financial Secretary and also please notify the church office immediately of any change of address, so that you will continue to receive the church mail.

A BEQUEST -

So often times we note in the daily newspaper the announcement that a certain church has been remembered in a last will and testament. This always gives us a kindly feeling toward the one who passed on in thinking enough of Christ's work here on earth to also make possible the continuation of the work of the church thru a bequest even after death. In the past year our church also was remembered in this noble fashion.

If you have a desire to place such a clause in your will, the suggested proper wording would be -

I give and bequeath to the St. Paul Evangelical and Reformed Church,
Norton and Jewel Streets, Rochester, New York, the sum of \$_____.

PASTOR'S REPORT

Psalm 34:3-

"O magnify the Lord with me and let us
exalt His Holy Name together".

With these challenging words from the Psalmist sounding in our ears, we as a Christian congregation would go into the new year, to glorify God in reverent worship, to exalt the name of our Lord and Saviour Jesus Christ, to receive understanding and inspiration in the Christian way of life, and to build the Kingdom of Christ with united hands; that is the purpose of our St. Paul's Church.

The Church of Jesus Christ is a Divine and Glorious Institution on the face of the earth and it is both a great privilege and a tremendous responsibility to be a member of Christ's Church. When I think of the steady preaching of the gospel of Christ, by ministers from their pulpits Sunday after Sunday, of the innumerable Sunday School teachers, bringing children to a knowledge of Christ, of the many missionaries in all countries of the earth, preaching Christ in all the known languages, of the tons of Christian literature that is printed every year, of the vast sums of money that is contributed by ordinary Christian people to carry on works of charity and mercy, and of the countless Christian people who endeavor to put their faith and religion to work in home and community and business, yes, when I think of all these things, then I realize more and more, what a wonderful power the Church of Jesus Christ has become a fellowship that manifests the spirit of our Lord in all the world. I thank God for all people who are loyal members of Christ's Church on earth; I thank God especially for you who are members of St. Paul's church, you who give of your devotion and energy, so that it is enabled to carry on its glorious task.

As we look back over our church life and activities in the past year, we would give expression to our thankfulness for the wonderful spirit of harmony that has prevailed, and the fine cooperation that we have experienced in our work. It is always a delight to be engaged in the work of a church, where there are many faithful souls who from year to year are willing to carry corners of assigned responsibility. And likewise it is a thrill to have folks come forward and offer their services in teaching and singing, and on committees and in official places, when vacancies occur. At times during the summer, we wonder if we will have enough workers to fill all the places, and yet when fall comes around, we find that the places are cheerfully filled and the work of Christ goes right along. This is as it should always be in a Christian organization, and our church has been blessed with this spirit.

ATTENDANCE - I want to especially commend that large group of members who endeavor to faithfully worship with us every Lord's Day. Church attendance is something that Protestants are rather careless about. The national average of Protestant church attendance in the country is about 30% of the membership. During the past year attendance at our 53 morning services totalled 11,514 for an average of 217. This is about 41% of our membership. Perhaps some would be satisfied with this, but yet when we realize that it is the obligation of every Christian to worship his God, then considering the membership of our church, we readily see that there is still room for much improvement. After all, a church filled with worshippers on any Sunday morning, is a pretty good gauge by which we can judge the spiritual life of that congregation. Come, "let us exalt His Holy Name together".

FINANCES - Our church is financially sound. Our splendid property is debt free and in good physical condition. Our members have always been proud of keeping the church property in good repair and adding to its appointments from time to time. Due to the rising costs of operation, it was necessary for the Finance Committee to increase the Budget in the past year by \$700.00 and we are happy to report that a number of members increased their pledges and that at year's end, the receipts had reached a new high and all bills could be paid. The total receipts for Current Expenses were \$11,979.48. Our Benevolent receipts had also increased amounting to \$3,539.95. Our Missions Apportionment of \$1875, and our World Service Quota of \$2400, were paid 100%, and we will continue to support this work of Christian mercy. An additional \$900 was expended for various other Benevolent causes.

Our Endowment Fund increased by some \$400 thru gifts in memory of Mr. and Mrs. Chas. Renner and Mr. and Mrs. Peter Frederick. It now amounts to \$6,745.03. Also, our Emergency Reserve Fund contains \$7,285.62. We do appreciate the regular support of our members and are glad to note that our 1950 Budget has again been underwritten by our membership.

The CHURCH COUNCIL - These 15 men, deacons, elders, and trustees, together with the Financial Secretary, constitute the governing body of our church. They have again been faithful in the performance of the duties to which you elected them and as a congregation, we owe them our gratitude. They are elected for three year terms, and consequently five of them will retire from the Council this year. We tender them our thanks for their leadership and trust that in coming years they will serve us again.

The SUNDAY SCHOOL - The Sunday School is the teaching agency of the church and therefore is of greatest importance. As a congregation we owe our gratitude to the Staff of 29 teachers and officers, who volunteer their time and talent in this important work of teaching our children the basic religious truths. It is commendable in our church, that we have experienced no great difficulty in finding sufficient workers to fill the necessary positions. We have experienced increased enrollment in the Children's Departments, but do feel that the parents should be more concerned in seeing to it that their children are present every Sunday. There is too much absenteeism.

ORGANIZATIONS - Fellowship is important in the life of any church. Such fellowship and opportunity of getting acquainted is offered in the various organizations of the church, for all age groups. And not only fellowship, but these organizations have the purpose of Christian study and devotion, and also opportunities of engaging in the work for the good of the church. Our Board of Deaconesses, our Brotherhood, our Women's Altar Guild and its various Circles (four of them), the Bible Class, Senior and Junior Choirs, the Youth Fellowships, both Senior Young People and Teenagers, all are worthy of your interest and support, and I hope that in 1950 more of our members will find an active place in one or more of these groups of Christian Fellowship.

Our STAFF - In the Fall, we were happy to welcome our new Student Pastor, Mr. Bioren Pfaff. His assistance in our Sunday School, in our worship services and Youth work is greatly appreciated. We express our appreciation to our Senior Choir of 28 members who provide the music for our services, and to the director, Mr. Lyders and organist, Mr. Steen. Also, many hours of faithful work have been given by the office secretary, Mrs. William Lohler, in performing the routine office duties and we express our thanks. Likewise to our church sexton, Mr. Charles Schmanke, we express our appreciation for the regular performance of his duties in keeping the church clean and warm.

Looking Ahead - This past year 40 members were received into the church. This number should have been much larger. May we set a goal of 50 adult members for this year 1950. Every member should feel it an honor to bring some one into the membership of the church. Also, each year we find there are some who have become inactive, have neglected support and attendance and the Sacraments, and we place their names in the inactive list. We hope all such will again come forward and tell us to place their names on the active Directory list again.

This past year has been a pleasant and busy year. The regular preparation for the services of worship, visitations, counselling, speech making, attendance at innumerable gatherings at church and in community, have required time and energy, but again I thank God that He has granted me the health and opportunity to serve our Lord and Master in your friendly environment. May His blessings continue to rest upon us.

PRESIDENT KOLB'S REPORT

As we pause to look back on 1949, we give thanks to God who permitted us to serve through another year as officers and members of your official church board. Our Pastor, the Rev. A. G. Schnake, and Mrs. Schnake, have rendered a most consecrated service to our congregation and Sunday School in the past year. Their adherence to the course set by Christ has done much to minimize the effect of world conditions on our congregation.

Mr. Bioren Pfaff, who came to us in September 1949 as student pastor and director of youth activities, is doing very well with the youth of our church. Mr. O. M. Lyders, choir director, has continued to handle the musical program of our church exceptionally well, although at times, under difficulties due to lack of sufficient choir members. Our summer services during July and August were well taken care of by Bob Stoll and his youth chorus. As in the past, the playing of the organ by Mr. H. Steen is enjoyed by all of us during the church services. Mr. Wm. Nowack, Supt., of our Sunday School, and his staff of teachers are doing remarkably well with their teaching of the children in Sunday School. Our friendly church secretary, Mrs. Wm. Lohler, is continuing to handle her work with all the many details that are too numerous to mention.

Besides the official business that is taken care of in our regular monthly council meetings, the work of the committees has to be done at other times. The trustees under Mr. R. Hoffmeier, did an excellent job and he is to be especially commended as he worked alone as trustee for the last five months, due to the serious illness of our popular Vice-President, Mr. Herbert Kraso, who is now well on the road to full recovery. The Elders led by Mr. J. Eckert, very ably assisted the Pastor in our communion services. The Deacons, headed by Mr. E. Maier, have done their work well by serving the congregation before and during the services.

Our appreciation goes to our hard working Financial Secretary, Mr. Wm. E. Lohler; Treasurer, Mr. Fred Horch; Benevolent Secretary, Mr. Herbert Groth; and our very able Recording Secretary, Mr. Carl Rexor. Many thanks to our Finance and Auditing Committee, who worked hard and faithfully to complete their work in making up the 1950 Budget, auditing all the Financial Books of the church, and also to the canvassers who went out to bring in the pledges that were not handed in during the first two weeks of our Financial Campaign.

(Church Council Report cont'd)

We wish to thank the various intra-church organizations for their reports and congratulate them on their performances during the past year, and to wish them success in the New Year.

The Council wishes to thank the retiring Councilmen for their loyal and faithful service: Mr. R. Hoffmoier, Mr. E. Maier, Mr. H. Groth, Mr. E. Koller and Mr. R. Kolb. As we go into another year, let us all work as individuals and intra-church organizations to cooperate whole-heartedly in the work of St. Paul's Church.

Rudolph Kolb, President

BOARD OF DEACONESSSES

The Board of Deaconesses consists of 18 members elected in the Annual Congregational Meeting and serve for a term of three years. Two each assigned to the nine districts into which the city is divided. We as a church can well be proud of their ministry. The year after name indicates the time of election to the Board.

The Board of Deaconesses closed the year 1949 with the following report: Four meetings were held in homes during the year. Visits to the homes of the congregation numbered 867, Birthday and convalescent cards sent - 847. Flowers from the altar brought cheer to 137 sick and shut-in. There were 23 memorials and 53 bouquets from various gardens. Many thanks to the Kilian and Armbruster families who donated flowers for 12 Sundays. We assisted in preparing Easter and Christmas baskets for sick folk. In October a rummage sale proceeds netted \$126.50 to carry on the work.

At this time I would like to thank every Deaconess for her fine work and cooperation during the year. And a special "Thank-you" to all retiring Deaconesses: Mrs. A. Reuschle, Mrs W. SUNDAY-SCHOOL

The enrollment and attendance of the Sunday School for the year 1949 compares favorably with recent past years, with an average enrollment of 201, compared to 198 in 1948, and 190 in 1947, which figure includes Pupils, Teachers, Officers and the Adult Bible Class. In addition there are 65 enrolled in the Cradle Roll, small children of pre-school age. The total attendance for 1949 was 6020 or an average of 116 per Sunday, slightly less than in 1948. New members gained through the year total 12, most of whom were in the Beginner and Primary Departments.

New teachers added to the Staff in the past year were: Mr. Biron Pfaff, Intermediate, Miss Hildegard Kilian, Junior Dept., Misses Helen and Ruth Kleinhonz, and Miss Betty Schnake in the Primary department.

Officers and department heads for the Sunday School year Oct. 1st to Oct. 1st are: Cradle Roll, Mrs W. Kuhmann; Nursery, Mrs F. Brietung; Beginners, Mrs R. Raufelson; Primary, Mrs. A. Schnake; Gen. Supt., of S.S. Mr. Wm. Nowack; Treasurer, Mr. A. Meili, Financial Sec'y., Mrs N. Alderman; Recording Sec'y., Mrs H. Kraso; Attendance and Enrollment Sec'y., Mrs Wm. Nowack, with Miss Jean Hurlburt, assistant.

Monthly staff meetings were held on the third Monday evening of each month, except July and August. Through the Sunday School there were three participants in the Denominational Stewardship Essay and Poster contest and members of the school participated in the "Pieces for Peace" project, as well as supporting a child in the mission field. The school participated in the Annual Children's Day service in June and conducted the annual S.S. Christmas Worship on the Sunday afternoon before Christmas, with generous support of the White Gift Project. The Staff of the school was again responsible for church decorations at Christmas time. An indoor picnic after Easter was held for the Junior thru Senior Departments.

A summary of the finances of the school shows:

Balance, Jan. 1, 1949	\$358.52
Receipts during 1949	740.31
	<u>\$1098.83</u>
Expenditures	
S.S. Lesson Books, etc.	\$368.98
Mission Projects	129.00
Church Pledge	125.00
100 Elmhurst Hymnals	80.00
Miscellaneous	20.64
	<u>\$ 723.62</u>
Balance, January 1, 1950.	\$ 375.21

From the above, it will be noted that the Sunday School was self-supporting and pledged to the support of the church, supported numerous missionary projects and yet balanced its budget.

A report of the work of the Sunday School would not be complete without a word of thanks to and a tribute to the loyal and faithful workers in the school, teachers, officers and department heads. St. Paul's has been fortunately blessed to have an excellent and faithful staff in the Sunday School.

William T. Nowack, Superintendent

WOMENS GUILD

Meetings of the Altar Guild are held on the first Thursday of each month, with devotions and presentations of interesting topics and speakers in line with the National Women's Guild program. The average attendance has been 38. A committee of two are appointed each month to visit our sick and shut-in members. Approximately 100 calls were made during the past year on these members.

The entire membership of the Guild was again divided into the various departments of work, i.e., Christian Citizenship, Stewardship, General Education, Membership, Missionary, Spiritual Life and Social Service, thereby stimulating a greater interest in the work of these departments, under their appointed chairmen.

Various Circles are organized and promote the activities of the Guild. These Circles meet monthly in the homes of the members, having their devotional program and using the various missionary study books recommended by the National Guild. These Circles engaged in various activities, serving meals at banquets, lawn social, conferences, spring and fall dinners, sponsoring the booths at the Bazaar and stimulating fellowship within their own groups. Also the Sewing Circle represents the social service work of the Guild, meeting at the Church the second and fourth Thursday of the month, sewing for the Red Cross and for World Service. Chairman of the Circles are: First Circle, Mrs Paul Stoehr; Circle II, Mrs Roy Brierley; Ruth Circle, Mrs Herman Richter; Sewing Circle, Mrs Alfred Schnake.

Among the activities of the year, the following are to be noted: Participation in the Annual Financial Campaign of the Federation of Churches and Council of Church Women. (We are happy to report that St. Paul's contributed \$569.00). Annual visitation and program at St. John's Home; Silver Tea with Rev. Blaine Fister giving an illustrated lecture on religious art windows; Family Fellowship Supper and Amsterdam Film; Ascension Day observance; Assisted in distributing Cheer Baskets at Easter and Christmas; Conducted rummage sale; Annual Picnic and outing at Maplewood Park. Entered the W.N.Y. Synod Meeting; Served the Spring and Fall Dinners; Members attended the Regional and Dunkirk Guild Meetings; Prepared 11 "Pieces for Peace" bundles and aided in the rehabilitation of a Displaced Persons Family on the Lloyd Smith Farm. Received subscriptions for the "Messenger" and Evang. & Ref. Church Periodicals.

THE BROTHERHOOD

The Brotherhood is the Men's organization of our church, and is a member of the National Churchmen's Brotherhood. Thirty-eight members are enrolled. We meet on the first Monday of each month, except July and August. We strive to interest all men of our church in fellowship and in educational programs.

The cooperation and enthusiasm shown by our members during the past year has helped to make our meetings successful. We were fortunate to receive first-hand information of the Amsterdam Conference at our March Meeting, when Dr. Schroeder of Salem Church was our speaker. During the year, Pastor Schnake obtained for us a number of very fine educational films. Our Annual Father and Son's Dinner was a real success. It was attended by about ninety men and boys, at which Rev. Oscar Nussman proved to be a highly entertaining speaker. In July we had our yearly picnic at the Streeker Farm in Hemlock. This is becoming a long-awaited event in the Church year and is well attended by the members and their families. The Dunkirk Retreat saw eight of our men and three boys in attendance. We strongly urge more men and boys to join us when this event comes around again next September. Our Christmas Party always includes our wives, and we give most of the evening to games and fellowship. Again, the Brotherhood sponsored the Church Birthday Calendar. Most of our Church members contribute to this enterprise, and we express our gratitude for their cooperation. A gift of \$125.00 was given to the Church Treasury.

We most cordially urge all men of the church to attend our fine meetings on the first Monday of the month and enjoy our fellowship.

SENIOR YOUNG PEOPLE

The first half of the year found this group of young people carrying on an interesting series of meetings and activities. Discussion topics were presented by several of the members, a number of educational films such as "The Church in an Atomic Age", "The Amazon Awakens", "Power Behind The Nation", and others were presented. Mr William Otto gave an interesting talk on our Police Department and the Crime Problem. Rev. George Roser was speaker at the Confirmation Banquet.

The Youth Groups of Christ Church and Dewey Avenue Church were entertained at a Valentine Party. Two bowling parties were held. The group was entertained with summer outings at Stoll's Cottage at Sea Breeze and at the Gross Cottage at Honeoye Lake. Also the Basketball Team in the Maplewood Y League, came out on top after a thrilling season and brought home the championship cup.

In the spring a three-act comedy "Youth Saves The Day" was presented by the group in fine style. The proceeds enabled them to purchase a beautiful combination radio-record player for the Cozy Corner.

During the summer under Bob Stoll, the Youth Chorus of some 24 voices again sang in all our summer services, which was greatly appreciated by the congregation. Twenty of the young people attended the Youth Conference at Dunkirk over the Labor Day week-end.

With the beginning of Fall, a large number of this group started off to College and the ranks were depleted. However, a fine get-together was held at Salem Cottage with a Square Dance and at Christmas time the Annual Carolling Tour and Party was held.

(cont'd)

(Senior Young People cont'd)

The group has reorganized and now appeals to all the Senior Young People of the church from 18 to 28 to join in the monthly planned meetings and social activities. Treasury Balance at the end of the year was \$25.24. New Officers are;

President - Raymond Raufelson,
Vice-Pres. - Ellen Smith
Secretary - Joan Riley
Treasurer - Richard Coonan

TEEN-AGERS

With the Fall, a new youth group was organized for the young Teen-Agers of the Church. This group brings together the boys and girls between 12 and 17 years of age. They have their meetings the first and third Sunday evenings of the month from six to eight o'clock. Splendid meetings have been conducted each meeting night. Under Bud Pfaff, the Teen-Agers all take part in leading the Devotions. Pictures, games, parties and square dancing have been part of the program. Plans are under way to present a play. Parents are urged to see that their confirmed children of this age attend so that they are trained in church interest and work. The Treasury shows a balance of \$22.45. Officers of this organization are;

President - Fred Armbruster
Vice-Pres. - Karl Zimmerman
Rec. Secy. - Nancy Hendrick
Fin. Secy. - Erika Perg
Treasurer - Betty Boehm

ADULT BIBLE CLASS

During the year the attendance of the Adult Bible Class has been well maintained. We were happy to welcome some 22 visitors throughout the year, also one guest speaker, Mr. Fredd, from the Federation of Men's Bible Classes.

The Annual Easter Breakfast was again sponsored by the class and was attended by some 100 members of our congregation. Contributions were made to St. John's Home Sunshine Fund, to the National Association of the Advancement of Colored People; to Dunkirk; Clothing for the small boy of the Displaced Persons Family. Flowers were placed on the Altar for Mother's Day; Fruit baskets were sent to the shut-in members of our class.

A cordial invitation is extended to all men and women to come and join us on Sunday mornings at 9:30. Miss Lucille Reuschle and Rev. Schnake alternate as teachers of the International Bible Lessons.

During the summer months the Bible class unites with the regular Sunday School. The officers elected for the new year are;

President - Mr Carl Rexer
Vice-Pres. - Mr Rudolph Hoffmsier
Secretary - Mrs Fred Breitung
Treasurer - Mrs R. Howorth

THE CHOIRS

The Senior Choir under the direction of Mr. O. Matthew Lyders, has again rendered an important service to the Church in singing the anthems in the morning worship services and also throughout the Lenten Season. Rehearsals are held every Wednesday evening from 7:30-9 o'clock. In the Fall a number of members had to withdraw as they enrolled in various colleges, but we are happy for some eight new members who joined this singing group. The Choir now has 28 members in good standing, and has an average attendance of 24 at rehearsals and on Sunday mornings.

In appreciation of this service, the Church Council provided three social functions, a theatre party in February, a Spring dinner at the close of the season and a pre-Christmas dinner and party. Also an evening of bowling was enjoyed.

The choir maintains its Treasury, receiving dues and offerings for carrying on its work. The Treasurer reports a Balance at the end of the year of \$147.64. Officers for the new year are: President, Richard Scriver; Vice-Pres. Maryann Lyders, Sec'y.-Treasurer, RoseMarie Radig and Librarian, Florence Kelloy.

Also a splendid JUNIOR CHOIR of 24 voices sang at the Children's Day Service and at Christmas Time. We hope to have this group sing more often in the future. We do express our appreciation to Mrs Florence Kelley in assisting Mr. Lyders with this group.

For the third consecutive summer a YOUTH CHOIR of some 22 young people under the direction of Bob Stoll, again sang at the services during July and August. Their fine singing was greatly enjoyed by the congregation and we hope to have them sing again this summer.

MEMORIAL WREATH CARDS

Some of our folks are not aware of the fact that attractive Memorial Wreath Cards are available at the Church Office. People have the custom to express sympathy at times of death of friends, by sending flowers. Sometimes there is such a profusion of flowers, and also they are so short-lived, that we believe a contribution made to the Endowment Fund of the Church, to St. John's Home, or other Christian work has continuing value, when made in memory of the loved one. The card is properly inscribed with the name of the departed, the designation of a gift and name of giver, and is sent in place of flowers. We believe in many instances, such memorials are more meaningful than flowers.

ALTAR FLOWERS

Have you noticed that every Sunday there are fresh flowers in the vases on the Altar? Often times these flowers are placed to the memory of some loved one, and then they go on their way to bring cheer to some sick room - and thus a two-fold Christian service is rendered. We would ask those who would like to place such flowers to call our Altar Flower Chairlady, Mrs Frank Kilian, and make arrangements in due time. Names are inserted in the Sunday program, if the chairlady is informed before Thursday of the week.

PERPETUAL MEMBERSHIPS

During the year two names were added to our Bronze Memorial Tablets. Mrs. Elizabeth Lloyd made a gift in memory of her parents, Mr & Mrs Charles Renner, and Miss Vera Frederick in memory of her parents, Mr & Mrs Peter Frederick. Each year the Fund grows through larger gifts that are given in memory. They are placed in the Endowment Fund, of which interest earnings are used to carry on the work of the church. A growing fund will undergird the church of the future. We encourage more such gifts during 1950.

The Confirmation Class presented the church with a large copy of the "Book Of Worship" on Palm Sunday. Mr. Otto Goetz placed two Hymnals in memory of his brother, Mr. Gustave Goetz.

MEMBERSHIP DIRECTORY

Foreword:

The following pages contain the names and addresses of the active contributing members of our St. Paul's Church. At times, after a three year period, when members fail to give financial support, we follow the policy of placing such names in our inactive file. As soon as we have assurance of active interest and support, they are included in our Directory list again.

In this Directory are also listed the contributions for the Current Expense Budget of the church and the Pledges for 1950. This does not include our Benevolence contributions which are received in our Sunday offerings and in the special offerings at Christmas and during Lent.

We would like to emphasize that whenever there is a change of address you notify the church office immediately, also if there are any errors in amounts pledged or given. The Financial Secretary would be happy to be notified so as to make corrections. We do express our sincere gratitude to all givers who have helped us to carry on the work of Christ through our St. Paul's Church.

PASTOR'S REPORT

Phil. 3:13-14

"Brethren, I count not myself to have apprehended, but this one thing I do, forgetting those things which are behind and reaching forth unto those

things which are before, I press toward the mark for the prize of the high calling of God in Jesus Christ"

In these words the Apostle Paul sets before us the admonition for continuous vigilance and activity in spiritual growth and achievement. We are never to reach a state of contentment in Christian faith and life, where we rest upon the laurels of our past activities and attainments, either as individuals or as a Christian congregation. Always we are to remember that we must needs keep pressing ever on to the High Prize in Christ Jesus, which is life eternal. Always we are to be steadfast, unmovable, abounding in the work of the Lord, for as we know that our labor for the Lord is not in vain. There is no period in life, no place at which we can afford to stop journeying spiritually.

Now this is what also we in St. Paul's Church would do as we face another year. Eighty-nine years have almost passed, by since the founders of St. Paul's established their first church on Fitzhugh St. Through all these years, the gospel of Jesus Christ has been preached from its pulpit, and has brought to many a knowledge of God's love and salvation. Through its ministry, many have obtained the crown of everlasting life. Countless men and women have given of their time, talents and moneys in carrying on the work for Christ, and so through the years, our church has been enabled to carry out its mission, and God has looked with favour upon our fellowship.

In this Annual Report we would summarize briefly the evident work and activity of our church during 1950. First and foremost of all, we are again thankful for the wonderful spirit of harmony and cooperation that has prevailed. This is as it always should be in any Christian fellowship, and enables a church to move forward steadily and successfully. When tasks had to be done, when workers were needed, we rejoice that always there were those members who were willing to step forth and shoulder the responsibilities. And in Christ's name, we give our thanks to all who have rendered some special service. Their number is large in our church. Also we are happy to welcome 38 new members into our fellowship during the year, ten of them having been received thru confirmation. May many others follow their good example.

ATTENDANCE - Faithfulness in the worship of God is perhaps the best gauge by which to judge the zeal and devotion of Christians. We are happy to note from the Chief Deacon's report that the attendance total and especially the average of attendance at our Sunday morning Worship Services, has been the largest for many years. The average morning Church attendance was 226 plus. If it were not for the vacation months of July and August, the average would be much greater. However when we consider that we have some 600 members on our books, we still feel that there is room for great improvement. Some members are present almost every Sunday, some come perhaps once a month, others on rare occasions. Where there is a vital faith and a will, there is usually also a way. Come "Let us exalt His Holy Name together".

FINANCES - Our people have again supported our church in a noble way. Our financial receipts, both for Current Expense and Benevolences, have exceeded that of any previous year. But this is as it should be in these days when both costs and income have increased. The total receipts for Current Expense was \$12,584.11 and for Benevolences \$3,784.87. In addition, our Memorial Endowment Fund received \$700 thru memorial gifts placed in memory of three of our departed members. The interest earnings of this Fund, which now amounts to nearly \$7,500 is used in the work of the church. Our Church is free of debt and our property is kept in good repair. Your Council is thankful for your financial support, for it has enabled them to meet all financial obligations and to deposit a surplus in the Reserve Fund.

Our Missions Apportionment of \$2,010 was paid in full, and our 3 year World Service quota of \$2,400 has been overpaid by \$360.00. All other Benevolent Obligations in our Budget were met. In this new year, larger Benevolent Quotas have been assigned to St. Paul's, but we are confident that our members will again meet the larger responsibilities. Also we are proud to note the fact that we have gone over the top, in pledges for our 1951 Budget, in our Finance Campaign last November. I believe this is the first time in the history of our church that this has happened. We are humbly grateful for this cooperation and fine giving spirit.

CHURCH COUNCIL - Our Council consists of 15 members plus the Financial Secretary and the Pastor. These really constitute the governing body of the Church carrying out the wishes of the Annual Congregational Meeting. They have given of their time and have been faithful in the performance of their duties, to which you elected them, and as a congregation we owe them our sincere thanks. This is especially so for the five, who because of Constitutional requirements, retire this year. We trust that before long, they will again have opportunity and be willing to serve on the Council.

SUNDAY SCHOOL - A Church without a Sunday School would be a dying church, for our children in Sunday School today, become the leaders of our church in the years ahead. As a congregation we owe our gratitude to our Staff consisting of 28 teachers and officers. They give their time and talents in this important work of teaching religion. It is noteworthy that again in the past year we have experienced no difficulty in having men and women to fill the teaching and officer jobs. We honor them all. Also we note from the reports that our Enrollment and Attendance has increased over the past years. This is a healthy indication, and we urge all parents to see that their children are just as faithful in Sunday School as in attendance at public school. The New Church Home Series of lesson materials has also been adopted in the Junior, Intermediate and Senior Classes and is meeting with approval.

BOARD OF DEACONESSES - These 18 women of the church elected by the congregation and serving the nine Districts into which the city has been divided, have again rendered a splendid service to the church, through their visitations among the members. Hundreds of calls have been made, hundreds of cards have been sent, and also they have kept our altar supplied with flowers every Sunday, and then have carried them on their missions of cheer to many sickrooms. To the eight deaconesses who retire this year, we express our gratitude for their Christian service.

ORGANIZATIONS - Opportunities for fellowship and work come through the more intimate activity in our various organizations. Space here does not permit going into detail about the work of each group, but in passing we would note the fine work and fellowship of our Women's Alter Guild, and its five Circles; of our Churchmen's Brotherhood; of the Adult Bible Class; of the Senior Young People and our Teenagers Group. All these fill an important place in the church, and in this past year have given good account of themselves, as you will see from the reports that follow. Especially do we appreciate the regular contribution of our Senior Choir at our services every Sunday, and all of us can well be proud of their performance. Also the Junior Choir in its several appearances has won our hearts, and we would desire to hear them more often. The singing of our Youth Chorus all through the summer months has also been especially noteworthy. We encourage all members of the church to find a place in one or more of these organizations and enjoy new friends and Christian fellowship.

OUR STAFF - In the Fall our new Student Pastor, Mr. Parker Brown, came to us and he has been teaching in the Sunday School, assisting in the services, and taking leadership in the Youth work. We appreciate his good work. Likewise we express our gratitude to Mr. O. Matthew Lyders, our Music Director, and especially to Mr. Harold Stoen our organist, who has so capably filled this position for the past 13 years. Our efficient Office Secretary, Mrs. William Lohler, has again given generously of her time in the performance of the routine office work, and Mr. Charles Schmanke our sexton, has carried on faithfully in the performance of his duties. To all these members of our Staff, we would express our sincere appreciation and hope they will continue with us for years to come.

LOOKING AHEAD -The world outlook at the moment is not too cheering, but that in no way should deter Christians in being steadfast and unmovable; and in carrying on the work of the Lord. The High Prize in Christ, still lies before us. Soon the Lenten weeks will begin and we call for faithful devotion to Christ. We call upon all who have not active membership in a Christian Church, to make such decisions during this season. We would set for ourselves the goal of 50 new members in 1951 and a goal of 10% increase in attendance at our services of worship. This is by no means an impossible goal. Also a 10% increase is likewise a good goal for our Sunday School and for all organizations. We are living in a time when one by one our young men are being called into service. Thus far five have gone, and their number will increase. We would pray that upon all of them there may rest God's protecting care, so that they may return safely to their loved ones. Please see that the church has the names and addresses as these young men go, so that we can continue to keep in contact with them and they with the church.

AND FINALLY -For your Pastor, the year has again passed by quickly. He never seems to get caught up on all things to be done. The constant preparation for the services of worship; preparation of sermons, lessons and addresses; daily visitations at the hospitals and in homes of members; counselling, speechmaking, official responsibilities, attendance at innumerable gatherings and committees in church, community and Synod, all has taken time and energy -but we thank God that he has blessed us with health and strength and the opportunity of serving Him and His church here in your midst. The well planned surprise celebration of our 25th Wedding Anniversary was a high spot in our lives, and the beautiful gift of a complete chest of Sterling Silver will ever be a reminder in the Schnake Family of the love and friendship of St. Paul's folks.

90 YEARS

Our Church will celebrate its 90th Anniversary in the Fall of 1952. Certainly this will be a joyous occasion, and fitting plans for its observance will be presented in due time. We should set for ourselves certain objectives for the improvement and servability of our Church, and for its growth and Christian outreach in our community.

ALTAR FLOWERS

We are thankful for the flowers placed on our altar every Sunday. Some are memorial bouquets placed in memory of loved ones; others come from the gardens of our members; still others are provided by the flower committee. We do sincerely thank all donors who thereby add to the beauty of God's House. After service they bring cheer to the sick of our church. Those who desire to place memorial flowers please arrange with the Flower Chairlady, Mrs. Walter Kuhmann, Glen. 3659-N.

PRESIDENT ALDERMAN'S REPORT

As we come to the close of another year at St. Paul's, we are happy to know it has been a good year. Our Pastor, Rev. Alfred G. Schnake and Mrs. Schnake have rendered a fine Christian service both in our Church and Sunday School, bringing us the word of God. It is gratifying to know we have such deeply consecrated people as our leaders.

Our Student Minister, Mr. Parker Brown, who came to us this fall, is doing very well with our Youth Groups. Our Choir under the fine leadership of Mr. O. M. Lyders is bringing us a splendid program of music each Sunday. Mr. Harold Steen, our organist continues to render beautiful music. His playing adds much to our services. During July and August Mr. Robert Stoll very capably directed our Youth Chorus. Mrs. Wm. E. Lohler, our Church Secretary faithfully and efficiently continues with the duties of the Church Office and Mr. Charles Schmanke, our sexton, deserves a word of praise for keeping our church clean and warm for our Sunday services, as well as the many activities held at other times.

Mr. William Nowack as superintendent of the Sunday School, assisted by a very capable staff of teachers is doing splendid work with our young folks. We have a Sunday School of which we are all truly proud. Our Church Council meets each month and functions successfully by means of committees. The Trustees, with Mr. Ralph Boss as chairman, have very ably taken care of the upkeep of our church this past year. The Elders headed by Mr. Jacob Eckert, have very efficiently assisted Rev. Schnake at all communion services. The Deacons, led by Mr. Ludwig Zimmerman, are to be commended for their able assistance during all services. Our Deaconess Board with Mrs. Earl Talbot as chairman, has spent many hours in making calls on our congregation and arranging the flowers on our altar each Sunday. We commend them for their fine work. We express our gratitude to Mr. Carl Rexer, our Recording Secretary, Mr. Wm. Lohler, Financial Secretary, Mr. Fred Horsch, Treasurer and Mr. Arnold Henn, Benev. Treasurer, who have so efficiently carried out their respective duties this past year. Thanks also to the Finance and Budget Committee who prepared our Budget and successfully carried out our Finance Campaign, also for auditing the church books. To the retiring councilmen we offer our appreciation and thanks for work well done: Mr. Jacob Eckert, Mr. Ralph Boss, Mr. Carl Rexer, Mr. Fred Horsch and Mr. Harry Stuver.

(Council Report cont'd)

Our appreciation goes to all the church organizations for their splendid cooperation and assistance with all church functions. It has been a privilege and a joy to serve you as president this past year. May we all work and pray together as Christians, for an even brighter future.

Respectfully submitted,

Nelson Alderman, President

BOARD OF DEACONESSSES

Our Board of Deaconesses consisting of 18 members are elected in the Annual Congregational Meeting and serve for a term of three years. Two are assigned to each of the nine districts into which the city is divided. As a church, we can well be proud of their ministry. The year after the name indicates the year of election.

Mrs. Rosa Bopp	1949	Mrs. Emma Fandriek	1950
Mrs. J. Ben Gross	1949	Mrs. Roy Brierley	1951
Mrs. Ludwig Kleinhenz	1949	Mrs. Fred Huck	1951
Mrs. Anna Lueddecke	1949	Mrs. Fred Breitung	1951
Mrs. Myrtle Krieg	1949	Mrs. Harry Murphy	1951
Mrs. Albert Meili, Jr.	1949	Mrs. Thomas Lima	1951
Mrs. Walter Kuhmann	1950	Mrs. Glenn Benedict	1951
Mrs. Henry Howorth	1950	Mrs. Bruno Lehmann	1951
Mrs. Paul Gassermayer	1950	Mrs. Carl Rexer	1951

The Board closed a successful year of work. Four meetings were held in homes during the year, and also the Annual Picnic Outing was greatly enjoyed. Visits to the homes of the Congregation numbered 887 and 1258 convalescent, birthday and greeting cards were sent. Flowers from our altar brought cheer to 85 sick and shut-in folks, who were always happy to be remembered. At Easter time 23 Memorial Easter lilies had been placed on the altar. Memorial flowers for the altar were not as many as in former years, there being only ten. However, through the fine cooperation of our members, flowers decorated the altar every Sunday, thus making our church a place of beauty as well as of service. At this time, I would like to thank all our members who so kindly donated flowers from their gardens.

We assisted the Women's Altar Guild in filling and distributing some 30 Easter and 35 Christmas Baskets of Cheer to the sick and shut-in folks. Also were happy to assist in the 25th Wedding Anniversary Celebration of our beloved Pastor and his wife. A report on the work of the Deaconesses could not be closed without a word of thanks to all the faithful workers of the Board for their loyal support through the year. A special 'Thank-you' to all the retiring Deaconesses, namely Mesdames, H. Tallman, Geo. Gardner, H. Honeck, H. Stuver, E. Weismiller, F. Kilian and Miss Emma Kern. Our many thanks to Mrs. F. Kilian, for her splendid work as our Flower Chair-lady during the year.

As retiring chairman, I am very grateful for the fine cooperation given, also to the eight women who have been elected to fill the places of those who have retired, and who will continue the good work.

The new officers elected at the last meeting are -

Chairman	- Mrs. J. Ben Gross
Vice-Chrmn.	- Mrs. Albert Meili, Jr.
Secy-Treas.	- Mrs. Walter Kuhmann
Flower Chrmn.	- Mrs. Walter Kuhmann

SUNDAY-SCHOOL

Once again the enrollment and attendance figures of the Sunday School for the past year show an increase. The average enrollment during 1950 was 210, compared to 201 in 1949. The total attendance for 1950 was 6360 or an average of 122 per Sunday. This compares with 116 per Sunday during 1949. Both the enrollment and attendance figures above include pupils, teachers, officers and the Adult Bible Class. In addition, there are some 50 members enrolled in the Cradle Roll. New Members gained through the year total 40.

New Teachers added to the Staff were, Mr. Parker Brown, Student Assistant, as teacher in Intermediate Dept., Mrs. H. Murphy as teacher in Juniors; Miss Shirley Stuver and Miss Ellen Smith in the Beginner Department.

Officers and Department heads for the Sunday School Year which starts Oct. 1st, are; Cradle Roll: Mrs W. Kuhmann; Nursery, Mrs F. Breitung; Beginners Dept. Mrs Raymond Raufosen; Primary Dept., Mrs A. Schnake; General Supt., of School, W. T. Nowack; Treasurer, Albert Meili, Jr., Finan. Secy., Mrs N. Alderman; Recording Secy., Mrs. H. Krase and Mrs W. T. Nowack and Mrs Jean Anderson as Enrollment and Attendance Secretary and Assistant.

Regular Monthly Staff meetings were held (except during July and Aug.) on the third Monday of each month. Ten teachers attended classes at the Leadership Training School conducted by the Federation of Churches. There were 5 entrants from our Sunday School who participated in the Stewardship Poster and Essay Contest. An after Easter Indoors Picnic was held for all members of the school from Beginners thru Senior Departments, in April, with a most favorable attendance. Support was given to the pre-school Package Project, all departments of the School contributing to this. We also participated in the annual Children's Day Service in June and conducted the S. S. Christmas Worship Program with generous support in the White Gift project. Pupils of the school also supported the "Mitten Tree" project for providing mittens for underprivileged children. Financial support was given by the pupils of the school of \$40.00 for an Indian Mission child and of \$60.00 for a war orphan.

A brief report of the Sunday School Treasury shows:

Balance.....Jan.1, 1950.....	\$375.21
Receipts....1950.....	769.27
Expenses....1950.....	758.20
Balance.....Jan.1, 1951.....	386.28

A brief summary of expenditures:

Lesson Books, papers & Supplies...	\$387.34
Missionary Projects	165.00
Pledge to Church.....	125.00
Miscellaneous.....	80.86
	<u>\$758.20</u>

Thus it will be noted that the Sunday School gave generous support to Missionary Projects, pledged to the current expenses of the church, bought all necessary supplies, which is necessarily, the largest expense, and balanced its budget.

Without the loyal and faithful support of all department heads, teachers and general officers, such fine Christian Education work in our church could not be carried on, and to all members of the Staff, we record our thanks and appreciation.

W. T. Nowack, Superintendent

WOMEN'S GUILD

The meetings of the Women's Altar Guild are held on the first Thursday afternoon of each month, with devotions and topics of interest in line with the National Women's Guild Program. Our average attendance was 41. Three new members were received into our Guild, and two were taken by death. Present membership is 88.

The members of the Guild are divided into seven departments of work; i.e., Christian Citizenship, Stewardship, General Education, Membership, Missionary, Spiritual Life and Social Service, thereby greater knowledge and interest is stimulated in the work of these departments through their appointed chairmen. The Guild has official representation in and cooperates with the work of the Council of Church Women. It likewise was well represented at the Regional Women's Guild meetings and at the Dunkirk Conference.

For a number of years there have been three Circles which meet monthly in the homes of the members, in the interest of promoting the work of the Guild, but within the last few months a new Circle has been formed, of young married women, who meet in the evenings. This group is known as the Fidelis Circle.

The Spiritual Life Chairman appoints two of our members each month to visit the sick and shut-in members, leaving with them bits of interesting reading matter and at Christmas and Easter time, little tokens of cheer. About 130 of these calls were made during the past year.

The following are some of the activities we were engaged in during the past year: Participation in the annual Federation of Churches Drive; Annual Visitation to St. John's Home for the Aged; Prepared and served Spring Dinner; Mother's and Daughter's Tea; Rummage Sale; Guild Picnic at Church in June; Served refreshments at the 25th Wedding Anniversary Celebration of Pastor and Mrs Schnake; Sauerkraut Supper and Bazaar; Christmas Supper and Program, using the theme "Christmas Around the World" with gathering of gifts and toys for orphans; prepared 14 Pre-School packages for over-seas and 6 layettes. The faithful women of the Sewing Group, assisted in sewing and mending clothing for Greenville Home for the Aged, and Orphanage, also for the Winnabago Indians, Biloxi Mission Station and friends in Europe and the Red Cross. Our project for 1951, in which we have solicited the financial help of all the good ladies of St. Paul's, is the securing of new draperies for our Church Sanctuary.

THE BROTHERHOOD

The Men's Brotherhood, a member of the National Churchmen's Brotherhood, meets on the first Monday of each month. Devotions are conducted by Rev. Schnake, and we have educational speakers and programs. There are 36 members enrolled and the average attendance has been 24. A sick committee is appointed each month to visit our shut-ins.

The past year has been outstanding in fellowship. The men have been cooperative and enthusiastic. We have had a varied program. Miss Katherine VandeCarr of the Public Welfare Department told us how welfare cases are handled and treated; Mr. Albachor, a Federal Agent of the F.B.I., related some of his interesting experiences. We spent an evening reliving some of the so-called "good old days" in St. Paul's, looking at movies shown by Al Meili, Jr. In May, our annual Father and Son's Dinner was a highlight of the year. The speaker of the evening was our good friend and former student pastor, George Roser. In July we greatly enjoyed our summer outing at the Strecker Farm in Homlock. 82 adults and children were present. A number of games were enjoyed and a vigorous ball-game preceded the basket supper. The day was beautifully ended with vespers services conducted by Rev. Schnake. At the beginning of our Fall Season, we enjoyed vacation movies and slides shown by Al Meili and Carl Roxer. The Dunkirk Retreat in September was attended by 8 men and 6 boys. We are grateful to the Choral Group of the Rochester Gas & Electric Company, who entertained us with a delightful concert. A fine attendance of men was present at our service on Brotherhood Sunday. Our annual Christmas party, at which our wives were our guests was a tremendous success both in attendance and fellowship.

We are always glad to welcome newcomers, and invite all men of the Church to attend our meetings and share our fellowship.

SENIOR YOUNG PEOPLE

The Senior Youth Fellowship composed of high school seniors and college age young people, meets on the second and fourth Sundays of each month at the Church. Approximately eighteen members are currently active in the organization.

Under the presidential leadership of Raymond Raufesen and under the guidance of Mr. Biron Pfaff, the group filled the spring meetings with discussions, movies, and recreation. In the early summer months members joined in picnics and sports at Hamlin Beach, Ellison Park, and Stoney Brook Park. During the summer many members of our group along with other young singers participated in the summer services by singing in the Youth Chorus under the direction of Robert Stoll.

Over the Labor Day week-end, twenty-two young people from St. Paul's Church participated in the Dunkirk Conference. They returned with enthusiastic reports of many good times and expressed their appreciation for the opportunity to share in Christian Fellowship with other young people from West New York State. In September, our group began the Fall Season by joining in a meeting with the Teenagers. Richard Coonan was elected President; Mr. Parker Brown took over as Student Pastor and Young People's Advisor. At each meeting the devotions are led by a member of the group, thus giving everyone a chance to share in the preparation of worship services for our meetings.

(cont'd)

(Senior Young People cont'd)

After the devotions, business meeting, and the planned discussions, the group usually closed the meetings with some type of recreation such as square dancing. Discussions were carried on during the Fall on topics such as Inter-Faith Marriage, Preparations for Marriage, etc. Miss Lois Grath presented a report on the World Convention of Christian Education which was held in Toronto during August.

During the Thanksgiving Holidays, a Cabin Party was held at Salem Park, bringing together many of our college people who were home for the week-end. With the approach of the Christmas Season, the combined Youth Groups made their annual caroling visits to the shut-ins of the church. The activities for 1950 were closed with a bowling party which was held on December 30.

The Executive Council of the Young People's Fellowship has planned a varied program for the next six months in which it urges all Senior Young People to share. The Treasury shows a balance on January 1st of \$29.25.

Richard Coonan, President.

Officers for the year are

President	- Richard Coonan
Vice-Pres.	- Mary Ann Lyders
Secretary	- Jane Janssen
Treasurer	- George Schonek

TEEN-AGERS

Our TEENAGERS are comprised of our young people between the ages of thirteen and seventeen. They meet on the first and third Sunday evenings of the month from six to eight o'clock and at present have a membership of 25. The young people take their turns in conducting the devotions, and a varied program of discussions and movies and activities is conducted. Also during the year, various outings have been conducted to Seneca Park, Durand Eastman and Webster Park. The Halloween and Christmas Parties were held at the Church. Also, we cooperated with the Christmas Caroling of the Senior Young People, and a number of our group were in attendance at the Dunkirk Labor Day Week-end Youth Conference. At Christmas time, a family recommended by the Social Agencies was adopted, and they were provided with a complete Christmas Food Basket and toys for the children.

We have lots of fun and games at our meetings, and invite all the young confirmed people of the church to join this fine group. Under the leadership of Parker Brown a number of interesting events are lined up for the new year. The treasury shows a balance of \$34.36 as of January 1, 1951.

ADULT BIBLE CLASS

The Adult Bible Class meets every Sunday morning at 9:30 and extends a cordial invitation to all men and women, especially those who bring their children to Sunday School, to come and join us in this period of Devotions and Bible Study. Miss Lucille Reusohle and Rev. Schnake alternate as teachers of the Bible Lessons.

The attendance of the class has increased from an average of 20 per Sunday in 1949 to 23 in 1950. We were happy to welcome 13 new members and some 40 visitors. Also, one guest speaker, Mr. VanBuskirk, who spoke to the class about the Gideons and the work that is being carried on by this organization.

Contributions amounting to \$150.00 were made to various charitable organizations and projects. Flowers were placed on the Altar for Mother's Day, Pentecost Sunday and Memorial Sunday. Fruit baskets, flowers and convalescent cards were sent to the sick and shut-in members of our class.

The Adult Bible Class again sponsored the Annual Easter Breakfast, which was well attended by members of the congregation.

Officers elected for the coming year are:

President.....Mr. Edward Brennan	Secretary.....Mrs. Fred Breitung
Vice-Pres.....Mr. R. Hoffmeier	Treasurer.....Mrs. R. Howorth

THE CHOIRS

The Senior Choir has again rendered a splendid service to the Church in providing the music at all our Sunday morning services, also in our Wednesday evening Lenten Services. Mr. O. Matthew Lyders is our capable director, with Mr. Harold Steen as the organist. Rehearsals are held every Wednesday evening from 7:30 to 9 o'clock. In the Fall, a number of members went off to college, but we were happy to welcome five new members in their places. The present enrollment is 27 and the average attendance on Wednesday evenings and in the worship services is twenty or more.

In appreciation of their fine work, the Council tendered three social functions to the Choir; a Christmas Dinner and Party at the church, a theatre party and the annual "close of the Season" dinner at Valley Echo. Also other social functions were enjoyed. The choir is always happy to welcome all who love to sing, both men and women. The Treasury has a balance of \$174.84. Officers for the new year are; Pres. Miss Joan Riley, V-Pres. Miss Shirley Stuver, Secy-Treas. Mrs. RoseMarie Antonow.

During the vacation months of July and August a YOUTH CHOIR of over 20 voices sang at all of the services, under the direction of Robert Stoll. This was the fourth consecutive summer that this fine group has contributed their beautiful music, and also enjoyed many happy hours of fellowship together. In appreciation, the Council assisted in paying part registration for the Dumfries Conference, and almost the entire Youth Chorus attended and added much to the Conference with their music and entertainment.

Also our JUNIOR CHOIR of 26 voices under the direction of Mr. Lyders sang at both our Children's Sunday Service and at the Annual Christmas Service. Mrs. Florence Kelley gave her able assistance. The Congregation would gladly welcome more appearances of this Junior Choir at their services of worship.

MEMORIAL WREATH CARDS

Attractive Memorial Wreath Cards are available at the Church Office. These are used in lieu of flowers when folks desire to express their sympathy at the death of friends or relatives. Memorial gifts (of any amount) are made to our Endowment Fund, to St. John's Home or some other Christian Agency. The card is properly inscribed with the name of the departed, designation of gift and name of giver. We believe that in many instances, such memorials have more lasting value and are more meaningful flowers.

Foreword:

The following pages contain the names and addresses of the active, contributing members of our St. Paul's Church. When members fail to give financial support after a three year period, we follow the policy of placing such names on the inactive list. As soon as we have assurance of active interest and support, they are again included in our Directory.

In this Directory are also listed the contributions for the Current Expense Budget of the Church and the Pledges for 1951. This does not include our Benevolence contributions which are received in our Sunday offerings and in the special offerings at Christmas and during Lent.

We would like to emphasize that whenever there is a change of address you notify the Church Office immediately; also, if there are any errors in amounts pledged or paid the Financial Secretary would appreciate being notified so as to make corrections. We express our thanks to all our givers, and we are especially grateful to those who this year made increases in their pledges. It is to our Honor and more so to the Honor and Glory of God when we regularly give to the work of His Church here on earth.

PASTOR'S REPORT

Colossians 3:17

"Whatsoever ye do in word or in deed, do all in the name of the Lord Jesus Christ, giving thanks to God and the Father, by Him".

The church of Jesus Christ is a Divine and a glorious institution on the face of the earth, and it is both a great privilege and a tremendous responsibility to be a member of Christ's church. As members of the body of Christ, we now review the program and work of our St. Paul's Church, taking a look into the accomplishments of the past year, as well as taking a forward look to the things that we may still do to add to the effectiveness of our work as a Christian fellowship. 'Whatsoever we do, in word or in deed', as the Apostle Paul says, we would do in the name of our Lord Jesus Christ. All our preaching, all our teaching, all our activity, all our giving, has the ultimate purpose of glorifying His name and of bringing His gospel of love and salvation to all people everywhere. For whatever success and blessing comes to us through such activity, we would give thanks to God the Father.

We are thankful for the fine spirit of harmony and cooperation that has again prevailed in the work of the church. This is as it always should be and enables the church to carry on its mission steadily and with success. Many again have given of their time and talents and have shouldered responsibilities, willingly and faithfully. If it were possible, it would be interesting to tabulate all the hours of volunteer service that have been devoted to church work in a single year in St. Paul's. Yes, we are thankful that there are so many who because they love the Lord and love His church, are willing, able, and ready to serve.

During the past year, a number of our faithful members have been called from this life to their Eternal Home. We would honor their memories and ever remember their faithful and loyal service to the church. Always we are concerned that their places be filled with new members coming forward to serve. We are indeed glad to welcome the 48 new members received during the year, and pray that as they work and worship with us, they will find joy in the Lord.

ATTENDANCE - I want to commend the many members who faithfully worship with us on the Lord's Day. It is natural that we gauge the spiritual vitality of any congregation on the basis of the faithfulness of its members in the services of worship. We are happy to note that in the past year, the average attendance in our 52 regular Sunday morning worship services has risen to 228. This, by the way, is the highest average in the past 14 years. However, the same cannot be said of our 14 evening Lenten and special services. There the average was only 151. It appears that television and other interests are more and more making their inroads on evening services. I would encourage all to loyalty and faithfulness in worshipping with us in the Wednesday evening Lenten services which lie before us. Especially on the Lord's Day, let us go into the House of the Lord.

FINANCES - Our church continues to be financially sound, and we are free of debt. We do not follow the governmental pattern of spending more than we receive. Due to the increased contributions of many of our members, all bills have been paid out of the Current Expense receipts, and in addition we were able to make improvements to the church and parsonage, such as modernization of rest rooms and building of Sunday School partitions at church, and black-top driveway, papering, and gas conversion heat at the parsonage, and still maintained a good balance to begin the new year. A large reserve fund remains intact. Also, we are proud to note that our Benevolent giving this year has been at its highest. Our Mission apportionment has again been paid in full and also our World Service quota has been paid 100%. Our Benevolence giving totalled \$4,112.00, with an additional quota of \$615.00 for the Federation of Churches, paid by our membership. Also, we are grateful to all members for again subscribing our 1952 Budget 100%. Thus under normal conditions, we anticipate no difficulties in carrying on the obligations of our church in this new year.

(con't)

CHURCH COUNCIL - The 15 elected members of our Church Council, together with the Financial Secretary, have again rendered a faithful service to their church. They meet regularly on the second Monday evening of every month, and transact all the necessary business of the church under the leadership of the Pastor. Elders, Trustees and Deacons, as well as the Financial Officers, give generously of their time and as a congregation we owe them our sincere thanks. Those having served the three years and now retiring are to be thanked, and we hope that in coming years, they will again gladly take their place on the Council.

SUNDAY SCHOOL - The program of religious instruction has again been carried on faithfully in our church by a fine staff of 28 teachers and officers. We can well be proud of them and grateful to them for the many hours of volunteer service and leadership they render. We believe that our Sunday School is most important in our church life. The report of our General Superintendent will show an increasing enrollment and attendance. Because of the influx of many children in the Beginners Department, it was necessary to enlarge the room, and this was achieved in short order by able volunteer workmen. We are fortunate in the willingness of our people to serve, and have had no difficulty in filling vacancies on the Staff. That is as it should be in a Christian Church School.

BOARD of DEACONESSES - Our church is unusual in this respect, in having 18 women elected on this board to serve for three year periods. Our city has been divided into nine districts, and our Deaconesses serve as visitors, going in pairs, to the various homes in their assigned area. Many are the visits that they record in a year's time. To the six retiring deaconesses we express our sincere thanks.

ORGANIZATIONS - Fellowship is important to the life of any church, and this is effected primarily through interest and activity in the various organizations. It is always difficult to become acquainted in a city church, until one also becomes interested in one or more of the organizations. We do not have time and space to go into the work of the many different groups in the church, but we note the fine fellowship and programs of our BROTHERHOOD, the splendid meetings and vast amount of activity of our WOMEN'S ALTAR GUILD and the five CIRCLES which come under its direction; the regular Sunday sessions of the ADULT BIBLE CLASS, the Sunday evening meetings and outings of our YOUTH FELLOWSHIPS. The reports that follow, indicate the range of their activities. Especially do we as a congregation express our appreciation to the members of our fine CHOIR, who every Sunday add much to our services of worship by their Sacred music. Also to the YOUTH CHOIR which for the fifth year has rendered a fine service in our summer worship services, as well as the JUNIOR CHOIR which sings on several occasions during the year. We would again encourage all members of the church to find some special interest in one or another of these service and fellowship organizations in the church.

OUR STAFF - As Pastor, I would also express my thanks to the members of the Staff who have again ably and faithfully served our church during the year. To Mr. Lyders, as director of music, to Mr. Steen, our organist, and to Mrs. Wm. Lohler, our office secretary, we express our sincere appreciation, and we hope they will continue on for many more years. Changes in the staff occurred in the fall, with Mr. Reinhard Sohalin taking the place of Mr. Parker Brown, as student pastor; and with Mr. Alfred Muehl taking the place of our faithful sexton over many years, Mr. Chas. Schmanke, who had to retire because of illness.

OUR 90TH ANNIVERSARY - Late in September, St. Paul's will celebrate the 90th Anniversary of its organization. This is an event worthy of special celebration. Although the minutes of the organization are dated Feb. 11th, the anniversary has always been celebrated in September, the month of the dedication of the first church building on Fitzhugh St. In this Annual Meeting we should lay plans for proper observance of this Anniversary, and also should adopt certain projects that will add to the serviceability of our church. A special committee has been studying the matter and projects will be presented at this meeting for your discussion. Some or all should be adopted. Also a goal for the Anniversary Fund should be set so that all improvements can be paid for by the time of the Celebration.

AND FINALLY - The year has again been a pleasant, tho a busy one, for your Pastor. He never seems to get caught up on the things to be done. The constant preparation for services, meetings and bulletins, preparation of sermons, addresses, and lessons; daily visitations in hospitals and homes of members; counselling, speech-making; official responsibilities; attendance at innumerable gatherings and committees in the church and community; also devoting much time in the Church Federation and in our West New York Synod, which has honored him with the office of Vice-President, but which honor requires more time and work. When all is counted up, there is gratitude and satisfaction in having health and opportunity to serve the Church of Christ and of being able to add to the Christian faith and love in the world, surrounded by the friendly environment of the members of St. Paul's Church.

Services of Celebration will be held the latter part of September.

MEMORIAL WREATH CARDS

We wish to remind all our folks that we have attractive Memorial Wreath Cards available at the Church Office. These are used in lieu of costly flowers when we wish to express sympathy at the passing of friends. The card is properly inscribed with the names of the departed, the giver and the designation of the gift. The gift (of any amount desired, usually \$5.00) is placed in the Memorial Fund of the Church, and perpetuates memories and good works. We believe this has more lasting value than adding to the tremendous display of flowers which last just for a day. Instead of the Church Memorial Fund, St. John's Home, or some other Christian Agency may also be designated as the recipient of the gift.

PRESIDENT ALDERMAN'S REPORT

As the year 1951 comes to a close, we are happy to report that it has been another successful year at St. Paul's.

Our Pastor, the Rev. Alfred G. Schnake and Mrs. Schnake, have faithfully carried on the Christian Ministry here, giving both guidance and strength to us at all times. For this we are deeply grateful. Our appreciation goes to Mr. Reinhard Schalin, our Student Pastor for his assistance at church services and Youth Group activities. We are all proud of our Sunday School at St. Paul's. Mr. William Nowack, superintendent and a very capable teaching staff are to be commended for the splendid service rendered this past year.

The Choir, under the very able direction of Mr. O. Matthew Lyders, continues to render a fine musical program each Sunday, while Mr. Harold Steen, our organist adds much to our service with his fine playing. Our thanks and appreciation, too, to Mr. Robert Stoll and the Youth Chorus for so ably conducting the musical program during July and August. To Mrs. William Lohler, our Church Secretary, we say thanks for so efficiently carrying on the duties of the office. In June, due to ill health, we accepted with regret the resignation of our sexton, Mr. Charles Schmanke. We wish Mr. Schmanke many years of health and happiness. At this time we commend Mr. Alfred Muehl for the fine job he is doing as our new sexton.

The Church Council meets each month to discuss the needs of the church and to hear the reports of the committees. The Trustees, with Mr. Melvin Bancroft as chairman, have taken care of the upkeep of our church and parsonage very well. At this time, plans are being formulated for a special project for the improvement of our church, to be carried out during this our 90th Anniversary Year. The Elders, led by Mr. Frank Vogel have very ably assisted Rev. Schnake at all Communion Services. The Deacons, with Mr. Ludwig Zimmerman as chairman, have performed their duties very efficiently, serving the congregation before and during services. Our appreciation goes to our Deaconess Board headed by Mrs. J. Ben Gross for the many hours spent making calls on members of our congregation, and for the lovely flower arrangements on our altar each Sunday we give special thanks to Mrs. Walter Kuhmann. Our gratitude to Mr. William Lohler, Financial Secretary; Mr. Frank Vogel, Recording Secretary; Mr. Arnold Henn, Benevolent Treasurer and Mr. John Schwartz, Treasurer, who have so efficiently carried on the duties of their respective offices.

To Mr. William Lohler, who has served faithfully as Financial Secretary for so many years, we add a special note of thanks. To the auditing and budget committee, headed by Mr. Arthur Koch, we say thanks for a fine job well done. To the retiring councilmen goes our appreciation and thanks for loyal and faithful service: Mr. Frank Vogel, Mr. Arnold Henn, Mr. Paul Bopp, Mr. Fred Brietung and Mr. J. Galloway.

We wish to thank all the church organizations for their cooperation and assistance and to commend them on their splendid achievements this past year. We especially wish to thank the Women's Altar Guild for the beautiful drapes they have placed in our Sanctuary.

It has been a joy and a privilege to serve as your president the past two years. What has been accomplished is due to the splendid cooperation and fine spirit throughout the church and all the organizations. As we look forward to our 90th Anniversary year, let us all face our responsibilities with faith that in working together we can do God's will as Christians.

Respectfully submitted,
 Nelson C. Alderman, President

BOARD OF DEACONESSSES

Our Board of Deaconesses consisting of 18 members are elected in the Annual Congregational Meeting and serve for a term of 3 years. Two are assigned to each of the nine districts into which the city is divided. As a church, we can well be proud of their ministry. The year after the name indicates the year of the election.

Mrs. Walter Kuhmann	1950	Mrs. Glen Benedict	1951
Mrs. R. H. Howorth	1950	Mrs. Bruno Lehmann	1951
Mrs. Paul Gassenmayer	1950	Mrs. Carl Roxor	1951

Mrs. Roy Brierley	1950	Mrs. Henry Graf	1952
Mrs. Fred Huok	1951	Mrs. Sylvester Bereza	1952
Mrs. Fred Breitung	1951	Mrs. Henry Honock	1952
Mrs. Harry Murphy	1951	Mrs. R. Hoffmaier	1952
Mrs. Thomas Lima	1951	Mrs. Albert Meili, Jr.	1952

There were four meetings held in the homes of the members, with the Annual Picnic held at the home of Mrs. Roy Brierley. Visits to the homes of the Congregation numbered 850. 750 Birthday and Convalescent cards were sent to the sick and shut-ins. There were 25 Memorial Bouquets placed on the altar during the year; 21 Easter lillies and 126 bouquets were delivered to the sick and shut-ins. The Deaconesses assisted the Women's Altar Guild in preparing and delivering 39 Easter baskets and 36 Christmas baskets; furnished flowers one Sunday during Lent and decorated the altar for Harvest Sunday. Two new Palms for our altar were purchased in September, and we also prepared the Choir Christmas Dinner.

To all the Deaconesses, I would like to express my thanks for all their fine cooperation and work, and a special "Thanks" to our retiring Flower Chairman, Mrs. Walter Kuhmann, for all the time and work put in to beautify our altar during the past year. Retiring Deaconesses are as follows: Mrs. A. Ludecke, Mrs. L. Kleinhenz, Mrs. M. Krieg, Mrs. A. Meili, Jr., Mrs. R. Bopp and Mrs. J. Ben Gross.

Officers for the year 1952 are: Chairman, Mrs. Harry Murphy; Vice-Chrmn. Mrs. C. Rexer; Secretary and Treasurer, Mrs. R. Brierley and Flower Chairman Mrs. Fred Breitung.

Mrs. B. J. Gross, Chairman 1951

SUNDAY-SCHOOL

The enrollment and attendance of the Sunday School for the year 1951 shows an increase over past years. The average enrollment during 1951 was 220, exclusive of some 60 members on the Cradle Roll, of pre-school age. This compares with 210 average enrollment for the year of 1950. The average attendance of the school, including pupils, teachers, officers and Adult Bible Class was 144 for a 10 months' period, which does not include the summer months of July and August, compared to an average of 122 during 1950 for 12 months. New members gained through the year total 26.

During 1951 an innovation was tried through the summer months, combining the Sunday School hour with the Church Worship hour, except for the Beginners and Primary Depts., for which fact the average attendance was based only on the 10 months period.

Now Teachers added to the Staff in the past year were: Mrs. Chas. Krembel in the Beginner's Dept., Mr. R. Schalin in the Intermediate, Junior High Dept., and Mrs. M. Yaeckel in the Junior Dept.

Officers and Department Heads for the Sunday School year which started the first of October are: Cradle Roll, Mrs W. Kuhmann; Nursery Dept., Mrs F. Breitung; Beginner's Dept., Mrs R. Raufeson; Primary Dept., Mrs A. Schnako. General Supt. of School, W. T. Nowack; Treasurer, Mr. A. Meili, Jr.; Financial Sec'y., Mrs N. Alderman; Rec. Sec'y., Mrs Herbert Krase; Enrollment and Attendance Secretaries, Mrs Wm. T. Nowack with Mrs. Jean Anderson, assistant.

Monthly Staff meetings were held on the third Monday night of each month except during July and August. The Stewardship Poster and Essay Contest was again promoted by the Sunday School with five entrants from the school submitting entries. The School presented the annual Children's Day Service and conducted the Sunday School Christmas Worship Program. It gave generous support to the White Christmas project and the Mitten-and-Sox Tree project with over 100 pairs of mittens and sox being brought by the pupils for needy children across the sea. Financial support was given by the pupils of the School for an Indian Mission child, and also support for a year for a war orphan. The S.S. Staff was again responsible for the Christmas trees and church decorations at Christmas. An indoors picnic was held after Easter for all members of the school from Beginner's through Senior Departments. The problem of additional space for the Beginner's Dept., greatly needed in the fall, was solved nicely by the extension of a partition, enlarging the Beginner's space and making Beginner and Primary Departments of equal size.

A brief report of the Finances of the Sunday School shows:

Balance	Jan. 1, 1951	\$386.28	A brief summary of expenditures:	
Receipts		967.95	Lesson books, papers & supplies	\$517.88
Expenses		945.73	Plodge to Church	125.00
Balance	Jan. 1, 1952	408.50	Honarariums to Dunkirk campers	70.00
			Missionary projects	178.15
			Miscellaneous	54.70

From the above financial report it will be noted that the School was financially self-supporting; plodged to the church budget, supported numerous missionary projects and balanced its budget. It is only through the loyal and faithful support of Department Heads, Teachers and Officers that the fine work of Christian education can be carried on in our church. St. Paul's has a fine, loyal and cooperative staff of teachers and officers and this report would not be complete without thanks and appreciation to this group for their faithfulness.

William T. Nowack, General Supt.

WOMEN'S GUILD

This very active organization for women, known as the Women's Altar Guild, in St. Paul's Church, meets the first Thursday of the month, coming together at one o'clock for a Coffee Hour - the Devotional and Business Meeting beginning promptly at 2 o'clock. The Guild continues to contribute much to the life and program of the local church, as well as the entire program of the National Women's Guild. All women of the church should feel it an honor to belong to this group, enjoy its fellowship and become active in its work. The present membership consists of 80 active and 7 honorary members. With an average monthly attendance of 36. One member, Mrs Valerio Vaisoy was taken by death on June 22nd. Two new members were received.

In order to give each member of the Guild a specific field of interest in promoting the work of the church, the entire membership is divided into seven departments, viz., Christian Citizenship, General Education, Membership, Missionary, Spiritual Life, Stewardship and Social Service. The Guild has representation in and cooperates with the work of the Council of Church Women. It likewise was well represented at the Spring and Fall meetings of the Rochester Regional Women's Guild and the annual Conference at Dunkirk.

Also to promote fellowship and activity in the Guild, there are four Circles, which meet monthly in the homes of the members. These are known as Circle I, Circle II, Ruth and Fidelis Circle. Our sick and shut-in members are visited each month by two Guild members appointed by the Spiritual Life Chairman. At Easter and Christmas time, little gifts are taken to them together with their Cheer Baskets. About 150 of these calls were made during the past year. Many Cheer and Birthday Cards were also sent out among our membership.

The following are some of the activities which were engaged in during the past year: Participation in the Annual Federation of Churches Drive; Annual visitation to St. John's Home for the Aged; prepared and served Spring Dinner; Celebrated our 85th Anniversary in conjunction with a Mother & Daughter Fellowship; Rummage Sale; Guild picnic at church in June; Luncheon and Book Review; Sauerkraut Supper and Bazaar; Christmas Supper and play "Christmas Comes to Hampshire Road", with the gathering of gifts and toys for orphans; completed 8 layettes and 12 blankets for overseas; prepared and sent 5 cartons of clothing to American Friends, 2 to McAll Mission, 4 to Winnebago Indians; 11 boxes of toys and clothing to Biloxi Back Bay Mission and Greenville Orphanage in Pennsylvania, and one large box of heavy clothing to the Rescue Mission. Without the fine assistance of the loyal women of the Sewing Circle, in mending and sewing the clothing, this fine contribution to the needy folk would not have been possible.

Our Treasury on Jan. 1st, 1951 showed a balance on hand of \$1,727.94
Total receipts during the year were \$1,527.40
Disbursements during the year were 1,919.70 (Major items were the church drapes and furniture \$724.50, church plodge \$500.00, Synod duos and Missions \$186.50)
Balance on deposit, January 1st, 1952 - \$1,335.64

As we continue to promote the program of the church and the Women's Guild, may we look forward to having more women join us in the task.

THE BROTHERHOOD

The Churchmen's Brotherhood meets on the first Monday of each month. Devotions are conducted by Pastor Schnako. The Brotherhood again enjoyed a pleasant year. We had several speakers who gave interesting talks on various subjects. Some of the speakers were Mr. Harry Murphy, who talked on rubber; Mr. George Haupt, who talked to us on television; Mr. Crapsy, who spoke on Civil Defense, and Mr. Eisenhower told us about his experiences in Korea.

The annual Father and Son's Banquet brought out a large group who enjoyed a fine meal, songs, movies, and a talk by Rev. Kenneth Bishop. We had a hot dog roast in June and in July about 79 attended the annual Family Picnic which was held at the Strecker Farm in Hemlock. Baseball and other games were enjoyed by both young and old. After a basket supper, Pastor Schnako conducted the Vesper Service.

We again opened our fall season with vacation stories and pictures by our members. Also, we had a very fine report on Dunkirk Retreat by Al. Meili. St. Paul's Brotherhood had 12 present at this Retreat.

The Brotherhood made donations to the Federation of Men's Bible Classes, West New York Synod, National Brotherhood, Federation of Churches and also helped sponsor our own baseball team. The year was ended with a Christmas Party which was attended by the men and their wives. We again extend an invitation to the men of our church to attend our meetings and enjoy the fellowship with us.

ADULT BIBLE CLASS

The Adult Bible Class had an average attendance of 26 per Sunday for the year. There were no classes held during July and August, because of the summer church schedule. During 1951 we were happy to welcome 3 new members and 13 visitors.

Contributions were made to various projects and charities, including a pledge of \$60.00 to the Church Budget. Flowers were placed on the Altar for Mother's Day and Memorial Sunday. Flowers and convalescent cards were sent to the sick and shut-in members of the class. The annual Easter Breakfast was again sponsored by the class and attended by some 90 members of the congregation. Mr. and Mrs. Henry Hieb, who have been faithful members of St. Paul's Church for many years celebrated their 50th Wedding Anniversary in November. To commemorate this happy occasion, the class presented a plant to them with best wishes for many more years of happiness together.

We are always happy to welcome new members and extend a cordial invitation to all adults to join us Sunday mornings at 9:30 for this period of Devotions and Bible study. Miss Lucille Roushke and Pastor Schnako alternate as teachers of the Bible Lessons.

YOUTH FELLOWSHIPS

The TEENAGERS comprise the young people of our church between the ages of 13 and 18. They meet regularly on the first and third Sunday evenings of the month, taking turns in conducting the devotions and discussions at the meetings and engaging in various activities. During the year, various parties were held, such as a Valentine Party; Box Lunch Auction; Halloween and Christmas Parties. Several educational films were shown on Alaska, Korea and Malaya and on the Life of Jesus. Outings were held at Menden Ponds and Durand Eastman Park. At Christmas time a poor family was adopted and provided for, and the group engaged in the Carolling Party.

With the leaving of Mr. Parker Brown, the activities were under the direction of the new Student Pastor, Mr. Reinhard Schalin. Emanuel Youth Fellowship was entertained as guests at one of our meetings. Twelve members of the group attended the Camps at Dunkirk and also a number were in attendance at the Labor Day Week-end Conference. We urge all young people of Junior and Senior High School age to come and participate in the meetings and activities of this fine group. The treasury shows a balance of \$23.75 at the close of the year. Officers of this group are:

President	-	Richard Staub	Rec. Sec'y.	-	Carol Prietz
Vice-Pres.	-	William Kooplin	Fin. Sec'y.	-	Virginia Boehm
		Treasurer	-	Nancy Hendrick	

* * * *

The SENIOR YOUNG PEOPLE conducted a number of interesting meetings through the year. Outstanding among them was a speaker from Alcohol Anonymous, an evening with members of Christ E & R Church as guests; films and discussion on the Jewish Faith, and on 'Are You Ready For Marriage?'. Outings to Hamlin Beach, Letchworth Park, Ellison Park and concluding with a fine gathering at Christmas time at the Carolling Party.

These young people for the fifth consecutive year, again sang at the Sunday morning services during July and August under the direction of Bob Stoll, and a large number of them attended the Labor Day Conference at Dunkirk. The majority of these Senior Young People now are away at College.

Christian Fellowship is wholesome for all young people of the church, and we urge all our young people to tie their plans and programs in with the activities carried on at the church. We are especially happy over the activity in the 'Call' on the part of two members of this group, namely, Lois Groth and Marianno Jubin, who are working in the State and County Organizations.

EVANGELISM

Evangelism means telling forth the good news of Jesus Christ as our Lord and Saviour, and interesting people in the fellowship and work of the church. We here have no special Evangelism Committee, but we consider it to be the duty of every member to interest and invite friends and neighbors to church, and to the work of Jesus Christ. -The Lenten Season especially lends itself for personal work of this kind. Would you please try to think of someone who is not an active member of the church, and go out of your way to bring them with you to the wonderful services of the season. -What a wonderful thing if you may be instrumental in saving some soul for the kingdom of heaven. Splendid booklets about our faith and membership and about our church are available from the Pastor. Also membership application cards are available. Will you help us in this 90th Anniversary Year to gain 90 new members? If every member works at it, then we should be able to attain this goal.

THE CHOIRS

A large volunteer choir adds to the loveliness of our services of worship every Sunday morning with the sacred anthems sung under the able leadership of Mr. O. Matthew Lyders, with Mr. Harold Stoen faithfully presiding at the organ. Also, our Wednesday evening Lenten services are made worshipful by their singing.

Rehearsals of the Senior Choir take place every Wednesday evening at 7:30. The present enrollment of the choir is 26 and twenty or more find their place in the choir loft every Sunday. Always we are happy to welcome more singers, especially in the tenor and bass sections.

In appreciation of their services, the Church Council again tendered the choir three social functions during the year. An evening with the Community Players; Annual Close of the Season dinner at Valley Echo and also a December Dinner and Party. Treasury shows a balance of \$146.08.

Officers recently elected for 1952 are:

President	-	Richard Coonan	Soc'y. & Treas.	-	Marianne Jubin
Vice-Pres.	-	Carol Prietz	Librarian	-	Florence Kelloy

Carol Prietz, President 1951

During the Vacation months of July and August, a YOUTH CHOIR of about twenty voices, under the direction of Bob Stoll, again sang at the services. This is the fifth consecutive year that this fine group of young people has contributed their time and talent. We are again hoping that our young folks will want to render this service this summer. In appreciation, the Council assisted in paying part of the registration for the singers at the Annual Labor Day Week-end Youth Conference at the Dunkirk Grounds. Some 20 attended, and under Bob Stoll, again added to the program of the conference with their music.

Our JUNIOR CHOIR of 28 voices, directed by Mr. Lyders and assisted by Mrs. Florence Kelloy, also made several appearances during the year. Our congregation enjoys these young singers, and we hope that we may build up the organization, so that they will sing at least once a month in our services.

ALTAR FLOWERS

We are thankful for the flowers that each Sunday grace our Altar. Some of them are memorial bouquets placed to the memory of a loved one on specific Sundays; others come from the gardens of our friends and others are provided out of the Fund. We encourage our folks to add to the beauty of God's House by the placing of flowers. After services they bring cheer to the sick and shut-in. Please call Mrs. F. Broitung chairlady of the Flower Committee early in the week if you have flowers to place, so that proper notice may be placed in the Program.

A THOUGHT -

Every so often we read accounts that a church has been remembered in the last Will and Testament of a departed one. This always gives us a kindly feeling toward the one who has passed on, remembering that he thinks enough of Christ's work here on earth that he wishes to perpetuate its work even after death, by a gift he leaves to the church. If you have the desire to place such a clause in your will (and every person should make a will) the suggested proper wording is:

I give and bequeath to the St. Paul Evangelical and Reformed Church,
Norton and Jewel Streets, Rochester, New York, the sum of \$ _____

PERPETUAL MEMBERSHIPS

During the year two names were added to the Bronze Memorial Tablets in our church. Mrs Florence Kelley made a gift in memory of her parents, Mr and Mrs Wm. King, and Mrs Bertha Recke made a gift in memory of her husband, Mr Gustav Recke. Such large gifts made in memory of a beloved one are placed in our Endowment Fund, the interest earnings of which are used to carry on the work of the church. The principle fund itself is safely invested and remains intact. A growing Endowment Fund secures the future of the church and is also one of the finest ways of memorializing our departed and beloved ones. We hope that in this 90th Anniversary Year there will be a number of such larger gifts. Bronze name plates are made and placed on the permanent tablets in the church. Suggested gifts are \$200.00 or more.

MEMBERSHIP DIRECTORY

Foreword -

On the following pages we list the names and addresses of the active and contributing members of our church. When a member fails to give financial support over a three year period, we follow the policy of placing such a name in the inactive file. As soon as we have the assurance of active support, such names are again included in the Directory List.

Here also are listed the pledges and contributions for the Current Expense Budget of the Church during 1951. This does NOT include our Benevolence contributions in our Sunday plate offerings and specials, at Christmas and Easter time.

We wish to express our sincere thanks to all givers, especially to those who have made the effort to increase their pledges in these times of high costs. If there are any mistakes, we would be pleased to have you notify the Financial Secretary. ALSO please notify the Church Office immediately when there is a change of address, so that your church mail will arrive at the proper destination.

PASTOR'S REPORT

I CORINTHIANS 13: "Wherefore my beloved Brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, for as much as ye know that your labor is not in vain in the Lord."

Another year of faithful work for our Lord and Saviour has come to a close and as we look over the reports that are herewith presented, we are mindful that God has again blessed us, as we through our beloved church, have occupied ourselves with His work. For 91 years, devoted Christian members of St. Paul's have most faithfully carried on the Lord's work. Members of St. Paul's have freely given of their time, talent, energy and money, that the gospel of salvation might be preached and that the Kingdom of our Lord be extended and that souls may find their way to the peace of the Heavenly Home. One by one, the old faithfuls have passed on to glory, but always there are the others who step forth and take up the work and carry on - even as the Scripture says: "steadfast, unmovable, always abounding in the work of the Lord, for as much as ye know that your labor is not in vain in the Lord".

The WORSHIP OF GOD - Among all the obligations that rest upon any Christian, the worship of Him on the Lord's Day, stands foremost. To neglect this is to become weak in our Christian faith and life. We rejoice that many of our members have again been faithful in their church attendance. The average attendance for the 53 Sunday morning worship services of the year was 222, and in our Sunday School 137. We thank God for your loyalty, for your presence in the worship service is a wholesome example and inspiration to others. To neglect God, in whom lies our destiny, and His church, is precarious to our soul's salvation.

Our SUNDAY SCHOOL - Next in importance to the worship of God in our Services, stands the task of Christian Education in the Sunday School. We are barred from giving religious instruction in our public school system, and therefore, if children are to learn to know God, to know Jesus Christ our Lord and to learn the truths of God's Holy Bible, they must be given the opportunity in the Sunday School of the Church. To see that this is done, is the responsibility of every parent. We need make no apologies for our Sunday School. We have a capable staff of officers and teachers; good lesson materials and adequate facilities. We regret very much the loss of Mr. Wm. Nowack, who so very efficiently served as our Superintendent during the past 8 years, through his transfer to New York City in October. In his stead Mr. Raymond Yaeger has ably assumed this responsibility. As Pastor, I express my sincere appreciation to each and every member of the Staff.

Our ORGANIZATIONAL LIFE - A church needs not only worship and education, but it also requires fellowship. So also, St. Paul's Church, through its various organizations for men, for women and for young people offers this opportunity of coming together, getting acquainted with one another, carrying on specific interest projects and doing active work for the church as a whole. I appreciate the leadership of these organizations and they all have had worthwhile meetings and have done constructive work for the church. I would strongly urge more men to come to the Brotherhood meetings, more women to attend the Women's Guild meetings and above all else, more of our Young People to add to wholesome Christian development by participating in our Youth Groups.

FRIENDLY VISITATION - To aid the Pastor in the work of home contacts and visitations, some 31 years ago the Board of Deaconesses was established. These 18 Deaconesses elected by the Congregation, have again rendered a valuable, friendly service as they visit in the homes and as a Congregation, we owe them our gratitude. It is always a high honor for any woman to serve in this important work.

Our COUNCIL - The 16 men of our Church Council whom you have elected and to whom you have entrusted the government of your church, have been faithful in their tasks and duties during the year. Earnestly and successfully they have directed the affairs of the church and we express to them our gratitude, especially to the 5 members who now retire after their 3 year cycle of service.

FINANCES - Also financially, the past year has been a good one for our church, due to the concern and support of our members and friends. Our property is in good condition and is free of debt. Your giving to Current Expenses amounted to a new high of \$14,760 and for Benevolences also a new high - \$4,515.00. An additional \$729.00 was contributed to the Rochester Federation of Churches. This enabled your Council to pay all Current and Benevolent obligations and to end the year with goodly balances in both accounts. To ward against emergencies, a sizeable Reserve Fund is maintained. Also our Perpetual Memorial Endowment Fund has been increased by almost \$900 through the addition of 5 names on our Memorial Plaques. We trust that all our members will be proud to give support to maintain this good record.

Our STAFF - We express our appreciation to the interest and faithful work of our Staff. To Mr. Harold Steen, now for 15 years our faithful organist; to Mrs. Louise Lohlor, our capable Office Secretary for the past 10 years; to Mr. Robert Ketcham now in his second year as our Student Pastor. During the year we regretfully accepted the resignation of Robert Stoll, who was called to the Army. With the Fall, we happily obtained the efficient service of Mr. Harold Geschwind as our Choir Director. We appreciate the music in our Services and the support of our Choir. Also, Mr. Alfred Luehl resigned in the Fall as Church Sexton, and Mr. Herbert Merritt is ably giving his service on a part time basis. Again to all - our sincere thanks.

GOALS for 1954

- 1 - Average Church Attendance of 250
- 2 - Average Sunday School Attendance of 150
- 3 - Fifty new members in the church and 25 new pupils in the Sunday School
- 4 - 10% increase in membership attendance in organizational groups
- 5 - Daily Devotions in all homes.
- 6 - Everyone being loyal to and speaking enthusiastically about the church
- 7 - Every member giving financial support for church and missionary enterprises

And finally in this report, I would express to all of you my sincere thanks for your friendship and support in the work of our Lord. My duties as a pastor are many and I thank God that He has given me health and strength to perform my task to the best of my ability. In addition to preparation of services and sermons; visitations and pastoral ministries; attendance at almost all meetings of the church organizations, your Pastor has also devoted time and energy by serving as Vice-President of the West New York Synod and is on its Missions Committee; is chairman of the Department of Christian Education of the Rochester Federation of Churches and on numerous program and policy committees; is member of St. John's Home Board, etc. May the Lord bless us and continue the fine Christian spirit and good-will that has prevailed through all these years.

Respectfully submitted,

Alfred G. Schnake, Pastor

SYNOD REPORT

The Church is God's Supreme Instrument, whereby He channels His Divine Power and Saving Grace to man and whereby He seeks to redeem the world. The Church is never an end in itself and therefore it must confront the world with the best possible organization and the most competent leadership. This leadership rests with our General Synod, composed of 34 geographical subdivisions or synods, with approximately 800,000 members. Our church is affiliated with the West New York Synod, with 72 churches and 28,000 members.

As your official delegate, I have attended with our Pastor, the annual Spring Conference of the W.N.Y. Synod, held April 28, 29 in Salem Church, Tonawanda, N. Y. This is the Legislative Session of our Synod and its purpose is to review and appraise the work and accomplishments of our church at large during the past year and to formulate plans and courses of action to relate the program of our Synod to the general program of our denomination. Benevolent giving for the year 1952 reached an all time high. For Kingdom and World Service, our congregations contributed \$4,300,000 and for new churches in excess of \$1,000,000. This is indeed a fine record and demonstrates our high concept of Stewardship. I am pleased to report that our church has again met its quota in full. Our Synod supports the position taken by the Commission on Christian Social Action regarding Ministers and Social Security, and requests the General Synod to petition Congress to include all ministers of religion on a voluntary basis.

At the Spring Meeting, I was elected for a term of 3 years, a member of the Synodical Kingdom and World Service Committee and attended several meetings in Rochester and Buffalo. The purpose of this committee is to allocate Synodical apportionments for each individual church and to prepare statistical reports on Benevolent giving, for your information and inspiration.

On October 6th, I attended the Fall Meeting of our Synod, held in Buffalo, N.Y. The speakers and the topics were highly inspirational, calculated to point the way to more effective Christian living. I was particularly impressed by the message of our Zonal Representative for the National Churchmen's Brotherhood, Mr. Paul Wack. This Laymen's movement is growing rapidly and has established an enviable record, not only in their own churches, but in other fields as well. He demonstrated how much good can be accomplished when men have unity of purpose with guided responsibility.

On September 9, 10, I was privileged to attend the Kingdom Service Conference held at the Hotel Cleveland, Cleveland, Ohio. This meeting brought together Pastors and Delegates of our 34 Synods from all over the United States, to discuss and agree upon an acceptable division of our church's apportionment. The theme of the conference, "Our Growing Church", was forcefully presented to the gathering by the new President of our Denomination, Dr. James E. Wagner, in his first official appearance since his election. Dr. Carl W. Klein reported on World Service, Material Aids and Rehabilitation. I was surprised to learn how much material aid such as, livestock, seed and clothing has been sent to the stricken areas of the world, particularly Korea. By such acts of mercy we demonstrate our belief in the world-wide program of Jesus in His challenge to "Go ye therefore and teach all nations" and again when He said, "As ye do it unto the least of these, ye do it unto Me".

Delegate, West New York Synod

PRESIDENT HENN'S REPORT

We come to the close of our church year with thankful hearts for the many blessings which have come unto the people of St. Paul's E and R Church. Our Pastor, the Reverend Alfred G. Schnake and Mrs Schnake, continually render devoted service to our church. For this, we are deeply grateful. Mr. Robert Ketcham, our Student Pastor and director of Youth Activities is to be commended for his fine work with the young people of our church. Our church school, headed by Mr. Raymond Yaeger as Superintendent and a fine teaching staff, continues to function very efficiently. We regret the resignation of Mr and Mrs William Nowack who were transferred to New York and who served our Sunday School for many years and express to them our appreciation for their faithful service. Also during the past year we received with regret the resignation of our choir director, Mr. Robert Stoll, who was called to army service and who ably directed and presented fine music. Our new director, Mr. Harold Geschwind has picked up the leadership and is providing music which adds much to the enjoyment of our services. Mr. Harold Steen, our organist for 15 years has added much to the service with his excellent selection of compositions. Mrs William Lohler, our church secretary also receives our thanks for her continual pleasing manner of serving the church. With the changes of this year came the resignation of Mr. Alfred Muehl. To Mr. Herbert Merritt, who is now rendering the duties of the sexton on part-time basis, we express our gratitude.

The Church Council meets each month to consider any problems that are presented and to hear the reports of the various committees. The Elders, led by Otto Goetz have continued to very ably assist at all Communion Services. The Trustees, headed by Melville Bancroft, have capably carried out the improvements needed. The exterior trim of our church was painted and the two water fountains installed. The Deacons, headed by Harry Stuver, continue to serve efficiently our Congregation, both before and during services.

To our Board of Deaconesses headed by Mrs Harry Murphy, goes our deepest gratitude for the many hours of service given and a special note of appreciation is extended to our Flower Committee, headed by Mrs Fred Breitung, for the flower arrangements on our Altar each Sunday and the distribution of flowers to the sick and shut-in members of our church.

(cont'd)

To William Lehler, Fin. Sec'y., Bruno Lehmann, Treas., Fred Horch, Ben. Treas., Herbert Kruse, Vice-Pres., and Robert Uehlin, Rec.Sec'y., we say 'Thank You' for a good job well done. A vote of gratitude goes to our Auditing and Budget Committee, headed by Herbert Kruse. At this time we express our sincere thanks and gratitude to the retiring councilmen for their splendid assistance and co-operation: Otto Goetz, Melville Bancroft, Harry Murphy, George Schenck and Milton Yaskel.

May 1954 be a year filled with God's blessings as we go forward to proclaim His name and do His work, even to the far ends of the world.

WOMEN'S GUILD

The WOMEN'S ALTAR GUILD is the women's organization in St. Paul's Church which meets on the first Thursday of the month at one o'clock for a Coffee and Social Hour with the Devotional and Business meeting beginning promptly at 2 p.m. This group of women continues to contribute much to the life and program of the local church, as well as the program of the Rochester Regional Women's Guild and the entire program of the National Women's Guild. We cordially invite all women of the church to become active in its work and enjoy its fellowship. The present membership consists of 75 active and 5 Honorary Members, with an average attendance of 32. Three members were taken by death, Mrs Minnie DeWitt, Mrs Elizabeth Kolb and Miss Johanna Lau. One new member was received.

To assist the members of the Guild in getting acquainted with and promoting the work of the National Women's Guild and the local church, the entire membership is divided into 7 departments, viz: Christian Citizenship, General Education, Membership, Missionary, Spiritual Life, Stewardship and Social Service. The Guild has representation in and co-operates with the work of the Council of Church Women of Rochester and Vicinity. It likewise was well represented at the Spring and Fall Meetings of the Rochester Regional Guild and the annual Fall Conference of the West N.Y. Women's Guild at Dunkirk. Mrs Alfred Schnake represented St. Paul's and the Rochester Region at the Quadrennial Meeting of the National Guild at Cleveland, Ohio November 16-19.

Also to promote fellowship and activity in the Guild, there are 4 circles which meet monthly in the homes of the members. These are known as First Circle, Circle II, Ruth and Fidelis Circles. Our sick and shut-in members are visited regularly by Guild members appointed by the Spiritual Life Chairman. At Easter and Christmas, they are remembered with gifts and Cheer Baskets. About 150 of these calls were made during the past year. Many Cheer and Birthday cards were also sent to our membership.

The following activities were engaged in during the past year: Participation in the annual Federation of Churches Drive; Annual visitation to St. John's Home For the Aged; Mother and Daughter Banquet; Annual Ascension Day Service of the E&R Women of Rochester was held in our sanctuary, followed by tea and fellowship; Summer Supper and Hobby Show; two Rummage Sales; Sauerkraut Dinner and Bazaar and the Christmas Luncheon at which time members brought gifts 'for others'.

The following Denominational Institutions and Missions were remembered with gifts of clothing, bedding, toys, etc: Biloxi Mission, Shannondale Community Center, Greenville Orphan's Home and Home for the Aged; Winnebago Indian Mission. Through Church World Service we sent 7 blankets and gathered clothing for Holland Relief and Korea. The total weight of these packages was about 500 lbs. We also co-operated with the Mitten Project. Our appreciation and thank-you to the loyal women of the Sewing Circle in mending and preparing clothing for distribution and to all who contributed.

Treasurer's report showed a balance of \$748.75 on Jan. 1st, 1953, with total receipts during the year of \$1,242.68. Disbursements (including Pledge to the Church of \$500.00 and Missions \$255.00) amounted to \$937.75, leaving a balance on Jan. 1st, 1954 of \$1,053.68.

THE BROTHERHOOD

The Brotherhood, with an enrollment of 38 men, meets the first Monday of each month with the exception of July and August and is a member of the Churchmen's Brotherhood. Its aim is to bring the men together for an evening of Christian fellowship.

The Brotherhood has had some very successful meetings this year with some fine programs presented to the group. Pastor Sohnake secured for us some very fine educational films. A talk on Wonder Drugs by Dr. Eli Leven; pictures and a talk on the State Thruway by Robert Tylook proved very interesting. Our Annual Father and Son's banquet was held in May with Capt. Jensen as speaker. Eighty were present for this occasion. Herbert Krase, our speaker for June gave a most interesting talk on 'Glass Enameling at Pfaunder Company'. One of the high-lights of the year was the picnic in July held at the Streeker Farm and attended by the Brotherhood families, concluding with a Vesper Service. A group of men and boys again attended the Retreat held at Dunkirk in September and pictures and a fine report of this meeting were presented by Albert Meili. The Christmas Party for the members and their wives was well attended and a very pleasant evening was enjoyed by all.

The Brotherhood contributed to the Federation of Men's Bible Classes; W. New York Synod; National Brotherhood; Federation of Churches; also various projects. \$125.00 was our gift to the Church Treasury. The Brotherhood, as in the past, sponsored the Birthday Calendar. We express our gratitude to the congregation for their support of this project.

We heartily urge all the men of our church to become members of this organization, take part in its projects and enjoy its fellowship.

The Officers for 1954 are:

President - Bruno Lehmann	Financial Sec'y. - Jacob Eckert
Vice-Pres. - John Schwartz	Treasurer - William Lehler
	Recording Sec'y. - Albert Greth, Jr.

ADULT BIBLE CLASS

The Adult Bible Class had an average attendance for the year of 25 per Sunday and was happy to welcome 3 new members and 40 visitors during the year. On Feb. 24th we had Friendship Sunday, at which time all members were asked to bring at least one visitor. We had a fine turnout of 55 members and friends.

The Annual Easter Breakfast was again sponsored by the Class and was attended by some 95 members of the Congregation. Flowers were placed on the Altar for Mother's Day, in honor of all mothers, and also on Memorial Sunday in memory of the departed members of the class. Plants and a number of convalescent and birthday cards were sent to our sick and shut-in members. Two Memorial Wreath Cards were also sent out. Contributions were made during the year to various projects and charities including a pledge of \$60 to the Church Budget.

A cordial invitation is extended to all members of the Congregation to join us on Sunday mornings at 9:30 for this period of Devotions and Bible Study. Miss Lucille Reuschle and Pastor Sohnake teach on alternate Sundays. The International Bible Lessons are used as our study guide.

Officers elected for the year 1954 are:

President - Harry Murphy	Secretary - Mrs. Fred Breitung
Vice-Pres. - Fred Brown	Treasurer - Mrs. Richard Howorth

Harry A. Murphy, President 1953

YOUTH FELLOWSHIP

During the past year, the Youth Fellowship of 25 members of High School age, has taken many active parts in co-operation with the Church, helping the less fortunate yet planning and carrying out interesting programs for themselves. The meetings are held every first and third Sunday of the month, from 7 to 9:30 P.M.

We began the year by having Stephen James from Jamaica, as our guest speaker. On Youth Sunday, the members of the group participated in giving the worship service and also on Children's Day. At Easter time, a banquet was held for the Confirmation Class and for those who had been confirmed by Pastor Sohnake in the past 6 years. A play was presented on Family Night which went over very well. Also during the year, youth groups from other churches were invited to our meetings and in turn, we also attended their churches. Bowling parties were held at Colgate Divinity School, educational movies and film strips were shown along with discussions. Finally, we ended the year by giving a gift basket to a poor family, and enrolling for the shut-in folks at our annual Christmas Party. We appreciate the leadership of Bob Ketcham, our Youth Advisor.

We urge the parents of our youth to encourage their sons and daughters to attend the meetings more regularly and to invite friends to come also.

Officers for 1954 are:

President - Allen Kubitz	Secretary - Rosamary Sammer
Vice-Pres. - Richard Meili	Treasurer - Gratia Prietz

A group of YOUNG ADULTS since Fall have been meeting on the 4th Sunday evening of the month. Their primary purpose is for study and discussion of the Religious Beliefs of our Church as compared to other churches, as well as extending into a study of the different world religions of today.

All Senior Young People and Young Adults are invited to these interesting meetings, to increase their understanding of religion and to enjoy our fellowship. Mr. Marvin Sellers is serving as Chairman of this group.

ALTAR FLOWERS -

No Sunday passes by, but that fresh flowers fill the vases on our Altar. Many of them are Memorial Flowers placed in memory of some beloved one; others come out of a Fund provided by the Women's Altar Guild and the Board of Deaconesses. We encourage our members to place flowers, either in memory or to the honor of our loved ones. If you have a specific Sunday when you wish to do this, please notify our Flower Chairlady, Mrs. Frank Wilson, in time so that proper note may be made in the program. After the service, the flowers most often go to brighten some sick room.

LENT - Begins with Ash Wednesday, March 3rd - Plan to attend the special Wednesday evening Lenten Service at 7:30 - Lenten Sermons - Passion Story and appropriate anthems by the Choir.

THE CHOIRS

Our Senior Choir has again rendered a fine and necessary contribution to our Worship Services both on Sunday mornings and in the special evening services, by presenting the sacred anthems of our Christian faith. We were disappointed to hear of the resignation of Mr. Robert Stoll, our director, who was called into service in the Army. He had faithfully directed us for the past year.

We are pleased at the selection of Mr. Harold Geschwind as our new director and we would urge those interested in the music of the church to come out and sing with us. Mr. Harold Steen continues faithfully to accompany and preside at the organ.

During the year several social functions were awarded us by the Church Council and included a Theatre Party at the Arena Theatre; an end-of-the-season dinner at Turner's Hall and a Christmas Dinner at Church. We express our thanks to the Council. Our treasury shows a balance of \$69.70.

Officers for 1954 are:

President - Miss Heidi Zimmerman
Vice-Pres. - Mrs. Richard Dixon
Sec'y. Treas. - Miss Rosemary Sammer

Respectfully submitted,

Harry Murphy, President, 1953

A JUNIOR CHOIR of 28 voices sing the anthems in our Christmas Program and Children's Day Service. Their singing is appreciated by the Congregation and in the future we hope to arrange more appearances of them. We express our thanks to Mrs. Florence Kelley in assisting the director at the rehearsals.

A THOUGHT -

We are frequently advised from many sources that it is good wisdom for every person to draw up a document known as his 'Last Will and Testament', in order that property may be distributed as he desires. A parent's foremost obligation is toward his family, but in addition, it is well to remember the Church and Charity to perpetuate the work of our Lord. We happily note that frequently there are folks, even though they be of limited means, who remember God's work through their Church. Should you desire to remember your church and add a clause to your will, the proper wording is - -

"I give and bequeath to the St. Paul Evangelical and Reformed Church,
Norton and Jewel Streets, Rochester, New York, the sum of \$ _____."

PASTOR'S REPORT

It hardly seems possible, but this already becomes the ninth Annual Report that I, as Pastor, make to the Congregation of St. Paul's Church. Where the years have gone I don't know; only I do know that it is a wonderful privilege God has given us to be His servants, to tell the world of His wondrous love and mercy and to use the Church as a medium to build His kingdom. What a blessed thing is the Church of Jesus Christ, ever pointing the way, ever calling into its fold those who would follow Him who is King of Kings and Lord of Lords, our Saviour and Redeemer Jesus Christ. How thrilled you should be that you are a member of His Church; that you have a spiritual home, a place where you find joy in worshipping with your christian brethren, and where you work and sacrifice, laying up for yourselves treasures in heaven. I do thank God for the many among you who year after year give of your time and talents and your possessions, that St. Paul's Church may continue to be an effective agent for Christ.

A splendid spirit of harmony and co-operation has again prevailed throughout the year and this is as we hope it will always be and as Christ would have it. The reports of the Church and its Organizations, printed in this Year Book, will show that is has been a good and blessed year in many ways. Sometimes we wonder if we are accomplishing anything; sometimes we may be impatient with progress; sometimes perhaps we loose the true purpose of our being and place emphasis on the lesser things. Really, statistics don't count much before the throne of God, but as human beings, we do find certain comfort in the knowledge that appearances at least are good. St. Paul's is not a church that records sensational gains and progress, such as some of the churches in the new communities record, but steadily and effectively we do move ahead.

To illustrate, we take our Year Book Ten years ago and compare it with last year.

	1944	1954
Members contributing to Current Expenses	548	587
Average Sunday Morning Church Attendance	200	226
Average evening Church Attendance	163	166
Average Sunday School Attendance	120	140
Communions	1058	1208
Current Expense Receipts	\$ 10,022	\$ 15,265
Benevolent Receipts	2,796	4,635
Perpetual Endowment Fund	4,119	10,170
Reserve Funds	1,800	11,205

During this 10-year period, 345 members were received into the Church by confirmation, transfer of membership and confession of faith. On the other hand, we find that during this same period 120 of our members answered death's call, 51 members received letters of transfer. The sad part is, that about 135 members in the past 10 years had their names removed from the active church roll, and placed in the inactive card file. You see, our Denomination, as well as our local church, has the rule that if members show no interest, give no support to the church over a 3-year period, their names are removed from the active membership list. We are always sorry to do this, but this neglect of responsibility and indifference to the Church of Jesus Christ, on the part of those who once were added to His fold, is the great tragedy in all churches today. Just think how wonderful it would be, if ALL who once accepted Christ and became members of His church would faithfully remain so, 'till God released them from this life. And if all took their religion with them into their daily life, we would be much farther on the way to the realization of Christ's Kingdom of love and brotherhood. Perhaps there are some who read this who would again like to have their name on our active membership list. Just come to us and tell us, and assume your responsibility and we will be happy to re-instate you.

It has been our joy to see the influx of new children into our Sunday School this past Fall, giving us some of the best attendance records we have had for a number of years. We are especially fortunate to have loyal Superintendents and Teachers and only a few replacements had to be made early in the year. That speaks well for us.

Since our church is not what we call a Community Church, but has its membership scattered all over town, it is difficult to become acquainted with the folks who sit in the pews on Sunday mornings. To aid in this respect, we do have the various organizations for Men, Women and for Youth, which offer opportunity of meeting and working together, and becoming acquainted. Some of the finest friendships are established in this manner, and I strongly urge folks to come out to these organizational group meetings. It will be for your own good; for your enlightenment and for the good of the church. All groups have given good account of themselves in the past year.

Our Board of 18 Deaconesses renders a real service in visiting the homes of our members during the course of the year. Thus they become acquainted with our members as to where they live and maintain interest in the church. All members of our Choir are volunteer singers and as a congregation, we are proud of them for they do give good account and add much to our service as we worship the Lord. And if anyone likes to sing and wants to render a real service of joy to the Lord, both men and women, they are most heartily welcome to the choir group. Mr. Geschwind our director, has been doing a fine job with them, also, we do appreciate the music by our organist, Mr. Harold Steen.

The responsibility of our Church and Program rests on the shoulders of our Church Council. These 16 men spend much time for the church. I sometimes wonder if the members in the congregation realize how much work some of them really do, freely giving of their time in the keeping of records and books and all. To serve on the Council of the Church is one of the highest honors that can come to anyone. Assisting in the important work of the church of course we would note the fine spirit and service of our Student Pastor, Mr. James Moss; of our friendly Office Secretary, Mrs William Lohler and of our part time custodian, Mr. Herbert Merritt. We include them with all others who work with us because they love Christ and His Church.

In looking at the Financial Reports we note that receipts for both Current Expenses and for Benevolences have been the highest ever. This is commendable, even though individual giving is not on a par with many other churches. In addition to meeting all our Current Obligations we were also able to expend some \$1,700 for improvements and repairs, such as painting the entire downstairs of the church; repairs to the tower and to the parsonage roof, without even asking our members for an additional offering or contribution. And with our Benevolences we have again met our obligations to the Denomination and Synod in full, maintaining our 100% record. Almost \$5,000 has been paid out in these missionary and Benevolent obligations. In addition, our members have contributed \$739 in the past year to the support of our Federation of Churches in Rochester. This latter is given individually and does not pass through our Treasurer's books. Let us maintain this good record.

Something new has been started that has great possibilities for the future, namely the beginning of a Student Aid Fund, with a contribution of a \$50 bond and additional ones forthcoming each year for 10 years, from Mr. and Mrs. Wm. J. Volz in memory of their parents Mr. and Mrs. Wm. A. Volz. In time, when the fund is of a sufficient size it will make possible a revolving Student Aid Fund, for loans to needy and deserving students. We encourage contributions to this Fund. Perhaps there are others who would like to turn over a bond or two toward this Fund. assure education for deserving youth in the future.

Am I dreaming? You know that in 7 years we will celebrate the 100th Anniversary of the founding of St. Paul's. -Do you know there is a large beautiful window deep behind the organ chambers and pipes? Now you can only see it from Norton St. Wouldn't it perhaps be nice to remove the organ (it's beginning to have old-age trouble anyway), drop the choir loft, build a beautiful altar beneath the window, giving about 20 feet more in depth to the church; install a new organ and re-arrange the pews for a center aisle.

All this could add more depth and beauty to our House of God. Wouldn't that perhaps be a nice Centennial Birthday gift to make to our St. Paul's Church?

Recently one of our Youth wondered what a pastor did with his time. Well, we might mention that beside preparing and preaching sermons and arranging the services, teaching Bible Classes, Confirmation classes, giving talks in other churches and places, on T V and on radio, arranging for weddings, baptisms and funerals, attending some 250 meetings, visiting the sick, helping with janitor jobs, counselling with folks and making some 700 calls - your Pastor is serving his fourth year as Vice-President of West New York Synod of our Churches, is President of St. John's Home For The Aged, is General Chairman of the Department of Christian Education of the Rochester Federation of Churches which has 3,000 children enrolled in week-day Religious Education and over 600 teachers in its Training School each Fall, is a member of the Board of Directors of the Federation, serves on numerous committees in the city as well as in the Synod and now is also on the New York State Council of Churches Board, etc. So we do manage to keep busy and we thank God that we have been able to help along in all this work which has to do with the work of Christ, but we do hope to shake off some of the heavier responsibilities in this new year. May the blessing of God continue to rest upon us, pastor and people, as we busy ourselves with His work.

Respectfully submitted,

Alfred G. Schnake, Pastor

SYNOD REPORT

The Church is God's Supreme Instrument whereby He channels His Divine Power and Saving Grace to man and whereby He seeks to redeem the world. The Church is never an end in itself and therefore it must confront the world with the best possible organization and the most competent leadership. This leadership rests with our General Synod, composed of 34 geographical sub-divisions or synods, with approximately 800,000 members. Our Church is affiliated with the West New York Synod with 72 churches and 28,000 members.

As your official delegate, I have attended with our Pastor, the annual Spring Conference of the W.N.Y. Synod, held May 18-19 in St. Peter's Church, Buffalo, N. Y. This is the legislative session of our Synod and its purpose is to review and appraise the work and accomplishments of our church at large during the past year and to formulate plans and courses of action to relate the program of our Synod to the general program of our denomination.

Benevolent giving for the year 1954 reached the highest level in the history of our denomination. For Kingdom Service over \$3,000,000 and for World Service over \$500,000. This is indeed a wonderful record and demonstrates a high concept of stewardship. I am happy to report that our Congregation has again met its share in full. At this meeting a very important decision was made in creating the office of full time president of our W. N. Y. Synod. For many years, we of the Evangelical and Reformed Church, have recognized that the burden of Synodical Administration is so heavy, especially in our larger Synods, that it is a distracting imposition upon a pastor and the charge he must serve when he must divide his time as our faithful synod presidents have had to do thus far, between pastoral and synodical duties. Moreover, the expansion of promotional work within the synod, as well as the potential field of counselling with pastors, consistories and church councils and larger groups of congregational lay leadership, is almost virgin soil which cannot be tilled by synod presidents who are rightly and understandably reluctant to neglect their primary responsibilities as pastors. Of course, there are additional expenses involved, but it is estimated that the addition per member, will not exceed 50¢.

Christian Social Action -

West New York Synod endorses the action of General Synod in reminding the people of our Church and Nation of the importance of free inquiry and continued communication of ideas, of the imperative necessity of opposing all intemperate attacks upon individuals and agencies dealing with controversial issues and of resisting the degradation of persons because of unpopular opinions or unproven charges of misconduct. Synod concurs with the General Council in strongly disavowing any sympathy for Communism, but we as strongly insist upon the duty of churchmen, ministers and laymen to pronounce a critical and prophetic judgment against every social system including our own.

On October 5th, I attended the Fall Meeting of our Synod, held in Salem Church, Rochester, N. Y. The speakers and the topics were highly inspirational, calculated to point the way to more effective Christian living, emphasizing the general theme that "Christ is our Hope", in our time.

As a member of the synodical Committee on United Promotion, I have attended several meetings in Rochester and Buffalo. The purpose of this committee is to allocate synodical apportionment for each individual church in our Synod and to prepare statistical reports on benevolent giving for your information and inspiration.

Respectfully submitted,

Adolph G. Fauth

Delegate, West New York Synod

PRESIDENT HENN'S REPORT

A prayer of thanksgiving to GOD, for His blessings in the past year, as we, under the able leadership of the Reverend Alfred G. Schnake and Mrs. Schnake, have progressed forward at St. Paul E&R Church. Mr. James Moss, our Student Pastor and Director of Youth Activities, is doing a splendid piece of work, and we hope he may be with us in the year to come. The Church School under the able direction of Mr. Raymond Yaeger as Superintendent, and a fine teaching staff are instructing the children in the word of God. Mr. Harold Geschwind, Choir director and Mr. Harold Steen, organist, with the choir have presented the music so necessary to our worship services. Our sincere thanks to Mrs. William Lohler, in the many duties as church secretary. Our appreciation to Mr. Herbert Merritt in his duties as sexton.

The Church Council meets every month to consider the needs of the church and to hear the reports of the various committees. The Elders led by Mr. Rudolph Hoffmeier, devotedly assisted at all Communion Services. The Trustees headed by Mr. Herbert Krase carried out the necessary repairs needed throughout the church. The Deacons under the able direction of Mr. George Smith, assisted before, during and after the services, and I know the Congregation is ever thankful for their assistance. To William Lohler, Fin. Sec'y., Bruno Lehmann, Treas., Fred Horch, Benev. Treas., Herbert Krase, Vice-Pres., and Robert Uehlin, Rec. Sec'y., we say "Thank You" for an excellent job. A vote of gratitude goes to our Auditing and Budget Committee headed by Herbert Krase. At this time we express our sincere thanks and gratitude to the retiring councilmen for their splendid assistance and co-operation: Rudolph Hoffmeier, Herbert Krase, Harry Stuver, Fred Horch and Robert Uehlin.

To our Board of Deaconesses headed by Mrs. Albert Meili, Jr., goes our deepest gratitude for the many hours of service given and a special note of appreciation is extended to our Flower Committee, headed by Mrs. Frank Wilson, for the flower arrangements on our Altar each Sunday and the distribution of flowers to the sick and shut-in members of our church. Our special thanks and appreciation is extended to all the Church Organizations for their splendid co-operation and assistance this past year. To the Women's Altar Guild, with Mrs. Herman Richter as president, we especially express our gratitude for the fine service rendered by this group.

(Cont'd)

In the two years as President of St. Paul's Church, I have found much joy and satisfaction in my association with all church members - to each of you, my sincere thanks for your loyalty. As we go forward in 1955, may we not forget our duties as Ambassadors of Christ.

THE GRACE OF THE LORD JESUS AND THE LOVE OF GOD AND
THE FELLOWSHIP OF THE HOLY SPIRIT BE WITH YOU ALL.

Respectfully submitted,
ARNOLD E. HENN, President

SUNDAY SCHOOL

The present enrollment of our Sunday School is 234, with an additional 51 children enrolled in our Cradle Roll. During the year the average attendance was 139 plus, which is an increase of just two over that of the previous year. 22 new members were added to our rolls.

We were happy to welcome Mary Lou Hoffman and Jene Janssen as teachers in our Primary Department and Ruby Kitchens as teacher in the Junior Department and James Moss as Intermediate teacher. We hope their association with our Sunday School will be a long and happy one.

Officers and Dept., Superintendents for the School year which begins October 1st are: Cradle Roll, Mrs Walter Kuhmann; Nursery, Mrs Fred Breitung; Beginners, Mrs Ray Raufesen; Primary, Mrs A.G. Schnake; Gen'l. Supt., Mr. Ray Yaeger; Treasurer Mr Albert Moili, Jr; Financial Sec'y., Mrs Nelson Alderman; Rec. Sec'y., Mrs Herbert Krase; Enrollment and Attendance Sec'y.s., Mrs Jean Anderson and Miss Carol Rexor, Asst.

Monthly Staff meetings are held on the third Monday of each month except during July and August. The Annual Recognition Banquet was held in January with Miss Lillian Comey as speaker. Also we were happy to have Miss Bechtold, one of our Honduras missionaries as speaker at a Fall meeting. Four of our teachers were enrolled in the Leadership Training School at Colgate Divinity School. The School presented the Annual Children's Day service and also the Annual Christmas Program. Members of the Staff were responsible for the decorating of the Church at Christmas. The Annual Indoor Picnic was held for the entire school after Easter. Contributions were made toward the India Mission Child project; during the Lenten Season all engaged in the 'Chicks for Korea' project and we were enabled to send money for 400 chicks. Also at Christmas time our children brought some 80 mittens and socks which were placed on our Mitten Tree for the Korean orphans. A contribution of \$50 was made to the Christmas White Gift Offering and a contribution of \$150 was made to the Current Expense Budget of the church. A report of the Finances of the Sunday School shows:

Balance Jan. 1, 1954	\$364.17	A Summary of Expenditures	
Receipts	962.84	Lesson books, papers, supplies	\$444.79
Expenses	956.07	Missionary Projects	198.60
Balance Jan. 1, 1955	370.94	Pledge to Church	150.00
		Dunkirk Camp Honorariums	97.50
		Metal Cabinet for Prim. Dept.	51.95
		Miscellaneous	13.23

From the above financial report it will be noted that our Sunday School is self-supporting, and we would call your attention to the increased amount given as Honorariums to Dunkirk Campers, which of course means that more of our young people are taking advantage of this wonderful camping experience.

St. Paul's has a fine, loyal and co-operative staff of teachers and officers, and this report would not be complete without thanks and appreciation to this group for their faithfulness.

Respectfully submitted,

Raymond I. Yaeger, Superintendent

We would be very happy to have the ladies of the church come to our meetings and see what we are doing, then decide to join, as we do need new members to replace those who no longer are able to do their share as they did so faithfully and willingly when they were able. Please come and join us in 1955.

Mrs Herman Richter, President

THE BROTHERHOOD

The Brotherhood is an organization for all men of our church, providing meetings for fellowship and inspiration. Meetings are held regularly on the first Monday evening of each month. There are 43 men enrolled in its membership.

Of special interest the past year were meetings when men from the group presented talks and pictures of their industries, such as 'Bausch and Lomb Night' and 'Eastman Kodak Night'. Speakers from the State Conservation Dept., presented talks and pictures on 'Wild Game Conservation' also films on 'Malaya' and 'Cancer' were presented and of course there was the Annual Dunkirk report with pictures. Outstanding were the Father and Sons Night with Weldon Hester speaking on his experiences in the Philippines and showing a vast collection of ancient weapons. In the summer the Annual Picnic was held for the families and the year concluded with the Annual Christmas Party for the men and their wives.

The Brotherhood is a member of the National Brotherhood and made contributions to it; also the Federation of Men's Bible Classes, Federation of Churches, contributed to the Newark State School for the boys and girls and paid its Annual Pledge to the Church. The Annual Church Birthday Calendar was again sponsored by the group and they express their thanks to the Congregation for their support.

All men of the church are invited to join us in our meetings. The Officers for 1955 are: President, Albert Groth, Jr.; Vice-Pres., Bruno Lehmann, Financial Secretary Jacob Eckert, Recording Secretary, John Schwartz; Treasurer William Lohler.

ADULT BIBLE CLASS

The Adult Bible Class has some 42 men and women enrolled and during the past year has had an average attendance of 25. Ten new members were welcomed and 52 visitors were recorded during the year. Friendship Sunday, when members are asked to bring their friends brought out their record attendance of 48.

Each year, the Class prepares the Easter Breakfast after the Sunrise Service, which this year was attended by approximately a hundred of our St. Paul's folks. On Mother's Day and on Memorial Sunday, the Class placed flowers on the Altar in memory of the members and also flowers were sent to the sick and cards were sent to the shut-in members. Five Memorial Wreath Cards were given in memory of departed friends.

During the year, the Class made contributions to benevolences and charities amounting to \$135.00. Also \$60.00 was contributed to the church budget. Also, they co-operated with the Sunday School in their 'Chicks for Korea' project. It was with regret that in September Harry Murphy's resignation as President of the Class had to be accepted, due to his business removal to Ohio. The writer took over his responsibilities.

A cordial invitation is extended to all members of the Congregation, especially to the parents of children in our Sunday School, to join with us in the Bible Class Room on Sunday mornings at 9:30. Following the period of devotions conducted by the various members of the class, the International Bible Lessons are taught by Miss Lucille Reuschle and Pastor Schnake, on alternate Sundays. YOUTH FELLOWSHIP

With a membership of 36, our Youth Group of High School Age, has been quite active with a series of well organized meetings and outings. A committee of 6 members working along with the requests of the other members have helped to plan and arrange these gatherings. The average attendance has been 25 and the meetings are held the first and third Sunday of the month from 7 to 9:30 P.M.

At Easter time, the Youth Group held a dinner for the Confirmants. Then throughout the summer, picnic trips were taken to Webster Park, Hamlin Beach, Durand Eastman Park and to Bob Ketchum's home in Cheshire, N.Y. We were guests of the Salem E&R Youth Group at a Hallowe'en Party and we also had a Hallowe'en Party here at St. Paul's. The Annual Carolling Party was a success with about 27 members of the group participating. Rev. and Mrs. Schnake entertained us later in the evening at the Parsonage. A basket of food and gifts were delivered to a needy family for Christmas. Also, during the year, we were guests of Salom's Youth Group to hear a missionary from Honduras speak. We were very happy to have Hans Florin, an exchange student from Germany, as a guest speaker at one of our meetings. He showed film strips on Germany and after his talk, we developed the project of sending a Bible to a Youth Group in Germany. Recently, a Bowling Party was held at Colgate Divinity School and a Splash Party at the U of R Swimming Pool. St. Paul's Youth Group extended an invitation to all E&R Youth Groups in Rochester to hear the Youth Council explain its program. There was an excellent attendance of seventy young people.

We appreciate the leadership of our new Student Pastor, Jim Moss, and to our own Pastor, Rev. Schnake - many thanks for all his co-operation. Also to those of you who have driven cars to our outings.

Officers of the Youth Group are: President, Arthur Leach; Vice-Pres., Elizabeth Armbruster; Secretary, Karen Geschwind and Treasurer, Dolores Berg.

Respectfully submitted,

Arthur Leach, President 1955

THE CHOIRS

Our Senior Choir, with a membership of 20, has faithfully sung the Sacred anthems of our Christian faith under the direction of Mr. Harold Geschwind, both on Sunday mornings and in the special evening services. We were happy to welcome a number of new voices and are always eager to welcome more folks into our membership who like to sing. Our rehearsals are on Wednesday evenings from 7:30 to 9 o'clock.

In addition, several social occasions are also provided for the Choir by the Church, such as the 'End of the Season' Dinner and a New Year's Dinner, served at the church. Our Treasury shows a balance of \$17.60.

Officers for 1955 are: President, Gail Rexer; Vice-Pres., James Kelley; Sec'y.-Treas., Rose Marie Sammer.

Respectfully submitted,

Heidi Zimmerman, President 1954

A JUNIOR CHOIR of 26 voices sang the anthems in our Annual Children's Day Service and also at the Annual Christmas Program. Assisting the Choir Director in their rehearsals was Mrs. Florence Kelley and we express our appreciation to her for all her helpfulness.

Financial Secretary

REMEMBERING THE CHURCH -

Every person should draw up a document known as his 'Last Will and Testament' in order that his possessions may be distributed according to his desire. Among your designations it is well to include your Church and Charitable Organizations. Often we see this has been done, even by persons of limited estate.

Should you desire to include or add a codicil to your will, the proper wording is "I give and bequeath to St. Paul Evangelical & Reformed Church, Norton and Jewel Sts., Rochester, New York, the sum of \$_____". (Signed)

MEMBERSHIP DIRECTORY

Note -

Below are listed names, addresses and giving to the Current Expense Budget by our members. Contributions to Benevolences are not listed. Should your name not be listed, it indicates that no pledge and contribution to the support of our church has been received in the past three years. It is the rule of the Church that such names are removed from the active list and placed in the inactive card file. Names will again be included on assumption of financial support.

We sincerely thank all these loyal givers. Mistakes are liable to happen and if you find such, please notify the Financial Secretary. -ALSO PLEASE notify the Church Office in case of address change, so that you continue to receive the Church Mail.

IN MEMORIAM

THE REVEREND ALFRED G. SCHNAKE
Born January 16, 1901
Died July 12, 1955

Resolution of St. Paul Evangelical and Reformed Church Council of Rochester, New York, adopted on Monday, November 14th, 1955 -

WHEREAS ... in the passing of our esteemed Pastor, the Reverend Alfred G. Schnake, the Cause of Christ has lost a beloved preacher, teacher, and pastor, a man whose Christian service has enriched and strengthened his Congregation and community . . .

AND WHEREAS ... IN THE PASSING OF Pastor Schnake, St. Paul Evangelical and Reformed Church is particularly conscious of its loss, remembering him as one who, in his loyal interest and support, in his kindly counsel and advice in varied board and committee responsibilities, in his constant witness to Christian faith and hope and love, has brought direction, strength, and blessing to our fellowship and work together . . .

THEREFORE, BE IT RESOLVED ... that we, the members of the Church Council of St. Paul Evangelical and Reformed Church of Rochester, New York, do express our heartfelt thanks to God for this good life that has been lived among us ... record our gratitude for the privilege of knowing him and serving with him ... declare our faith in the great Cause for which he gave himself so freely ... and extend our love and prayerful sympathy to Mrs. Schnake, to his daughters, and to all who are sorely bereaved in Pastor Schnake's going from us.

AND BE IT FURTHER RESOLVED ... that copies of this resolution be signed by members of the Church Council, be sent to Mrs. Schnake, and be spread upon the Church's minutes.

(The following is an extract from the tribute paid Pastor Schnake by
The Reverend Hugh C. Burr, D.D., of the Federation of Churches)

"We cannot and we would not praise him. We praise God for him. His years in the active Ministry were relatively few, yet they were happy, busy, rich and rewarding ones. Between the frontiers of birth and death went the intensive study of youth; love, marriage, and family of young manhood; the toil of the parish Ministry; the sacrificial and often perilous service of military Chaplaincy in war time, love for and service to his Denomination at many levels and devotion to the larger ecumenical fellowship and cooperative Christianity in whatever community he lived.

We are able to look at the life of Alfred Schnake today and to know with certainty and with confidence that the end of all his efforts was not sickness and death but depth of mind and spirit that is the reward of study and meditation; love of wife and children the return for being a good father and husband in private life as well as a respected Minister in public life. He leaves behind a new Church in one community, renewed laymen in another and the respect and friendship of former GI's in many places. His reward is Eternal Life".

REPORT OF THE INTERIM PASTOR

"Eternal God, the God of our fathers and our God, we would render our thanks to Thee for Thy many blessings to us as a Congregation. We are grateful for the rich heritage which is ours. This night we meet for no other purpose than to serve Thee and Thy Cause. Even though great sorrow and loss has come to us during the past year, yet are we not dismayed for Thou art above us, dwelling in majesty. Brood over us, we pray Thee, and cause Thy Spirit to fill our lives, driving out all selfish thoughts and setting us in the path of righteousness. To this end direct our minds, enlarge our aims and prosper our endeavors by Thy power. May our speaking and hearing at this time be to the increase of faith, hope and love; through Jesus Christ our Lord. Amen".

(Prayer used at Annual Meeting of St. Paul Evangelical & Reformed Church, Jan. 26, 1956)
Members of St. Paul Evangelical and Reformed Church:

The close of another year affords opportunity not only to assess our accomplishments and losses, great as these have been, but to face forward to new challenges of services within and beyond the local church.

The proposed Current Expense Budget for 1956 of \$16,005.00 is \$1,486.70 more than was underwritten with personal pledges and other anticipated receipts. There are some members of the Congregation who have neglected to make their individual pledges for the work of the Church in the New Year. Your Church Council has given much thought and time to the preparation of the Current Expense Budget. The Budget is an economical one. In a day when income and expenses have doubled over what they were a decade and a half ago, let us be realistic enough to recognize that the Church is not exempt from this inflation. I do not wish to be misunderstood. Many members are undergirding the work of the Church with their time and talents in splendid fashion, others are doing the best they can with a curtailed income. What about the rest?

The 1956 Benevolent Budget of \$4,911.60 is to be raised, as in former years, through plate offerings, Lenten folders and Christmas envelopes. The missionary enterprise of our denomination, both at home and abroad, our denominational colleges and seminaries, our hospitals, homes for children, homes for the aged, and many other worthwhile projects outside the local church are supported in part through our Benevolent Budget. Since coming to St. Paul's as Interim Pastor I have been puzzled that so many Members of the Congregation are content to let those who regularly attend the Services shoulder the responsibility of raising the Benevolent Budget by themselves. If I seem to dwell at length on matters financial, may I state that I have done so intentionally. As an Interim Pastor I am in a position to point out matters which your next Pastor may be very reluctant to make. All I am suggesting is that every Member of St. Paul's ought to be willing to share in this very necessary and important work which has as its sole purpose the extension of God's kingdom on earth.

This is the second time I have been privileged to serve as Interim Pastor at St. Paul's Church. Since September, 1955, I have conducted the Services of Worship, instructed the Confirmation Class, met with the Church Council and the Church School Officers and Teachers at the regular meetings, and called on the sick. No one is more fully aware than I that although the opportunities for service have been many, my responsibilities at Colgate Rochester Divinity School have not always permitted me to discharge all the responsibilities which even an Interim Pastorate entails. It is my impression that a fine spirit prevails among the members of the Congregation which now numbers 560 individuals.

Official acts for the past year include 17 Baptisms; 12 Confirmations; 9 Marriages and 17 Burials.

The loyal co-operation and devoted service rendered by our church officers and board members, organizational officers, church school officers and teachers, and choir members is evidence of the vitality of our church life. (cont'd.)

I want also to record my personal gratitude to Mrs William Lehler, Church Secretary extraordinary, whose efficiency is a boon to any pastor; to Mr Arnold Henn, President of the Church Council, who, under great strain and stress, has been untiring in his efforts to keep the good ship, St. Paul, on an even keel since the untimly death of your beloved Pastor, the Reverend Alfred G. Schnake, and the disastrous fire which ruined our Christian educational facilities early in the morning of October 31st, 1955; to Mr James A. Moss, Student Assistant, who has effectively guided the Youth work of the Church; to Mr Harold Geschwind, Director of the Choir, and Mr Harold Steen Organist, who have served well in their respective positions; and to Mr. Boris Svetlovs for his untiring efforts in trying to keep the Sanctuary presentable in spite of the difficult odds working against him.

As we look forward toward the forthcoming arrival of a new Pastor of St. Paul Evangelical and Reformed Church, may God bless us richly in the days ahead as He has in the past, and may we ever look to Him for guidance and direction as we accept the challenge which the New Year affords. With the Apostle Paul let us say, "This one thing I do, forgetting the things which are behind and reaching forth unto those things which are before, I press toward the mark of the high calling of God in Jesus Christ."

Respectfully submitted in His Name and In His Service,

Theodore Louis Trost

PRESIDENT HENN'S REPORT

SHOW ME THY WAYS, O LORD, AND TEACH ME THY PATHS.

1955 was indeed a trying year for St. Paul Evangelical & Reformed Church and its Congregation. From New Year's Day until Easter Sunday, all ran in perfect harmony. Little did we realize Pastor Schnake's Easter morning Service would be his last preached to the Congregation. His illness and passing is all too well known to review at this time. Our memory of his unselfish work will never be forgotten by the Congregation, or beyond into the greater Kingdom work. It was a lonely ride, the night I accompanied his body to Baltimore, where Pastor Schnake was laid to rest in Mt. Olivet Cemetery, surrounded by his colleagues who proceeded him in their return to God. Then came the closing of the Parsonage and saying farewell to Mrs. Schnake. Ten years of neighborly closeness cannot be lightly dismissed. Her cheery voice and ready smile is greatly missed by all of us, and for all that she has done for and with our Congregation we express our heartfelt gratitude.

In September we welcomed Dr. Boris Svetlovs, who with his wife came to our country from Latvia, and has taken over the post of Sexton. He replaces Mr. Herbert Merritt who was forced to resign because of ill health. It has been a difficult time for Mr. Svetlovs too, trying to keep our Sanctuary in order, since work on our Educational Building started.

On October 30th an arsonist set fire to our church and each of you are well aware of the damage and loss. After months of meeting with the arson squad, adjusters, insurance companies and contractors, reconstruction was finally started. I hope you are all happy to see the progress made to date. During all this, the Congregation and organizations rallied to the cause and co-operated magnificently. At this time I thank each and every one of you for all the help and comfort extended. Without your help I would have faltered for the way was difficult. "The Lord is my Shepherd therefore can I lack nothing".

(cont'd.)

As Chairman of the Pulpit Committee working with Miss Lucille Reuschle, Mr and Mrs Nelson Alderman, Mr Frank Vogel, Sr., Mr Albert Meili, Jr., and Mr. Bruno Lehmann, we have interviewed many applicants to fill the vacancy left by Pastor Schnake. Our work has been carried on under the direction of West New York Synod and we have given much time and prayerful thought to the selection of a pastor for St. Paul's Church. My sincere thanks to each of the members of the Pulpit Committee.

Thus, with all the happenings of the year, we still can say "God is good", for we have had many blessings bestowed upon us. Our Interim Pastor, the Reverend Theodore Louis Trost has guided us through the stormy seas. We all appreciate his devotion to us beyond the call of duty. Mr James A. Moss, our student pastor, has also served well during these difficult months. As I end my three years as President of St. Paul's Church my heart is filled with gratitude for I have learned much in the varied experiences in My Master's House. May your new president, Mr Frank Vogel, Sr., find the same joy in serving the Lord.

MAY ALMIGHTY GOD THE FATHER, THE SON, AND THE HOLY GHOST BLESS YOU
KEEP YOU, NOW AND FOREVER MORE. AMEN.

Respectfully submitted,

Donald E. Henn, President of the
Church Council

SUNDAY SCHOOL

The year 1955 was one of trial and challenge for our Sunday School, as it was for our Church as a whole. The conditions under which we have been working these past months have neither been convenient nor pleasant, but we did the best we could under the circumstances.

The average attendance for the year was 132 per Sunday. 8 new members were added to the roll. We were happy to welcome Gloria Wagner and Mrs Agnes Groth as teachers in our Primary Department, and Miss Marion Francois in our Junior Department. We hope their association with our Sunday School will be a long and happy one.

Officers and Department Superintendents for the School year which begins Oct. 1st are: Cradle Roll, Mrs Walter Kuhnmann; Nursery, Mrs Fred Breitung; Beginners, Mrs Ray Raufelsen; Primary, Miss MaryLou Hoffman; General Superintendent, Mr. Ray Yaeger; Treasurer, Mr Albert Meili, Jr.; Financial Secretary, Miss Carol Rexer; Recording Secretary, Mrs Ray Yaeger; Enrollment and Attendance Secretary Mrs Jean Anderson and Miss Irmgard Berg, Assistant.

Monthly Staff meetings were held on the 3rd Monday of each month except during July and August. The Annual Recognition Banquet was held in January with Miss Irene Henderson as speaker. The School presented the Annual Children's Day and Christmas Programs. Members of the Staff were responsible for the decorating of the Sanctuary at Christmas. An Indoor Picnic was held for the entire School after Easter. Contributions were made toward the India Mission Child project; during the Lenten Season we collected \$100.00 for the "Share Our Surplus" project. Also at Christmastime our children brought in 103 pairs of mittens and socks which were placed on our Mitten Tree and later sent overseas. A contribution of \$50.00 was made to the Christmas White Gift Offering and a pledge of \$150.00 was paid to the Current Expense Budget of the Church. A report of the Finances of the Sunday School shows:

Balance Jan. 1, 1955	\$370.94
Receipts	916.66
Expenses	890.21
Balance Jan. 1, 1956	397.39

A Summary of Expenditures:	
Lesson Books, Papers, Supplies	\$477.92
Missionary Projects	210.00
Pledge to Church	150.00
Dunkirk Camp Honorariums	30.00
Miscellaneous	22.29

(cont'd)

From the report of the Finances, it will be noted that our Sunday School is in good financial condition and is self-supporting.

It is our good fortune to have a fine loyal Staff of Teachers and Officers and my heartfelt thanks goes to them for their faithfulness.

Respectfully submitted,

Raymond I. Yaeger, Superintendent

WOMEN'S GUILD

Meetings are held the first Thursday of the month, starting with a social hour and refreshments at one o'clock, followed by the Devotions and Business Meeting at 2 P.M. There were 7 afternoon and 3 evening meetings. Besides contributing to the work and program of St. Paul's Church, we also share in the Rochester Regional Guild, the National Guild and Council of Church Women. Two of our members passed away and we received four new members during the year.

Our Guild is divided into 6 departments including all members on our roll. They have charge of Devotions and the Social Hour. Chairmen for 1956 - Christian Social Action, Mrs Rosa Bopp; Christian Education, Mrs N. Alderman; Missionary, Mrs Herbert Groth; Social Service, Mrs Emma Hoffman; Spiritual Life, Mrs Thomas Lima; and Stewardship, Mrs Hildred Tallman.

We also have four Circles that help to encourage church work and fellowship among the members. Meetings are held in the homes. Chairmen for 1956 are First Circle Mrs Richard Pasch; Circle II, Mrs R. Hoffmeier; Fidelis Circle, Mrs John Schwartz; Ruth Circle, Mrs Fred Pfeil. First Circle served the Choir Dinner, Guild picnic and Regional Luncheon. Made 12 nightgowns which they sent with 50 lbs. of clothing to the Winnebago Indians. Donated \$50.00 to the Guild and flat silverware to the Church. Circle II served the S.S. Staff Dinner, cleaned the kitchen pantry and sent out 145 church programs. Donated \$25.00 to the Guild, \$5.00 to Mrs Schnake for Mission work and gave \$5.00 to the Leper Fund. Fidelis Circle sent each girl in the "Living Good Cottage" of St. Paul's Orphanage a birthday and Christmas gift as well as cards during the year. Served refreshments at our Christmas Party and were able to give a gift of \$40.00 to the Guild as the result of the 'Red Stamp Book' project. Ruth Circle sponsored a trip to the R.G.&E.; sent two boxes of clothing, toys, dolls and 8 dozen diapers (which they made) to Biloxi. Donated \$25.00 to the Guild and \$10.00 to the Leper Fund. Sent cards and flowers to sick members and remembered four of the older members at Christmas with a plant. The Sewing Circle, Social Service and Missionary Chairmen were busy making over used clothing, blankets and toys which were sent to Biloxi, Greenville and the Winnebago Indians, along with toys that were brought in by members at our Christmas Party. They prepared and sent about 330 lbs. for World Community Day, Migrant Camps, Biloxi, Greenville Orphanage and Winnebago Indians. Spiritual Life Dept., prepared 35 Easter Baskets and 35 Christmas Centerpieces for our sick and shut-in members. Sent out cards during the year and appoints two members to make sick calls each month. The Education Chairman has charge of subscriptions to the Messenger and also helps those in charge of the Devotions each month.

The Guild helped on the Federation of Churches Drive; visited St. John's Home where Pastor Schnake showed a Film and Mrs R. Taylor and Mr James Moss, entertained with solos. Refreshments were served. Attended World Day of Prayer, Human Relations Council, Rochester Regional Conferences, May Fellowship, Ascension Day Service of E&R Women. Also was represented at W.N.Y. Synod Meeting and World Community Day. Held a Mother & Daughter Fellowship, with Mrs Barton Baker as our guest speaker. Sponsored a Shower for Betty Schnake; also a reception for two young couples who were married in St. Paul's. Anyone interested in having a wedding reception in the church may contact the Guild President. Due to the fire on Oct. 30th, we were unable to hold our Annual Sauerkraut Supper and Bazaar, but please be on the look-out for announcement of a supper as soon as things are in order again.

(cont'd)

Besides our Church Pledge of \$500.00, our National Guild Challenge of \$80.00 and our Thank-Offering of \$50.00, we donated new drapes for the lower Sunday School, Brotherhood, choir rooms and the Sacristy. Donations were made to McAll Mission, NAACP, Migrant Workers, Multiple Sclerosis, Leper Fund, World Community Day, YMCA, Federation of Churches and provided three dinners for Foreign Students at the Christmas dinner given by the Council of Church Women. Treasurer's Report showed a balance of \$817.05 as of Jan. 1st, 1955. Total receipts for the year \$ 866.24, Disbursements \$1,375.32. Balance as of Jan. 1, 1956 - \$307.97.

Officers for 1956 are; President, Mrs Herman Richter; Vice-Pres. Mrs R. Yaeger; Rec. Secy., Mrs Bruno Lehmann, Fin. Secy., Mrs Paul Stoehr and Treasurer, Mrs R. Pasch.

We would like very much to have more of the women of the church join the Women's Altar Guild during the coming year. Won't you attend one of our meetings and see for yourself the Women's Guild in action?

Respectfully submitted,

Mrs Herman Richter, President

THE BROTHERHOOD

The Brotherhood is an organization for all men of our Church, providing meetings for fellowship and inspiration. There are 38 men enrolled in its membership.

Activities for the year included colored slides and talks which were given by Brotherhood Vacationers; occupational programs such as 'R.G.&E. Nite'; a talk by Mr C. Kent Williams entitled 'Law For The Layman' and the Annual Fathers and Sons Banquet. A bowling party was held in March which was enjoyed by 43 members and guests. Our activities were curtailed by the passing of Pastor Schnake and the church fire.

THE CHOIRS

The Senior Choir, under the direction of Mr. Harold Geschwind, and Mr. Harold Steen, organist, has been working hard this past year to present the anthems for both the Sunday morning and the special evening services. Our rehearsals are from 7:30 to 9:00 P.M., every Wednesday evening. We were happy to welcome several new members. For those people who like to sing, the Choir would be glad to have you join us.

During the past year, the Choir went to hear the Gentlemen Songsters at Aquinas Institute and we had a dinner at the Lyons Den. Our usual Christmas Party at the Church was omitted this year.

We have in our Treasury at the present time a total of \$21.00. The membership of the Choir numbers 20. Officers for 1956 are; President, Mrs Florence Kelley; Vice-Pres., Margaret Lehmann; Secy.-Treas., Rosamaria Sammer.

The JUNIOR CHOIR sang for our Children's Day and Christmas Services. Assisting the choir director in their rehearsals was Mrs Florence Kelley and we express our appreciation to her as well as to Mr Geschwind and Mr Steen.

Respectfully submitted,

Gail Rexer, President 1955

ADULT BIBLE CLASS

The Adult Bible Class has suffered a great loss with the passing of our beloved teacher, Pastor Schnake, who taught the class alternately with Miss Lucille Reuschle, but as he would have us do, we have carried on to the best of our ability and we are most grateful for the able assistance of our Student Pastor, James Moss.

The class has an enrollment of 47 men and women and boast an average attendance of 25. Four new members were added to the roll and we were happy to welcome 23 visitors. One Sunday during the Lenten Season we have what is known as "Friendship Sunday", when each member is asked to bring a friend. The attendance in 1955 was 43.

The Class prepared and served the Easter breakfast, after the Sunrise Service to approximately 125 members. Flowers were placed on the altar by the class in memory of our departed members on Memorial Sunday and in honor of all living mothers on Mother's Day. Four Memorial Wreath Cards were given in memory of the departed. The Class co-operated with the Sunday School in the 'Food for Korea' project. Contributions were made to the Federation of Churches, Dunkirk Building Fund, Children's Dunkirk Vacation Fund, St. John's Home, Rochester Assoc., of United Nations and \$65.00 was contributed to the Church Current Expense Budget.

A cordial invitation is extended to all members of our church to join with us each Sunday morning at 9:30. It is the prayer of the class President that each member and visitor may leave each Sunday morning with the feeling that it was "Good to have been here". The President wishes to take this opportunity to thank all those who in any way helped to make the year 1955 a useful one in the eyes of the Lord.

Officers for 1956 are: President, Mrs Fred Zettlemoyer; Vice-Pres., Mr Fred Brown; Secretary, Mrs Emma Hoffman and Treasurer, Mrs Lillian Howorth.

Respectfully submitted,

Mrs Fred Zettlemoyer, President

YOUTH FELLOWSHIP

The Youth Fellowship has a membership of about 40 members, and has been active with meetings and other activities. Regular meetings were held in the Church on the first and third Sundays until the fire which occurred in the church. With the rebuilding now going on, meetings have again been resumed.

Again at Easter, the Youth Fellowship held a dinner honoring the class of Confirmants and a large group was present. Later in the spring, the group presented a play and variety show in the Church. During the summer a few outings were held before the death of our beloved pastor. Our Fall Activities included a Bowling Party at Colgate Rochester Divinity School, a Halloween Party following our regular meeting, went Carolling to the homes of about a dozen of our shut-in members; held a joint meeting with the other E&R Churches at Emanuel Church and just recently Glenn Koch told of his experiences at the YMCA Conference in Europe and showed his slides. We also were privileged to have an exchange student from Germany, Werner Schmidt, present some of the conditions in his homeland.

A special "Thank You" to the E & R Churches for their help and courtesies after the fire, and especially to Salem Church where the group was entertained on different occasions such as the party after the Annual Carolling Tour. Also we should like to thank those who have helped the group in any way, such as driving to the activities and in helping us present our play. Our special thanks to Jim Moss, Student Pastor for all he has done for us.

Officers are: President, Dave McEneaney; Vice-Pres., Gary Breitung; Secretary, Trudy Wehren; and Treasurer, Elizabeth Armbruster.

Respectfully submitted,

Dave McEneaney, President 1956

PASTOR'S REPORT

Early one morning, seven of the disciples sat about a fire on the shore of the Lake of Galilee. With them was One who at daybreak had hailed them while they were out in a boat. And now sitting there together, none of them dared ask Him, "Who are you?" For they knew it was the Lord!

And so it has been with us in this past year. We have felt His presence and experienced the counsel and power of His Spirit. And as we gather here tonight in our Annual Congregational Meeting, there is in our hearts the confident assurance that He will be in our midst in the days ahead to direct our minds and inspire us in the way we should go, if we are but willing (each one of us) to be guided by Him.

The Year of the Merger

The ancients had a practice of labeling the past year with its most important happening. They might have called 1957 the "Year of Sputnik" or the "Year of Asian Flu". If they would have belonged to either the Evangelical and Reformed Church or the Congregational Christian Churches, they most certainly would have called it the "Year of the Merger".

On June 25th, a group of leaders and delegates from both denominations met at Cleveland, Ohio. At this Uniting General Synod, a new Church was born...The United Church of Christ. St. Paul Church has already expressed its joy at this historic union and its determination to share wholeheartedly in this adventure of faith by using the new denominational title in its own church name. We are now "ST. PAUL UNITED CHURCH OF CHRIST" with the words "Evangelical and Reformed" appended in parenthesis.

It is our prayer that the clasped hands which are symbolic of this union of two great Churches (and which are reproduced on the cover of this Year Book) may be prophetic of a dedication which God will use as a vital witness to "our oneness in Christ".

1. IN MEMORIAM.

Since we last met in annual session, we have lost for awhile, 13. Of these, 8 were enrolled members of St. Paul. Their names were read in a memorial service conducted on Sunday, December 1st.

During the year, a new Communion Service was dedicated in loving memory of your late Pastor, the Reverend Alfred B. Sohnake. An Altar and Book of Remembrance was given to our Church by Mr. and Mrs. Bertrand Bushnell in memory of Mrs. Bushnell's parents, Mr. and Mrs. Floyd Sovocool. These gifts are mentioned in greater detail in the report of President Vogel and elsewhere in this Year Book.

There is much we might say of those who departed this life in 1957, but now we can only breathe the simple prayer: "Thank you God!" Thank you for giving St. Paul Church and the Kingdom here on earth, their many years of devotion and loving service. And may we, who still have the opportunity of bearing witness, be found faithful as we too set our faces in hope toward the glory which is reserved to us through the grace of our Lord. Amen."

2. WORSHIP.

Worship is, without a doubt, the most significant expression of the Christian community. A total of 12,555 worshipped in St. Paul Church during 1957 with an average of 212 for our Sunday morning services. 8 Communion Services were celebrated during this period with a total of 1228 communicants.

In comparing these figures with those of last year, we note a slight decrease in attendance. This is always a matter for concern to any congregation. But I would also point out the unusually high incidence of sickness in our community during the Fall and early Winter months. Given a normal year, one has the conviction that St. Paul Church would have surpassed the attendance of 1956.

3. CHRISTIAN STEWARDSHIP.

President Vogel has given you the facts relating to our Financial Status in his report. I will not repeat them here. I do wish to add my commendation for a "Job well done." Through your contributions to Benevolent, Current Expense, and the Fire Loss and Rebuilding Fund, we have experienced a high mark in the total giving of Treasure to the work of our Church. May God inspire each of us to do his share in 1958 that His work will prosper at home and in the larger Kingdom without our walls.

The fundamental question in Christian Stewardship is how to keep ALL of life related to God...Time and Talents, as well as Treasure. We should remember this when we speak of Christian Stewardship and then all too often emphasize numbers and statistics. Nowhere are we more in error when we do this than in the work of the Church. Love, devotion, sacrifice, loyalty, trust, faith, mercy, repentance...these fruits of the Spirit cannot be weighed on a scale or added on a machine.

You will think of this when you read the reports of our organizations. The bare reports of valuable services rendered will not tell you of the hours of dedicated self-sacrificing labor that their services represent. Read between the lines and join us in a prayer of thanksgiving for these men, women and children, and in a prayer of commitment that we too may do our part.

4. EVANGELISM.

This report would not be complete without a word of praise for the women of our Deaconess Board who give so liberally of their time to the work of Evangelism within the St. Paul Church Family. We are grateful for their ministry.

An Undershepherd Program to supplement the work of the Pastor and our Deaconesses has not yet been put in operation. During the past year interest has been expressed in this project and we believe that now we have that "hard core" needed to begin. We covet your prayers that this revitalizing and strengthening program will soon become a reality.

5. CHURCH SCHOOL.

A word of gratitude is due Mr. Raymond Yaeger, former Superintendent of the Church School, and Mrs. Albert Groth, Jr., the Chairman of our Department of Religious Education, for their untiring efforts in behalf of our children. They and our teachers have devoted themselves with enthusiasm to the growth and well-being of our Church School.

While we do not have a Church School Superintendent at present...it grieves me to report this, but you are the only ones who can help us correct this condition...our Church School has grown in 1957. If this growth is to be continued...and it must, for these children are the wealth and life blood of our church...we will need your continued interest and your heartiest co-operation.

6. OTHER EVENTS IN 1957.

There are so many other matters which I would like to mention: The joy of dedicating our rebuilt organ and the organ recital by Mr. Lewis E. Rowell; the fine experience that we had together on the occasion of our 95th Anniversary as a church and listening to the Reverend Fred H. Willkens bring us the Message at the Evening Service of that day; the pleasure of playing host to Dr. Reginald Helfferich, Executive Secretary of our Commission on Church World Service, at one of our December Services.

These and other moments belong to the past. But you will find echoes of them as you thumb through the pages of your new Year Book. There, too, will be found the other statistics and items of interest which space does not permit me to include in this report.

(cont'd.)

7. IN APPRECIATION.

As Pastor, I would like to express my appreciation for the harmonious co-operation of the Staff, Mr. Washer, Miss Samus, Mr. Steen, Mrs. Lohler, and Mr. Svetlovs.

And then, throughout this past year it has been a constant source of satisfaction to know that the affairs of the church were in the hands of such faithful men and women as those who have served on the Church Council. To Mr. Vogel, the retiring President of the Council, the members of the Church Council, to all who have given living witness to the definition of a Christian congregation..."A fellowship of Kindred Minds, Like to that Above"...my sincere thanks.

I would also express my deep appreciation for the warm way in which you received our little daughter, Heide, into her first church home. As in some of your homes, joy was followed by the pain of losing one dear to us. In all this, as in many other instances, you were understanding and encouraging. A pastor and his wife could ask for nothing more.

8. AND NOW IN CLOSING.

I would like to reiterate those words which were written at the end of our 95th Anniversary program -

"Ninety-five years have passed since our beloved church, St. Paul, was founded. Although ninety-five years of age, St. Paul Church is still young, for we have with us Him, who is truly Life, Light, Truth, the Alpha and the Omega. It is His Gospel of salvation that has been preached in the services in St. Paul. His power to save has again and again been felt. In His name, then, do we go forward accepting the tasks which the future may bring and re-dedicating ourselves to His service on this occasion.

AND LET ALL THE PEOPLE SAY, AMEN."

Fred J. Ochs, Pastor

NOTE:

Farmer Jones came in for breakfast one morning and saw nothing but a lot of straw and hay spread all over the table. Quite disturbed, he called to his wife, "Sara, how come all this hay is on the table? Am I supposed to eat this for breakfast?" Sara softly replied, "For the past ten or more years, I have been making you bacon and eggs and waffles and goodness knows what else. From all the comments that came from you, it might just as well be hay. I am glad, though, that this morning you at least noticed what is on the table."

How often that is all too true of us. We simply take things for granted...things which cost others lots of planning and work. At this time, we want to stop long enough to ponder the amount of work that is involved in putting together our Annual Year Book. Our Secretary, Mrs. Lohler, spends days cutting stencils, operating the Mimeograph, gathering the sheets together, stapling the sheets, and preparing the Books for mailing. Our sincere thanks to her for a job exceedingly well done. Our thanks also to the Officers of the Church and the Leaders of our various Organizations for their fine reports and their co-operation in turning them in to the Church Office on time.

PRESIDENT VOGEL'S REPORT

"I bring from yesterday into today only that which is beneficial."

The author of this quotation tells us that we should remember from the past those things which are of value. There are many things which we of St. Paul Church should remember about the year, 1957. First and foremost, are the blessings we have received from our Heavenly Father. Without His spiritual guidance, we could not have succeeded in our many endeavors.

Through your generous contributions we have met all of our financial obligations for the past year. This was accomplished even though the total pledged for 1957 did not equal the Current Expense Budget submitted by our Finance Committee. It was, however, our good fortune to have had a substantial balance in our Contingency Reserve Account to cover the additional sums required. We hope to replenish our Reserve from amounts still outstanding on our Fire and Re-Building pledges.

During the year, our Pastor, through his newsletters, has kept us well informed on all important matters pertaining not only to our Home Church and all its organizations, but news from the Church-at-Large. For the time and effort that it takes him to prepare this information, we are most grateful.

This past year, for the first time in the history of St. Paul Church, we were privileged to have three women Trustees serving on the Church Council. This was accomplished through an amendment to our Constitution which increased the number of Trustees from three to six...the six consisting of 3 men and 3 women. The women elected at the last annual meeting were, Mrs Nelson Alderman, Mrs. Fred Zettlemoyer and Mrs Albert Groth, Jr. Their wise counsel and recommendations were most helpful.

Under the leadership of Mr Arthur Koeh, our Chief Trustee, many improvements were made to our property. First and most significant was the modernization of our organ and the installation of new drapes behind the organ pipes. In addition to their usual duties, the Trustees devoted much of their time and effort to find ways and means to improve our heating facilities in order to make our Sanctuary as well as other parts of our Church more comfortable during the winter months.

Special Donations and Contributions: We are deeply grateful to our Women's Guild for the new Choir Robes, a special contribution of \$200 to our Benevolent Fund, the purchase of new equipment for the kitchen, and other items and services too numerous to mention. We also dedicated a new Communion set in loving memory of our late Pastor (cont'd.)

the Reverend Alfred G. Schnake. This memorial was made possible through gifts to our Memorial Fund in his memory. Recently we had the joy of dedicating an Altar and Book of Remembrance which was given to our Church by Mr and Mrs Bertrand Bushnell in memory of Mr and Mrs Floyd Sovocool, the parents of Mrs Bushnell. To the donors of these and all other gifts, we are most grateful.

At the last annual meeting of the Congregation a resolution was approved to survey our membership as to their feeling regarding the publication in the Year Book of the amounts pledged and paid to the Current Expense of the Church. The survey indicated that approximately two-thirds of those who returned preference cards preferred to discontinue this practice. Therefore, the Church Council at a recent regular meeting approved a resolution concurring with the wishes of the majority. The publication in the Year Book of all other information such as Annual Reports, Financial statements and a directory of names and addresses of members will be continued.

Before closing my report, I would like to mention the joy we all experienced at the arrival of Heide Carolyn this past summer at the Parsonage. We pray God's blessing on Heide through all the days of her life.

With this Annual Meeting, my term as a member of the Church Council and as your President comes to a close. I wish to extend to Pastor Ochs, the members of the Church Council, Officers and leaders of our Organizations, and to you the members of this Congregation, my sincere thanks for your fine co-operation.

May God's blessing be upon all of us as we go forward into this new year, striving as always to do His will.

Respectfully submitted,

Frank R. Vogel, Sr., President

SUNDAY SCHOOL

The average attendance for 1957 was 132 per Sunday and 16 new members were added to our Roll. There were also 209 visitors during the year.

Monthly Staff Meetings were held on the third Monday of each month with the exception of July and August. The Annual Recognition dinner, ably served by Circle II, was held in January. The annual programs were presented by the Sunday School on Children's Day and Christmas and the Staff again decorated the Sanctuary and Sunday School Rooms at Christmas. A party was held for the Children in the Spring with movies and refreshments for all. Several projects were undertaken during the year...the Lenten project being "Rabbits for Korea". A gift of \$100 was sent for this. Our Christmas project again was the collection of Mittens and Socks, donated by the children and were sent to the Winnebago Indian Mission. The Upper classes brought donations for a Food Basket for a needy family, to which the Sunday School gave \$20. Also \$50 was presented as our Christmas White Gift Offering and a pledge of \$150 was paid to the Current Expense Budget of the Church. A summary of the Treasurer's report is as follows:

Balance, Jan. 1, 1957	\$504.68	A Summary of Expenditures:	
Receipts	753.63	Lesson Materials	\$363.45
Expenses	780.67	Missionary Projects	220.00
Balance, Jan. 1, 1958	477.64	Pledge to church	150.00
		Miscellaneous	47.22

During 1957, we were very sorry to lose the capable services of both Mr and Mrs Raymond Yeager as our Superintendent and Recording Secretary. They have served the School faithfully for 4 years and their absence is sorely missed by the entire Sunday School. At present, we are operating without a Superintendent. We hope that soon, someone will come forward and help us. Also, Mrs Walter Kuhmann resigned as Superintendent of the Cradle Roll, and Mrs Fred Breitung as Chairman of the Nursery. These folks deserve commendation for their loyal and faithful service.

New members added to the Staff are: Cradle Roll, Miss Margaret Lehmann; Nursery, Mrs John Antonow; Beginners, Mrs Frank Vogel, Jr., Miss Suzanne Bancroft. Junior Dept., Miss Gail Rexer. Mrs. Edward Harrigan, Financial Secretary.

Our sincere thanks go to our Teachers and Officers for their loyal services to this great cause of Christian Education.

Respectfully submitted,
Mrs. Albert Groth, Jr.,
Chairman of the Department of Religious Education

WOMEN'S GUILD

The Women's Guild of St. Paul's Church held six afternoon meetings, coming together the first Thursday of the month at one o'clock for a Coffee and Fellowship Hour followed at 2 P.M., by a devotional program and business meeting. Four evening meetings were held to give the women unable to attend afternoon meetings an opportunity to participate in the fellowship and activities of the Guild. The Guild contributed to the life and program of the local church as well as the program of the National Guild, the Rochester Regional Guild and the Council of Church Women. The present membership totals 88 with an average attendance of 42. Two members of our Guild passed away during the year, Mrs Adelaide Barron and Mrs Mary Williams. Eight new members were received.

To interest the members of the Guild in getting acquainted with and promoting the work of the National Women's Guild and the local church, the entire membership is divided into six departments. Chairmen for 1958: Spiritual Life, Miss Vera Frederick; Christian Education, Mrs Paul Stoehr; Missionary Education, Mrs Herbert Groth; Christian Service, Mrs Emma Hoffman; Christian Stewardship, Mrs William Atherton; Christian Social Action, Mrs Richard Pasch.

(cont'd.)

(Women's Guild)

To promote fellowship and activity in the Guild, there are four Circles which meet monthly. Circle Chairmen for 1958 are: First Circle, Mrs Paul Stoehr; Circle II Mrs Bruno Lehmann; Ruth Circle, Mrs Earl Talbot; Fidelis Circle, Mrs Carl Zirngibl. Through their many activities the Circles have made substantial contributions (in terms of money and talents) to the total work of the Guild. First Circle donated two silver Tea Services, drapes for the Ladies Room, served the Father and Son's Banquet, the Synodical Triple Institute supper and the Guild picnic supper. Circle II served the Sunday School Staff dinner, Guild Christmas dinner, gave to the Leper Fund and the Guild. Ruth Circle gave two sewing machines and materials to the Sewing Circle, donated to Winnebago Indian Mission, Greenville Orphanage, Biloxi, the Leper Fund, Back Bay Mission and to the Guild. Fidelis Circle presented the program for the Mother and Daughter Fellowship and the Guild Christmas Devotions, gave a record player to Greenville Orphanage, and donated to the Guild Treasury.

Our sick and shut-in members are visited regularly by Guild members appointed by the Spiritual Life chairman. About 100 calls were made in 1957. At Easter and at Christmas they are remembered with small gifts. The Spiritual Life Department together with the Deaconesses also prepare cheer baskets for the sick and shut-ins of our Church and about 70 of these baskets were delivered this past year. Many cheer and Birthday cards were also sent to our members.

We express our sincere appreciation to the loyal Sewing Group with Mrs Emma Hoffman as chairman, for preparing boxes of clothing, old and new, for distribution to World Service and the many Benevolent Organizations. 28 Messenger subscriptions were solicited by the Christian Education Department.

The Guild participated in the following activities during the past year. The annual Federation of Churches Drive; annual visit to St. John's Home; held two Rummage Sales; sponsored a Fall Dinner and Bazaar; held a Stork Shower for Mrs Ochs; sponsored an evening meeting with Rev. Quinton Primo as our guest speaker; held a Get-Acquainted Tea, sponsored by the Missionary Dept., at which Mrs Ochs reviewed the book "Through Gates of Splendor" and to which the women of the local E&R and C.C. Churches were our guests. In 1957 Guild members attended the World Day of Prayer Service, Rochester Regional Guild Spring Meeting and Fall Workshop; May Fellowship Day, World Community Day; Leadership Education Institute; Synod Triple Institute; W.N.Y. Synod Meeting and the monthly meetings of the Council of Church Women. In addition to our Church Pledge of \$500.00, our National Guild Challenge of \$30.00 and our Thank Offering of \$74.00, we contributed \$200.00 to the Church Benevolent Fund; purchased 25 Robes for the Church Choir and new kettles for our kitchen. Guild benevolent contributions were made to the McAll Mission, Migrant work, Leper Fund, World Community Day Project, the YMCA and the NAACP and the Federation of Churches and the Council of Church Women. THE BROTHERHOOD

The BROTHERHOOD of St. Paul's Church meets the first Monday of each month. The attendance at the meetings during 1957 was encouraging, indicating that the program offered for the men of our Church was well received. All men of the Church are urged to attend the meetings, for which a program is arranged for one year in advance.

In February, William Atherton gave an interesting talk about his trip to California, illustrated with slides. A Bowling Party was held at the Lyons Den in April, and the 50 people who attended had an enjoyable evening. Also in April, the Reverend Walter Telfer of United Congregational Church spoke on the merger of the E&R and C.C. Churches. In May, our Father and Son's Banquet was attended by over one hundred men and boys, one of the largest number in many years. Ed. Seymour of the U.S. Olympic Team spoke about the Winter Olympics and bobsledding, illustrated with movies. In June, Ludwig Zimmerman described his recent trip to Europe. Our picnic was held in August at Salem Park. In October, John Thorn of United Congregational Church, who was a delegate to the Uniting Merger Synod in Cleveland, told us about the meeting. In November Dr. Paul Schroeder of Salem Church described his trip to the Holy Land. Our annual Christmas Party for members and wives was held in December.

The Annual Birthday Calendar was again sponsored by the Brotherhood. Christmas gifts were again sent to Newark State School. Our pledge of \$125.00 was paid to the Church. Contributions were made to the National Brotherhood, N.Y. Men's Federation, Rochester Federation of Men's Bible Classes and Rochester Federation of Churches.

Officers for 1958 are: President, John Schwartz; Vice-Pres., Elton Perrine; Recording Secretary, Clement Hutchins, Jr.; Financial Sec'y., Jacob Eckert; and Treasurer, Arthur Wehren.

We appreciate the help offered by many members in making the 1957 Program a successful undertaking.

Respectfully submitted,
John Schwartz, President

YOUTH FELLOWSHIP

Officers for the year are: President, Barbara Prewasniak; Vice-Pres., Gary Breitung; Treasurer, Norma Bean; Secretary, Linda Johnson.

During the last year, our Youth Fellowship has engaged in many varied activities. Due to the wide spread of ages in the Fellowship, we have found that our programs centered on active sports are among the best attended. In addition to these and other programs, the Youth Fellowship has engaged in service projects among which were carolling to our sick and shut-ins at Christmas time and contributing \$5.00 to our Church School Christmas project. A high point for us in 1957 was the annual Parent's Night. At this time, both parents and young people tackled some of the problems of our group with the result that a Parents' Sponsorship of the Fellowship has been established. With this new close co-operation between parents and young people, we look forward to 1958 and our first big project...a Drama Night in May.

The President wishes to thank Mr. Robert Washer (our Youth Advisor), the officers and members of the Youth Fellowship for their fine co-operation and their counsel. We are also grateful to the members of the Church, who through the Church Council, are helping us to obtain additional recreational facilities.

Respectfully submitted,
Barbara Prewasniak, President

THE ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday morning at 9:30 A.M., for its Worship Service and Morning Lesson. Our membership totals 56 men and women. The average attendance for 1957 was 26. We had the privilege of welcoming 34 visitors during the year.

There were 50 members and friends present for our Friendship Sunday. In February we honored one of our teachers, Miss Reuschle, who was embarking on her 20th year of teaching. This special Sunday was well attended and a gift was presented to her.

In addition to our Sunday morning fellowship, the Class has engaged in the following projects: The preparation and serving of the Easter Breakfast after the Sunrise Service to 133 members of St. Paul; an Altar, Cross and Candlesticks was placed in our Sunday School room. Our thanks to the Zimmerman family for the table. Flowers and cards were sent to our sick and shut-ins. Flowers were placed on the Altar in the Church Sanctuary on Mother's Day and Memorial Sunday. \$65 was given to the Current Expenses of the Church; contributions were also made to the "Bunnies for Korea" project of our Sunday School; the Rochester Federation of Churches; Dunkirk Building Fund; the United Negro College Fund; the Rochester Association of the United Nations; St. John's Home for the Aged and we remembered our sick and shut-in members with gifts at Christmas time.

Again, we extend to all members of our Church and their friends a most cordial invitation to join us each Sunday morning. We have two fine teachers, Miss Lucille Reuschle and Pastor Ochs. Also Mr. Bertrand Bushnell, Mr. John Schwartz and Mrs. Richard Sharp have done a fine job of assisting the President with the Devotional program. We are most grateful for their assistance and thank them, as well as our pianist, Mrs. Fred Breitung.

Our goal for 1958 is ten new members. Will you help us attain that goal? Officers for 1958 are: President, Mrs. Fred Zettlemoyer; Vice-Pres., Mr. Bertrand Bushnell; Secretary, Mrs. Emma Hoffman; Treasurer, Mrs. Lillian Howorth and Pianist Mrs. Fred Breitung.

Respectfully submitted,
Mrs. Fred L. Zettlemoyer, President

THE CHOIR

St. Paul's Choir continued to serve its Church faithfully under the able direction of Miss Shirley Samus, assisted by Harold Steen, organist. The attendance averaged about 18 members. Special services were prepared for Christmas, Easter and the observance of our 95th Anniversary.

The Choir is grateful to the Congregation for financing a trip to the Ice Follies in March and for a dinner in June, as well as our annual dinner at the Church in December.

Choir rehearsals are from 7:30 to 9:00 P.M., on Wednesday evenings. We sincerely hope that new members will come forward and join us.

The Junior Choir contributed to the annual Children's Day Service and to the Sunday School Christmas Service under the able direction of Mrs. Florence Kelley.

New Officers for 1958 are: President, Miss Heidi Zimmerman; Vice-President, Miss Ingrid Berg; Secretary-Librarian, Miss Harriet Fauth and Treasurer, Miss Sharon Wilson.

Respectfully submitted,
Kenneth W. Britton, President 1957

THE STUDENT AID FUND

This Special Fund was established 4 years ago by Mr and Mrs William Volz. Since that time, they have given seven \$25.00 U.S.Bonds to the Fund. The purpose of the Student Aid Fund is to provide deserving students in our Church (regardless of their particular field of study) with the opportunity of obtaining emergency loans to meet educational expenses. Those who receive these loans do not have to pay interest on them. We ask merely that they promise to pay them back when finances permit, so that other young people may be able to use this money. At present the Fund is small. We would call it to your attention as a Fund worthy of your consideration when you are making a Memorial or other special contribution to your Church. We could make no finer investment than investing in the future of our children and young people, in this day of great stress on education and the very high cost of obtaining same.

MEMBERSHIP DIRECTORY

NOTE:

The names and addresses of our contributing members are listed below. At the recommendation of the majority of our members returning preference cards, the Church Council has passed a resolution which discontinues the practice of listing amounts pledged and paid by individual members of our Church. We wish to thank those of our members who, by returning their cards, helped us to arrive at what we believe to be an expression of the will of a majority of our total membership. President Vogel's Report refers to this matter in detail.

In the compiling of such a large number of names and addresses, mistakes are liable to happen. If you find such, or in case of change of address during the coming year, PLEASE notify the Church Office.

REMEMBER THE CHURCH IN YOUR WILL

Every person should draw up a document known as his "Last Will and Testament" in order that his possessions may be distributed according to his desire. As a good Steward of the blessings that God has given you, it is well to include your church among your designations. This may be done even by persons of limited estate.

Should you desire to include or add a codicil to your will, the proper wording is "I give and bequeath to St. Paul Evangelical & Reformed Church, Norton and Jewel Sts., Rochester, New York the sum of \$_____. (signed)"

PASTOR'S REPORT

A very young lady has given us the words which might well be the prayer of Saint Paul's Church as the new year presents itself. The words are part of an award-winning poem in our National Stewardship project. Can you imagine a church praying...in your heart can you hear St. Paul's praying:

"Dear Father, may I ne'er forget all that You gave to me.
And so to show my thanks, I commit my life and work to Thee.
Dear Father, help me now to choose the work that's right for me.
Not counting what I gain or lose, but what is gained for Thee.

Dear Father, always help me do my work the best I can.
So as I work, I may please You and help my fellowman."

All churches need to pray this prayer. Some time ago, the Department of Stewardship of the National Council of Churches released this significant figure; that the burden of the church's work in the average congregation is borne by 21% of the membership. What startles one is not the lack of accomplishment by the faithful 21%, but the tremendous potential of the other 79% devoting a proportionate share of their 168 hours weekly to the worship and work of the Kingdom. Life is uncertain and time is limited. And the good steward who wisely uses the time entrusted to him will always have hours available for the worship and work of God.

1. EVANGELISM.

Always...the primary and principal task of the Church is the unceasing proclamation of the Gospel..."the power of God unto salvation!" And whenever the Church has permitted the evangelistic fire to burn low on its altar, it has become introverted, spiritually impotent and obsessed with bulwarking its own institutionalism. But whenever the Church has been true to its fundamental mission, it has gone forth "conquering and to conquer" for Christ and His Kingdom.

We are very grateful to those women who are giving of their time and consecration as Deaconesses of our church. In a church as large as ours, such an organization is indispensable in its personal ministry to our membership. Their fine work has evidenced itself in many ways.

As we look ahead to 1959, there are two great aspects of our own Evangelistic Mission that require our interest and our prayers...

Our Evangelistic Mission within our membership - It will be noted from the report of our Chief Deacon that our attendance figures are down somewhat compared to 1957. This is a matter of concern to any congregation. No matter how much we blame it on the bad weather or on lack of parking space, we need to devote ourselves to the activation of members who have become disinterested, and in the producing of an even greater feeling of friendliness within our congregation. Your Pastor pledges that this will be his number one concern during 1959. But he and the Deaconesses can not do it by themselves. They need your interest and your participation in winning these disinterested members back into the activity of our church life.

Our Evangelistic Mission to the Community - We of St. Paul's must be of service to our immediate community. This is a part of the mission that our Lord has entrusted to our care. As an immediate goal, we need to explore the many blocks that surround our church. We need to know our neighbors and the ways in which we can be of help to them. At this writing, interest has been expressed by several of our men in leading such a program. With your help and the help of God, we hope that we can begin this project soon.

I strongly suspect that for many in the Church, evangelism, in its specific sense is still a word of lip service rather than of vital conviction and concern. In a world such as ours, tragically torn beyond description by the sinfulness of men and where despair increases...in a world where three out of every four persons have, as yet, made no acknowledgment of Christ as Lord and Saviour, Christ's call to His Church for Mission and Unity should burn itself upon our hearts with searing letters.

2. CHRISTIAN STEWARDSHIP

From the report of your able President, Mr. Carl Rexer, you will gather that this has not been the easiest year, finance-wise, that St. Paul's has had. We must admit a failure to pay our Benevolent obligations, in full and a using of some reserve money to meet our current expenses. But the picture is not all dark. Thanks to our Finance Committee, chaired by Mr. Fred Bopp, and those men who served on our Kingdom Roll Call (their names are listed in the Year Book along with other items of interest and statistics) the picture for 1959 is bright...PROVIDED...we live up to those personal commitments that we made in the Master's name.

But Christian Stewardship is more than a matter of figures. In the pages of the Year Book we find it in every report of every Organization of our church. There we can find service through time and talent that we could not buy even if we were the wealthiest church in all of Christendom. We are sincerely grateful to the officers and members of the Choir, our Youth Fellowship, the Sewing Circle, the Men's Brotherhood, the Adult Bible Class, and the Women's Guild for the many ways in which they have contributed to the richness of our church life.

3. THE CHURCH SCHOOL

During the last year, our Church School continued to minister to the children, young people, and adults of our church family. We wish to thank our officers and teachers for the splendid work that they have done...and a special word of thanks to Mrs Albert Groth, Jr., who not only served as the Chairman of our Department of Religious Education but also gave her leadership to the highly successful Vacation Bible School that was held last summer.

We note with deep regret, the retirement of Mrs Raymond Raufeisen as Superintendent of our Beginner Department. Mrs Raufeisen has served in our Church School for over 25 years. The only way that we can ever hope to repay the devotion and loyalty of leaders such as her, is in stepping forward ourselves into such positions of responsibility so that their work is not lost but continues forward.

4. LOOKING AHEAD TO 1959

At this time, there are many plans for the future year. Among them are:

PRESIDENT REXER'S REPORT

"Count your blessings, name them one by one;

Count your many blessings, see what God hath done."

We of St. Paul's Church have much to be thankful for and as we come to the close of another Church year, we come with thankful hearts for the many blessings our Heavenly Father has given us.

Our Pastor, Reverend Ochs has given us devoted spiritual guidance through his fine sermons and spiritual guidance. He has kept us informed on important matters through his fine newsletters. Mrs. Ochs also served us well both in Sunday School and in the choir. We are grateful to them both.

Our choir, under the leadership of Mr. Harold Tausch, is to be commended for their contribution of music to our Worship Service. Our former Choir Director, Miss Shirley Samus, resigned for a permanent teaching position in Florida, and there is always a period of adjustment when we lose a Choir Director. Mr. Harold Steen, our able organist, continued his fine work at our organ that adds so much to our Service of Worship. Our sincere appreciation to all.

Our Trustees under the fine leadership of Mr. Fred Bopp, did an outstanding job this past year, completing many improvements to our property, among which were: all outside window wells cleaned and cemented; all underground drain lines from window wells and roof drains unplugged and broken tiles replaced; new copper water lines installed from street to church, new copper water lines installed throughout the Church; brick work and capping on outside steps to Church re-cemented; installation of signs and dispensers in women's rest room; hymn rack repair and a number of minor repairs such as patched basement wall, outlets, new louver and screen on back

basement entrance, and covering the 3/4" copper water line crossing the Adult Bible Class Room to help eliminate the noise of water running through the pipe. New carpeting was installed in the Choir room, Minister's Study, stairs and choir loft. The Women's Guild assumed the payment of this expensive item (\$695) which enabled us to do the copper water line installation. For this we are grateful. I might add, were it not for the devoted work of the Women of our Church, St. Paul's would not be what it is.

Under the chairmanship of Mr. Fred Bopp, an Every-Member canvas was organized for our 1959 fund drive. We are grateful to the many men of our Church who participated so enthusiastically in this drive. It was an inspiration to us all, and while we did not attain our goal, it was close and were it not for the increased giving of the members, we would have been in financial trouble. Like all our own expenses, the cost of running your Church has also risen. Mr. Bopp deserves special thanks for his efficient and untiring efforts as Chief Trustee; Vice-President, chairman of the Auditing Committee and Nominating committee. The Financial Books of the Church and all of the Organizations were audited by the Finance Committee and found to be in order.

To our Board of Deaconesses headed by Mrs. Elmer Koepplin goes our deepest gratitude for the many hours of service they have given and a special thanks to the Flower Committee headed by Mrs. Franz Kilian. We were fortunate in acquiring Mr. Charles Thomas as Sexton during the year and for the fine way he is taking care of our Church we express our gratitude. Our thanks also to Mrs. William Lohler, our Church Secretary, for the multitude of duties she performed so efficiently.

I am sorry to have to report we still do not have a General Superintendent for the Sunday School. Surely there is someone in our Congregation for this important job. Won't someone volunteer or suggest someone who could fill this job? We cannot go on indefinitely without someone in the position. I want to thank all the teachers and officers of the Sunday School for their dedicated work with our children who are the future members and leaders of our Church, and to the Adult Bible Class for their fine contributions to our Church program.

To Mr. William Brammer, our Student Pastor, for his fine contributions to our services and youth program go our thanks.

All our financial obligations have been paid except for our General Synod Apportionment of \$3367 of which \$2807 was paid. This was withheld on purpose since the apportionment is up for revision in 1959 and since the churches that have continually paid 100%, and St. Paul's has always paid 100%, have been penalized through increased apportionments, it was felt that we should protest in this practical way.

The retiring members of the Council are: Trustee, Mrs. Nelson Alderman; Vice-President and Chief Trustee, Fred Bopp; Benev. Treasurer, Earl Talbot; Chief Deacon, Frank Vogel, Jr.; William Atherton and Chief Elder John Schwartz. They have served the Church well and their helpful council will be missed. To the retiring members as well as those remaining, my own personal thanks for their fine co-operation. No report would be complete without special thanks to the Treasurer, Mr. Bruno Lehmann for the great amount of time and effort devoted to his job, and to Mr. William Lohler our Financial Secretary for his continuing dedicated service to St. Paul's. Mr. Lohler has served St. Paul's as Financial Secretary since 1939.

Let us all accept a challenge for 1959 - To attend as many services as possible and perhaps bring a visitor occasionally or offer to drive someone who otherwise could not come. Also - don't forget the Church Organizations and special functions. A full Church can also add to the Worship Service. Let's make this a personal project for each one of us.

There are many who have served St. Paul's in the past year who deserve thanks and to each one, my personal thanks and may the Lord bless you for it.

It has been an honor and a privilege to have served as your President during 1958 and it has been an experience I shall long remember and cherish. I pray our Heavenly Father will bless you all in the year ahead and that we may go forward in Christian strength and unity.

Respectfully submitted,

Carl Rexer, President 1958

WOMEN'S GUILD

The Women's Guild of St. Paul's Church met for six afternoon meetings, the women coming together for a Study Hour at 12 o'clock, followed by a Coffee and Fellowship Hour at one o'clock and the Devotional Program and Business meeting beginning at two o'clock. Four evening meetings were held to give the women unable to attend the afternoon meetings an opportunity to participate in the programs and activities of the Guild. Our programs included a book review, "O Rugged Land of Gold", given by Mrs. Fred Ochs; a slide illustrated talk on the Japan International Christian University by Mrs. Alfred Nord; a film on Migrant work presented by Mrs. Paul Stoehr and the Christian Education Dept., and slides of Europe by Mrs. Tilley. The Guild contributes to the life and program of the local church as well as to the program of the National Women's Guild, the Synodical Guild, Rochester Regional Guild and the Council of Church Women. The present membership totals 86 with an average attendance of 35. Four members of our Guild passed away during this year: Mrs. Bertha Schmanke, Mrs. Elizabeth Touhey, Mrs. Elsie Zirngibl and Mrs. Frieda Groth. Two new members were received.

To promote the work of the National Women's Guild and the local church, the entire membership is divided into six departments: Chairman for 1959; Spiritual Life Miss Vera Frederick; Christian Education, Mrs. Franz Kilian; Missionary Education, Mrs. Fred Zettlemoyer; Christian Service, Mrs. Emma Hoffman; Christian Stewardship, Mrs. William Atherton; Christian Social Action, Mrs. Richard Pasch.

Four Circles that meet monthly help promote fellowship and activity in the Guild. Circle Chairmen for 1959: First Circle, Mrs. Forest Thompson; Circle II, Mrs. Lillian Howorth; Ruth Circle, Mrs. Earl Talbot; Fidelis Circle, Mrs. Clement Hutchins.

(cont'd.)

Through their many activities, the Circles have made substantial contributions to the total work of the Guild. First Circle served the Father and Son's Dinner and the Guild Christmas Dinner; contributed to the Rochester Christmas Bureau, the Winnebago Indians, St. John's Home Sunshine Fund, Leper Fund, Greenville Orphanage, Biloxi and the Guild Treasury. Circle II served the Ministerial Conference Dinner, decorated tables for Christmas Dinner, donated meat slicer, contributed to Leper Fund and Guild Treasury. Ruth Circle served Guild Picnic Supper, sponsored Travelogue and Strawberry Social, donated to the Sewing Group, Greenville Orphanage, Biloxi and the Guild Treasury, provided poinsettias for our Leper Fund, Choir for stoles and the Guild Treasury, provided poinsettias for our Christmas Altar and donated baby items to World Service. Fidelis Circle presented the program for the Mother and Daughter Fellowship and the Guild Christmas Devotions, donated to Greenville Orphanage, the Nursery Fund and the Guild Treasury.

The Spiritual Life chairman appoints two members of the Guild each month to visit the sick and shut-in. About 100 calls were made. At Easter and Christmas little gifts together with Cheer Baskets that are prepared by the Spiritual Life Dept., and the Deaconesses were taken to our shut-in members. 72 of these baskets were delivered this year. Many Birthday and Cheer cards were sent through the year.

The Sewing Circle headed by Mrs. Emma Hoffman prepared and sent boxes of new and used clothing to the Congregational Christian Service Committee, Greenville Orphanage, Biloxi, Winnebago Indians and other Benevolent Organizations. Without the assistance of these loyal women of the Sewing Circle, this fine contribution to the needy would not have been possible.

18 United Church Herald subscriptions were solicited by the Christian Education Department. We would urge more of our members to subscribe to this fine magazine.

The following activities were engaged in during 1958. Participation in the Federation of Churches drive; annual visit to St. John's Home; two rummage sales; Fall Dinner and Bazaar; Mother and Daughter Fellowship; the Christmas Dinner with the ingathering of money gifts for the needy; donated Health Kits to the Migrant workers; Guild Members attended the World Day of Prayer Service; May Fellowship Day; World Community Day; Fall Fellowship of Synodical Women's Guild; Rochester Regional Guild; Biennial Synodical Meeting; Mission Institute and monthly meetings of the Council of Church Women. THE BROTHERHOOD

The BROTHERHOOD of St. Paul's Church had another interesting year, offering a varied program for the men of our church. Meetings are held on the first Monday of each month and all men of the church are invited to attend.

In February, educational films describing the atomic submarine, the Nautilus, and atomic power plants were shown. Mr. Ralph Dakin of Bausch and Lomb spoke in March on a very timely topic, "Satellites & Moonwatchers" and showed stereo slides of his trip to Western National Parks. In April, Mr. Rolfe Hoffmeier, of our church, gave a talk on his European trip and showed a fine group of Kodachrome slides. Also in April, a bowling party was held at the Rochester Turners with 30 men and their wives attending. In May our annual Father and Son Banquet was held with 85 men and boys sitting down to the dinner which was served by the members of First Circle. World Series movies and cartoons were included in the program. Mr. Boris Svetlevs, our former church sexton spoke in June concerning politics and education in Russia and Red China. We sponsored a Church Family Picnic at Hamlin Beach Park. In October our regular meeting was replaced by a tour of the Russell Power Station of the RG&E Corp. Everyone was very much impressed by the hospitality of the station personnel and the equipment and facilities. Mr. Rudolph Hoffmeier arranged the tour. In November, vacation slides were shown by John Schwartz and Albert Meili, Jr., showed spectacular views of Fall Foliage in New England and New York City. The highlight of our year was the annual Christmas Party for members and their wives. Eddie Neath popular WHEC Radio and TV announcer spoke on "Radio and TV Today". Gifts were brought by those attending for the boys at the Newark State School.

The annual Birthday Calendar was sponsored by the Brotherhood as in previous years. Our pledge of \$125 was paid to the church and contributions were made to the Nat'l. Brotherhood; N.Y. Men's Federation, Rochester Federation of Men's Bible Classes and the Federation of Churches. Mr. Bruno Lehmann and Mr. William Atherton led a very successful campaign on behalf of the Fund Drive for the new swimming pool and other improvements at the Dunkirk Conference Grounds.

Officers for 1959 are: President, Mr. Bertrand Bushnell; Vice-Pres., Mr. Elton Perrine; Recording Sec'y., Mr. Clement Hutchins; Financial Sec'y., Mr. Jacob Eckert; Treasurer, Mr. Arthur Wehren.

We wish to acknowledge the help received from many of the members in promoting the successful meetings held during 1958.

John Schwartz, President 1958

THE CHOIRS

St. Paul's Choir continued to serve its church faithfully this past year under the direction of Miss Shirley Samus and later under the direction of Mr. Harold W. Tausch, who took over in September, assisted by Harold Steen at the organ. The attendance averaged 15 members. Special music was prepared for the Christmas and Easter services.

The Choir is grateful to the congregation for its help in financing a farewell dinner for Miss Samus at the Crescent Beach Hotel. We also greatly appreciate the new carpeting in the Choir room and loft given by the Women's Guild. Thanks also to Ruth Circle for \$10 given to help defray the cost of our new stoles.

Choir rehearsals are held on Wednesday evenings from 7 to 8:30. We sincerely hope that new members will come forward and join us.

The Junior Choir contributed to the annual Children's Day Service and to the Sunday School Christmas Service, under the direction of Mr. Tausch and Mrs. Kelley.

New Officers for 1959 are: President, Mrs. Richard Dixon; Vice-Pres., Miss Irmgard Berg; Secretary-Librarian, Miss Harriet Fauth and Treasurer Miss Cheryl Freese.

Heide Zimmermann, President 1958

SUNDAY SCHOOL

At the very beginning of this report, we would like to express our very sincere thanks to Mrs. Albert Groth, Jr., as our retiring Chairman of Christian Education. During the last two years in which we have had no general superintendent, she has performed many of those functions. We are deeply grateful.

Monthly Staff Meetings were discontinued in September in favor of Departmental meetings, called by the Superintendents of each Department. Annual programs were presented by the Sunday School on Children's Day and Christmas. The Staff, with the help of our Young People, again decorated the Sanctuary and Sunday School rooms for Christmas. In June, a Daily Vacation Bible School was held under the leadership of Mrs. Fred Ochs, Director and Mrs. Albert Groth, Assistant Director. Daily attendance varied from 41 to 46 children. Milk was provided by our Board of Deaconesses.

Several projects were undertaken during the year...the Lenten project was World Service project, "Chick, Chick", for which \$50.00 was given. Our Christmas project again was the collection of Mittens and Socks for needy children and the children of the Upper Classes brought donations for the Rochester Christmas Bureau. The White Gift Offering was \$100.00; International Missions received \$50.00; the Dunkirk Pool project, \$25.00; Federation of Churches, \$6; and the YMCA, \$5. ST. JOHN'S HOME

Saint Paul's Church is one of 14 churches affiliated with the Home. The Board of Managers consists of representatives of these churches along with a few members-at-large from our community. At the present time, there are 67 residents (which is the capacity of the Home) and over 40 applicants awaiting admission. The Board of Managers has recently embarked on a lengthy study concerning the expansion of the present facilities and is aiming at a long range program of service which will include nursing care and residential care (similar to the Cobb's Hill project) in addition to the custodial care now provided. St. Paul's Church is represented on the Board by our Pastor, who is President of the Board; Mr. Adolph Fauth, and the writer.

Each year, we solicit your support in the form of memberships in the Home. We hope that you will remember this worthy service to our churches and our community through your contributions and prayers.

A Note about our Memorial Funds: It has been the practice of St. Paul Church to encourage its members to establish Perpetual Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (it can be borrowed from, if the occasion arises) but the interest is used in meeting the current expenses of the church. This fund provides us with a small but steady income in addition to the yearly offerings of our members.

Monies in the Memorial Fund (from Memorial Wreath Cards contributions) is used for the purchase of necessary items which are suitable as Memorials for loved ones, in whose memory these gifts were given.

PASTOR'S REPORT

A medieval philosopher wrote of earlier thinkers:

"We are like dwarfs seated on the shoulders of giants. We see more things than the ancients and things more distant, but it is due neither to the sharpness of our sight nor the greatness of our stature; it is simply because they have lent us their own."

This thought strikes home as St. Paul Church enters a new year...a new decade. The way of God has been charted, mapped and marked by countless millions of men who have lived and died, most of them nameless. Through their combined efforts, there is on earth an institution that has a high opinion of man, declaring that he is a son of God, who has divine possibilities; an institution that transcends race, nation and class; an institution which is loyally undertaking to embody the spirit of Christ, and in his name to relieve human suffering, promote human welfare and carry on a ministry of reconciliation among men.

AS WE REVIEW THE EVENTS OF THE PAST YEAR, we must conclude that this Christian spirit is not a monopoly of the Early Church or of the Medieval Church. It is very evident in the life of St. Paul Church through the activities of its members and organizations.

Time and space does not permit me to include in this report a detailed inventory of our many moments of worship and work together. These and other statistics of interest will be found in following pages of this Year Book. I would at this time confine my remarks to several items of interest which present a real challenge to our congregation during the year ahead.

1. THE ST. PAUL - DEWEY AVENUE CHURCH MERGER.

Several years ago, I remarked in my Annual Report to the Congregation that the year, 1957, might well be labeled the "Year of the Merger." I was referring to the union of the Evangelical & Reformed Church with the Congregational Christian Churches. Little did any of us realize that two years later that the words "Year of the Merger" might be even more appropriate...that St. Paul Church and Dewey Avenue Church would be uniting as one congregation.

In July, 1959, St. Paul Church and Dewey Avenue Church entered into tentative negotiations that might result in the merger of our two congregations. After serious study by both congregations, special Meetings of the Congregations were called in the month of August. At this time, merger was approved by both churches and legal proceedings were begun to make us one church in the eyes of our State.

In September, our two congregations began to worship and work together in Saint Paul Church. I would at this time pay tribute to the fine spirit of the members of both congregations in the kindly and gracious way that this task was accomplished. Mergers are at the best, difficult in every respect. YOU...the people of Dewey Church and St. Paul Church, proved that there is an exception to this rule.

What does this mean to our church in 1960?

It means, first of all, an increased membership roll. At this writing, we have every reason to believe that approximately 45 units of membership (single members, families, etc.) will merge with our St. Paul congregation.

Secondly, it means that the assets of our two congregations will become the property of the new St. Paul Church. We will continue to worship in the facilities of St. Paul's church...this will be our church home. The Dewey Avenue property will be disposed of or held in the best interest of our united congregation. (con'td)

Since this property has been conservatively estimated as being worth some \$80,000, this is a great trust that has been placed in our hands. Naturally we should ask ourselves, what will we do with this tremendous opportunity, that, by the grace of God, we have before us? It should stimulate us to better undertakings, to outward and inward growth. But these will not come automatically. Our program must be planned commensurate with this opportunity. THIS WILL BE OUR MAJOR TASK IN 1960!

2. THE CHURCH SCHOOL.

A facet of planning an improved program for our total church was begun in September. The proposed merger of our churches led to a study of our Church School and ways and means we could use in making our Church School program more effective.

In September, Dr. Fred Willkens, who had just retired as Professor of Religious Education, graciously consented to act as our full-time Director of Religious Education for the next four months. During his stay with us, a complete reorganization of our Church School Administration took place. A Board of Education has been formed which will have as its function the total administration of our Church School. While this is still in the planning stage and will not bear full fruit until later in the year, we have every reason to believe that we are on the right track toward and improved program of Christian education for our congregations.

May I at this time, on behalf of our churches, thank Dr. Willkens and the teachers and leaders of our Church School for their splendid co-operation in this project. May God bless them and reward them with deep satisfaction.

3. THE COMMUNITY.

At the present time, St. Paul Church is engaged in several projects in the larger community in which we live. Since they will not be included in other reports in the Year Book, I would speak of them here.

Our Congregations have always been active in our Rochester Federation of Churches. Thanks to the generosity of our people, we have been able to give 100% financial support or better to the work of the Federation. For the last two years, our Council has allowed the Federation to hold Week-Day Religious Education classes in our facilities on Monday afternoons during the school year. We are grateful to be able to render this community service.

In October, St. John's Home for the Aged began its financial drive to raise \$300,000 for capital improvements. We are happy to say that this amount was pledged and work will begin on the new wing in spring of this year. We are grateful to the members of our churches who have pledged to this very worth while project. St. Paul's goal was \$9,300 over a three year period. To date, our pledges have reached well over \$7000. We are confident that, with your continued support and interest, we will reach this goal.

During the Fall, the Seth Green housing project for Senior Citizens was completed. We are happy to report that St. Paul Church has been able to welcome some of these new neighbors to our Church activities. Our nearness to Seth Green has opened another opportunity for us as a church. Your Council has authorized your Pastor to study the possibility of working with the Lutheran Inner Mission under Chaplain Albert Horn in using our church facilities for a community Senior Citizen's Program. This program of weekly activity would be open, not only to the Senior Citizens of this immediate area, but to those of our own membership who would wish to take advantage of it. We pray that this project will take on "flesh and bones" within the next few months.

(cont'd.)

IN APPRECIATION!

Again it has been a pleasure and inspiration to work with the Church Council and all others who have served in many ways throughout the congregation. St. Paul is fortunate to find such faithful and efficient servants of the Lord.

A special word of appreciation for Mr. Koepplin who has served us as President in 1959. Some very important decisions were made in this past year and his fine spirit and wise leadership were always in evidence.

Then also I would bear testimony to the faithful work of our church staff: Mrs. M. Lohler, our Secretary; Mr. Thomas, our Sexton; Mr. Tausch and Mrs. Burges, our Choir Directors; Mr. Steen, our Organist; and Mr. Brammer, who served as Student Pastor until June of 1959.

Our thanks, too, for the splendid work that was accomplished by the officers and members of our organizations. Their reports bear attentive reading and gratitude on our part for the contribution that they have made to our church life.

AND NOW IN CLOSING -

St. Paul Church is in its 98th year of service. It seems strange that as we enter our 100th year in 1962, we will be a new corporation less than two years old. This comes about, of course, through our merger and reorganization under state law.

May this legal rebirth be prophetic of a youthful spirit of Faith, Hope, and Love that can be used by our Heavenly Father in accomplishing His will for our future.

Your Pastor,

Fred T. Ochs

CHURCH COUNCIL

THE PRESIDENT'S REPORT

As the end of another Church Year approaches, we members of St. Paul's and Dewey Church have much for which to be thankful. We must certainly in all humility give thanks to our Heavenly Father for the many blessings He has given us.

We are especially grateful to the Parsonage Family for their service to us. We appreciate the fine sermons and spiritual guidance given us by Pastor Ochs. We also appreciate the fine work of Mrs. Ochs in our Sunday School.

We appreciate the fine Ministry of Music provided by the Senior and Junior Choirs and our Organist. We express our thanks to Mr. Harold Tausch and Mrs. Lucile Burgess for their work with the Senior Choir; to Mr. Harold Steen for his continued fine work as our Organist; and to Mrs. Florence Kelley and Miss Harriet Fauth for the exceptionally fine work they have done with the children in the Junior Choir.

Our Trustees have been active in the maintenance, care and improvement of our property, both at the Church and the Parsonage. Several necessary and major improvements were undertaken at the Parsonage. The Parsonage was fitted with storm windows and screens and when an inspection indicated the heating system in the Parsonage was defective, it was replaced by a new gas furnace, which has already started paying for itself by reduced heating costs. Mr. Bertrand Bushnell installed new spot lights and a timer in our sign, so that our Church will look more attractive to people as they pass by. To all our Trustees, we express our thanks for the fine services they have rendered during the past year.

Our Finance Committee under the chairmanship of Mr. Robert Tylock, again conducted an Every Member Canvas and we wish to express our thanks to Mr. Tylock and to all the members of both the St. Paul and Dewey Congregations who helped on the Every Member Visitation. While we did not quite achieve our goal, we are near to it and if every member will help as much as he can, we will reach our objective. The Finance Committee has audited the books of all the Church Organizations and found them to be in order.

Our gratitude must be expressed to our Board of Deaconesses, under the chairmanship of Mrs. Forrest Thompson for their calls on our members and to Mrs. Franz Kilian, head of the Flower Committee, for her work.

We appreciate the continued fine work of our Church Secretary, Mrs. Wm. Lohler and our Sexton, Mr. Charles Thomas.

This Fall, we were fortunate in obtaining the services of Dr. Fred Willkens, as a temporary Director of Christian Education. Under his leadership the organization and curriculum of the Sunday School was strengthened and improved. We are indeed grateful to Dr. Willkens and the Teachers and Staff for the fine work that they are doing. Even though we are often negligent in expressing our thanks to our Sunday School Teachers and Staff, we appreciate their unselfish service to our church and to our children. Your Church Council has established a Board of Christian Education to look after this very important field of our Church's activities. We feel, that as this group becomes organized, it will help keep our Sunday School and our Christian education program strong and effective.

All of our financial obligations have been met except \$560 of our General Synod Apportionment of \$3,307. Our benevolent receipts did not justify fulfilling this obligation and it could only have been done at the expense of other worthwhile benevolences.

Retiring Council Members are: Trustee, Mrs. Fred Zettlemoyer and Chief Trustee Herbert Groth; Elder and Past President, Carl Rexer; Vice President, Robert Tylock; Treasurer, Forrest Thompson and Deacon Bruno Lehmann. Their service is greatly appreciated. Our special thanks to Treasurer, Forrest Thompson and Financial Secretary William Lohler for the time and effort they have expended in handling the financial affairs of our Church.

No report would be adequate, if it did not recognize the many contributions of the Women's Organizations of the Church. The Women's Guild and the Circles are ever eager and willing to render not only financial assistance, but more important, the unselfish contributions of their time in service whenever and wherever they may be needed.

(cont'd.)

In August, the members of Dewey Avenue E & R Church voted to merge with Saint Paul's. We were indeed happy to welcome these new members when they joined us early in September. The faithful attendance of these new members has been an inspiration to we older members of St. Paul's who may have taken our Church for granted. We are deeply appreciative for the help and advice given us by Dewey President Robert Welsh and the members of the Dewey Council, during this transitional period. The legal details of our merger have not been completed as of now, but we feel sure the merger will be legally consummated in the very near future. The completion of the merger should be an inspiration to our conjoined congregations to re-dedicate ourselves to our Heavenly Father and our challenge to make the Ministry of the new St. Paul's, a vital and dynamic force in service and inspiration to our community.

Let all of us search our hearts and renew our support to our Church and its Organizations to the fullest extent possible and surely, St. Paul's will grow to even greater strength.

It has been an honor and a privilege to serve as your President and I will long cherish the memory of this year. I pray for the Lord's blessing on our congregation and ask for His guidance, that we may go forward in true Christian Fellowship.

Elmer J. Koepplin President, 1959

* * * * *

The Church Council meets the second Monday of each month at 8 P.M. Any member wishing to bring any matter to the attention of the Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Councilmembers are elected at the Annual Meeting and serve a 3-year term. The year after the names indicates the beginning of the term of office.

BOARD OF DEACONESSSES

The Board of Deaconesses is comprised of 18 of our church women, whose specific service it is to call at the homes of our church members and to distribute our Altar Flowers to the sick and shut-in. The city is divided into 9 districts, to each of which are assigned 2 Deaconesses. Following is the list of Board Members:

Mrs. William Atherton	Mrs. Theodore Freese	Miss Celia Petz
Mrs. Frank Bukowski	Mrs. Henry Graf	Mrs. Helen Reiner
Mrs. Sylvester Bereza	Mrs. George Haupt	Mrs. Eleanor Richter
Mrs. Harold Donish	Mrs. Henry Honeck	Mrs. Earl Talbot
Mrs. Adolph Fauth	Mrs. Lillian Howorth	Mrs. Hildred Tallman
Mrs. Charles Fox	Mrs. Franz Kilian	Mrs. Ludwig Zimmermann
	Mrs. Bruno Lehmann	

The Board met for 4 meetings at the church, with members serving as hostesses. Mrs. Reiner, with Mrs. Freese as co-hostess, entertained the Deaconesses at her home for a picnic in July and a Christmas luncheon preceded our December Meeting.

Secretary, Miss Vera Frederick, reported 504 home calls made; 357 cards sent out, and an indeterminate number of phone calls made. \$17.05 of the luncheon collection money, was used to buy the milk served to the children of the Vacation Bible School and \$10.00 was contributed to St. John's Home Building Fund Drive. Members of the Board assisted in making 44 Easter and 55 Xmas Cheer Baskets and delivered them to the sick and shut-in members of the Church. They also served the refreshments at the Annual Congregational Meeting.

Flower Chairlady, Mrs. Franz Kilian, reported 33 Memorial bouquets, 36 Easter lilies, and garden flowers from Mesdames Hoffman, Lehmann, Meili, Jr., Pasch, Reiner, Schuth, Talbot, and Thompson received. 61 bouquets were delivered to the sick and shut-in. These flowers fill an important place in our service...serving to beautify our Altar and to bring a measure of cheer to those who receive them afterwards. We wish to thank all those whose generous floral contributions made this possible.

Officers for 1960 are as follows: Chairman, Miss Celia Petz; Secretary-Treas., Mrs. Earl Talbot; Flower Chairlady, Mrs. Eleanor Richter.

May God bless the work of the Deaconesses this year and in the years to come.

Respectfully submitted,

Mrs. Forest Thompson, Chairman, 1959

WOMEN'S GUILD

The Women's Guild of St. Paul's Church met the first Thursday of the month, coming together at 10:30 for a Study Hour, followed by a Coffee and Fellowship Hour with the Devotional program and business meeting starting at 1:30 P.M. 3 Evening meetings were held to give the women unable to attend afternoon meetings, an opportunity to participate in the fellowship and activities of the Guild. Guest speakers during 1959 were: Mr. Greenberg of the Jewish Home; Mr. Aulanbacker of the F.B.I.; Dr. Fred Willkens and Pastor Ochs. The Guild contributes to the life and program of the local church, as well as the program of the National Women's Guild, the Synodical Guild, the Rochester Regional Guild and the Council of Church Women. The present membership totals 85, with an average attendance of 35. One member passed away during the year, Mrs. Lena Brahse.

In order to give each member of the Guild a specific field of interest in promoting the work of the National Women's Guild and the local church, the entire membership is divided into 6 departments. Chairmen for 1960: Spiritual Life, Miss Vera Frederick; Christian Education, Mrs. Franz Kilian; Missionary, Mrs. Fred Zettlemoyer; Christian Service, Mrs. Emma Hoffman; Christian Stewardship, Mrs. William Atherton; Christian Social Action, Mrs. Richard Pasch.

Four Circles that meet monthly help promote fellowship and activity in the Guild. Circle Chairmen for 1960: First Circle, Mrs. Thomas Lima; Circle II, Mrs. Bruno Lehmann; Ruth Circle, Mrs. Herman Richter; Fidelis Circle, Mrs. John Antonow. Through their many activities the Circles made substantial contributions to the work of the Guild.

First Circle served refreshments after the Lenten Services; the Father and Son's Dinner; the Guild Picnic; presented the Guild Christmas Program; contributed to St. John's Home Building Fund; Biloxi Mission, Greenville Orphanage, Winnebago Indians, Leper Fund and Guild Treasury. Circle II served the Rochester Regional Conference dinner; in charge of the tea table for the Ascension Day Service; purchased two new robes for the Elders and a summer robe for Pastor Ochs; contributed to the Leper Fund and the Guild treasury. Ruth Circle served the Family night dinner and the Rochester Regional Conference dinner; contributed to St. John's Home Building Fund, Biloxi, Greenville Orphanage, Leper Fund, Sewing Group and Guild Treasury; provided poinsettias for the Altar at Christmas; donated baby items to World Service. Fidelis Circle sponsored a recital by James Kelley; served supper for Fall Synod Meeting; had charge of Fall Bazaar and Family night program; decorated tables and served dinner for Guild Christmas meeting; contributed to Federation of Churches, Greenville Orphanage and Guild Treasury; provided toys and games for nursery and care of the children during church services.

The Spiritual Life Chairman appoints 2 members of the Guild each month to visit the sick and shut-ins. About 100 calls were made. At Easter and Christmas, Cheer baskets prepared by this Department and the Deaconess Board are taken to the sick and shut-in members of the church. The Guild sick and shut-ins are also remembered with small gifts. Birthday and Cheer cards are sent each month.

The Sewing Circle headed by Mrs. Emma Hoffman, Christian Service Chairman, prepared and sent boxes of new and used clothing to the Congregational Christian Service Committee; Greenville Orphanage; Biloxi, Winnebago Indians and other Benevolent Organizations. They also participated in "Across the State Clothing Caravan" and the "Heart and Hands" Project. We greatly appreciate the splendid contributions of this loyal group of women.

Christian Herald subscriptions were solicited by the Christian Education Dept. We would urge more of our church members to subscribe to this fine magazine.

The following activities were engaged in during 1959. Participation in the Fed. of Churches Drive; Annual visit to St. John's Home; Family Night Supper and Fellowship; Fall Dinner and Bazaar; Ascension Day Service of the E&R Church Women of Rochester, held in our sanctuary under the leadership of Missionary Education Chairman Mrs. Fred Zettlemoyer, followed by Tea and Fellowship; 2 Rummage Sales; Entertained and served the luncheon at the Fall Meeting of the Rochester Regional Guild; the Christmas Dinner with the ingathering of money for the needy. Guild members attended the World Day of Prayer Service; May Fellowship Day; World Community Day; Fall Fellowship of W.N.Y. Synodical Guild; Rochester Regional Guild; Spring Meeting; Mission Institute; W.N.Y. Synod Meeting and monthly meetings of the Council of Church Women. In addition to our Church Pledge of \$500, Nat'l. Guild Challenge of \$80 and our Thank Offering of \$74, we purchased a Folding Machine for the Church Office. Benevolent contributions were made to Fed. of Churches; YMCA; McAll Mission; Migrant Work; World Community Day Project; St. John's Home Bldg. Fund and Council of Church Women.

Mrs. Nelson Alderman, President

THE BROTHERHOOD

The Brotherhood of St. Paul's Church meets the first Monday of each month. All men of the church are urged to attend the meetings and enjoy the good fellowship offered.

In January, William Lehle showed some very nice slides on his camping trip during the past summer. Mr. Kogar Hart of Eastman Kodak, took us on a cruise of the Caribbean, via exceptional color slides and picturesque commentary at the February meeting. In March, Mr. William Kaupt of Bausch and Lomb, described his trip through Switzerland and Germany with some very interesting Kodachrome slides. His Honor, Judge Clarence Henry was received with great praise in April when he spoke on 'Juvenile Delinquency'. During this month, another Bowling Party was enjoyed at the Lyon's Den. The Annual Father and Son's Banquet was held in May with Mr. Ed Seymour holding the interest of all with his movies and commentary on 'Gliders'. The annual Church Picnic was held in June at Hamlin Beach State Park, co-sponsored by the Brotherhood. Mr. Albert Meili and Mr. John Schwartz showed us some very nice color slides in October of their summer vacations. Mr. Ralph Schuman, City Statistician, presented a very picturesque description of Early Rochester History at our November meeting. Climaxing our year's activities, was our annual Christmas Party for members and their wives. Bob Meagher, cartoonist of the Democrat and Chronicle, kept everyone entertained with his character sketches.

The following were our annual projects: The annual Birthday Calendar which was made possible once again by the fine support of the congregation. Our pledge of \$125 was paid to the church and contributions were made to the National Brotherhood, New York Men's Federation, Rochester Federation of Men's Bible Classes, and the Rochester Federation of Churches; and addition of nursery section in the Beginner's Department of the Sunday School.

Officers for 1960 are: President, Mr William Atherton; Vice-Pres., Mr Forest Thompson; Recording Secretary, Mr Clement Hutchins; Financial Secretary, Mr Jacob Eckert; Treasurer, Mr Arthur Wehren.

We appreciate the help offered by many members in making the 1959 program a successful undertaking.

Bertrand Bushnell, President 1959

THE CHOIRS

During the past year, the Senior Choir has sung in 48 worship services. The rehearsals are on Wednesday nights at 7:30 P.M. Among our activities of the past year were: A lovely dinner in June at Bardo's, with Pastor and Mrs Ochs as guests. It was their 5th Wedding Anniversary and the Choir presented Mrs Ochs with a miniature bridal bouquet and the Pastor with a boutonniere as the Wedding March was played. The Choir also enjoyed a wonderful Christmas dinner, served by Fidelis Circle and an hour of sociability followed.

We have four new members from our Dewey Avenue Church, whose interest has been much appreciated. Together, we enjoy our work with Mrs Lucile Burgess, our Director. We have only one big request to make...that a few more men would join us. We know that they would realize as much enjoyment as we do in this service to our church.

Mrs. Richard Dixon, President 1959

THE JUNIOR CHOIR

At our Congregational Meeting in January, 1959, I obtained permission to direct a Junior Choir. Our first rehearsal was attended by 14 boys and girls. The Junior Choir is now one year old, and we have 25 members enrolled. Wouldn't you say "we" are growing?

Of course, all of this could not be accomplished without the co-operation of the parents, as we meet every Saturday from 10:45 A.M. until noon. (Our Season for rehearsals and participation in church services is from September thru May).

The Choir sang at the following Services in 1959:

Feb. 25.....Lenten Service	Nov. 8.....Sunday School
Mar. 26.....Maundy Thursday Service	" 22.....Church Service
29.....Easter Sunday (one anthem sung by the Junior and Senior Choirs combined)	Dec. 13.....Adult Bible Class (A Christmas Program)
May 31.....Memorial Day Service	Dec. 20.....Annual Sunday School Children's Program

We had a request from Miss Lucille Reuschle to sing at her Installation Service at the Masonic Temple; This was an evening affair on April 11, 1959.

We have catered to your boys and girls "a bit"; they had 4 parties, a May Hike, and a Musical Concert at Kodak Park. Remember all work and no play gives us "no Junior Choir". Thanks to our Church Council, with their Financial help and a donation from a "Friend", this was able to be done.

Our rehearsals and performances would not be complete without the capable assistance of Harriet Fauth, our accompanist.

A "Dream" - hoping the day will come when our boys and girls, after confirmation will not feel "too old" to sing with us. The Junior Choir would be used as a "Stepping Stone" and with a little more experience, they would be ready for our Senior Choir.

Our Officers are: President, Denise Bukowski; Vice-President-Secretary, Pat Kohl; Librarians, Ricky Bopp and John Groth.

Mrs Florence Kelley, Director

YOUTH FELLOWSHIP

Many activities were available to the members of the Youth Fellowship this past year. We were host to the Youth of all the Rochester Evangelical and Reformed Churches in October, in order to stimulate interest in forming a Rochester District Conference. In December we joined with the Adult Bible Class to "Carol" to our sick and shut-in. In the plans for the immediate future are monthly supper meetings with the Confirmation Classes.

In May, Mr. William Brammer ended his year as our Student Pastor and advisor. His leadership was very much appreciated. Our new advisor is Mr. Fred Armbruster. The Officers for the current year are: President, Gary Wilson; Vice-President, Cheryl Freese; Secretary, Kathy McNaught and Treasurer, Robert Haupt.

We encourage all the young people of our congregation to join us in our meetings. The interest and support of the entire congregation is vitally important to the future of St. Paul's.

Gary Wilson, President

SUNDAY SCHOOL

In September of this past year, our Church School began a total re-organization of its administrative system. Instead of a general superintendent with full responsibility for our entire Church School, a Board of Christian Education is being formed which, we believe, will provide more effective leadership and supervision in every area of our program. Members of this six member board for 1960 are: Melville Bancroft, Fred Bopp, Frank Bukowski, Harold Donish, Miss Lucille Reuschle and Robert Welsh.

While the process of re-organization was only begun in September, it is already bearing fruit. While the average attendance for 1959 was only 132 per Sunday, the average attendance for the last four months of the year has been over 160. We hope that our Church School can improve on this good beginning during 1960. We are very grateful to the leaders and teachers of our Church School and especially grateful to Dr. Fred Willkens who has acted as our Director of Education since September.

Among the projects undertaken during the year were: Mission Projects which totaled \$112; Church pledge of \$175; the Federation of Churches received \$20 toward the purchase of a feature film on the life of Albert Schweitzer; in their "St. Nick's" for St. John's project at Christmas time, our Junior-Youth Department contributed \$20 to the St. John's Home Building Fund; Honorariums totaling \$45 were given to 9 of our young people who attended Dunkirk Camp during the summer.

A Daily Vacation Bible School was held from June 22-26. The average daily attendance was 54. We wish to thank Miss Lois Groth, Nursery Chm.; Mrs. Albert Groth, Beginner Chm.; Mrs. Fred Ochs, Primary Chm.; Mrs. George Haupt, Junior Chairman; and their 22 teachers and helpers for their splendid service. Our thanks, too, for the milk daily provided by our Board of Deaconesses.

Summarizing Mr. Albert Meili's report as Treasurer of our Church School:

Balance, Jan. 1, 1959.....	\$476.64
Receipts during 1959.....	666.98
Expenses during 1959.....	904.69
Balance, Jan. 1, 1959.....	\$238.93

An additional "receipt" not noted above has been the play area that was installed in the Beginner Room during the year. Money for this facility was provided by the Fidelis Circle and men of the Brotherhood, under the leadership of Mr. Arthur Wehren, did the construction and painting. The Fidelis Circle also provided toys and other items that could be used by our little ones.

During the last year, we regretfully accepted the resignations of Mr. Delbert Groat, Mrs. Carl Rexer and Mr. William Brammer as teachers in our Junior-Youth Department. Their faithful service is deeply appreciated by their pupils and the church.

New Leaders and teachers are:

Beginners Department:	Mrs. William Schoenaman
Primary Department:	Miss Linda Heck
Junior Department:	Mrs. Florence Kelley, Superintendent;
	Miss Elizabeth Armbruster; Mrs. Grace Bereza,
	Mrs. Betty Jansson; Mr. Jack Falk.
	Substitute Teachers: Mrs. Elaine Alderson and
	Miss Heide Zimmermann.
Youth Department:	Mr. Fred Armbruster, Jr.

THE ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday morning for devotions and study of the Bible. The class is taught on alternate Sundays by Miss Lucille Reuschle and Pastor Ochs. 1959 marks 22 years we have enjoyed the able services of Miss Reuschle. We are indeed grateful to her for her many years of untiring service.

Our annual Friendship Sunday held in November, surpassed all expectations. 79 members and friends were in attendance. It was an experience we shall long remember. We sincerely pray many more of St. Paul's members will join us on this happy occasion in 1960.

In addition to our Friendship Sunday the Class has engaged in the following projects: the preparation and serving of the Easter breakfast following the sunrise Service. Flowers and cards were sent to our sick and shut-ins. A memorial card was sent for a deceased member. A Memorial Offering basin was purchased by Mrs. Bertha Recke, one of our most faithful members, and was dedicated in memory of Mr. Henry Hieb, who for many years was class president. 20 new hymn books were purchased by members of the Class to be used in the morning service. To all these folks we are most grateful. Flowers were placed on the Altar in the Church Sanctuary on Mothers Day and Memorial Sunday. \$75 to the Current Expense Budget of the Church; \$180 to St. John's Building Fund. Contributions were also made to the Federation of Churches \$25 to Dunkirk maintenance fund; the Negro College Fund; Rochester Association of the United Nations and the St. John's Sunshine Club. The Class paid the cost of the timer and new lighting in front of the church. We are indeed grateful to Mr. Bushnell and Mr. Koepplin for their time and effort in installing the lights.

One of the highlights of the year was the installation of Miss Reuschle as High Priestess of the White Shrine. This service was well attended by members of the Class. A delightful social hour was enjoyed at the open house celebration held on Sunday April 13th at the Reuschle residence.

The Class honored the president on Mother's Day with a basket of flowers as Mother of the Bible Class. This was a complete surprise and greatly appreciated.

The Bible Class made possible the use of a bus for the transportation of the carollers the Sunday evening preceding Christmas. 65 members and friends enjoyed a most pleasant evening. 18 calls were made and later a lunch was served at the Church by Mrs. Sophie Lemon and Mrs. John Schwartz. We were delighted to have the Youth Group under the leadership of Mr. Fred Armbruster join us in this project. The class made it possible for a family with two children to have a Merry Christmas with food and toys.

We were sorry to lose our pianist, Mrs. Kelley, but when observing the fine work she is doing in her new role we do not consider losing her a sacrifice. We are proud of our Members who have taken an active part in other branches of the Sunday School. We were entertained by the Junior Choir on December 13th under the leadership of Mrs. Kelley and Miss Harriet Fauth.

We welcomed 12 new members from Dewey Avenue Church and for these new members we are very grateful. Again, we extend to all members of our church and their friends a most cordial welcome to join us each Sunday.

Officers for 1960 are: President, Mrs. Fred Zettlemoyer; Vice-President, Mr. Bertrand Bushnell; Secretary, Mrs. Emma Hoffman; Treasurer, Mrs. Lillian Howorth and Pianist, Mrs. Fred Breitung.

Mrs. Fred Zettlemoyer, President.

A Note about our Memorial Fund: It has been the practice of St. Paul's Church to encourage its members to establish Perpetual & Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (it can be borrowed from, if the occasion arises), but the interest is used in meeting the current expenses of the church. This Fund provides us with a small but steady income in addition to the yearly offerings of our members.

Monies in the Memorial Fund (from Memorial Wreath Cards contributions) is used for the purchase of necessary items which are suitable as Memorials for loved ones, in whose memory these gifts were given.

PASTOR'S REPORT

All of us weary of travelers who go to a country for a 10-day visit and then come home and report on conditions in those countries as though they were authorities on the lands and the people who have lived there for many years, possibly a lifetime. It would be arrogant on my part to assume that after living in your midst for three months I know more about your church than you do; however, you have employed my services much as you employ the services of a doctor for the express purpose of making a diagnosis and offering a prescription, and after this length of time and because our Annual Meeting requires that I submit a "State of the Congregation" report to you I shall attempt to do just that. You are all aware of the fact that when we live in a situation we gradually become so acclimated to it that we are not always aware of the fact that somewhere else others have found a more excellent way to do a comparable piece of work. A newcomer has the advantage of objectivity and also a sound basis for making comparisons. It is in this spirit that I say to you the things that follow, and it is my prayerful expectation that you will accept my evaluations and weigh the merits of my recommendations in the same Christian spirit.

My work among you should be primarily a spiritual work; however, before a Pastor can give his full time to the things of the spirit he has to be free from financial worries. No Pastor whose congregation is starting 1961 with a DEFICIT in its current expense fund, and with unpaid balances of hundreds upon hundreds of dollars to its Benevolence projects can be free of financial worries. Furthermore, when his survey of the books reveals that during 1960 all contingency reserve funds were used up, plus a \$760 balance transferred from the Dewey Ave., Congregation's treasury, his anxieties are multiplied.

When your Pulpit Committee first met with us here in Rochester it became evident that if we were to come to St. Paul's Church at no decrease in salary you would have to increase your expenditures for Pastoral care very substantially to meet that minimum. I specifically told the Pulpit Committee that I could not even give a tentative answer to the question about whether or not we would come here until the Church Council was fully advised on the cost that would be involved and voted to endorse this new scale. This was done and is a matter of written record. Furthermore, the Synod President assured me that St. Paul's was well able to meet this schedule. It was therefore in good faith that we agreed to come, and it was with full information as to what was involved that your Council and subsequently the Congregation that elected me, proceeded with extending the Call.

Now we face another complication. Our congregationally approved Budget for 1961 has still not been underwritten by pledges. It is well to tell your wife, if you are a husband, "Invite 12 guests for a roast beef dinner with all the trimmings" however, you would not dare to do so if then you gave her only a fraction of what the roast itself would cost and let her worry how the ingredients for the soup, vegetable, salad and dessert were to be paid for. NO CONGREGATION HAS A MORAL RIGHT TO CALL A MAN TO DO A FIRST CLASS SPIRITUAL PIECE OF WORK AND THEN HANDICAP HIM BY NEGLECTING TO PROVIDE THE NECESSARY FUNDS TO SUPPORT A TOTAL CHURCH PROGRAM.

In September 10, 1928 Pastor Herman E. Koenig submitted his resignation to this congregation and based it in a large measure on the fact that the financial structure of the church was not sound. If after a few years this problem is not rectified you now have my promise that I shall submit a comparable resignation.

How can the problem be solved? BY INCREASING THE AMOUNT WE GIVE TO THE CHURCH AND THE REGULARITY WITH WHICH WE GIVE IT! That is the whole answer. Let us, however, look a little further into this matter. We have 520 members. Of that number we probably have 50 who are confirmed but are still in school, another hundred who are widows living on limited incomes and another hundred who are retired workers also living on restricted income. That leaves us 270, many of whom give as "Mr. & Mrs." Out of the 520 members then we probably have 300 folk whose savings or present incomes would make it possible for them to give generously to the support of the church. If every such member (not a Mr. & Mrs. combination) gave \$1 a week, and all the others AVERAGED (which they do not) 25¢ a week we would have a weekly income of only \$355.00 per week, and that would total...provided the gifts came in EVERY

SUNDAY OF THE YEAR, 18,460.00. Our adopted budget is 30,017.00. In other words unless we want to REDUCE ALL SALARIES, ALL FUEL BILLS, ALL INSURANCE POLICIES, ALL PROGRAMS BY MORE THAN 33 AND 1/3% we have got to get the great majority of our people to give much more than a minimum of \$1 per Sunday every Sunday of the year.

People, the Bible warns us that we should not try to rob God. It tells us that the FIRST FRUITS belong to Him...not the little we have left over after everything else is cared for. It also alerts us to the fact that from God no secrets can be hid. He knows if your gifts to the church have not been increased each time your salary was increased. He knows if your gifts to the Church do not even equal what you spend for bowling and cigarettes each week. He knows if your gifts to His Church are not as regular throughout the year as is your breathing of the free gift of air He gives you every second of your life.

PRAY ABOUT THIS MATTER AND DETERMINE IF YOU CAN STAND UNASHAMED BEFORE GOD TODAY AS WELL AS ON JUDGEMENT DAY WITH YOUR RECORD OF GIVING. Rochester rightly boasts proudly of the fact that workers here are among the best paid in the whole nation. Surely Churches should receive the highest level of support in such a city.

Another matter in the realm of finances concerns the sale of the Dewey Avenue property. What possible advantage can there be in our continuing to pay maintenance and insurance costs on this building? The advertisements that were placed led to no sale so I strongly urge that we place the property in the hands of realtors for disposal. Furthermore, in order that members of the former church will always feel that they have a vital interest in St. Paul's Church I believe we ought to stipulate here and now that at least 50% of the proceeds realized from the sale be used AT ONCE for building remodeling or improvement here in our present building. The rest might be placed in the endowment fund or could be used for a major remodeling project or as a reserve fund for future parsonage expenditures. Legal fees, advertising fees, salary for custodial care and insurance coverage at the Dewey Avenue site have practically used up whatever income is realized from the filling station. Our people are laboring under an illusion if they think our Budget is being underwritten in any significant amount by such revenue.

What can be done to remedy our financial problems? I have already said that larger gifts and more regular gifts will be the answer. The sale of the Dewey Ave., property will help in the long run. Now to implement the basic suggestion I submit that:

- 1) Every member should be encouraged to pledge in his or her own name. We each need a ticket to ride on a plane or go to the theater. No restaurant menu shows a "Mr. & Mrs." dinner price. No shoe store advertises the price of shoes on a "Family" scale just because some families that buy shoes there have only one income. To be sure, a one-income family has to budget what can be spent on tickets or meals or shoes but at least recognizes that a token payment for the family does not suffice. Since God gives us the breath of life individually let us individually give our tokens of love to Him.
- 2) Let us present the total picture of church costs in a unified Budget and meet it with a single undivided envelope. No Church can claim to be Christian or expect to live if it does not care for others as Jesus did. Therefore our total Benevolent program should be budgeted just as are salaries, taxes, fuel and light bills and all other legitimate church expenditures.
- 3) No efficient business operates without budgeting definite amounts every year for depreciation, maintenance, replacements. Among other things the church is a business with buildings that need major repairs from time to time, with interiors that automatically need redecorating periodically, with machines that wear out and need to be replaced. Unless we want to resign ourselves to having to conduct a special financial campaign when a boiler breaks or a building needs to be repointed, or a leaking roof needs to be replaced we shall also have to have a MAINTENANCE division in our Budget along with the CURRENT EXPENSE and BENEVOLENT divisions. If you accept the soundness of this reasoning your Budget next year will include these three sections and every member will be asked to pledge definite amounts for CURRENT EXPENSES (SALARIES, FUEL, INSURANCE, SUPPLIES), BENEVOLENCES (MISSIONS, WAR RELIEF,

INSTITUTIONS SUCH AS ORPHANAGES AND HOMES FOR THE AGED, VARIOUS COUNCILS OF CHURCHES, ETC.), and MAINTENANCE (MAJOR REPAIRS AND REPLACEMENTS THAT COME FROM TIME TO TIME ...such as a new roof at the parsonage which is an imminent necessity).

Our Financial Secretary will record your pledges to these funds on his master record sheet, and you will indicate the division on your weekly envelopes and hereafter every single cent given for each of these 3 divisions will be used only in that area of the Church's work.

I know from considerable experience in Church work that such a sound financial program will work, and work well. If the people face up to what it costs to have the kind of a Church program they want we won't have to have endless references to money. As a matter of fact, during the past decade I never mentioned money in a Church Service more than ONCE a year. Jewish people NEVER talk money in the Temple. They give generously enough outside the Service so that no offering is ever taken in the Temple. We could even go that far if you desired; however, giving is rightfully a part of worship and if our gifts are generous they show God how much we appreciate His countless gifts to us.

UTILIZATION OF OUR FACILITIES - A Dentist is judged by many standards including at least the following two: his knowledge of good dental care and procedures, and how he uses the tools at his disposal. Similarly a minister is judged by many standards including at least the following two: his ability at preaching and his faithfulness in pastoral care and the use he makes of the tools at his disposal. A church building makes up the tool kit the parson uses, and the facilities in it are the tools with which he must work. In the light of this assertion let us examine our building and the facilities in it.

For centuries the church has used beautiful symbols to reinforce her basic teachings. Art glass windows tell in pictures the same story the Bible tells in words. A well tuned organ, properly played, tells in sounds of the harmony in the heart of God. A beautifully appointed altar at the focal point of every worshipper's view tells of the centrality of God in human life.

The furniture in a church reflects quite accurately the church members' attitude toward God. If a church has in it only cast off furniture that folk no longer wanted in their homes this says very effectively that we believe that what is no longer good enough for our homes is fully adequate for God's House! If we find a church that has faded old pictures of our Lord on display this tells us that her members will tolerate in their church what they would not tolerate in their brightly painted and attractively decorated public school class rooms.

If church attics and cupboards are full of debris this says that members are careless and thoughtless about the keeping of God's House. Perhaps the members will say, "It is the custodian's job to keep things clean." In this they are right, but still inexcusable for it is their duty to insist that their employees do what is rightly expected of them. If a millionaire hires a cook but the cook will not prepare food, the millionaire has the choice of firing the cook or continuing him on the payroll but doing the work himself. Churches MUST be clean. If those employed to keep them so fail in their duty but still are maintained on the staff then the people will have to do the work themselves. The homes of the majority of the members of St. Paul's Church are immaculately clean and attractively furnished. All that I ask for God is that you treat His House at least as well as you do your own home.

Our building has served in its present form for over 35 years. Most homes are ready for some remodeling after 35 years of use and this Church home is not an exception. I share with you now several dreams I have as to ways in which our building could be remodeled to make it more beautiful and useful.

- 1) Leveling the floor in the sanctuary. In God's sight all men are on the same level, and for 2000 years 99% of all churches have witnessed in a subtle but effective way to this fact by having a level floor in the place of worship. Structurally our building could easily be changed to meet this need, thus changing it from a lecture-room or theater type auditorium to a worshipful sanctuary.

- 2) As we now have the altar and pulpit arranged the man in the pulpit is higher than the altar. The altar always represents God's presence and the man in the pulpit is never more than a sincere man trying to speak for God. Symbolically we ought always to have the altar at the center of attention and the altar cross should be higher than the head of any man in the pulpit. By removing the platform on which the pulpit now rests and replacing it with one not quite so high we could have the altar at the center and the pulpit and a much to be desired lectern to either side of the altar.
- 3) A more expensive plan would be to move the organ to the fore part of both balconies, take the choir loft out, use the space now occupied by the sacristy and choir rooms for a deeply recessed chancel. This would expose the large and beautiful window on the Norton St., side of the Sanctuary to the full view of all worshippers. In the recessed chancel we could have the Altar directly beneath the large window, on a generously proportioned platform, the pulpit and lectern to the right and left of the altar, and pews for the choir members between the altar and the chancel railing. This is the type of chancel arrangement used in most Episcopalian churches, in the Asbury First Church on East Avenue and in most of the new churches being built today. We could then have a center aisle leading from in front of the altar to the back of the church. Symbolically the center aisle thus placed represents the path of life...and at the end of that path we find God represented by the altar. If the floor were to be leveled and a center aisle provided for we would need to have all new pews. Our seating capacity would be increased by such an arrangement for we could cut down on the total number of aisles needed.
- 4) A fourth possible plan would be the most expensive of all and the most desirable of all. In this plan we would turn the inside of the church around, build a new wing for the church school, utilize the present Sunday School rooms on the first and second floors for a chancel. The choir and organ would remain where they now are. This location of the choir would make for the members singing praises to God with us instead of their singing facing us as they now do. This is the placement of all choirs in all Roman Catholic Churches and in many liturgical churches. Choir members are not constantly on view, and they can join the congregation in centering their attention on the altar or in watching the preacher when he is in the pulpit. No speaker likes to have people in back of him to whom he can never look and I gather that people in back of a balding preacher would still prefer to have eye to eye contact with him. Many of our Evangelical and Reformed Churches that were built at about the time St. Paul's was built and in the same Akron style, have long since remodeled their sanctuaries along the lines I am here suggesting. The end results have always been very pleasing.
- 5) Still another possibility, which would keep our plans within the presently existing exterior walls yet give us considerably more space, is this one. Build a floor over the entire first floor Sunday School auditorium at the second floor classroom level. In other words, where we now have the open Horseshoe effect on the second floor convert it into a floor area identical to that on the first floor. Tear out the cubby-hole classroom partitions on both floors. Build a permanent corridor on both floors that would be in line with the present stairways and entrances on both the Norton and St. Paul St., sides of the church, the east and west central entrances and staircase to be still more specific. Then in these large areas build three huge rooms on each floor level. On the second floor one of these rooms could be a permanent choir and music room, another could be a completely secluded room for the Adult Bible Class, another could be a Senior and Youth Dept., room. On the first floor we could have a Junior Dept., room and a church parlor room while still preserving space for a Church School Office. Such a program would free the entire basement area for the tiniest children in our Church School, and free their teachers from interruptions presently inevitable.

- 6) Some folk feel that our neighborhood is changing so rapidly that we ought to be thinking only in terms of relocation. From the number of calls we have made thus far I know for a certainty that our parish is already so widespread that many of our most faithful members are coming as far as 12 to 15 miles to church. If we asked them to come still further I doubt if their wonderful loyalty would continue to hold. On the other hand, any new location to which we might move would presumably be in a new residential area in which our future growth would seem to be more assured. Land will probably never be more reasonable. If relocation is in the thinking of the majority of our people then our funds ought probably go into land purchase rather than present building remodeling.

It is my conviction that if our forebears gave generously enough to make these solid walls a reality for us, as they most certainly did, we owe it to our generation and the next to keep abreast of the times and functions of a modern church by making improvements that would give us better tools with which to do our work.

Every Pastor has to deal with some people who feel that he is asking them to do what he requests of them as a personal favor to him. This is not so. When a Pastor leaves the church because of death or removal he takes nothing with him. What you do or not do is for yourselves and your children. Let us ever keep this fact in mind.

ADMINISTRATION - The Constitution under which we are supposed to be functioning is 35 years old. In it we are told that Confirmation instruction must be held twice a week and that the Evangelical Catechism must be taught. Neither instruction has been observed in years. Over and over again the LAW of our congregation is being completely ignored. It is time we draw up a constitution by which we will govern the life of our Church.

The method presently being employed to elect members to the Church Council is not democratic and could easily lead to a self-perpetuating body. I am informed that enthusiasm for serving on the Council is utterly lacking at this time and that it is impossible to secure more than the absolute minimum of nominees: meaning one for each existing vacancy. Surely we do appreciate those who will serve under such terrible circumstances; however, let us hasten to the time when it will be deemed a privilege and honor to be considered even as a nominee for a position on the Council. Enthusiasm is contagious...let us pray that soon we may have an epidemic of it. As your Pastor I can honestly and with humility say that I am giving my best to my work however high or low you may grade it, and that I feel each of you should also give your best. We serve not men but God so nothing short of our best will do.

In cleaning out the Sacristy we found remnants from the Pastorates of Messrs. Hoefer, Schnake and Ochs...papers of no abiding value. Many of the cupboards in the building are filled with worn-out books and dated materials. Our expensive visual aids equipment is carelessly stored in an unlocked section of the basement. There is still coal in the boiler room although automatic oil heat was installed years ago. Someone supposedly came upon a nun in a Roman Church scrubbing on her hands and knees up in the attic of the church. She was questioned as to why she was doing this in an area that only workmen ever visited and then only when the roof needed repairs. To these questions she answered, "God sees everywhere and we want His House to be found acceptable by Him at all times and in all places." Bless that Nun...she has the attitude that should govern us in the care of every seen and unseen corner of this Church building. Now let someone take hold and see this project through for St. Paul's. What is everyone's business is no one's business. Our Brotherhood could sponsor work sessions to attack the attic, the storage rooms and the grounds. The Women and the Youth could attack the areas that do not require such heavy work.

If the clean-ups were followed by periodic examinations by the Trustees, we could keep our buildings in a manner that would be complimented by men and commended by that dear old Nun should she ever visit us.

THE 100TH ANNIVERSARY - In less than 14 months, on March 19, 1962, we will celebrate the 100th Anniversary of the founding of the GERMAN UNITED EVANGELICAL CHURCH OF SAINT PAUL, with which the Dewey Avenue Reformed Church, organized on Sept. 27, 1912, was merged in 1960. Certainly this Anniversary demands special plans, special projects, special dedication. If we are ever going to do any major remodeling why not do it for this anniversary? And if we want it done by then we had better authorize at this meeting that an architect be employed AT ONCE to draw up several alternate proposals and cost estimates. This would preclude our establishing committees to secure funds, plan Services and Fellowship events, prepare an Anniversary booklet, invite guest speakers.

PERSONAL - I have often given public expression to our appreciation to you for the manner in which you prepared the Parsonage for our moving into it, and even more for the gracious manner in which you have received us. I promise you that we will care diligently for your property and that the grounds at 26 Navarre Road will be a credit to the Church during the growing season. Furthermore, I want to remind you again of our joy at being here to work with you. We left, as you know, a congregation that was exceedingly good to us. Never a year passed but that we received a generous increase in salary or fringe benefits and often special gifts came to us from the entire congregation. I was accustomed during the past several years to preach to a sanctuary filled to overflowing every Sunday during the winter months. We left all of these things to come to a church that had been losing members for some time because we felt we might help St. Paul's to once again become a strong church, and also because I am certain that both ministers and churches profit by an occasional change in pastorate even though neither welcome the change at the time.

Since coming here this is the first proper place and time I have had to talk to you about our relationship. The job here is even harder than I had anticipated. Partly because of the financially precarious condition of the church which I have dealt with earlier and partly because I had not known before that things were so critical that it was difficult even to get a Church Council elected. Thus far we have had three Council meetings which were supposed to have been attended by fifteen members. In each of these meetings we have spent at least an hour discussing one or two items. Take the one hour and multiply it by three sessions, and then multiply that by the fifteen members and you will find that FORTY-FIVE human hours have been spent on items that have as yet resulted in no action. At the end of a forty hour work week we expect to see some evidence of progress. Now whether the items be a light for safety on a stairway or a meeting of a Board of Christian Education or the redecorating of a Sacristy makes little difference but I am not accustomed to such delaying tactics and feel that once given adequate time for discussion and decision making, a Pastor has a right to expect that action will follow. You rightly expect your minister to make his calls promptly and prepare his sermons regularly. Your minister rightly expects you to do the work assigned to you promptly and to the best of your ability.

A MORE COMPLETE MINISTRY PLANNED - This is not the time for the Church of Christ to restrict or curtail her ministry but rather it is the time for an expanded ministry. To this end I believe that we should do the following in St. Paul's the very earliest minute that funds are available:

- 1) Resume publication in printed form of the St. Paul's Bote, later known as the St. Paul's Herald. Such a house organ would allow the minister to get inspirational, instructional and evangelistic material into the home of every member of the congregation in a more complete and attractive manner than is possible with our mimeographed NEWSLETTER. We are talking now in terms of an eight page printed paper of approximately book size that would cost around \$100 a month to print and mail.
- 2) Provide for mailing into every home of the parish Daily Devotional Guides: either the UPPER ROOM or our own denomination's booklet known in year's past as DAILY TALKS WITH GOD. If we want our people to pray every day we ought to provide them with meaningful aids to such devotions. We are talking now in terms of an expenditure of at least \$35 per month for purchase and mailing.

- 3) Send to every member a birthday card with a spiritual message on it to help personalize the relationship of the Church and Pastor to every individual.
We are talking now in terms of an annual expenditure of at least \$75.00.

PARKING

I urge this meeting to take action to authorize the Council to negotiate with the company at St. Paul and Norton Streets for the Sunday morning use of the parking lots situated there.

IN CONCLUSION

I have spoken pointedly to you tonight yet in all things I have spoken in love. You and I are alike involved in the problems that I have raised and you and I are alike the solution to the problems. But we are not alone. If this is God's work as we know it to be, He also is involved. If we do our part He will always do more than His part. Cognizant of the full implications of the task to which we are committed, let us make Milton S. Littlefield's prayer-poem our own:

O Son of Man, Thou madest known, through quiet work in shop and home,
The sacredness of common things, the chance of life that each day brings.
O Workman true, may we fulfill in daily life Thy Father's will;
In duty's call Thy call we hear to fuller life, through work sincere.

Thou Master Workman grant us grace the challenge of our tasks to face;
By loyal scorn of second best, by effort true, to meet each test.
And thus we pray in deed and word, Thy kingdom come on earth, O Lord;
In work that gives effect to prayer, Thy purpose for Thy world we share.

Amen.

Faithfully yours,

Carl Edward Berges, Pastor

CHURCH COUNCIL

THE PRESIDENT'S REPORT

At the end of another church year, the members of St. Paul's must again give thanks to our Heavenly Father for His many blessings.

The year 1960 was an eventful one for St. Paul's. Pastor Fred Ochs resigned to accept a call in Fort Worth, Texas. Dr. Paul Schroeder was called to serve as our Interim Pastor. Our congregation issued a call to Rev. Carl E. Berges of Friedens Church, North Tonawanda which was accepted and Rev. Berges started his ministry in our church on November 1, 1960. We are happy to have Rev. and Mrs. Berges with us and we hope they will have a long and happy stay at St. Paul's. I wish to express the appreciation of the congregation to these three Pastors for their spiritual guidance and ministry during the past year.

The year 1960 also saw the legal consummation of the merger of the Dewey Avenue and St. Paul's congregations. With the merger legally completed, negotiations have been started to dispose of the Dewey Avenue property.

Our Trustees have had a busy year. In anticipation of the arrival of our new Pastor, the Pulpit Committee and the Trustees inspected the parsonage and found that extensive repairs and redecoration were necessary. The Trustees were active in seeing that the parsonage repairs were properly completed in time for the arrival of Rev. Berges. I wish to thank all the Trustees for the many hours they labored to see that the work at the parsonage was properly completed. The repairs to the parsonage were financed by money transferred from the Dewey Avenue Congregation and by borrowing from our Endowment Fund. We hope that we will soon be able to repay our indebtedness to the Endowment Fund.

In a report such as this, it is difficult to give proper recognition to all of the people who contributed their time and worldly goods so that our church may continue to function effectively. I do, however, wish to thank our organist, Mr. Harold Steen and our Choir Director, Mr. Paul Robertson for their contributions to our services. I wish to thank the Church School Staff and the Choir for their unselfish efforts.

Proper thanks must also be given to the women of our church who through the Women's Guild, Board of Deaconesses and the Circles continue to support the activities of the church so faithfully, year after year.

My thanks go also to all the officers and members of the Church Council who have helped immeasurably during the past year. I also wish to recognize the retiring Council Members who have served faithfully for the past three years: Trustees, Mrs. Emma Hoffman and Harry Stuver; Elder, Nelson Alderman; and Deacons, Harold Donish, Richard Tharp and Elmer Koepplin.

A special word of appreciation must be given to our Pulpit Committee under the Chairmanship of William Lohler which did such a splendid job of searching for a Pastor to replace Rev. Ochs.

Our future is bright. Let us ask God's blessing on our future work and I am sure He will inspire us that our church may grow even stronger in the years to come.

This year has been a memorable one for me and I wish to extend my thanks to the congregation for the privilege of serving as your President during the past year.

Elmer Koepplin, President 1960

The Church Council meets the second Monday of each month at 8 P. M. Any member wishing to bring any matter to the attention of the Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Councilmembers are elected at the Annual Meeting and serve a 3-year term. The year after the names indicates the beginning of the term of office.

At this time I would like to convey my thanks to the members of the Church Council and the Board of Deacons for their splendid co-operation which they have extended to me in the year just past. Might I say that as my membership on the Church Council draws to a close, the fellowship that I have enjoyed in the past three years was most interesting and enjoyable.

Harold Donish, Chief Deacon, 1960

BOARD OF DEACONESSSES

At present there are 18 of our Church women on the Deaconess Board serving a term of 3 years. The Church Council recently ruled that we may increase the number to 20 when necessary. Duties consist of calling at the homes of Church members, distributing the Altar flowers to sick and shut-ins and remembering them also with cards. We have 9 districts, 2 Deaconesses assigned to each. The list of members follows, year of election after each name:

Mrs. Charles Fox	1959	Mrs. George Haupt	1960	Miss Vera Frederick	1961
Miss Celia Petz	1959	Mrs. Henry Honeck	1960	Mrs. Arthur Koch	1961
Mrs. Earl Talbot	1959	Mrs. Bruno Lehmann	1960	Mrs. Lloyd McNaught	1961
Mrs. Wm. Atherton	1960	Mrs. Hildred Tallman	1960	Mrs. Eleanor Richter	1961
Mrs. Frank Bukowski	1960	Mrs. Frank Bauml	1961	Mrs. Robert Rohr	1961
Mrs. Henry Graf	1960	Mrs. Lillian Howorth	1961	Mrs. Guy Wilson	1961

We had 3 meetings at the Church, members serving as hostesses, and a combined meeting and Christmas Party at Maplewood Inn, with Mrs. S. Bereza, chairman. Mrs. Earl Talbot invited us to her home for a picnic in July, which we all enjoyed very much.

Our Secretary, Mrs. Talbot, recorded 505 calls made and 275 cards sent during the year. We gave \$10.00 to our Youth Group; \$10.00 gift to Rev. and Mrs. Ochs, and paid \$6.00 for the palms placed on the altar on Palm Sunday.

(Board of Deaconesses)

The Board members assisted the Women's Guild in making and delivering the Easter and Christmas Cheer Baskets for our sick and shut-ins and served the refreshments at the annual Congregational meeting.

Our Flower Chairlady, Mrs. Eleanor Richter, reported gifts of 34 memorial bouquets and 40 Easter lily plants. Eight bouquets of garden flowers were given by Messrs. Herbert Groth, John Kramer and Fred Armbruster. We extend heartfelt thanks to all who contributed so generously to beautify our altar; the hostesses at our meetings, Mesdames Talbot, Bereza, Bukowski, Fox and Haupt. To Mrs. Talbot for the fine picnic she gave us and to Mrs. Bereza for her work as Chairman of our Christmas party.

Our sincere gratitude to our Flower Chairlady, Mrs. Richter and her assistant, Mrs. Rohr, for their faithfulness to their duty of placing flowers on our altar each week, and to all those who delivered the 115 bouquets to our sick and those unable to attend our services.

The Officers for 1961 are: Chairman, Miss Celia Petz; Secretary-Treasurer, Mrs. Mabel Talbot and Flower Chairladies, Mrs. Eleanor Richter, Mrs. Marion Rohr.

Respectfully submitted,

Celia E. Petz, Chairman 1960

WOMEN'S GUILD

The Women's Guild has contributed to the life and program of the local Church as well as that of the National Guild, the Synodical and Rochester Regional Guilds and the Council of Church Women. The Guild held 5 afternoon meetings beginning with a Coffee Hour at 12 o'clock noon, followed by the Devotional program and business meeting. Four evening meetings were held to give the women unable to attend the afternoon meetings an opportunity to participate in the program of the Guild. Guest speakers for 1960 were: Rev. Fred Ochs, Rev. Elizabeth Green, Mr. Ralph Schauman, Dr. Paul Schroeder. Our programs included the film "Jesus Teaches Forgiveness" and the Stewardship film "A Hidden Heart". Our Thank-Offering Service, in charge of Mrs. William Atherton, was held in connection with the Sunday Morning Worship Service at which time \$128.81 was received and sent to the National Guild to be used for Mission projects. The present membership totals 89 with an average attendance of 35. Three members passed away during the year: Mrs. Florence Vogel, Mrs. Elizabeth Vroman and Mrs. Augusta Reuschle. Seven new members were received.

To promote the work of the National Guild and the local church and give each member a specific field of interest, the entire membership is divided into six departments. Chairmen for 1961: Spiritual Life, Mrs. Franz Kilian; Missionary Education, Mrs. Wm. Atherton; Christian Education, Mrs. Nelson Alderman; Christian Stewardship, Mrs. Bruno Lehmann; Christian Service, Mrs. Anna Brierley; Christian Social Action, Miss Celia Petz.

There are four Circles that meet monthly. Circle chairmen for 1961: First Circle Mrs. Franz Kilian; Circle II, Mrs. Bruno Lehmann; Ruth Circle, Mrs. Herman Richter; Fidelis Circle, Mrs. Frank Vogel, Jr. Through their many activities the Circles make substantial contributions to the work of the Guild. First Circle served the Father and Son's Dinner; the Family Night Supper; decorations for Guild Christmas meeting; contributed to church Benevolence Fund and Guild Treasury. Circle II served the June Picnic Supper; sponsored a Fish Fry in co-operation with Ruth Circle; contributed to the Leper Fund, the purse for Pastor & Mrs. Ochs and the Guild Treasury. Ruth Circle served the dinner for the Christmas meeting; sponsored a Fish Fry with Circle II; contributed to purse for Pastor & Mrs. Ochs; the Sewing Group; the Leper Fund, Biloxi and Greenville Orphanage and Guild Treasury. Provided Poinsettias for Altar at Christmas. Fidelis Circle had charge of Fall Bazaar; presented Guild Christmas Program; contributed to Greenville Orphanage and Guild Treasury; cared for children in Nursery and Primary Departments during church Service.

Women's Guild - cont'd.

The Sewing Circle, headed by Mrs. Emma Hoffman, represents the Christian Service department of our Guild. This past year the Sewing Circle sent boxes of new and used clothing to World Service and the Congregational Service Committee; participated in the "Make A Bed Project" and made night gowns for the World Community Day project. We express our sincere appreciation to this loyal group of women for their splendid contributions.

The Spiritual Life chairman, Miss Vera Frederick, appointed two members of the Guild each month to visit the sick and shut-ins. About 100 calls were made. At Easter and Christmas, Cheer Baskets prepared by this department and the Deaconesses were taken to the sick and shut-in members of the Church. The Guild sick and shut-in were also remembered with small gifts. Birthday and cheer cards were sent to members each month. United Church Herald subscriptions were solicited by the Christian Education Dept., Chairman, Mrs. Franz Kilian. We would urge more of our Church members to subscribe to and read this fine periodical.

The Guild participated in the following activities in 1960: The Federation of Churches Drive; visited St. John's Home; Fellowship Hour following Lenten Services; Fellowship Supper and Albert Schweitzer Film; Farewell Tea for Pastor and Mrs. Ochs; two Rummage Sales, Fall Dinner & Bazaar; Christmas Dinner with Ingathering of money for 'Others'. Guild members attended World Day of Prayer Service, May Fellowship Day, World Community Day; W.N.Y. Synodical Biennial Meeting; Synodical Leadership Institute; W.N.Y. Synod Meeting; Fall Fellowship of W.N.Y. Synodical Guild; Rochester Regional Guild; Fall Educational Meeting and monthly meetings of the Council of Church Women. In addition to our Church Pledge of \$500, National Guild Challenge of '88, Thank Offering of \$128.81 and \$25 toward the purse for Pastor Ochs, we purchased an electric stove for the Parsonage. Benevolent contributions were made to Federation of Churches, Y.M.C.A., McAll Mission, Migrant Work, World Community Day Project, St. Paul's Church and the Council of Church Women.

We greatly appreciated receiving from the Dewey Women's Guild 1470 as well as tables, serving carts, silver and linen.

The Treasurer's Report shows:	Balance, January 1, 1960.....	\$720.62
	Receipts for year.....	2417.42
	Disbursements	2160.35
	Balance, January 1, 1961.....	977.69

Note: \$400 of the January 1, 1961 balance is being set aside to be used for a Special Project in 1962 for the 100th Anniversary of St. Paul's Church.

Officers for 1961 are: President, Mrs. Emma Hoffman; Vice-Pres., Miss Celia Petz; Financial Secretary, Mrs. Earl Maier; Treasurer, Mrs. Richard Pasch and Recording Secretary, Mrs. Clement Hutchins, Jr.

It has been a privilege and a joy to serve as President of the Women's Guild for the past four years. All that has been accomplished was due to the fine spirit, splendid co-operation and loyalty of the women in the Guild. As the new officers take over their duties, may I ask for them continued co-operation and loyalty from each and every Guild member and extend to them my best wishes for a very successful and happy year.

Respectfully submitted,

Mrs. Nelson Alderman,
President, 1960

THE BROTHERHOOD

In past presidents' reports, the Brotherhood meeting night is given as the first Monday of each month. I shall go one step further and insert the hour - 8:00 P.M. Judging from the relatively sparse attendance at meetings, I suspect that many of the men of the church didn't know the hour at which meetings are held. I'm positive some poor souls must come at 7 o'clock, find the building dark and locked and go home. On the other end of the scale are those who probably think the meetings begin at 9 P.M. They arrive, find the meeting in full swing and slink away in embarrassment. So here it is again men, the first Monday of each month at 8 o'clock. Even as I write it, it suddenly dawns on me that it could be misunderstood as the 8th Monday of each month at one o'clock, no wonder we've been missing many members!

Seriously, in contacting speakers for the past year, I have been amazed and gratified by their response. Not one person refused or hedged. Each one fulfilled his commitment. None were selling anything for any monetary gains to themselves. They gave of their time and talents gladly and freely; an example for all of us to follow. These men too have families they love and like to spend their evenings with at the end of the day's work. If they are willing to share these too few hours with us, should we not try to match that spirit?

At this time, also in a serious vein, I wish to express my thanks to all who helped me in my term of office either as officers, lunch committeemen or men in regular attendance.

For our meeting last February we met with the Women's Guild for a talk by the Rev. Elizabeth Greene on Brotherhood. Ass't. Dist. Atty. Jack Lazarus spoke to us in March and gave us some insights into courtroom happenings, some comical, some pathetic and some tragic. Mr. A. Mertz, a retired business man and a dedicated Christian described missionary work being carried on in foreign lands at the April meeting. A tasty dinner, cooked and served by the good ladies of First Circle and a talk by P.B.I. Agent, Karl Brouse rounded out the program for our Annual Father and Son's banquet in May. Our own Bob Tylock, backed up by charts, maps and figures, gave a very interesting talk on present and future highway construction in and around Rochester, at our June meeting. As is customary, meetings were discontinued through the summer and resumed in October. At that time, our then Interim Pastor, Dr. Paul Schroeder spoke on his trip abroad. In November, Mr. Ed. Hogan explained the plight of the railroads brought about by private automobile, taxes, air travel, featherbedding, etc. The Christmas party for members and wives was held in December. Gifts again were donated to the patients at Neward State Hospital and Mr. Charles Kinsley of Kodak, showed his slides of Alaska. The program for the year concluded with the January meeting with Mr. Raymond Sabin of the Monroe County Office of Civil Defense spoke on the need for protection from radio-active fall-out. The Bowling Party, becoming an annual affair was again held at the Lyon's Den in April and was well attended and enjoyed by all present. Due to lack of interest and several knockout blows by the weatherman, the annual summer picnic wasn't held.

While we were on the receiving end of other peoples' gifts of time and talents quite a lot, we did do a few things for others (and ourselves). We pledged and paid to the Rochester Federation of Churches, to St. Paul's Church, and labor was recruited for several projects. The Brotherhood again sponsored the birthday calendar.

I'm sure Bob Thompson, the president for 1961 will appreciate your co-operation in regular attendance and your help in any work projects the Brotherhood might undertake. Please give him that co-operation and help.

For those men who can't seem to remember the meeting date and time, I would suggest attendance at church every Sunday. The pertinent facts are given in the Sunday Bulletin.

William Atherton, President 1960

THE SUNDAY SCHOOL

The Junior and Youth Department - Mrs. Florence Kelley, Superintendent.

We have a fine group of Teachers - Mrs. Wm. Atherton, Mrs. Sylvester Bereza, Mr. Charles Bird, Mr. Jack Falk, Mrs. Harold Geschwind, Mrs. George Haupt, Miss Ruby Kitchens and Mrs. Carl Berges. Our Substitute Teachers are Mrs. Lewellyn Alderson and Miss Heide Zimmermann. Miss Zimmermann is also Accompanist on Sunday mornings and Secretary at our monthly meetings. Our Attendance Recording Secretaries are Mrs. Jean Anderson and Mrs. Irmgard Wintermute.

At the beginning of the School Year, Miss Elizabeth Armbruster and Mrs. Frank Jansson found it necessary to resign. Also in October, Miss Gloria Wagner left our department and Mr. Fred Armbruster, Jr., resigned his teaching job becoming effective in January 1961. We want to thank these fine folks for their splendid work. Replacements - we are proud to say that Mrs. Carl Berges has graciously accepted to take Mr. Armbruster's class. We are still in need of a full time teacher for the Junior II Boy's Class. Mrs. Alderson, our substitute teacher, is doing a fine job with this class until a replacement can be found. I am hoping that someone reading this report will feel it their responsibility to offer her or his services.

The Lenten Project for this department was - "Dig, Dip for Dunkirk". A check for \$29.25 was sent to Rev. Carl Zimmerman at Dunkirk, and he notified us that a much needed projection screen was purchased. The following attended Camp at Dunkirk this past summer: Nancy Atherton, Susan Bopp, Denise and Paul Bukowski, Nancy Krase, Pamela and Richard Linder, Kathy McNaught and Sandra Tylock.

During a Sunday Morning Church Service, the following were awarded Perfect Attendance Award Pins: Bill Osbourne, Ricky Horch, David and John Groth, Sandra Tylock, Judy Bushnell, David and Susan Story, Susan Bopp, Cheryl Townsend, Linda Heck and Cheryl Freese. Also at this Rally Day Service, the Church School Workers were dedicated.

The Primary, Junior and Youth Departments made a joint contribution for UNICEF and \$154.38 was collected. The Church School rewarded this group with a Halloween Party at the Church on October 31st for a job well done.

Four teachers of the Church School attended classes at the School of Religion of the Federation of Churches: Mrs. Mary Hutchins, Mrs. Agnes Groth, Mrs. Ethel Haupt and Mrs. Florence Kelley.

A combined Christmas Program of all departments of the Church School was presented with the Junior Choir participating.

The Church School is very proud to announce that the entire school is now meeting every month - a supper meeting on the second Tuesday of each month. A very big accomplishment. This is something that has not taken place in some time. Pastor Berges gave a very inspirational talk at our December meeting.

Mr. Albert Meili, Jr., our Treasurer for many faithful years, is still taking care of our "financial interest" and also leads a discussion group for the Young Adults in the Minister's Study each Sunday morning during the Church School period - how about you parents attending this Class, while your children are in Sunday School? I'm sure, you will find it most interesting. I might also add that Mrs. Dorothy Harrigan spends many hours on the Church School envelopes - maybe, there would not be so much time spent if there were not so many pennies to count - how about a little more silver! As you well remember, a "Mite Box" was put up in the vestibule so that your boys and girls could be remembered at the Christmas Season.

Remember, the future of St. Paul's is in the Church School.

Summarizing Mr. Albert Meili's report as Treasurer of our Church School:

Balance, Jan. 1, 1960.....	\$ 238.93
Receipts during 1960.....	1,052.41
Expenses during 1960.....	1,035.80
Balance, Jan. 1, 1961.....	255.54

Mrs. Florence Kelley, Jr. Dept. Supt.
(Cont'd.)

(Sunday School, cont'd)

Primary Department Superintendent, Miss Lois Groth

The Primary Department began the year with an enrollment of 35 boys and girls. In October 15 children were promoted to the Junior Department, and 5 children joined us from the Beginner Department giving us an enrollment of 22 children to date.

Several projects were undertaken during the year...the Lenten project of "Share Our Surplus" sent over 4 tons of food to the earthquake victims of Chili. Recently we packed the Paddle Wheeler with 47 baby chicks. At Halloween time we joined the Junior Department in the UNICEF Tricks or Treats for others project. At the present time we are striving to send a sheep in the Paddle Wheeler by Easter. Each sheep costs \$20.00. These mission emphasis programs help train the children to accept and understand the purpose of benevolent giving when they become members of the church congregation. We try and encourage all children to raise their mission money by doing chores around the house during the week. The weekly envelopes are their share in helping to defray the costs of the Sunday School materials.

During the year, Mrs. Albert Meili, Jr., retired as a teacher in the Primary Department. Mrs. Meili served our Sunday School for nearly 20 years and we are thankful for her devoted service. Mrs. Jack Falk has recently joined our department.

We wish to thank the members of the Adult Class for their splendid gift of a bulletin board. This is the first step in giving our Sunday School room a warmer atmosphere.

May I take this opportunity to thank Mrs. Albert Groth, Jr., Miss Mildred Bahringer, Mrs. Jack Falk, Mrs. John Schwartz and Miss Linda Heck for their willingness to serve the Primary Department during the past year.

Lois Groth, Primary Superintendent.

The Beginner and Nursery Departments now have a total enrollment of seventeen. During the year this group of pre-schoolers contributed to the World Service Project and to Missions.

Their teachers are: Mrs. Mary Vogel, Mrs. June Schoeneman and Mrs. Ula Kohl, Nursery: Mrs. Mary Hutchins, Mrs. Helen Duerr and Mrs. Joan Paolotto.

Thanks to many mothers and teen-agers volunteering their services, nursery care is provided during the church services and lessons are planned for children 4 to 8 during the sermon time.

Submitted by Mrs. Mary Hutchins.

YOUTH FELLOWSHIP

The Youth Fellowship Officers for this year are: President, David Moran; Vice-Pres.-Treasurer, Gary Wilson; Corresponding Secretaries, Sandy Townsend and Carol Britton.

We engaged in many activities this year. Discussions, dancing (round and square) and dinners were a part of our program. In December we carolled with the Adult Bible Class and sent Christmas dinners to the needy. The girls of the Youth Fellowship baby-sat for the Couples' Club.

During the next year we plan to modernize our room, visit churches of different faiths, go skating and bowling, show films and have discussion groups.

I hope in the next year I will see more young people of confirmation age or older, at our meetings which are held the first and third Sunday nights at 7:30.

David Moran, President

THE CHOIRS

The Choir enjoyed a wonderful year under the direction of Lucille Burgess. We did some music that hasn't been touched in years, as well as some new music. We are very pleased that we have a Junior Choir, under direction of Florence Kelley, that relieves the Senior Choir occasionally and we enjoyed working with them at Easter. We hope the time will come that that pleasure will be more often.

We had a lovely Christmas party and dinner put on by Fidelis Circle. At our June party, which we held at Bardo's, Webster, we paid tribute to Harold Steen upon receiving his degree from the U. of R. Also sent Lucille Burgess on her way to California with our very best wishes.

We have a wonderful group - and are enjoying singing under Paul Robertson. We have only one regret - there doesn't seem to be enough men interested in the Choir to want to join us. I'm sure there are many that love to sing. Help us to grow - you will derive more pleasure than the time you give.

Lucy H. Dixon, President 1960

THE JUNIOR CHOIR

"Happy Birthday" - The Junior Choir is 2 years old! At the present time, there are 24 members in the Junior Choir. Our rehearsals are on Saturday from 11:00 A.M., until noon. The boys and girls are able to join this group as soon as they are promoted from the Primary Department.

I wish I could impress these boys and girls to stay after they are confirmed. If they would stay until they were 14 or 15; at which time, I think most of them would be ready for our Senior Choir...and you can bet, our Senior Choir would appreciate their help. How about it, Parents? You do such a wonderful job in getting them there on Saturdays, do you think it possible for an additional 2 or 3 years? Maybe I am expecting too much. (It's that same "old" dream).

The Junior Choir was presented with lovely white Choir Gowns and were worn the first time at the Easter Dawn Service. Thanks to our "anonymous" Friend, this was accomplished financially. A very "big Thank You" to Mrs. Hoffman, our Choir Mother, and her helpers, as all this sewing was done by the ladies of her group and mothers of Junior Choir Members.

We were sorry that Harriet Fauth found it an impossibility to rejoin us in September, and we thank her for all her help. Mrs. Albert Groth, Jr., joined our group in the Fall as our accompanist. This group could not continue without her fine help.

During the Christmas Season, the Junior Choir presented a fine program at Saint John's Home.

I am afraid, we have not catered too much to our boys and girls as far as parties were concerned during 1960 - sure hope, they do not realize it. We went caroling to 12 members in the Church neighborhood followed by a Christmas Party.

The Parents are still being informed about our activities, from time to time, with a "Newsletter".

The Choir sang at the following services:

January 31st.....	Sunday Morning Church Service

April 14th.....	Maundy Thursday Evening Service

May 22nd.....	Combined Choirs on Pastor Och's Last Sunday
October 30th.....	Sunday Morning Service (Dr. Schroeder's last Sunday)
November 27th.....	Sunday Morning Church Service

Our Officers are: President, Bryan Catlin; Vice-Pres. & Secy. Jerry Geschwind; Librarians, Judy Bushnell and Susan Story.

Mrs. Florence Kelley, Director

THE ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday A. M. at 9:30 o'clock for devotions and lesson study. The Class is taught on alternate Sundays by Miss Lucille Reuschle and Pastor Berges. We have a membership of 61. The Class has an average attendance of 38. We had the pleasure of welcoming 76 visitors during the year. The annual Friendship Sunday was attended by 80 friends and members. In addition to our Sunday morning fellowship the Class has engaged in the following projects. The preparation and serving of the Easter Breakfast following the Sunrise Service. Flowers and cards were sent to our sick and shut-in's during the year; flowers were placed in the Church Sanctuary on Mother's Day to honor all mothers and on Memorial Sunday in memory of those who God has called to their Heavenly Home. The Class contributed to the Church Current Expenses; Federation of Churches; Dunkirk maintenance fund; Negro College fund; Rochester Association of the U. N. and St. John's Home Building Fund as well as the Sunshine Club. Three Memorial Cards were sent. The Class accepted an invitation to join with the Junior Department for their Christmas program on Sunday Dec. 25th. Our thanks to Mrs. Kelley for her thoughtfulness. A Christian Flag was purchased and dedicated in memory of Mrs. Fred Reuschle who passed from this life on July 2nd. Bulletin Boards were purchased for the Junior and Primary Departments. The Bible Class made possible the use of a bus for the transportation of the carollers on Sunday evening preceding Christmas. Seventeen calls were made and a lunch was served at the Church. Again our thanks go to Mrs. Sophie Lemon and Mrs. Edna Schwartz for preparing the lunch.

A cordial invitation is extended to all members of St. Paul's to join with us each Sunday A. M. at 9:30. The President would take this opportunity to thank all those who in any way helped to make 1960 a useful and happy year in the eyes of our Lord.

Officers for 1961 are: President, Mrs. Fred Zettlemoyer; Vice-Pres. Bertrand Rushnell; Secretary, Mrs. Emma Hoffman and Treasurer, Mrs. Lillian Howorth.
Respectfully submitted,
Mrs. Fred Zettlemoyer, President 1960

THE COUPLES' CLUB

St. Paul's Couples' Club was organized in 1959 with an average of 12 couples attending the meetings. During 1960 we met one Sunday of each month. Our entertainment consisted of such things as charades; a "I've Got A Secret" panel show; Harry McGillicuddy's films on retarded children; a bowling party, a hot dog roast and swimming at Paolotto's cottage; a Hallowe'en Party, etc., with an average of 8 to 10 couples attended.

In May and again in November the Trinity Church Couples' Club invited us to their church for a pot luck supper and an evening of fellowship. Pastor Berges went with us to the November meeting.

We put on a very successful pot luck supper for the church members after the Children's Christmas program, with about 120 children and adults attending for the supper and to see Santa afterwards.

The Club now has a membership of 8 couples, who invite anyone who would like to join us, to come to the meetings which are listed in the church bulletins.

Officers are: President, Fred Brown; Secretary, Alice Brown
Treasurer, Mary Vogel.

Respectfully submitted,

Fred A. Brown, President 1960

Primarily because of the merger with the Dewey Ave. Church, the Benevolent receipts increased 19% and the Current Expense receipts increased 18% over the 1959 receipts. However, we fell short of raising the 1960 Budget by \$2,642 on Current Expense and \$1,537 on Benevolences. This made it necessary to borrow \$2,000 from the Perpetual Membership Fund to pay for the renovation of the Parsonage. Also we were unable to meet our obligation to the General Synod Apportionment.

Wm. E. Lohler, Financial Secretary.

THE FINANCIAL PICTURE FOR 1961

Our Current Expense Budget	\$22,776.
Member's Pledges	17,426.
Organization Pledges	900.
To be raised by other means	\$4,450.

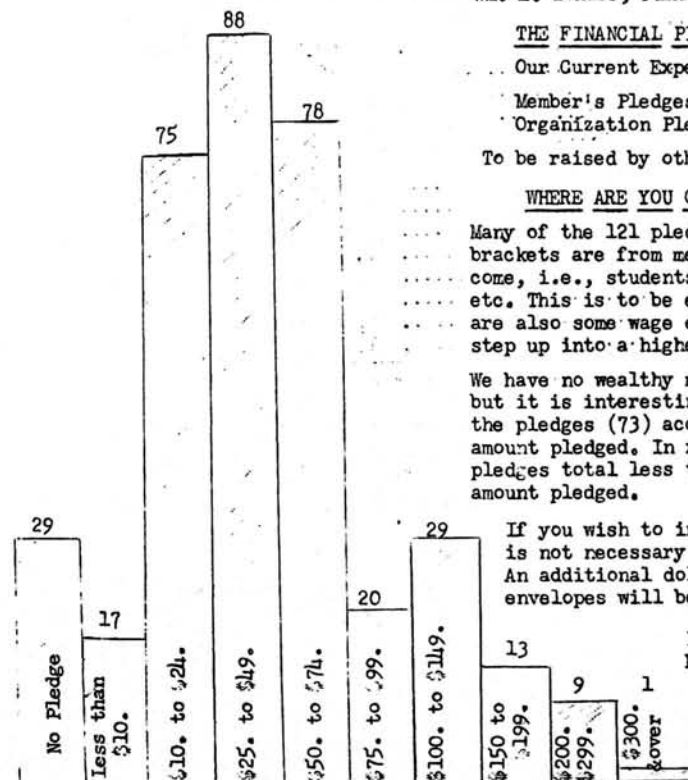

WHERE ARE YOU ON THIS CHART?

Mary of the 121 pledges in the first 3 brackets are from members that have no income, i.e., students, unemployed, illness, etc. This is to be expected. However, there are also some wage earners here that should step up into a higher bracket of giving.

We have no wealthy members in our Church, but it is interesting to note that 20% of the pledges (73) account for 53% of the amount pledged. In reverse, 80% of the pledges total less than one-half of the amount pledged.

If you wish to increase your giving it is not necessary to wait until next year. An additional dollar or two in your envelopes will be most welcome.

 Our Memorial Fund: It has been the practice of St. Paul's Church to encourage its members to establish Perpetual & Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provides us with a small but steady income in addition to the yearly offerings of our members. Moneys in the Memorial Fund (Memorial Wreath Card contributions) is used for the purchase of necessary items which are suitable as Memorials for loved ones in whose memory these gifts were given.

ANNUAL REPORT

1961 - 1962

SAINT PAUL'S

UNITED CHURCH of CHRIST

CARL BERGES, PASTOR

THE AGENDA FOR THE JANUARY 18, 1962 MEETING
of the
CONGREGATION OF ST PAUL'S UNITED CHURCH OF CHRIST
Rochester, New York

The Call to Order

The Prayer

Hymn 322 "The Church's One Foundation"

The Church's one Foundation Is Jesus Christ her Lord;
She is His new creation By water and the word:
From heaven He came and sought her To be His holy Bride;
With His own blood He bought her, And for her life He died.

Elect from every nation, Yet one o'er all the earth,
Her charter of salvation One Lord, one faith, one birth;
One holy Name she blesses, Partakes one holy food,
And to one hope she presses, With every grace endued.

'Mid toil and tribulation, And tumult of her war,
She waits the consummation Of peace forevermore;
Till with the vision glorious Her longing eyes are blest,
And the great Church victorious Shall be the Church at rest.

Yet she on earth hath union With God the Three in One,
And mystic sweet communion With those whose rest is won:
O happy ones and holy! Lord, give us grace that we,
Like them, the meek and lowly, On high may dwell with Thee.

NEW BUSINESS

- A. Pastor's Report
- B. Elections: The Nominating Committee's report

Nominations from the floor.

Before a single ballot is cast we need to express profound appreciation to all who allowed their names to be placed in nomination knowing that only half of the nominees could be elected. Only when we have such folk do we avoid history's great tragedies wherein people may only vote for a Hitler or

a Kruschev. In the U. S. a man like Richard Nixon is not less respected because he did not win the election since obviously only one man could win. In a democratically governed Church as in the nation the winners and the losers join forces after the election and work for the good of the Church. Perhaps the next time the present losers will be the victors. Thanks to all for your good sportsmanship in agreeing to have your names placed in nomination.

Again, before a single ballot is cast, let us remind ourselves what the qualifications are for those who serve on the Church Council.

The Bible in 1st Timothy 3 says: "Church rulers must be blameless, of good behavior, apt to teach."

The Book of Worship says of those who serve on the Church Council: "You must adorn the gospel of our Savior by a walk a conversation answerable to the place you occupy in the Church of the living God."

THE PASTOR'S REPORT

In the One Hundredth year of St. Paul's Church let us ponder the words of the 90th Psalm:

Lord, thou hast been our dwelling place in all generations.
Before the mountains were brought forth,
Or ever thou hadst formed the earth and the world,
From everlasting to everlasting thou art God.

.....

Let the favor of the Lord our God be upon us,
And establish thou the work of our hands upon us,
Yea, the work of our hands establish thou it.

Surely the work which is being reported on in this meeting by all of us is not finally our work at all but rather it is the work of the Lord. Only so can what we have done or what we may hope to do have any abiding value. There can be in our reports then nothing that is said for the glory of self, and all that we refer to with pride in all of our reports is so evaluated only because we hope it can be used by God to His honor and glory and by His children to their edification and spiritual enrichment.

This institution which we call St. Paul's Church would not have survived the first of her hundred years of life if she had not had then even as we have now literally hundreds of people who freely give of their time, their talents and their treasures to forward her work. To all who through the century have made the continuation of this Church's work possible we owe a mighty debt. During the year that is now being reported upon all of us owe a monumental debt to President Bertrand Bushnell. His service has been of an exemplary quality. His interests have reached to every facet of our church's work. His ability has stood us in good stead during trying times and amid difficult circumstances. I have known and worked with many Church presidents and I gratefully acknowledge that I have never worked with any who sought so hard to discharge the responsibilities of his sacred office.

It is always dangerous to single out a few names to ascribe credit, and lest I inadvertently would miss the name of someone who had worked - hard I forego the happy custom of speaking publicly the names of many other consecrated, able and accomplished workers who have borne the burdens that helped to evolve into the blessings of 1961 in the life of St. Paul's Church. You know that the true servant of God follows the injunction in the teaching from Jesus which tells us to work quietly and without the praises of men so that God may reward us openly. To each and everyone of you who has so served I have spoken words of deep appreciation, and I know your fellow members have done the same.

In my opinion our greatest successes during the years are these:

- 1) More of our folk are worshipping regularly.
- 2) Once again our Church is listed among those churches of the Synod which pay their 100% quotas to Benevolence projects: Apportionment, World Service, Synodical assessments, and the Seminary Appeal. Only those Churches that care for others as well as for themselves are truly Christian. Our world ministries can only be done unitedly, and those ministries alone prove to the sinful world that Christ's Body is still at work redeeming and establishing the Kingdom of God on earth as we believe it to be in heaven.

- 3) We have repaid the endowment fund the total of all monies borrowed from it during the time property improvements were being made in the interim during pastorates.
- 4) The general appearance of our property has improved very considerably, and at the same time fire hazards in storage areas have been eliminated, more of the beauty of our Church is in evidence.
- 5) Our educational work has been strengthened by the acquisition of the finest quality of audio-visual aids equipment.

Some of our continuing problems, as I see them, are these:

- 1) Our Church School lacks administrative guidance in the same way that it has for several years.
- 2) Our Youth Fellowship needs some adults to share with the Pastor the responsibility of helping the youth plan an exciting program in Christian thinking and living.
- 3) Our NATURAL growth rate is only about 25% of our NATURAL death rate. In other words, in 1961 we had four infant baptisms, but seventeen funerals. Death has it three to one over births in the parish! Furthermore, as the median age of our members goes up and up the birth rate will go still lower, and the grim Reaper will speed up his work. Add to this startling fact the sociologically inevitable number of transfers of members to the suburbs as they become economically more affluent and you must realize that St. Paul's will have to EVANGELIZE or perish within a decade or two at the most! Are we ready to start pushing doorbells in the neighborhood of the Church to find those who could replace our depleting ranks? Are we ready to strengthen our worship and service activities so that we can delay the departure of our present members to the younger parishes in suburbia?
- 4) The Dewey Avenue property is deteriorating even while we are spending hundreds of dollars of our offering money to "maintain" it. It is to be hoped that soon this real estate encumbrance can be taken from our Council's concern.
- 4) A realistic acknowledgment of the fractional amount that will ever be realized from the sale of the Dewey Avenue property, compared to the \$90,000.00 to \$100,000.00 figure that was talked about when negotiations were made for the present Pastorate, forces one to admit that the "Master Plan" for building modernization and improvement must be indefinitely delayed.
- 5) The great amount of trouble we have been having with the heating system leads some of us to feel that this unglamorous yet necessary project may yet have to take precedence over items which are much to be desired. I believe that even now we should start accumulating funds for boiler replacement---few boilers serve even as long as the thirty-six this one has warmed you through the long winters. And, in case of an emergency break-down of the system, I would think it the part of wisdom for the congregation to instruct the Council to hire a heating engineer at once so that plans can be made for the inevitably necessary installation of a zoned system, pneumatically controlled and automatically controlling the heat furnished to various areas of the building according to the settings of a program clock. Paying an engineer costs a lot of money---and you save more than it costs with a few years after his wisely planned system is installed in fuel bills.
- 6) Our Senior Choir has improved a great deal during the year, but we still need many more voices before we can have the full benefit of the skills of our Organist and Director. Our Youth Choir, in number of members and in quality of performance, is greatly re-

assuring; however, most of these youth will go away to college, so we need now as well as then more present adults to enhance the choir charged with the greatest responsibility in reference to our Worship Services.

During 1961 I made only 659 pastoral calls in contrast to the more than a thousand I usually make. This smaller figure is justified by the fact that I do not have the secretarial help now that I had in former years, and I have spent very much time in non-pastoral work on the parsonage grounds and in the church building. This year should see me back on the regular number of pastoral calls. There are still a few homes in which we have not visited, due to location beyond the city or our inability to clear dates or find folk at home. I have already started on a new round of visits, and so far as I know I have faithfully visited all hospitalized folk whose names were reported to me.

I conducted a total of sixty-three church services;
 attended forty-three regular meetings;
 attended fifty-two special meetings
 taught forty-eight times;
 conferred fifteen times;
 baptized four infants;
 baptized two adults;
 confirmed seventeen youngsters;
 married six couples;
 buried seventeen persons;
 officiated at thirty-six communion services;
 attended sixty-six denominational and interdenominational meetings;

gave book reviews, attended Synod meetings, participated in the first Roman Catholic Retreat for Protestant Clergymen, served on various Synodical Committees, lectured for Womens' Guild Conferences at Hood College in Frederick, Maryland and at Cedar Crest College in Allentown, Penna.; represented Western New York Synod at an Adult Educational Conference in Chicago. Aside from the study time needed to prepare for all of the above events I was free to do exactly as I pleased-----so you see there are advantages as well as responsibilities and a few hardships involved in the work of the ministry. I wish some of our youth would take seriously the challenge of the Christian ministry for it is a truly glorious work.

I want to acknowledge my indebtedness to the members of the staff who have shared in the work of St. Paul's during 1961. We have marked the retirement of both Mr. and Mrs. William Lohler from positions of great responsibility in the life of the Church and I think it only fitting that at this time I should reiterate words of appreciation to them in behalf of the congregation. I owe, as you should all realize, much to my congenial and talented wife for the unobtrusive way in which pitches in and helps in innumerable situations to keep the work of St. Paul's Church on an even, and we hope forward moving, keel.

During our Centennial year of 1962 our emphasis in all of our work should be expression of gratitude to those who have gone before, the matching of our 1962 quality of consecration to the high standards of the past, the intensification of our devotion to the tasks at hand, and the constant awareness of Him whose we are and Whom we seek to serve.

Faithfully yours,

Carl Eduard B. 1962

PRESIDENT'S REPORT

We, of Saint Paul's Church, have much to be thankful for, and we should count our blessings as we come to the end of another Church year, and give thanks to our Heavenly Father for the many blessings He has granted us.

We are especially grateful to the Parsonage Family for their service to us. We feel that Reverend Berges has more than met the high standards set by our Pulpit Committee. He has brought forth many fine ideas, and we should continue to give him our whole-hearted support. We have enjoyed the fine sermons and spiritual guidance given by Reverend Berges. He has met all the challenges from visitation of the sick, housecleaning projects at the church, to beautification of the Parsonage grounds. We also appreciate the fine work of Mrs. Berges in our Sunday School.

The Ministry of Music provided by our Junior and Senior Choirs, under the capable direction of Mrs. Florence Kelley and Mr. Paul Robertson, and our Organist has been greatly appreciated. Our thanks to Mr. Harold Steen for his continued fine work as our organist, and to Mrs. Albert Groth, Jr., pianist for Junior Choir rehearsals.

Thanks to the Finance Committee, under the leadership of Mr. Ingvald Rekstad, who has again found the members of Saint Paul's ready and willing to underwrite the program of our church. We are very grateful that we were able to completely repay our loan from the Endowment Fund and fulfill our 1961 budget.

It was with regret that we accepted the resignations of Mr. Lohler as Financial Secretary, and Mrs. Lohler as Church Secretary, upon completion of 25 and 17 years respectively, of fine loyal service to our church. Our thanks to Mr. Arnold Henn for consenting to complete the unfinished term of Financial Secretary.

Our thanks go to our Trustees in the proper maintenance of our property. With the work that has been done, one could almost always say, "Mr. Arthur Wehren was here, little, but oh, my."

Our gratitude is expressed to our Board of Deaconesses, under the chairmanship of Miss Celia Petz, for their visitations with our members; and to Mrs. Eleanor Richter, head of the Flower Committee, for her work. We are grateful to the Women's Guild and Circles for their continued fruitful support of the various activities of the church.

"Ask and it shall be given, Seek and Ye shall find, Knock and it shall open." Our special thanks go to the givers of such wonderful gifts as: Tape Recorder, Mr. and Mrs. George Haupt and family; Communion Patens, Confirmation Class; Altar Vases, Mrs. Myrtle Krieg; 30 new Hymnals, Mr. and Mrs. Lohler and The Jolly Timers; Resilvered Sacrament Vessels, Mr. and Mrs. Britton; Brass Flower Bowl and three Margaret Tarrant Prints and frames, Mrs. Theodore Benz; Frame for Picture, Family of Arthur Muehl; Government Bond, Mr. and Mrs. Volz; Wrought Iron Flower Stands and Revised Standard Version of the Bible, Family of Louise Scheible; Audio Visual Aids, Circle II; Electrical Mechanism for Christmas Tree, Mr. and Mrs. Charles Fox and son; Portable Stereo Record Player, Adult Bible Class; Refurbishing of the

Sacristy by Women's Guild, First Circle, Men's Brotherhood and Memorial Wreath Fund. Anonymous donors financed the cost of sending birthday cards to every member of the Church and a Private Communion Set.

My thanks go, also, to the officers and members of the Church Council for their wonderful help and marvelous support during the past year. I also wish to recognize the retiring Council Members who have served faithfully for the past three years: Trustee, Mrs. Albert Meili, Jr.; Elder, William Lehle; Deacons, Ingvald Rekstad, Frank Bukowski, and Melville Bancroft; President, Bertrand Bushnell.

A special word of thanks to our Constitution Committee for completing the task of a long-needed revision. There have been others who have willingly served on various committees during the past year, and I would like to say thanks to them.

It has been an honor and a privilege to serve as your President during 1961, and my three years on the Council have been an experience I shall long remember and never forget. I wish to thank each and every one of you for your wonderful cooperation and support.

May God's blessing be upon all of us as we go forward into our hundredth anniversary year.

Respectfully submitted,

Bertrand C. Bushnell, President.

ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday morning at 9:30 A.M. for devotions and lesson study. The class is taught on alternate Sundays by Miss Lucille Rauschle and Pastor Berges. We have a membership of 60 with an average attendance of 40. We had the pleasure of welcoming 64 visitors during the year. The annual Friendship Sunday was attended by 75 members and friends.

In addition to our Sunday morning fellowship, the class has engaged in the following projects: the preparation and serving of the Easter breakfast following the Sunrise Service, flowers were placed in the church sanctuary on Mother's Day to honor all mothers, and on Memorial Sunday in memory of those whom God had called to their Heavenly home. Flowers and cards were sent to our sick and shut-ins during the year. The class contributed to the church current expenses, the Federation of Churches, the Dunkirk Maintenance Fund, the Negro College Fund, the Rochester Association of the United Nations, and the St. John's Home Building Fund. Money was given to assist the Daily Vacation Bible School. An electric fan was purchased to be used in the pulpit during the hot summer months. Memorial cards were sent to the families of our deceased members. A record player was purchased to be used by the entire Sunday School. The Bible Class is grateful and our thanks go to Circle #2 of the Women's Guild for the purchase of films which we have enjoyed so much in our Sunday morning worship services.

A cordial invitation is extended to all members of St. Paul's Church to join with us each Sunday at 9:30 A.M.

The President would like to take this opportunity to thank all those who in any way helped to make 1961 a useful and happy year in the eyes of our Lord.

The officers for 1962 are: President, Mrs. Fred Zettlemoyer; Vice-President, John Schwartz; Secretary, Mrs. Kenneth Britton, Treasurer, Mrs. Lillian Howarth.

Respectfully submitted,

Mrs. Fred Zettlemoyer,

During 1961 we held three meetings at the Church and a combined meeting and Christmas party at the Wishing Well. In August, Mrs. E. Talbot invited us to her home for a picnic, where we had a very enjoyable time.

In January we served the refreshments at the Annual Congregational Meeting, and at Easter and Christmas time we assisted the Women's Guild with filling and distribution of the Cheer Boxes for sick and shut-ins.

Secretary, Mrs. E. Talbot, reported 401 calls made and 211 cards sent to church members; \$10.00 for milk was given to our Vacation Bible School and \$15.00 for gifts to Pastor and Mrs. Berges, and Mr. and Mrs. Wm. Lohier. We also paid \$6.00 for the palms placed on the Altar on Palm Sunday.

Our Flower Chairladies, Mrs. E. Richter and Mrs. R. Rohr, reported gifts of 41 memorial bouquets and many garden flowers given by Mrs. F. Armbruster and Mr. Herbert Groth. Eighty-nine bouquets were taken to our sick and shut-ins.

The parents of our confirmands presented the beautiful flowers for the Altar on Palm Sunday and 31 Easter lily plants received from church members, were placed on the Altar on Easter Sunday.

Our sincere thanks are extended to all who helped to beautify our Altar. Also to Mrs. E. Talbot, Mrs. B. Lehmann, Mrs. H. Honeck, Mrs. L. McNaught and Mrs. Guy Wilson who were the hostesses at our meetings. We are grateful to Mrs. E. Talbot for the enjoyable picnic and to Mrs. G. Fox and Mrs. G. Haupt for arranging our Christmas party. Our heartfelt thanks to our faithful Flower Chairladies, Mrs. E. Richter and Mrs. Rohr, and to those who delivered the Altar flowers to our sick and shut-ins. A special "thank you" to Pastor Berges for the delightful Christmas story he told at our party.

CHURCH SCHOOL

At the present time, we are very fortunate, having the following teaching our young folks in the Church School

Mrs. Lewellyn Alderson
 Mrs. William Atherton (also accompanist during the Worship Service)
 Mrs. Sylvester Bereza
 Mrs. Carl Berges
 Mr. Charles Bird
 Mr. Jack Falk
 Mrs. George Haupt
 Miss Ruby Kitchens

Our Attendance Secretary, Mrs. Jean Anderson and Mrs. Irmgard Wintermute, Assistant, are still on "deck". I might add that Nancy Atherton and Denise Bukowski are being trained at the moment. It seems that the "Big White Bird" is flying over the homes of "Anderson-Wintermute". When their new little bundles arrive, they might not be able to make a few Sundays - so you see, we are prepared.

Our "Faithful and Fine" Treasurer these many years, of course, is Albert H. Meili, Jr. Do you realize he has taken care of our financial affairs for over twenty years - a wonderful record! Not only does Mr. Meili do this for our Church School, but he leads a Discussion Group every Sunday morning in the Minister's Study. Mr. Meili's helper with the School Funds is Mrs. Dorothy Harrigan; she gathers up our envelopes every Sunday morning, makes a record of them, and turns the money over to him; a task that is always well done.

If you will compare this year's Financial Report with last year's, you will see there is a decided improvement:

Balance, January 1, 1961	\$ 255.54
Receipts during 1961	1,038.85
Expenses during 1961	890.34
Balance, January 1, 1962	404.05

In June of 1961, we were extremely sorry to lose Mrs. H. Geschwind as a teacher - and our Heide; Heide not only accompanied us during our Morning Worship, but also was a substitute teacher and secretary at our monthly meetings. You see, Heide Zimmerman is now known as Mrs. Fred Jorgensen. Mrs. Agnes Groth graciously offered to take the duties over of secretary at the monthly teacher meetings.

We had two projects this past year - shall refer to them as "Our Home Missions". During the Lenten Season, our slogan was "Remember Your Church - It is Your's". Seventy-five dollars was turned over to Mr. B. Bushnell, our Church President. For the Advent Season, We thought of our Church School - "A Star Shall Lead The Way - Shall We Remember Our Church School"; twenty-five dollars was turned over to our Treasurer and with these funds, something to be purchased for the Junior Department.

Church School - - -2-

On Easter Sunday, we had a combined service in the Sanctuary with all departments of the Church School participating. Also, a lovely Christmas Program was given on December 17th by the Beginner, Primary and Junior Departments.

Perfect Attendance Awards were given to the following on Rally Day:

4th Year Award to	Ricky Horch
3rd " " "	John Groth and Bill Osbourne
2nd " " "	Judy Bushnell, Susan Bopp, David Groth, David and Susan Story, and Sandra Tylock
1st " " "	Barbara and Bill Donish.

Hereafter, this will be the practice of the entire school - a fine idea!

Some of our young people attended Dunkirk this past summer and at this writing, I do not have a complete list of names, but from all reports, the time spent there was enjoyed and very worthwhile.

Supper meetings for the teachers were tried the first part of the year, with a good turnout. In September, it was decided to have evening meetings only - with four supper meetings a year. The Bible Class served a most delicious dinner at Christmas Time.

This report shall be called my "Swan Song". As of January 1, 1962, it became necessary to resign as Superintendent of the Junior Department. The two years spent with them were found to be fine experience, and it gave me a great deal of pleasure. Thank you one and all.

Florence Kelley.

WOMEN'S GUILD.

As in previous years, the Women's Guild have helped in carrying on the program of the local Church and are affiliated with the National Guild, also the Synodical and Rochester Regional Guilds. We also have a representative and an alternate to the Council of Church Women.

Seven monthly meetings were held, with a Coffee Hour at 12:30 and Devotions at 1:30, with business meeting following. Three evening meetings were held for working women or mothers of young children. Our average attendance is about thirty-five or forty, which is about half of our membership.

Our Department Chairman with their various members are helping to promote the work of the National Guild and also our local church. The Spiritual Life Dept., with Mrs. Franz Kilian as chairman, make calls on the sick, send out Birthday and Sick Cards; also prepare Cheer Baskets at Easter and Christmas. She also brings Spiritual Life to our Guild Meetings by prayer and poem.

Mrs. Bruno Lehman is in charge of the Christian Stewardship Dept. Her department has charge of the Thank Offering Ingathering. This little box is sent to all women of the Church at the beginning of the year. Last year the collection amounted to \$90.

Our Christian Education Chairman is Mrs. Nelson Alderman, who with the help of the Executive Board, plans our yearly program. She also takes care of and distributes the Books and Reading Materials to our Guild members. The subscriptions to the United Church Herald are given to her, also.

Mrs. William Atherton is in charge of Missionary Education and has reviewed the Book "One World, One Mission", also devoted one meeting to Home Missions, using the Film "New Frontiers of Faith".

Mrs. Roy Brierley is our Service Chairman, who keeps in touch with our Sewing Group and keeps a record of clothing and packages that are sent to Church World Service and the Congregational Christian Service Commission. Sixty-two pounds of new clothing, which was made by the Sewing Group, was sent to these services. Also 100 lbs. of warm coats and suits and new blankets were sent to the United Church Clothing Drive. The Women's Guild paid the shipping charges of \$8.00. We also made new school bags and new girls' dresses for World Community Day and paid for shipping.

Miss Celia Petz is our Christian Social Action Chairman. She keeps us in touch with some of the bills in the Legislature, also our rights, as citizens, to vote and keeping us aware of the Migrant Worker.

Our four Circles have been very active and have contributed both time and talent to our Guild and to the Church.

Mrs. Forest Thompson is Chairman of	First Circle.
Mrs. Bruno Lehman " " "	Circle II.
Mrs. Ben Gross " " "	Ruth Circle.
Mrs. Robert Tylock " " "	Fidelis Circle.

- 2 -

All of these Circles have helped with Teas, sponsored a Fish Fry, served refreshments for Guild Meetings, helped with Rummage Sales, Decorated Tables for Christmas parties and also cooked and served a very delicious Christmas Supper. A Christmas Program was given by Fidelis Circle. Pointsettia plants were provided for the Altar at Christmas. Gifts of money were also given to the Sewing Group for materials and for shipping. The Circles contributed money to the Guild at Christmas, helped in furnishing the Sacristy and paying for films and contributing to Benevolent Work.

The Guild participated in the 1961 Federation of Churches Drive; they also paid a pledge of \$500.00 to the Church and \$100.00 toward the furniture in the Sacristy. \$88.00 was paid for our Challenge. We contributed to World Day of Prayer; May Fellowship Day; Y.M.C.A.; also McAll Mission and \$15.00 to the Council of Church Women's Ingathering Service.

We observed World Day of Prayer and May Fellowship Day with the Council of Church Women. Lenten Quiet Hour was held with the women of our Church, with Mrs. Kilian in charge of the program. Several of our women and some from our other E & R Churches, hired a bus and went to Friedens Church, Syracuse, N.Y., on April 12th, for the Regional biennial spring meeting.

A Mothers and Daughters Banquet was held in May and turned out to be a fine night of fellowship, which was largely due to our chairman of the event, Mrs. Wm. Lohler.

At our Guild Picnic, in June, we had the privilege of having Mr. James Galloway, from the Rochester School for the Deaf. He showed a film about the work at the school, which was indeed very interesting.

On the Sunday of June 4th, our Guild held a Coffee Hour after the Church service, in honor of Rev. Elmer Henry Hoefler, who spoke at our Church at the Morning Worship, and was to be the principal speaker at St. John's Home Dedication of the new building.

The President of the Women's Guild was sent as a delegate to one of our summer conferences, which was held at Cedar Crest College. The Conference was for three days, beginning July 25th. It was a rewarding experience to be a part of this group of Christian people. Our Pastor, Carl Berges, was the speaker for three mornings.

For our first Fall meeting in September, our Guild met at the home and garden of Pastor and Mrs. Berges, who were very gracious and everyone enjoyed their hospitality.

A large group of our women enjoyed another bus trip to the Fall Fellowship Conference at Dunkirk, September 14th.

A meeting and Tea was held at our Church at Tuesday, October 3d, for the Representatives to the Council of Church Women from our United Churches.

Both of our Rummage Sales were under the Chairmanship of Mrs. Albert Groth, with all the women cooperating.

We held a Fall Supper and were given good support by our members, also the Fidelis Circle, who helped prepare the food. All other Circles and members assisted in making it a successful evening.

- 3 -

The Fall Educational Workshop was held at Christ United Church on October 23rd. Several of our women attended. It was a well-planned program and helpful to the Chairman of the different departments.

A buffet supper was served to the members of our Choir by our women of the Guild on December 13th. We know how faithful they are in their rehearsals and on Sunday mornings. We do appreciate their fine contributions.

The Treasurer's Report shows:	Balance, January 1, 1961	\$ 977.69

Note: \$800.00 of January 1, 1962 balance is being set aside to be used for a Special Project in 1962 - for the 100th Anniversary of St. Paul's.

JOLLY TIMERS

The Jollytimers started the year rolling with a bowling party at North Park Lanes. At another meeting we discussed marriage and its problems with Rev. Berges. In June, we heard an interesting talk on Judaism.

We swung into high gear with St. Paul's E & R Night at the Ball Park. August brought a day of fun at Dunkirk, with swimming in the beautiful pool, and we enjoyed a scrumptious meal in their dining hall.

We topped it off with our annual Christmas pot-luck supper, and Santa surprised the children.

Mario Pawlotto,
President.

BROTHERHOOD REPORT, - For the Year 1961.

First, my sincere thanks to the officers and members of Brotherhood for their help and consideration in making my term, as president, a year I will long remember. It is pleasant to think that I, a comparative newcomer to St. Paul's Brotherhood, feel, after a few short years as though you were all life-long friends. I sincerely wish that every man who comes to our Church, would come to Brotherhood so we might know each other better.

Our February meeting was very interesting. This was a return presentation by Mr. Ralph Schuman, City Historian, who talked about early Rochester and graphically portrayed a large collection of early prints of our city. At the March meeting, Bruno Lehman presented his slides and told us about Mrs. Lehman's and his wonderful trip to Europe. Mr. Russell Jenkins, of the Rochester Astronomy Club, was guest speaker at our April meeting and explained the Club's activities of satellite watch and tracking. We had as guests that night, three members of our Church Youth Group, whom, I am sure understood Mr. Jenkins better than most of us. May was a busy month. We had our annual Father's and Sons banquet. Mr. Ira Sapozink spoke on the subject "DON'T SELL U.S.A. YOUTH SHORT" and a "SOAP BOX DERBY" film was shown.

Thank you ladies of First Circle for the delicious dinner you provided for us. In May we also had our Buffet Supper and Bowling Party at the Turners. It was a lot of fun - with aches and pains for everyone. June brought Mr. Harold Bircher of the Rochester Dahlia Society, who spoke on the subject of growing dahlias for show. He presented beautiful slides of many medal-winning blooms.

In October, Mr. Adolph Baker from the American Red Cross, showed our members movies of the activities around the world, of the Red Cross Organization. He also spoke of the history and activities of the local chapter. Mr. Baker is an ordained minister without a church, but a tireless worker for the Red Cross. In November Pastor Berges was our speaker. The Pastor read a fictional account of a possible nuclear bomb attack on a large city and then conducted a group discussion on man's behavior in the midst of the hysteria and confusion that would result in such an event. The Annual Christmas Party for men and wives was held in December. Children's gifts were donated to the Newark State School. Many thanks to the ladies of Circle II who, with their helpers, served a pot-luck dinner. Mr. Cogar Hart spoke and presented slides. Our January gathering will be a business meeting. On January 11th the Women's Guild and Brotherhood were joint hosts at a Masonic breakfast and Service for the Eastman Kodak Square Club. Our member, Bert Bushnell, is current President of this Club.

The Brotherhood again sponsored the Birthday Calendar, paid its pledge to the Church and donated the labor in renovating the Sacristy. We also built a new Creche to beautify the Church for our Lord's birthday.

Let's all help Bob Tylock, our new President, make 1962, our Centennial Year, a real Brotherhood year.

Respectfully submitted,

FORREST H. THOMPSON.

THE SENIOR CHOIR.

During the past year the Senior Choir has sung in forty worship services. The rehearsals are held on Wednesday evenings, at 7:30 P.M.

Among our activities for the past year were a lovely dinner-party held at Cartwright's Inn, in June, with Pastor and Mrs. Berges as guests. The Choir also enjoyed a wonderful Christmas dinner served by members of the Altar Guild, and a social hour followed. Pastor and Mrs. Berges were our guests.

Together, (we are a small group) we enjoy our work with Mr. Paul Robertson, our director, and our able and ever-ready organist, Mr. Harold Steen.

We have only one big request to make -- that a few more men (and women) join us. We know that they would realize as much enjoyment as we do in this service to our church.

Mrs. Edna Schwartz,
President.

YOUTH FELLOWSHIP REPORT

This past year has been a progressive one for St. Paul's Youth Fellowship. We have had group discussions lead by Pastor Berges, parties, and speakers. One speaker was a Rochester student who entertained with slides as well as words on his summer as an Exchange Student in Pakistan, and we are planning to include a Swedish boy and an Exchange Student from Cambodia.

These events and all of our meetings were made successful by the supervision of:-
Recreation, by Treasurer Gary Wilson;
Worship, " Secretary Kathy McNaught;
Program, " Vice-Pres. Bob Haupt;
Refreshments" President Denise Bukowski.

We would like to take this opportunity to thank the Church Council and congregation for their great contribution to our treasury, without which the success of this part year would not have been possible.

Membership in the Fellowship has increased substantially this year. Striving to maintain this increase in regular members, we hope by the end of 1962 to include all the youth of St. Paul's.

We are also campaigning toward two other goals this year. We are planning to modernize our Youth Room, and the Fidelis Circle has offered to help by contributing curtains. We also wish to provide more varied activities, such as skating parties, hayrides, and a project for St. John's Home. These things can be accomplished only with the full cooperation of all members of the Youth Fellowship. And finally, we would like to thank Pastor Berges for his invaluable guidance and leadership.

Respectfully submitted; Denise Bukowski, Pres.
Bob Haupt, Vice-Pres.

YOUTH CHOIR.

We are still together - The Youth Choir, Mrs. Agnes Groth and I. Three years old now and with a new title - "Youth Choir" - instead of Junior Choir.

A "dream" come true; we had four members of the 1961 Confirmation Class return in September.

When we closed our season in May 1961, we had 24 members. At the present time, we have 21 - so you see there is room for improvement in number, but "quality" they cannot beat! A "repeat" of this definitely could not be done without the cooperation of the parents. Still keeping the parents informed with the "Newsletter".

On April 21, 1961, due to illness in the family, I had to give up the choir. A special "thank you" to Mrs. William Atherton who took over the direction of this group with, of course, the able assistance of Mrs. Groth.

In May, the choir went on a hike to Seneca Park and on December 16th, the choir caroled to twelve families in the neighborhood while three of our mothers prepared a hot lunch - served to us on our return.

The Youth Choir participated at 9 services and one service during the Church-School period.

Mrs. Emma Hoffman is our "Choir Mother", and we would be lost without her.

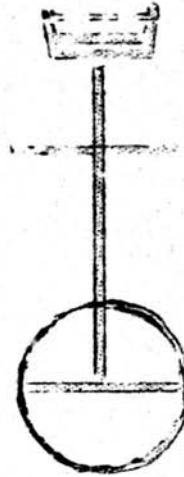

Our Officers are: President - Robert Peath
Vice " - Jeremy Geschwind
Librarians - Judy Bushnell & Sandra Tyloc k.

P A S T O R ' S A N N U A L R E P O R T, Covering 1962
submitted to the January 17, 1963 Annual Meeting of the Congregation.

A large department store like Sibley, Lindsay and Curr Company can report to the cent the total sales made during a given year; however, the store executives cannot begin to estimate how much foot comfort the shoes they sold gave, nor what pleasure to the appetites was given the customers who patronized the grocery department, nor what success came to members who spent their money in the garden shop. If the only purpose of the store was to sell merchandise at a profit the annual evaluation would be easy, but inasmuch as the company also wants happy customer attitudes and relationships as well as profits it is more difficult to evaluate a year's business operations.

In a comparable manner we find it simple to report on a church's income and expenditures for a year, but in themselves these figures cannot tell us if the youth were instructed, the adults were inspired, the aged consoled and the lost redeemed. It is precisely because the church's primary interest is in these intangibles that it is almost impossible to evaluate a year's work, yet an attempt must be made.

First of all I want to acknowledge with profound gratitude the outstanding service that has been rendered to Christ and this small section of His church which it is ours to love, support and serve, by President Lucille Reuschle. As the first lady ever to be elevated to the Presidency of the congregation she has set a standard that will be a challenge to any man who ever takes the office in the future, and, of course, to any future lady as well. What is the secret of her strength as a presiding officer? I do not know, but I suspect the fact that although she has often had to be firm she has never once shown any anger in her administration of the office. This may explain why I have not heard one word of criticism of her procedures from the lips of any member of the Council, or of the Church for that matter-----an enviable record!

The Council, too, deserves the appreciation of the congregation for a task well done, although honesty forces us to admit that not all members have served equally well, and the attendance record at meetings and Services has not been exemplary in all instances.

There have been Council members whose work has been exceedingly time--consuming, and they have cheerfully given whatever time was required to supervise the financial record keeping, to guide remodeling and renovation projects through to completion, to line up Ushers and parking lot attendants and to do the countless special assignments connected with making preparations for Communion Services. These folk have served quietly and well, and we pray God's blessing upon their endeavors at the same time we urge our people to speak words of commendation to their fellow members.

The work of our Church School, the choirs, the affiliated organizations could not have done as well it has been---indeed it could not have been done at all---if dozens of folk had not given a measure of devotion to their special assignments in the church just as many Council members have done. To all of these people I want publicly in behalf of the congregation and the people whom they have served to say a hearty₁₂ "Thank You".

Miss Lucille Reuschle completed a quarter of a century of teaching in the Adult Bible Class on the last Sunday of 1962, and Mrs. Lillian Howorth completed a twenty-two year term as Treasurer of that same class on the last day of 1962. Certainly such fine records are deserving of our praise and should serve as a challenge to us and to all other who say, "I just haven't got the time". These ladies have only twenty-four hours in their days----the secret is this, they took the time to serve. May their number increase in our midst.

During 1962 we welcomed to our salaried staff Mr. Arnold Henn as the Church Secretary and Mr. Michael Clement as the Chorister. We are all impressed with the quality of the service they are rendering, and hope that their time with us will be long.

I am personally grateful for the harmony and goodwill that exists between all the members of the salaried staff of the Church, and want to testify to the eagerness of all of us on that staff to serve St. Paul's to the best of our ability.

The members of the Parsonage family are indebted to you for your many kindnesses and generous gifts during 1962. As your Pastor I have only one wish, and that is that you would accept my leadership as your spiritual advisor as enthusiastically and as completely as you have accepted us as persons. By this I mean that I wish you would respond to our study groups in the parish, our plans for surveying the neighborhood around the Church and winning new members for her, and the responsibility of intensifying our work with young people as graciously as you accept us as persons. Your kindness to us is heart-warming and most gratifying, but your willingness to join serious study groups and to go out and evangelize for Christ and the Church leaves a great deal to be desired. To be specific, fewer than two dozen members had any contact at all with the study about the Church as a Learning and Witnessing Community, and only one person so far as I know has thus far gone out into the neighborhood around the church to find out where the un-churched people live whom we might try to win for St. Paul's.

THE 100th ANNIVERSARY CELEBRATION

1962 was our centennial year, and was properly observed. Our modest goal of raising \$15,000.00 for repairs around the church was only about 70% met by our giving; however, this did allow us to make many significant improvements in our facilities. The Adult Bible Class Auditorium, the Youth Room and the two lower Department rooms of the Church school have all been beautified. Funds from the Memorial Wreath project, the Bible Class Treasury, and some undesignated money received in inheritances, as well as gifts from affiliated organizations were needed for some of the new furnishings in these rooms. Suffice it to say that these wonderful improvements show us what can be done in our fine building when many individuals and organizations join forces. We need to thank each other, all of us who have joined in these projects in one way or another, for pooling our resources to accomplish so much with so little.

Pastor George Roser's scholarly presentation at the banquet, based on historical example and the facts of the sociological patterns of the modern city, yoked to a firm faith in the guiding given by God to those who earnestly seek to do His will, could well serve as the pattern for the endeavors of St. Paul's Church during the second century of her life.

The presence of the Hoefers, Mrs. Alfred Schnake, and the Schroeders at our Anniversary Services and festivities added greatly to the vividness of our recollection of things that went into the making of our first century.

DRIFTING AND DREAMING WILL NOT DO.

It may be romantic to sing about drifting and dreaming but the Church of Christ cannot afford that luxury. In our Anniversary Memento Mayor Gilette expressed appreciation to us for the fact that "St. Paul's finds its mission is still within the city". In the Baden-Ormond section of Rochester there were at one time seven churches but there are none there now. Mergers of congregations and relocations leave the heart of the city with fewer and fewer Protestant or Jewish places of worship. Soon the Baptist Temple will leave from the heart of Rochester just as have the Zion and Concordia Lutheran Congregations and Temple Berith Kodesh. THE LAKE AVENUE CHURCH NEWS reported in December that over the past eight years that Baptist Church had taken in 605 new members and had lost 889 members, which means on a yearly basis, 76 coming while 111 are going. We have no accurate records to make such comparative statements; however, St. Paul's is certainly not an exception to this rule. In 1962 our Baptisms and funerals were in balance.

The Church has no argument with people who want to go out to the suburbs to live. A Pastor cannot argue persuasively or convincingly with such people to the effect they ought to continue their membership in a church many miles from where they live when there are many fine congregations that could serve their needs in the new neighborhood. Our only alternative is to minister to the people in the heart of the city who move in where you people are moving out. These people are different. More than likely their skins will be black. They will not have the income that you have. They may or may not care as much about the church as you do. THEY ARE PEOPLE, AND THEY CAN BE OUR CHURCH PEOPLE IF WE GO OUT AND WELCOME THEM. No one can say what changes in the type of Service we conduct or in the programs we plan will have to be made to meet the needs of these folk if we do succeed in winning them. Time and the democratic congregational meetings of the future will have to decide these matters. Drifting and dreaming will ultimately leave us with an empty church. Praying, planning, doing will help the newcomers and please God, and, incidentally, may save for church use in the year 1975, a building that was dedicated for all time as a place of worship of God and a center for service to man.

The future is already here. A few months ago a house which you can easily see from the steps of our church was for sale. One day a negro family came to inspect that house as a possible future home. Apparently that sale did not go through but very soon one such prospective sale will be consummated. Will the church be there to welcome such a family, as in Christ's name she should be, or will her attitude drive another negro family into membership in the growing BLACK MUSLIM group?

OUR NEEDS, AND OUR RESOURCES FOR MEETING THEM.

Our 1963 needs are represented in the Budget for 1963 which you have already approved.

Our resources for meeting those needs are the pledges against that Budget which we have received, along with our small endowment income and our small income from rent on real estate which we own. There is an apparent difference between our needs and our resources for meeting them which can mean one of two things:

- (1) a curtailment of our program or,
- (2) a frightful deficit at the end of 1963.

If we go ahead and hire a student assistant, as you did for many years, and as your NEEDS budget calls for in 1963, how will we pay his salary since our pledged support, plus other income, does not equal the anticipated expenditures? If we do not hire him we say in effect that his services were not needed in the first place.

Just as there are two alternatives to the above problem; curtailment or deficit, so there are two alternatives if at this point we decide not to drift and drift and dream. The first is this: we could ask for increased pledges from those who already have pledged, or 2 we could use better record systems for reporting the giving of our people and thus help them to become more regular, and possibly more generous in their giving. Very few churches that have a sound financial structure, which is another way of saying Churches whose needs are matched by resources for meeting those needs, would ever dream of neglecting to send out regular quarterly financial statements to every one of their contributors. They employ record systems that provide a place for entering on every Sunday the exact amount that was received, or was not received, from every member holding offering envelope sets. A carbon copy of that giving is made automatically. At the end of each quarter of the year the carbon copy is mailed to the giver, or non-giver. This record serves as a gentle and effective reminder to every church member of what his giving record has been. If there are many blank spaces he is encouraged to "catch up". This record also serves as an acceptable one to submit to Internal Revenue Service workers who in increasing numbers will be checking individual Income Tax returns. It is my firm conviction that many of our poor givers do not realize how very poor their giving record is. If they could see it in black on a copy of their church's permanent record I believe they would do better, and this would help us make our budget askings figures and our resources come closer together. I most emphatically urge that at this meeting you authorize the Council, indeed instruct the Council to make plans for inaugurating this type of financial reporting system in 1964.

DOES THIS MEAN, "NO, THANK YOU, CHRIST"?

Jesus is no longer physically present on earth. We believe that the Church must be the Body of Christ at work in the world today. The Church can only be and do what her members will be and what they will do. When a Church member says, "No, I cannot serve--(on the Council, in the Choir, as a Church School teacher), but thanks for asking me", is he not really saying, "No, thank you, Christ"?

CHRIST HAS NO HANDS BUT OUR HANDS
TO DO HIS WORK TODAY:
HE HAS NO FEET BUT OUR FEET
TO LEAD MEN IN HIS WAY:
HE HAS NO TONGUE BUT OUR TONGUES
TO TELL MEN HOW HE DIED:
HE HAS NO HELP BUT OUR HELP
TO BRING THEM TO HIS SIDE.

-5- Annie Johnson Flint.

Not all of us have the same gifts. Not all of us have the same responsibilities (a mother of several children at home probably ought not to be expected to sing in the church choir, an elderly man ought not to be expected to do the work of a Church Trustee, etc.) outside of the church. We must know what we can and cannot do, but an awareness of the fact that Christ has prior claims upon us should warn us against saying "no" only to the requests for time and talent that Church makes upon us in His Name. Some of our ablest members in St. Paul's are desperately needed, but are not now serving, in leadership capacities. Our Lord calls to them, as He did to the disciples of old, to become fishers of men.

A STATISTICAL SUMMARY

During 1962 I conducted fifty-two regular and fourteen special Worship Services.

I attended a total of eighty-six meetings in the church, taught forty-five times within the church building, and gave eight book reviews. There were four hundred and forty-two personal pastoral calls made.

I baptized nine persons, confirmed twelve, united five couples in marriage, conducted funeral services for nine persons, received a total of twenty-four into church membership.

I attended thirty denominational and twenty-four interdenominational meetings, lectured or taught at three nationally sponsored denominational events, and one camp, and did some writing for the denomination which is presently appearing in publications put out for devotional use.

Much has been left undone which could be done if we could afford to have more secretarial time and the service of a student assistant. Until such a time comes your pastor must do his best and depend upon your forbearance in not making as many pastoral calls as he should make and would make if time were available.

May what has been done acceptably be ascribed to God's glory, and what has been done imperfectly or not at all committed to His mercy.

Faithfully yours,

Carl Edward Berges, Pastor.

CHURCH COUNCIL

THE PRESIDENT'S REPORT - OUR CENTENNIAL YEAR

What a task! What an obligation to write the President's Report for 1962; our Centennial Year! Where does one begin? Should "thank you's" predominate or should a resumé of the year's work and accomplishments be given?

To me the high point of the year was the week long celebration of our 100th Anniversary. A report of the Anniversary will be given separately.

As a result of the Anniversary Fund the Bible Class Room, under the chairmanship of Trustee Kenneth Britton, was transformed in appearance. A new dropped ceiling with modern efficient lighting was installed. The room was equipped with baseboard, hot water heat with a separate gas boiler and thermostat. The old unsightly pipes were removed or covered and a dry wall behind the pulpit was built. The room was painted under the chairmanship of Deacon Fred Zettlemoyer.

Another improvement accomplished thru the Anniversary Fund was the Youth Room. A permanent wall was built; new windows, including a special stained glass window especially drawn and made for our St. Paul's Church, were installed. Drapes, wall to wall rugs, new furnishings, and new paint helped to complete the miraculous transformation that took place under the guidance and chairmanship of Trustee Erna Thompson.

Another major improvement due to the Anniversary Fund was the installation of new light fixtures and new accoustical ceilings in the lower vestibule, Primary and Beginners rooms. New spot lights were installed in the Sunday School Auditorium. Head Trustee Arthur Wehren, was in charge of this work.

Now I shall attempt to elaborate on some of the business which the Church Council has transacted. It is impossible to list every thing, as I am endeavoring to keep this report a reasonable length. An average Council meeting last three hours.

Plans were made by Chief Elder, John Hickmott for a door to door visitation in a mile radius of the Church. Territories were mapped out and assigned to Council Members. A very fine brochure was printed.

Two letters were written to the Tidewater Oil Company in an attempt to get an increase in the \$135.00 monthly rent at our station on Dewey Avenue. Rev. Berges, Arnold Henn, and I met with one of the officials of the company, but in vain.

The sale of the Dewey church was completed for \$25,000.00 under the chairmanship of former President Bert Bushnell.

Arnold Henn was our delegate to the Synod. He gave an excellent report in a Sunday Morning Church Service.

The oven in the stove at the parsonage was lowered, new electrical circuits were installed, and new lights were put in the basement. The tile roof was removed from the parsonage and the garage. A new Johns-Manville, white, 3 in one roof was applied.

Ruby Kitchens became our Church Secretary on February first. It was a cause for rejoicing, to have her efficient services. On July first, due to her doctor's orders, she submitted her resignation. It was necessary to accept it.

During the months of July and August, Arnold Henn and I acted as volunteer, substitute secretaries. He did the typing and I did the mimeographing.

On September first, he became our official Church Secretary. I extend my sincerest appreciation to both, Ruby and Arnold. Albert Groth, Jr., is the Council Representative to the Sunday School.

Kenneth Britton is the Chairman of Music. The Golden Memory Book was brought up to date by a friend of Ken Britton.

A recognition dinner for the Church School Workers was given at the parsonage.

Michael Clement, a senior at the Eastman School of Music, was hired as our Choir Director.

The Lakeland College Choir gave a concert at our church.

New hymnals were purchased for the Junior Department. New chairs were purchased for the Primary Department.

A new Toro power lawn mower was purchased.

Two new storage rooms were built in the basement.

Rev. Higgins, the pastor of the new United Church of Christ in Perinton, spoke briefly one morning in our church. Bertram Bushnell and Ingvald Rekstad were our representatives to this project. Our church very generously gave the organ which we received from the Dewey Avenue Church to the Perinton Church. They are most appreciative. The organ is used every Sunday in their worship services, instead of just sitting idly in our Sunday School Auditorium.

Miss Lola Wasser, a missionary of the United Church of Christ, who is working in India, preached most impressively on October 21. After the service a tea was provided by the Women's Guild.

Our church PAID IN FULL its Synodical Apportionment and the Seminary Appeal Fund.

A Church and Ministry Committee was appointed consisting of: Mrs. Emma Hoffman, Rudolf Kolb and Bertram Bushnell.

When our Recording Secretary, Margaret Hobin, became ill, Arnold Henn and Erna Thompson pro-temed. When our treasurer, Paul Bopp, became ill, Arnold Henn pro-temed for him. We need willing workers and willing substitutes for a church to succeed.

William Atherton acted as the chairman of the finance committee.

As a congregation, we are most fortunate and blessed in having the Parsonage Family that we have. Rev. Carl Edward Berges not only serves our church devotedly and diligently, but he also serves the kingdom at large in the same manner. I should like to enumerate a few of these services; He lectured at the Elmhurst and Heidelberg Colleges, taught at the Voluntary Training Center in Pennsylvania, and at the Dunkirk Auxiliary, and at Silver Lake, Connecticut.

In my estimation, Rev. Berges, your sermons and Sunday School lessons are superb!

This year "Study Groups" were inaugurated. I honestly believe that much good was accomplished by meeting in various homes and discussing Oliver Powell's book "Household of Power."

Marcia Berges became Mrs. Daniel Hodges; Judy began a teaching career, and Rev. and Mrs. Berges completed 25 years of marriage. The church helped them celebrate their 25th Anniversary by giving them a purse and wishing them Bon Voyage on a cruise to South America. Thank you, Parsonage Family for all your services to St. Paul's Church and Sunday School.

Now, I'd like to list the names of many people to whom I feel indebted. I'd also like to express appreciation to several organizations which were always willing to help and serve. But I think I better refrain from identifying any, as this report is already, too long.

I cannot conclude without thanking the Church Council for electing me as President. I appreciate their wonderful cooperation. A special "thank you" to the retiring council members; Elder, John Hickmott, Trustees, Margaret Hobin and Arthur Wehren, Deacons, Frank Vogel, Jr., Paul Bopp and Wayne Zimmer.

If I had a vocabulary of a million more words, I still could not express, adequately, the thankfulness and appreciation I feel in my heart for each one of you, who helped in any way whatsoever to make this such a successful year.

May the Good Lord, Bless and Keep You.

Sincerely,

Lucille Reuschle, President

The Church Council meets the second Monday of each month at 7:30P.M. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council members are elected at the Annual Meeting and serve a 3 year term. The year after the names indicates the beginning of the term of office.

100TH ANNIVERSARY REPORT

Our 100th Anniversary Celebrations are now history.

The Committee which did the planning and took care of the most minute details met many times. The first meeting was held June 29, 1961. Since our first church was dedicated September 21, 1862, we decided to have the banquet September 21, 1962, at the Brick Presbyterian Church which was the next door neighbor to our first church.

Assignments were given to individual members of the committee. Mrs. William Lohler was selected as the Secretary; Pastor Berges was placed in charge of the worship services and editing the booklet; Mrs. Nelson Alderman and Mrs. G. Hoffman the banquet; Mr. and Mrs. William Atherton the program; Fund Campaign William Lohler and Forest Thompson; Printing Anniversary Booklet and Banquet Program and Tickets, Ernest Prietz; Photography Albert Groth, Jr., and Arnold Henn; Flowers and decorations Kenneth Britton, Robert Newell and Arnold Henn; Publicity Fred Armbruster; and Historical exhibits Earl Commenginger and William Lehle.

Each person performed his task superbly well.

The Celebration began with a special worship service on Sunday, September 16, with Dr. Paul M. Schroeder as the speaker.

The high light of the celebration was the banquet on Friday evening, September 21. The tables looked beautiful, the roast beef dinner was delicious, the anniversary booklets were elegant, the program was most interesting and the people were in a jovial, festive mood.

The main speaker of the evening was Reverend George Roser. Greetings and remarks were made by Mrs. Alfred Schnake, Reverend Berges, Dr. Elmer Hoefer and Dr. Paul Schroeder. The entire evening was a very gala occasion.

The celebration was concluded with a special worship service on Sunday morning September 23, with Dr. Elmer Hoefer as the speaker.

I sincerely believe that our 100th Anniversary will long be remembered.

Lucille Reuschle
General Chairman.

Our first meeting was held in May with Mrs. Henry Graf and Miss Vera Frederick as hostesses. In September we had a picnic and business meeting at the home of the Chairman, Mrs. Frank Bukowski, with Mrs. Richard Howorth and Mrs. Sherman Judd in charge of food arrangements. Mrs. Franz Kilian and Mrs. Richard Pasch were chairmen of our Christmas party at the Maplewood Inn, at which we all had a very pleasant time.

Our Secretary, Mrs. Pasch, reports that all members of the Congregation were called on during the year. We contributed \$25.00 to the Anniversary Fund, also gave towards the Milk Fund for Vacation Bible School and the Christmas gift for Reverend and Mrs. Berges, and placed the palms on the altar on Palm Sunday. Board members assisted the Women's Guild in making and delivering the Easter and Christmas baskets for our sick and shut-ins.

Mrs. Eleanor Richter and Mrs. Robert Rohr deserve special recognition for their faithful service as our Flower Chair Ladies. They also did a splendid job as Nominating Committee for our new Board members to replace the ones whose terms had expired. Mrs. Ruth Stephany was kind enough to replace Janet Bopp during her illness. We would also like to express our gratitude to Mrs. William Atherton for reading a very amusing story at our Christmas party.

Mrs. Richard Pasch	-	Secretary-Treasurer.

WOMEN'S GUILD

If we look about us, great changes are taking place on every hand. So also changes have taken place in our Women's Guild. We have inaugurated a plan of Direct Giving. This means that an envelope is sent to all women of the church to contribute as they see fit, for the Women's Work in the life of our local church, as well as in the Regional and Synodical and also the National Guild. We are also represented in the United Church Women's Programs, thru Church World Service, to help educate and alleviate suffering of less fortunate peoples of the world.

Our Service Department has been working for many many years, sewing and making over used clothing, also new clothing which has been given and is sent to Church World Service. The need will always be there.

The returns from the Envelope Offering was gratifying and we hope that this year will find more women taking part. There are many projects which can be undertaken, which will help right in our local church. This has been stressed by the new committee of Lay Life and Work, which is trying to formulate plans for both E and R and Congregational churches to work effectively and to see what the needs of our individual church is.

At our first meeting in January, Mrs. Carl Berges led us in Devotions. The meaning of Twelfth Night, from a book called "The Other Wise Man" by Henry Van Dyke. Our Pastor gave a Book Review on Dorothy Clarke Wilson's book "The Gifts".

The Guild have served refreshments at the Book Reviews, which our Pastor has given on the last Thursday of every month.

The Guild served Breakfast to members of the Square Club on Sunday morning January 14th at 7:30. Mr. Bert Bushnell was President of this Masonic Order.

The Lakeland Choir came to Rochester on tour on March 4th. They sang in the Morning Worship Service and a Dinner was served by members of Ruth Circle and Circle II.

The Lenten Quiet Hour was observed in our meeting on April 5th. Mrs. Kilian and members of her department were in charge of the devotions.

On April 12th Guild members and friends took refreshments and entertained the Senior Citizens at St. John's Home. The money received that day, was given to the Sunshine Fund.

Two Rummage Sales were held this past year, one in April and one in October. We have discontinued them and will direct our attention to Direct Giving and Projects other than for making money in the future.

In May, Miss Petz and Mrs. Hoffman attended the Synodical Biennial meeting at St. Paul's United Church, Erie, Pa.

At our June meeting, which was our picnic, we were able to see some of Mr. Bruno Lehmann's pictures which were taken on one of their tours. Ruth Circle prepared a fine meal and Circle II were in charge of decorations.

The Guild contributed \$800.00 to the 100th Anniversary Fund and many of our members and friends of St. Paul's were in attendance at both services and also the Banquet for this memorable occasion.

On October 21st, Miss Lela Wassser, a Missionary from India came to our Church and spoke about her work. She surely was an inspiration and truly dedicated to her work in the foreign field.

After the Church Service a Tea was held in honor of Miss Wasser in the newly decorated room downstairs.

The Fall Educational Workshop was held at Trinity United, Rochester, N. Y. October 25 at 9:30 A.M. All departments were in attendance.

November 2nd was Community Day and all departments and Circles contributed Money and Sewing Materials, Tee Shirts and Shorts for young men and boys. This project was carried with United Church Women.

November 18th after a light lunch at the church, found Rev. and Mrs. Berges, Miss Petz, Mrs. Judd and Mrs. Hoffman on our way to Buffalo, to attend the Council for Lay Life and Work, at St. Peter's Church.

On Sunday, November 25th, immediately after the Church Service it was our pleasure to have a Tea, on the occasion of Rev. and Mrs. Carl E. Berges 25th Wedding Anniversary. We were happy to share this day with them and with members and friends.

Our Six Departments, which are Christian Education, Christian Missionary, Spiritual, Christian Social Action, Stewardship and Christian Service have been working as our yearly reports to our Regional and Synodical Boards indicate.

We have four Circles:

First Circle	-	President	Mrs. Harold Hobin
Circle II	-	"	Mrs. Roy Brierley
Ruth Circle	-	"	Mrs. Ben Gross
Fidelis Circle	-	"	Mrs. John Antonow

The Circles have worked with the Guild on all Projects and contributed money to the Guild for Christmas and for Benevolent work. First Circle presented the Guild with a gift of punch bowl, tray and ladle and a pair of sterling silver candelabrum at our meeting in September.

Our aim for the coming year is, to have more of our church women to come to our meetings, which are on the first Thursday of every month.

Our Treasurer's Statement shows:

Balance January 1, 1961	\$1,275.68
Receipts for 1962	1,559.19
	<u>2,834.87</u>
Disbursements 1962	1,719.16

Respectfully submitted,

Mrs. Emma Hoffman
President 1962.

THE BROTHERHOOD

It is unfortunate that so few men can find time to join our fellowship group on the first Monday evening of each month. Brotherhood meetings provide an excellent opportunity for the men of the church to become acquainted with each other, and to share in the experiences of our members and guests.

The activities and programs again covered a wide variety of subjects. At the February meeting films, "EXPLORING THE EARTH BY SATELITE," and "THE DANGERS OF FALLOUT" were viewed. In March, Mr. Robert Stevens of the General Motors Institute discussed "EDUCATION IN INDUSTRY." In tune with the coming of spring and the thoughts of many of our avid fishermen, the films "THE MIGHTY MUSKIE," and "WALLEYE WONDERLAND" were shown.

In May we had our Annual Father and Sons Banquet. We thank the Ladies of First Circle for a delicious dinner. Speaker was Captain Bernard Drexel of the Rochester Fire Department who presented "THE HOUSE OF HAZARDS." June brought Rev R. J. Connor, Administrator of St. John's Home for the Aged, who discussed "THE FUTURE OF THE AGED."

After a three month summer vacation we resumed meetings in October when Frank Bukowski showed slides and discussed his trip throughout the Western United States. We also held a buffet dinner and bowling party at the Turner's Club. Food and bowling were excellent. During November we viewed an educational film on South American Foreign Policy. The Annual Christmas party for men and their wives was held in December. Childrens gifts were donated to the Newark School. Brother Bruno Lehmann presented slides and spoke on his trip to Florida. The Brotherhood also set up the Creche to beautify the church grounds for the Lord's Birthday.

The Brotherhood welcomes all men of the church to join in fellowship.

Respectfully submitted

Robert Tylock
President 1962.

THE SUNDAY SCHOOL

Many new and interesting activities were carried out in St. Paul's Church School during the year 1962. After the Children's Day services in June the Church School began its summer program.

Immediately following the close of public school some forty-two youngsters met at church for a week of vacation church school. During this week our school rooms were full of activities and laughter of boys and girls at work and at play. On Friday evening we held an open house for the parents to come and see what we are able to accomplish in a week of vacation school.

This past summer many of our boys and girls went to Dunkirk Conference Grounds for camp and conference programs. Several families were in attendance at the family camps.

The first Sunday in October saw our Sunday School in full swing with an enrollment of one hundred fifty children from Cradle Roll through Senior High. Nineteen of our youngsters had perfect attendance during the Church School year 1961-1962. Two of these nineteen were from the Beginner's Department. Many familiar faces returned last October and many were absent from the rolls for the first time in many years. To those who have asked for a leave we say thank you for all you have done in the past. To the new members we say a big welcome. We are still without two teachers in the Junior Department. There must be someone who will accept the challenge and help us.

The Senior Department is meeting every Sunday in the newly decorated Youth Room. This is a seminar type group, meeting the needs of the young people in grades ten through twelve. Mrs. Carl Berges is doing an excellent job with these young people.

For the first time in many years the Church School Staff decided to treat Christmas in a different way; with a Christmas workshop instead of the traditional Christmas Program. This workshop was planned to meet the needs of the complete church family from the youngest to the oldest. We were pleased to see over one hundred fifty members busy working during the afternoon on the many projects planned. Over a hundred stayed for a picnic supper and the Advent Service that followed around the Christmas tree. I do believe that this is the first time that our Church tree received such adoration from the children as they laid on the floor watching it silently revolve and listening to the Christmas story. For many years it has been the Church School's position to decorate the church at Christmas time. Having the tree in the Sunday School room made it necessary for a different altar arrangement. At this time I want to thank all of you who helped make our altar look so beautiful with the poinsettias during this Christmas season.

As the year drew to a close the lower Church School rooms were receiving new ceilings. The upper room has new bright red hymnals and a bookcase plus new lighting. Yes, many things were accomplished during this year and as we look in the future we have many hopes also; that of painting the upper classrooms, more Church School teachers and a new curriculum to be started in the fall of 1963.

May I take this opportunity to thank all the teachers who have been so faithful in attendance and who have been so willing to help me as together we undertook so many new activities during this past year.

Respectfully submitted,

Lois M. Groth,
Church School Superintendent.

YOUTH FELLOWSHIP

The Youth Fellowship Officers for this year are: President Betty Haupt, Vice President Ricky Bopp, Secretary Wally Pickworth and Treasurer Diane Bopp. The Youth Fellowship study theme for this year will be, THE CHURCH MINISTERING TO PEOPLE OF SPECIAL NEEDS. The problems faced by the blind, the deaf, the delinquents, the unwed mothers and the mentally retarded---all considered from a Christian point of view, will be the subjects for our next several meetings. There is plenty of room in the Youth Room so no one need stay away. All of our young people appreciate the beauty of the room since it has been done over with new carpet, painted walls, new windows especially the stained glass one, new drapes and attractive pictures. For those who do not like the bucket type chairs there are huge floor cushions.

I hope in the months ahead I will see more young people at our meetings which are held the first and third Sunday nights of each month at 7:00 P.M.

Elizabeth Haupt, President.

THE CHOIRS

The congregation is most fortunate in securing as choir director Mr. Michael Clement, a student at the Eastman School of Music. Ably assisted by our organist, Mr. Harold Steen, he has offered us a challenging program of excellent music. They have been tireless in their efforts to produce the best from the choir.

The "choirs" have enjoyed singing together this past year. Two former Junior Choir members have become regular members of the Senior Choir. This is a real tribute to Mrs. Florence Kelley's unswerving devotion to her church.

We enjoyed a fine fellowship at our Christmas dinner, very capably served by several of our own members.

The Choir Members are to be congratulated on another year of faithful service to their church.

Respectfully submitted,

Kenneth W. Britton, President.

1963 Choir Officers

President - Mrs. John Schwartz
Secretary and
Treasurer - Mrs. Fred Bopp.

YOUTH CHOIR

January of 1962, we had eighteen members in our Youth Choir. At the present time, we have sixteen active members.

The Youth Choir was inaugurated in January of 1959 with thought in mind that when members were ready, they would join the Adult Choir. Diane Bopp and Robert Peath are our first "graduates" and are members of our Senior Choir.

The choir has been participating more and sang during fourteen Church Services this past year. They also caroled to

twelve families, in the neighborhood, of St. Paul's; this was followed by a Christmas Luncheon at the Church taken care of by Mrs. B. Bushnell and "our" Choir Mother, Mrs. Emma Hoffman. This fine group of young people presented a Christmas Program for the Adult Bible Class.

Also during 1962, Choir Members had the opportunity of attending two movies at Kodak Park, and we all went on a May Hike to Seneca Park.

The Youth Choir Season starts the first part of October and continues through Mother's Day or "Church Family Sunday" which is in May. Boys and Girls from nine to fifteen of age are encouraged to join us. This is a fine group, and our rehearsals are from 11:00 a.m. until noon on Saturday. From time to time, the Parents receive "Newsletters" informing them of our activities.

John Groth, our competent accompanist, is still with us and doing a very fine job.

Our Officers at present, are:

Judy Bushnell, President
Roxanne Bopp, Vice-President
Alan Bushnell and Dawn Gebhardt, Librarians.

Respectfully submitted,

Florence Kelley, Director.

THE ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday morning at 9:30 A.M. for devotions and lesson study. The class is taught on alternate Sundays by Miss Lucille Reuschle and Pastor Berges. We have a membership of 52 with an average attendance of 38. We had the pleasure of welcoming 116 visitors during the year. The Annual Friendship Sunday was attended by 79 members and friends.

In addition to our Sunday morning fellowship the class has engaged in the following projects: Breakfast was prepared and served following the Easter Sunrise Service. Flowers were placed in the sanctuary on Mother's Day to honor all mothers, and on Memorial Sunday in memory of those whom God called to their heavenly home. A poinsettia was placed at Christmas time in memory of Mr. Henry Hieb who was class president for many years. Flowers and cards were sent to our sick and shut-in members.

The class contributed to the church current expense fund, the Negro college fund, St. John's Home building fund, and Rochester Association of United Nations. Memorial cards were sent to the families of deceased members. Fifty folding chairs were purchased for use in the Bible Class room. New carpeting was laid on the platform. The worship center furnishings and walls were painted by our members..

Our thanks go, to the Church Council and all who made it possible to have our room so beautifully renovated with new heating, ceiling, and lighting fixtures.

-18-

On February 7th, Pastor Berges was surprised with a breakfast and gift in honor of his birthday.

On December 16th, the class was delightfully entertained by the Youth Choir singing Christmas carols and giving solos. Mrs. Florence Kelley directed with John Groth at the piano.

On December 23rd, the Bible Class and Mr. Fred Zettlemoyer provided bus transportation for 45 members and friends to go caroling. Thirteen homes of shut-ins were visited. A lunch was served at the church after the carolers thawed out.

Miss Lucille Reuschle completed 25 years of teaching the Bible Class on December 30th. The members and some friends surprised Lucille with a breakfast and a gift. We are so grateful to Lucille for her years of service to us. We are looking forward to having her as a teacher and friend for many more years.

A cordial invitation is extended to all members of St. Paul's Church to join us each Sunday at 9:30 A.M.

Our adopted budget for 1963 calls for \$32,428.80. To date the pledges total \$20,200.00. It is gratifying to note that many of our members have raised their pledges in a very generous manner. It is very disturbing to discover that 135 of our members have made no pledge whatsoever. If it is an oversight on the part of the non-pledgers, please send a pledge card to the church office. It is very essential that our budget be met.

ANNUAL PASTORAL REPORT, submitted to
the January 16, 1964 Annual Meeting of the Congregation.

The present pastorate began on the first day of September of the past year 1963, and thus this first report of mine to the congregation must deal largely with impressions and expressions as to my feelings in regard to the ministry of the church.

The church and denomination have become active in very many fields today that there are times when one feels there is neglect of the very things that makes the church church. E.g., The church office this week has carefully filled out Conference and denominational statistics. We were exhorted to be very careful in this work as the statistics, we were told, were as important as the sacraments of the church. Now I would think, too, that statistics can be important, but the sacraments are the sine qua non of the church.

Please do not misunderstand me, the church has a message, a gospel to proclaim for the whole of man's life in society and has a duty so to do. However here the church is not infallible or so church history would lead one to believe. However, let us never cease to apply the Gospel to daily living.

What the church cannot live without is the worship and service of the Christ. Without these functions and this Person there is no Christian Church. We believe the Faith was given at one time in history to the apostles, and this Faith given to them has been handed through countless generations and that we are the heirs and bearers of this apostolic Faith today. Thus, we are always concerned about the Word of God to man -- Jesus Christ -- and the Sacrament which eloquently and dramatically speaks of an eternal love for man. We are concerned with the eternal Man who has lived our life even unto victory through failure and death. Christ is our hope, our life, and our God.

Let us all, physically able, worship our God each Sunday in the sanctuary and partake faithfully of the sacrament. Our next Communion Service will be Ash Wednesday, February 12th at 8:00 P.M. Any aged or sick person will be given private communion if his desire is made known to the pastor.

As pastor of St. Paul's Church I am primarily interested in the pastoral ministry -- the Word and the Sacrament. The worship experience should be as common to the church member as the air we breathe. The faithful worship of God in the sanctuary each week, and daily prayers in the home are surely the goal of each member of the church. Remember, daily devotional guides have been available to all who have requested them since the first of October. Lenten guides will be mailed into each members home shortly after the first of the month.

I am grateful to the Pulpit Committee under the chairmanship of Mr. B. Bushnell, for giving me due consideration as pastor of St. Paul's Church. Meetings and all contacts with the committee turned out to be knowledgeable and pleasant. The correct questions and interesting discussions helped us to arrive at the conclusion that we should work together as pastor and people for the next years in God's vineyard. May these years be profitable and happy ones, and be given to God's glory.

Getting to know you is taking much longer than I anticipated. I do hope that by the time the next annual congregational meeting rolls around I will know all your names and faces. Thanks to the deaconesses the sick and shut-ins are being visited each month. The members of this organization are surely to be complimented and encouraged in their faithfulness. Though I constantly visit the sick and shut-ins, it is good to have this group regular in its visits.

Mrs. Emma Hoffman, president of the Guild, is to be complimented in her work with the women of the church. The various circles of the Guild give all the women of the church the opportunity to become acquainted with the Guild programs through their smaller groups. May they seize this opportunity.

The Brotherhood program should draw larger numbers of men. Items of various interest are discussed. The meetings give the men opportunities to know each other. The United Church will be sponsoring various retreats whereby deeper consideration can be given to the Faith in fellowship with other men. The Brotherhood's new president is Harold Hobin, having succeeded William Lohler this past month.

The Youth Fellowship under the guidance of Fred Bopp and President Wayne Fox have interesting programs for the youth. They meet every other Sunday evening.

Mrs. Florence Kelley was very instrumental in getting the Church School organized last September and in securing needed teachers. She, the teachers, and their officers are to be congratulated in this period of transition to a new pastor.

We come now to the faithful members of the church council -- the deacons, the trustees, and the elders. This is a harmonious group that works well together. They have been elected by you, the members of St. Paul's congregation -- perhaps they represent the basic harmony of the congregation because we believe that we are all subject to the Lord of Love, and responsible for one another. President Lucille Reuschle has almost completed her present term on the Council, but her leadership will be happily remembered by me and by all whom she serves as president.

The leadership of music should not be overlooked by us at this meeting as both Harold Steen and Michael Clement and the choir have been responsible for presenting good church music. Music is a very essential part of the church at worship.

A personal word of gratitude to Mr. Arnold Henn must be expressed. From that first pot of coffee on August 30th (moving day) until this time he has not hesitated in helping me to become familiar with the procedures of St. Paul's Church, the members, the organizations and our new community of Rochester.

This year at Christmas time we received a card that most of us, I suppose, receive every year. It was anonymous & unsigned. When this card arrives I am happy. For it means to me that everyone has remembered us at Christmas.

If your name was not specifically mentioned tonight, please do not think that you are forgotten for you are not. Time evaporates too quickly at a congregational meeting.

I do wish to say thank you to all of you for accepting me in the office which I come to you, and your cordialness in welcoming me into many of your homes. In the name of Jesus you welcomed me. Please uphold your church and her pastor with prayer, as I also shall do this for you.

Faithfully yours,

W. JORRIS BECKMANN, Pastor.

CHURCH COUNCIL

THE PRESIDENT'S REPORT - OUR 101ST YEAR - 1963

Dear Christian Friends:

It is hard for me to realize that another year has passed and that my duties as St. Paul's President are nearly completed.

In my estimation, this has been a very busy year and an important one in the life of our church. I shall enumerate some of the happenings.

On March 31st, a special congregational meeting was held to accept the resignation of Rev. Carl Berges. He preached his last sermon on June 30th, and soon thereafter was on his way to Chicago, Illinois, to assume the duties of his new charge.

Mr. Bert Bushnell was appointed chairman of our pulpit committee. He fulfilled his obligations in a superb manner. Every minute detail was taken care of, in a magnificent manner. His duties were many. Other members of the committee were: Miss Mildred Bahringer, Secretary; Mrs. Fred Zettlemoyer, Mrs. George Hoffman, Earl Gommengenger, Forest Thompson and Fred Bopp.

Dr. Paul M. Schroeder, willingly and devotedly, became our interim pastor, July 1st. He served our church in a Christlike manner during July and August. He went far beyond the call of duty and we sincerely appreciated his devoted service to us.

Reverend W. Jorris Beckmann, preached his guest sermon on Monday evening, July 22nd. A congregational meeting was held immediately thereafter. A unanimous call was given to him. On September 1st, Reverend Beckmann, his wife Nancy, and their four small daughters arrived in Rochester and took up residence at our parsonage.

The installation service took place on Sunday evening, September 22nd, at 7:00 P.M. Those who participated in the service were: Dr. Fred Willkens, Rev. Warren Breisch, Rev. Charles Higgins, Dr. William C. Beckmann, Rev. Paul Solt. Dr. Paul Schroeder, and Dr. Julius Kuck. A reception and tea given by the Women's Guild, followed.

In my estimation our church is very fortunate in having secured the services of Reverend Beckmann. He is a humble, devoted, Christian man; who is trying to serve, to the best of his ability; our Lord and Master, Jesus Christ. He has a strong desire to do what is right for our church. It is my wish and prayer that he and his charming family will be with us for many years.

Our church adopted or assumed the responsibility of caring for two Cuban refugees. Trustee Erna Thompson acted as chairman of our hospitality committee and did an excellent job. They arrived in Rochester the end of May. An apartment was secured for them; food was provided; necessary equipment was obtained;

and money was given. On June 16th, after church, a special offering was received for the girls. The girls were sisters, named Alma and Dulce Garcia. Even though, the girls are Catholic; they worshiped in our church several times.

It was decided that a fence was needed in the back yard of our church to try to eliminate some of the illegal traffic. Flood lights were installed on the back of the church building.

Our electric switch panel was modernized.

An attractive valance to cover pipes was installed in the Primary Room. A deteriorated ceiling in an upper Sunday school room was replaced with a new one.

The Sunday School Auditorium, all the Sunday School Class rooms, the Ladie's Room, and the Men's Room were painted. Alma Judd donated a vanity table which is in the Ladie's Room, our thanks for it.

Choir robes were cleaned, also the two flags in the sanctuary.

The floors in the church were waxed.

The woodwork on the exterior of the church was painted.

The parsonage was completely redecorated. A powder room was made on the first floor. A new side door was purchased and installed. All the floors were washed and shellacked.

Somehow the painting of the kitchen in church was overlooked when we hired the other painting to be done. When it was brought to the attention of the council how terrible the kitchen looked, Trustee Earl Gommengenger volunteered to paint it. William Lehle and John Schwartz assisted him. They did a beautiful job.

Elder Arnold Henn was our delegate to the Synod.

Deacon Al. Groth, Jr., is the council representative to the Sunday School.

Trustee Ken Britton is the Chairman of Music.

Elder William Lohler was appointed chairman of the Finance Committee. His organizational ability is excellent. Other members were: William Atherton, Harold Donish, Arnold Henn, Al Meili, Richard Peath, Robert Tylock and Fred Zettlemoyer. This committee did the auditing of the treasurers' books of all the organizations of the church.

The Genesee Valley Association of The United Church of Christ was organized. The first meeting was held October 20th at the Durand Congregational Church. Pastor Beckmann, Arnold Henn and Albert Meili and I, were assigned to various committees..

-7-

For the past several months and at the present time our church has an advertisement in both Saturday news papers.

On December 22nd, Three Hundred and Fifty New Hymnals were dedicated. These were presented to the church by various members and organizations.

The Youth Choir has helped to beautify our church worship services on 12 different occasions during the year 1963. Florence Kelley is the very able director of this group. It is my wish, Florence, that you will be associated with these young singers for many more years.

Arnold Henn and I are the representatives to St. John's Home for the Aging.

Albert Groth, Jr; was appointed chairman of the nominating committee. Within just a few days of work, he had a full slate of candidates for office. Our church members were anxious and willing to serve on our council, this time. Other members of this committee were: Bert Bushnell, Frank Bukowski, Louise Lohler and Mario Paolotto.

For the past 3 years I have been a trustee on our council. During the past 2 years I have had the honor and privilege of serving as the president. I'd like the members of the congregation to know what a devoted group of people serve on the council. With a few exceptions, the loyalty of each member is exemplified at every meeting. The cooperation, I believe, is unsurpassed any place. The members have different opinions of course, but there is always a spirit of unity and the supreme desire to do what is best for our church. Five members of the council, besides me, are retiring this year. They are Elder Ernest Prietz, Trustee Earl Gommenganger and Deacons Fred Zettlemoyer, Charles Bird and Walter Schlemann. A sincere, "Thank You," to each one for services rendered.

It is gratifying to know that the synodical dues have all been paid 100%.

In order to show my appreciation to The Lord, St. Paul's Church, the congregation, and the council for permitting me to serve in this high office, I decided to give a gift to the church. I looked through several religious catalogues in order to get an idea on what gift to give. It was difficult to decide. I recalled that the day I called for Reverend Beckmann at the Treadway (when he was being considered as our pastor), and he put his robe on the back seat of my car, he remarked that he needed a new one -- so I decided. At this time my nephew, Ricky Horch, will bring forward the gift. Reverend Beckmann, "Will you please come forward?" This gift is also given as a memorial to honor my parents, Frederick and Augusta (Gussie) Reuschle; without whose help, training, and encouragement, I could not or would not be as I am today.

I am happy to present to our church, and to Reverend Beckmann as our pastor, this new robe. I hope that you will wear it many years as our pastor. A sincere "Thank You," to everyone.

May the Good Lord, Bless and Keep you.

Sincerely,

LUCILLE REUSCHLE, President.

The Church Council meets the second Monday of each month at 8:00 P.M. Any members wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council members are elected at the Annual Meeting and serve a 3 year term. The year after the names indicates the beginning of the term of office.

BOARD OF DEACONESSSES REPORT

The Board of Deaconesses held five luncheon meetings during 1963. In addition to these meetings we had a picnic at Seneca Park in June. Mrs. Albert Groth, Jr., and Mrs. Sylvester Bereza were in charge of the food, and Miss Celia Petz the entertainment.

A Christmas luncheon was held at the Maplewood Inn. Mrs. Lloyd McNaught and Mrs. Guy Wilson arranged for the menu and decorations. Our guests were Pastor and Mrs. Beckmann, Mrs. Frank Bukowski, Mrs. George Hoffman, and Mrs. William Atherton, who entertained us with a delightful Christmas story.

The members of the Board of Deaconesses decided that during 1963 only the ill and shut-in members of the Church would be visited. The list of ill and shut-ins varied from time to time. During the year this list averaged between twenty-five and thirty members. From April 1963 through December 1963, two deaconesses a month paid as many calls as possible on these members. In addition to these visits, members of the Church who were reported temporarily ill were remembered with cards. Miss Celia Petz kindly consented to be responsible for mailing our well wishes to these individuals.

At the February meeting Pastor Berges addressed the Board. He discussed in detail deaconess work and its responsibilities.

In September Mrs. Ronald Reamer of the Grey Ladies, and our own Mr. Bruno Lehmann of the Grey Men, spoke to us regarding their work at the Rochester State Hospital. These organizations are making a wonderful contribution to the patients in that Hospital.

Pastor Beckmann was our speaker at the October meeting. He stressed the meaning of the work of the deaconesses.

Contributions by the Board of Deaconesses were made to the Daily Vacation Bible School, Pastor and Mrs. Beckmann's Christmas gift, and palms were placed on the altar on Palm Sunday. In addition to these contributions each ill and shut-in member of the Church was remembered with a gift.

At each meeting various members of the Board served as hostesses, and also donated the food. Mrs. Albert Groth, Jr., acted as General Chairlady of the Food Committee. Inasmuch as there was no expense connected with these luncheons the money collected at each meeting helped to build up the treasury. At the beginning of the year the treasury was rather inadequate. We are very grateful to the Women's Guild for so graciously coming to our rescue by presenting us with a sum of money which helped immeasurably in carrying out some of the projects the Board had in mind.

The members again distributed flowers to members of the Church who were incapacitated during the year. Each Sunday a Deaconess is on duty in the Sunday School room after the service

to receive any messages which members of the congregation may wish to leave for Pastor Beckmann.

During 1963 three auxiliary deaconesses were added, and at this time we wish to express our most sincere thanks to Mrs. Henry Honeck, Mrs. Bruno Lehmann, and Miss Celia Petz for the assistance they rendered to the regular members of the Board. On behalf of the Board of Deaconesses we wish to express our thanks and gratitude to Mrs. Richter and Mrs. Rohr for the outstanding contribution they made as Flower Chairladies for the past several years. Their faithful devotion to this responsibility is greatly appreciated. The Flower Chairlady, beginning January 1964, will be Mrs. Stephen Fuss. The Board of Deaconesses is most happy to welcome Mrs. Fuss as the Flower Chairlady, and needless to say she will receive our utmost cooperation.

Because of other responsibilities Mrs. Arthur Koch found it necessary to resign from the Board. We regretted this necessity on the part of Mrs. Koch. Mrs. Edward Weismiller kindly offered to take over Mrs. Koch's duties for the balance of the year. We are most grateful to Mrs. Weismiller for offering her help.

A sincere expression of appreciation and thanks is extended to the retiring members of the Board. The following have completed three years of service:

Mrs. Frank Bauml	Mrs. Eleanor Richter
Miss Vera Frederick	Mrs. Robert Rohr
Mrs. Richard Howorth	Mrs. Guy Wilson
Mrs. Lloyd Mc Naught	

The Nominating Committee, consisting of Mrs. Albert Groth, Jr., as Chairlady, Mrs. Sylvester Bereza, Mrs. Roy Brierley, and Mrs. Harry Stuver, appointed the following to the Board for the coming three years. We are very happy to welcome these new members:

Mrs. Fred Breitung	1964	Mrs. Ben J. Gross	1964
Mrs. Bertrand Bushnell	1964	Mrs. George Haupt	1964
Mrs. Charles Foster	1964	Mrs. Henry Honeck	1964
Mrs. Charles Fox	1964	Mrs. Albert Meili	1964

The auxiliary deaconesses are Mrs. Bruno Lehmann and Miss Celia Petz. In addition to the above the other members are:

Mrs. Sylvester Bereza	1963	Mrs. Paul Bopp	1962
Mrs. Albert Groth, Jr.	1963	Mrs. Roy Brierley	1962
Mrs. Harold Hobin	1963	Mrs. Sherman Judd	1962
Mrs. Harry Stuver	1963	Mrs. Franz Kilian	1962
Mrs. Wayne Zimmer	1963	Mrs. Richard Pasch	1962

The Board of Deaconesses sincerely hopes that this organization may be of real service to St. Paul's Church and its members, and as a result of such service it may become a more vital part of the Church.

Officers for 1963: Mrs. Richard Pasch, Secretary
Mrs. Sylvester Bereza, Treasurer
Mrs. Sherman Judd, Chairman

Respectfully submitted,

Alma H. Judd, Chairman.

WOMEN'S GUILD

Looking back in the past year, the Women's Guild through its various departments, have participated in many projects in our local church as well as joint workshops with our Congregational Women, also with United Church Women.

In January we sent wool blankets to Church World Service and cartons of new and used clothing were sent at various times of the year, which were made by our Sewing Group. Later in the year we sewed Baby's Layettes, which were sent thru United Church Women for World Community Day.

At one of our meetings it was voted to have a cabinet built, where we could store our silver services and linens. The cabinet was made by George Smith and it is really very beautiful.

An invitation was extended to us from the Sisterhood of Bret'h Kodesh, for a Luncheon on February 20th. Thirteen of our Ladies attended.

World Day of Prayer which was sponsored by United Church Women, at various Churches. Our Guild President participated on March 1st at the Church of the Ascension.

We have contributed to McAll Mission for many many years. This Mission is in Paris, France and they are doing a fine work, as Mrs. Pasch and myself attended their yearly meeting and report luncheon which was held at Calvary Eng. United Brethren Church.

Circle II prepared the lunch and reception for the Linda Heck wedding on March 15th. The reception was held in the newly decorated rooms downstairs.

On April 22nd we were host to The Genesee Valley Women's Fellowship. This being our first gathering since the merger. There were about 200 women, who attended the workshops. Circle I prepared the desert and coffee for the lunch period.

In May the New York State Uniting Conference was held at Salem's Church. Two of our women were delegates to the conference. Seminars were held on various days during the Conference. Our Church served the luncheon for Stewardship and Missions. There were 92 Ham Dinners served by Ruth Circle and Circle II.

The Guild Picnic was held in June at the church. Fidelis Circle prepared the picnic lunch. The Dramatization: "THE FOOT CANNOT SAY TO THE EAR," was given by women of the Guild. This was directed by Rev. Carl Berges.

The Missionary Institute took place at Salem's Church on June 10th. Several of our women attended.

We were asked to attend a meeting with the Congregational Women at Salem's Church to make plans for the Fall Workshop of the United Churches.

Seven of the women of our various departments attended the workshop on October 2nd, at The Lakeville Congregational Church, Lakeville, New York. It was an inspiring meeting with Mrs. Lee Gable as the speaker. She spoke about "Pakistan, India and Ceylon."

We had the privilege of having Mr. Elbert Siegfried to demonstrate The Projected Books, which is a free service to Bedridden. This is sponsored by Rochester Consistory. These machines are being used in many of our hospitals.

Our Annual Thank Offering Service was combined with our Thanksgiving Worship Service on November 17th. Mrs. Bruno Lehmann who is our Stewardship Chairman took part in the service. Mrs. Emma Hoffman offered prayer.

Our Christmas Party was well attended. The Ham Dinner served by Circle I was enjoyed by all. The Film and Devotions were in charge of Fidelis Circle. Circle II and Ruth Circle were in charge of tables and decorations. The White Gift Offering which was given that evening was sent to St. Paul's Orphans Home, Greenville, Pa., and Winnebago Indian School, Neillsville, Wis.

Gifts of \$100.00 were given to The Guild by Circle I, Circle II and Ruth Circle. \$75.00 was given by Fidelis Circle. \$10.00 was also given by Circle II for the Lepers.

Mrs. Kilian who is the Spiritual Life Chairman and her committee prepared the Christmas Cheer Baskets. Forty were delivered by her helpers and our thanks also go to Pastor Beckmann and Mr. Bruno Lehmann who delivered many of the baskets to hospitals and Monroe County Infirmary.

We have welcomed new members in our Guild in the past year, but my hope is that many more will come out and join in the Fellowship of Christian Women to carry on our work not only to our Church but to The Kingdom of God.

We have lost four of our faithful members within the past year. Memorial Services were held for them at the funeral homes and in our Guild Meetings.

We are just in an experimental stage with four representatives from The United Church and four from The Congregational Women's Fellowship taking part in this interim period.

The work of The Women's Guild is a real CHALLENGE to all Christian Women.

Respectfully Submitted,

President Emma Hoffman - 1963.

THE BROTHERHOOD

The Brotherhood program for the past year was made up of an interesting variety of events. We started the year in February with a review of the negro problem 100 years after the emancipation proclamation, by Rev. Berges, which was followed with a general discussion. In March, several members gave short and interesting talks about their occupations. We didn't forget the wives for in April they joined us on a tour of T.V. Station, Channel 8, and in May for a dinner at The Party House, where food, fellowship and entertainment were enjoyed by everyone.

On a Saturday afternoon in June a group of men and sons worked to beautify the church grounds and have a hot dog roast. The ever popular vacation pictures were shown by several members in October and in November Rev. Beckmann told about his experiences at a Catholic Retreat. December was ladies night and Dr. Pieronek took us behind the iron curtain into East Germany, Russia and Poland by means of an illustrated slide talk. We ended the year in January by seeing an exciting new sound motion picture about "Automation," followed by a lively discussion.

The Brotherhood Executive Committee are at work right now to put together a program for 1964. This new program will be better than ever and all men are cordially invited to participate. Watch the newsletter and program announcements for coming events.

Respectfully submitted,

William E. Lohler, President 1963.

CHURCH SCHOOL

Tiny Tot Nursery

To those who are unfamiliar with our program, the Tiny Tot Nursery offers an informal, supervised play area for children whose parents are in Church. The number of children attending the Nursery has increased substantially in the past year. We are grateful to the many women who have volunteered their services. Additional volunteers are always needed and welcome.

Mrs. C. Bird, Dept. Head.

Beginners Department

The Beginners Department has had a happy, playful and growing year. We hope that the Parents of children between the ages of three and five will start bringing their children during the Sunday School hour (9:30 a.m. to 10:30 a.m.). Our teachers are Ula Khol, Helen Duerr, Mary Vogel; our helpers are Margaret George and Wilma Bird.

Mrs. W. Schoeneman, Dept. Head.

Primary Department

We have strived for a better knowledge of the Bible. The children were asked to know the Disciples' names and why they were chosen, their distinctive traits and during Advent, the Story of Christ. We are using new curriculum - a great deal of time and research must be devoted to present this material effectively. Again, we appeal to the Parents to read with the Children the books that are sent home. We earned our pennies from "jobs" at home, or saved them out of our allowance; our pennies were given to the Church for new hymnals. Teachers in this department are Gail Kemp, Marge Tharp, Kathy McNaught and our very able helper, Denise Bukowski; our most competent pianist is Edna Schwartz.

Mrs. K. LeTouzel, Dept. Head.

The "Upstairs" Group

This group consists of boys and girls from the age of ten through our Teenage Group. We have a very fine group of Teachers consisting of Miss Gloria Wagner, Mrs. S. Bereza, Mrs. F. Bukowski, Mr. J. Falk, Mrs. L. Alderson, and Mr. F. Bopp; of course, we cannot overlook our faithful young man at the piano - John Groth. Our attendance during the year of 1963 went down a bit (119 - compared to 131 during the year 1962); we are striving to make 1964 "our" year - recently, there have been fewer empty chairs.

Miss Lois Groth was not able to continue as Superintendent of the Church School; this office was vacant until September. She did accept the task of supervising the Christmas Work Shop which was handled very efficiently. This is a project that has taken the place of our regular Christmas Program - a time where "families" meet on a Sunday afternoon in December to work together in making gifts. Not only do we work together - but enjoy the fellowship of preparing for the Christmas Season.

We cannot fail to mention our Attendance Secretary - Mrs. Jean Anderson, also her capable helper, Margaret Heck. "Our" Jean has been with us since she was a very young lady - (helping Mrs. Nowack). She not only takes care of attendance records but orders our Sunday School material - a very capable person.

Mentioning "capability" - where would we be without Mr. Meili, our treasurer, and here is his report;

Year 1963

Balance January 1, 1963	\$362.01
Receipts during 1963	893.94
(Includes \$200.00 from Hilfiker bequest transferred to Sunday School by Church Council towards purchase of new United Church lesson materials).	
Expenses during 1963	765.12
Balance January 1, 1964	490.83

Summary of Expenses

Sunday School lesson books, papers, etc., including supplies for Vacation Church School	520.12
Pledge to St. Paul's Church	175.00
Board of International Missions	40.00
Art Pieces for Youth Room	25.00
Y.M.C.A. pledge	5.00
	\$765.12

Our "unseen" worker, Mrs. Harrigan (Dorothy Lietzau) comes into Church very quietly every Sunday morning, picks up our envelopes and records them - many thanks to her.

If I as "acting" Superintendent have overlooked anyone working in our Church School - believe me, it was an oversight. Also at this time, I would like to thank all for their cooperation since September.

Mrs. Florence Kelley,
Superintendent "acting"

YOUTH FELLOWSHIP

Throughout the year of 1963, the Youth Fellowship has actively participated in the theme of helping the unfortunate. Talks were given on the blind, deaf, and mentally ill. The Youth Fellowship had a tobogganning party during the winter season and picnic in the spring. The Youth Fellowship room was furnished and contains an inspirational stained glass window which contains the verse, "SO FAITH, HOPE, LOVE ABIDE, THESE THREE, BUT THE GREATEST OF THESE IS LOVE." I Corinthians 13:13

Elizabeth Haupt, President.

THE CHOIRS

The choir and congregation are most fortunate in having as choir director, Mr. Michael Clement, a graduate of The Eastman School of Music. Ably assisted by our devoted organist, Mr. Harold Steen, he has offered us a challenging program of excellent music. They have been tireless in their efforts to produce the best from the choir.

Our only wish is that more people could find the time to be with us and enjoy singing the old familiar music as well as the new music we so desire to learn and sing.

We had a fun-filled splash party and steak roast at the home of Mrs. Fred Bopp, in June, which was enjoyed not only by the members but by their husbands, wives and sweethearts. In December we enjoyed a fine fellowship at our Christmas dinner, very capably prepared by several of our own members.

The Choir Members are to be congratulated on another year of faithful service to the Glory of God and their church.

1964 Choir Officers	Respectfully submitted,
President Mrs. John Schwartz	
Secretary and Treasurer Mrs. Fred Bopp.	Edna Schwartz, President.

YOUTH CHOIR

The Youth Choir, consisting of fourteen members, is a group of young folks that enjoy singing. I believe, they have proven this with their participation in the Church Services.

We sang at twelve services during 1963, presented a Christmas Program for the Adult Bible Class and caroled to Members of St. Paul's at eleven homes in the vicinity of the Church.

In order to be a member of this fine group, one must be nine years of age, enjoy singing, and spend one hour a week (11:00 a.m. to noon) on Saturday from October to May. Our season ends with the Mother's Day Service (or Family Sunday). We like to keep our members until they are fourteen years of age, but some of our young folks retire "early".

From time to time, "Newsletters" are sent to the Parents to keep them informed of our activities.

Thanks to the Church Council, we were able to have our Annual May Hike to Seneca Park, and a "Christmas Treat" was given by our good friends of the Adult Bible Class.

Of course, our rehearsals would not be complete without my friend, John Groth - a very faithful young man and an excellent accompanist. Mr. Steen also attends some of our rehearsals and without his help, we would not be able to do our part in the Church Services. We cannot overlook our "Choir Mother" Mrs. Emma Hoffman, who makes sure the members have their gray ties on when appearing in public.

Three Hymnals were donated to the Church by your Youth Choir.

Our Officers for the 1963-64 Season are:

President	Dawn Gebhardt
Vice President	Judy Bushnell
Librarians	Roxanne Bopp and Sandra Tylock.

I wish to thank the parents for seeing that their boy or girl is brought to church for rehearsals and the mothers for care of the gowns.

Florence Kelley, Director

THE ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday morning at 9:30 A.M. for devotions and study of the Bible. The class is taught on alternate Sundays by Miss Lucille Reuschle and Pastor Beckmann. Miss Reuschle has just completed 26 years of devoted service.

We have a membership of 54 with an average attendance of 35. Dorothy Bushnell had perfect attendance during the past year. On Friendship Sunday our attendance was 71. There were 143 visitors this year. We would welcome any new members who would like to join our group.

The Bible Class is an active group. In March we had a special breakfast honoring the 40th Wedding Anniversary of Mr. and Mrs. Fred Zettlemoyer. Mrs. Zettlemoyer, who has been active in the Bible Class for 14 years, has been our conscientious and hardworking president for 10 years. To her we extend our heartfelt thanks.

The group prepared and served the annual breakfast following the Easter Sunrise Service.

One of the highlights of the year was the illustrated talk given by Mr. Glenn Rockcastle, a retired Monroe High teacher, who spent six months in the Philippines helping the natives construct the Bethany home.

On December 15, we were entertained with Christmas carols by the Youth Choir. Mrs. Florence Kelley directed the choir with John Groth at the piano.

On December 22, the Bible Class and Mr. Fred Zettlemoyer provided bus transportation for 40 members and friends to go caroling. Seven homes of shut-ins were visited. Refreshments were served by John Schwartz at the church when the group returned, tired but happy.

The class made financial contributions to the church current expense fund, the Daily Vacation Bible School, and the United Negro College Fund. Refreshments were provided for the Youth Choir following its neighborhood caroling.

Our Memorial Fund: It has been the practice of St. Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provided us with a small but steady income in addition to the yearly offerings of our members. Moneys in the Memorial Fund (Memorial Wreath Card contributions) is used for the purchase of necessary items which are suitable as Memorials for loved ones in whose memory these gifts were given.

Many of the above officers of the church organizations have served in their present positions for many years. We of St. Paul Church are most grateful to them for their faithful service. Without these leaders in years gone by where would the Church and her organizations be today?

In the Old Testament one can read of sabbaticals. Now a sabbatical basically meant that a change every now and then was good for everyone. The Church realized this need for change in leadership when the Constitution proposed that a member could serve on the Council for only one term of three years. More recently the president of the Women's Guild (Fellowship) felt the need for new leadership of the Guild as she felt she had served enough years as president. Thus, new leaders have now come forward, but with the promise in a new Constitution that a term would be limited to a year or two.

There is no desire to keep one person from serving year in and year out, but a desire to have more members of the Church active in places of leadership. Many of our members are very capable of providing good leadership in many organizations of the church - - look over the list above (and proceeding page) and on the following pages.

When the time comes in the near future when the nominating committees of the various organizations are looking for new leadership, remember to give your talents to the Church and to the Lord of the Church - - Jesus Christ.

The thanks of the Church is extended to all who have served her in faithfulness, and a challenge is extended to those who would consider a position of leadership in the year and in the years to come. Don't hesitate to commit your service to the Church and her Lord.

Our sincere thanks go to Louise Lohler for proof reading this Year Book.

ANNUAL PASTORAL REPORT, submitted to the January 21, 1964 Annual Meeting of the Congregation.

This is the second annual meeting that it has been my privilege to be with you as the pastor of St. Paul Church. This past year has been one in which we have grown to know each other better and in which the warmth of our friendship has increased. For me it has been a helpful year as I better understand how the organizations of the Church function and what their various purposes are.

Your many kindnesses have been expressed in many thoughtful ways. These have been very personally expressed to the parsonage family, to your giving of many things to the local church, and to your giving through benevolences to the service of the church in this country and around the world.

The benevolent giving of the church for 1964 was over \$7,000.00 and undoubtedly this will be matched and surpassed for 1965. The United Church of Christ has over five hundred missionaries active in the field of international missions today in Central America, South America, Africa, throughout Asia -- and thus indeed around the whole world. While most of us know little what is happening in these missions around the world, would it not be worthwhile for the various organizations in one way or another make a study of at least one of these fields? We are investing about 1/4 of our church giving in this field of missions -- that the Gospel may be made known to all men inspite of their nationality or racial differences.

Let no one say that this type of investment is money wasted, for we have a vested interest in all men, for Christ taught us to go to all nations baptizing and teaching in His Name. If one says he would like to know about these fields he need only be reminded that plenty of information is available through Our Church World Missions with headquarters in New York City.

Suffice it to say that we are feeding the hungry not only with the food that comes from the good earth, but also with the true Bread which comes from heaven.

I was quite pleased at the last Council Meeting when one of the members suggested that a discretionary fund be set up for my use whereby the needy of the congregation or of the community can be ministered to in regard to their material needs. Thus our area of concern continues to grow in a very personal way. In regard to this fund, please let me know of any area of concern where there is need of material goods so this fund may be properly used.

Your great help to the parsonage family during my wife's sickness last winter and spring will never be forgotten, and will be thankfully remembered. For several weeks many of the women of the church spent the better part of the day with us while essential rest was obtained. Hopefully all is well now, and we trust this will continue.

The need for greater contributions is always with us, as the expenses of society and the church never seem to go down, but always up. Because many completed their pledges for 1964, and many gave more than their pledges the Current Expense fund is no longer operating in the red. For many months during 1964 our faithful treasurer was forced to report red figures for the balance of each month. However this is no longer the case, and we hope that continued and faithful giving will spare the red ink.

Thanks to the trustees the property of the church and parsonage is in good shape. Work is being continually done so that no great state of disrepair will suddenly be forced upon the congregation. At least, we have hopes that the boiler will not suddenly break down, or that the roof will not suddenly come tumbling down upon us.

Our thanks also to the deacons who have faithfully carried out their work during the worship services. During the past year the elders have gone over the membership list as have the members of the finance committee. The purpose of this is to encourage those, who have not been faithful in their church membership, to faithfulness. Much has been done, and more will be done in this field in 1965. The need can be pointed out by the fact that only 335 communed in the church or through private communions during 1964 and through the Epiphany Communion of this month. Our thanks to the elders and the finance committee.

The Deaconess work continues to function throughout the year. These women have done many good works to the shut-ins and to the sick. They are to be congratulated and encouraged in their work.

The Women's Guild (new name Women's Fellowship) is in the process of re-thinking its purpose in its organization. Every woman I have talked with wants the Guild to continue, and I am sure it will and will become a healthier organization than ever before.

The Brotherhood (new name Men's Fellowship) has had great trouble in obtaining men to come out for regular meetings. The best meetings have been joint ones with the women of the church. Perhaps this is the best solution..

The Youth Fellowship meets every other Sunday evening in the Youth Room. The quality of this group is energetic with good ideas. Unfortunately there are too many teenagers who could come out but absent themselves. I would urge the parents to encourage those in this age grouping to attend. On February 7th a rally of church youth will be held at Salem Church in the afternoon. Our Youth Fellowship will be attending this rally, and others are urged to join with them.

The Church School secured enough teachers this Fall through the doubling up of at least one of the classes. It continues to meet faithfully through the direction of the superintendent and her assistants and the teachers. It is not too early to challenge members of the church to think in terms of teaching beginning with September 1965. The theme beginning in September deals with the life of our Lord as presented in the gospels.

Church attendance is a matter that needs to be constantly stressed. The whole purpose of the church is centered in the worship service and is a command of old, "Thou shalt worship the Lord thy God." The necessary absence of the shut-ins and sick is understandable, but for the rest of us worship should be as normal as breathing. May the record of 1965 show a definite improvement over 1964 in each member's worship habits.

Our church choir together with the junior choir and the directors and the organist have continued to present good church music for our worship services. However in both groups there always is need for more members. Some new members have been added to both groups during the past year, but the size remains about the same as others have dropped out. Anyone who feels this challenge will be most welcome either in the church choir or in the junior choir. Rehearsals are Wednesday evening and Saturday mornings, respectively.

Finally, I wish to stress this. You all are members of the church who at one time have publicly declared your allegiance and faith in Jesus Christ. We are all here to glorify His Name, and not for our entertainment or enjoyment. We are His, and let us work together not in judgment one of the other, but in a spirit of love and encouragement that we may all be drawn closer to one another as members of one family and to our Lord, Jesus Christ.

Faithfully yours,

W. JORRIS BECKMANN, Pastor.

THE PRESIDENT'S REPORT - OUR 102nd YEAR - 1964

Members and Christian Friends:

In looking back at the events of the past year, I am pleased to report that in general your Church has had smooth sailing. This is due, to a large extent, to the dedicated members of the Council and the Board of Deaconesses that you have elected. Also to the Staff: Pastor, Secretary, Choir Director, Organist and Sexton, as well as all of the volunteers in the Church School, the Choirs and all of the organizations. The fine co-operation of these people makes the President's task an easy one.

The Council has carried out the business and spiritual affairs of the Church in a very able manner and I wish to express to them the appreciation of the Congregation as well as mine, for a job well done. I especially wish to thank the following members who have completed their terms of office: Elder Arnold Henn, Trustees Kenneth Britton and Erna (Thompson) Feldman, Deacons Albert Groth, Rollo Hoffmeier, Richard Peath, Robert Thrash and Harold Donish.

During the year, the Council reluctantly accepted the resignation of three Council Members. In February, Deacon Bertrand Bushnell, in March, Deacon William Atherton and in November, Trustee Erna (Thompson) Feldman. The Council made the following appointments to complete the year: Mr. Harold Donish for Mr. Bushnell; Mr. Robert Thrash for Mr. Atherton and Mr. Arnold Henn to take over the Financial Secretary's position vacated by Mr. Atherton. Since Mrs. Feldman's resignation occurred near the end of the year, she was not replaced, but Mrs. Marjorie Tharp consented to assume the duties of the Recording Secretary for the balance of the year.

The friendly and co-operative atmosphere created by the Pastor and his family have won our hearts and I am most grateful for their many kindnesses. Pastor and Mrs. Beckmann work hard for our Church and I am sure that I speak for the entire Congregation in expressing our highest appreciation for their services and in extending to them our best wishes for the years ahead. Really, the best way I know to show our appreciation, and one that I am certain would please the Pastor the most, is our faithful attendance at the Church Services.

I wish to thank the Board of Deaconesses for the fine work they have done during the past year under the leadership of Mrs. Sherman Judd and the Pastor. The Senior and Youth Choirs have done a great deal to beautify our services and my appreciation goes to them and to Organist Harold Steen and Directors Michael

Clement and Florence Kelley. I commend the Officers and Teachers of the Church School for the excellent work they are doing. I would like to make a plea to those members of the Congregation who have talents for teaching and singing to volunteer their services to the Church School and the Choirs. I have a theory that the benefits that members get out of an organization has a direct relationship as to how much they contribute to it. This is certainly true of Churches, and whenever possible, the members should very seriously consider the giving of their time and talents, as well as their financial support.

In addition to being the Chief Trustee, Kenneth Britton has also served as the Council representative to the Choir. During the year, the Trustees have made sure that our property has had good maintenance and care. Included in their projects was the Organ which required a major repair and replacement of worn parts at a cost of \$380.00. The replacement of twelve cracked windows in the building, a new shed roof and repairs to the main steam line that was leaking. Also being considered is the dismantling and removal of the old and unuseable coal burning boiler.

The following Committees have been active this year:

FINANCE COMMITTEE: Fred Bopp, Chairman; Fred Breitung, Nelson Alderman, Richard Peath, Arnold Henn, Frank Bukowski, John Hickmott, Albert Meili and Robert Tylock.

Some of us have been concerned with the method of investing the Perpetual Membership Fund which we have received as memorials to provide an annual income from our departed members and friends. The investments in Savings Banks and Government Bonds, while safe, have not permitted any growth of the principal. As everyone well knows, the dollar is continually being devalued and as a consequence, the hard earned dollars given for memorials in the 1930's have only about one-third of their original value. We were not keeping faith with our ancestors by not being good stewards of this Memorial Fund. The Finance Committee took over this project and after consulting with a member of the brokerage firm of George D. B. Bonbright and Co., they recommended to the Council that 35% of this fund be placed into a Mutual Investment Fund. (The 35% is the maximum permitted by New York State laws). The Council approved this recommendation and instructed the financial officers to purchase 1,126 share of Washington Mutual Fund at a cost of \$13,286.00. This amount also includes 35% of the idle monies in the Special Contingency Fund of which the major portion was from the sale of the Dewey Avenue Church Building. The Finance Committee also conducted the financial drive for pledges and audited all of the Church Books.

SOCIAL ACTION COMMITTEE: Ingvald Rekstad, Chairman: Alfred Goetz and Harold Hobin.

Because of increasing pressures for Church Action on social problems, this committee together with the Pastor and the President, review the literature received from Denominational Headquarters, The Federation of Churches and other sources for the purpose of making recommendations to the Council.

NOMINATING COMMITTEE: Albert Groth, Chairman: John Schwartz, Emma Hoffman, Albert Meili and Robert Newell.

As we end the year, our financial position is good. Our Synodical dues of about \$5,600.00 have been paid in full. Even with the additional benevolent giving as shown by the Benevolent Treasurer's Report, we still have a good balance. Also, our Current Expense balance has been improved from a beginning deficit of \$579.00 to an ending balance of \$2,197.00. However, a word of caution is in order, as the pledges for 1965 are considerably under the Budget that was approved last October. Unless we receive generous responses to the special Easter and Christmas appeals, it may be necessary to curtail some of the expenditures that were budgeted.

Harold Steen celebrated his 25th Anniversary in September as organist of our Church. Those attending the service on September 20th shared in honoring Harold and enjoyed the Tea which was served by The Women's Guild.

A new committee composed of members of the Board of Deaconesses was formed to assist the Pastor and the Elders with the preparation of the Altar and other duties for the celebration of Holy Communion. They are: Mesdames Charles Foster, Fred Breitung, George Haupt and J. Ben Gross.

In closing, may I say that I have been honored by the privilege of serving as your President for the past year. Again, I want to thank everyone for their assistance in the work of the Lord.

Sincerely,

WILLIAM E. LOHLER
President 1964

The Church Council meets the second Monday of each month at 8:00 P.M. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Meeting and serve a 3 year term.

BOARD OF DEACONESSES REPORT FOR 1964

The year 1964 was a year of accomplishment in many respects for the Board of Deaconesses. It is a pleasure to submit this report to the congregation.

Luncheon meetings were held in February, March, April, September and October. Various members of the Board served as hostesses at these luncheon meetings. Mrs. Albert Groth, Jr., was Chairman of the Luncheon Committee.

Two social events were enjoyed during the year. Mrs. Henry Honeck was hostess at a picnic at her home in June. Mrs. Charles Fox and Mrs. George Haupt made the arrangements for food and entertainment. Pastor and Mrs. Beckmann, Mary, Ruth and Debbie were our guests.

On December 1st the Christmas Luncheon was held at the "Mildred Blakley House", 135 Meigs Street. The Luncheon Committee consisted of Mrs. Sylvester Bereza, Mrs. Charles Foster, Mrs. Charles Fox and Mrs. Henry Honeck. Mrs. Foster delighted us with a reading of a sermon by Peter Marshall entitled "Let's Keep Christmas". Pastor and Mrs. Beckmann and Mrs. George Hoffman were our guests.

During 1964, beginning in March through November, one hundred and twenty five calls were made on the shut-in members of our Church. The altar flowers were delivered to members of the Church each Sunday who were shut-in and to those who were reported temporarily ill. This very important part of our activities was in charge of Mrs. Stephen Fuss, Flower Chairman, and we wish to take this opportunity to thank her for her cooperation.

Members of the congregation who were reported ill have been remembered with cards expressing the Board's well-wishes. We are grateful to Miss Celia Petz for again offering to be responsible for the mailing of these cards.

Palms were placed on the altar on Palm Sunday by the Board, and at the annual congregational meeting, January 16, 1964, the lunch was served by the members of the Board of Deaconesses.

In addition to the usual duties of the Board of Deaconesses, the members enjoyed working with the Youth Group on two occasions during 1964. In April the Youth Group held a dinner and square dance. The deaconesses assisted in the preparation of the dinner. In November the Youth Group sponsored a spaghetti dinner, and again the deaconesses helped in preparing the food. Both of these undertakings by the Youth Group were most successful socially and financially. We wish to thank Mrs. Robert Duerr, who, while not a member of the Deaconess Board, assisted the committee in the purchase and preparation of the food for the spaghetti dinner. The committees for these two affairs consisted of Mrs. Bereza, Mrs. Bopp, Mrs. Breitung, Mrs. Bushnell, Mrs. Fox, Mrs. Gross, Mrs. Groth, Mrs. Haupt, Mrs. Judd and Mrs. Zimmer.

At the March meeting we had the pleasure of having Mrs. William Miller of the Titus Avenue United Church of Christ, speak to us on the work her Church is doing through the Board of Deaconesses.

In April Mrs. Odell Kelly of the Summerville Presbyterian Church addressed our meeting. Mrs. Kelly outlined the work of the Board of Deaconesses of the Summerville Presbyterian Church.

We were very happy to have Mrs. Miller and Mrs. Kelly with us and to exchange ideas and programs.

Mr. Vernon Titus, Vice-President of the Mental Health Chapter of Rochester and Monroe County, and Chairman of the Committee on Aging, spoke to us in October. Mr. Titus' current position professionally is Assistant Director of the Evening Division of the Rochester Institute of Technology in charge of the Center for Management and Business Education. Mr. Titus discussed the problems confronting the aged today, and outlined ways and means by which we might be of help. Our guests were the incoming 1965 deaconesses, Pastor Beckmann, Mr. Arnold Henn and Mr. Bruno Lehmann.

Pastor Beckmann attended our meetings and spoke to us on several occasions on matters pertaining to the work of the Board.

Mrs. Paul Bopp, Mrs. Charles Foster and Mrs. Charles Fox were in charge of selecting the gifts which were given to our shut-in members during the year.

The Board of Deaconesses has undertaken the cheer basket project at Christmas and Easter. The committee members for the 1964 Christmas cheer baskets were Mrs. Bereza, Mrs. Breitung, Mrs. Bushnell, Mrs. Gross, Mrs. Groth, Mrs. Haupt, Mrs. Judd, Mrs. Lehmann, Mrs. Meili, Miss Petz and Mrs. Stuver.

The members of the Board will henceforth be responsible for the care of the paraments, altar linens and communion service. Pastor Beckmann and Mr. Arnold Henn will be permanent members of the Altar Committees. These committees will be appointed by the chairman of the Board of Deaconesses.

We are most grateful to the Fidelis Circle for so generously contributing to the Board's treasury. The members of the Board are very appreciative of this assistance. Our sincere thanks to many other individuals who also made contributions.

The officers for 1964 were:

Mrs. Albert Groth, Jr.	Secretary
Mrs. Sylvester Bereza	Treasurer
Mrs. Sherman Judd	Chairman

Our appreciation is extended to Mrs. Bruno Lehmann and Miss Celia Petz for so ably assisting the members of the Board as Auxiliary Deaconesses.

The Nominating Committee, consisting of Mrs. Fred Breitung, Mrs. Paul Bopp, and Mrs. Ben Gross, announced the following incoming deaconesses for 1965:

Mrs. Fred Bopp	Mrs. Edward Gebhardt
Mrs. Harold Donish	Mrs. Henry Graf
Mrs. Earl Talbot	

We are most happy to welcome them to the Board of Deaconesses.

The officers of the Board of Deaconesses for 1965 are:

Mrs. Sylvester Bereza	Chairman
Mrs. Albert Groth, Jr.	Secretary
Mrs. Fred Breitung	Treasurer

The following members have completed three years of service:

Mrs. Paul Bopp	Mrs. Sherman Judd
Mrs. Roy Brierley	Mrs. Franz Kilian
Mrs. Richard Pasch	

The following is a list of the members of the Board of Deaconesses, beginning January 1965:

Mrs. Fred Bopp	1965
Mrs. Harold Donish	1965
Mrs. Edward Gebhardt	1965
Mrs. Henry Graf	1965
Mrs. Earl Talbot	1965

Mrs. Fred Breitung	1964	Mrs. Ben J. Gross	1964
Mrs. Dorothy Bushnell	1964	Mrs. George Haupt	1964
Mrs. Charles Foster	1964	Mrs. Henry Honeck	1964
Mrs. Charles Fox	1964	Mrs. Albert Meili	1964

Mrs. Sylvester Bereza	1963
Mrs. Albert Groth, Jr.	1963
Mrs. Harold Hobin	1963
Mrs. Harry Stuver	1963
Mrs. Wayne Zimmer	1963

Mrs. Bruno Lehmann	Auxiliary Deaconesses
Miss Celia Petz	Auxiliary Deaconesses

Respectfully submitted,

ALMA H. JUDD, CHAIRMAN.

WOMEN'S FELLOWSHIP

The Women's Fellowship program has been carried on in the past year with regular meetings on the first Thursday of each month. The coffee hour being at 12:30, followed by devotions. The various chairman of the areas of concern usually lead the devotions. The meeting in January was led by Pastor Jorris Beckmann, getting us off to a good start. Committee reports were read and a Nominating Committee was appointed for the coming year.

In the February meeting Mr. Lehmann showed the film which was advocated by Mr. Ben Herbster, our United Church, President. The title was, "Racial Justice Now."

We observed Our Lenten Quiet Hour at the March meeting. The program was arranged by Mrs. Franz Kilian who is the Spiritual Life Chairman.

The spring meeting of the Genesee Valley Association was held at Salem's Church on April 28th. Five of our ladies attended.

The Mother and Daughter Banquet and Fellowship was held on May 15 at 6:30. The dinner was in charge of First Circle, who had Mr. Krause to do the catering. After the dinner, Fidelis Circle sponsored a Style Show, which was enjoyed by all.

At our meeting in May we had a Color Motion Picture on our National Mission Work, entitled, "Bright Flame." Mr. Lehmann was there to again help us in showing the film.

The picnic was held on June 4th. Mrs. Talbot and Mrs. Maier were in charge of games at 4:30. Dinner was served at 6:00 P.M. by the members of Circle II.

After the morning service on Sunday, September 20th a Tea was given to honor our Mr. Harold Steen, who was starting his 25th year as Organist at our Church. We do hope there will be many more years.

The Thank Offering was observed on Sunday, October 18th. This offering is now a Family Thank Offering, not just for the women. Pastor Beckmann told us about the fine work which is being done in so many fields today, because of this offering.

A combined meeting of both the women and the men was held on October 5th and we had as our guests, Mr. and Mrs. Samuel Vaisey, who showed slides of their trip to Alaska. Lunch and Fellowship afterward.

The Fall Workshop of the Genesee Valley Association was on October 7th. This was an all day meeting and was attended by the President. The meeting was at Castile, New York.

The Women's Christmas Party was held, December 3rd, with a Smorgasboard served by the members of Fidelis and First Circle made the table decorations and the dining room decorations.

We were invited to join the Men's Brotherhood for their Christmas meeting and to see the pictures from Russia, by Mr. Hickey. Gifts were also brought for the Newark State School.

The President of our women's group attended several executive meetings with the women of the Genesee Valley Association at the Congregational Church and in various homes.

We assisted in two clothing drives, one in June when Mr. and Mrs. Oscar Stephany, Mrs. Sherman Judd and Mr. Rudolph Hoffmeier helped to pack the clothing. Then in November, Mr. Gommenginger did all the packing. The total was 491 pounds. The Women's Fellowship paid the postage of 8 cents per pound.

We have helped in carrying out the work of The United Church Women from time to time. May Fellowship Day and World Community Day are times when our Circles help with gifts of money and also materials. There are many projects to which we contribute not only in our church but in Mission work of various kinds.

The future of the Fellowship is uncertain, as this is the first time in our history that there was nobody to fill the office of President. A committee has been appointed with Mrs. George Haupt as Vice President and the Presidents of Circles and the President of Deaconesses and the Officers of the Guild. We are hopeful that this committee will be able to work out a program for the coming year to keep the Women's Fellowship alive, as we are a vital part of the church.

Respectfully submitted

EMMA HOFFMAN

President.

THE BROTHERHOOD

The Brotherhood 1964 was made up of a variety of interesting programs. In February, John Schwartz showed slides and gave a talk on astronomy. In March, a tour of the Gannett Newspapers was arranged and the members saw the morning, Democrat and Chronicle, being assembled and printed.

At our April meeting, Pastor Beckmann, gave a talk and a film was shown on, Sterling Whitener. In early May the members and wives and friends enjoyed a fine dinner and entertainment at the Party House. In May also, the men assembled at the church on a Saturday morning and worked on the church grounds and did some painting on the inside, which, we hope, added to the beauty of our church.

In October, The Women's Guild and The Brotherhood jointly sponsored a meeting which was enjoyed by all present. Mr. and Mrs. Samuel Vaisey, of the Irondequoit Congregational Church showed slides of their recent trip to Alaska along with commentary on places they had visited that later was hit by the earthquake.

At the November meeting, William Lohler and Albert Meili, teamed up to show pictures taken on their trip to New York City and The World's Fair. John Schwartz added to the evening's enjoyment by showing some vacation pictures he had taken at Atlantic City.

December was another joint meeting with the Women's Guild and a talk on Russia, along with slides, was presented by Peter B. Hickey, Chief of Photography, for the Gannett Newspapers, on a trip he had made along with 20 American newspaper publishers. This was also the Brotherhood's annual Christmas party and about 40 toys were collected for the children at The Newark State School.

In January the nominating committee reported that they were unable to present a slate due to the reluctance of the men of our church to serve as officers. After lengthy discussion a committee of four was appointed to look into suggestions that had been made and recommended a plan, if possible, at a meeting in February. It appears as if four or possibly five events will be sponsored each year in place of the regular monthly meetings and also that a change in the name will be made. Serving on the committee are Albert Meili, John Schwartz, Robert Tylock and Harold Hobin.

Respectfully submitted,

HAROLD HOBIN, President 1964.

1964 CHURCH SCHOOL REPORT

Cradle Roll (Mrs. D. Bushnell)

There were eight baptisms and five promotions to the Beginners Department. At present, there are twenty three enrolled in the Cradle Roll.

Nursery (Mrs. Charles Bird)

Attendance in the Nursery has declined slightly this past year. However, the children seem to have had an enjoyable time. Our volunteers have been very cooperative and have done an excellent job.

Beginners (Mrs. William Schoeneman)

When the children of this department come to the Church School, they have twenty minutes of free play. After the free play period, we have an activity for them to do. Following this, the children gather together at the Worship table for story and song time; we then close with the Benediction song.

We hope that the parents of children three to five will start to bring them to meet new friends.

Primary (Mrs. K. A. LeTouzel)

We would like to thank all the parents and children for their interest in our Church School projects throughout the year. We have lost two helpers, as you will note, in our department, but we do have something to be very thankful for, Miss Ruby Kitchens, our new teacher as our fourth grade teacher.

General (including our "Upstairs" Departments (Mrs. Florence Kelley)

TEACHERS ARE DEFINITELY NEEDED IN OUR CHURCH SCHOOL!

We, in the "Upstairs" Department, have had to double up two classes, due to shortage of help. Thanks to Miss Gloria Wagner and Mr. Jack Falk (their capability and willingness), your young people are under excellent supervision.

A fine teacher, who has faithfully given of her time, is in need of a vacation. But due to no one offering to come forth, this teacher has carried on in the Church School. Isn't there anyone at St. Paul's that would like to help the "FUTURE" of our Church? This department has only four teachers for eighty one students.

"DISCOURAGED" - Yes, it does seem there must be more that could and would help. Believe me, you could not work with a better group than the Young People - they are so appreciative.

Our Mr. Albert Meili is still our treasurer; I believe for over twenty five years. Do not know what we would do without him. He not only takes care of our finances but also has a Discussion Group that meets in the Pastor's study during the Church School Period. Of course, we could not overlook his "Girl Friday" (Mrs. Dorothy Harrigan); she records the envelopes for the entire school - a big job and very well done.

TREASURER'S REPORT

Balance January 1, 1964	\$490.83
Receipts during 1964	666.19
Expenses during 1964	990.89
Balance January 1, 1965	166.13

Summary of Expenses:

Church School lesson books, papers, etc., including supplies for Vacation Church School and Christmas Workshop	739.95
To St. Paul's Church (for current expense fund)	100.00
One Great Hour of Sharing	52.33
To St. Paul's Church (for new hymnals)	40.00
Board of International Missions	40.00
Church Nursery and Miscellaneous	13.61
Y.M.C.A. Pledge	<u>5.00</u>
	\$990.89

Mrs. Edna Schwartz provides secretarial services at our meetings; she has taken over the duties of Mrs. I. Rekstad.

Do have good news; we have four substitute teachers, as you will not listed below.

We cannot overlook "our" Jean (Anderson) and her helper, Diane Bopp - "caretakers" of our attendance and ordering of Church School supplies. Their reports show an average of one hundred

eleven per Sunday for 1964 in comparison to one hundred eighteen average for 1963.

Enrollment at present time:

Beginners	14
Primary	32
Cradle Roll	20
"Upstairs"	81
Bible Class	51

LET US TRY FOR A BETTER AND BIGGER ATTENDANCE FOR 1965!

Daily Vacation Bible School this past summer; and from all reports, it was a huge success - thanks to Mrs. Schoeneman and all her helpers.

A Recognition Dinner was given to the Church School Staff by the Church Council in October. Our good friends of Circle II prepared our meal - a very big thank you. It was poorly attended but appreciated; difficult to get our folks out during the week.

Our entire Church School participated in UNICEF (Halloween Time). Our boys and girls turned over \$98.70 to the United Nations Children's Fund - they are to be commended for this.

Thanks again to Miss Lois Groth, we had a Christmas Workshop - a little disappointing to those concerned. I am afraid not too well attended this past year - it does take a great deal of planning for a project like this. "Would we like an Old Fashioned Christmas in 1965" - like the good old days?

At this writing, we have lost one of our Department Heads - Linda LeTouzel but for a very good reason; she will have a new "role" as Mother; we wish her our best.

The Staff consists of the following:

Cradle Roll	- Mrs. D. Bushnell.	Nursery	- Mrs. C. Bird.
Beginners	- Mrs. W. Schoeneman, Dept. Head.

1964 DAILY VACATION BIBLE SCHOOL

The Annual Daily Vacation Bible School was held from June 28, 1964 through July 26, 1964. It was a most successful week from the standpoint of attendance, accomplishment and last, but not least, the wonderful cooperation from all those who so generously volunteered to assist.

Sincere appreciation and thanks is extended to the Chairladies of the General Committee, Mrs. William Schoeneman and Mrs. Robert Duerr, for a well planned and efficient program.

An average of forty ^{one} children attended each day. The children were divided into departments - Beginners, Primary, and Junior. Mrs. John Anderson was in charge of the Beginners' Department, Mrs. Robert Duerr, the Primary Department, and Mrs. Sylvester Bereza, the Junior Department. A sincere thank you is extended to these department heads for the time and effort they contributed.

A total cost of the program for the week amounted to \$63.21. The average cost per child was \$2.80 a day or \$1.40 a week. Donations were received from the Adult Bible Class and The Women's Guild.

After each session, which consisted of devotions, study periods, play time, snack time, and projects, Pastor Beckmann met with the children in the church for prayer, and he also explained the symbols depicted in the stained-glass windows, on the altar and other parts of the church.

JUNIOR CHOIR

To produce a good singing group of this age limit, we must have ten members; at present, twelve are enrolled, ten active members - "NEED MORE BE SAID!"

During the season of January, 1964 to 1965, we have participated in seventeen services.

In May of 1964, we had a hike to Seneca Park, a small Halloween Party at Church after a rehearsal, and a Christmas luncheon and party with the good help of our Choir Mother, Mrs. G. Hoffman and two of the Mothers; Mrs. F. Brown and Mrs. N. Osborn.

In regards to our Choir Mother - always there to help with the ties, and one cannot overlook our accompanist, John Groth; do not know what we shall do without him in the Fall when he attends college.

The Youth Choir has returned to their original title of "Junior" Choir. It seems that when our boys or girls are confirmed, they become young adults, "or" go on Social Security.

This past year, we have had two graduates - Judy Bushnell and Dawn Gebhardt to the Senior Choir; the reason for a young choir - a preparation for the adult group.

In January of 1959, permission was granted to inaugurate a Junior Choir; it has been successful. "BUT" without the cooperation of the parents, this group cannot continue. We, as parents, have time for P.T.A., SCOUTS, ETC., WHY NOT TIME FOR CHURCH ACTIVITIES?

Usually when one is attending Confirmation Class, it is expected they stay for choir rehearsal; this year, this procedure was not followed. We would have more boys in our group if this rule was followed.

The Altar Guild contributed a check of twenty-five dollars - which was more than appreciated (a close account is being made - - believe).

Our officers for the present season are:

Joni Peath	President
Patty Hafner and	
Carol Thrash	Librarians

Does St. Paul's want to dispense with this group, if not - can we have more cooperation from Parents to see their boys or girls are at Church on Saturday morning from eleven to noon.

Respectfully submitted,

FLORENCE KELLEY, Director.

THE ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday at 9:30 A.M. for devotions and Bible study. The class is taught on alternate Sundays by Miss Lucille Reuschle and Pastor Beckmann. Miss Reuschle has begun her 28th year of devoted service.

We have a membership of 50 with an average attendance of 33. There were 52 visitors during the year. Any new members would be welcomed.

The Bible Class is an active group. The members prepared and served the annual breakfast following the Easter Sunrise Service.

We had a surprise breakfast honoring Pastor Beckmann's birthday.

Two couples, the Oscar Stephanys and the Robert Newells, were sent flower arrangements in recognition of their golden wedding anniversaries.

On December 20, the Bible Class and Mr. Fred Zettlemoyer provided bus transportation for 50 members and friends to go caroling. We sang at the homes of 12 shut-ins. Refreshments were later served by the Youth Group.

The class provided altar flowers on Mother's Day and Memorial Sunday.

The group made financial contributions to the Daily Vacation Bible School, the United Nations, and the United Negro College Fund. We also remembered our sick and shut-in members.

OUR MEMORIAL FUND

It has been the practice of St. Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provided us with a small but steady income in addition to the yearly offerings of our members. Monies in the Memorial Wreath Fund, (Memorial Card contributions), is used for the purchase of necessary items which are suitable as Memorials for loved ones in whose memory these gifts were given.

Many of the above officers of the church organizations have served in their present positions for many years. We of St. Paul's Church are most grateful to them for their faithful service. Without these leaders in years gone by where would the Church and her organizations be today?

In the Old Testament one can read of sabbaticals. Now a sabbatical basically meant that a change every now and then was good for everyone. The Church realized this need for change in leadership when the Constitution proposed that a member could serve on the Council for only one term of three years. Then after a year of being out of office a person can be reelected.

There is no desire to keep one person from serving year in and year out, but a desire to have more members of the Church active in places of leadership. Many of our members are very capable of providing good leadership in many organizations of the church -- look over the list above (and proceeding page) and on the following pages.

When the time comes in the near future when the nominating committees of the various organizations are looking for new leadership, remember to give your talents to the Church and to the Lord of the Church -- Jesus Christ.

The thanks of the Church is extended to all who have served her in faithfulness, and a challenge is extended to those who would consider a position of leadership in the year and in the years to come. Don't hesitate to commit your service to the Church and her Lord.

Take my life, and let it be
Consecrated, Lord, to Thee.
Take my moments and my days;
Let them flow in ceaseless praise.

Take my hands, and let them move
At the impulse of Thy love.
Take my feet, and let them be
Swift and beautiful for Thee.

ANNUAL PASTORAL REPORT, submitted at the
January 20th, 1966 Annual Meeting of the Congregation.

This is the time of year when we are called upon to look back upon the past year, and also to make plans for the new year in which God's grace calls us to live.

It is entirely proper that we thank God for the year of 1965. All things that we have lived through have brought us closer to one another, and closer to our God. I believe that the church can well testify to the fact that all things work together for good because all things have their motive in God's providence. Perhaps some who undergo severe tragedy would like to argue these words, but our faith must shine through because of the life of God's Son. In Jesus Christ we will and do find our life to live in these days upon God's Creation. Nothing shall be able to separate the man of faith from God's love, and in our daily living we shall testify of our Christian faith.

In a brief report such as this not all things can be touched upon, but the things mentioned surely must be symbols of many things. Many items will be contained in the annual reports which shall be found in our annual year book.

One of the high points of the past months was the visit of Dr. and Mrs. Harold Eymann, missionaries to the Philippines. Their visit has challenged a personal mission to their work on the part of several organizations. May I say tonight that on the last Sunday of January we shall have a guest speaker in the person of the Rev. Mr. Carl T. Smith who was pastor of the Dewey Avenue Church in the middle '40's. At present he is on furlough from the Mission Field in Hong Kong.

Last June we held a church picnic on a chilly June Sunday at Churchville Park. Whether this becomes an annual event remains to be seen as I know of no group who has undertaken this sponsorship for this year. All who did come had a good time even though nature did give us a chilly reception.

In checking Communion records for the year past I find that a total of 381 members communed at least once. This is an increase over the 335 who communed in 1964. The number of private communions for the Advent Season amounted to 36, meaning that a goodly number of our members are not able to come to the church for the Service.

This brings to mind the special service that the Deaconesses are dedicated to, and which is the responsibility of us all. The people who are the shut-ins greatly need the interest of the other members of the church. Monthly the deaconesses make these calls, and at least two shut-ins receive the church flowers each Sunday. These calls are almost without exception well received. If one of these members is particularly dear to you, make that call now when it will be appreciated.

The Women's Fellowship purchased a new optic and magnetic sound projector that should serve the church well for years ahead. We thank the women for this gift to the church, it is for use by all the church organizations. This evening all of you will be able to observe this projector in operation as I have obtained a 14 minute film for all of you to enjoy. Our public library has many films which are free to any church organization.

The Christian Education program of the church, to put it in blunt terms, NEEDS TEACHERS. Our Curriculum material from the United Church of Christ is good. Right now we need to be thinking in terms of the Fall term. There are qualified teachers in the church, and again we ask them to think in terms of teaching this Fall. Anyone interested in teaching is invited to sit in with a class now and observe our teachers with the idea that he or she will have a class next Fall.

Our Youth Fellowship has had a larger average attendance since the group has been divided into Junior and Senior highs. However, the attendance would be tripled if all young people in the church would set aside every other Sunday for the improvement of the groups. Of course, the lack of support is common to all organizations. Our thanks surely to all members who make their contributions as they are able.

What are the challenges of 1966? Some have already been started. Some are obvious -- increased faithfulness in church attendance, programs to challenge interest upon the part of our organizations, support of the organizations and their work, and more members for the church. Undoubtedly the doorbells of this community should be rung again to see how many unchurched families we have. How many are interested in this evangelism???

I could not close my remarks tonight without appreciation for the office of pastor in your midst. Thanks to kindnesses of the members of St. Paul's your parsonage is a happy place to live. Your tangible kindness at Christmas is to be seen in the parsonage. Your remembrance of our recent 10th wedding anniversary provokes a happy memory. Your concern with our family is always thoughtful. It is good to serve as the pastor of St. Paul's Church.

The challenge of Christ, "SEEK YE FIRST THE KINGDOM OF GOD," is ours today as much as in the day in which it was spoken. Let us answer through the challenges of this life. Remember, "UNTO WHOM MUCH IS GIVEN, MUCH IS REQUIRED."

Faithfully yours,

W. JORRIS BECKMANN, Pastor.

C H U R C H C O U N C I LTHE PRESIDENT'S REPORT - OUR 103RD YEAR - 1965

Again a year has slipped by (my second as your president) and in review, while there have been "both ups and downs" the general trend continues to be good. My thanks go to many members who have worked for the good of the Church during the year. There is still much to be done and a more active part in Church work by more members would be welcomed by your Pastor and Officers. If you have not been asked recently, please do not hesitate to volunteer your services.

The Council members have been most generous with their time and talents and their cooperation has made it very pleasant to work together in the conduct of our Church business. It was with considerable reluctance that the Council accepted the resignation of Elder Ingvald Rekstad effective January 31. Those completing their terms of office this year are: Mrs. Rato Pasch, Trustee; Mr. Mario Paolotto, Trustee; Mr. Nelson Adlerman, Deacon; Mr. Charles Bird, Deacon; Mr. Harold Donish, Deacon; and myself, Elder.

I wish to acknowledge the fine work being done by the Board of Deaconesses, the Sunday School Staff and the Choir membrs - all volunteers. The Women's Fellowship made a gift of \$500.00 to the Church to be used for a new Movie Projector. A combination optical and magnetic sound projector was purchased in October and is now available for Church and Organizational use.

Early in the year, we received a letter of congratulation from Dr. Julius Kuch, of the New York Conference, on our Benevolent giving. For the year 1964, St. Paul was one of 16 Churches out of 40 Churches in the Area that had paid their Synod apportionment in full. Also we were the only Church in Rochester with this honor. However, the year 1965, I am sorry to report, is a sad story. Our Benevolent giving has not kept pace with the increasing demands of the Synod, and even though we transferred some funds from the Current Expense account, we have ended the year with \$1,050.00 of our assessment unpaid. The assessment for 1966 has been increased and unless there is a generous increase in giving, we shall not meet our quote again. You may recall at the October Congregational meeting to approve the budget for 1966, it was explained that we had not placed in the budget the full amount that the Synod had asked for. Even so, the budget is \$200.00 higher than last year, which presents a real challenge.

You will be interested in knowing that during the year we gave a helping hand to a son of St. Pauls'. After the disastrous fire in Rev. Donald Vogel's Church in Chicago, we sent him a check for \$100.00 to help him to replace the personal property he lost.

We have lost by death a number of members who have been active in the Church over the past years. By council action, a page of our minutes was set aside as a memorial for MR. ADOLPH FAUTH, who served as president during the years of 1919 through 1923, which was at the

time this building was being constructed.

Miss Lucille Reuschle, Chairman of the Finance Committee, was given permission by the Council to obtain legal assistance with the purchase offers for the gasoline station on Dewey Avenue. The Tide-water Oil Company lease on this property expires this year and the Council recommends that this property be sold. This will be an item of business at a special meeting later in the year.

The Trustees, under the able leadership of Mario Paolotto have had a busy year. New Flood Lights were installed on the Norton Street side of the building. A broken water pipe at the parsonage resulted in considerable damage to the bathroom and living room. Fortunately, the Pastor and his family had just returned from their vacation when the break occurred which prevented even more extensive damage. Our Church building is 43 years old and is beginning to show its age as far as wear and deterioration is concerned. We are told that an increasingly higher cost for protective maintenance work is to be expected.

On behalf of the Council and Congregation, I wish to thank our Pastor for his faithful devotion to our needs. He is always on call and his day never ends. The "40-hour week" that most of us are familiar with is unknown to him. His guiding influence has been a valuable contribution to us and I hope that he will continue to be with us for many years. In closing, I wish to repeat the statement I made last year, "it has been an honor and a privilege to serve you as your president."

Sincerely,

WILLIAM E. LOHLER
President 1964-1965.

The Church Council meets the second Monday of each month at 8:00 P.M. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Meeting and serve a 3 year term.

BOARD OF DEACONESSSES REPORT FOR 1965

We are happy to report another year of service to our church and shut-in members of our church.

There were four luncheon meetings held, one each in February, April, September and October. Mrs. Dorothy Bushnell was chairman of the Luncheon Committee. Each member served as hostess once during the year.

Our annual picnic and Christmas luncheon were the two social events of the year. The picnic in June, was held at the home of Mrs. Charles Fox. Mrs. Albert Groth Jr., was chairman. The Christmas luncheon was held at church and catered by Johnson's Bakery. Mrs. Ben Gross was chairman of this committee.

At the April meeting Pastor Beckmann spoke on the Paraments. We found this topic most interesting. We felt very fortunate to have Mr. Michael Clement as our speaker in September. He gave a very enlightening talk on Therapy with Music. The Rev. Wunrow was our guest in October and spoke on his experiences in serving nursing homes. We all enjoyed and learned much from him. Mrs. Earl Talbot was chairman of the Program committee.

Over a hundred calls were made on our shut-in members. Our gift committee headed by Mrs. George Haupt made a number of gifts that were taken to the shut-ins. Each year the board makes and delivers cheer baskets at Easter and Christmas time. Once again this was done with Mrs. Charles Fox as chairman of the committee. Cards were mailed to all members of the church reported ill. Miss Celia Petz was in charge of this service.

The deaconesses delivered the altar flowers each Sunday to either an ill or shut-in member of the church. Mrs. Stephen Fuss has been chairman of the altar flowers and we wish to express our gratitude to her for this important office.

Mrs. Fred Breitung and Mrs. Dorothy Bushnell have been in charge of the paraments and Mrs. George Haupt has been in charge of the altar cloths.

Each deaconess has served several times on the communion service committee. The lunch after the Congregational Meeting on January 1965 was also served by the deaconesses. Palms were placed on the altar on Palm Sunday by the board.

As the Board has no fund raising projects, we rely on donations to carry on our work. We are indeed grateful to the organizations and individuals who made contributions.

The officers for 1965 were:

Mrs. Albert Groth, Jr.	Secretary
Mrs. Fred Breitung	Treasurer
Mrs. Sylvester Bereza	Chairman

The new officers for 1966 as announced by the nominating committee headed by Mrs. Fred Breitung are:

Mrs. Sherman Judd	Chairman
Mrs. Fred Bopp	Secretary
Mrs. Fred Breitung	Treasurer

New members of the board are as follows and will serve two years:

Mrs. Robert Duerr
Mrs. Harold Duerr
Mrs. George Hoffman
Mrs. Sherman Judd
Mrs. George Peath
Miss Vera Frederick

The new Auxiliary Deaconesses are:

Mrs. Guy Wilson
Mrs. Lloyd McNaught

Other members are:

Mrs. Fred Bopp	1965	Mrs. Fred Breitung	1964
Mrs. Harold Donish	1965	Mrs. Dorothy Bushnell	1964
Mrs. Edward Gebhardt	1965	Mrs. Charles Foster	1964
Mrs. Henry Graf	1965	Mrs. Charles Fox	1964
Mrs. Ludwig Zimmermann	1965	Mrs. Ben Gross	1964

Mrs. George Haupt	1964
Mrs. Albert Meili	1964

The following members have completed three years of service.

Mrs. Albert Groth, Jr.
Mrs. Harold Hobin
Mrs. Wayne Zimmer
Mrs. Sylvester Bereza

Also Mrs. Bruno Lehmann and Miss Celia Petz, who served as auxiliary deaconesses, have completed three years of service.

The board was deeply saddened by the death of one of its members, Mrs. Harry Stuver.

Another member moved out of the state, Mrs. Henry Honeck.

Respectfully submitted,

GRACE BEREZA - Chairman.

WOMEN'S FELLOWSHIP

The Women's Fellowship program has been carried on in the past year with regular meetings on the first Thursday of each month. The coffee hour being at 12:30, followed by devotions. The various chairman of the areas of concern usually lead the devotions.

In February there was a meeting to draw up a new constitution for the Fellowship, largely through the efforts of Mrs. Rose Marie Antonow. This followed with a general discussion of the new program. At the March meeting a buffet supper was enjoyed by the members of the church.

Our April meeting was observed with a Lenten Quiet Hour and Communion Service. Luncheon was served by the Women's Sewing Group. The May meeting was held in the evening with reports of the Spring Workshop.

In June we sponsored a Family Picnic at Churchville Park. In spite of very poor weather, all who attended had a wonderful time.

The September evening meeting was one to be long remembered. Mrs. Kenneth Ross presented, "Fiddler on the Roof." A tea followed the entertainment.

Mrs. Butman of WSAY told us about her work, "The World Inside," at the October meeting.

In November Reverend Harold H. and Mrs. Eymann, missionaries from the Philippines, were our guests. They showed slides and told us about their wonderful work in the Philippines.

We were very fortunate to have the United Church Women's Choir for our Christmas luncheon party. Their program was truly inspirational.

The Thank Offering was observed during the year. This offering is now a Family Thank Offering, not just for the women. Pastor Beckmann told us about the fine work which is being done in so many fields today, because of this offering.

The group assisted in the clothing drive again this year, Mrs. George Hoffman and Mrs. Alma Judd sorting and packing the clothing and with the aid of Arnold E. Henn delivered the bags to the depot. The total was well over 500 pounds. The Women's Fellowship paid the postage.

We have helped in carrying out the work of The United Church Women from time to time. May Fellowship Day and World Community Day are times when our Circles help with gifts of money and also materials. There are many projects to which we contribute not only in our church but in Mission work of various kinds.

All women of the church are invited, and urged to support The Women's Fellowship of Saint Paul's Church.

Respectfully submitted,

ETHEL HAUPT, President

The Women's Fellowship.

THE SEWING CIRCLE

One of the Area's of Concern of St. Paul's Church, also of the Genesee Valley Association is the Material Aid Department. This Group of faithful women have been at work making over old used clothing also making new things, such as Layettes, Make-A-Bed, Light weight Quilts and Blankets and cutting the collars from white shirts and binding the necks. They are sent to the Lepers. A few of the women tear old sheets into bandages. This work has been going on ever since the church has existed. Many of our Mothers and Grandmothers started this work on a much larger scale in the years gone by. At the present time with the population explosion there is a dire need all over, not only in our country but all over the world. We used to send our clothing to many of our own institutions, but we find that through World Service the clothes are processed and sent to the proper countries and where the need is greatest. We have two big Clothing Drives, one in the fall and one which will be coming in June, at which time everything which has been made and used clothing collected will be sent to the Church World Service Clothing Drive.

Many of the Circles help with the postage and Ruth Circle has also helped with making sewing kits and school bags for World Community Day, which is a project of The United Church Women. We are always receiving requests for good used blankets and previously for clothing for the people of the South.

We are few in numbers at the present time, having lost Mrs. Mildred Honeck, who moved to New Jersey and Mrs. Anna Bauml who is making her home at St. John's Home. We miss these women and urge other women who like to sew to come and spend the second and fourth Thursday morning with us. We want to thank Mrs. Florence Kelley, who graciously gave us her Electric Sewing Machine. She thought we could make good use of it. We thank her for her generosity.

The Genesee Valley Association usually sends us a quota for materials to be made thru the year. Because we are small in numbers and also we do not have enough money allotted to us, to carry out this quota. We are thankful that we can carry on and be a small part in the great need to alleviate suffering and want throughout Christ's Kingdom.

Chairman Sewing Circle

EMMA HOFFMAN.

OUR CHURCH SCHOOL

The Christian Education program of the church is the most important program of the church apart from the worship service itself. Here is the place where we are to send our young for instruction in the Christian Gospel, and where older members can help develop their faith. Christian education has to do with the study of the scriptures and the life which is becoming to the church member.

In the report of last year the stress was for more teachers and helpers. The same stress has been placed in monthly newsletters and in weekly bulletins. It is pathetic to say at this time, as January passes into February, that with one exception there is no new full time teacher secured from the whole membership of our church. Aren't members of the church interested in presenting Christian truths to the coming generation, or are the things of the world too enticing for our time and energy to be devoted to the Church???

Teaching in the Church School can be a Christian work. It requires time in preparation, wisdom and understanding. It takes an interest in the younger generation, but there is no monetary pay -- only the thought that young people have been led along the paths that are eternally valid.

Perhaps no class has been more neglected than the most challenging group in the Church School. This group has had five different teachers in the past two years. This means no one has had the courage to follow through with them. This is a tragedy and does not speak well of the members of St. Paul's. God has given every one of us 24 hours each day, seven days each week. Is it asking too much for more members of the Church to give new life to the activities of the Church School -- and especially in the teaching department?

It would appear that if enough members do not commit themselves to teaching in our Church School that we will have to turn to a student assistant. This can probably be done, but it also means that we are depriving ourselves of an excellent opportunity to work with the younger members of the church. We leave the decision to you.

This report certainly must speak a word of gratitude to those teachers who are faithful this year, and who have been faithful in years gone by. Perhaps they can be named, but I hope none will be omitted. Miss Gloria Wagner most graciously came forward to lead the devotions each Sunday morning in the absence of a superintendent besides teaching her class each Sunday. Mr. Arthur Thrash has had to give up working with the Senior Highs due to the press of college work at the beginning of the Second Semester. Mrs. Ethel Haupt has been teaching the Middle Highs while Mrs. Edith Gebhardt has been observing and will shortly become the teacher of this group. Mrs. Florence Bukowski and Mrs. Grace Bereza complete the faithful teaching corps from the Fifth Grade through Senior High.

Mrs. Marge Tharp is the superintendent in the Primary Department ~~ably~~ assisted by the following teachers -- Mrs. Dorothy Bushnell, Mrs. Nancy Beckmann, Mrs. Edna Schwartz and Miss Gail Kemp.

The Primary Department is in the capable hands of Mrs. June Schonemann, Mrs. Helen Duerr, and Mrs. Ula Kohl. Mrs. Dorothy Bushnell also serves as superintendent of the Cradle Roll Department. Mr. Robert Duerr must also be mentioned in the Christian Education work of the church as one who has come forward to be the leader of the Junior High Fellowship. And Mrs. Wilma Bird is responsible for obtaining people to conduct the Nursery Department during the worship service. More women are always needed here as the more persons that help here the less often each individual will be called upon. Surely each mother, at least, will contribute her time.

Our Mr. Albert Meili is still our treasurer; I believe for over twenty five years. Do not know what we would do without him. He not only takes care of our finances but also has a Discussion Group that meets in the Pastor's study during the Church School Period. Of course, we could not overlook his "Girl Friday" (Mrs. Dorothy Harrigan); she records the envelopes for the entire school - a big job and very well done.

It is not too early to look forward to September of 1966 when the Church School will again be holding classes after the summer vacations. We need (A SUPERINTENDENT, AND TEACHERS FOR ALL CLASSES.) We trust that those who are teaching will continue for another year, and still realize that no one should feel that he has to always teach simply because no one else comes forward.

What is needed? Again, people who are genuinely interested in the coming generation. People who want to give of their time and selves to the work of Jesus Christ. People who will take time to do so. IN SHORT, WE NEED MEMBERS TO BECOME MORE INVOLVED IN OUR WORK OF CHRISTIAN EDUCATION.

We cannot overlook Mrs. Jean Anderson and her helper, Miss Diane Bopp - caretakers of our attendance and order of Church School supplies. Their reports show an average of 96 per Sunday for 1965. Enrollment at present time:

Cradle Roll	24
Beginners	6
Primary	27
Junior, Intermediate and Seniors	50
Young Adults	4
Adult Class	45
Officers and Teachers	21
Total enrollment	177

THE ADULT BIBLE CLASS

The Adult Bible Class meets each Sunday morning at 9:30 A.M. September through June. The average attendance is approximately 26.

The activities consist of a devotional service and hymn singing which is followed by a Bible lesson. These lessons are ably explained by our Pastor, W. Jorris Beckmann and Miss Lucille Reuschle on alternate Sundays.

Other activities consisted of preparing and serving the annual Easter breakfast following the Sunrise Service. Also, in cooperation with the Youth Group, the Bible Class provided the bus transportation (through the courtesy of Mr. Fred Zettlemoyer) and refreshments later to 45 members and friends for the purpose of singing Christmas Carols to "shut-ins" at their respective homes.

Our annual Friendship Sunday was held on November 14. Fifty-five members and friends attended.

The group made financial contributions to the following causes:

Pledge to the church	\$100.00
Rev. D. Vogel to help replaced burned books	25.00
Deaconess Fund	10.00

1965 DAILY VACATION BIBLE SCHOOL

The Annual Daily Vacation Bible School was held from June 28th, 1965 through July 2, 1965. It was a most successful week from the standpoint of attendance, accomplishment and last, but not least, the wonderful cooperation from all those who so generously volunteered to assist.

An average of forty-one children attended each day. The children were divided into departments - Beginners, First and Second Grades, Third and Fourth Grades and Juniors. Mrs. John Anderson was in charge of the Beginners' Department. Mrs. Richard Tharp of the First and Second Grades. Mrs. Robert Duerr of the Third and Fourth Grades, and Mrs. Sherman Judd the Junior Department. A sincere thank you is extended to these department heads for the time and effort they contributed.

After each session, which consisted of devotions, study periods, play time, snack time, and projects, Pastor Beckmann met with the children in the church for prayer, and he also explained the symbols depicted in the stained-glass windows, on the altar and other parts of the church.

Snacks were furnished each day, such as popsicles, cakes, cookies, milk, pop, etc. Assisting in the kitchen were Mrs. Albert Groth and Mrs. Ula Kohl.

Dawn Gebhardt, Dennis Duerr and Mrs. Dorothy Bushnell assisted in the Beginners' Department.

Judy Bushnell and Helen Hoestry assisted in the First and Second Grades. Assisting Mrs. Richard Tharp in Third and Fourth Grades were Mrs. Edward Gebhardt and Robert Duerr.

Those assisting in the Junior Department were Mrs. Joseph George, Mr. John Groth, Mrs. Sherman Judd, Mrs. Rose Marie Antonow, Mrs. Sylvester Bereza and Mrs. Mary Hutchins.

Sincere thanks is extended to those who assisted the General Committee and the Heads of the Departments. Without their valuable assistance the Daily Vacation Bible School of 1965 would not have been the success it was.

Respectfully submitted,

MRS. WILLIAM SCHOENEMAN

Jesus, tender Shepherd, hear me;
Bless Thy little lamb tonight;
Through the darkness be Thou near me,
Watch my sleep till morning light.

All this day Thy hand hath led me,
And I thank Thee for Thy care;
Thou hast clothed me, warmed and fed me;
Listen to my evening prayer.

Let my sins be all forgiven;
Bless the friends I love so well;
Take me, when I die, to heaven,
Happy there with Thee to dwell. Amen.

YOUTH FELLOWSHIP

The Youth Fellowship is more active than ever. The members enjoyed a winter party in February and a splash party in April. They provided gaily decorated begonia plants which were distributed to every mother in church on Mothers' Day, 1965. A gift of money was donated to the Board of Deaconesses to help these ladies continue their fine work. In June the group was entertained by Mr. and Mrs. Robert Duerr for an all-day picnic at their summer cottage.

A kickoff splash party in September helped to raise our membership. Shortly thereafter the members divided themselves into junior and senior high discussion groups. At the Second Annual Youth Group Spaghetti Supper, in late October, we served 175 people. Fidelis Circle did the cooking and shared in the profits of this popular event. Mr. and Mrs. Harold Geschwind entertained the members for supper after the Halloween bowling party. Activities for 1965 ended with a Christmas party at the home of Mr. and Mrs. Robert Duerr in late December.

To improve recreational facilities the members purchased a new ping pong table and Fidelis Circle donated a wide assortment of table games.

The Youth Fellowship extends its thanks to the many parents and friends who gave their time and resources for our numerous parties.

Respectfully submitted,

ROBERT DUERR, Jr., President.

THE SENIOR CHOIR

The choir and congregation are most fortunate in having as choir director, Mr. Michael Clement, a graduate of The Eastman School of Music. Ably assisted by our devoted organist, Mr. Harold Steen, he has offered us a challenging program of excellent music. They have been tireless in their efforts to produce the best from the choir.

We had a "rainy", but fun filled splash party and steak roast at the home of Mrs. Fred Bopp, in June which was enjoyed not only by the members but by their husbands, wives and sweethearts.

If only more people, especially the men, could find the time to be with us and enjoy singing the old familiar music as well as the new music we so desire to learn and sing, I know they would find it most rewarding.

The Choir Members are to be congratulated on another year of faithful service to the Glory of God and their church.

Respectfully submitted,
Mrs. John Schwartz, President.

OUR MEMORIAL FUND

It has been the practice of St. Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provided us with a small but steady income in addition to the yearly offerings of our members. Monies in the Memorial Wreath Fund, (Memorial Card contributions), is used for the purchase of necessary items which are suitable as Memorials for loved ones in whose memory these gifts were given.

*Dedicated in 1965.

For all the saints who from their labors rest,
 Who Thee by faith before the world confessed,
 Thy Name, O Jesus, be forever blest,
 Alleluia! Alleluia!

Thou wast their Rock, their Fortress and their might;
 Thou, Lord, their Captain in the well fought fight;
 Thou, in the darkness drear, their one true Light.
 Alleluia! Alleluia!

Hymn - 417 - The Hymnal.

O Jesus, Thou art standing
Outside the fast-closed door,
In lowly patience waiting
To pass the threshold o'er:
Shame on us, Christian brothers,
His Name and sign who bear,
O shame, thrice shame upon us,
To keep Him standing there!

O Jesus, Thou art knocking;
And lo! that hand is scarred,
And thorns Thy brow encircle,
And tears Thy face have marred:
O love that passeth knowledge,
So patiently to wait!
O sin that has no equal,
So fast to bar the gate!

O Jesus, Thou are pleading
In accents meek and low,
"I died for you, My Children,
And will ye treat Me so?"
O Lord, with shame and sorrow
We open now the door:
Dear Saviour, enter, enter,
And leave us never more!

Many of the officers on page 1 of the church organizations have served in their present positions for many years. We of St. Paul's Church are most grateful to them for their faithful service. Without these leaders in years gone by where would the Church and her organizations be today?

In the Old Testament one can read of sabbaticals. Now a sabbatical basically meant that a change every now and then was good for everyone. The Church realized this need for change in leadership when the Constitution proposed that a member could serve on the Council for only one term of three years. Then after a year of being out of office a person can be reelected.

There is no desire to keep one person from serving year in and year out, but a desire to have more members of the Church active in places of leadership. Many of our members are very capable of providing good leadership in many organizations of the church -- look over the list on page 1 and the following pages.

When the time comes in the near future when the nominating committees of the various organizations are looking for new leadership, remember to give your talents to the Church and to the Lord of the Church - - - Jesus Christ.

The thanks of the Church is extended to all who have served her in faithfulness, and a challenge is extended to those who would consider a position of leadership in the year and in the years to come. Don't hesitate to commit your service to the Church and her Lord.

Where cross the crowded way of life,
Where sound the cries of race and clan,
Above the noise of selfish strife,
We hear Thy voice, O Son of Man.

In haunts of wretchedness and need,
On shadowed thresholds dark with fears,
From paths where hide the lures of greed,
We catch the vision of Thy tears.

From tender childhood's helplessness,
From woman's grief, man's burdened toil,
From famished souls, from sorrow's stress,
Thy heart has never known recoil.

The cup of water given for Thee,
Still holds the freshness of Thy grace;
Yet long these multitudes to see
The sweet compassion of Thy face.

O Master, from the mountain side,
Make haste to heal these hearts of pain;
Among these restless throngs abide,
O tread the city's streets again.

ANNUAL PASTORAL REPORT, submitted at the January 19th, 1967 Annual Meeting of the Congregation.

Our calendar year for 1966 is completed, and our Constitution this evening demands that we take an instant of time and look back on what this year has meant to us, and what we hope to accomplish in this year of 1967.

Our church attendance was down about 12 per Sunday for the year, or about 5 or 6% for the year as compared with 1965. This is a considerable figure that I trust will swing the other way in 1967. It was just a year ago this coming Sunday that we woke up to a snowfall of almost eight inches that was to pass the twenty inch mark before the last flake had fallen, and was to pass the fifty inch mark before the end of January. The attendance for these last two Sundays amounted to forty and about one hundred and ten. For several weeks thereafter parking in the vicinity of the church was almost an impossibility because the streets were not properly ploughed. With the absence of any big storms this year we shall not have to combat this in order to increase the number of our worshippers.

Our Communion records this year show that members of the church communed 1,256 times, and that 370 individual members took part in the Lord's Supper at least once. This is a decrease of eleven as compared with 1965. Partaking of the Lord's Supper is a specific work that Jesus told us to do, and each member should strive to become a partaker of the Communion each time the Sacrament is offered in the church. Our next Communion Service will be on Ash Wednesday, the first day of Lent, February 8th.

I will give communion to any shut-in, or sick person, at anytime I am informed of this desire. It would be helpful for this information to be phoned directly to the parsonage a week in advance. Though this much notice is not absolutely necessary, it does help in planning one's schedule. Those unable to worship in the sanctuary will be given three or four private communions in the course of a year. If anyone has been neglected a phone or note to the parsonage will quickly rectify the situation.

Calling on the homes of the parish continues to occupy a large portion of my time. I would suppose about fifteen calls are made each week. It was not the pulpit committee that had asked me to do this calling, but I feel it to be part of the pastoral ministry. Though I do not get into each home during the course of a year I do not miss this goal by much. I should add that if a member does desire me to call and expresses this view to me, I shall be there shortly.

May I stress the need again of members entering the hospital to inform me of this fact. This week we have had five members in the hospital -- the hospitals informed me of only one member. It is equally important to let me know when the member returns home.

- 3 -

One must mention the cordiality that one experiences with most of the members of St. Paul's Church. Visitors, strangers, almost without exception mention the cordiality with which they are greeted upon worshipping here. Issues are presented and discussed in the Church Council in a spirit of respect. I am certain every member of the Council would testify to this. There is a harmony among the members.

The challenge to the various church organizations is greater than it ever has been. There is plenty of equipment for any group that wants to present good programs, and worthy programs. The Church Library will increase in value as the months go by and as it is used. Films are available through the Rundel Film Library, and there is an excellent machine for projecting them here at the church. The cost of the films is nil, and the selection tremendous. There is a kitchen available for any suppers -- large or small. Program materials are available for anyone who desires to put forth the effort, for anyone or for any group. It is easy for anyone to say there is nothing to do, while the truth is that he does not wish to put his shoulder to the wheel.

Our financial reports which will be published in the Annual Reports of the Congregation, and there is no need of my going into any detail about our benevolent giving. The Council has been concerned about setting a realistic benevolent goal, and still making contributions to institutions that have been close to the church over the years.

We have also been concerned about the church in relation to other churches. Many of us went to the ecumenical worship in the Eastman theatre last year. It will be held again this year, but following the uncertainty of the winter season. Next Wednesday, January 25th, four of our local congregations will be involved in a community ecumenical worship. The pastor of St. Paul's Church will deliver the evening sermon. This is the first time I have preached in a Roman Catholic Church. Following Easter it is hoped that there will be a worship of the four involved churches in one of our Protestant Churches.

During the course of the year six new members were added to the church membership list, and there were seven infant baptisms. In addition to the six new members, there were six new members by confirmation. The pastor officiated at five marriages and fourteen funerals.

As 1967 lies stretched out before us, let us resolve to be faithful in our worship habits, and in our daily prayer. Let us become more familiar with the facts of life that are about us. Let us always be aware of the needs of others, and thus follow the example of our Lord. The destiny of St. Paul's is not in the stars, but in us the members as we bare witness to the living Lord.

Faithfully yours,

W. JORRIS BECKMANN, Pastor.

THE PRESIDENT'S REPORT - OUR 104th YEAR - 1966

Dear Christian Friends:

It was indeed a sincere pleasure and privilege for me to again serve our church as the President. Of course, my duties were many. The decisions often were difficult. The task of summarizing many hours of discussions and business transactions of the council into this report is tremendous.

How do I determine the most important actions which were taken by the council? In my humble judgment, if I were to select just three; I would pick the sale of the gas station on Dewey Avenue at Flower City Park; the postponing of the construction of the parking lot for our church, and the investigation and change of the insurance on the parsonage and the church property.

I shall attempt to give a brief chronological report of the happenings of the year.

In February a hearing was scheduled for the parking lot. The renewal of the lease or the sale of the gas station was discussed. It was decided it would be to the advantage of the church to sell.

In March a verbal offer of \$27,500.00 to purchase the property was made by Eugene Conger. He had operated the gas station for seventeen years. The council accepted the offer.

The hearing on the parking lot was held April 28. Our plans had to be revised.

In May, Mr. Conger gave a check for \$1,000.00 with a written purchase offer.

Mrs. John Schwartz became the director of the choir.

On June 5th a Special Congregational Meeting was held for the congregation to act upon the purchase offer. It was accepted unanimously.

The parsonage and the garage were painted white.

In July a new lawn mower was purchased.

Dr. and Mrs. William Beckmann, the parents of our pastor, celebrated their Golden Wedding Anniversary. We wished to have a part in the happy occasion so we sent a gift of a clock, to them.

The church lawyer, Norman Coons, attended our August meeting. He had to obtain signatures on many papers for the sale of the gas station.

Estimates for the construction of the parking lot were obtained. They were extremely high, \$17,000.00. The correct price is \$8,000.00. Chief Trustee Bob Tylock explained the scarcity of labor was due to the unusual number of large building projects in this vicinity and recommended we postpone the construction of the parking lot until we can obtain a more favorable estimate.

In September Lawyer Coons was informed by Judge O'Mara that an appraisal of the property is necessary before the sale can be completed.

On September 25th a Special Council Meeting was called because due to the tight money situation, Mr. Conger was unable to obtain the necessary money. His lease was extended for 60 days, or to November 30th.

On October 10 the budget was adopted by the Council as presented. Mr. Stephen Fuss was hired as part time sexton. Tidy-Up-Janitorial Service is taking care of the other janitorial work.

The Council voted to increase the insurance coverage on the parsonage to \$14,000.00. The policy is for Fire, Lightning and Broad Form Coverage with \$50.00 deductible.

On October 16 a Gideon representative spoke in church and in the Bible Class.

In November the nominating committee was appointed, composed of: Chairman William Lohler, Marjorie Tharp, Ernest Prietz, Arnold Henn and Albert Groth.

On November 30th the sale of the gas station was finally consummated. It was paid in full.

An artificial Christmas tree was purchased.

In January 1967 our church is uniting with three other neighborhood churches for a Joint Worship Service. It is a unique service. It will be held at our Lady of Perpetual Help Church on Wednesday, January 25, 8 P.M. Our Pastor Beckmann will give the sermon. I believe it is the first time that a Protestant is preaching in that Roman Catholic Church.

I am happy to report that Mrs. Florence Kelley has returned as Sunday School Superintendent.

The Finance Committee which is also the Auditing Committee is composed of Chairman Harold Hobin, William Lohler, Arnold Henn, Albert Meili, Robert Tylock, Robert Duerr, Emma Hoffman, Harold Donish, Fred Breitung and Ernest Prietz.

As a congregation, we are most fortunate and blessed in having our Parsonage Family. Rev. W. Jorris Beckmann serves our church humbly, devotedly, and conscientiously. He is truly a man following and serving Christ. His wife and their four darling, smiling

daughters are truly an asset to our church. I sincerely pray that they will be with us for many years.

I'd like to thank the Council for electing me as President. I also appreciate the wonderful cooperation of the members. A special "thank you" to the retiring members of the Council; Elder, Richard Pasch; Trustees, Marjorie Tharp and Robert Tylock; Deacons, Fred Breitung, Fred Bopp and John Schwartz.

I wish I had time to thank each one who has served our church in any way this year. The list would be too long. Please, when I say, "Thank You", consider it a personal one to you and your organization. We have many members who are very devoted hard workers.

In concluding may I say that I am happy to be able to serve our church in any way.

May the Good Lord, Bless and Keep Each One of You.

Sincerely,

LUCILLE REUSCHLE, PRESIDENT.

The Church Council meets the second Monday of each month at 8:00 P.M. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Meeting and serve a 3 year term.

BOARD OF DEACONESSSES REPORT FOR 1966

During the year 1966 the Board of Deaconesses were active in service to our Church affairs and to our shut-in members.

Luncheon meetings were held in February, April, September and October. The members of the Board were hostesses at these meetings. In June a picnic was held at the Church, and a Christmas luncheon, also held at the Church, was most enjoyable.

During the year our meetings were addressed by Pastor Beckmann, Mr. Arnold Henn, Reverend Albert Horn and Mrs. Gore from the Baird Nursing Home.

Each member was appointed to serve on a Committee. As usual Cheer baskets were given to our shut-in members at Easter and Christmas. Each shut-in is remembered with birthday cards and the deaconesses deliver the Altar flowers each Sunday to those of our congregation who are ill and shut in. Ninety-two members of the congregation have been remembered with cards during the year.

The care of the Communion glasses and service is also the responsibility of the Board of Deaconesses, as is the Altar, Altar Cloths and Paraments.

There were 102 calls made during the year on the shut-ins.

We are also very grateful for the contributions we received in the form of Memorials at Easter, and other contributions which help in the work of the Board. New fronds were purchased by the Board of Deaconesses for the palms at Easter time.

A youth group dinner was held in the spring, at which time the members of the Confirmation Class were guests. The youth were assisted in serving the dinner by the Board of Deaconesses.

A lunch was served at the Annual Congregational meeting last January 1966.

The Officers for 1966 were:

ALMA H. JUDD, Chairman.

WOMEN'S FELLOWSHIP

The Women's Fellowship program has been carried on in the past year with regular meetings on the first Thursday of each month. The coffee hour being at 12:30, followed by a program of devotions and business.

The theme for the January meeting was, "Recognizing Our Call." On January 7th two of our members represented Saint Paul's Church at the United Church Women's Meeting held at the Greek Orthodox Church on East Avenue.

Because of a severe storm our February 3rd meeting was held the following week. The highlight of our program was a film, "Conformity," dealing with people living in a modern technological society and the tendency to identify with a group and conform to its patterns.

The theme for the March 3rd meeting was, "We are His People." A film, "The Long March," was shown. We learned of the concern christians have for those suffering in the world due to war, disease, starvation, and disaster. Three members attended the United Church Women's Meeting on March 4th at Salem Church.

April 7th, Maundy Thursday, the film, "The Way of the Cross," was shown. This beautiful film recreated Jesus' path to Golgotha - through Jerusalem, by the Sea of Galilee, the River Jordan, and Calvary. Six members attended the Annual United Church Women's meeting at Trinity Church.

The theme: Call to Mission and Material Aids was presented May 5th. We were informed of the outstanding work done by the Sewing Circle. A three day conference held at Lisle, New York, was attended by the president.

A picnic in June with thirty members completed the first half of the year's program.

On September 8th, Betty Haupt told some of her experiences caravanning for the United Church of Christ Home Missions. Four members attended a United Church Women's Retreat held at Salem Church, September 28th. Dr. Emily Werner was guest speaker. Her theme was, "We the Church, Facing Life's Dilemmas."

October 5th, Martha Nuttelman met with Women Fellowship members at Christ Church. Mrs. Dorothy Meehan of St. John's Home for the Aging, showed slides and gave a very interesting talk at our October 6th meeting. Your president attended a day's conference at Lisle.

Our program November 4th dealt with Stewardship. Our pastor showed three films, "City of Necessity," "Chosen Few People," and "Pride, U.S.A." The ingathering of the family Thankoffering amounted to \$73.83.

A Christmas luncheon and party was enjoyed on December 1st. The White Gift Offering amounted to \$26.00.

It has been a real pleasure and privilege to serve as your president in the past year. I would like to thank each one for all the help and encouragement that I have received.

Our program for 1967 will be of interest to all the women of our church. We need your help and support to make it a success.

Respectfully submitted,

ETHEL HAUPT, President.

MATERIAL AID

1966

The past year found a faithful group of women active with sewing for others. There is a great need for clothing and bedding in all parts of our country and abroad.

We meet on the second and fourth Thursday of every month. This year, we also met during the Summer months.

Some of the projects which we participated in were, in January we sent two cartons of new and used clothing to Southern Christian College in the Philippines. In June another carton was sent, which contained new clothing which the women made.

In May the church came to the aid of the colored people in Delta, Mississippi, with food and 91 pounds were collected and sent to Salem Church, to be sent out by the Presbytery. The Women's Fellowship paid the postage of 4¢ per pound.

There were two clothing collections sponsored by the United Church Women. All the members contributed clothing. There were 360 pounds in June and 175 pounds in November. Shipping costs paid by the Women's Fellowship.

One of the projects for 1966 was MAKE A BED. The Women made 1 Large Bed, Blankets, Sheets, Pillow Cases and 2 pair Ladies' Pajamas. Ruth Circle helped in making of 2 Crib Beds, containing 4 Sheets, Blankets and 5 pairs of Children's Pajamas.

For World Community Day by the United Church Women, we made 8 Children's Outfits and 8 Hygiene Kits.

At present we have started on our quota for 1967, which at present is the making of Layettes and in our new book, which is called, HIGHWAY FOR SERVICE, there are numerous projects and things to do, but due to a shortage of woman power, we can help in our small way.

Some of the women work on men's whiteshirts; cutting the collars off, where they are worn and also the sleeves. The neck band is bound and they are sent to the Lepers.

We use worn sheets to make bandages. Some of the women who cannot sew can tear these and are also contributing to this worthy work.

There is a great satisfaction in sewing and doing for others and at the same time we fill a need in our own lives, in our getting together.

Sincerely,

EMMA HOFFMAN, Chairman.

CHURCH SCHOOL "or" THE FUTURE OF ST. PAUL'S.

Cradle Roll - Mrs. Dorothy Bushnell, Department Head

We, at St. Paul's, have 25 very young folks enrolled. Seven babies were baptized in 1966, and six of our "growing babies" were promoted to the Beginners Department and presented "diplomas" upon graduation!

Nursery - Mrs. Wilma Bird, Department Head

Mrs. Bird is in charge of our nursery - a place where the very young are taken care of while you are attending the Church Service. Her very capable helpers are the following; wouldn't you like to add your name to the list?

Mrs. John Anderson
Mrs. Fred Breitung
Mrs. Gary Breitung
Mrs. Dorothy Bushnell
Mrs. Harold Donish
Mrs. Robert Duerr
Mrs. Charles Fox
Mrs. Stephen Fuss
Miss Dawn Gebhardt
Mrs. Margaret George
Mrs. Anton Gilson
Mrs. William Gross
Mrs. Albert Groth
Mrs. Hans Haller
Mrs. William Herb

Mrs. Helen Hoesterey
Mrs. Louis Kohl
Mrs. Arthur Leach
Mrs. McDonough
Mrs. Dorothy McEneaney
Mrs. Albert Meili
Mrs. Mario Paolotto
Mrs. Richard Pasch
Mrs. William Schoeneman
Mrs. Walter Schiemann
Mrs. Norma Sechrist
Mrs. Richard Tharp
Mrs. Robert Tylock
Mrs. Harry Voss
Mrs. Irmgard Wintermute

Beginners Department - Mrs. June Schoeneman, Department Head

A very homey group; why not visit this department? A very cheerful atmosphere, and their devotion period is most delightful and "impressive". Mrs. Schoeneman's helpers are:

Ula Kohl
Helen Duerr
Margaret George
Helen Hoesterey

Primary Department - Mrs. Marge Tharp, Department Head

This group is already financially minded! This past year, pennies were brought to the School; an Advent candle wreath and an artificial Christmas tree were purchased.

Mrs. Tharp's assistant is Mrs. Nancy Beckmann; Gail Kemp is in charge of the artcraft work of this department. Additional capable Teachers are:

Edna Schwartz
Dorothy Bushnell
Linda LeTouzel
-15-

Upstairs Department (The Young Adult Group)

We have a very fine staff of Teachers - Mrs. E. Gebhardt, Miss Barbara Guiliano, Mr. Harry Voss and Mr. Ricky Horch. Missing from this list are Mrs. Florence Bukowski and Miss Gloria Wagner; they are taking a little breathing spell - "a rest period"; we wish them well and hope for their return. It could be, Florence and Gloria are working very hard on the Church library.

Ricky Horch is a graduate from the Youth Group Class to the Teaching Staff. Might mention here too that Judy Bushnell not only works in the Church School Office every other Sunday but is our accompanist during the Devotion Period.

Mrs. Jean Anderson (Secretary with Helpers - Judy Bushnell and Dawn Gebhardt) reports total enrollment in the entire Church School (including the Adult Bible Class) is 173; the average attendance per Sunday was 87 for the year 1966.

Do not know if the members of St. Paul's realize it or not, but the Church School is self-supporting. Our treasurer, Albert Meili, reports we have a balance, as of January 1, 1967, of \$273.58. With the monies our boys and girls contribute each week, we purchase all materials for the entire Church School. Mr. Meili has a very capable assistant - Dorothy Harrigan; she posts all incoming envelopes and keeps him up-to-date on incoming funds.

As Superintendent of St. Paul's Church School, I am so proud to be giving this report. We, as a group, would like very much to have the Parents join with us; you might find a place where you might become active in the Church School - we do need the Parents!

Respectfully submitted,

FLORENCE KELLEY

All this day I am going to be a child of God. His love is round me. Underneath are the everlasting arms. I am going to be honest and true in all events of life and I believe that to those who love God all things work together for good. I am going to rise above all worry, fretting, fear and hatred, to live in an atmosphere of spiritual serenity. My life is part of the plan of God and that which is divine within me can never fail nor be defeated. Behind all that comes God's love and wisdom will be present to strengthen and sustain.

THE ADULT BIBLE CLASS

The Adult Bible Class spent another interesting year of Bible Study under the capable leadership of Pastor Beckmann and Miss Lucille Reuschle on alternate Sundays. The class meets every Sunday morning from September through June at 9:30. The hour is spent with a devotional service followed by hymn singing and the Bible lesson. The lessons have proven to be both interesting and inspiring.

Other activities consisted of providing the bus transportation for Christmas Carolers who sang in the evening of December 18th for the "shut-ins" members of the church at their homes. After returning to the church, refreshments were served by the Bible Class to 72 carolers. Mr. Fred Zettlemoyer again donated his services as driver of the bus. The Class also served the Easter breakfast to over 100 members and friends after the Sunrise service.

The annual Friendship Sunday was held on November 6th, 46 members and friends attended.

The group made financial contributions to the following:

Pledge to the church	\$100.00
United Nations	5.00
Gideon Bible Society	5.00
Vacation Bible School	10.00

The officers for 1967 are:

John Schwartz	President
Helen Zettlemoyer	Vice President
Agnes Groth	Secretary
Genevieve Donish	Treasurer
Louise Breitung	Pianist

AGNES GROTH, Secretary

1966 DAILY VACATION BIBLE SCHOOL

The Annual Daily Vacation Bible School was held from June 27, 1966 through July 1, 1966. It was a very successful week which was made possible by the very kind people who volunteered their services.

An average of 36 children attended each day. The children were divided into departments, under direction of the following teachers:

Beginners - - - - -	Dorothy Bushnell
	Tom Duerr
	Dawn Gebhardt
	Helen Hoesterey
	Dianne Mogavero

Grades 1 and 2 - - - - - Helen Duerr
Peggy Young
Judy Bushnell
Grace VanGraafland

Grades 3 and 4 - - - - - Linda LeTouzel
Denise Duerr
Margaret George

Juniors - - - - - Alma Judd
Grace Bereza
Louis Breitung
Nancy Beckmann

After each session, which consisted of devotions, study period, play time, snack time, and projects, Pastor Beckmann met with the children in the church for prayer, and he also explained the symbol depicted in the stained-glass windows, on the altar and other parts of the church.

Snacks were furnished each day, such as popsicles, cakes, cookies, milk, pop, etc. Assisting in the kitchen were Mrs. Albert Groth and Mrs. Ula Kohl.

Sincere thanks is extended to those who assisted the General Committee and the Heads of the Departments. Without their valuable assistance the Daily Vacation Bible School of 1966 would not have been the success it was.

Respectfully submitted,

MRS. WILLIAM SCHOENEMAN

THE SENIOR CHOIR

The Senior Choir completed a successful year with a faithful group of about 12 members. We were ably assisted by our talented and devoted organist Mr. Harold Steen.

We sang at all services, including all scheduled Lenten Service during the past year.

We had a fun-filled splash party and steak roast on a warm evening in June at the home of Mr. and Mrs. Fred Bopp, which was enjoyed not only by the choir members but their husbands, wives and sweethearts.

Our present policy is to select choral music which is familiar to most of the congregation. Also the frequent use of soloists from our group will be continued as a means of contributing to the worship services. Our capable soloists are: Mrs. Edward Gebhardt, Mr. Robert Peath, and Miss Judith Bushnell.

The Choir Members are to be congratulated on another year of faithful service to the Glory of God and their church.

Respectfully submitted,

MRS. JOHN SCHWARTZ, Director.

We cannot close the reports on the various organizations without a word of THANKS to Mr. Robert Peath (Director) and Mrs. John Schwartz (Accompanist) for the work they are doing with the Junior Choir. This group of fifteen youngsters meet every Saturday morning at eleven o'clock for rehearsal.

During this past year and again this year they have sung at several of the morning worship services. We have all enjoyed listening to these children and hope that we will have many opportunities to hear them again throughout the year.

With happy voices ringing
Thy children, Lord, appear;
Their joyous praises bringing
In anthems sweet and clear.

The Youth Fellowship meet every other Sunday evening at 7 o'clock. During this year they have had discussions on many subjects relative to current happenings. The understanding of current problems can only be had by constant study and discussion.

A dinner was held by the Fellowship assisted by the Board of Deaconesses to welcome the Confirmands of 1966.

Several events have taken place during the year with the Duerr's and Schwartz's opening up their homes for a social evening. Among the other activities, a delightful day spent at the Duerr's cottage in early summer, swimming party and bowling.

We hope for a better attendance from the high school age group at these meetings the rest of this season.

Now in the days of youth,
When life flows fresh and free,
Thou Lord of all our hearts and lives
We give ourselves to Thee.

Many of the officers on Page 1 of the church organizations have served in their present positions for many years. We of Saint Paul's Church are most grateful to them for their faithful service. Without these leaders in years gone by where would the Church and her organizations be today?

In the Old Testament one can read of sabbaticals. Now a sabbatical basically meant that a change every now and then was good for everyone. The Church realized this need for change in leadership when the Constitution proposed that a member could serve on the Council for only one term of three years. Then after a year of being out of office a person can be reelected.

There is no desire to keep one person from serving year in and year out, but a desire to have more members of the Church active in places of leadership. Many of our members are very capable of providing good leadership in many organizations of the church -- look over the list on Page 1 and the following pages.

When the time comes in the near future when the nominating committees of the various organizations are looking for new leadership, remember to give your talents to the Church and to the Lord of the Church -- Jesus Christ.

The thanks of the Church is extended to all who have served her in faithfulness, and a challenge is extended to those who would consider a position of leadership in the year and in the years to come. Don't hesitate to commit your service to the Church and her Lord.

TAKE BY LIFE, AND LET IT BE
CONSECRATED, LORD, TO THEE.
TAKE MY MOMENTS AND MY DAYS;
LET THEM FLOW IN CEASELESS PRAISE.

TAKE MY HANDS, AND LET THEM MOVE
AT THE IMPULSE OF THY LOVE.
TAKE MY FEET, AND LET THEM BE
SWIFT AND BEAUTIFUL FOR THEE.

TAKE MY VOICE, AND LET ME SING,
ALWAYS, ONLY, FOR MY KING.
TAKE MY LIPS, AND LET THEM BE
FILLED WITH MESSAGES FROM THEE.

TAKE MY SILVER AND MY GOLD;
NOT A MITE WOULD I WITHHOLD.
TAKE MY INTELLECT, AND USE
EVERY POWER AS THOU SHALT CHOOSE.

ANNUAL PASTORAL REPORT, submitted at the January 18th, 1968 Annual Meeting of the Congregation.

The month of January is the time of year when we look forward and backward at the same time. The god Jannis was portrayed as a two headed figure -- looking both forward and backward. Tonight the accounts presented shall give us a backward look into 1967, and also a hopeful look and a challenge for 1968.

Some families of our fellowship have experienced extremely trying times because of death with at least two of these families having gone through great tragedy. The quality of their faith has borne them through the year and will as long as they live. Though sorrow and tragedy lie 'round about us we know we are not forsaken by the one who is always faithful. Eight of our families have experienced the death of a beloved one this past year, and we mourn deeply the passing of each one from this earth knowing full well that in Christ all are made alive.

Where there is sorrow there is also joy. As part of my pastoral function is to be present at time of death, so also I have the function of reading the marriage service that unites couples in Christian marriage. Besides participating in two marriages in local Roman Catholic Churches, I officiated at five other marriages either at the Church or the Divinity School Chapel.

As marriage is probably the greatest joy one can experience, some of you know that the compilers of the Liturgy of the Church were careful to place the marriage and funeral services next to each other reminding us that joy, sorrow and death are close companions. Let us not fail to remember that now in our lives is the time to work, for the evening of life comes when, indeed, no man can work.

During the year only twelve new members were added to the church membership, and this figure includes seven confirmands. Through Christian Baptism ten new members were gained, and added to the unconfirmed membership list.

With each passing year we are reminded of our closeness to all peoples of this world. We are related one to another. This was the story told us in the opening chapters of the Bible. Today science is telling us this lesson as we live only a few hours by air from all men, and our communication is instant. Our Church World Mission goes to educate people almost everywhere in this world in many phases of human learning, and to relieve suffering. Through the United Church of Christ all peoples are being reached out to with varying degrees of success, even as Jesus gave expression that His mission to the world was for all people.

With only a few exceptions today the churches are working together as never before. This past year in our community we have worshipped in the local Roman Catholic Church and in the local Methodist Church. I trust these common experiences will commence in the near future. Around this state we are working in common with the United Presbyterian Church, the Baptist Church, the Episcopal, the Reformed Church, and the Methodist Church. Before February 1st,

one of our Buffalo pastors will have left for Kansas City to begin an ecumenical ministry with the Presbyterians and Roman Catholics -- operating from the same worship center.

Churches are working together on the denominational level because we recognize a Lord Jesus common to all peoples. Because we have received the Gospel we do feel the need of relating this Gospel to the whole of life.

If possible we must concern ourselves more and more with the work of the church. We should have study groups to see what the implication is between the Gospel and the world in this age. Surely this concern is for individuals as well as for society. Jesus told us we were the salt of the earth, and that if we have lost our saltiness and savour we are fit only to be trod underground. Let the church return to its proper place in society of redeeming society. This task is great.

And let us begin this job by turning to ourselves. Last year 337 members signed communion cards stating that they communed at least once in the course of 1967. Attendance at the Sunday morning worship service leaves much to be desired on the part of many members. We should be taking in more new members. Should not each one ask himself, "WHEN WAS THE LAST TIME I BROUGHT SOMEONE IN THE MEMBERSHIP OF ST. PAUL'S CHURCH?" 1968 lies before us. We have an appointment with God each Sunday morning -- rain or shine, snow or not. If we must be absent may our reason be valid. Bring a potential member to church with you. Let us pray, worship and reason together.

It is a privilege to be a member of the Church. I will not say there have not been misunderstandings, but these are at a minimum. Almost everyone is ready to open his mind and heart to the things that confront us. Love and respect for one another abound in this congregation.

We are grateful to those members who have made up the Council for 1967. A spirit of cordiality and responsibility was present in all its deliberations. The officers and teachers of the Church School and Choir Members have been faithful. There is always need for more members in each of these departments. More people are always needed and being asked for their special services of time and energy. When you are asked, may the request be looked upon as an opportunity for service to the Christ rather than as a term to be served.

Special mention, too, should be made of the work of the Deaconesses. The shut-ins and the sick look forward to these women who visit throughout the year.

There are other groups and individuals, too, who have done special works. The reward of all is knowing that a job is done for the glory of Christ. One thinks of the summer school staff, the various organizations, etc.; but let us also think of the things left undone that should be done. Let the challenges be faced and presented and worked at for the glory of Christ.

Faithfully yours,
W. JORRIS BECKMANN, Pastor.

THE PRESIDENT'S REPORT - OUR 105th Year - 1967

Dear Christian Friends:

As I sat down to assemble the material for this report, I wondered how I could make this one different from the three previous ones which I have written. This month I am completing my fourth year as president and my sixth year on the Council.

I must begin by expressing my appreciation to the Council for permitting me to serve as President. I deem it an honor and a privilege to be able to serve our church in any capacity.

This year our Council had twelve regular meetings and one special one.

It is very difficult to summarize the most important business transactions in a rather brief report.

Vice President Harold Hobin presided at the February meeting due to the fact that I was in Florida. I presided at all the others.

In March complaints were received from a couple members about the Area Council of Churches helping the organization, "FIGHT."

Our new sexton Stephen Fuss went on a full time basis April 1, 1967.

A snowblower was purchased for the parsonage, and a new folding machine was purchased for the church office.

Arnold Henn was appointed head of the music committee.

In April a joint ecumenical worship service was held at Emmanuel Methodist Church on Joseph Avenue. It was a thrilling experience to attend this service. Four different denominations united, one being Roman Catholic.

Mrs. Theodore Benz offered to sell her property at 134 Norton Street to the church for a parking area.

The bulletin box by the Jewel Street entrance was removed by Fred Zettlemoyer.

In May, St. Paul's was presented a certificate of honor at the Genesee Valley Association meeting in Warsaw, New York. Only 8 churches out of 42 were so honored for giving at least 25% of the church budget to benevolences.

On May 22nd, there was a Special Council Meeting to consider purchasing the Benz property. Some of the facts which were presented; cost of the property \$20,000.00; cost of demolishing the garage

\$1,000.00 to \$2,000.00; could park 14 cars with the garage down; 40 to 42 cars with the house and garage down; cost of tearing down the house \$6,000.00; cost of black top \$7,000.00 to \$8,000.00; if house is demolished black top \$11,000.00 additional. The church received an offer from Edward Weiss of \$12,000.00 to buy the house if St. Paul's would carry a 6% mortgage for 15 years.

After much discussion the vote was taken. The council decided not to purchase the property.

In June the per capita tax for the Genesee Valley Association budget increased from 60¢ to 70¢ per member.

The Vacation Church School was under the direction of Mrs. June Schoenemann.

In July the black top driveway at the parsonage was coated.

In August the church requested permission to park diagonally on Jewel Street, but it was not granted.

In September the Finance Committee which is also the Auditing Committee was appointed. It was composed of co-chairmen Harold Hobin and Harry Voss; also Harold Donish, Albert Meili, Ernest Prietz, Marion Shaw, Arnold Henn, Robert Duerr, and Fred Zettlemoyer.

The Budget was adopted as presented to the council on October 9th, and to the congregation on October 15th.

On September 11th, Dr. Julius Kuch preached the sermon.

The Nominating Committee was appointed in November. It was composed of chairman William Lohler, also Marion Shaw, Lois Groth, Gary Breitung and Edward Weiss.

After the December meeting the council decorated the Christmas tree in the sanctuary.

Panic bars, ball bearing hinges and a new lock were installed on the Jewel Street door of the church.

Three regular council meetings were held away from the church building. The September meeting was at our cottage, the October meeting at the parsonage, and the January meeting at the home of Marion Shaw.

To illustrate the devotion of our council members; at 8 P.M. on January 8, 1968 the temperature was 7° below zero, but 14 members attended the meeting.

Our minister, too, Reverend W. Jorris Beckmann is very devoted. He frequently goes beyond the call of duty. He walks humbly in the footsteps of our Lord. His wife and their four lovely daughters are also very devoted to our church, Sunday School and choirs. I sincerely believe our church is very fortunate to have this

family in our parsonage. I pray that they will be with us for many more years.

According to our constitution a council member may only serve for 3 consecutive years. After a lapse of one year he or she may be reelected. Those who are retiring are; Elder, Harry Stuver; Trustees, Ernest Prietz and me; Deacons, Fred Zettlemoyer, Robert Duerr and Harold Hobin.

I'd like to thank the members of the council for their wonderful cooperation and willingness to serve our church in any needed way.

A sincere "Thank You," also, to all of our devoted members.

May the Good Lord Bless and Keep Each One of You.

Sincerely,

LUCILLE REUSCHLE, President.

The Church Council meets the second Monday of each month at 8:00 P.M. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregational Meeting and serve a 3 year term.

REMEMBER THE CHURCH IN YOUR WILL.

Should you desire to include or add a codicil to your will, the proper wording is:

BOARD OF DEACONESSSES REPORT FOR 1967

The Board of Deaconesses has ended another year of service to the church and to the shut-ins.

The cheer baskets at Easter and Christmas were delivered by the Board members and with the help of the congregation, which was very much appreciated.

All Board members served on several committees helping with the Communion glasses, Altar Cloths, Paraments, delivering Altar Flowers, and visiting the shut-ins of which seventy-seven calls were made in 1967. Our Sunshine Chairman sent out seventy-eight cards to the members of the congregation.

The Board of Deaconesses served the lunch at the Annual Congregational Meeting in January of 1967.

In Spring a luncheon was held with the help of the Youth Group for the Confirmation Class.

WOMEN'S FELLOWSHIP 1967

The women's work of the Church is carried on partly by the members of the Women's Fellowship, with the aid of the Circles. The meetings are on the first Thursday of the month, with the exception of July and August.

After a Coffee Hour at 12:30 at our January Meeting, we had our devotions and Pastor Beckmann spoke to us about the History of the Church. The regular business meeting followed.

The Book Review "Crisis in Black and White," was done by Mrs. Antonow and there was a good attendance.

At our March Meeting, Mrs. Haupt had us portray the Lord's Prayer with the use of colored candles, which was very effective. She also spoke of our service to the Negro people.

We were to send packages to our servicemen.

Our meeting in April was attended by seventeen women. The topic had to do with "Affluence and Poverty."

At our May meeting we talked about having a Pot Luck Supper for everyone of the Church. This was held on May 12th at 6 P.M. After the supper we were shown beautiful pictures of Switzerland, by Mr. Marcell Warmbrodt, a friend of Mr. and Mrs. Charles Fox.

June was our Fellowship Luncheon served by the committee in charge. The afternoon was spent in fellowship.

The fall meeting of the Fellowship was held the second Thursday instead of the first, because of Labor Day. Mrs. Kohl spoke about the Chicken Dinner which Fidelis Circle planned to have on Tuesday October 17th, at 6 and 6:30. Motion was made and carried to send \$20.00 to the American Leprosy Mission.

Mrs. Haupt and Mrs. Hoffman attended the Fall Workshop of the Women's Genesee Valley Association on Wednesday, October 4th, at Lakeville, New York.

We contributed \$10.00 to the Silver Anniversary Fund of Lyle Conference Grounds.

Mrs. Kohl reported a profit of \$107.00 from the Chicken Dinner and Bazaar which the Fidelis Circle sponsored in October. She also reported \$40.63 collected from the Thankoffering.

At the November meeting the United World Tours were spoken of. Mrs. Evelyn Dickinson who was on this tour was asked to bring her pictures for the evening of Sunday, November 12th. A Sandwich Lunch was planned for 5:30, after which the pictures were shown.

The Christmas Party was held with twenty-seven in attendance. The luncheon was served by Mrs. Fox and her committee. The White Gift Offering amounted to \$29.00 and was sent to the Greenville Children's Home.

First Circle again sold Pecans for the Christmas Season. They also gave \$50.00 to the Women's Fellowship and \$25.00 to the Pearl Buck Fund.

Circle II gave \$50.00 to the Women's Fellowship and \$10.00 to the Leprosy Fund.

Fidelis Circle gave \$50.00 to the Women's Fellowship.

The Women's Fellowship also contribute to many worthwhile causes during the year, such as the Migrant Work and McAll Mission in Paris, France. And with the United Church Women for World Day of Prayer, May Fellowship Day and World Community Day. We are looking to many of our younger women to come and take part in our programs and in our fellowship.

Respectfully submitted,

EMMA HOFFMAN.

MATERIAL AID FOR 1967.

Among the many items which were in our quota for the past year, were hospital supplies and layettes and childrens clothes, such as pant suits and crib sheets and baby's bedding. Then we are always taking men's white shirts and cutting the collars off and hemming the sleeves, to be sent to the Lepers. Also sheets that still have some good parts to be used for bandages.

There are about ten women who come to the church every two weeks to sew for others and who find great satisfaction in making new and repairing old clothes which are still good, but have become outgrown. We are also making some very nice light weight quilts and baby blankets.

Most of the things which we now make are sent in one big shipment at the time of the clothing drive, which was in June and again in November. This saves many shipping charges and is all included in one big charge. This is usually paid for by the Women's Fellowship.

In June we sent 380 lbs., clothing and the postage was \$38.00.

In November we sent 395 lbs., clothing the postage was \$39.50.

We also made many childrens dresses and slack suits and girls blouses and skirts and four new blankets which we contributed to World Community Day with the United Church Women.

There is a great need for all kinds of clothing, but it must be clean and whole and when giving anything, ask yourself the question, "WOULD I WANT TO WEAR THAT?"

We have a quota sent out to us, but we try to do the best we can with the limited number of women who come out and also enjoy the fellowship. It really fills a need in their lives.

Respectfully submitted,

EMMA HOFFMAN - Chairman.

We thank Thee, Lord, Thy paths of service lead
To blazoned heights and down the slopes of need;
They reach Thy throne, encompass land and sea,
And he who journeys in them walks with Thee.

We've sought and found Thee in the secret place
And marveled at the radiance of Thy face;
But often in some far off Galilee
Beheld Thee fairer yet while serving Thee.

Cradle Roll

Dorothy Bushnell reports there were 10 baptisms in 1967 and 5 promotions to the Beginners Department. The Attendance Records show, there are 30 "very" young in this group. With 167 enrolled in the Church School, and 30 of this number are on the Cradle Roll, it certainly looks good for St. Paul's.

Nursery

We tried listing the helpers in last year's report - thinking it would be an incentive for additional names to be added; it just did not work that way. For better Church attendance, help is needed in the Nursery. Why not turn your name in to Wilma Bird? I am sure, men could be used - grandparents too! At this writing, I would like to add my name.

Beginners

After 8 years in this department (5 of them as a Department Head), June desires to be relieved of her responsibilities. I am hoping after reading this report, someone will be interested in working in this department. Drop in some Sunday morning to observe.

If anyone is interested in becoming the Department Head, please contact the Pastor or myself.

To June - a very big thank you for your faithfulness and service. I might add, June will not leave until a replacement is found but please, do not take advantage of this offer. Who knows, we might see June in the Bible Class on Sunday after a well earned rest, and active once more in the Church School.

You, no doubt, have noticed in the above list, Gretchen Voss has been added to the department - "welcome", Gretchen.

Primary

In talking with Marge Tharp, Joyce Hunter has joined the Teachers in this group. Mrs. Hunter is one of our newer members, and we are happy that she has found a place to serve.

The boys and girls made Easter baskets for the Hillside Children's home; it is fine when these young folks are thinking of others.

Margaret George is also helping out here; she originally was one of our faithful teachers in the Beginners.

Upstairs

We have 2 new Teachers - Edith Gebhardt and Edward Weiss. Gloria Wagner returned after one year's absence; we are so glad to have Gloria with us again. With other duties in the Church, Edie and Ed have found time for the Church School - isn't that wonderful!

At times, we find it difficult to find someone who will teach in this department; we are very thankful for our teachers.

General Comments

Again, we want to thank Al Meili for his many years of service as our treasurer and his partner, Dorothy Harrigan who does the recording of the money. At the present time, we have a balance of \$309.09. Remember, the School is self-supporting.

Jean Anderson, a gal that has done the office chores, I believe, since she was a teenager - now, there's a record! Judy and Dawn help her every other Sunday. Judy also is accompanist in the Upstairs Department, and we shall miss her when she leaves for College in the Fall.

Four of our teachers found it necessary to resign last September; they were Dorothy Bushnell and Gail Kemp of the Primary Department, and Ricky Horch and Harry Voss in the Upstairs Department. We hope someday in the future, they will return. Of course, we did not lose Dorothy, she still is the "Little Mother" of the Cradle Roll.

As was reported in the Pastor's newsletter, \$93.10 was collected by the young folks for U.N.I.C.E.F; they have done better, but the thought is more important.

If at any time, you have any ideas or suggestions for the good of the School, you can always find me in the office.

Respectfully submitted,

FLORENCE KELLEY.

THE ADULT BIBLE CLASS

The Adult Bible Class meets every Sunday morning at 9:30, from September to June. Our lessons are taught on alternate Sundays by Pastor Beckmann and Miss Lucille Reuschle. We have an average attendance of about 25. The first part of the hour is spent singing hymns and taking part in a devotional service.

In 1967 we again served the Annual Easter Breakfast following the Sunrise Service. Approximately 100 people were present. Because of the bus strike, we were unable to sponsor the Christmas carolling to the shut-ins as in the past.

Our Annual Friendship Sunday was held November 12th, with 38 present.

The class provided altar flowers on Mother's Day and Memorial Sunday and also placed several poinsettias on the altar for the Christmas season.

The group made the following financial contributions during 1967:

Pledge to the Church	\$100.00
United Nations	5.00
Vacation Bible School	10.00
N.A.A. Legal Defense Fund	5.00
American Leprosy, Inc.	5.00
Recording for the Blind	5.00

The Officers for 1968 are:

President	John Schwartz
Vice President	Helen Zettlemoyer
Treasurer	Genevieve Donish
Secretary	Dorothy Bushnell
Pianist	Louise Breitung

Respectfully submitted,

DOROTHY BUSHNELL, Secretary.

1967 DAILY VACATION BIBLE SCHOOL

The Daily Vacation Bible School of 1967 was held from June 26th through June 30th. A big thanks to all the volunteers who helped make it a success.

The departments were as follows:

Beginners	- Anna Weiss Dawn Gebhardt Sandy Brown Laurie Backer Vivian Weiss
Grades 1 and 2	- Helen Duerr Barbara Guiliano Judy Bushnell Patricia Weiss Linda Backer
Grades 3 and 4	- Marge George Helen Hoesterey Dennis Duerr Tom Hoesterey
Junior	- Mary Hartmann Nancy Beckmann Tom Duerr Eddie Gebhardt Mrs. Leshner.

Jean Anderson was busy in the kitchen preparing the snacks for the children. Assisting her was Ula Kohl, Dorothy Bushnell, Irmgard Wintermute, Mrs. Breitung, and Louise Breitung.

At the closing of each day the children met in the Church for stories from the Bible and closing prayer.

We also would like to thank Mr. Arnold Henn and Mr. Edward Weiss for there help.

A sincere thanks to all names mentioned and also to all the people and organizations who have helped make the Daily Vacation Bible School of 1967 such a success.

Respectfully submitted,

JUNE SCHOENEMAN.

THE SENIOR CHOIR

The Senior Choir completed a successful year with a faithful group of about 12 members. We were ably assisted by our talented and devoted organist Mr. Harold Steen, and our able choir director Mrs. John Schwartz.

We sang at most all of the services except when the Junior Choir took over. It is always a joy to hear their sweet voices. We also sang during the Lenten Services.

Our social life was not forgotten for we had a happy time at the home of Mrs. John Schwartz, also several pleasant gatherings at the parsonage.

We hope the congregation enjoys the type of music we have been singing. If there are any special requests for some of the older anthems we would be happy to present them.

Our thanks go to our soloists who did the summer services and also have sung solos in the anthems presented throughout the year. Thank you Judy Bushnell, Edith Gebhardt and Robert Peath.

We hope others will join us in the choir for we do need additional voices, especially for the festive services of the church.

Respectfully submitted,

ARNOLD .E HENN, Music Committee.

YOUTH FELLOWSHIP

This year the Youth Fellowship is once again plagued with the problem of having a small membership. We are continuing in our attempt to plan interesting programs, sufficient recreation and regularly scheduled parties. This year we have discussed interracial relations, drug addiction and teen-age values, as seen in the movie "SIXTEEN IN WEBSTER GROVES." We had a successful theater party, at which we saw and discussed the popular movie "TO SIR, WITH LOVE." Other parties included a Halloween Party, a fall picnic at the home of Mrs. Bushnell, and a Christmas Party at the home of Mr. and Mrs. Robert Tylock.

We are pleased to have as advisors this year Mr. and Mrs. Edward Weiss. We are thankful for the guidance of this capable couple and the pastor. Our officers for this year are:

President	Judy Bushnell
Vice President	Dana Schwartz
Secretary	Janine Tylock
Treasurer	Sandra Tylock

We have made several plans for the coming months. These include a Splash Party and a paper drive. Such activities can be successful only with the support of the members. We would urge all young people who have never come to a meeting to come now; our meetings are interesting and entertaining, but can always use the added interest you could provide.

Respectfully submitted,

JUDY BUSHNELL, President.

We cannot close the reports of the various organizations without a word of THANKS to Mr. Robert Peath (Director) and Mrs. John Schwartz (Accompanist) for the work they are doing with the Junior Choir. This group of youngsters meet every Saturday morning at eleven o'clock for rehearsal.

During this past year and again this year they have sung at several of the morning worship services. We have all enjoyed listening to these children and hope that we will have many opportunities to hear them again throughout the year.

With happy voices ringing
Thy children, Lord, appear;
Their joyous praises bringing
In anthems sweet and clear.

OUR MEMORIAL FUND

It has been the practice of St. Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provided us with a small but steady income in addition to the yearly offerings of our members. Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as Memorials for loved ones in whose memory these gifts were given.

How can individual members of Saint Paul's best serve the Church? I think this is what church organizations really must be about. No longer can women's groups be satisfied with tea, coffee and gossip sessions. The popular cliches of middle class society have no answers to a troubled world. The least we can do in our church organizations is to make our meetings of vital interest to the members.

On the other hand, members cannot be content to let George develop the program when one's name is John or Susie. An organization fails when there is no worthwhile program. I don't believe a worthwhile program consists of a steady diet of travelogues, or sport shows, or the presentation of an unplanned devotional.

One thing needed right now is an appreciation of the Church at work in the world today. Miss Hedwig Schaeffer, a missionary of the United Church will be with us on Thursday, May 1st. There will be a family get together for supper at the hour of 6:30, and following the supper hour we shall hear from Miss Schaeffer. Details will be forth coming from the weekly bulletin, or Newsletter.

The direction that the Women's Fellowship will take in the future can well be decided at the March meeting. No one has placed herself forward from among the younger members of the Church, and the older members have reached the point where they no longer are physically able to do the work done in the past. There are those who could take hold if they desire, but indifference is a sorry way of saying no. The Women's Fellowship can again become a very active women's group worthily bearing the name of Saint Paul.

The Sewing Group has been meeting with regularity each Thursday or almost every Thursday at the Church. This group manages to do a great deal of good through thread and needle. They usually meet from about ten to two-thirty or three.

Unfortunately there is no Men's Fellowship at the Church as the group disbanded a few years back because the men would not come out.

A Discussion Group has been meeting the first Monday of each month in the evening. The date has been set, and I trust will grow in interest as more people learn of the topics.

There is much for us to learn about the modern day services of the Church right here in Rochester -- through our ecumenical school, through Rochester Better Housing (one of our congregations has helped rehabilitate almost twenty inner city houses through this program), through the Board for Urban Ministry.

PRIMARYLY THINGS ARE A MATTER OF PUTTING FIRST THINGS FIRST, OR EXPRESSED IN SONG, "GIVE OF YOUR BEST TO THE MASTER."

ANNUAL PASTORAL REPORT, submitted at the January 16th, 1969 Annual Meeting of the Congregation.

One hardly knows how to place the happenings of the past year. A gardener sows seed in the Spring of the year and within a few months the result of his garden efforts are seen -- though in the fruits of the gardener one does not see the devoted hours, the fertilizers, the sun, the rain, or the warmth of the season -- but at least one does see the fruit.

When the workman goes forth to work, he knows what his job on an assembly line requires; the carpenter can see the result of his hand's work; the secretary can see her finished product.

In the church we are not always certain as to what the results of the Spirit are. We can recount certain statistical facts from 1968: eleven adult members were received into church membership and eight children were confirmed on Palm Sunday; the pastor conducted funerals for eleven members of the congregation; there were four weddings; there were a total of 12 baptisms; the amount of time spent counseling people with personal problems is certainly not on the decline.

The neglect of church responsibilities by young married couples is most disconcerting. Vows are taken within the fellowship of the church, but too seldom are followed by faithful worship habits and support of the Church. One sees this repeated in baptism -- too often. Vows are taken, the Sacrament is ministered, but the church is not seen fit for their worship habits. Promises and vows before God as seen in the Church have little meaning for far too many young couples. This happens here, and also in many other places with the simplistic comment -- "the church is not relevant."

I think that what must be done is show that God is working through the church today as He always has. Not long ago Mr. Wayne Fox with his guitar and through my comments did show how Biblical themes were expressed in folk music of today. We shall draw further on this theme on Sunday, February 16th -- one month from today.

The problems of society are also the problems of the church for God does love the world. During the Wednesday evening Lenten series the church will be shown at work through film and my comments. It was Able's blood that cried from the ground for salvation from the hands of Cain. The use of devotional material will also be a theme of one of the Lenten services. Perhaps a good title for the Lenten series this year will be, "The Work of the Church for Modern Man." The Lenten Service will start each Wednesday at 7:30 and this should infringe only slightly upon the choir's usual rehearsal time. With the exception of the Communion Ash Wednesday service these services will last until 8:15.

Studies of the church working in the world today should also be used in the various organizations of the church. Church meetings should have purpose behind them and goals to lead them forward. Interesting and vital programs will attract new members and enrich present members.

Benevolent giving in total dollars has reached the level of 1967 though a thousand dollars sent for Our Church World Mission was sent after January 1, 1969 and will be included in United Church of Christ Statistics for 1968. This thousand dollars is not included in the presented Treasurer's report.

The Elders of the Church will meet in the very near future to go over the list of members in regard to communion, worship habits, and contributions. Communication will be made with members who are not fulfilling their obligations.

I have a concern about members calling their monies contributed to the church dues. The church is different. To me at least dues is an obligation that one owes an organization as a matter of debt because he is a member. We are not like a local Scout troupe that will kick out its members if the Scouts do not pay their quarter a week dues.

However, our church giving involves the idea of the giving of ourselves in the spirit of sacrificial giving. An offering is to be an offering of ourselves. I believe an offering of 3% of our salaries as a basis for each member would erase our deficit in the current fund of \$2,854.00 for 1969. The church would not or could not simply level a 1% sales tax or a 10% surcharge on income tax. But the church can call upon members to re-examine their offerings (I might add in many forms) to the church. If one hundred members had given only 50¢ more a week to the church in 1969 or 200 members 25¢ we would not have seen our current fund shrink \$2,854.00 in 1968. A 3% gift of one's income is certainly not large when one remembers the government in income tax requires much more than 10%.

My duties extend beyond St. Paul's as most of you know. This year I shall assume the office of Moderator of The Genesee Valley Association. I have been a member of the Church Extension Committee of The State Conference, and also chairman of the Genesee Valley Association Church Extension Committee. I hope this ministry is a symbol of our larger ministry.

In this community I have become active in the local P.T.A., and in a Community Educational Ministry -- perhaps later in a Youth Ministry, but here is where other members should take the lead.

On the last Sunday of January at 7:30 P.M. there will be an ecumenical service involving a panel of six -- three laymen and three clergy of St. Paul's, St. Matthews Lutheran, and St. Michael's R.C.C.

I must close now with a gracious and hearty thank you to those who have worthily supported the Church this year -- to mention names would be to slight many. However, the church is indebted to Arnold Henn, and to John Schwartz our president.

This year I hope to conclude my 20th year of ordination and my 6th year of pastor of St. Paul's with your gracious support -- this being God's will.

Faithfully yours,
W. JORRIS BECKMANN

All who desire to present flowers in memory of loved ones throughout the year are asked to write their names on this calendar so that there be no duplications. Flowers may be ordered through your own florist, or through Mrs. Stephen Fuss - 266-5734.

We thank the donors of memorial flowers during the year. For the poinsettia at Christmas and lilies at Easter. The flowers add much to the beauty of the sanctuary.

During the summer months many garden flowers were brought to the church for decoration these were appreciated.

Plato once declared that "our souls take on the character of that to which they give themselves." Augustine echoes Plato: "A man is what he loves." Luther makes the same point: "A man is what he worships." John David Maguire.

THE PRESIDENT'S REPORT - OUR 106th YEAR - 1968

Dear Christian Friends:

This is my first year as president of the church council, and I appreciate the honor of serving in this capacity. I have been fortunate in having the faithful support of the men and women who comprise the church council and faithfully carry out their respective duties and obligations, often beyond the call of duty.

I was able to be present and preside over all regular meetings of the Council held during the past year.

In February the duties of the benevolent treasurer were incorporated in the duties of the treasurer. Our Financial Secretary Arnold Henn inaugurated a streamlined and efficient bookkeeping system for the church financial records. A quarterly audit of these records was adapted and met with the approval of the council. This financial procedure has proved to be very effective in its first year of operation.

In February a new Westinghouse portable dishwasher was purchased for the parsonage as suggested at last years congregational meeting. This purchase was approved by the Council.

Harry Voss was appointed head of the finance committee and Gloria Wagner was appointed head of the Social Action Committee. Mario Paolotto was elected and served as chief trustee during the year. Ed Weiss was elected and served as chief deacon for the year.

In May a report was given of the annual meeting of Genesee Valley Association held April 21, 1968 at the Honeoye Church. Those in attendance from our church were Emma Hoffman, Gloria Wagner, Lucille Reuschle, Pastor Beckmann, Arnold Henn and John Schwartz.

In June a new Model 8226 Lawnboy lawnmower with catcher bag was purchased for our church.

During the summer repairs were made on the kitchen floor tiles by Mr. George Peath and myself. During heavy rainfall, water flooded into the basement floors. Plumbing repairs were made to the window wells during the summer and the water leakage was finally eliminated.

During the Fall, extensive calking and pointing repairs were made on the East Wall of the Church (on the Jewel Street side). This contract was approved by the Council.

The Finance committee serving for the year were composed of Harry Voss, chairman, Arnold Henn, John Schwartz, Marion Shaw, Gary Breitung, William Lohler and Albert Meili.

In October an adult discussion group was started under the leadership of Gloria Wagner to meet the first Monday of every month. A group of about ten adults enjoyed this activity in the three meetings of 1968.

At a special congregational meeting of October 20, 1968 the Budget for 1969 was presented to the congregation and was adopted unanimously. The grand total of the Budget was \$34,860.00.

In October a piano was purchased for the Primary Department of the Church School. It was delivered in November.

The Nominating Committee was appointed in December with Frank Bukowski, chairman. Other members of this committee were Marion Shaw, George Peath and John Schwartz.

The Ecumenical Church School, which meets every Wednesday in our church building, was given full support by the approval of the Council. Lois Groth, Gloria Wagner, Arnold Henn, and Pastor Beckmann have spent countless hours and many meetings in support of this school. Arnold Henn, Marion Shaw, Alma Judd, Ethel Haupt, Rae Rubley, members of our church, have served this project during the school sessions on Wednesday afternoons and are to be commended for their work.

Our minister Reverend W. Jorris Beckmann has been present at all Council meetings and has aided and cooperated well in all Council activities. He was present even at all committee meetings including Financial (Auditing, Budget,) and Nominating, some of which were held in very stormy weather.

The Council wishes to acknowledge the good work of the retiring council members who are: Elder, Frank Bukowski; Trustee, Lois Groth; Deacons, George Peath, Earl Maier, and Donald Pickworth. Fred Brown completed a one year term as trustee to replace a trustee who left the church. He has agreed to serve an additional two years to complete a full three year term of office.

The Finance reports for 1968 indicate that our receipts fell short of our expenditures by \$2,800.00. This indicates that we would be in trouble financially in the years ahead if this trend continues.

I wish to express thanks to all Council members and all members of the congregation who have assisted us in our activities during the year.

Sincerely,

JOHN SCHWARTZ, President.

The Church Council meets the second Monday of each month at 8:00 o'clock. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregational Meeting and serve a 3 year term.

BOARD OF DEACONESSSES REPORT FOR 1968

The year 1968 ended successfully for the Board of Deaconesses, and I wish to report that gifts were taken to our sick and shut-ins, and many calls were made during the year. At Easter time 51 gifts were made and delivered and 50 or more at Christmas time. The committee in charge was Julia Foster, Caroline Wilson and June Schoeneman. Fifteen of each of the gifts were taken to Saint John's Home for the Aging, for some folks there, who have nobody to remember them at holiday time. They were so happy and thankful.

There were 127 calls made in 1968, and our able Florence Kelley, Sunshine chairman sent 20 birthday cards, 40 get well cards, 30 notes and 19 sympathy cards.

We had four meetings, a picnic and a Christmas party. Our newly elected Deaconesses were guests at the Christmas luncheon.

At our April meeting Pastor Raymond Probst, Chaplain of Saint John's Home for the Aging was our speaker and at our September meeting, our own Pastor Beckmann spoke to us. Mr. George Schmiddeke showed his slides of Holland at our October meeting.

The refreshment committee served at the Annual Congregational Meeting, January 16, 1968.

The Altar flowers are delivered each Sunday, when possible, to our sick or shut-ins.

AUXILIARY MEMBERS

Mrs. Fred Lane and Mrs. Florence Kelley

I would like to thank all the members for helping me make 1968 a successful year, and to June Schoeneman, especially, for her kindness all year long. Many of our members have told me they received as much comfort and pleasure in visiting the shut-ins, as they gave to them. This makes us feel that we are doing good and it is worthwhile.

WOMEN'S FELLOWSHIP 1968

The Women's Fellowship which has had about twenty five faithful women who attended the monthly meetings. The meetings which are on the first Thursday of the month. According to the Constitution for Women's Fellowship, every woman by virtue of her membership in the congregation is considered a member of the Women's Fellowship. Active membership means any women who takes part in the work of the Fellowship through prayer and service, attendance at meetings and contributes financially to the fellowship.

The Fellowship is a part of the Genesee Valley Association of the New York Conference of the United Church of Christ. We pay 25¢ for each women of the Church to the Treasurer of the Women's Genesee Association.

Our first meeting in January was led by Pastor Beckmann. He spoke to us about "Coventry Cathedral", how it had been bombed during the war and was later rebuilt. Mrs. Gross and Mrs. Beckmann assisted in reading scripture.

We start our meetings with a sandwich lunch and have dessert furnished by the Fellowship at 12:30 and Devotions at 1:30.

On March 1st we had a World Day of Prayer Service at the Church in connection with Church Women United. There were four Churches taking part. Our speaker was Libby Guthrie, who had been to Kenya during the past summer. Mrs. Edward Gebhardt was the soloist, accompanied by Mrs. Clyde Everhart.

The Devotions for our monthly meetings were Twelve Worship Programs for Adult Groups, based on the "Statement of Faith," of the United Church of Christ.

The Spring Meeting of the Association was held on May 1, at the Emanuel United Church of Christ. Mrs. Wilson, McNaught and Hoffman attended.

The meetings in June and December were Luncheons, and usually are very well attended.

The Women's Fellowship contributes to many worthwhile causes such as, toward the Flower Fund, Sewing Circle, World Day of Prayer, May Fellowship Day, Migrant Work, World Community Day, all of these projects of the Church Women United. Then we contribute to McAll Mission and helped in bringing gifts for St. John's Auxiliary Sale which was held November 14. At our Christmas meeting we had a White Gift Offering, which was sent to St. Paul's Children's Home.

Two of the Circles are still active. They are Circle II and Fidelis Circle. Each contributed money to the Fellowship at Christmas. Circle II gave \$50.00, and Fidelis gave \$75.00.

Fidelis Circle sponsored a Mothers and Daughters Banquet May 24th and also a Spaghetti Supper October 18th. They also sent Christmas Gifts to the Girls in one of the Cottages at the Greenville Children's Home.

Our ThankOffering which is brought in November was far below our previous record. This is one of the Projects of our women and we have so many things to be thankful for and if we just drop a small coin into our boxes regularly the amount soon grows. This money is used for many worthwhile causes.

We cannot predict what will be the future of the Women's Fellowship, as there seems to be a lack of Leadership, we need someone with consecration and ability to lead our women.

Acting Chairman

EMMA HOFFMAN.

MATERIAL AID FOR 1968.

As in previous years the work of our department is very much the same. At the beginning of the year, or about April after the Genesee Valley Spring Work Shop, we receive our Program Book. This is entitled, HIGHWAYS OF SERVICE. In it are all the instructions as to what is needed. Our Fellowship Chairman also sends a letter telling all the Chairman of Local Churches just what is needed.

We have about ten faithful women who come to help with the work. If a person doesn't feel like sewing, there are bandages to roll, or work on hospital gowns.

One of the projects last year was making school bags and filling them with supplies, such as pads, pencils, erasers and note books.

We usually meet every second and fourth Thursday, but last summer we met about every week. We made Girls Dresses and Slack Suits and also Quilts.

We also packed the used clothing for the Clothing Drive by Church World Service. In April we had 510 pounds and in November 275 pounds. Mr. Earl Gommengenger helped in taking the clothing to the Salvation Army Center, from there it was sent by truck to New York City.

Our hope is that some of the women who are not working or otherwise engaged, will come out and join us. There is great satisfaction in working for others and it also fills a need in our own lives.

Respectfully submitted,

Emma Hoffman, Chairman.

To worship is
to quicken the spirit to the holiness of God,
to feed the mind on the truth of God,
to purge the imagination by the beauty of God,
to open the heart to the love of God, and
to devote the will to the purpose of God.

Cradle Roll

Dorothy Bushnell reports there were 12 baptisms in 1968 and a number of the children were promoted to the Beginners Department. The Attendance Records show, there are 30 very young in this group. With 158 enrolled in the Church School, 30 are on the Cradle Roll.

We thank Florence Kelley for her service as Superintendent of the Sunday School, and for her work with the youth of the church in other capacities. Our thanks, also, are extended to Mr. Albert Meili, who is retiring after many faithful years of service as Treasurer of the Sunday School. Though we are sorry to see him leave, he surely deserves a rest, having devoted much time and thought to his work in the Sunday School. Mrs. Harrigan and Mrs. Gebhardt have offered to assume the duties of Treasurer.

Rather than present a detailed list of the staffs of the various departments of the Sunday School, suffice it to say that all depart-

ments presently have adequate staff. We are especially fortunate to have two male teachers in the upstairs department, Mr. Dennis Spray and Mr. William Rubley. Since young persons learn as much from our actions as from what we say, it is good to see some men devoting time and effort to the cause of Christian Education.

As individuals attempting to influencing the thought and behavior of young persons, we are faced with a complex task. In order to be successful, we need to be firmly grounded in the faith, ourselves, to understand the thinking of those we would teach, and to utilize appropriate methods of communication effectively. We have been working, and will continue to work, to strengthen ourselves in each area.

We who teach feel that ours is an important task. However, Christian education is a lifelong process, beginning in infancy, continuing throughout life. Parents are the prime educators. We hope that the parents of young persons in the Sunday School will join with us by actively seeking to further their own Christian education, and by giving conscious thought to the education of young persons, by precept and example.

Respectfully submitted,

GLORIA WAGNER, Superintendent.

O Lord, our heavenly Father, in whose image all the children of men are made; bless, we beseech thee, the Sunday Schools of thy Church, that the young may be rightly instructed in thy Word, and find him whom to know aright is life eternal. Open the holy Scriptures, both to those who teach and to those who learn, that the difficulties of the letter may not hide the light of the Spirit. Make all the pupils ready to be taught and willing to obey, that they may find joy and peace in the way of the commandments. Enrich the teachers with patient faithfulness and loving wisdom, and send more laborers into this part of thy vineyard, that the young and tender plants may be nourished and trained to bring forth fruit unto everlasting life. So let thy truth be manifest from generation to generation, and the whole family of mankind rejoice together in thy mercy; through him who is the Savior of the world, Jesus Christ, our Lord. Amen.

THE ADULT BIBLE CLASS

During 1968, the Adult Bible Class met 41 Sundays with an average attendance of 19. On January 28, 53 people attended a coffee hour in honor of Miss Lucille Reuschle who had taught 30 years. She was presented with a gift in appreciation of her many years of service.

We served approximately 110 people at the Annual Easter Breakfast following the Sunrise Service. We decided that, due to the lack of help, this was to be our last year of sponsoring this endeavor.

We made the following contributions during 1968.

Church Pledge	\$100.00
Vacation Bible School	10.00
United Nations	5.00
Multiple Sclerosis	5.00
in memory of M. Arlene Donish	

We are in the process of trying something new in the Bible Class --a lesson every other week, taught by Miss Reuschle, and a discussion period the alternate Sundays. We are hoping that by changing the format, we will interest more people and thus increase our membership.

YOUTH FELLOWSHIP

This year the Youth Fellowship has only a few regular members. Unfortunately without the cooperation of more of the youth and their parents the Youth Group can't successfully complete its projects.

We held a paper drive this fall and would like to thank those who helped us, especially Mr. Ed. Weiss.

Sponsoring a Halloween Party was one of our projects, for which we had a large turnout. However there were only a few who were willing to give their time to make it a success.

We are fortunate this year to have as our advisor, Mr. Dennis Spray.

We have made plans for a theater party, a bowling party, and for attending different church services. Also we have several projects in mind.

Respectfully submitted,

ROXANNE BOPP

Hardly a day goes by without opportunities for each of us to share with others a portion of God's goodness, truth and beauty . . . through conversation, over the phone, by writing or encouraging others to become communicators themselves.

THE SENIOR CHOIR

The Senior Choir completed the year of 1968 with a faithful group of 12 members. Mrs. John Schwartz our Choir Director and Mr. Harold Steen our Organist, have been most faithful in their direction and help in rehearsals for the preparation of music.

During the year the choir presented many old favorites, anthems and chorals. If we had more choir members (men, women or teen agers) we could do better work, but we did try. Special thanks to our soloists, Mrs. Edward Gebhardt, Miss Judith Bushnell and Robert Peath whenever he had a week end pass from the army and found time to join the choir.

No organization can exist without a few social get togethers. We were entertained at the home of Mrs. Fred Bopp for a swim party and steak dinner. Later in the year the group had an enjoyable evening at the parsonage with the Pastor and Mrs. W. J. Beckmann as our hosts. Plus a few cake and coffee sessions to celebrate birthdays and other special occasions. Then at Christmas the Schwartz's had a Christmas Party for choir members.

The future of the choir depends on the members of the church for more active participation and faithful attendance at rehearsals and services. Who will step forward to give his or her time to this important part of worship?

Respectfully submitted,

EDNA SCHWARTZ, CHOIR DIRECTOR.

All nature's works His praise declare,
To whom they all belong;
There is a voice in every star,
In every breeze a song.
Sweet music fills the world abroad
With strains of love and power;
The stormy sea sings praise to God,
The thunder and the shower.

Great God, to Thee we consecrate
Our voices and our skill;
We bid the pealing organ wait
To speak alone Thy will.
Lord, while the music round us floats
May earth-born passions die;
O grant its rich and swelling notes
May lift our souls on high!

OUR MEMORIAL FUND

It has been the practice of St. Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provided us with a steady income in addition to the yearly offerings of our members. Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as Memorials for loved ones in whose memory these gifts were given.

REMEMBER THE CHURCH IN YOUR WILL.

Should you desire to include or add a codicil to your will, the proper wording is:

these are free for the asking.

For all the saints who from their labors rest,
Who Thee by faith before the world confessed,
Thy Name, O Jesus, be forever blest.
Alleluia! Alleluia!

Thou wast their Rock, their Fortress and their Might;
Thou, Lord, their Captain in the well-fought fight;
Thou, in the darkness drear, their one true Light.
Alleluia! Alleluia!

O blest communion, fellowship divine!
We feebly struggle, they in glory shine;
Yet all are one in Thee, for all are Thine.

Dear Pastor and Members of St. Paul's Church:

We extend to the members of St. Paul's Church Family our love and sympathy in the great loss sustained by the sudden death of Miss Lucille Reuschle who offered so much to others during her busy life and served St. Paul's Church with understanding and constant support for many years.

Also we appreciated her willingness to serve the Church beyond the local Congregation in the Association and the New York Conference where she accepted positions of responsibility as a member of committees.

For her devotion to her Church and for her faithfulness to Christ made radiant in her commitment and actions, we thank God who rewards his servants with the eternal crown of life.

May the Holy Spirit comfort the bereaved Family and Friends and offer the consolation of the gospel of the resurrection.

Yours in Christ Jesus our Lord.

JULIUS W. KUCK.

ANNUAL PASTORAL REPORT, submitted at the
January 15th, 1970 Annual Meeting of the Congregation.

The years roll past in our lives, and each of us is one year older -- for better or for worse. Some older people wish for the strength of former days, and some younger people rejoice in their physical maturity and their ability to provide for themselves. The young marry and raise their families and face with obligation and duties the life upon which they have launched.

All of our lives grow older and more experienced until we finally face the call that now all is done, your time has been completed. Death is the time when no longer can we change in our lives what might have been. In the words of our Lord, "It is finished."

However, the life of the church will ideally not get older, but must always remain young. Doesn't everyone know a person less than forty who is real old, and doesn't everyone know an older person who is always young at heart? There are people, many people, who are willing to try new ventures and new ideas in the expression of the gospel, and there are many who are content to regard and keep the church just the way it used to be -- whatever that may mean.

It is one thing to adopt new inventions that make for our personal comfort, but another thing to put in motion a statement such as "God so loved the world." Sometimes it is easier to love a distant part of the world, and not the world right at our side. Indeed, this is too simple a statement for the fact is we often don't know what is right and don't know how to love the world at our side. I find myself in this dilemma with many of you, but shudder at the quote of a California Judge reported in the current issue of the United Church Herald spoken to a minor Mexican-American charged with incest, "You are of no particular good to anyone. We ought to send you out of the country -- send you back to Mexico. You belong in prison the rest of your life for doing things of this kind. You ought to commit suicide You are lower than animals and haven't the right to live in organized society --- just miserable, rotten, lousy people. There is nothing we can do with you. You expect the county to take care of you. Maybe Hitler was right. The animals of our society ought to be destroyed because they have no right to live among human beings. If you refuse to act like a human being, then you don't belong among the society of human beings."

"What are we going to do with the mad dogs of our society? Either we have to kill them or send them to an institution."

People can say, "That's pretty tough language, but we can't do anything about the situation." "If people don't or won't obey the rules of society, what can be done with them?" Maybe others won't

take a defeatist attitude and say, "Let's look at the background of the situations that society faces. Maybe we don't understand all the background." And even when one tries there is no certainty that he will be able to carry through his good intentions. I guess not even Jesus was able to conquer the world with love, but he gave himself to the attempt and his life and death gives mute and open testimony that love expressed to others does have its rewards. He did redeem some. He did change some people in society. Some were not touched because they refused, but surely we can live in the hope of good and love conquering.

We have had our moments of sadness in the past year. There is no reason to believe that we are so favored. Tragedy can strike all people. Rudy Hoffmeier lived a sainted life for many years within the bounds of our fellowship. He was faithful to family and friends as he directed and brought his children to church. His artistry added to the church beauty in the Christmas wreath. He died suddenly last Spring as he prepared to come to the church for a dinner and to hear a missionary speak. Miss Lucille Reuschle, a lifelong, active member of Saint Paul's was killed together with her sister in a fiery automobile accident north of Nashville, Tennessee. She was the first lady president of Saint Paul's and served twice in this capacity. She taught the Adult Bible Class for many years, was a deaconess, and served the church in many other capacities in the state and community throughout her life. She carried the Gospel in her professional life as a teacher at Monroe High School, and beyond. She and her sister Carolyn Horch seldom were absent from their accustomed pew of worship. They followed the custom of their Lord of worshipping faithfully "as was their custom."

We also remember Theophil Krenz, John Barron, Mary Rocktaschel, Lloyd Smith, Paula Wenzel, Walter Pagels, and Elvira Bettin.

There were seven marriages, two baptisms, three new members through letter of transfer, six new members through the Rite of Confirmation, and ten deaths.

There are other members who have been with us in past years and are no longer present who are remembered by their kindness and faithfulness. I think of Mr. and Mrs. Albert Meili and Mr. and Mrs. Fred Zettlemoyer who have moved to Florida.

Surely each one in the church can think of many people whose lives in our midst have been governed by faith. And for those we are thankful to Almighty God.

We think of our Church School teachers and those who give their Sunday evenings and spend other times with the youth of our church. The faithful members of the choir. Mr. Arnold Henn who keeps every-

thing concerning the business affairs of the church in excellent shape.

Our church council president John Schwartz has been faithful in his duties throughout the year. We are grateful for all his good services to the church.

We think of the leaders of the various organizations of the church. I personally think of those who are faithful in their worship habits each Sunday. Some are faithful at Christmas time and Easter, but others realize the necessity of receiving the Word of God for their lives as much as there is need for food on the table. For every bit of faithfulness I give thanks to our heavenly Father.

Sick visitations, hospital calls are given high priority and have been made as I have been informed by families and friends. Because many home visits must be made at night if the family is to be visited, and there are not too many nights in the week, few of these are made. However, these calls are being made and will continue to be made.

During the past year I have resigned from the State Conference Committee on Church Extension because of duties as Moderator of the Genesee Valley Association. These duties will terminate as of mid April at the Spring Meeting of the G.V.A. The State Conference is attempting to redraw the Constitution, and I am serving on the Education Committee for this matter. Beyond the church Nancy and I are serving as co-presidents of the P.T.A. where our children are students. One thing that is facing us right now in this matter is the proposed total integration of the public schools within the city. Some people are sold absolutely on the idea, some are simply opposed to it, sections of the proposal appeal to some and are rejected by others.

One thing I felt we should be doing this year that was done last year was the Wednesday afternoon ecumenical school. Children came to the church for several Wednesdays wondering when the school would open. We couldn't open it because of the lack of teachers. Here was one way we had been able to reach children in the community through the sixth grade. Possibly the opportunity will be ours once again in the Fall of the year.

Another disturbing thing is our drop in church attendance, and the resulting drop in our income. We have had huge repair expenses here at the church building. The budget calls for more needed repairs -- pointing of another side wall in 1970, repair of front steps, among other usual needs. Because these needed repairs were done and income has not kept up we are way behind in our benevolent giving for 1969. No one need complain about paying for members not contributing. Our giving to Our Church World Mission simply has not been paid in full, and the exact amount between budget and actual giving may be obtained from the treasurer's report.

Should the church become more involved in the world or should it live as an isolated body? We have available this evening copies of the United Church Herald for your reading at home. The things that our denomination hopes to do in the '70's are presented. What other church members across the country are thinking is found in articles and in letters to the editor. I don't think that everyone has to swallow these ideas because they are in the United Church Herald, but isn't it a good idea to learn the considered opinions of others? A preview of the '70's is given by the newly elected president of the church, the Rev. Dr. Robert V. Moss. While 50¢ is the regular cost of an issue of the Herald a quarter will cover the cost to the church, or if you don't want to pay for your copy just take one with you with the idea that you will read it.

I would like to see various study groups within the homes of the church discuss the church in the 70's. Remember in the dear dead days beyond recall when you were boys and girls and you had fun discussing the problems of the day -- "blowing up of the Maine," Wilson's campaign, "he kept us out of war," "the depression of the 30's," "the sale of fifty destroyers to the British," to today's questions of population, of church activism, crime on the streets, school situations, poverty, war, drugs, and a hundred other things. How can Christ's love enter the world unless we know and share this love?

May the '70's be the years in which the Faith grows on us, and we grow in our Faith.

FAITHFULLY YOURS,

W. JORRIS BECKMANN.

We thank Thee for this place in which we dwell; for the love that unites us; for the peace accorded us this day; for the hope with which we expect the morrow; for the health, the work, the food, and the bright skies that make our lives delightful; for our friends in all parts of the earth, and our friendly helpers in this foreign isle. Give us courage and gaiety and the quiet mind. Spare to us our friends, soften to us our enemies. Bless us, if it may be, in all our innocent endeavors. If it may not, give us the strength to encounter that which is to come, that we be brave in peril, constant in tribulation, temperate in wrath, and in all changes of fortune, and down to the gates of death, loyal and loving one to another.

THE PRESIDENT'S REPORT - OUR 107th YEAR - 1969.

Dear Christian Friends:

This has been my second year as president of the church council, and I appreciate the honor to serve another year in this capacity. Again I have had the faithful support of the men and women who comprise the church council and faithfully carry out their respective duties and obligations.

I was able to be present and preside over all except one meeting of the council held during the past year.

In February an oxygen unit was presented to the church by Mr. and Mrs. George H. Haupt in memory of their son Robert G. Haupt. This unit will be available at all times in the church for emergency purposes. All deacons and council members were instructed in the use of the equipment by a first aid lecture and demonstration by National Ambulance instructors presented preceding the March council meeting.

In February a bid of \$603.00 was received for a public address system for the church, but the council voted against purchasing the system.

In March a bid of \$6,400.00 was received for painting of the main section of the church. The possible sources of money for this project were clearly presented by the Financial Secretary to the Finance Committee. The matter was presented to the congregation at a special Sunday meeting by Mr. Harry Voss, chairman of the Finance Committee. After much deliberation a group of volunteers under Mr. Lewis Shaw painted the entrance hall after necessary repairs were made to the plaster. The main Sanctuary walls were washed down by Tidy-Up Service for \$125.00.

In the April meeting of the Genesee Valley Association, Pastor Beckmann (who began his term as moderator), Arnold Henn, Lucille Reuschle, and myself attended the sessions at Salem Church.

At the April meeting a suggestion was made by Mr. Harold Duerr that special invitations be prepared and sent out to residents of nearby apartment buildings. This suggestion has been adapted and these invitations will be sent out during 1970.

In May our church was honored at a Pot Luck Supper meeting by a talk by Missionary Hedwig Schaeffer about work in India. The attendance at the supper was 115.

In June the trees on the Jewel Street side of the church were trimmed at the request of neighbor Mr. Arthur Brown. In June the Hub Oil maintenance plan was accepted for the church heating system.

In June the Council voted to grant \$200.00 as a contribution to the Northcentral Area Youth Ministry for the hiring of a youth minister.

In July our council was saddened by the death of Miss Lucille E. Reuschle, who served as a member of the church council during the years 1954-1967. She was president of the council during the years 1966-1967, and her death is a great loss for all of us.

Attempts were made during the summer to obtain painters to paint the interior of the parsonage. Mr. Brown, trustee, contacted 6 painters but was unable to get anyone to do the job. We hope to have the job done next summer while the pastor is on vacation.

At a special congregational meeting on October 19th, 1969 the Budget for 1970 was presented to the congregation. This budget was adopted by unanimous vote. The grand total of the Budget for 1970 was \$31,516.00 as compared to \$34,860.00 for 1969.

In November and December negotiations were made with Mr. Grossman, a neighbor of the church on Norton Street side. In August he requested our church to repair the stone wall which is on church property adjacent to his driveway. Drainage water was washing soil and other debris onto his property. Also he requested that a large tree located on the northwesterly corner of the church property be trimmed or taken down. Since he could not legally force us to repair the wall or remove the tree he then in November requested to purchase a 10 ft., piece of property next to his property so that he could build a new wall, widen his driveway, and cut down the tree.

An appraisal determined that the value of the property should be \$100.00 per front foot. No offer to purchase this property has been received at this time from Mr. Grossman.

In August pointing and repair work was done on the North Wall of the church. This contract was approved by the council. We are attempting to do such work on one wall of the church each year. It is a very expensive project, but it is necessary to maintain the church building and prevent destructive deterioration of the walls.

The financial picture for our church is far from being encouraging. For many years we have been unable to meet our budget from church receipts and have had to use income from bank deposits to make up the deficits. Inflation is continuing to increase our expenses. By unanimous approval of the finance committee and church council we have made the purchase of 3,512 shares of Investment Company of America for \$50,010.00. This will provide a yield of \$750.00 per quarter to

help with meeting current expenses which are not being met with pledges. This investment should sustain us in future years better than the 5% interest from savings banks which we formerly received.

The Finance Committee serving for the year was composed of Harry Voss, chairman, Arnold Henn, John Schwartz, Gary Breitung, Marion Shaw, and Frank Bukowski.

The Council wishes at this time to recognize the good work of the retiring council members who are: Elder, Arnold Henn; Trustee, Marion Shaw; Trustee, Mario Paolotto; Deacons, Harry Voss, Gary Breitung, and Edward Weiss.

We wish to acknowledge the aid and cooperation received from our minister, Reverend W. Jorris Beckmann. He was present at all meetings and also attended all committee meetings during the past year.

I wish to extend thanks to all council members and members of the congregation who have assisted us in our activities during the past year.

Sincerely,

JOHN M. SCHWARTZ, PRESIDENT

We are made for co-operation, like feet, like hands, like eyelids, like the rows of the upper and lower teeth. To act against one another then is contrary to Nature, and it is acting against one another to be vexed and turn away.

MARCUS AURELIUS.

The Church Council meets the second Monday of each month at 8:00 o'clock. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregational Meeting and serve a 3 year term.

BOARD OF DEACONESS REPORT FOR 1969

We have had a gratifying year both in the way of service to our shut-ins as well as faithfulness in attendance at our meetings on the part of our members. We have four meetings a year, plus a June picnic and a Christmas luncheon to which the candidates for the next two years are invited as our guests.

Lucille Reuschle's untimely death saddened us as she had joined our ranks only recently and was enjoying the work so much. Marie Lehmann graciously stepped in to fill the vacancy.

Twice during the year a small group of us thoroughly cleaned the sanctuary and the nursery. We intend to do this from time to time and would welcome help from anybody interested.

Florence Kelley is to be commended for her remarkable ability in composing appropriate notes to members of our parish. Her work is much appreciated. A special "thank you" to Louise Breitung for her tireless work in keeping the altar in first-class condition for the past two years. This is one of the duties of the Board of Deaconesses.

Our nominating committee was successful in getting a full slate of ladies to join our ranks for the next two years and we are happy to welcome them. Our shut-ins always greet our calls with so much enthusiasm.

We appreciate the services of the following people who have completed two years of service: Julia Foster, Ann Brierly, Lillian Howorth, Louise Breitung, Nancy Beckmann, Florence Kelley, Sophie Kruse and Eva Protersch.

The following members have one year more to serve: Vera Frederick, Helen Fox, Helen Gesell, Ruth Gross, Alma Judd, Elsa Kilian, Elsie Koch, Betty Lescher, Rato Pasch, Marie Zimmermann and Marie Lehmann.

Instead of the usual \$1.00 gift exchange at our Christmas Party, we voted that a \$50.00 check be sent to the Saint Paul's Orphanage at Greenville, Pa.

New members are: Angie Smith, Mina Benedict, Helen McNaught, Carolyn Wilson, Thelma Goetz, Marion Thiem, Laura Rader, Hilda Graf, Clara Maier, Ruth Alderman. WOMEN'S FELLOWSHIP 1969

The Women's Fellowship which meets the first Thursday of the month and to which every woman of the church belongs according to the constitution has fifteen or twenty faithful members. The Women's Fellowship is looking for a lady to take leadership of the Fellowship. I hope someone who reads this will volunteer to lead the group. In the absence of a regular leader different ladies have lead the meetings and programs.

The Fellowship is a part of Genesee Valley Association of the New York Conference of the United Church of Christ. We pay 25¢ to the Women's Genesee Association for each woman of the church.

In March the Church Women's United held a World Day of Prayer service to which all our women were invited. In late March a meeting was held led by Mrs. Uhla Kohl. A film was shown telling the history of India.

In April, Miss Hedwig Schaeffer, a missionary to India for many years spoke about India. A pot luck supper was held before the talk.

At the May meeting a film was shown "A Better Tomorrow," "Old and new India."

The Sewing group sent 157 pounds of clothing, 50 pounds of bandages and six blankets to Church World Service. The Fellowship paid the postage costs.

In June a picnic was held. Rev. Beckmann discussed plans for our fall meetings. Different ladies volunteered to lead each meeting.

At the September meeting Sister Clara Lill spoke about her work with the Ecumenical School program. Her talk was very interesting. The meeting was led by Mrs. Edna Schwartz and Mrs. Alma Judd.

At the October meeting Rev. Morris Cooper spoke and showed slides about the work at Greenville Orphanage and Old Home. A spaghetti supper preceded the talk and pictures by Rev. Cooper. Mrs. Uhla Kohl was in charge of the meeting.

In November Mrs. Kolby of the North Haven Home for unwed mothers spoke. Mrs. E. Hoffman and Mrs. L. Breitung were in charge of the meeting.

At the December meeting a covered dish supper for the whole congregation was held. Rev. John Aregood from the Back Bay Mission, Biloxi, Mississippi spoke. A white gift offering was taken and it was sent to the Back Bay Mission in Biloxi.

A gift was made to the McCall Mission. A gift to Saint John's Home Women's Auxiliary and a gift to the United Church Women's Community Day by the Women's Fellowship.

The Fidelis Circle donated \$125.00 and Circle II donated \$50.00 to the fellowship. The Fidelis Circle also gave Christmas gifts to girls at Saint Paul's Orphanage, Greenville, Pa..

The Fellowship could do a lot more if it had a regular leader and the cooperation of many more of the women of the church.

Respectfully submitted,

VERA FREDERICK, Secretary.

IN CHRIST THERE IS NO EAST OR WEST.

In Christ there is no East or West,
In Him no South or North;
But one great fellowship of love
Throughout the whole wide earth.

In Him shall true hearts everywhere
There high communion find;
His service is the golden cord
Close binding all mankind.

Join hands then, brothers of the faith,
Whate'er your race may be;
Who serves my Father as a son
Is surely kin to me.

In Christ now meet both East and West,
In Him meet South and North;
All Christly souls are one in Him
Throughout the whole wide earth.

John Oxenham.

MATERIAL AID FOR 1969

The women of the sewing group usually meet every Thursday except the first Thursday when the Women's Fellowship meet. There are about twelve women who come to sew and roll bandages. We are calling for more men's white shirts, where the collars are frayed and the sleeves are worn at the wrist band. They are always in demand. They are sent to the Leprosy Mission.

Some of the women are good at sewing and making dresses and clothes for young people. Then too we have a lot of material given which is not large enough for a dress, so we make quilts for those who are in need. These are usually sent along with our regular clothing shipment to Church World Service.

There are two Clothing Drives held. One in the Spring and the other in the Fall. The amount of clothing which was gathered for the drives in 1969 was a lot smaller than previous years. It may have been because the call was for only light weight clothing also blankets.

Mr. Lloyd McNaught assisted in taking the clothing to the Salvation Army quarters this past Fall. Previously Mr. Earl Gommenginger helped.

We are always looking for worn sheets, which we use for the bandages. The women seem to like coming out to work for others, also its good therapy for all of us to get together.

Respectfully submitted,

EMMA HOFFMAN, Chairman.

The night has a thousand eyes,
And the day but one,
Yet the light of the bright world dies
With the dying sun.

The mind has a thousand eyes,
And the heart but one,
Yet the light of a whole life dies
When its love is done.

Francis W. Bourdillion.

THE SENIOR CHOIR

"Make a joyful noise unto the Lord; all ye lands.
Serve the Lord with gladness; come before His presence
with singing."

The Senior Choir completed the year of 1969 with a faithful group of 12 members. Mrs. John Schwartz our Choir Director and Mr. Harold Steen our Organist, have been faithful in their direction and help in rehearsals for the preparation of music.

During the year the choir presented many old favorites, anthems and chorals. If we had more choir members (men, women or teen agers) we could do better work. Special thanks is given to our soloists, Mrs. Edward Gebhardt, Miss Judith Bushnell and Mrs. Robert Tylock.

No organization can exist without a few social get togethers. The group had an enjoyable evening at the parsonage with Pastor and Mrs. Beckmann as our hosts. Plus a few cake and coffee sessions to celebrate birthdays and other special occasions. We did not have our usual Christmas Party due to the weather. This will be a fall and winter season which we will not easily forget, for snow (lots of it) made us cancel several rehearsals and church services. The Christmas Party will be held some time in the near future when travel is easier and one is in a party mood.

The Choir lost several members to colleges this past Fall. Fortunately Judy Bushnell goes to N.Y.U. at Geneseo, New York, and manages to get back home and to the choir to help us from time to time. Our appreciation for her help.

Future of the choir depends on the members and friends of the church. (Let George Do It) is no longer fashionable. Why don't you and you plan to join us and be faithful in being at choir rehearsals on Wednesday evening at 8 o'clock, and Sunday mornings for the 10:45 Worship Service.

Respectfully submitted.

Arnold E. Henn, Church Secretary.

THE CHURCH SCHOOL

In our Beginners Department Mrs. William Schoeneman has faithfully served for many years. She is ably assisted by Mrs. Helen Hoesterey. Mrs. Jorris Beckmann is in charge of the Primary Department which is very lively and active. The assistants and teachers are Mrs. Grace Bereza, Miss Ruby Kitchens, Mrs. Joseph George, and Mrs. Arthur Learch. This group has audio-visuals, handcrafts, regular lessons, and the interest of the pupils who are very faithful in their attendance.

The financial treasurer and recording treasurer are ably handled by Mrs. Edward Gebhardt and Mrs. Edward Harrigan. The children of our Church School collected a total of \$169.13 for UNICEF during the Halloween' period. This was the greatest amount ever collected by our children for this cause.

One of our most important helpers is Mrs. Ula Kohl. She plays the piano each Sunday in two downstairs departments and also upstairs. On occasion Mrs. John Schwartz helps us out. We could well use two more pianists on a regular basis. HOW ABOUT YOU?

I do hope that when the yearly report for 1970 is written I can say there are plenty of teachers, and that all the pupils have been faithful in their response, and that a superintendent who is devoted to the Church School is rendering a real service.

The Church School needs you! Both pupils, teachers, and superintendent are in short supply. Christian Education is the need of every church member, and I would hope that the year 1970 would become the year of response. The Church School does not need volunteers so much as it needs persons committed to the cause of living Christian lives in this world.

How do we place the Golden Rule into action today? Does the sacrifice of Jesus, for mankind, on the cross, speak to us today? Can we make it speak? Can we become warm, loving, human beings? Or as one advertiser puts it, if you buy my -----(automobile product) you let people know, that you are on the way up. Do we really believe that things give us status?

I would love to see an adult discussion group meeting each Sunday because I feel the demand for this type of thing is present. The demand comes from certain individuals; it comes from the necessity for more knowledge about incidents; it comes from the need to know each others minds and understanding. If this could be done I think our adults could be more closely knit together.

Why can't this be done now? Because I must be upstairs to see that the upstairs Church School is running. This means seeing that there are morning devotions, that each class has a teacher, that problems that do come up each Sunday morning are answered. I wish I could be two or three places at one time.

I am very thankful for the faithfulness of Mrs. Robert Tylock, Mr. William Rubley, as teachers up stairs. Mrs. Jean Anderson faithfully takes care of the secretarial duties, assisted by Deborah Schoeneman. Mr. Harry Voss has faithfully taken over the High School group until a regular teacher is obtained. Miss Lois Groth is a substitute teacher who is always willing to help. But, we need a superintendent, regular teachers, and substitute teachers now.

W. JORRIS BECKMANN

Happiness itself is sufficient excuse. Beautiful things are right and true; so beautiful actions are those pleasing to the gods. Wise men have an inward sense of what is beautiful, and the highest wisdom is to trust this intuition and be guided by it. The answer to the last appeal of what is right lies within a man's own breast. Trust thyself. - - Aristotle.

Children are much nearer the inner truth of things than we are, for when their instincts are not perverted by the superfine wisdom of their elders, they give themselves up to a full, vigorous activity. Theirs is the kingdom of heaven. - - Friedrich Froebel.

Do not keep the alabaster boxes of your love and tenderness sealed up until your friends are dead. Fill their lives with sweetness. Speak approving, cheering words while their ears can hear them and while their hearts can be thrilled by them.

-- Henry Ward Beecher.

THE ADULT BIBLE CLASS

During 1969 the Adult Bible Class met 40 Sundays. The average attendance dropped from 19 to 16.

In July, our class was saddened by the sudden death of Lucille Reuschle. She had been our faithful teacher for 31 years. Due to the lack of a teacher to take her place, we changed our Sunday morning worship to a discussion group every Sunday rather than every other Sunday. The first part of our service remained the same, under the capable leadership of John Schwartz, as well as occasional volunteers.

Later in the year, another member of the Bible Class, Mary Rocktaschel, died after several week's illness.

During 1969 we made the following contributions:

Church Pledge	\$100.00
Vacation Bible School	10.00
United Nations	5.00

In addition gifts were given to Pastor Beckmann and Lucille Reuschle on their birthdays. Several contributions were made to the Memorial Fund in memory of Rudy Hoffmeier, Caroline Horch, Lucille Reuschle and Mary Rocktaschel. We also put flowers on the altar on several occasions.

At the present time the officers remain the same as in 1969. No decision has been made as yet on whether to continue Bible Class every Sunday or not.

Respectfully submitted,

DOROTHY S. BUSHNELL, Secretary.

and shutteth up his compassion from him--
How doth the love of God abide in him?

OUR MEMORIAL FUND

It has been the practice of Saint Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provides us with a steady income in addition to the yearly offerings of our members. Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as Memorials for loved ones in whose memory these gifts were given.

REMEMBER THE CHURCH IN YOUR WILL.

Should you desire to include or add a codicil to your will the proper wording is:

"I GIVE AND BEQUEATH TO SAINT PAUL'S UNITED CHURCH OF CHRIST,

115 NORTON STREET, ROCHESTER, NEW YORK. 14621.

THE SUM OF _____ DOLLARS.

(Church Office has a leaflet published by the United Church of Christ, (YOUR WILL BE DONE but....) These are free for the asking.)

A great deal of the joy of life consists in doing perfectly, or at least to the best of one's ability, everything which he attempts to do. There is a sense of satisfaction, a pride in surveying such a work--a work which is rounded, full, exact, complete in all its parts--which the superficial man, who leaves his work in a slovenly, slipshod, half-finished condition, can never know. It is this conscientious completeness which turns work into art. The smallest thing, well done, becomes artistic.

William Mathews.

When a baby is born, when there is to be a wedding,
 when sorrow visits us or when we want a reference --
 to whom do we turn? The Church is indeed the source
 of many blessings.

It has the secret of life in Christ, the pearl of
 great price.

It upholds the idea of the supreme worth of human
 personality, perhaps the most significant idea
 in western civilization.

It raises up men and women of Christian character,
 the priceless constituency of a nation.

It is a sign and witness of the Eternal in the
 midst of the passing scene.

It teaches reverence for marriage, the corner-
 stone of the home and the family.

It puts the moral law above the law of the State,
 thus standing in opposition to all totalitarian
 claims.

It offers forgiveness for the past and grace for
 the future, the sure promises of the Living God.

Pray this prayer for grace to reform"

Reform whatever is amiss in the temper and
 disposition of our souls; that no unclean
 thoughts, unlawful designs, or inordinate
 desires, may rest there. Purge our hearts
 from envy, hatred, and malice; that we may
 never suffer the sun to go down upon our
 wrath; but may always go to our rest in
 peace.

YEAR BOOK
REPORTS AND DIRECTORY
1970 - 1971

In thy journeys to and fro
God direct thee;
In thy happiness and pleasure
God bless thee;
In care, anxiety, or trouble
God sustain thee;
In peril and in danger
God protect thee.

COME INTO HIS GATES WITH THANKSGIVING, AND INTO HIS COURTS WITH PRAISE! GIVE THANKS TO HIM; BLESS HIS NAME! (PSALM 100:4).

Poise means balance. Poise leads to a resilient spirit and to right viewpoints. A poised man is a steady man, a strong man. Poise is greatly needed today because:

We are living in a jittery age, with nerves on edge.

It is time when sane thinking is necessary.

Nations are bewildered and broken.

Men's hearts are failing them for fear.

The vastness of human problems baffles both young and old.

Therefore, we need balanced thought and action.

To be in the midst of confusion and clamor, and to remain clear-minded with ears open; to be the target of persuasive and destructive words, and to remain steadfast and controlled; to be in the turmoil of passions and indecision, and to remain in full possession of intelligence and reason; to be in a world of hate and greed, and to remain loving and forgiving -- this is poise, the kind shown by Christ, which comes from God. Pray for it today.

O God, mercifully grant that your Holy Spirit may in all things direct and rule my heart and mind this day.

A N N U A L P A S T O R A L R E P O R T, submitted at the
January 21st, 1971 Annual Meeting of the Congregation.

The age of the seventies is upon us. I would like to call it the age of Reason and Concern. Perhaps someone would like to tack on the additional term, "and Frustration." Certainly all three things are true.

One of the things that bothers me about Jesus and His Gospel is that in a certain sense Jesus did not accomplish what he set out to do. Not many of the people he dealt with turned out to be his followers. Many turned out to be his persecutors and demanded his execution. His followers down to the present day are not able to penetrate society very far with his teachings, "Do unto others as you would have them do unto you," "Love one another even as I have loved you." "Forgive one another even seventy times seventy." After two thousand years the Christians are a minority.

Having said this one might wonder if God is acting at all in this world, and sometimes even in our hearts. But the fact is that God still works in mysterious ways his wonders to perform.

When Jesus was born the world was unified in a way it had never been before. There was quick transportation by road and ship. There were two common languages -- Greek and Latin that nearly everyone understood -- meaning easy communication. There was the common Roman currency. The unity was for the primary purpose of moving the Roman army. For this the roads were built. Thus there was the purpose of domination by an army, but God used the same facilities for spreading the Gospel.

Now today the reason of man has brought again a similar situation. God can use the great advances of reason, of science to manifest his concern for his creation. Think of what science has done for us -- made the world a unit. It has become a necessity for men to know how to live together, to be responsible for one another through the threat of a tragedy so great that no one can understand. There is not only the threat of nuclear explosion, but also the subtle threat of radiation. Did you note how close it is to us in the need for burial of the parts of a radioactive cyclotron in this morning's paper at the U Of R? There is the threat of pollution, and the destruction of nature where we live.

Reason has brought us to this point, but reason has also brought us to the point where the means of solving the necessities of all mankind is at hand. The ability to feed the 2/3rds of the world that go to bed hungry each day; the ability to solve humanely the population of the world; the ability to preserve the world's natural resources and wildlife.

The term concern is here the key. Concern for the world --

nature, people, and God who has opened our eyes to basic needs. When concern turns to superiority or destruction Jesus dies again. I wonder how many times Jesus has died in the hearts of mankind when again and again the nations of the earth turned to war to solve their problems? We see it today.

The prophecy that there will always be wars and rumours of wars can be swallowed by another prophecy of beating implements of war into instruments of peace. It all depends upon what we mean by reason and concern. What a tremendous thrill it was for many the other day when President Nixon said that a canal across Florida would not be built for simple economic interests, because it was more important to preserve the environment. Much still needs to be done, but there are signs of great hope. I pray to God that the thoughts of rejoicing because, "I have lived my life," and fear for the lives of our children may be put to rest, and the great work of doing God's work for the love of Christ and humanity might go ahead. The Age of Reason and Concern means doing the Lord's work for all.

In this annual report one thing I wish to lay emphasis upon is that there can be no secular work as contrasted with religious work, for everything is to be the Lord's work. The great things of God grasp us all -- truth, integrity, faithfulness, concern, interest, hope, faith and love -- all the time, wherever, whatever we are doing.

God has revealed these things through his church and his word. These things are the salt of life that can make all things in life tasty.

Life is not yesterday, but it is the actions of today that make for a meaningful future. But the choice of what we do is always up to us. The source of life is God.

I think that the year 1970 has seen the bottom of the curve as far as our worship service attendance goes. I have not seen the figures for the year, but I know that many Sundays since Spring showed an increase in the number of worshippers. Members at worship indicate very visibly to themselves and others their concern for the church of God and the work of God.

The apparent demise of two church organizations is a very sad thing to mention. I speak of the Fidelis Circle and the Adult Bible Class. Perhaps what has happened cannot be undone. There undoubtedly was a leadership crisis in both organizations. If there is interest in the need of these organizations that will create leadership we may not have seen the end of the purpose of these groups.

Meanwhile a new group of interest for adults has been going since late in the Fall and has been meeting with regularity each

Sunday morning during the Church School period. The group deals with subjects that are of interest to the current scenes of life. Many of these subjects are highly controversial, but also highly interesting as we try to relate events to the life of the Spirit. Thus it deals not directly with Biblical stories, but it is amazing how all of life is bathed in a Biblical theme. Any are welcome to join us any Sunday morning, and the occasional times we may meet during the week, but be prepared to share your thoughtful ideas with an open mind. We must realize that our thoughts and ideas must be molded in creative discussion with others, and that a closed mind is a rut that has no escape.

The seventies may see a merger of many major denominations into a denomination COCJ. These letters standing for the words, "THE CHURCH OF CHRIST UNITING." A study of this proposed union could be done by members of Saint Paul's.

The treasurer's report will show that we have given very little to benevolences this past year. The primary reason being that we have had to operate at a deficit as compared with current income. Repairs here at the church and the parsonage siding cost about \$8,000.00. These expenses surely will not face us again this year and it is to be hoped that we can go along ways in meeting our benevolent goals for the year 1971. These goals were adopted when the Budget was approved last October.

During the course of the year there were 3 baptisms, 3 funerals of church members, 8 marriages, six new members were received into membership including the Confirmation Class of 3.

I am confident that during the current year we shall show an increase in number among the membership of the church. At present we have three or four families who have been worshipping with us faithfully for sometime, as well as people from Seneca Towers. If each member would bring one other person to church membership this year we would grow rapidly. I wonder how many will work for this goal.

I will take this opportunity to thank all the faithful members of the church for their good works which express their faith. One sometimes gets into trouble when specific names are mentioned, and thus I will forgo the mention of most names. However, I think of the faithful members of the Church Council, the members of the Sewing Group which meet here most Thursdays under the guidance of Emma Hoffman. I think of Fred Breitung of the Deacons, Mrs. Arthur Koch of the Board of Deaconesses, the Fred Browns of the trustees, the Church School teachers. How could I fail to mention Arnold Henn whose duties are faithfully performed? There are those who have performed minor repairs at the parsonage.

Mr. and Mrs. William Rubley continue to work with the Youth Fellowship. It is unfortunate that many of our youth have to come from long distances in order to be in attendance Sunday evenings. Mrs. John Schwartz continues working with the choir as director. We thank her for her good work, and of course, each member of the choir. New members are always welcome.

In conclusion I want to mention the name of John Schwartz who has served as council president for the past three years. He has served the church in this capacity with distinction and has earned the respect of those with whom he has worked.

FAITHFULLY YOURS,

W. JORRIS BECKMANN.

C H U R C H C O U N C I LTHE PRESIDENT'S REPORT - OUR 108th YEAR - 1970.

Dear Christian Friends:

It has been my privilege to serve my third year as president of the church council. As in previous years I have had the faithful support of the men and women who faithfully carry out their duties as members of the council.

I was able to be present and preside over all meetings held during the past year and have missed only one meeting during my three years as president of the council.

In January an estimate by Fredman Company for \$450.00 was accepted for repairing ice damage to the west hall, ceiling, plastering, and to install new flashing.

At the Annual Congregational meeting on January 15th, an estimate of \$3,251.00 was accepted for water proofing and pointing on the west and south side of the church. Although the weather was poor it was discouraging that only twenty five members attended this meeting. Also at this meeting an amendment to the Constitution was proposed whereby the council would be given the right to approve expenditures of \$2,500.00 instead of the previous amount of \$1,000.00. Final approval was given at a special Congregational Meeting held in April.

In April the meeting of the Genesee Valley Association in Hornell, New York was attended by Pastor Beckmann (moderator), Arnold Henn, Emma Hoffman, and John Schwartz.

In April a bid of \$3,145.00 was accepted from Domestic Improvement Company for the installation of aluminum siding on the parsonage. A special Congregational Meeting had previously approved this project.

The inside painting of the parsonage was estimated at \$700.00. Approval was given in April for this work which was done during the summer period.

In June a gift of \$625.00 was gratefully received from Mr. and Mrs. William Volz for a public address system to be installed in the church sanctuary. Mr. George Haupt drew up the specifications for equipment and cost. This system was installed by Eric Hooker in June and dedicated on October 18th with Mr. and Mrs. William Volz being present at the dedication service. This gift has added much to our church services, and is a welcome improvement to our facilities with all of us enjoying the benefits.

In April the area under the balconies in the church sanctuary were painted by Lewis Shaw, Fred Breitung, George Peath, and myself.

- In May four member of our council met with five members of the church council of Christ Church of Portland Avenue to discuss possibility of a merger. Several more meetings were held with this group, and exchange church services were held during the summer. Christ Church attended our services on July 5 and July 12 and we attended their services on July 26 and August 2. No definite merger action has taken place, and none is anticipated in the near future. Our relations with Christ Church have always been good, and any merger action must be initiated by Christ Church and follow required legal procedure.

In June the church council meeting was held at the parsonage after a fine picnic lunch in the Pastor's yard, with 36 persons in attendance including the husbands and wives of council members.

In September Liberty Mutual Insurance Company increased our church property coverage to \$214,000.00. This was done because of the increased labor costs of replacement in the event of damage to property.

At a special Congregational Meeting on October 11, 1970 the Budget for 1971 was presented to the congregation. This budget was adopted by unanimous vote. The grand total for the Budget for 1971 was \$30,816.00 as compared with \$31,516.00 for 1970 and \$34,860.00 for 1969.

In December an estimate of \$570.00 was accepted from William J. Schmitt Company for roof repairs on the shed damaged last winter by ice, cleaning gutters, and repairing flashing.

The financial picture for our church is not encouraging. We continue to call upon income from our investments to offset the inability of our church receipts to meet our budget. Inflation is continuing to increase our expenses of operation.

The Finance Committee serving for the year was composed of Lewis Shaw, Ruby Kitchens, Marion Shaw, Arnold Henn, and John Schwartz.

The council wishes at this time to recognize the good work of the retiring council members who are: Elder, John Schwartz; Trustee, Fred Brown; Trustee, Alice Brown; Deacons, Richard Peath, Charles Leshner, and David Hoffmeier.

We wish to acknowledge the aid and cooperation received throughout the year from our minister, Reverend W. Jorris Beckmann at all regular meetings and at committee meetings.

We wish to especially recognize the work of our financial secretary and treasurer Mr. Arnold E. Henn. We are indeed fortunate to have a man of his caliber managing the business affairs of our church.

It has been an encouraging experience to work with council members and with members of the congregation during the past year. I wish to extend thanks to all for the splendid cooperation at all times.

Sincerely,

JOHN M. SCHWARTZ, PRESIDENT.

The Church Council meets the second Monday of each month at 8:00 o'clock. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregation Meeting and serve a 3 year term.

BOARD OF DEACONESS REPORT FOR 1970

Another year has come to an end, and we can look back upon 1970 with satisfaction in terms of service to our shut-ins. Approximately 200 visitations were made by our faithful deaconesses and all reported that their calls were received with great pleasure by the shut-ins.

We served punch and home-made cookies after Church service in August when we had as our guests the members of Christ United Church of Christ.

A check was sent to the Winnebago Benevolent Corporation, which is the Children's Home in Neillsville, Wisconsin, as our Christmas gift. This was in place of the gift exchange.

We sponsored the sale of pecans at holiday time and realized a profit of \$56.00 to add to our Treasury.

We were saddened by the death of one of our faithful members, Marie Zimmermann. We voted to place Memorial Flowers on the Altar in her memory on March 7th, the Sunday closest to her birthday.

Florence Kelley continues as our Correspondence Secretary and has sent 114 notes of various kinds to members of our parish. We are so thankful for her devotion to this task.

We meet four times a year for business meetings and try to have an interesting program. We also have two social events - the June picnic and the Christmas party. Two Deaconesses are still needed, and if any of you are willing to give of your time, please notify Marion Thiem, chairman for 1970. Each Deaconess makes her visitation only one month in the year, and always has a companion with her. Usually it takes no more than 2 or 3 afternoons, and it is such rewarding work.

The officers for 1971 are Marion Thiem, Chairman; Thelma Goetz, Co-Chairman; Ruth Gross, Secretary and Vera Frederick, Treasurer.

Remember our shut-ins in your prayers and phone them or send cards from time to time. They appreciate being remembered.

Sincerely,

ELSIE E. KOCH
Chairman - 1968-69-70.

MATERIAL AID 1970

The work of this department is going on and has been for many years. Our book "HIGHWAYS OF SERVICE" lists many places and Homes where we can send articles of clothing both used and new. We can send our Eye Glasses to New Eyes for the Needy, Inc. Short Hills, New Jersey.

At present we have about ten dedicated women, who come every Thursday, except the first Thursday of the month, which is the Women's Fellowship meeting.

Those who can sew make Baby Layettes and dresses for girls and young women. Some make Quilts from new cotton patches, others roll bandages and make Hospital Gowns from white shirts, which have frayed collars and torn sleeves.

In making out the yearly report to the New York Conference, they ask the question, "How many in your church know about the work of Material Aid?" I hope by now that all people know about the work that has been going on as long as I can remember. The need is always there.

We also contribute to World Community Day, which is in connection with Church Women United. This year we contributed \$15.00 from the Sewing Group and \$10.00 from the Women's Fellowship toward blankets for World Community Day.

We have the Clothing Drives, which are sponsored by Church Women United. One is in the Spring and the next one will be April 5th, 1971. There is also one in the Fall. Last year we collected 150 pounds of used clothing. We usually check the clothing to see if it is clean and if it needs repair. Then we pack it and take it to the Salvation Army Center on West Avenue, where it is put on a big truck and sent to Church World Service, New York City where it is sorted and sent to where it is most needed.

We are happy to have some of our friends from Seneca Towers join us. Mrs. Geier has been with us and Mrs. Kummer and Mrs. Kowalsky will be coming soon.

There is great satisfaction in working for others, knowing that someone less fortunate will be made happy thru our efforts. Then we also get to know some of our women and have contact with them which we don't have just seeing them on Sunday morning at worship service.

Lets keep the torn sheets and worn white shirts also pieces of new cotton cloth. They can be brought in and left in the Bible Class Room.

Respectfully submitted,

EMMA HOFFMAN.

THE WOMEN'S FELLOWSHIP

The Women's Fellowship which meets the first Thursday of the month and to which every woman of the church belongs according to the constitution has about fifteen faithful members. The Women's Fellowship is looking (and needs) a woman to take leadership of the Fellowship. The church hopes someone who reads this will volunteer to lead the group. To become involved gives great zest to living.

The Fellowship is a part of Genesee Valley Association of the New York Conference of the United Church of Christ. We pay 25¢ to the Women's Genesee Association for each woman of the church.

In January Pastor Beckmann spoke to the group telling them of the many places needing volunteer help, such as Saint John's Home for the Aging, and many other organizations. Plus work that can be done by a group in the church.

In February, Ethel Haupt presented a record narrated by Lowell Thomas on Daniel Polling.

In March a movie was shown "The Black World." This month was also the beginning of the spring clothing drive.

In May slides on the Biafran problem, with a discussion of the food problems in the world. During the month \$20.00 was donated through the Area Council of Churches for Migrant Workers.

In June a discussion was centered about peace and war. Then came the summer lull.

The November Meeting was devoted to a controversial subject DRUGS. A film "Face The Drug Problem" was shown. During the month a Thankoffering was turned in during a worship service.

At the Christmas Party, Pastor Beckmann told stories relative to the season entitled, "The Cobbler and his quest." "December Night Long, Long Ago." "Three Kings came by night." And, "Keeping Christmas."

Thus the year passed along quickly. In this day when there are so many happenings it is good to get together and discuss the problems of the day. Granted we cannot solve the problems, but we can clarify our thinking which helps in adjustment to life.

The hope is that 1971 may be a more fruitful year. May a leader arise from the group to carry on the work which is to be done.

Respectfully submitted.

VERA FREDERICK.

THE CHURCH SCHOOL

In our Beginners Department Mrs. William Schoeneman has faithfully served for many years. She is ably assisted by Mrs. Helen Hoesterey. Mrs. Jorris Beckmann is in charge of the Primary Department which is very lively and active. The assistants and teachers are Mrs. Grace Bereza, Mrs. Joseph George, and Mrs. Arthur Learch. This group has audio-visuals, handcrafts, regular lessons, and the interest of the pupils who are very faithful in their attendance.

The financial treasurer and recording treasurer are ably handled by Mrs. Edward Gebhardt. The children of our Church School collected a total of \$116.10 for UNICEF during the Halloween' period.

One of our most important helpers is Mrs. Ula Kohl. She plays the piano each Sunday in two downstairs departments and also upstairs. We could well use extra pianists on a regular basis.

We are happy that Mr. and Mrs. Charles Leshner are sharing together the superintendency of the Church School. We look forward to their increasing leadership.

The Church School needs you! Both pupils, and teachers are in short supply. Christian Education is the need of every church member, and I would hope that the year 1971 would become the year of response. The Church School does not need volunteers so much as it needs persons committed to the cause of living Christian lives in this world.

How do we place the Golden Rule into action today? Does the sacrifice of Jesus, for mankind, on the cross, speak to us today? Can we make it speak? Can we become warm, loving, human beings? or as one advertiser puts it, if you buy my ----(automobile product) you let people know, that you are on the way up. Do we really believe that things give us status?

This Fall a Discussion Group for all open minded people began during the Church School Hour. Events discussed have included a wide range of topics and continues to range far and wide. The most interesting topic appeared to be the rock opera, "Jesus Christ, Superstar." As many as thirty five have been present on a Sunday morning and we hope for leadership ideas for this age to flow through this group.

I am very thankful for the faithfulness of Mrs. Robert Tylock, Mr. William Rubley, as teachers up stairs. Mrs. Jean Anderson faithfully takes care of the secretarial duties, assisted by Deborah Schoeneman.

W. JORRIS BECKMANN.

THE CHOIR

"It is good to give thanks to the Lord, to sing praises to thy name, O Most High; to declare thy steadfast love in the morning, and thy faithfulness by night, to the music of the lute and the harp, to the melody of the lyre. For thou, O Lord, hast made me glad by thy work; at the works of thy hands I sing for joy."

PSALM 92:1-4.

The Choir completed the year of 1970 with a faithful group of 12 members. Mrs. John Schwartz our Choir Director and Mr. Harold Steen our Organist, have been faithful in their direction and help in rehearsals for the preparation of music.

During the year the choir presented many old favorites, anthems and chorals. If we had more choir members (men, women or teen agers) we could do better work. Special thanks is given to our soloists, Mrs. Edward Gebhardt, Miss Judith Bushnell and Mr. Robert Peath. Robert Peath finished his stint in the service and came back to Rochester for a short time. At present he is in California. Our best wishes go with you Bob where ever you are or what ever you do. Thanks go to Mrs. Robert Tylock for her solo work during the year.

No organization can exist without a few social get togethers. The group had a few cake and coffee sessions to celebrate birthdays and other special occasions. We did not have a Christmas Party due to the weather. This will be a fall and winter season which we will not easily forget. Snow, snow with cancellation of several choir rehearsals. We hope to have a Christmas Party one of these days.

Miss Judy Bushnell goes to N.Y.U. at Geneseo, New York, and manages to get back home to help the choir from time to time. We appreciate her thoughtfulness. We welcome Mrs. Wayne Fox, Jean who with Wayne are members of our choir.

What is the future of the choir? Certainly there must be many good voices in the congregation who would like to come out and join us on Wednesday evening at 8:00. To be involved brings much happiness.

Respectfully submitted.

Arnold E. Henn, Choir member.

P.S. Upon reading this article - - I failed to mention the Choir Picnic. The group met at the home of Mrs. Fred Bopp and we did have a wonderful evening including a delicious steak.

YOUTH FELLOWSHIP

This year the Youth Fellowship has had little increase in membership. However we have had some successful activities.

On Mother's Day we distributed white, red and pink begonias to all mothers who worshiped in church.

We had a picnic in June and the weather cooperated beautifully so that the day turned out pretty good. Then we had a Halloween party. Next we went to see the Globe Trotters, and then a Toboggan Party. They all turned out well.

We also went Christmas caroling in the neighborhood of the church.

We planned a Spaghetti Dinner in February for every one of the church.

We would like to thank our advisors Mr. and Mrs. William Rubley for all their time and help they put in to the work of the fellowship.

Respectfully

Lynn Leshner.

HE WHO SPARES HIS ROD HATES HIS SON; BUT HE WHO LOVES HIM SEEKS TO DISCIPLINE HIM (PROVERBS 13:20-24).

There is much about the family in the Book of Proverbs, and there is need for much more wisdom in most families. There is another proverb which goes with this one. TRAIN UP A CHILD IN THE WAY HE SHOULD GO; AND EVEN WHEN HE IS OLD, HE WILL NOT DEPART FROM IT (PROVERBS 22:6). We cannot always tell until the child is old and the lessons are tested whether he is spiritually mature or not. But we must train every child as far as we have the tools and the power, storing up right attitudes, the power of discerning and choosing the truth, honesty in all things, a strict sense of integrity. We must teach him that the fundamental basis of all full developed lives is dependence upon God. We must show him the necessity of a constant checking by the Spirit of Christ as revealed in prayer and Bible reading. If we do not train up a child in the way he should go, and strengthen him to withstand the disillusionments that ordinary humanity brings, and to look beyond the imperfections and the ugliness of the present to a time of living as becomes the sons of God, he will fall into easy error and spend most of his time in extricating himself from one difficulty after another. Remember, much of the right way is caught from the example of others.

OUR MEMORIAL FUND

It has been the practice of Saint Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provides us with a steady income in addition to the yearly offerings of our members.

Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as memorials for loved ones in whose memory these gifts were given.

REMEMBER THE CHURCH IN YOUR WILL

1971-72

In the cross of Christ I glory,
Towering o'er the wrecks of time;
All the light of sacred story
Gathers round its head sublime.

When the woes of life o'ertake me,
Hopes deceive, and fears annoy,
Never shall the cross forsake me;
Lo it glows with peace and joy.

When the sun of bliss is beaming,
Light and love upon my way,
From the cross the radiance stream-
ing

Adds more luster to the day.

Bane and blessing, pain and pleasure,
By the cross are sanctified;
Peace is there that knows no measure,
Joys that through all time abide.

ANNUAL PASTORAL REPORT, submitted at the
January 20, 1972 Annual Meeting of the Congregation.

Dear Member's of Saint Paul's United Church of Christ:

In this year of 1972 we will be celebrating the one hundred and tenth year of this Congregation. It is a happy thing to look back upon the age of this congregation because it speaks to the Faith of the church. The Church is only about thirty years younger than the city of Rochester and less than a hundred years younger than our nation itself.

Since the church was organized in 1862 her members have beheld and lived through all the good and bad events of the century plus ten years. Organized at the time of the Civil War their eyes have seen the Spanish-American War, the two World Wars, the Korean War and the Viet Nam War. Together with depressions and personal tragedies and difficulties the Faith has been kept burning and burns in the hearts of members today.

Today we look forward with anticipation to the year 1972, and hope to meet certain challenges that are there. But before we look forward perhaps we should look backward to certain things that were memorable in the past year of 1971. Not everything tried met with cooperation or success, but somethings do stand out.

One of these things was the participation of the youth in a Worship Service last June. The important thing was that the youth were willing to take upon themselves responsibilities for a worship service. This type of thing from time to time is certainly to be encouraged. The adult sponsors who threw themselves into this are to be congratulated for their encouragement of the youth. I would be happy to have our teen-agers come forward and talk to the young children during the worship service.

Right now the Youth Fellowship is working for a tea to be given at St. John's Home on a Sunday afternoon in February. The plans are being developed and I would hope that the other members of the Church would encourage them and lend a hand when they are approached in regard to this matter.

Twice during the past year a different type of Communion Service was celebrated. It is interesting to see other churches doing the same thing. You will remember that members were asked to bake bread in their homes and bring the loaves to the church to be used during the service. I discovered that the home-baking of bread is largely a lost art, but nevertheless the loaves needed were brought in abundance. One family provided the necessary home-made wine. Several members came forward and distributed the bread after it had been dedicated for its holy use and there was a good participation and a

goodly spirit evidenced. Then the deacons and trustees served the home-made and consecrated wine. While the baking of the bread is largely a lost art, there was no loss in the enjoyment of this love feast. The home-made elements that Jesus used in the Upper Room were also used by us on these two occasions. This is something we might well try to repeat in the year 1972.

One on-going program that has weekly and interesting presentations is the Discussion Group which meets each Sunday morning about 9:30. Among the guests who have been with us recently are Mrs. Virginia Mackie of Church Women United, our own Mr. Robert Tylock, Mr. Arnold Henn, and Mr. and Mrs. Wayne Davis. Those who have consented to be with us in the very near future are Chaplain Raymond Probst of St. John's Home, the Rev. Mr. Thomas Argust of R.I.S.K., and Mgrs. Richard Quinn of our local Roman Catholic parish.

Various topics have been presented and discussed. The awareness of Christian witness is around us in the world and it is well that we participate in these things. There have been discussions on biblical studies, prison reform, psychological approaches to living, the church in the world, and we are taken wherever the group would like to go. I urge each member of the church to at least give this group a try for a couple months and be willing to participate.

The Deaconesses continue a long tradition in the Church with their care and concern for members who are shut-in and sick. These members are visited several times during the course of the year by these committed people and are encouraged by the response that is usually received. This part of our church work is vital for it shows our concern for one another. Often times the caller receives more of an uplift as her greeting is restored sevenfold from the one visited.

The Sewing Group continues to meet each Thursday morning until about two in the afternoon. The ladies sew to help others in their needs. Only Mrs. Emma Hoffman and her group would be able to tell all that they do. Some kindly person donated a new sewing machine after the need was made known through the Church Council. I do not even know who this person was, but this particular deed of kindness has gone far through the work and efforts of many willing hands.

The Women's Fellowship continues to meet the first Thursday afternoons of most months. Greater support and more interest on the part of more women could make this group most attractive. In this day this is not easy to do. Many women work during the day and at night are afraid to be on the street alone. A stronger Women's Fellowship will enhance the attractiveness of the Church. Those who have continued to work at it have kept it going and meaningful.

The Memorial Committee has provided a number of things that have enhanced the church. Among these things is the new appearance of our Choir, in their gold robes. The color was selected by the members of the choir. These were given in memory of Mr. Otto Hoch, Mr. Herman Richter and Mr. William J. Wolf. There are now Bibles in the pew for those who wish to use them during the worship service. These were given in memory of Mr. Earl Gommengenger. A light weight tape recorder is being used to record the morning worship service and then taken from time to time to the homes of the shut-ins. This was given in memory of Mr. Sherman Judd by his wife. And again Mr. and Mrs. Anonymous have given several cash gifts.

The names added to our Perpetual Membership List includes Mr. and Mrs. Lloyd Smith, Mr. and Mrs. Sherman Judd, and Mr. and Mrs. William J. Wolf.

Our choir under the guidance of Mrs. John Schwartz continues to enrich the worship service each Sunday and we are grateful for all of their good efforts.

A Children's Choir organized late in the year has sung three times during the worship service. This group is composed of grades one through four and is under the leadership of Mrs. Eric Hooker. We look forward to having them again and again.

During the past Spring the church yard and the church was visited by those interested in making the church take on a more presentable picture. This job is never completed, of course, but it is good that many members are willing to help and clean up. The results have been evident.

Also during the year a Banquet was held for all the members able to attend at the Craig Hill Country Club.

If a congregation is to be a member of the Church of Christ she must always realize that she is not here merely to serve herself.

One special project that happened last Spring was the purchase of a new water cooler. The old one was beyond repair for the money involved. Special donations were given by various members including small coins by our children. In a few weeks the sum of \$180.00 had been raised, and I believe Mr. Charles Leshner installed the water cooler which has by now cooled the throats of many people and satisfied their thirst.

Do you remember Christmas past? The Sanctuary was beautifully decorated by several adults assisted by members of the youth. Each one who made suggestions and helped in this is to be congratulated.

There must also be an outreach into the world. Our living cannot only be for ourselves for Christ taught us in St. Matthew that we must go out into the world. "Proclaim the Gospel" as well as live the truth. One of the ways to do this is through our Benevolent Giving for others, or in terms of the witness of the United Church of Christ through Our Church World Mission, or OCWM.

OCWM received a healthy increase compared with 1970, or a total amount of \$3,000. Special offerings were received for Church World Service and Our Neighbors in Need. Our children collected about \$75.00 for UNICEF. And through our white gift offerings at Christmas time monies were distributed to St. John's Home for the Aging, United Theological Seminary in New Brighton, Minnesota, Lakeland College in Wisconsin, The Retired Ministers' Fund, Back Bay Mission in Biloxi, Mississippi, and the Winnebago Indian Children's Home. These monies have all been sent on and are being used for others.

Prior to the last Council Meeting I was thinking as to what our goals for 1972 should be. In these days of continuing inflation the need for increased giving is surely obvious and this concern is shown in the quality of the pledges that some have made for 1972. Some live on fixed incomes and this means the burden increases for those who are working.

The need for giving to others through the church to proclaim the Gospel and to minister in Christ's Name does not decrease. May our concern in 1972 be reflected in the statistics as they have in 1971.

In our midst at the present time is growing a St. John's Nursing Home which will be opened about April 1st, 1972. Shortly there will be a tour date available for those who wish to visit first hand this cooperative effort of several of our churches of various denominations. I recommended to the Council that St. Paul's set a reachable goal of financial aid to help in furnishing the new Nursing Home. I believe there are six members of St. Paul's who live at St. John's Home at the present time and there are two more members who are on the waiting list at the present time. And, by the way, at the present time the waiting list to enter St. John's is about a year and a half to two years. If you know of anyone who wishes to enter St. John's encourage them to phone the home for information as soon as possible. Perhaps the waiting time will be reduced when the Nursing Home is opened and when new construction beyond the Nursing Home is completed. This is still on the drawing board.

After discussing this proposal of a reachable goal of financial aid which would be above regular benevolent and budgeted giving the Council voted to recommend to the Annual Congregational Meeting a sum of \$2,500.00. This proposal will be presented later on at the Meeting this evening.

Another concern is the continuing need for Christian Education in our midst both in the home and the church. So many people have voiced the lack of religious training in the public schools, but fail to take a deep and abiding interest in religious education in the church and home. Here is where most people can do something about the situation.

Family Bible reading and devotions are necessary, but there are not many families that practice this anymore. And still the Bible is the great repository for the ideas of mankind that remain true throughout history.

There are teachers for our lower grades in the Church School. We need them and are grateful to them. But the person to look over the education pattern of grades seven and above has not arrived. Here is where one of our members can make a contribution that can live in the lives of many people for many years. The solving of this problem lies heavily upon the Board of Education, upon you who are concerned about the church and present this evening, upon the teachers, and upon me.

During the course of the year we gained nine new members and also lost a similar number and thus our membership remains at 300. There were three weddings in the church, six funerals were conducted by me including five members of St. Paul's Church. There were eleven children baptized.

St. Paul's Church was represented at the highest judicatory by the pastor this summer at the Seventh Annual Meeting of the General Synod of the United Church of Christ held at Grand Rapids. On the New York Conference level he served as Moderator of the Conference and conducted the Business Meeting, at Binghamton this past May. The Conference is composed of some four-hundred congregations. On the local level he continues to serve on the Executive Committee of the Association, as a member of the Church and Ministry Commission (together with Mr. Arnold Henn), and as Chairman of a Task Force Committee with the goal of making the UCC more real and understandable to the local congregations. He is also a representative to GEM for the Association.

Faithfully yours,

PASTOR W. JORRIS BECKMANN.

The Flower Calendar is posted on the Bulletin Board in the cloak room. All who desire to present flowers in memory of loved ones throughout the year are asked to write their names on the calendar. Flowers may be ordered through your own florist. Please call church office of time when flowers are to be placed and in whose memory, so proper notice can be put in Sunday Bulletin.

We thank the donors of memorial flowers during the year, and for the poinsettia at Christmas and lilies at Easter. The flowers add much to the beauty of the sanctuary.

During the summer and fall months many garden flowers were brought to church for decoration, these were all appreciated. We especially thank Mr. and Mrs. George Peath for the many flowers supplied.

THE PRESIDENT'S REPORT - OUR 109th Year - 1971.

Dear Christian Friends:

My first year as President was a rewarding and satisfying experience. I became friends with so many of the wonderful people in our church and I feel it was indeed an honor to serve God and Saint Paul's Church.

I wish to extend my sincere thanks to the members of the congregation who have volunteered their time and talent in the past year. The various projects that were undertaken proved successful only because of the faithful members who were willing to help.

Our attendance did increase and we hope to see an even greater growth in the years to come. The youth of today is the church of tomorrow. Our youth group needs encouragement and support from us all. Their active participation in various activities was appreciated. We had an important by-law change which now gives our youth a stronger voice in the church decisions. The voting age has been changed to 18 years of age instead of 21.

A very successful dinner party was held at Craig Hill Country Club and was attended by sixty people. The various forms of entertainment provided enjoyment for all who were present.

A Christian enlistment committee was started, but due to summer vacations and lack of communication we could not follow through on the activities that had been planned. I do wish to thank those who did help us initially and hope you do not feel your efforts have been forgotten.

The Board of Health threatened our church with an action that could have proven extremely expensive. The action involved the stone wall on our property which borders on the adjoining residence. We were successful in our contacts and do hope it will never be a problem in the future.

Our church saw an important "first" in the past year when a gracious lady was elected as an elder. The women of our church serve in many hidden capacities that are so often overlooked by us all. We hope to see more positions filled with our fine church women.

The dedicated members of the council have made the position of President a pleasure for me, instead of a job. I thank each and everyone for their valuable advice and support. The continuing success of St. Paul's church will be determined by the unified effort of everyone in the church family.

Respectfully submitted,

ERIC M. HOOKER.

The Church Council meets the second Monday of each month at 8:00 o'clock. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregation Meeting, the third Thursday in January, and serve a 3 year term.

The year after the name indicates the completion of the term of office.

Once upon a time there was a Man;
a very simple Man,
yet a Man whose simplicity proved
to be so authentic
that when others met him
he confused the non-simple.

In his simplicity he had a single-mindedness,
a singularity of purpose
that he never lost.

FRED BREITUNG, CHIEF DEACON.

Oh, he was tempted to lose it.
He had to resist the appeal of adulteration,
the come-on of compromise,
the temptation to reduce the intensity
of commitment. He did not always
have an easy time.

His single-mindedness,
his singularity of purpose,
his one aim and ambition
was somehow to serve God;
somehow to live his truth,
remain faithful to him
and be obedient to him.
He really felt this very reason for living
and his very daily diet
were somehow, to do the will of God.

THE WOMEN'S FELLOWSHIP SEWING GROUP.

The Women's Fellowship Sewing Group meets the first Thursday of the month and to which every woman of the church belongs. The group is looking for someone to take leadership of the group.

The Fellowship belongs to the Genesee Valley Association of the United Church of Christ and pays 25¢ to the G.V.A. for each woman of the church.

The thank offering was \$51.84.

At the January Meeting Pastor Beckmann led a discussion on "How parents can get along with children." A couple of points mentioned were, (Let the person you wish to correct find out himself that he is wrong. Our words and feelings make a difference in the home atmosphere.)

At another meeting we discussed schools, school boards, colleges and cost of government.

A Pot Luck Supper was planned for February 18th.

The Fellowship members signed a letter addressed to the American Red Cross for the purpose of, "Help our P.O.W'S in prison in North Vietnam."

The pastor spoke about Pontius Pilate and his wife, and Herod, they found Jesus guilty of no crime.

At another meeting a discussion of unemployment. Everyone was asked what they thought of Mother's Day. All said Mother's Day is too commercialized, and a gift or letter every so often is better.

At one meeting Pastor Beckmann read paragraphs from the book, "Everything but money" by Sam Levinson in which the author tells about how things were when he was a child and from things he told of having done, it could be said about today and the book was written 22 years ago.

The Woman's Fellowship decided to join with the Sewing Group and meet the first Thursday of the month.

The group sponsored a coffee hour October 10th after church.

Rose Antonow showed pictures taken on a vacation trip to New England, Canada and Nova Scotia.

A Pot Luck Dinner was held December 5th after church before the Christmas workshop.

Mrs. Beckmann showed pictures of the , "Redwoods and Ecology" at one of the meetings. More seedlings must be started each year if we are to continue to have these trees.

At the Christmas Meeting, Mrs. Charles Foster read a story, "Let's Keep Christmas" by Rev. Peter Marshall. Christmas is not in the stores but in the hearts of men. Let's not let Christmas become commercialized. Hang on to old customs of Christmas so we keep Christmas in our hearts.

We hope for a leader to come forth and take over so 1972 will be a more fruitful year.

Respectfully submitted.

VERA FREDERICK.

BOARD OF DEACONESS REPORT FOR 1971

As chairman of the deaconesses this past year, I am happy to report that we held six successful meetings, including the picnic and Christmas party.

Our pecan sale was most successful, having realized a profit of \$70.00.

At Christmas we were delighted to have been able to contribute to the Winnebago Children's Home and to the gift to Pastor Beckmann, also gifts to the shut-ins at both Easter and Christmas.

Also we especially want to thank Florence Kelley for her marvelous help, keeping in touch (thru cards and notes) to the shut-ins and ill.

Too, and with pride, that we want everyone to know that we were able to visit 178 people during the year.

At the end of the year we have one hundred thirty-one dollars and seven cents in the treasury.

Sincerely,

MARION THIEM.

Officers for 1972 are:

Mrs. Connie Celestino	-	Chairman.
Mrs. Sherman Judd	-	Co-chairman.
Miss Vera Frederick	-	Treasurer.
Mrs. Clarence Bork	-	Secretary.

MATERIAL AID FOR 1971

Ever since women were interested in the work and mission of the Church, especially in the field of sewing for others, the need is and always will be there.

We don't know where some of our articles go. In the past years we mailed all of our own packages and sent them by express, which was very expensive. Now all clothing which we make and also used clothing is sent at the time of the Church World Clothing Drive. One in April and one in the Fall, in September.

The clothing is taken to the Salvation Army Center, where it is weighed and put on a large van and is sent to New Windsor, Maryland. It is sorted and sent to Europe, Africa or the Middle East. There seems to be more demand for light weight clothing, Blankets and Baby Layettes and Children's clothing, also Men's Work Clothes. The Women's Fellowship pays for the shipping charges. The Blankets are packed separately and are 25¢ a piece for shipping.

At present there are several faithful women who come every Thursday to sew and fellowship. We are starting to sew on Baby Layettes, for which there is great demand. If anyone has good used Baby Clothes, we will gladly accept them, also new yard goods in lengths enough for Children's clothes. And we are always looking for old sheets and white shirts, where the collars and sleeves are worn.

We would like more women to meet with us on Thursday from 10 to 2:30. There is a great satisfaction doing for others and at the same time we have fellowship with women of the church, whom we get to know better.

At present a few of our women have been on the sick list. But we hope that we can enlist a few more to meet with us in the coming year.

Respectfully submitted,

EMMA HOFFMAN

Material Aid Chairman.

He had a very difficult time.

His parents did not seem to understand him. His brothers and sisters thought he was mentally unhinged.

They thought "He was beside himself." Later in life even when he had acquired some very close friends, They also sometimes wondered about his stability, his mental attitude, his inflexibility about certain things.

THE CHURCH SCHOOL

It has been a year since we took the leadership of superintendent in the Sunday School. We have worked with the teachers and the Board of Education of the Sunday School, to set up a program. The teachers can teach what they feel adaptable to their age group. We have many good teachers and they are doing a wonderful piece of work.

In the Beginners Department, Mrs. June Schoeneman, Mrs. Pat Breitung, and Mrs. Helen Hoesterey are the teachers, Mrs. Ula Kohl is the pianist.

In the Primary Department, Mrs. Grace Bereza and Mrs. Linda Piedmont are the teachers. Mrs. Nancy Beckmann is substitute with Esther Beckmann as pianist.

Upstairs in the Junior Department we have Miss Christine Nawrocki teaching 5th and 6th grades. Mrs. Caroline Gilson teaching 7th thru 12 grades.

We had a few people teaching the Junior and Senior High Youth before Caroline took over in February. Charles and Betty Leshar, Rae Rubley, Wayne Davis, Rev. Beckmann, Eric Hooker, Harold Steen, and Wayne and Jean Fox. Mrs. Gilson had helped in the Primary Department up until February.

The Adult Discussion Group has also been very successful. There were different speakers from the outside, also people from the group led the discussions on different Sundays.

Mrs. Edith Gebhardt is our treasure and Mrs. Jean Anderson is the secretary. Deborah Schoeneman and Lynn Leshar are her assistants.

The children have made banners in the fall which were on display in the church auditorium.

There was a very nice Christmas Program which was held at 7 P.M. on Sunday, December 19th.

We wish to thank all the teachers, helpers and officers who have helped to make this year a success. We hope they will all return in September.

Respectfully submitted,

CHARLES AND BETTY LESHAR.

YOUTH FELLOWSHIP 1971-1972

Our Youth Fellowship has been active this year under the faithful leadership of our sponsors, Mr. and Mrs. Wayne Fox. Our number is small, but we accomplished many things during the past year.

Some things we accomplished were the sponsoring of a Halloween Party, participating during the Christmas season by going caroling and helping to decorate the Church's sanctuary.

Our two big events of the year were the Tea and Program for St. John's Home and the Easter Pancake Breakfast, both of which were a great success.

The youth group of Trinity UCC joined us in a bowling party which turned out to be a lot of fun.

On Mother's Day we presented the mothers with begonia plants as a recognition to them. We have participated in Sunday services and have given physical and financial aid to activities relating to the St. John's Nursing Home Fund. Also individual members of the Youth Group participated in the Hike for Hope.

We have prospects of a Bike Hike and Car Wash and a picnic with the Trinity Youth Group.

We sorely need more people so that the Fellowship may become better and more fun for all.

Finally I would like to thank all adults who assisted us and gave support to the Youth program and organization and a special thanks to our sponsors, Wayne and Jeanie Fox, for without their help and leadership we couldn't possibly accomplish what we have done in the past year.

Respectfully,

ESTHER BECKMANN

President, St. Paul's Youth Group.

I'm sure when he was a child
his parents at home must have given up
more than once trying to understand him.
Well maybe not just trying to understand him;
just trying to keep up with him.

THE CHOIR

The Choir completed the year 1971 - 1972 with a faithful group of 15 members. All of whom have been very cooperative in the preparation of the music.

During the year the choir presented many old favorites, anthems and chorals. Also some new music was introduced to the congregation and was met with favorable acceptance. Not to mention the enthusiasm of the choir members in preparing the more modern works would be amiss. Special thanks is given to our soloists, Mrs. Edward Gebhardt, Miss Judy Bushnell, Mrs. Robert Tylock and Mr. Wayne Fox.

On special occasions, and birthdays, we had coffee hours after rehearsals to celebrate, all of which helped our social get-togethers. There was a Christmas Party at the home of the director, Mrs. John Schwartz, and then in January we had a dinner party at Valle's Steak House. To end the season there was a Choir picnic at the home of Mrs. Frederick Bopp. The group had a wonderful evening including a delicious steak and also swimming was available if one desired to.

We appreciate Miss Judy Bushnell coming back to help the choir from time to time, from her studies at New York University of Geneseo, New York. Many thanks. A special thanks goes to our organist, Mr. Harold Steen for his helpfulness in rehearsals for the preparation of music.

What is the future of the choir? Certainly there must be many good voices in the congregation who would like to join us on Wednesday evenings at 7:30. If we had more choir members (men, women and teenagers) much better work could be accomplished in preparing newer, modern music, which seems to be the trend these days, and a joy to sing by young and old.

Respectfully submitted,

MRS. JOHN M. SCHWARTZ, DIRECTOR

One day when he was a young teenager,
he was missing from the family.
The family could not find him anywhere for awhile.
They even looked in the temple.
Sure enough, there he was--in the temple--
talking with the rabbis and the priests,
And asking them questions they could not very well
answer, even to their own satisfaction.
You and I have known lots of young teenagers
who could ask adults questions they could not
answer.
But somehow his questions were different.
His questions went more deeply into truth

OUR MEMORIAL FUND

It has been the practice of Saint Paul's Church to encourage its members to establish Perpetual & Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provides us with a steady income in addition to the yearly offerings of our members.

Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as memorials for loved ones in whose memory these gifts were given.

ANNUAL PASTORAL REPORT, submitted at the
January 18th, 1973 Annual Meeting of the Congregation.

Dear Members and Friends of Saint Paul's Church:

This will be the last Annual January Congregational Meeting for me as pastor of St. Paul's United Church of Christ. In about six weeks we shall be making our home in a valley of the Blue Ridge Mountains where I have received a Call to become pastor of Christ Reformed Church of the United Church of Christ in the very small town of Middletown, Maryland.

The Beckmann family can never forget the kind and faithful members of St. Paul's who have been faithful or who have become faithful to St. Paul's in the past nine and one half years. The door of the parsonage will always be open as it has been. Already several of our friends have said they would stop in down there, and we hope you will.

Looking forward to the actual move is not a happy thing when one contemplates moving a whole household of six individuals plus a dog and four parakeets and a hundred or more fish. Everything has to be packed and unpacked and there seemingly are a hundred and one strings of various nature to be tied together. The children will be uprooted from their schooling. Deborah for example will be attending her fifth school in four years!

But I have an overwhelming Call to leave Rochester and I feel this is the proper thing for St. Paul's United Church of Christ and her members and also for myself. The girls are looking forward to their new home. So these days are a bitter-sweet experience filled with sadness and joy at the same time.

St. Paul's should have a new beginning under new leadership within a short time as there is no shortage of pastors looking for a change of scenery. "Let no one think more highly of himself than he ought to think," and let each one respect and fellowship with others of the Church.

We, too, will be making a new beginning as we know. Three months ago we did not even know the members of the Pulpit Committee. Less than three weeks ago we knew none of the other members of the Church. In the Catoctin Association of which I shall become a member I know only two men both of whom I met at Eden Seminary in 1960 when several of us met for joint study. We go in the sense that this is where we should be at this particular time of my pastoral ministry.

I will not bore you this evening with many statistics as they will be printed in the Annual Report. I cannot challenge you this year as to what St. Paul's should have in mind for 1973 though these thoughts are not distant from my mind. I would prefer to let my mind wander over some of the events of the past years.

When we moved on August 31, 1963 into the parsonage we were shortly greeted by Arnold Henn with his coffee pot. We had stayed overnight in a downtown hotel and drove to 26 Navarre for the unloading of the moving van. Nothing was available to us that morning, and thus the kindness of a loaned coffee pot which was put to use at once!

Only one member of the Pulpit Committee, I believe, is a member of St. Paul's today. Bop Thompson, Fred Bopp, and Lucille Reuschle have died. Helen Zettlemoyer has moved to Florida with her husband. Another two have moved from their homes and joined another church. Mrs. Emma Hoffman alone has been able to be with us all these years. Her kindness and love for St. Paul's, and her faith in action, is evident for all to see daily. This lady sets a high Christian standard that would well be emulated by all members.

There are so many little things that have made so many moments joyful for us. I could not enumerate all of them, but I want to try with a few things, -- some things that are full of remembrances were not happy, but have been meaningful in our lives among you.

In the first months that we lived on Navarre Road Nancy suffered from excruciating pain. It was a difficult time, but also a time when several women of the church brought hot dishes to the parsonage, and even cleaned and scrubbed floors.

The first or second Sunday we were here the Fred Bopp family stopped at the house with fresh corn on the cob and other vegetables from their garden. It was about this time that the William Lohlers showed up with a chicken dinner.

One summer afternoon Alfred Goetz heard me pounding on a picnic table and came over to help. Besides being a school counselor he was quite handy with his hands and got that picnic table straightened out for me in a short time. Al was a good neighbor, but too soon he completed his earthly journey.

I remember the enthusiasm of a Daily Vacation Church School. The teachers and the planners prepared for that week in June. The youngsters who came were full of enthusiasm and wondered why we met for only five mornings.

We have seen many organizations die and fade away -- the Brotherhood, the various circles, and we have seen the lack of support for the Women's Fellowship. The Deaconesses have trouble getting new members but most of the members do the work of the Deaconesses well.

The calling on shut-ins is their primary work. How many many times the shut-ins tell me how they enjoy the house calls from the Deaconesses. It takes time and energy, but the light that is brought to and from the homes of the shut-ins deepens the faith

of the visitor and the one visited. Many more of the younger women would have their lives enriched by serving the Deaconess organization.

The Sewing Circle is a group for busy fingers. These women take it upon themselves to give three or four hours of their time each week to sewing for others. Usually this sewing involves Church World Service and is another of the good things that is constantly going on at St. Paul's.

Among the most happy events were two or three communion services wherein many members participated -- either in providing the elements for the Lord's Table or in distributing them to others. Participation in working and sharing together was surely there.

Remember the joyful banners that hung from the balcony for several weeks? These were faithful expressions of our children who made them from Biblical ideas that they knew and learned from home and in the church. From the lips of children there is much to be learned.

Did you know that our Benevolent giving, or giving for others has almost doubled each of the last two years? From \$1,716.00 in 1970 to \$4,004.00 in 1971, and to about \$6,600.00 in 1972? I would not think that this would almost double again in 1973, but it does show where the concern of many members lies. The one reason why it doubled in 1972 was the concern for St. John's Nursing Home. Twenty-five hundred dollars went to this project, and another six-hundred dollars for the Chapel which will be constructed. Christian concern is not only giving money where it is needed, but also enriches those who worked on this special project. I would think another goal for 1973 could be set for 1973, but this would take Congregational or Council action very shortly.

And so our time grows shorter. Above all I would remind you to constantly "remember Jesus Christ of the seed of David." Too often the world of business and commerce, the world does not remember who the Lord of life is. People fear to put their lives on the block of God's daily altar. It is easier and less bothersome to bury one's head in the sand for the sake of security.

Jesus said that he who does the will of My Father in heaven is my mother and brother and sister. And this needs be a daily expression. This good news for modern living is as close to us as our family, our job and our church if we choose the right expression for God is very close! Family devotions, Church attendance every Sunday, participation in discussion groups, and Bible study are needed. The sharing of God with one another will preserve the Church.

It was about six years ago or seven that January had very little snow until in the final two weekends over fifty inches buried us -- and even the schools were closed for two days! We can be buried by the storms of life. We can be overwhelmed. But the four things mentioned above will renew the church, the effectiveness of the church, and draw each member closer to one another.

Sincerely,

W. JORRIS BECKMANN.

Flowers may be ordered through your own florist. Please call church office of time when flowers are to be placed and in whose memory, so proper notice can be put in Sunday Bulletin.

We thank the donors of memorial flowers during the year, and for the poinsettia at Christmas and lilies at Easter. The flowers add much to the beauty of the sanctuary.

During the summer and fall months many garden flowers were brought to church for decoration, these were all appreciated. We especially thank Mr. and Mrs. George Peath, Arnold E. Henn and the parsonage garden for the many flowers supplied.

THE PRESIDENT'S REPORT - OUR 110 YEAR - 1972

Dear Friends of St. Paul's Church:

Looking back over the past two years I have many pleasant memories of working with the council. It has been a new challenge for me, but it has been most rewarding.

A church can become much stronger if its people are given opportunities to enjoy each others company. Christian fellowship can have some of the greatest returns in life's experiences. Our goal to meet the pledge made for St. John's Home showed what co-operation can do. We owe a vote of thanks to our two fine chairmen and their committee for their continued efforts and excellent ideas for fund raising, but success was achieved because there were enough interested people to support the various projects.

In one year we doubled our church gifts by giving approximately \$3,000.00 to St. John's Home and \$3,000.00 to church benevolences. I feel this is an encouraging sign for St. Paul's because we were able to witness the wonderful spirit of sharing with others and still meet our regular church budget.

It came as a great shock when our pastor Jorris Beckmann announced his resignation at the last council meeting of the church year 1972, but we cannot become discouraged by this happening. Now, more than ever before we need to unite as a strong group. Our choir, our Sunday School, and our youth needs YOU. Let's make 1973-74 the most prosperous year St. Paul's has ever known. Support your church by being present in the congregation each and every Sunday, by giving of your offerings, but most of all by showing a spirit of Christian love as we go about our daily tasks.

If you are a member of the council be a regular attender of the monthly meetings. I wish to thank all the loyal members of this years council. The church council needs faithful support and if we all do a little to help then no one has to bear the entire burden.

Sincerely,

ERIC M. HOOKER, PRESIDENT.

The Church Council meets the second Monday of each month at 8:00 o'clock. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregational Meeting, the third Thursday in January, and serve a 3 year term.

Dear Master, in whose life I see
 All that I would but fail to be,
 Let thy clear light for ever shine
 To shame and guide this life of mine.

 Help me, oppressed by things undone,

THE WOMEN'S FELLOWSHIP SEWING GROUP.

The Women's Fellowship Sewing Group meets the first Thursday of the month and to which every woman of the church belongs. The group is looking for someone to take leadership of the group.

At one meeting Ula Kohl brought two records of the Leonard Bernstein's Mass composed and sung at the opening of the Kennedy Center of Performing Arts in Washington, D. C. and played them.

A contribution of \$10.00 was made the Martha Nuttleman fund.

One hundred seventy three pounds of clothing was sent for the clothing drive by the Sewing Group.

A pot luck dinner was held in April following a Worship Service.

A brief talk of the work with the Winnebago Indian Children's Home, both past and present was given at one meeting. Since 1955 it is a school for retarded children.

Rev. Beckmann showed the film, "THE FRUITLESS FIG TREE," at one of the meetings.

The Genesee Valley asks that we give 50¢ instead of 25¢ to the association for each woman of the church. We will give as last year according to the consensus of opinion.

The Sewing group is making layettes and blankets.

A suggestion was made that we have a banquet on the 50th Anniversary of the church being at its present location Norton and Jewel Streets. And 111 years of the church. A banquet will be held this June on the 15th, 1973.

At another meeting the strong mayor versus the city manager form of government was discussed.

At one meeting the topic was "AS YOU GO AFFIRM YOUR FAITH." Rev. Beckmann told where our denomination has missionaries at home and abroad.

Clothing and blankets are badly needed by Church World Service. Also needed are fabric parcels, children's clothes, layettes and special kits such as personal kits, school kits and sewing kits.

The THANKOFFERING amounted to \$110.82, and was sent to the Syracuse Office of The United Church of Christ.

RESPECTFULLY SUBMITTED

VERA FREDERICK, Secretary.

1972 was a very eventful year; highlighted by an indoor picnic, a visit from Mayor May and a dinner at Valles.

During the year approximately 175 visits were made to our faithful shut-ins. Their lives this year were highlighted by greeting cards and thoughtful notes from Florence Kelley, what would we do without her? The Shut-ins also received Easter and Christmas gifts delivered by some of our members of church and deaconesses.

We hope that our supplying Palms for Palm Sunday will set a precedent for the future.

The Annual Picnic was held indoors and we invited all the Shut-ins to attend.

The October meeting which was open to all members of our church, was highlighted by Mayor May who discussed urban renewal and senior citizens.

The Board of Deaconesses would like to sincerely thank Louise Breitung for her diligent effort in maintaining the communion altar cloth.

The Annual Christmas party was held at Valles restaurant this year which was enjoyed by all.

The Officers for 1973 are, Connie Celestino, Chairman; Sara Nichols, Co-Chairman; Amy Bork, Secretary and Vera Fredericks, Treasurer.

MATERIAL AID FOR 1972

The Department for Material Aid has been going on for longer then I can remember. In past years many of the former women of Saint Paul's Church carried on this program on a much larger scale. There were many more women, but they only met about once a month. Many of these have since gone to their rest. Much more money was spent on postage in those days, as we did all of the mailing by Parcel Post or Express, which was very costly. Now we can send all the articles which we make, such as Layettes, Children's Clothing, Blankets and Quilts in one Church World Clothing Collection. There are two Clothing Drives which are sponsored by the Church Women United. One is in Spring, month of April; and another in Fall, month of September. Everything that is made is sent with the used clothing which is brought to the church for the two clothing drives.

We have the cooperation of about ten women each Thursday. In addition to accomplishing quite a bit of sewing it is conducive to a spirit of fellowship and getting to know each other as individual persons. We are most desirous of interesting more women in this worthy cause.

A PRAYER FOR THE SEASON

Make me a good gardener, O Lord.
In the garden of my life, let me sow seeds of life.
Let my words be good and fruitful. Let
my ideas be sound and fertile. Let my actions
be bright with holiness and love. As far
as lies within my power, let me sow seeds of
thy kingdom everywhere, and do thou,
O Lord of life and growth, make them germinate,
and produce the promised harvest,
O Lord of the hundredfold.

THE CHURCH SCHOOL

We have tried some new lesson material in our classes this year. It has worked out very well.

So far we have enough teachers but are very low on the number of children attending church school. We have room for many more.

The Beginners and Primary Departments have combined for their morning devotion.

The teachers and pupils have worked hard to make the Christmas program a success. The children in the Junior Department have written their own play and painted scenery and made costumes. Miss Nawrocki's class presented the story of "MOSES." Mrs. Schneider's class presented "DANIEL IN THE LION'S DEN."

Many thanks to the teachers in the Primary Department, Mrs. Pat Breitung, Mrs. Linda Piedmont, Mrs. Grace Bereza and the Pianist, Miss Esther Beckmann. Miss Christine Nawrocki teaches 5th and 6th Grade, and Mrs. Penny Schneider teaches 7th and 12th grade.

Mrs. Edith Gebhardt is our treasurer. Mrs. Jean Anderson our Secretary, assisted by Lynn Leshner.

There is still an adult discussion group which meets each Sunday morning at 9:30 in the Adult Bible Class room. The discussions are most thought provoking.

We wish to thank all who helped to make this year a success.

RESPECTFULLY SUBMITTED

CHARLES AND BETTY LESHER.

I know not by what methods rare
But this I know God answers prayer
I know not when he sends the word
that tells us fervent prayer is heard
I know it cometh soon or late
Therefore we need to pray and wait
I know not if the blessing sought
Will come in just the way I thought
I leave my prayers with him alone
Whose will is wiser than my own.

YOUTH FELLOWSHIP - 1972-1973

The Youth Fellowship accomplished fine goals and enjoyed many happy times during the year of 1972.

The two major events of the year were the Tea and Program for Saint John's Nursing Home and the Easter Pancake Breakfast. The youth put a great deal of time and effort into the great success of these events.

An effort was made to meet and share with other youth groups in United Churches. The result of this was a bowling party in April with Trinity United Church of Christ. The youth groups joined in a Pizza party after bowling.

The mother's were not forgotten on Mother's Day when the Youth Group presented all mothers with begonia plants.

The feeling of giving was motivation for the Youth throughout the year as seen in the physical and financial help donated to activities related to the Saint John's Nursing Home Fund.

Much thanks is extended to all the youth and adults who faithfully supported the activities of the Youth Fellowship.

We regret that a reduction in the interested youth and a conflict of personal requirements on the part of the sponsors cause the Youth Fellowship to temporarily discontinue activities during 1973.

YOUTH AND SPONSORS are desperately needed. Will someone with the interest, time and ability please answer the call.

RESPECTFULLY SUBMITTED,

WAYNE AND JEANE FOX.

Dear God, keep close to me this day, for the sea of the world is so wide, and the frail boat of my life is so small. Help me chart my course aright and keep my bearings. If the winds and waves are against me, let me head into them and keep full steam ahead; and, O God, keep thy hand on mine as I stand watch and hold the wheel, unafraid, steady as I go, in Christ's name.

T H E _ _ C H O I R _

O BE JOYFUL IN THE LORD, ALL YE LAND; SERVE THE LORD WITH GLADNESS, AND COME BEFORE HIS PRESENCE WITH A SONG.

The Choir completed the year 1972 with a faithful group of 15 members. All of whom have been very cooperative in the preparation of the music. We were very sorry to lose 4 very faithful singers when the Beckmanns left us. They most certainly are missed.

During the year the choir presented many old favorites, anthems and chorals. Also some new music was introduced to the congregation and was met with favorable acceptance. Not to mention the enthusiasm of the choir members in preparing the more modern works would be amiss. Special thanks is given to our soloists, Mrs. Edward Gebhardt, Miss Judy Bushnell, and Mr. Wayne Fox.

On special occasions, and birthdays, we had coffee hours after rehearsals to celebrate, all of which helped our social get-togethers. There was a Christmas Party at the home of the director, Mrs. John Schwartz. To end the season there was a Choir picnic at the home of Mrs. Frederick Bopp. The group had a wonderful evening including a delicious steak, and also swimming was available if one desired to.

We appreciate Miss Judy Bushnell coming back to help the choir from time to time, from her studies at New York University of Geneseo, New York. Many thanks. A special thanks goes to our organist, Mr. Harold Steen, for his helpfulness in rehearsals for the preparation of music. Also a special "thank you" to Mrs. Wayne Fox, who filled in as accompanist for several rehearsals.

What is the future of the choir? Certainly there must be many good voices, who enjoy singing, in the congregation who would like to join us on Wednesday evenings at 8:00. If there is to be a choir we most certainly need more choir members (MEN, WOMEN AND TEEN-AGERS) for much better work could be accomplished in preparing newer, modern music, which seems to be the trend these days, and a joy to sing by young and old.

Dear Pastor Beckmann:

On behalf of St. John's Home, I want to thank the congregation of St. Paul's for their generous contribution. In addition to your check amounting to \$2,971.27, we received a check for \$100.00 to be added to this fund from Mr. and Mrs. Glen H. Benedict in memory of Jacob Kern and family.

As you requested, we have allocated \$2,500.00 of this total amount for equipment for one of the patient's dining rooms and \$571.27 for the new Chapel construction fund.

I enjoyed being a participant at the service at St. Paul's last Sunday morning. This fine amount of money raised by your congregation is certainly a tribute of their love and concern for the work at St. John's Home.

Best wishes for a joyous Christmas and a happy 1973.

OUR MEMORIAL FUND

It has been the practice of Saint Paul's Church to encourage its members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provides us with a steady income in addition to the yearly offerings of our members.

Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as memorials for loved ones in whose memory these gifts were given.

For everything there is a season;
and a time for every matter under heaven:

a time to be born, and a time to die;
a time to plant, and a time to pluck
up what is planted;
a time to kill, and a time to heal;
a time to break down, and a time
to build up;
a time to weep, and a time to laugh;
a time to mourn, and a time to
dance;
a time to cast away stones, and a
time to gather stones together;
a time to embrace, and a time to re-
frain from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast
away;
a time to rend, and a time to sew;
a time to keep silence, and a time
to speak;
a time to love, and a time to hate;
a time for war, and a time for peace.

ANNUAL PASTORAL REPORT, submitted at the
January 20, 1974 Annual Meeting of the Congregation.

"ASK NOT WHAT YOUR CHURCH CAN DO FOR YOU, RATHER, ASK WHAT YOU CAN
DO FOR YOUR CHURCH."

As interim minister I have no desire to list statistics of parish life nor acts of ministrations for your annual reports. I am, however, profoundly indebted to you for your open homes and heart in my 700 pastoral calls; for the privilege of leading the class of confirmands in their preparation for the highest moment of decision before the altar; and for the Sunday occupancy of that high mountain of God, the pulpit. I plead one more word, please record our short ministry as a labor of privilege and love.

St. Paul's congregation faces the task of choosing a new resident minister. This involves a high degree of responsibility. May she be lead of God to a spiritual leader sensitively tuned to the Saviour and possessing the courage of heart and scholarship of mind, that in the end it might be said: HE WAS SENT BY GOD."

As I see it there will be no easy days ahead for St. Paul's. Even with a most inspired leader and very capable helpers there will be no drifting to brighter days. It will take inspiration and perspiration, HARD WORK AND LONG VISION, in capital letters on the part of the whole of St. Paul's. Albeit, with an unswerving dedication and a tireless industry and with your sights toward the eternal hills while plowing in these fields of time, I am hopeful of your future.

In the caption of this report I paraphrased the late President Kennedy's famous challenge, "Ask not what your church can do for you, rather ask what you can do for your church." I now give it to St. Paul's as its motto for the year ahead, 1974.

May the Lord attend you!

W. Marion Jeschke.

WHAT A FRIEND

What a Friend we have in Jesus,
All our sins and griefs to bear!
What a privilege to carry
Everything to God in Prayer!
O what peace we often forfeit
O what needless pain we bear,
All because we do not carry
Everything to God in prayer.

Are we weak and heavy laden,
Cumbered with a load of care?
Precious Saviour, still our refuge
Take it to the Lord in prayer
Do thy friends despise, forsake thee?
Take it to the Lord in prayer
In His arms He'll take and shield thee,
Thou wilt find a solace there.

THE PRESIDENT'S REPORT - OUR 111 YEAR - 1973

Dear Friends of St. Paul's Church:

Although I have been a member of Saint Paul's for some 40 odd years, and a member of the church council many times, I really didn't get the feeling that I have had in the past year since becoming president of the Church Council. It seems as though a new light has been turned on in my heart. I feel different somehow; I just can't explain it.

With Rev. Jorris Beckmann leaving right after I took office, I thought we were in for a rough time, but I soon found out that Dr. Jeschke was to fill the bill with his great enthusiasm. We are all very grateful to have him as our interim pastor.

The Pulpit Committee has been working very diligently, I know, because I sit in on some of the meetings. The task of selecting a new minister is by no means an easy one. The Committee has received dossiers from an untold number of applicants, only to discover they are not really interested in moving. We hope that in the near future they will find one who will be suitable to all.

This year we celebrated the Fiftieth Anniversary of our church at Norton and Jewel Streets. On Friday, June 15th, 110 members and friends of St. Paul's met at Valley Echo for dinner. Rev. George F. Roser, a former student minister and an old friend of many at St. Paul's was the guest speaker, and all enjoyed an evening of good fellowship, singing and entertainment. On Sunday, June 17th, Father Atwell of the Avon Roman Catholic Church, and head of the Ecumenical Commission of the Genesee Valley, occupied the pulpit to commemorate our 50th year at Norton and Jewel Streets., and our 111th year as St. Paul's Church.

On July 8th we had our first outdoor service at Salem Park on Scottsville Road, which was attended by about 60 members. After the morning worship we had a picnic lunch, with fun and games for all. It was such a beautiful day, it seemed to have been ordered for the occasion. Those attending expressed the hope that we would have more of these services in the future.

On August 10th Arnold Henn, Alma Judd and I attended a meeting at St. John's Home, which was called by Rev. Claire Potter. All inner city United Churches of Christ were represented. We discussed dwindling memberships, finances, possible mergers, combined services - one of which we had at St. Paul's on Thanksgiving Eve, followed by a Tea - and other matters of mutual interest. Out of this and other meetings held since an organization was formed called the United

Church Council (Inner City). Meetings will be held monthly, rotating to all churches involved. Before the year is out, it is planned to have a pulpit exchange between the Council's member churches.

I would like to thank everyone who has helped to make this a successful year at St. Paul's. It has truly been a year to be thankful for. I thank all of the members of the Council, and members of the committees which have kept the Church active.

My special thanks go to Arnold Henn, for his tremendous cooperation, without which my task would have been much more difficult.

Respectfully submitted,

FRED A. BROWN, PRESIDENT.

The Church Council meets the second Monday of each month at 8:00 o'clock. Any member wishing to bring any matter to the attention of The Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregational Meeting, the third Sunday in January, and serve a 2 year term for deacons and trustees, elders a three year term.

RESPECTFULLY SUBMITTED,

GARY BREITUNG, CHIEF DEACON.

I appeal to you therefore, brethren, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship. Do not be conformed to this world but be transformed by the renewal of your mind, that you may prove what is the will of God, what is good and acceptable and perfect. For as in one body we have many members, and all the members do not have the same function, so we though many, are one body in Christ, and individually members one of another. Having gifts that differ according to the grace given to us, let us use them: if prophecy, in proportion to our faith; if service, in our serving; he who teaches in his teaching; he who exhorts, in his exhortation; he who contributes, in liberality; he who gives aid, with zeal; he who does acts of mercy, with cheerfulness. Let love be genuine; hate what is evil, hold fast to what is good; love one another with brotherly affection; outdo one another in showing honor. Never flag in zeal, be aglow with the Spirit, serve the Lord. Rejoice in your hope, be patient in tribulation, be constant in prayer. Contribute to the needs of the saints, practice hospitality.

*Repeated two more years.

Florence Kelley was busy at her desk writing many thoughtful notes and cards this year. All of the shut-ins enjoy being remembered, especially through the mail. We all know her job is a labor of love. Thank you, Florence, you are doing a beautiful job.

We meet five times during the year. In February we had elections. Connie Celestino, chairman; Sara Nichols, co-chairman; Amy Bork, secretary; and Vera Frederick, treasurer.

In April we held a Baked Food Sale to help reimburse the treasury.

In June we had our picnic at church. The deaconesses served an Anniversary Tea to celebrate our 50th - 111th Anniversary. Elsie Koch and her committee did a wonderful job.

In October we decided to buy a new Altar Cloth, one that would be easier to maintain.

In December we had a Christmas Party at Sellitto's Restaurant. Ruth Alderman, Elsie Koch, Rato Pasch, Linda Piedmont and Caroline Wilson all had a hand at making it a fun party for everyone, by making little gifts for each of the deaconesses. \$25.00 was collected and designated to go to Rev. Alan Clark's, Back Room Project, at South Congregational United Church of Christ.

The cheer baskets were made lovingly by Ruth Alderman, Rato Pasch and Linda's children had a hand in decorating the name tags. At Easter and Christmas our shut-ins, and others at Saint John's Home that are without families are remembered with little gifts. At Easter they received little eggs filled with candy, and at Christmas pie wedge containers were decorated with Christmas trees and filled with candy. Many thank you notes of appreciation were received from the shut-ins.

During the year approximately 260 calls were made to our shut-ins, in their homes and to nursing homes. They are always pleased to hear news from the church and keep in contact.

The new officers for 1974 are:

Elsie Koch, chairman
Dorothy Ras, co-chairman
Amy Bork, secretary
Vera Frederick, treasurer.

RESPECTFULLY SUBMITTED.

THE WOMEN'S FELLOWSHIP SEWING GROUP.

The Women's Fellowship Sewing Group meets the first Thursday of the month and to which every woman of the church belongs. The group is looking for someone to take the leadership.

The Sewing Group is busy making baby clothes and blankets.

A discussion was held about the floods in Pennsylvania and New York State. Also discussed was the Security precautions taking place at the airport.

Some Catholic Church marriages are annuled and it was discussed.

A farewell dinner was held for the Beckmann family in February.

At one meeting, "How Christianity can best be expressed at work, in the world, at home and in the church", was discussed.

A pot luck dinner was held at church in April.

Mrs. Alma Judd gave a report on the topics discussed at the Genesee Valley Spring Meeting.

Dr. Jeschke, spoke about, "EACH ONE, WIN ONE."

Mrs. Alma Judd read an article from our AD Magazine written by Sam Irwin about, "Our Right to privacy" which was enlightening.

The Church World Service asks for Children's clothing, Layettes, men's work clothes, blankets, sewing kits, health kits and soap.

A pot luck dinner was held in October.

A Women's Sunday was held at church with several women taking part. The Thankoffering was collected in November totalling \$81.88 and given to the Women's Genesee Valley Association.

Christmas party was held at which time a white gift offering was taken and \$25.00 was collected. This was given to Rev. Alan Clark, for the Beck Room Project, at South Congregation United Church of Christ.

Respectfully submitted.

VERA FREDERICK.

MATERIAL AID FOR 1973

As in previous years it is my obligation as Chairman of the Material Aid department to make a report to the Genesee Valley Association and to my Church for the work of the Women's Sewing Group. We are given a quota at the beginning of the year. We cannot always meet it, due to a small number of women who are interested. We average about ten women, who meet every Thursday from ten until about two-thirty. The Spring Clothing Drive was April 2nd. We sent forty-four Baby Layettes, 6 Blankets, which were made of Patch Work Squares. These were made with new cotton material, about six inch squares with a light weight blanket in between and a covering of new cloth on top. They are pretty and will be welcome by people who are less fortunate than we are. We also sent 103 pounds of clothing at a cost of \$10.30. The Blankets are not included in this charge. They are 25¢ for each blanket.

The Fall Clothing Drive was held on September 24th and consisted of 62 pounds of clothing, shipping charge of \$6.20. We sent 3 Large Blankets and some Baby Blankets, also Thirty Two Baby Layettes.

We welcome women to come and meet with us in working for others.

We have a good fellowship meeting with each other and really get to know more about each other, which we wouldn't do on Sunday.

At present we are missing our best friend Mrs. Sherman Judd, who had the misfortune of breaking her leg the week before Christmas. We miss her greatly, because when it comes to sewing, she is tops. We are keeping her in touch with all of our projects. We are looking to the new year and our continuing service.

Respectfully submitted,

EMMA HOFFMAN, MATERIAL AID
CHAIRMAN.

THE CHURCH SCHOOL

Our Sunday School attendance has been very low for a few years but the children and adults that have been coming are very happy ones. We lost six very faithful members (the Beckmanns) in February of 1973, and everyone missed them very much. We have gained a few new members and are hoping they will continue to come.

One of our teachers has resigned at the end of June, Mrs. Grace Bereza, who has taught for many, many years. Mrs. Caroline Gilson has taken her class. Our thanks to the other teachers, Mrs. Pat Breitung, Mrs. Linda Piedmont in the Primary Department, Miss Christine Nawrocki and Mrs. Penny Schneider in the Junior Department. Mr. Arnold Henn has been heading the adult discussion group.

In September we started meeting all together for opening devotions the first Sunday of each month. In November the children and some adults gave thank you verses and prayers or readings. It was enjoyed by all.

In December there was a Christmas program by the children. It was held during the church service on December 16th. On the 30th of that month there was a party for everyone. There were games for young and old alike and a PINANTA for the children. Cookies and punch was served after the games.

Our thanks to Dr. Jeschke for all his help. He has shown some wonderful films and told stories for everyone.

Thanks to our Secretary, Mrs. Jean Anderson and her assistant Miss Lynn Leshar, also our treasurer Mrs. Edith Gebhardt.

There is also an attendance banner for the class with the most perfect attendance of each month. Our average attendance in 1972 - 52 per Sunday; 1973 - 39.

Respectfully submitted,

Charles and Betty Leshar.

But Jesus said, "Let the children come to me, and do not hinder them; for to such belongs the kingdom of heaven."

T H E C H O I R

The Choir completed the year 1973 with a faithful group of 8 members. All of whom have been most cooperative in the preparation of the music presented on Sunday mornings.

During the year the choir presented many old favorites, anthems and chorals. Not to mention the enthusiasm of the choir members in preparing new music would be amiss. Special thanks is given to our soloists, Mrs. Edward Gebhardt, Miss Judy Bushnell and Mr. Wayne Fox.

On special occasions, and birthdays we had coffee hours after rehearsals to celebrate, all of which helped our social get-togethers.

A special thanks goes to our organist Mr. Harold Steen for his helpfulness in rehearsals for the preparation of music. Also a very special "thank you" to Mrs. Wayne Fox, who has filled in as accompanist on several rehearsals, when Mr. Steen could not be with us.

What is the future of the choir??? As all can see, we do need more members, who will be welcomed whole-heartily. The congregation should realize the utmost faithfulness of the few members we do have. I, as the director, want to express my deep appreciation to them, without them there would be no choir.

Certainly there must be many good voices and people who just like to sing in the congregation who would like to join us on Wednesday evenings at 8:00 P.M.

WHAT WOULD A SUNDAY WORSHIP SERVICE BE WITHOUT A CHOIR AND THE MINISTRY OF MUSIC? THINK ABOUT IT!!

Respectfully submitted,

MRS. JOHN SCHWARTZ. DIRECTOR.

MAKE A JOYFUL NOISE TO THE
LORD, ALL THE LANDS!
COME INTO HIS PRESENCE WITH
SINGING!

OUR MEMORIAL FUND

It has been the practice of Saint Paul's Church to encourage it's members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provides us with a steady income in addition to the yearly offerings of our members.

Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as memorials for loved ones in whose memory these gifts were given.

For all the saints who from their labors rest,
 Who Thee by faith before the world confessed,
 Thy Name, O Jesus, be forever blest.
 Alleluia! Alleluia!

Thou wast their Rock, their Fortress, and their might;
 Thou, Lord, their Captain in the well-fought fight;
 Thou, in the darkness drear, their one true Light.
 Alleluia! Alleluia!

O may Thy soldiers, faithful, true, and bold,
 Fight as the saints who nobly fought of old,
 And win with them the victor's crown of gold.
 Alleluia! Alleluia!

O blest communion, fellowship divine!
 We feebly struggle, they in glory shine;
 Yet all are one in Thee, for all are Thine.
 Alleluia! Alleluia!

From earth's wide bounds, from ocean's farthest coast,
 Through gates of pearl streams in the countless host,
 Singing to Father, Son, and Holy Ghost,
 Alleluia! Alleluia!

GEORGE A. ROBB, PASTOR

* * * * *

Finally, be strong in the Lord and in the strength of his might, Put on the whole armor of God, that you may be able to stand against the wiles of the devil.

For we are not contending against flesh and blood, but against the principalities, against the powers,

Against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places.

Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.

Stand therefore, having girded your loins with truth, and having put on the breastplate of righteousness, and having shod your feet with equipment of the gospel of peace; above all taking the shield of faith, with which you can quench all the flaming darts of the evil one.

And take the helmet of salvation, and the sword of the Spirit, which is the word of God.

Mr. Arnold E. Henn

May 28, 1974.

TO THE MEMBERS OF SAINT PAUL'S UNITED CHURCH OF CHRIST:

The Pulpit Committee announces with pleasure the selection of Pastor George A. Robb of Hamilton, Ohio as candidate to give a trial sermon and conduct the worship service on Sunday, June 16th, 1974.

More than a year has passed since Rev. W. Jorris Beckmann left Saint Paul's Church. During the interim we have been fortunate in having Dr. W. Marion Jeschke as pastor to perform the various duties with the congregation. Many, many thanks to Dr. Jeschke for all the services beyond call of duty.

Pastor George A. Robb is 57 years of age and has been active in the ministry of the Evangelical and Reformed United Church of Christ since August 2, 1942. He has a wife Jean, and a son Bart. He has served churches at Rimersburg, Pa., Pitcairn, Pa., Louisville, Ohio, as Assistant Pastor, and at present is at Bethel United Church of Christ, Hamilton, Ohio. He has a B.A. degree from Franklin Marshall College, B.D. from Lancaster.

In going over many dossiers and interviewing many applicants for the position of pastor for Saint Paul's, the Pulpit Committee is confident that Pastor Robb will fill the position. We have thereby called him for the trial sermon on June 16th.

Announcement of this date for trial sermon will appear in the Parish Notices for two weeks, and in this letter to members of Saint Paul's Congregation. A congregational meeting will be held immediately following the service on June 16th to vote, either AYE or NAY to extending a call to Pastor George A. Robb. A unanimous vote is desired from the congregation.

A copy of THE SPIRIT OF THE CONGREGATION published by the Council of Church and Ministry of the United Church of Christ accompanies this letter of call to the Congregational Meeting. This is to prepare our minds and hearts as to how the congregation should accept a new pastor. We will have to forget many things of the past and not compare Pastor Robb with past ministers. If we are to survive we must forget the past and go forward into the future. Each member of the congregation must put his or her shoulder to the wheel. We are all ministers in the work of our Saviour Jesus Christ.

May the love of Christ surround us as we go forward in our 112th year. Our God our help in ages past, our help for years to come.

THE PULPIT COMMITTEE,

Emma Hoffman, Alma Judd,
John Schwartz, James Nichols
and Arnold E. Henn.

ANNUAL PASTORAL REPORT.

The brevity of the Pastoral Report in the 1974 - 75 Saint Paul's Church YEAR BOOK isn't intended as disputing the dubious reputation of pastors being "long-winded" given any opportunity of speaking or writing. So let me, quickly, word bundle: privilege, responsibility, gratitude, opportunity, joy, new friendships, and some apprehension. These words represent gathered thoughts associated with the "CALL", this past August, to the pastorate of Saint Paul's Church. I gather a "Flower City" Pulpit Committee was not "turned off" by my quoting an old fashioned phrase "garden variety" to describe myself in the "Ministerial Record", application for a change of pastorate.

As stated in the Annual Congregational Meeting, the "Honey-Moon" state of this pastorate is over. With respect to "program" projecting, no formal evaluating and planning sessions, in addition to Council Meetings, have been held. Yes, some proposals have been received and noted. More welcomed. Getting acquainted with you and "yours" through pastoral visitation is considered important in "it's own right" and related to any projecting of program objectives. Of course, some Church "Organizations" are evaluating their programs and report plans inviting your participation.

As "programs" represent structured group response to needs; so-regular participation in Sunday Worship Services represent an individual and group need expressed and ministered through Thanking God in Saint Paul's Church. Addressing this need is the sermon. Thinking Christ's words is the main objective in every sermon. All that happens in Church - even our friendly "Hello and Goodbye" conversations figure in praise of God through Christ. That the felt need for worshipping God in Church is significant; our free and thankful participation proclaims.

The weakest argument or justification of the Saint Paul's Church, as you know it, is it's being there on the corner of Jewel and Norton Streets. Some non-member neighborhood peoples' Sunday morning "sleep in" may be disturbed by the bell, but would admit it is a cherished noise. Some people may admit a surprising feeling of spiritual "vibes" in driving or walking by. Some might say, "Yes, that Church building is a reminder of God even though, to me, it is only a monument. Need it be said, "We are not in the Church Monument Maintenance Business."

Let it be said, "We share and would increase our sharing in the "business" of the Church; the Church to which God "Calls us to be His servants in the service of men" We credit God's motivating our shouldering of responsibility for maintaining our "Home" Church and sharing in denominational outreach. Such shouldering calls us to be good stewards. Good stewardship doesn't happen without following through on God's motivating and our planning. More consideration than last year's considered planning is needed for being the Church and the Church really "about the Father's business."

The following information, in this report, may be statistical in nature but I hope translated into meaningful shared experiences. In the period of August 19th to December 31st, 1974, 203 pastoral visits in homes and 43 hospital visits made. In 34 "private Communion visits 44 persons communed. Two children and one infant were administered the Sacrament of Baptism. Officiated at one funeral service; Mrs. Edward Wahl. Am pleased to report 6 youth are participating in a cooperative Confirmation Class with Salem Church. The three ministers are conducting and both Churches are meeting places.

Pertinent to Pastor Jeschke and his interim pastoral ministry is information carried in the Secretary's report.

In closing this report, I join you in thanking God for the ministry, this past year of Dr. Jeschke in Saint Paul's Church. Thanking "ALL OF YOU" for your loyal participation in the many phases of Church and Congregational life.

SINCERELY

GEORGE A. ROBB, PASTOR

THE PRESIDENT'S REPORT - OUR 112 YEAR - 1974

Dear Members and Friends of Saint Paul's Church:

We really have had only one major goal this year of 1974, which was to have a new minister to take over the permanent duties as resident minister of Saint Paul's Church. This was accomplished by the pulpit committee when they acquired the services of Pastor George A. Robb. I hope and pray that Pastor Robb and his family have a long and successful stay at Saint Paul's. On November 3rd, Pastor Robb was duly installed as our resident minister.

The United Church Council (Inner City) has continued to grow with hopes of helping all churches concerned to prosper or at least keep on an even keel. We have had Pulpit Exchange Ministers with three of the five churches involved, these included Rev. Paul Solt on May 19th, Pastor Charles Broadbent, September 29th, and Rev. Dennis Borst on November 17th. We also had combined Ash Wednesday Service at South Congregational Church, and a Thanksgiving Eve Service at Trinity Church.

We held our 2nd Annual Outdoor Service and Picnic at Salem Park, on July 14th, this service was well attended, and a good time was had by all.

On August 11th, after the morning worship service, a tea was held in honor of Dr. and Mrs. W. Marion Jeschke's leaving after having served eighteen months as Interim Minister at Saint Paul's Church. Our best wishes go with this exciting and lovable couple.

On September 22nd, we had a unique organ recital in conjunction with choral music by the choir and meditation by Pastor Robb, followed by a pot luck dinner. This was in honor of Harold Steen's 35th year at Saint Paul's organ.

I would like to thank everyone who has helped to make this a successful year at Saint Paul's Church, although our attendance has dropped from the year of 1973 we are still in a fairly good state of affairs.

As my term of Elder and as President of Saint Paul's Church come to a close, I would like to thank all the members of the church council and especially Arnold Henn for the support in the past two years, and I hope and pray for much success for them and Saint Paul's Church in the years to come.

Respectfully submitted

FRED A. BROWN, PRESIDENT

The Church Council meets the first Wednesday of each month at 8:00 o'clock. Any member wishing to bring any matter to the attention of the Council may attend any of the meetings and present his or her problem for discussion. They need only to let the President know of their desire to do so. Council Members are elected at the Annual Congregational Meeting, the third Sunday in January, and serve a two year term for deacons and trustees, elders a three year term.

A LITTLE SERMON

"What kind of a church would my church be if all the members were just like me?" Give this little verse some thought, kind reader.

Just how many morning services would there have been in my church this past year if all had attended just the same as I did?

How many mornings would there have been no services, if all the members had absented themselves on the same morning that I did?

How many Sundays without any Sunday school?

How much money would there have been for the support of my church if all the members had given the same amount as I did?

How much would have been paid for missions?

How many calls would have been made upon the sick in hospitals or in homes?

Just how much work would have been done for my community, my church and the Kingdom of God if all the members had been just like me?

BOARD OF DEACONESSES REPORT FOR 1974

"FOR INASMUCH AS YE HAVE DONE IT TO THE LEAST OF THESE --YE HAVE DONE IT UNTO ME."

We have closed the year 1974 with a feeling of satisfaction in regard to our work as Deaconesses. Approximately 225 visitations were made through the year, and appropriate gifts were given to our shut-ins at Christmas and Easter. Again, we remembered about 20 non-members who reside at St. John's Home, who would otherwise have been forgotten at holiday times. These people have outlived all their relatives and friends.

We have a dedicated group of women who attend our meetings faithfully. We held a Baked Goods Sale on May 19th following our worship service, which was well received. This seems to be a popular event.

Our annual picnic was held in June, with Dr. and Mrs. Jeschke and Arnold Henn as guests. Dr. Jeschke added much to our enjoyment, actively leading our games.

On August 11th we co-hosted a Farewell Party and Tea for Dr. and Mrs. Jeschke. The Sewing Group shared in sponsoring this party.

At the October meeting we welcomed Rev. and Mrs. Robb to our meeting for the first time. At this time plans were made for our annual Christmas party, which was held in December at Sellitto's. Instead of an exchange of gifts, we gave an offering for the Back Room Project, sponsored by the South Congregational Church of Christ. This is a program which helps inner-city boys and girls.

In December we were saddened when Florence Kelley, our amiable Cheer Chairman was stricken with a heart attack - and is now recuperating at Saint Ann's Home. Grace Bereza agreed to act in Florence's place until Florence is again able to resume her duties. We are grateful to Grace for stepping in during this emergency, as Florence was much concerned about the cards and letters which she would not now be able to send to our shut-in members.

We are still in need of at least two more Deaconesses, and are hopeful that someone will volunteer. Otherwise, our work will be curtailed, as it is necessary to have two visitors for each month.

The Board consists of the following:
Elsie Koch, CHAIRMAN; Dorothy Ras, CO-CHAIRMAN; Amy Bork, SECRETARY; Vera Frederick, TREASURER.

Also, Ruth Alderman	Hilda Graf
Jean Anderson	Louise Houghton
Ruth Bareis	Florence Kelley

MATERIAL AID

The past year has found many of our woman interested in the Material Aid or Highways for Service project. They meet every Thursday at the Church to sew for others and also for Church World Service. We have made many Baby Layettes, which are among the most needed items. Also Blankets. Last year we made 10 Patchwork Quilts. The Quilts are made from 6 inch squares of new material and we are continuing with these, as the need is always there. Sometimes they are used for shawls to keep a person warm. Old sheets are also used to make bandages. Some of our women are very good in making dresses and boy's shirts and pants. If anyone has any cotton material in three yard lengths or more, all donations will be welcome. The Fall Clothing Drive which was September 9th. We sent 105 pounds with a cost of \$10.50 for postage. The postage for Blankets is 25¢ each. The postage for the Blankets was \$2.50, which was paid for by one of our good members Mrs. Julia Foster.

The Sewing Circle combined with the Women's Fellowship had a Christmas Party the first Thursday in December, at which time we had our White Gift Offering, which was combined with the Deaconesses Offering and was given to the Back Door Project of the South Congregational Church, where it is used to teach boys and girls crafts and sewing and cooking.

We welcome more women to come and join us in this worthwhile work which goes on in behalf of The United Church of Christ.

RESPECTFULLY SUBMITTED

EMMA HOFFMAN.

THE CHURCH SCHOOL

Our Sunday School attendance has been about the same throughout the year of 1974. We had opening devotions the first Sunday of each month up until June. At the end of June Charles and I resigned as superintendent of the Sunday School. Mrs. Penny Schneider took over. Due to personal misfortune she was forced to give up the Sunday School work. We are looking for a person to take over this most important work as superintendent.

The Primary Department has combined the classes, so there is only one class for children up to fourth grade. Linda Piedmont, Pat Brietung and Ula Kohl are teaching.

In the Junior Department they have done the same thing (combined). There is only one class for grades 5-12. Caroline Gilson is teaching this group.

The Adult Discussion Group meets each Sunday at 9:30 and we do get into some lively discussions on current and religious topics. Arnold Henn leads the discussion.

There has been no Thanksgiving or Christmas program, although the children did help in the "Hanging of the Greens" on December 1, 1974.

Many thanks to the teachers and our secretary, Mrs. Jean Anderson, also our treasurer Mrs. Edith Gebhardt.

RESPECTFULLY SUBMITTED,

BETTY LESHER.

THE CHOIR

The Choir completed the year 1974 with a faithful group of eight members. All of whom have been most cooperative in the preparation of the music presented on Sunday mornings. We welcomed two new women to the choir who came forth to help. Also we are blessed with the lovely voice of our pastor's wife, Jean. All of which helps to enhance the beauty of the choral music.

During the year the choir presented many old favorites, anthems and chorals. Not to mention the enthusiasm of the choir members in preparing new music would be amiss. Special thanks is given to our soloists, Mrs. Edward Gebhardt, Mr. Wayne Fox, and Betty Lotoski who has helped on several occasions. Then Judy Bushnell when in town has joined us in song.

- 9 -

The end of March we had a farewell dinner at Valle's for our faithful and good friend Mrs. Dorothy (Bopp) Pagony, who left Rochester to start a new life on foreign shores. She is greatly missed, but will be welcomed back anytime she is in Rochester.

Also in September we celebrated Mr. Harold Steen's 35th year as organist of our Saint Paul's United Church of Christ. A worship service devoted to an organ concert and choral selections by the choir was presented. A Pot Luck Dinner in recognition of his anniversary followed the special worship service.

A special thanks goes to our organist Mr. Harold Steen, for his helpfulness in rehearsals for the preparation of music. Also a very special "thank you" to Mrs. Jean Robb, who filled in so ably for me, as director, when I was hospitalized last fall. Another "big" thank you goes to Mrs. Wayne Fox who filled in as accompanist on several rehearsals when Mr. Steen could not be with us.

WHAT IS THE FUTURE OF THE CHOIR???? As all can see, we do need more members, who will be welcomed whole-heartily. The congregation should realize the utmost faithfulness of the few members we do have. I, as the director, want to express my deep appreciation to them, without them there would be no choir.

Certainly there must be many good voices and people who just like to sing in the congregation who would like to join us on Friday evenings at 8:00 P.M.

WHAT WOULD A SUNDAY WORSHIP SERVICE BE WITHOUT A CHOIR AND THE MINISTRY OF MUSIC? THINK ABOUT IT!!! THEN ACT!!!

RESPECTFULLY SUBMITTED,

EDNA SCHWARTZ, DIRECTOR.

Besides theology, music is the only art capable of affording peace and joy of the heart like that induced by the study of the science of divinity. The proof of this is that the Devil, the originator of sorrowful anxieties and restless troubles, flees before the sound of music almost as much as he does before the Word of God. This is why the prophets preferred music before all the other arts, proclaiming the Word in psalms and hymns.

My heart, which is full to overflowing, has often been solaced and refreshed by music when sick and weary. -- MARTIN LUTHER.

TREASURER'S REPORT

The following Treasurer's Report is submitted following an audit by the Audit Committee comprised of Fred Brown, Alma Judd, James Nichols, Richard Pasch, Pastor Robb and Arnold E. Henn on January 9, 1975.

Our thanks go to each member and friend who contributed to the support of the work of Saint Paul's United Church of Christ in 1974. A special thanks to former members now living in Florida who yearly send checks to Saint Paul's in memory of loved ones and family, in loyalty to their home church.

The Perpetual Memorial Fund and other investments brought returns of \$4,625.32, a great help to offset the difference between budgeted figure and actual total pledged monies.

With rising costs of heat, light, water pollution (last year's figure \$287.05). Taxes in the form of embellishments amounted to \$442.42 for Church (thus exploding the myth of Churches not paying taxes). Tax on the parsonage was \$586.67. We in our homes as in the church are caught in a continually spiralling upward operational cost. With each member doing her or his part, banded together as a church family, supporting the various activities and by a more faithful church attendance can do great things. IN UNION THERE IS STRENGTH.

In these days of turmoil strength is needed to carry on and survive.

Many thanks to the Deacons who so faithfully count the offerings each Sunday, sort the envelopes into numerical order. Thus making my work easier in keeping records of offerings and banking.

Respectfully submitted,

ARNOLD E. HENN

FINANCIAL SECRETARY AND
TREASURER.

OUR MEMORIAL FUND

It has been the practice of Saint Paul's Church to encourage it's members to establish Perpetual and Endowment Memberships in our Church, in their own name or in memory of a loved one. The principal of this fund cannot be used by us, (IT CAN BE BORROWED FROM, IF THE OCCASION ARISES), but the interest is used in meeting the current expenses of the church. This Fund provides us with a steady income in addition to the yearly offerings of our members.

Monies in the Memorial Wreath Fund, (Memorial Cards contributions), are used for the purchase of necessary items which are suitable as memorials for loved ones in whose memory these gifts were given.

Ten thousand times ten thousand
 In sparkling raiment bright,
 The armies of the ransomed saints
 Throng up the steepes of light;
 'Tis finished all is finished,
 Their fight with death and sin;
 Fling open wide the golden gates,
 And let the victors in.

O then what raptured greetings
 On Canaan's happy shore;
 What knitting severed friendships up
 Where partings are no more!
 Then eyes with joy shall sparkle,
 That brimmed with tears of late;
 Orphans no longer fatherless
 Nor widows desolate.
