A photograph of the Webster Baptist Church building, a two-story brick structure with a prominent white steeple topped by a green dome and a weather vane. The steeple has two clock faces. The church is surrounded by trees with autumn foliage, and a blue sky with scattered clouds is in the background. A dark car is parked in the foreground on the right.

# Webster Baptist Church

An Open, Active, Caring Community of Christ

Worship: 10:00am Sunday Mornings

We are proud to have celebrated over 180 years of continuous ministry; in each era of history, WBC has had a vision for ministry, from the church's inception in 1830 to the present. In the first quarter century, there was no building called Webster Baptist Church until the sanctuary was completed. In the 1950's a new wing was added. However, we know the church is more than a building, it is people! We are visionary people looking forward to the 21st century of ministry opportunities and challenges for serving Jesus Christ in this community.

We are located south of Route 104 and the four corners of the village of Webster on South Avenue/Route 250 next to the Webster Fire Department. Look for the stained glass windows, cobblestone exterior, church tower, and friendly faces!

## A Message from the Pastor

You are invited on a journey through the pages of this pictorial directory, to view the faces of long-time members and new friends. As you take this trip, note there is 182 years of history behind you, and the story is not finished. I am proud to say we have continuously, with God's help, created a ministry centered on Christ's call into the world. All are welcome as part of this community, invited to be spiritually fed as we celebrate with one another. Just as the faces in this directory will change, so will the challenges of performing ministry require adjustment into the future. So as you and I turn these pages, may these moments remind us of the building of God's kingdom right here on earth.

My heartfelt appreciation is offered to Jay and Karen Palmer of Palmer Photography. Also wholehearted thanks to the Arts and Media Team of Matt Lawrence and Carol Kerr

WEBSTER BAPTIST CHURCH

## A Message From The Pastor

Welcome to the pages of this new pictorial church directory. Next year, we celebrate 175 years of continuous ministry at Webster Baptist Church. In each era of history, there has been a vision for ministry, from the church's inception in 1830 to the present. In the first quarter century, there was no building called Webster Baptist Church until the sanctuary was completed. In the 1950's, a new wing was added. However, we know the church is more than its building, it is her people and, in this directory, we are visionary people looking forward to the 21<sup>st</sup> century of ministry opportunities and challenges for serving Jesus Christ in this community.

## 1996 Webster Baptist Church

59 South Avenue  
Webster, New York 14580

**John A. Lake**

PASTOR

CHURCH OFFICE: (716) 265-9480

There is an old saying: "A picture is worth a thousand words!" Certainly this is true in the case of an album of family photos; but it is equally true when it comes to a pictorial directory of the church family. As you turn its pages, you will see familiar faces and new faces that you may finally call by name. It is my hope that this directory may "strengthen the ties that bind us" as we seek to be God's People in this time and place. May God use this pictorial record and each one pictured in it, in the building of the Kingdom.

I want to express my appreciation to our Pictorial Directory Committee: Sabra Clapp, Committee Chair; Ruth Batzing, Telephone Chair; Carole Burger, Photographer; and Anne Richmond, Layout;

John A. Lake, Pastor

## OUR CHURCH HISTORY

By November 10, 1830, a branch of the Ontario and Penfield Baptist Church had grown to a membership of fifty and was given recognition as an independent church to be named the North Penfield Baptist Church. In 1846, the name was changed to the Webster Baptist Church, following the establishment of the Township of Webster in 1840.

A frame building served the congregation for over 20 years. This wooden structure was then moved one block west to be used by the Webster Academy until it burned in 1872. Two members of the congregation, Luther

Curtice and Horace Holt, gathered and hauled cobblestones from the shores of Lake Ontario, and the present fieldstone and cobblestone structure was built by the 250 member congregation in 1855-1856. It was dedicated on January 1, 1857. The church had the first church bell in Webster, and it was tolled for the funeral of any Webster resident regardless of their faith.

The following years brought growth and improvements, including a furnace, baptistery, memorial stained glass windows and pews. Rent was charged for the pews to cover church expenses. The 100th birthday of the Webster Baptist congregation was celebrated May 11-13, 1930.

## OUR CHURCH HISTORY

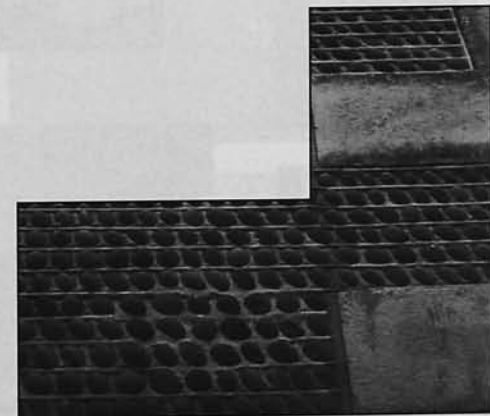

In November 1991, the church was placed on both the State and National Registers of Historic Places and a plaque was attached to the front of the church. It is the largest cobblestone building in the United States still being used for the same purpose for which it was constructed.

In 1996 the church applied for and received a matching grant from the New York State Sacred Sites Conservancy, for the reappointing of the cobblestones. The congregation generously subscribed to a Capital Funds Drive allowing the work to be completed in the spring of 1997.

We are proud of our historic building. Our prayer is that it will continue to be used to the glory of God.

A significant addition to the church included the Aeolian Pipe Organ, given in memory of William and Elizabeth Chapin and installed in November, 1938. It was dedicated on November 20, 1938 and was dedicated again exactly 50 years later on November 20, 1988.

During 1957, the centennial year of the church building, the Christian Education Building was added. In 1960, the Edith Bowman memorial tower lights were installed. During the 1965 restoration, the sanctuary was completely renovated and class rooms and offices were added to the lower level. An elevator was installed on the south side of the church. The year 1980 marked 150 years of Christian fellowship and 124 years in the present building. The tower clock was dedicated on June 5, 1983. In August, 1991, a chair lift, the Bart Van Ingen memorial gift, was installed on the north stairway to facilitate easier access to the sanctuary.

*WEBSTER BAPTIST CHURCH*  
*WEBSTER, NEW YORK*

1991 Directory  
of  
***Webster Baptist Church***

59 South Avenue  
Webster, New York 14580

---

John A. Lake, Pastor  
Church Telephone 265-9480

Dear Friends:

Last spring I presented the idea of a Church Pictorial Directory to our Diaconate. It seemed to me that at this juncture in our life and ministry together we needed more than the usual directory of names, addresses and phone numbers. First of all, it had been some twenty-five years since a pictorial directory had been done. And who of us doesn't want to see ourselves as part of a grouping of persons who mean very much to us!

Secondly, in the nearly two years it has been my privilege to serve as your pastor, a number of new persons and/or families have either joined or become active. My hope is that now they will be better able to put names and faces together. Each time that happens an important inclusionary experience takes place.

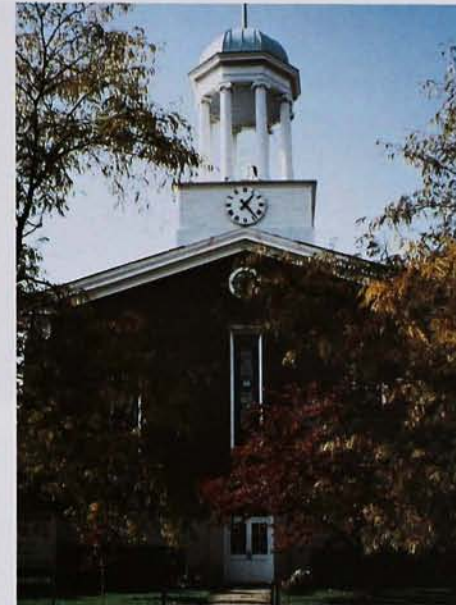

Thirdly, whether we are new to the Webster Baptist Church Family or have been a part of her for a number of years, this directory will enable all of us to come to know each other better. The better we know each other the deeper our concern for each other will become. The deeper our concern for each other the more faithful our work, worship and witness together will be.

Finally, may the ties that bind us together and make us what we are--many of which are invisible to the camera's lens--may these bonds of love nourish and enrich our lives as persons and families, and as a Fellowship of God's sojourning People!

I want to express my appreciation to John Clapp, who served as Chairman of our Pictorial Directory Committee. Serving with him on committee with him were Barb Bills, Sabra Clapp, Shirley Haase, Neva Hoffmeier and Anne Richmond. Special thanks, too, go to our Church Secretary, Carla Douglas.

Very sincerely,

**REV. CHARLES J. GRIFFITH**

In 1809 a group of thirteen earnest Baptist folk, members of the Ontario and Penfield Baptist Church, decided to organize a branch church in their own community. The small membership grew to fifty and on November 10, 1830 they were recognized by a council of neighboring Baptist Churches as the North Penfield Baptist Church. In 1846 the name was changed to Webster Baptist Church and the following year the church joined the Monroe Baptist Association.

The first church, a frame structure, was built in 1832 at the cost of \$2000. This meeting house was used until 1855 when it was decided to dispose of it and build a new church on the same site. Stones for the new church were gathered on the shores of Lake Ontario by members of the congregation and brought by wagons to the church site. The church was completed and

dedicated on January 1, 1857. Each passing year saw improvements made in the church building, wood burning stoves gave way to a furnace, a baptistry was constructed and a pipe organ installed. In the 1902 the interior was completely renovated, many repairs made and the basement modernized.

In 1938 an Aeolian Pipe Organ, a gift of the W. W. Chapin family of Rochester, was installed in the church taking the place of the old one which was pumped by hand. At the same time repairs and alterations were made to the sanctuary.

A Christian Educational Building was built in 1957 located to the rear of and adjoining the church edifice at a cost of \$67,000.

In 1963 the church was again in need of repairs and a complete renovation and modernization of the building was decided upon. Called the Restoration Program work was started in June 1965 at a cost of \$140,000. and completed for dedication services on December 5, 1965. Besides the needed repairs many changes were made and an elevator installed.

In the 138 years of its existence Webster Baptist Church has had 40 pastors. Rev. Charles J. Griffith became pastor of the church in September 1967.

Though time has brought many changes, our purpose remains steadfast, - to build the Kingdom of God here and throughout the world.
